

Lady Cats split with Piper as they enter postseason play

Members of the Louisburg softball team gather on the infield prior to the start of an inning during a game earlier this season. The Lady Cats split with Piper on Thursday at Lewis-Young Park.

In a matchup that was postponed twice during the season, Louisburg and Piper finally squared off on the softball diamond Thursday in Louisburg.

It was the regular season finale for both teams and Louisburg was able to come away with one victory to help give the Lady Cats some momentum going into the postseason.

Louisburg used a big inning to get past Piper, 7-4, in the opener before falling in the nightcap, 17-1. The Lady Cats ended the regular season with an 8-12 record after only winning one game a year ago.

“That win was huge for us in terms of us seeing that we can play with any team,” Louisburg coach Nick Chapman said. “We played like we are capable of.”

Piper jumped out to a 2-0 lead in the first inning of the opener, but the Lady Cats responded with seven unanswered runs, including a 5-run fourth inning.

In that fourth inning, freshman Sabra Brueggen broke open a tie game with a single that allowed freshman Addy Stohs to

score and sophomore Rylee Hickey later scored on a passed ball.

After sophomore Jenna Cauthon singled home Brueggen, sophomore Izzy Moreland cleared the bases with a 2-run double that gave Louisburg a 7-1 lead.

"Their first two hitters were good and they helped them to a two run lead to start the game," Chapman said. "We didn't let that get to us. We put one run up the next inning. Another the inning after that and then our bats exploded for that big inning. We took team at-bats, put the ball in play and made things happen."

Louisburg pounded out 14 hits, including a team-high three hits from senior Mia Wilson. Cauthon, Moreland, Stohs and Brueggen each finished with two hits, while Moreland and Cauthon had three and two runs driven in, respectively.

On the mound, the combination of sophomore Megan Quinn and Moreland held the Pirates to just the four runs on six hits. Quinn gave up just one earned run in 4 1/3 innings and had three strikeouts, while Moreland pitched the rest of the way and gave up one earned run and had also had three strikeouts.

"Megan and Izzy worked really well together," Chapman said. "Megan pitched really strong. Everything was working for her. She hit her spots, made them put the ball in play and our defense made plays. Same with Izzy. She came in and Piper didn't adjust to what Izzy offered. Those two are pitching really well down the stretch and are going to be huge for us this week in our regional."

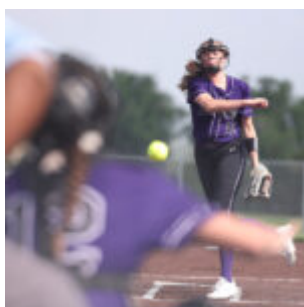

The Lady Cats begin postseason play Tuesday as they travel to the Eudora regional. Louisburg earned the No. 10 seed and will face No. 7 Tonganoxie at 3 p.m.

If the Lady Cats advance, they will play the winner between No. 2 Eudora and No. 15 Paola later in the evening.

"I think we are ready for this week," Chapman said. "We happened to find ourselves in an all-Frontier League regional, which stinks because we don't see someone we haven't met, but it's nice because we know what to expect for the most part.

"We didn't play our best last time we played Tongie and we are playing our best softball right now. It's playoff time. Everyone is 0-0 again and anything can happen."

Lady Cats get first win over Paola in eight years

Louisburg sophomore Izzy Moreland got the complete game victory as she struck out seven Paola batters in a 7-4 win in the doubleheader opener Tuesday in Paola. The Lady Cats dropped the nightcap, 9-5.

PAOLA – It had been eight years since the last time the Louisburg softball team handed a loss to Paola.

Eight was more than long enough.

The Lady Cats ended their drought against the Panthers as they defeated Paola, 7-4, in the first game of the doubleheader Tuesday in Paola. Louisburg last defeated Paola in 2014, which came in the regional championship game.

Although Louisburg went on to fall in the nightcap, 9-5, it was a positive outing for the Lady Cats as they near the postseason.

“Beating your rival is always a nice feeling,” Louisburg coach Nick Chapman said. “I think it’s been awhile since Louisburg has beaten Paola. Our girls played really well in that first game. We had one rough inning of a couple errors and let Paola get back in it. We moved on from it and gave ourselves a nice cushion going into the bottom of the seventh.”

