

# State runner-up football team to be recognized

Two decades ago, the 1997 Louisburg High School football team found itself just two points away from earning the school's first state championship.

On a cool afternoon in November at Emporia State University, the Wildcats fell to Sabetha 14-13, concluding what was one of the most special seasons in Louisburg history.

Twenty years later, a lot of those same players and coaches are returning to Wildcat Stadium to relive some of those memories.

The team and coaching staff will be honored at halftime of tonight's game with De Soto during LHS Wildcat Football Alumni Recognition night. Kickoff will be at 7 p.m.

It was an unforgettable season for several in Louisburg as the Wildcats finished the season with a 12-1 record, including the school's first appearance in the state championship game.

Louisburg rolled through much of the regular season with wins of Eudora (54-0), Anderson County (40-7), Wellsville (22-20), Gardner (28-0), Prairie View (30-6), Osawatomie (33-7), Baldwin (64-6), Paola (22-0) and Spring Hill (33-8).

The Wildcats opened the playoffs with a 40-0 win over Prairie View in bi-district, but the games got a lot tougher after that. Louisburg knocked off defending champion Fort Scott with

a 13-6 in the regional round, then defeated Topeka Hayden 21-14 in the substate game.
