

# Lady Cats rack up 75 points in win over Anderson County

*Louisburg senior Brooklyn Diederich gets on the floor for a loose ball Friday against Anderson County.*

GARNETT – It became apparent really fast that Friday’s matchup between Louisburg and Anderson County was going to be a high-scoring affair.

The only difference was the Lady Cats were able to slow down the Bulldogs and Anderson County didn’t have much of an answer.

Louisburg scored more than 20 or more points in three of the four quarters and rolled Anderson County in a 75-61 victory that keeps the Lady Cats perfect on the season.

“I was so proud of the girls after the game on Friday,” Louisburg coach Adrienne Lane said. “We started out so hard and played hard the entire game. I felt we played together as a team and worked hard to get a win on the road.

“Scoring 75 points was super exciting for the team. I think it showed them that we can score, and if we are patient and run through our offenses, we will be able to score. We ran several different set plays, some we had never ran before, and I felt the girls did a great job executing and in the end it paid off.”

Several players found the scoring column for Louisburg and

four of them reached double figures. One of those was junior forward Jordan Mynsted.

Anderson County didn't have an answer for Mynsted who finished with a team-high 21 points to go along with five rebounds

"After watching Jordan play last year I knew she was a scorer, but I was not expecting her to score 20-plus in two of the first three games," Lane said. "The team and myself are very proud of her and we hope she continues to look to score."

Along with Mynsted's performance on the inside, senior Brooklyn Diederich keyed the Lady Cats from behind the arc. Diederich finished with 15 points, including three 3-pointers, with 11 of those points coming in the first quarter.

Senior Alyse Moore was big on both sides of the floor as she finished with a double-double. Moore had 13 points and 11 rebounds, while senior Madilyn Melton had 10 points, four rebounds and two steals.

Another senior, Megan Foote, was active all over the floor for Louisburg as she had a team-high nine deflections, seven assists and four steals to go along with six rebounds.

Sophomore point guard Brianne Kuhlman had eight points with four assists and three steals.

Defensively, the Lady Cats had a big challenge as they had to handle the high-low game of Anderson County's Rayna Jasper and Cali Foltz.

Diederich and junior Delaney Wright had the task of slowing down Jasper and making it difficult for the Bulldogs to run their offense. Although Jasper and Foltz scored 24 and 20 points, respectively, the rest of the Bulldogs offense struggled.

Louisburg held a 33-30 lead at halftime, but the Lady Cats held Anderson County to just six points in the third quarter and Foltz had to sit with four fouls.

The Lady Cats took advantage as it outscored Anderson County 22-6 in the third and all but sealed the win.

“Anderson County had a couple of very key players on their team and Brooklyn and Delaney did a great job guarding their point guard and putting lots of pressure on her,” Lane said. “Our goal was to not let Jasper get the ball back when she passed. When Foltz got her fourth foul in the third quarter, we played a box and 1 on Jasper and doubled her when we could.”

Louisburg will look to keep its perfect record intact when they host a pair of Frontier League teams this week. The Lady Cats will face off with Baldwin at 7:30 p.m. tonight and will host Piper on Thursday at 7:15.

“I think we are really looking forward to the challenge, but it is also fun to play good teams and get better because of the competition,” Lane said. “The girls are ready for this week and to see where we stand.”