Louisburg broke open a scoreless game with a 3-run third inning thanks to a trio of freshmen.

Freshman Sabra Brueggen singled home freshman Addy Stohs, who reached on a dropped third strike. The next batter, freshman Mackenzie Rooney, doubled and just missed a home run, but scored sophomore Amaya Weilert.

Rooney later scored on a sacrifice fly by senior Mia Wilson. Louisburg would add a run in the fourth and fifth inning to take a 5-0 lead.

Paola cut the lead to one with a four-run fifth inning that was helped a lot by some Lady Cat errors.

Louisburg (7-11) were able to create some cushion in the seventh when it scored twice. A pair of sacrifices from Stohs and Weilert drove home two more runners to help seal the win.

Louisburg senior Mia Wilson makes contact with a pitch Tuesday at Paola.

Weilert had a big game for the Lady Cats as she finished with three hits, while Stohs had 2 RBIs in the victory.

“Our girls are hitting the ball really well right now and doing a lot of the little things well at the plate and on the bases to be successful,” Chapman said. “Our offensive game was very much needed early in that game which allowed us to play a little bit looser in the field. We got down a little bit after that rough inning, but then responded at the plate, worked through the adversity and got the job done. Definitely proud of how we played.”

The Lady Cats also got a strong pitching performance from Izzy Moreland. The Louisburg sophomore pitched a complete game and allowed no earned runs and also struck out seven.

It was the starting performance the Lady Cats were hoping for as they were able to get another notch in the win column.

“Izzy was huge on the mound,” Chapman said. “She had innings

of complete dominance. She had a couple innings that she had to work out of some tough spots with runners in scoring position. Our defense had her back most of the game and it was awesome to see.”

Errors haunted the Lady Cats in the second game as Paola (5-14) jumped out to a 9-0 lead after two innings – with only one of those runs being earned. Louisburg clawed its way back with three runs in the third and two in the sixth, but could get no closer.

Rooney had a big day at the plate for the Wildcats with four hits and scored two runs. Senior Mia Wilson had three hits and an RBI, while sophomores Ashley Moreau and Megan Quinn each had two hits and an RBI.

Louisburg will conclude its regular season today when it hosts Piper in a Frontier League matchup at Lewis-Young Park.

Louisburg falls to Eudora on Senior Night

In what was a one-game match-up against one of the top teams in Class 4A, Louisburg couldn't get any traction against Eudora.

Louisburg seniors Mia Wilson and Samantha Hickey were honored prior to their Senior Night game on May 3 against Eudora.

The Lady Cats fell to the Cardinals, 13-0, on May 3 at Lewis-Young Park. Eudora senior pitcher Kira Baker shut down the Lady Cat offense to just one hit and struck out 12.

Despite the loss, the Lady Cats had a chance to honor two members of the team prior to its Senior Night contest. Senior Mia Wilson and manager Samantha Hickey were recognized with their parents prior to the game.

Lady Cats stifle Anderson County to record fourth straight win

Louisburg sophomore Ashley Moreau tags out an Anderson County runner trying to steal thanks to a good throw from catcher Amaya Weilert on Thursday in Garnett.

GARNETT – Fresh off its second sweep of the season last week, the Louisburg softball team wasted no time getting its third.

Louisburg traveled to Anderson County for a doubleheader Thursday and left with a pair of 13-1 and 12-7 victories, which increased the Lady Cats's win total to six on the season. They had just one win a a year ago.

In all, the Lady Cats combined for 25 runs on 28 hits in the two games to get their fourth straight win.

"I thought Anderson County was another great night for us," Louisburg coach Nick Chapman said. "Junior varsity and varsity both swept, which I think is a first for our program since I took over. Our JV girls are rocking it out and playing great team softball. Anderson County is a pretty good 3A team and we found a way to grab a couple wins from them.

"Our bats were hot all night long. We got runners on and found ways to score them whether it was using some small ball or just putting the ball in play and making the defense have to make plays. We had a lot of girls hit the ball hard and found gaps. Our quicker girls were able to lay some awesome bunts down and find a way on base that way and score some runs off that. Everything was clicking for us at the plate."

