

Turner takes part in KVA all-star match despite injury

Louisburg High School graduate Madison Turner stands in the huddle with her Blue team during a timeout in the Kansas Volleyball Association All-Star match on June 4 at Washburn University in Topeka. Turner was forced to sit out of the match with an injury.

When she was selected to participate in the Kansas Volleyball Association All-Star match, Madison Turner had every intention of playing against some of the best seniors Kansas had to offer.

The Louisburg High School graduate was looking forward to taking the floor for the June 4 match at Washburn University in Topeka. However, a knee injury derailed that plan as Turner, who was supposed to play for the Blue team, had to sit from the bench and watch.

Turner's Blue team lost a close five set match to the Red team, 25-13, 19-25, 25-19, 22-25 and 16-14. Although Turner didn't get a chance to showcase her talents with the rest of the state's best, she still had a good time.

Madison Turner enjoyed her weekend at the KVA All-Star match in Topeka.

“It was a great experience and a fun weekend,” Turner said. “I was really bummed that I wasn’t able to play. I was coming off an injury that I had been dealing with since nationals for club volleyball in April. I was planning on playing in the match, but a week before I realized that I would not be able to because of my injury. I feel that I worked hard to get the honor to be on the team and to not be able to play was hard.”

She had to do a lot of leg work to earn a spot on the team. Louisburg High School head coach Jessica Compliment nominated Turner for the team, and once she was selected, Turner had to secure \$300 worth of sponsors for expenses for the weekend-long event.

The event featured a lunch and dinner for the players and parents and it helped take Turner’s mind off not playing.

“I spent several days going around to individual businesses in Louisburg asking them for donations to sponsor the event,” Turner said. “Most of the places I went to were very willing to donate. When we got there we each received a shirt and spandex to play the match in and it was just a great time.

They really made each of us feel very special.

“Some of the girls that were on the team I have played against in club or high school volleyball. There were some girls that I had not met before and I am friends with now. Everyone was really nice and it was a great weekend.”

Turner, who played the middle hitter spot for Louisburg last season and stands at 6-foot, 4-inches, had a big season for the Lady Cat program. She garnered a first team all-Frontier League selection as she helped Louisburg to its third straight undefeated league crown and a third-place finish at the state tournament.

She was also on three state tournament teams during her career, including a second-place finish as a sophomore. This past season, Turner led the Lady Cats with 327 kills and also had a team-high 266 blocks to go along with 37 aces.

Now Turner’s focus will turn to staying healthy and getting ready for her next volleyball experience. Turner signed to play with Arkansas State University, a Division I program out of Jonesboro, Ark.

She has to report to the Red Wolves program in two weeks and she is looking forward to playing college volleyball.

“I am super excited to head down to Arkansas State,” Turner said. “I have to report on July 5 because I have to take two summer classes so I can be on campus and practice with the team. My parents and I are heading down a couple days before so I can get moved into my dorm. There are three volleyball camps in July that I will working as well, which will be fun.”
