

Football classifications announced for 2018, 19 seasons

High school football fans across Kansas got a new look at the football classifications when the Kansas High School Activities Association released them Tuesday morning.

Those fans also got to look at what the new classification system will look like. As it pertains to Louisburg, Class 4A will only have 32 schools for the next two years in football, compared to 48 teams this season and will mirror the Class 6A and 5A playoff format.

Louisburg announced an enrollment of 407 students, while the largest school in 4A is Pittsburg with 618 students and moved down from Class 5A. Goddard also moved down from 5A to 4A and has an enrollment of 613.

Area schools, such as Osawatomie and Prairie View, made a big move thanks to the new classification system as both programs dropped down to 3A.

Bishop Miege, which has won the last three state championships, is also still a 4A school with 524 students.