Six Louisburg players had multiple-hits in the first game and were led by a three-hit performance from sophomores Ashley Moreau and Izzy Moreland. Both players also finished with a

pair of RBIs.

Freshman Addy Stohs had a big day at the plate as well with two hits and 3 RBIs. Senior Mia Wilson also had two hits and drove in a pair of runs.

Freshmen Mackenzie Rooney and Sabra Brueggen added two hits, while Brueggen and Jenna Cauthon each had a double.

The Lady Cats jumped out to a 5-0 lead after two innings and never looked back. They added three runs in the fourth, two in the sixth and three more in the seventh to seal the win.

Sophomore Megan Quinn stifled the Anderson County bats in the first game as she had 10 strikeouts in a complete game performance. Quinn allowed just one run on one hit.

"Megan pitched really well," Chapman said. "She had 10 strikeouts on the night and made them put the ball in play for our defense. She's continuing to grow on the mound. She does a great job of not giving up a lot of walks and competes very well. I'm very pleased with how Megan is growing every time she steps on the mound."

Game two was a little closer as the game was tied at 3-all going into the fifth inning. From there, the Lady Cats scored three in the fifth, one in the sixth and five more in the seventh to leave Garnett with the sweep.

Rooney had a big game from the leadoff spot as she had four hits, including a double, and scored all four times she reached.

Moreau had her second-straight three hit performance with a double and 2 RBIs. Wilson and Moreland also had two hits and drove home two runs

Louisburg senior Mia Wilson recorded 12 strikeouts to get the win Thursday against Anderson County.

Stohs, Brueggen and Cauthon also had a run driven in for Louisburg.

Wilson started the game for Louisburg and had her second consecutive 12 strikeout performance as she gave up three earned runs on five hits.

Moreland took over for Wilson in the fifth inning and she was able to close the game out.

“Mia and Izzy worked very well together to tag team the second win,” Chapman said. “Mia came in with another 12 strikeout night. She got into a little bit of trouble in her last inning, loaded the bases, but Izzy had her back, came in and held the others off with a couple strikeouts to close out that inning.

“When our pitching staff is on, they are ON and they work together very well. If someone struggles, the next girl has her back when she comes in. I’m very proud of all three of them.”

Louisburg (6-9) is back in action tonight as the Lady Cast host Eudora (13-2) for one game on Senior Night at Lewis-Young Park.

Lady Cats drop make-up game to Ottawa

OTTAWA – Louisburg traveled to Ottawa on Friday for a make-up contest of the second game of a doubleheader that was postponed on Apr. 19.

Louisburg couldn't keep up with the Ottawa bats in a 14-3 setback at Orlis Cox Park.

"Ottawa was not our best showing," Chapman said. "We showed up with some old bad habits and didn't compete very well. We are beating the teams we need to, but we have to learn how to play well against the good teams. That's our next area of growth. We have two good games this week and we are going to have to step up this week to find ways to give ourselves a chance and compete in all aspects of the game."

Louisburg's Rylee Hickey makes contact with a pitch Friday at Ottawa.

Louisburg took a 1-0 lead in the first when Ashley Moreau scored on a Mia Wilson single.

From there, Ottawa scored three in the first and five more in the second to jump out to a big lead. The Cyclones scored six more in the fourth and took advantage of six Lady Cat errors.

Moreau lead the Lady Cat bats with two hits, while Addy Stohs also had a double for Louisburg.

Wilson strikes out 12, homers to lead Lady Cats past

Osawatomie

Louisburg senior Mia Wilson homered and drove home six runs in the Lady Cats' doubleheader with Osawatomie on Thursday. Wilson also had a complete game performance on the mound with 12 strikeouts.

OSAWATOMIE – Eight games can seem like an eternity when they all end in a loss.

That is what the Louisburg softball team was going through heading into last Thursday's doubleheader in Osawatomie. Now, the Lady Cats have started a new streak – a better one.

Louisburg snapped its losing skid with an 11-5 and 12-2 victory over Osawatomie at Karl E. Cole Sports Complex as the Lady Cats picked up their first victory since their season opener.

"Those wins were huge for us," Louisburg coach Nick Chapman said. "I'm so proud of every girl in our lineup. We needed that for our confidence going into these last few weeks of our season. Every girl contributed at the plate and in the field. Once we learned to sit back on their pitchers, our bats exploded the way they are capable of. Every girl hit the ball hard."

