OSAWATOMIE – With its first home meet canceled due to weather, it had been a long wait for the Miami County boys swim team to be able to compete in its home pool.

Last Wednesday, the team comprised of swimmers from Osawatomie, Paola and Louisburg hosted four other schools at the Ozone pool in Osawatomie.

It was well worth the wait as the Miami County team took first place with a score of 585 points and blew the competition out of the water. Topeka-Hayden was second with 422 points.

The Osawatomie-Paola-Louisburg team also made some noise individually as they earned state consideration times in three events.

The 200-yard freestyle relay team of Remington Rice, Isaiah Waggerman, Theo Hebert and Justin Bradley finished second overall in 1 minute and 39.52 seconds to earn their state consideration time.

Hebert did the same in the 100 butterfly as he took first in 1:00.59. Bradley also won the 200 freestyle in 2:05.28 to earn another state consideration time.

It was also Senior Night as the program honored six swimmers for their time with the program, including Louisburg senior Sam Bradley. The other seniors who were recognized were Bailey Barnes, Justin Bradley, Hebert, Waggerman and Gabriel Talledo.
