

Big second half lifts Lady Cats past Burlington

Louisburg's (from left) Delaney Wright, Jordan Mynsted and Megan Foote congratulate Madilyn Melton (20) after a made basket and a foul in the first half of Friday's home game against Burlington.

The Louisburg girls basketball team already had a comfortable lead going into halftime of Tuesday's game against Burlington.

Louisburg took it to a whole other level of comfort in the second half.

The Lady Cats locked down Burlington defensively and gave up just 12 points in the second half and rolled to a 59-26 victory at Louisburg High School. It was the second straight win to start the season for Louisburg.

"I thought they did great in the second half," Louisburg coach Adrienne Lane said. "I told the girls at halftime that we needed to come out hard, because we were a little flat to start. We got a few fouls on us in the first half, but after that I thought our defense was awesome. We played defense without fouling and it was almost perfect."

Burlington turned the ball over 24 times on the night and the Lady Cats scored 18 points off those mistakes, while the Wildcats scored just two points off Louisburg turnovers. Louisburg was active all over the floor with 13 steals and 22 deflections.

The Lady Cats (2-0) also had to deal with foul trouble in the second half as starters Brianne Kuhlman and Jordan Mynsted had to play with four fouls, but the Louisburg bench came to rescue.

“It is really encouraging to see,” Lane said. “I have 12 on the bench right now and I felt like we played 10 pretty consistently and they all did a great job. We didn’t seem to miss a beat when we would sub and we just kept playing hard and our defense was great.”

Mynsted, a junior, led Louisburg in scoring for the second straight game as she finished with 14 points to go along with eight rebounds. Seniors Brooklyn Diederich and Madilyn Melton also finished in double figures with 10, while Melton added five rebounds, five deflections and three steals and Diederich led the way with three blocks.

Senior Brooklyn Diederich puts up a 3-pointer Friday against Burlington.

Senior guard Megan Foote added eight points in the win to go along with six deflections, four assists and three steals.

"It was good to see them run some offense in that second half," Lane said. "I thought we were very patient and they found the open person. They did a good job of running the floor and getting to their spots. We passed the ball well and we got open shots. I was very pleased with that.

"I like that the posts did a good job of getting steals in the passing lane, something that maybe we normally wouldn't have gotten. I really like that we ran some good offense. We ran some pick and rolls, some high-low and that was fun to see."

Louisburg took a 7-5 lead after the first quarter, but from then on, the Lady Cats had control of the game. The Lady Cats took a 22-14 lead at halftime and then outscored Burlington 37-12 in the second half to pull away.

The Lady Cats will try for their third consecutive win tonight when they travel to Anderson County for their first road contest of the season. Tipoff is set for 6 p.m.