The Lady Cats (4-8) pounded out 23 runs in the two games on 27 hits, but had to play catch up in the opener as Louisburg trailed 3-0 after one inning.

That quickly changed as the Lady Cats scored three runs in the

second and third innings and added four more in the fifth to seal the win.

Senior Mia Wilson and sophomore Izzy Moreland each led the way with three hits and both recorded a double. Moreland, sophomore Ashley Moreau and freshman Sabra Brueggen each drove home two runs.

Moreau, Amaya Weilert and Addy Stohs each finished with two hits, while Weilert, Wilson and Jenna Cauthon each added an RBI.

Louisburg sophomore Jenna Cauthon throws out a runner during a game earlier this season.

The Lady Cats also played solid defense in the two games as they made several plays in the field that halted any attempt at a Trojan comeback.

"In the field, we made the routine plays that we needed to make and we had a couple great effort plays," Chapman said. "Amaya was a wall behind the plate. Rylee (Hickey) had a great diving catch off a pop up in front of the plate and

controlled the bases well. Infielders played really well. Our outfield played well. Very proud of all of our girls."

Wilson provided the Wildcats with a strong start on the mound despite a rocky start. She settled in and pitched a complete game with 12 strikeouts.

She followed it up with another memorable performance at the plate in game two as she led off the contest with a 2-run home run to give the Lady Cats an early lead. She finished with 5 RBIs in the nightcap.

"Mia had an awesome night," Chapman said. "She started on the mound, gave up a 2-run home run and another run, had to adjust to the strike zone and then she got going. She had 12 strikeouts and 6 scoreless innings.

"At the plate she did a lot of great things to help runners get around a score and then she started our huge 1st inning in the second game with a bomb. She was a great example of having to work through some adversity and found ways to be successful. She had one heck of a night."

Just like the first game, Louisburg got another strong start from its pitchers – this time it came from Moreland. The Louisburg sophomore pitched a complete game and gave up just one earned run and had nine strikeouts.

Moreland got a big lead to work with as the Lady Cats scored all 12 of their runs in the first inning.

Moreau led off for the Lady Cats and finished the game with three hits and an RBI. Cauthon had two hits, including a double and drove home a pair of runs.

Stohs, Moreland and Hickey also had RBI hits in that second game.

Louisburg will try and build on its winning streak Thursday when it travels to Anderson County for a doubleheader.

Week 5 Athlete of the Week: Mia Wilson

Here is the Louisburg Sports Zone Athlete of the Week for week five of the spring sports season, sponsored by Edward Jones-Craig Holtzen.

MIA WILSON, SENIOR, SOFTBALL

Louisburg senior Mia Wilson helped the Lady Cat softball team – both in the field and with the bat – last week in a pair of victories over Osawatomie. Wilson started the first game of the doubleheader last Thursday and struck out 12 batters in a 7-inning victory.

Wilson continued that success at the plate. In the three games (two against Osawatomie and one against Ottawa) she tallied six hits and finished her week with eight runs driven in. A few of those came with one swing of the bat when she hit a 3-run home run in the nightcap of the doubleheader against Osawatomie.

The athlete of the week award is announced every Wednesday morning during the spring season and the winner is selected by Louisburg Sports Zone with the help of nominations from coaches.

Lady Cats drop three games to Tonganoxie, Bonner Springs

Louisburg second baseman Jenna Cauthon dives for a ground ball while a Bonner Springs player leaps to get out of the way last Tuesday in Bonner Springs.

TONGANOXIE – The last week wasn't too kind to the Louisburg softball team.

It started with a pair of losses to Bonner Springs last Tuesday and ended with a setback Thursday at Tonganoxie.

Louisburg never got any traction against the Chieftains as the Lady Cats fell 11-1 in the one-game outing at Tonganoxie.

The Chieftains scored two runs in the first two innings to

take a 4-0 lead. Freshman Addy Stohs doubled home fellow freshman Sabra Brueggen in the top of the third for the Lady Cats' lone run.

Tonganoxie added three runs in the fourth and fifth innings to seal the win over Louisburg.

