

Opinion: Time to look back and enjoy successes

The Louisburg High School football team was one of many bright spots for LHS athletics this past school year.

We live in a world where, especially in sports, we often don't take time to reflect on our accomplishments – and instead we are in a rush to move on to the next set of obstacles.

In reality, we are in a “what have you done for me lately” society and sometimes don't remember, or enjoy, those special moments where our hard work has paid off.

Yes, I understand you don't want to relish in those accomplishments as that doesn't make you a better athlete, or whatever your specialty may be, but not taking the time to enjoy the ride can be detrimental.

And what a ride it was for Louisburg High School athletics this past season.

The Wildcats had a special year in several sports, and before we focus on the 2017-18 campaign, we should look back at what the 16-17 season brought us. Just take a look at what these Wildcats accomplished.

- There is probably no better place to start than the Louisburg soccer teams. Both the boys and girls teams earned spots in the state semifinals for the first time

in program history and both finished fourth. The boys team made it to state for the first time in their 14 years, while the girls advanced to the state tournament in just their second season.

The Louisburg High School girls soccer team finished fourth in the state in just their second season. The Wildcat boys also finished fourth as they advanced to the state semifinals for the first time in program history.

- It was quite the season for the Wildcat boys basketball team as they advanced to the state tournament for the first time since 2005. Louisburg won its sub-state tournament with a 64-52 win over Fort Scott in the championship game.

The Louisburg boys basketball team qualified for state for the first time since 2005.

- The Louisburg football team made quite the run in the 2016 season. The Wildcats won their first playoff game since 2012 and earned a regional title in the process with a win over Independence. Even though their season came to an end in the next round to eventual state champion Bishop Miege, the Wildcats' still finished with an 8-3 record.
- Wrestling had another big season as the Wildcats qualified eight for the Class 4A state tournament in Salina. Although Ryan Adams was the lone state medalist, as he finished sixth overall at 138 pounds, the Wildcats tied a school record for number of state qualifiers that was set back in 1984.
- In cross country, the Wildcats sent three runners to the state meet and had their first state medalist since 2006 when freshman Trinity Moore finished 19th overall, as she, Wyatt Reece and Tim Smith competed at the Wamego meet. Moore was also the school's first female runner to earn a state medal.

- Freshman golfer Calvin Dillon became the Wildcats' first state medalist in several years as he finished 10th at the Class 4A state tournament and was one of two Wildcats, along with Ty Martin, to qualify for state. Dillon could quite possibly be the first freshman golfer in school history to get a medal, but since golf stats aren't quite as well kept, it is hard to tell for sure.
- T.J. Dover and Isabelle Holtzen came through with state medals of their own following the state track meet. Holtzen finished seventh at the Class 4A meet in the pole vault and Dover was eighth in the discus as both medaled for the first time. Holtzen also broke the school record in the pole vault earlier in the season after she cleared 11 feet, 1 inch.
- The girls basketball and softball teams both had big improvements from a season ago as they each reached 10 wins despite falling in the first round of their sub-state and regional tournaments. Softball doubled their win total from 2016, while the girls basketball team improved by seven victories.
- The Louisburg volleyball team advanced to the sub-state championship game against rival Paola and was just a few points away from advancing to its fifth consecutive state tournament. The Lady Cats also finished the season with 23 victories.

Most schools across the state would love to have the kind of success Louisburg experienced this year and to me that doesn't seem like it is talked about enough.

Sometimes we get caught up in losses or not meeting expectations, when in fact, compared to a lot of schools, Louisburg exceeds expectations – at least it does mine.

Could these programs be better? Sure they could and the coaches would be the first to tell you. At the same time, we all need to take a step back, look at the big picture and enjoy the success we have.

To me, Louisburg athletics is as healthy as it has been in a long time.

A lot has been made about all the coaches that have left recently. Louisburg will have four new head coaches this upcoming school year and several new assistants.

Some people have considered this a mass exodus due problems at the school. It couldn't be further from the truth. A lot of it is just coincidence. For some it was retirement, others wanted to spend more time with family and a few more just wanted a change.

Former activities director Darin Gagenbin left to be closer to his family and work in the town where he lives. I know all about how great of an opportunity that is and it is the same thing I did almost 10 years ago when I moved here with my family. Working in the town you live in is something you can't put a value on.

Louisburg found a great replacement in Jeremy Holloway, who has been with the district for 17 years and is invested in the community. The school has also brought in a lot of new, young coaches that have come in with excitement and new ideas.

It is bittersweet for me as a lot of those coaches I had a chance to get to know really well are now gone. Although I am mainly a solo operation, I consider a lot of them my co-workers and it stinks to see them move on, but I also know they are doing the best for themselves and their families.

The same could be said for the class of 2017. The group of seniors I worked with this past year were great to get to know, just like all the senior classes before them.

I appreciated all their support and what I do could not be done without those kids. It is great to see them grow up and watch them become successful outside the classroom. I am not a teacher or coach, but still appreciate all they accomplish.

With 2016-17 in the rear view mirror, it will soon be time to focus on the upcoming season and I couldn't be more excited to see what accomplishments this group of Wildcats have in store. It has all the makings of a fun and special year.
