

Three schools to join Frontier League

Three schools have accepted invitations, or will soon, to join the Frontier League for the 2018-19 season and beyond.

Piper, Bonner Springs and Tonganoxie will be leaving their current home – the Kaw Valley League – to join the Frontier after all three were offered spots during a meeting in early April.

Their addition will now bring the Frontier League to 10 members, along with Louisburg, Paola, Ottawa, Spring Hill, De Soto, Baldwin and Eudora. The trio of schools made presentations to the current Frontier League members for admittance due to the fact the Kaw Valley is in the process of breaking up. Current member Bishop Ward is leaving the league next school year, which leaves them at six.

Piper quickly accepted the invitation following a vote of its board of education and is looking forward to joining the Frontier.

“We are extremely excited to get into a league with like-size schools and competition levels,” Piper High School activities director Doug Key said. “We believe Piper High School is good fit for the league due to the competition level in all activities and will match up well. We have played all current schools in various activities and felt like this would be a positive move for the future.

“Being in a league with various size schools and us being the smallest wasn’t going to be optimal. We are still are competitive in many areas, but we needed to secure a more balanced future. We feel like being in the middle, size-wise, will keep us competitive for years to come.”

According to this year’s classification numbers, Piper has a current enrollment of 601 students. Turner is the Kaw Valley’s biggest school with 1,114 students, followed by Lansing (910), Bonner Springs (758), Basehor-Linwood (710) and Tonganoxie (618).

Bonner Springs, Piper and Tonganoxie compare to other Frontier League programs. De Soto is the biggest school in the league with 854 students, followed by Ottawa (709), Spring Hill (699), Paola (612), Louisburg (563), Eudora (471) and Baldwin (410).

Bonner Springs’ board of education also approved the move to the Frontier League and Bonner Springs High School principal Rick Moulin echoed Key’s statement.

“We have competed against teams in the Frontier League the past several years,” Moulin said. “The schools in the Frontier League are a lot like Bonner Springs – we are competitive and value sportsmanship. The teams in the Frontier League are similar in size to Bonner Springs, which will be a great gauge for us as we try to compete at the highest level possible in 4A. Bonner Springs is a small town community, with great community support, much like the schools in the Frontier League.

“We are excited to be joining with Piper and Tonganoxie. We hope to continue to be able to compete against Basehor-Linwood, Lansing and Turner. I have a lot of respect for their schools and their programs. Ultimately, the Frontier League was a better fit for our students and our community.”

Tonganoxie hasn’t officially accepted the invitation, but it

is just waiting for its board of education to approve the move during its May 8 meeting. At that point, according to Tonganoxie High School principal Mark Farrar, it will immediately send letter accepting the invite.

“We are very excited to join the Frontier League,” Farrar said. “This new partnership will be very good for our students as well as our community. Joining the Frontier League will provide some great opportunities for our students from an athletic and activities standpoint. Tonganoxie mirrors many of the activities that most or all Frontier League schools offer. We see it as a league that will be a good fit for many years to come.

“One of the things that I think gets overlooked is the idea that a strong league doesn’t just offer opportunities on a playing field, but it also offers a chance for kids to network and make lifelong connections with students from all across the league. The Frontier League is a strong and stable league and we believe that it can advance the overall mission of what we want to do at Tonganoxie.”

Louisburg High School activities director Darin Gagnebin now believes the league is healthier than ever.

“By adding teams to our league, it solidifies our league numbers for years to come ensuring that we, as a league, will remain strong and competitive whether schools decide to leave or stay,” Gagnebin said. “We could have been in a situation in which the Frontier League could have dwindled to four or five schools, but instead we will be stronger at 10 teams, if all teams decided to stay.

That situation came about in March when it was reported by the Tonganoxie Mirror that Kaw Valley League member Lansing wanted to create a larger league that would have contained all or some combinations of Lansing, Blue Valley Southwest, De Soto, Leavenworth, Bonner Springs, Basehor-Linwood, Tonganoxie,

Ottawa, Piper, Spring Hill, Turner and Topeka schools Seaman, Shawnee Heights and Topeka West.

A meeting was held between all the schools to look at possibilities of building a stronger league that would rebuild the current Kaw Valley that has Lansing, Turner, Piper, Bonner Springs, Tonganoxie and Basehor-Linwood.

The Frontier League responded with meetings of its own shortly after to discuss each member's happiness in the league after De Soto, Spring Hill and Ottawa attended the March meeting with Lansing.

De Soto mentioned needing more competition at the sub-varsity level since it has a growing enrollment and looked at the possibility of playing in a league with bigger schools since it has made the jump to Class 5A.

Spring Hill's enrollment also looks to make that jump in three to four years, while Ottawa's enrollment usually hovers around the line between 4A and 5A. Still, all three schools stated during league meetings they were happy in their current position, with De Soto and Spring Hill stating they might need to make a move due to increasing enrollment numbers.

Faced with the possibility of losing at least two members, the Frontier invited Kaw Valley members to make presentations to join the league in order to fill those spots. Piper, Tonganoxie and Bonner Springs all made presentations and the Frontier League principals all offered invitations shortly after.

At this point, it appears the league is going to move forward with 10 members as no school has stated their desire to leave the Frontier – however, it doesn't mean it can't happen in the near future.

"I cannot speak for other schools in the Frontier League about their desire to stay or to leave," Gagnebin said. "I know some

are considering their options and will do what they believe is in the best interest of their school, and I would support them in whatever they decide. I do believe though whatever they decide, with the addition of these new schools to our league, the Frontier League will remain solid in numbers and will continue to be one of the most competitive leagues in Class 4A.

“I believe the three schools that chose to petition our league for membership will be a great fit for the Frontier League. They offer all sports and activities that are currently offered by the league at all levels. Their enrollments, though larger than Louisburg, will put them in the middle to upper middle in size within the league.”

The league schedule will also look different beginning with the 2018-19 season, as there will no longer be a double round-robin schedule in certain sports and not every school will play each other in football.

“The biggest challenge will be league scheduling,” Gagnebin said. “Although it will change how we schedule things as a league, most league schools already have some or all of these schools on some of their athletic schedules already. It could increase the amount of non-league games we have to go out and find in some sports, since with 10 teams you can no longer play a double-round-robin schedule as we have currently, due to the amount of games allowed by KSHSAA.

“This is both good and bad, meaning, it could increase travel and some expense, but it allows us greater flexibility in the schedule to play other teams outside the league as well. One negative will be in football. With 10 teams, we will not be able to play every team in the league as we do now. As stated before though, solidifying the league as far as numbers go and increasing the competitiveness of the league are also positives.”