Louisburg had just four hits on the night, but two of them came off the bat of sophomore Jenna Cauthon, who had a pair of singles.

The Lady Cats (2-7) battled Bonner Springs last Tuesday and nearly came out with a win in the opener. However, Louisburg lost both contests 7-6 and 11-1.

Louisburg took a 2-0 lead in the first game against the Braves when Brueggen singled home Izzy Moreland and Stohs in the top of the second, but Bonner Springs responded with four runs in the bottom of the inning.

Bonner Springs took a 6-2 advantage into the top of the seventh when the Lady Cats rallied for four runs to tie it.

Brueggen reached on an error that allowed Stohs to score and then Megan Quinn scored on an Ashley Moreau ground out.

Senior Mia Wilson came through with the biggest hit of the game for Louisburg on a single that scored Brueggen and Mackenzie Rooney to tie the game with two outs.

Bonner Springs scored quickly in the bottom of the seventh to win it thanks to an error, a passed ball and a wild pitch.

Louisburg first baseman Megan Quinn records an out last week at Bonner Springs.

“Right now we are not playing up to our potential,” Louisburg coach Nick Chapman said. “The first game against Bonner, I was really proud of how we came back from a 4-run deficit in the top of the seventh to give ourselves a chance to win the game. That was a fun inning.

“What’s hurting us is our inability to make routine plays. When we can figure out how to make routine plays consistently and not put as much pressure on our offense, then I think we are going to be really good. This week we are focused on growing and getting better every game we play.”

Wilson started the game and gave up two earned runs in five innings and struck out a pair of batters. She also led the Louisburg offense with a pair of singles, while Brueggen drove in three runs.

Louisburg took an early lead in the nightcap after Rooney led the game off with a single and came around to score on a double from Wilson.

Bonner Springs responded with six runs in the first inning and never looked back.

The Lady Cats will try and snap their seven-game losing streak tonight when they travel to Ottawa. First pitch is set for 4:30 p.m.

Lady Cats score 20 runs against Wellsville, but come up short in doubleheader

Louisburg freshman Sabra Brueggen lines a base hit to the outfield Thursday against Wellsville at Lewis-Young Park.

The Louisburg softball team was hoping to build on its first two wins of the season last week as the Lady Cats hosted Spring Hill and Wellsville in a pair of doubleheaders.

Unfortunately for the Lady Cats, neither of them went as well as they would have hoped.

Following a pair of losses to Spring Hill last Tuesday, Louisburg's offense came to life against Wellsville, but lost a 19-13 extra inning affair in the first game and then lost 18-7 in the nightcap for its fourth straight loss Thursday at Lewis-Young Park.

Although the Lady Cats were able to plate 20 run in the two games, they struggled in the field with eight errors in each game.

“Our bats are hot right now,” Louisburg coach Nick Chapman said. “We are hitting the ball well and we are executing situations when needed. We just beat ourselves on defense. We put ourselves in position to win the first game and we didn’t finish it. I was very proud of how we responded going into the bottom of the 6th and 7th innings needing to score runs to give us a chance and we did.

“Wellsville was a great offensive team but we shouldn’t have to score that many runs to try to win games. I’m glad we can though. We will get back to work and look to put a better product on the defensive side of the ball and continue our hot bats.”

In the opener, the Lady Cats jumped out to a 4-2 lead in the bottom of the fifth inning, only to see Wellsville respond with seven runs in the sixth. Louisburg answered right back with seven runs of its own in the bottom of the frame.

Wellsville scored three more in the seventh to take a one run lead, but Sabra Brueggen led the bottom of the seventh off with a double and scored on a single from Mia Wilson to force extra innings.

The Eagles took the momentum right back as they scored seven runs in the eighth and the Lady Cats weren’t able to rally this time around.

Louisburg senior Mia Wilson slides safely into third base Thursday against Wellsville.

Sophomore Izzy Moreland led the Lady Cats with three hits, including double and 3 RBIs. Wilson also finished with three hits and 2 RBIs, while Brueggen had three hits, a double and an RBI.

Ashley Moreau, Addy Stohs, Megan Quinn and Brynley Bauer each finished with two hits, including double from Quinn and Bauer. Moreau, Quinn and Rylee Hickey had 2 RBIs each.

