Overtime victory gives Wildcats their first win

Louisburg senior Weston Guetterman drives through the lane for a layup Tuesday at home against Harrisonville.

The Louisburg boys basketball team off to a good start Tuesday in its home game against Harrisonville, but it had an even better finish.

After staking itself an eight point lead after the first quarter, Louisburg found itself down six points early in the fourth quarter. In what was a back and forth contest, the Wildcats were able to force an extra period and eventually win, 67-62, in overtime.

“Harrisonville went on some runs and we answered,” Louisburg coach Ty Pfannenstiel said. “We came up big at the end of regulation and in overtime when we got down. Something about us, when we realize that we have to make plays, that we find ways to do it. I told them right before overtime that this game was going to be won on the defensive end and that is what sparked us. We got a couple steals there and it was huge for us. It was a fun game.”

The Wildcats (1-1) got on a roll to start the fourth when senior Weston Guetterman cut the Harrisonville lead in half as he scored, was fouled and converted the 3-point play. Junior Julian Margrave added six straight points on his own to tie it at 52-all midway through the fourth.

Harrisonville hit a 3-pointer to break the tie, but junior Michael Seuferling knocked down a shot and Weston Guetterman hit two free throws to put Louisburg up one with 2 minutes remaining. Louisburg found itself down two when Ben Guetterman was fouled and hit both free throws to help send it to overtime.

Defense took over for Louisburg as the Wildcats recorded three steals in the extra period. One from Weston Guetterman that led to a runout score, another from Ben Guetterman that led to a layup and the final one from junior Maverick Rockers that led to a Ben Guetterman layup to give Louisburg a four-point lead with 45 seconds left.

Senior Ben Guetterman puts a shot up in the lane Tuesday against Harrisonville.

Margrave had a big night for Louisburg as he finished with a team-high 26 points, with 13 of those coming in the first quarter. He also added a team-high nine rebounds and three blocks

“Julian had a great night,” Pfannenstiel said. “He is a good player that works hard at it. When we can get the ball in his hands, good things usually happen. I am not sure why he wasn’t able to get as many touches as he did in the first quarter, but this is team basketball. When he gets attention from multiple defenders, that opens things up for other guys. It was a big night for Julian and it is something we expect from him every night.”

Weston Guetterman also had a solid outing for Louisburg with 14 points and eight rebounds from the point guard spot, to go along with four steals and three assists. Ben Guetterman added eight points and seven rebounds, most of which came in the fourth quarter and overtime.

Louisburg also got good production from its bench as senior Konnor Vohs finished with seven points off the bench, while Rockers gave the Wildcats good minutes late in the contest and scored five points.

“I thought our bench was huge,” Pfannenstiel said. “Konnor came in early and did a very good job. He shot the ball well and played good defense. Mav is never going to be the biggest kid on the floor, but he always looks comfortable out there. He is our second ball handler and he was big for us late. He played well for us defensively, but he was a lot of the reason why our offense was doing so well at times because other guys are comfortable with him out there.”

Harrisonville’s Brooks Langrehr had a big night for the Wildcats as he scored a game-high 34 points.

Louisburg will try for its second straight win today when it travels to Anderson County for its first road test of the season. Tipoff is set for 7:30 p.m.
