Photo gallery: 2018 LHS Fall Sports Pep Rally

For the 21st consecutive year, Louisburg High School faculty, students, their families and community members invaded the LHS gymnasium in order to get the school year started off on the right foot.

Sponsored by First National Bank, the annual fall sports pep rally brought everyone together as LHS organizations and sports teams were introduced to a crowd of on-lookers after being fed hamburgers and hot dogs thanks to Chris Cakes.

The Wildcat sports programs will kick things off next week as the LHS boys soccer team opens their season Tuesday when they travel to Fort Scott. The Louisburg volleyball team, fresh off a runner-up finish at state last season, will begin their year at home Tuesday against Paola.

Louisburg cross country opens its season Thursday in Garnett, while the Wildcat football hosts Spring Hill in their opener on August 31.

Three of the teams will have scrimmages or open practices Friday. The volleyball team will hold a scrimmage at 4 p.m. and soccer is at 5. Football was scheduled to have a scrimmage at 6 p.m., but that has been cancelled due to wet weather. The Wildcats will hold an open practice at the same time at the practice field.

Here are some photos from tonight’s festivities. Best of luck

to all the Wildcat programs this season.