In the nightcap, one big inning by Wellsville put the Lady Cats in a hole they couldn't get out of.

Louisburg (2-4) trailed 8-7 going into the fifth when the Eagles exploded for a 10-run inning to put the game out of reach.

Six players finished with a multi-hit game for Louisburg. Sophomore Jenna Cauthon had two hits, including a double and 2 RBIs, while Stohs also had an RBI double.

Moreau, Wilson and Moreland each finished with a pair of hits and a run batted in, while Brueggen had a pair of singles and two runs scored. Quinn also finished with two singles.

Louisburg will try and bounce back today when it travels to Bonner Springs for a doubleheader. First pitch is set for 4:30 p.m.

Spring Hill hands Louisburg two losses

Louisburg hosted Spring Hill last Tuesday at Lewis-Young Park and the Broncos are considered to be the league favorite.

The Broncos showed early and often why they are among the best in the Frontier League.

Spring Hill handed Louisburg 13-1 and 16-4 losses in what was its first setback of the season.

Louisburg took a 1-0 lead in the fourth inning of the first game after freshman Mackenzie Rooney walked and later scored on an error. In the fourth, Spring Hill broke the game open with a 13-run inning.

“Spring Hill is a really good team,” Chapman said. “They are going to be a tough one to beat in the league and 5A. They took advantage of our mistakes. I thought in both games, we played solid softball for 3-4 innings in each game. We were up 1-0 going into the top of the 4th and Spring Hill was frustrated. They started hitting the ball well and we let that get to us. Same thing in the second game.

Louisburg freshman Mackenzie Rooney makes a diving catch in centerfield last week against Spring Hill.

"We allowed some easy runs but we stayed competitive at the plate and frustrated them on the mound. We just couldn't hold off their bats and make the plays we needed to. We have to learn that we are going to see teams that are going to hit the ball well, but that doesn't mean we can't play even better defense."

In the nightcap, Spring Hill jumped out to a 6-0 lead in the third and scored 10 more runs in the next two innings.

Brueggen led the Louisburg offense with a pair of hits and two RBIs, while Wilson had an RBI double. Rooney finished with an RBI triple and Stohs added a double and scored a run.

Week 2 Athlete of the Week: Sabra Brueggen

Here is the Louisburg Sports Zone Athlete of the Week for week two of the spring sports season, sponsored by IronHorse Family and Cosmetic Dentistry.

SABRA BRUEGGEN, FRESHMAN, SOFTBALL/GIRLS SWIM

Louisburg freshman Sabra Brueggen made big contributions to two different teams for the Wildcats last week. It started on the softball field on Mar. 29 as Brueggen collected four hits, including a 2-run double in the first game, to help the Lady Cats to a sweep of Baldwin. She also scored four runs and had two stolen bases.

Last Wednesday, Brueggen hit the waters for the Osawatomie-Paula-Louisburg girls swim team and qualified for state in two events in her first meet of the season. Brueggen recorded a time of 26.04 seconds to qualify for state and win the 50-yard freestyle. She later went on to win the 100 backstroke and recorded a state qualifying time of 1:03.82.

The athlete of the week award is announced every Wednesday morning during the spring season and the winner is selected by Louisburg Sports Zone with the help of nominations from coaches.

Lady Cats sweep Baldwin for special start to season

Louisburg coach Nick Chapman fires up his team after a big inning last Tuesday against Baldwin at Lewis-Young Park.

The 2022 campaign for the Louisburg softball team is already off to an electrifying start.

The Lady Cats competed in all phases of the game Tuesday in their home opener against Baldwin. Louisburg won by playing small ball in the first game in a 5-2 victory, but the Lady Cats showed a different side to themselves in the second.

Louisburg's bats came alive as the Lady Cats rolled the Bulldogs in the nightcap for a 12-3 victory to win their first two games of the season.

In just their first outing, the Lady Cats already eclipsed their one win from a season ago and it was a memorable start to their season.

"They had confidence in not only themselves, but each other, which is huge for our young team right now," Louisburg coach Nick Chapman said. "They need to believe in each other. They communicated and celebrated with each other. From the girls that started both games to the ones that pinch ran for us, they worked together to make it happen. Once we got through our lineup once and got that first at bat out of the way, they got going. We got down 1 kind of early and for 3 or 4 innings but again I saw the change in them. They never once hung their heads. They worked through it and then we found our big two innings that helped seal the first win.

