

Harding signs to play basketball at Hesston College

Louisburg High School senior Grant Harding signed his letter of intent on May 2 to play basketball at Hesston College. Sitting next to Grant are his parents Dotty and Ken Harding. Standing (from left) is former Louisburg head coach Jason Nelson, brother and assistant coach Drew Harding and Hesston coach Dustin Galyon.

It has been quite a year for Grant Harding.

The Louisburg High School senior helped the Wildcat basketball team to their first state tournament in 12 years, he led them in scoring and rebounding and was rewarded for those accomplishments with first team all-Frontier League honors.

Now Harding is ready to take the next step in achieving a dream.

On May 2, Harding signed his letter of intent in front of family and friends at LHS to play basketball at Hesston College.

"I am very excited to play basketball at the next level," Harding said. "(Hesston) has been talking to me since December and called me during Christmas break for the first time. They have always seemed like a good option to me and the Hesston program is a very respectable program and a very good team. I

am very excited to finally know where I am going next year.”

Hesston College, which is two-year school located in Hesston, Kan., has had a successful men’s basketball program in recent years, including two years ago when the Larks earned a spot in the junior college national tournament in 2015.

Hesston Coach Dustin Galyon hopes Harding can be one of the pieces that can help get the Larks back on the national stage in the near future.

“I am super excited to have Grant be a part of the Hesston College basketball family,” Galyon said. “We are excited for the role he will play on our team – a team that has been nationally ranked three out of the last five years.

“We think Grant can be an impact guy for us as a freshman and that is saying a lot. There is a great responsibility that comes with that. We think his best basketball is ahead of him. After watching him play, working him out and talking with coach (Jason Nelson), we think he has the chance to be a full-ride kid at the Division II level or higher after he is done with us.”

Playing at a high level has always been a goal for Harding, but he also wanted to get a chance to play right away. Harding feels Hesston helps him in both regards.

Grant Harding, who averaged 17 points a game for the Wildcats, is excited about the opportunity to play at Hesston.

“It is even more exciting to know that after the first two years, I will still have plenty of opportunities to play college ball somewhere – maybe even more than what I had this time around,” Harding said. “Through high school, I have always played three sports, but it is exciting to only play basketball for the next couple years and get better at basketball and staying in basketball shape. It has always been a big adjustment from sport to sport every year.”

Harding, who averaged 17 points and eight rebounds a game for the Wildcats last season, had a few options to play at the college level, but it was Hesston that stood out following his official visit to the school.

"When I went for my visit, I met all the players and they all seemed like great guys," Harding said. "I had a chance to sit down with all of them and they are all extremely nice. A lot of them are very talented. Coach is a great guy and I know he cares for his players and he has won a lot of games. The whole thing seemed to plan out like I wanted it to do."

Harding is also ready to take the next step in the academic world as well. While in college, Harding plans to major in secondary education with an emphasis in history.

"Hesston is not just a great fit for him from a basketball perspective, I think it is a great fit off the floor as well," Galyon said. "He will receive a private education and transfer to anywhere in the country. Hesston is not the typical 2-year school as we have kids from 35 states and 19 countries. He fits the academic piece to that as well and we are a Christian college.

"Grant is going to be challenged on the basketball floor, he is going to be challenged in the classroom, and he is going to be challenged as a young man in his faith. We are seriously excited to have him a part of our program."
