

# Spring Hill takes two from Wildcat baseball

Louisburg senior Korbin Hankinson puts a ball in play during a game earlier this season. The Wildcats played their final regular season games on May 8 in Spring Hill and came up short in a 12-2 and 13-8 loss.

It was a rough six days for the Louisburg baseball team.

After getting swept by Ottawa on Senior Night, the Wildcats found themselves on the wrong side of the sweep again on May 8 at Spring Hill. Louisburg fell 12-2 in the opener to the Broncos and then came short in the nightcap in high-scoring affair, 13-8.

The two games ended the Wildcats' regular season with a 7-13 record as they head into the postseason.

Spring Hill jumped on the Wildcats' pitching early in the first game as it scored 11 runs in the first four innings to take a big lead it wouldn't relinquish. Louisburg scored a pair of runs in the fifth when junior Garrett Caldwell tripled home Blake Ruder and Christian Tosterud.

Caldwell led the Wildcat offense with two hits and had a big day at the plate in the doubleheader. He had five hits and 5 RBIs in the two games, including a 2-run home run in the nightcap to give the Wildcats a 2-0 lead early.

The Broncos responded to Caldwell's home run with four runs in the first inning and then six more in the fourth inning to take a 10-2 lead.

Louisburg battled back with six runs of its own in the top of the fifth inning to cut the Spring Hill advantage to two, but the Broncos scored three in the sixth to pull away.

Senior Grant Harding recorded a pair of hits, including a triple and an RBI, to help the Wildcat bats. Tosterud and junior Nate Swenson also finished with two hits, a double and a run batted in each. Beckett Rasmussen also tallied a pair of singles for Louisburg.

Although the Wildcats have lost four in a row, they have a chance to start fresh today when it competes in the Class 4A-Division I regional tournament in Ottawa. Louisburg, the No. 4 seed, will play No. 1 Ottawa at 4 p.m. today.

If the Wildcats advance, they will play the winner of No. 2 Paola and No. 3 Fort Scott later in the evening.