"Same thing in the second game, it just happened a little sooner. I think when Sabra (Brueggen) caught that last out in the first game, each of us took a big sigh of relief. Then we were able to play free in the second game. It felt good to me to win those two games but even more important is it allowed the girls to smile and have fun playing this game. It was just a fun night overall. We actually had fun in our team huddle at the end. I started a new tradition last year of giving out game balls after wins. Well I gave out twice as many out Tuesday night as I did all of last year and the girls laughed about it and you could tell there was a lightness that they finally felt and as a coach, that was really nice to see."

Second baseman Ashley Moreau snags a ground ball and tags out a Baldwin runner.

In the first game, Louisburg found itself down 1-0 going into the bottom of the fifth inning. With two outs, Rylee Hickey worked a walk and then went to third on a bunt single from Sabra Brueggen.

Hickey went on to score on a passed ball and then Brueggen came around to score when Ashley Moreau reached on an error.

The Lady Cats (2-0) broke the game open in the sixth. Jenna Cauthon singled to open the inning and Izzy Moreland followed with a bunt single and Addy Stohs singled to center to load the bases.

Megan Quinn singled home pinch-runner Brooklyn Harmon and then Brueggen broke the game open when she doubled home Stohs and pinch-runner Sami Lane.

It was that “small-ball” mentality of moving runners that helped Louisburg persevere in that first game.

“The small stuff is what we are going to have to be good at,” Chapman said. “The big inning doesn’t always come from a home run or big hit. For our team, we are fast and sneaky, but also have some power. I have given the girls a lot of freedom to make things happen this year. With a young group, that could be dangerous but it could also create less stress for them. They utilized it well on Tuesday. If something didn’t work out, we talked about and learned from it.

“Not only is this group athletically talented, they are smart girls. The softball IQ was very high on Tuesday and how they executed things without me saying anything. That’s going to be huge for us if we continue to grow in that aspect.”

Sophomore Izzy Moreland winds up for a pitch Tuesday against

Baldwin at Lewis-Young Park.

Starter Mia Wilson kept the Lady Cats in the game as she allowed one run to go along with seven strikeouts, but had to work around six walks. Moreland came in for the final three innings and gave up just one run on one hit and struck out three.

After a strong performance from Quinn, who allowed just one earned run on four hits and struck out three in the nightcap, Moreland came in for the final three inning to close the door as she struck out six.

“Our pitching staff was incredible,” Chapman said. “Mia started and struck out the side in the first inning and set the tone for the night on the mound. She got in some trouble a couple times, but worked herself out of it. Megan started game 2, hit her spots and got girls to hit into our defense. Then Izzy came in in both games and completely dominated to close out both. These three offer different things that batters were never able to get comfortable in the box. They were awesome.”

Louisburg was led by a pair of freshman hitters Tuesday. After Brueggen came through in the first game, it was Mackenzie Rooney’s turn in the second.

Rooney came up twice with the bases loaded, and cleared them both times with a double and triple to finish the night with a team-high 6 RBIs.

Freshman Addy Stohs cheers for her teammates after she scores a run in the first game of the doubleheader Tuesday against Baldwin.

"These two definitely came in clutch," Chapman said. "Sabra was consistent at the plate all night and is the one that helped get that big inning going for us and led the charge as freshman in that inning. Mack struggled in the first game at the plate, with her nerves, but did a lot of great things on the bases. Game two she finally found her bat. The first one is what sparked us and the second one sealed it for us. I'm so proud of these two along with the other freshmen who did a lot of the small things correctly that helped us get girls over and scored."

Baldwin once again got out to a 1-0 lead, but Louisburg scored three in the third, one in the fourth, four in the fifth and four more in the sixth.

Wilson led the team in hits with three, to go along with 2 RBIs. Moreau also had a pair of hits and 2 RBIs.

Brueggen also had a pair of singles, while Quinn had a two-run single of her own.

Louisburg will try to keep its winning ways going this Tuesday when it hosts Spring Hill for a doubleheader at Lewis-Young Park. First pitch is set for 4:30 p.m.

