Louisburg drum major Chloe Philgreen directs the band during the Fall Community Pep Rally on Thursday at Louisburg High School.

Parents and students at Louisburg High School flooded the LHS gymnasium Thursday for the 20th Annual Community Pep Rally that was sponsored by First National Bank.

They were all provided with a free meal courtesy of First National and Chris Cakes, which was followed by the introduction of all the fall sports and activities. The LHS cheerleaders and Jazzy Cats performed routines, while the Wildcat band also performed musical numbers throughout the evening.

Below is a photo gallery from the event on what was a great way to kick off the school year.
