A group of sixth-grade Louisburg football players banded together one final time as they took part in the Kansas City Football Club (KCFC) and competed against other programs from all across the Kansas City metro area.

The Wildcats more than held their own.

Louisburg won five of its first six games and finished the year with a 7-1 record and a second place finish in the KCFC. The 17-member Wildcat team racked up victories against teams from Shawnee Mission, Blue Valley and Olathe and put together their first winning season as a group.

"This was our team's best year at KCFC," coach Aaron Battle

said. "I am very proud of all the hard work and dedication these young men put in over the years. This is the type of season that truly builds momentum for our players. This is the first year that we actually had a winning season so the timing couldn't have been better. They will start middle school football next year and they are super pumped about it. I can't wait to watch them continue to develop and grow as a team. They get better and better every year."

Through the first four weeks of the season, the Wildcats dominated their competition. Louisburg shutout each of its first four opponents, including a 36-0 win over Blue Valley North to open the season.

The Wildcats followed that up with a 24-0 win over Paola, a 30-0 victory against Olathe Northwest and a 34-0 win over Gardner-Edgerton. Louisburg gave up 22 points in its next game, but the Wildcats pulled through to get a 30-22 victory over Blue Valley Southwest in week five.

Louisburg was dominant for much of the season as they scored 226 points through eight games and gave up only 60.

Week six provided the lone loss for the Wildcats as they fell 26-6 to Spring Hill, but responded well with a 30-6 victory over Shawnee Mission Northwest and a 36-6 win over Shawnee Mission West to close out the season.

"They have a lot of talent, and they are going to be extremely fun to watch, especially once they get to high school," coach Battle said of his team. "I love each of them and I am going to miss being on that field with them. I also want to thank the parents and assistant coaches. Our accomplishments on the field was also due to their dedication, sacrifices and support."