Lady Cat softball looking to bounce back from tough 2021 season

Louisburg starting pitcher Mia Wilson is the lone senior on the 2022 Lady Cat softball team and returns as the squad's No. 1 starter/

It was challenging 2021 campaign for the Louisburg softball team.

The Wildcats finished the year with just one win and missed out on the regional playoffs. It was a team filled with freshmen playing pivotal roles on the varsity level.

As tough as that season was, many of those same players are returning with a year of experience. The 2022 version of

Wildcat softball is still a young team with a roster filled with freshmen and sophomores.

With just one senior on the roster in pitcher Mia Wilson, Louisburg is looking to take several steps forward with a young group players.

“This was a young group last year and they experienced a rough season,” Louisburg coach Nick Chapman said. “They have definitely grown and have helped me grow as a coach. You can see confidence growing in everything they do from they way take routine reps, to laying out and practicing the top 10 plays, to how they lead and talk to each other. I’ve set expectations for this group and they are working to get there. I’m proud of them and I can’t wait to see them to put it together.”

Wilson is the team’s oldest player as she returns as the Wildcats’ No. 1 pitcher, however the other 12 players on the varsity rosters are either freshmen or sophomores.

Even with younger players, Chapman is excited to see the girls compete and improve as the season goes along.

“They are gaining confidence every day and they are hungry,” Chapman said. “You can tell in the way they practice, in the way they hold each other to a standard of wanting to be better every day, every rep. They cheer each other on, they pick each other up, they hold each other accountable so that our team finds success. From top to bottom, this is a special group of girls, at both levels. The program is growing and I’m excited to get this thing going this year.”

Louisburg sophomore Jenna Cauthon is one of several returning starters off of last season's team

The Wildcats return their entire pitching staff from a year ago and it starts with Wilson, who was an All-Frontier League honorable mention selection a year ago with 47 strikeouts on the year.

Sophomores Megan Quinn and Izzy Moreland will also return and see time on the mound throughout the season.

"Izzy had to become a two game catcher last season and her pitching was not able to be utilized," Chapman said. "She is going to step in nicely and I'm excited to finally get her on the mound this season. These 3 all offer something different and it's a special thing that we are trying to grow, and what's beautiful is they work together and coach each other and make my life way easier as a baseball guy trying to learn the art of softball pitching. This is going to be a special

staff. I'm excited for them. We are going to put a defense behind them that have their back and get the job done."

When she is not on the mound, Wilson will play the shortstop position, while sophomore Ashley Moreau will also see time in the middle infield.

Moreland will play either first or third base, depending on the situation, while returning starter, sophomore Jenna Cauthon, will play second or third.

Sophomores Rylee Hickey and Amaya Weilert will see time at catcher. Hickey will also see time in the outfield with freshmen Mackenzie Rooney and Sabra Brueggen.

Sophomore Megan Quinn will see a lot of time on the mound and at first base for the Lady Cats.

Freshman Addy Stohs will also see time as a designate player

and freshman Brynley Bauer could see time at catcher and in the outfield. Sophomore outfielder Brooklyn Harmon and freshman infielder Sami Lane are also listed on the varsity roster.

Offensively, this group also looks to improve as they feature players throughout the lineup that can do different things.

“At the plate, our goal is to get runners on, get them over and get them in,” Chapman said. “Team softball. Our lineup 1-9 in my eyes will work together very well and there’s not a point of in our lineup that worries me. We have speedy girls who will get on base any way they can and take advantage of whatever they can on the bases. We have girls that are solid contact hitters that will do a job in any situation and we have girls that have some pop. We just need to put it together.”

Louisburg opens its season Tuesday as the Wildcats host Baldwin for a varsity-only doubleheader at Lewis-Young Park.

Chapman is excited to see what his team can do on opening day and is looking for a lot of positive moments for the 2022 season.

“They want to be good,” Chapman said. “They want success and doing the right things to find that success. My goal every year is state as every competitor should have that goal, be the last team standing. Bigger picture is I want this program to grow into a consistent threat in the Frontier League, which is tough, as well as the state. We will see ourselves in a regional this season and work to break through to the state tournament. .500 is our goal and to make that the new norm for this program.”
