

Top Louisburg Sports Stories of 2020

There hasn't been a year like 2020, and for most people, they are ready to put it behind them and forget it ever existed.

Still, with all the challenges that 2020 brought, there were still plenty of positives to talk about when it came to Louisburg High School sports. History-making state places and state medals were plentiful on this list, but it wasn't all positive. Louisburg had to say goodbye to a beloved town figure and athletes had to deal with the loss of spring sports.

Below are the top stories from 2020, along with a brief explanation of each. Included in the explanation is the link to the actual story from the event.

When putting the list together, I took a lot of things into account – whether it was team vs. individual, popularity of the sport, historical achievements and the interest it drew on the web site. Thanks to the cancellation of spring sports, I don't have the top 10 like I normally do, but I got close.

This year was a blast to cover, when I had the opportunity, anyway. Still, I am looking forward to what 2021 will bring. Thank you for everyone's support and can't wait for it all to begin again.

8. Ratliff-Becher wins state powerlifting title

After winning a state championship in 2019 Reilly Ratliff-Becher had every intention of backing up her performance during the Class 4A State Powerlifting Championships on March 7 at Piper High School.

In fact, the Louisburg senior wanted to improve it. Last

season, Ratliff-Becher took first in everything but squat, which she got runner-up.

This time around, she got the clean sweep.

Ratliff-Becher took first in bench, squat and clean and that led to her second straight state championship in the 180-pound class.

“It means a lot to me that I was able to win the state title again,” Ratliff-Becher said. “I set a goal for myself to win first in everything since I had got second in squat last year and I achieved it. Even though it wasn’t my best showing with the numbers I got on my lifts.

“The competition was very good this year, as it always is. But, fortunately with all the work I put in to at least maintain my numbers from last year, meant I was able to lift bigger amounts than my competition.”

7. Conley named state and midwest coach of the year

After a third place finish to end the year, Louisburg boys

soccer coach Kyle Conley was recognized among the state's best.

Conley was named as the Class 4-1A Coach of the Year by the Kansas Soccer Coaches Association in November.

He guided the Wildcats to a 16-2 record on the season and the team's highest finish in program history when Louisburg ousted Rose Hill, 3-0, in the state third-place game.

Just a few weeks later, Conley was honored once again – this time on the girls' side.

Despite the lost season, the United Soccer Coaches wanted to recognize coaches for their past accomplishments and for what this past spring was supposed to hold.

Atop that list was Conley as he was named as the Small School Midwest Coach of the Year.

"I am absolutely honored to receive this award," Conley said. "There are so many great coaches in the Midwest, but to me this is a program award. None of this is possible without everyone involved; girls coming to work their tails off everyday, parents traveling and supporting us anywhere and everywhere, community helping with supporting the program, the school supporting the girls, etc. Without the support and buy in from the girls, parents and community none of this is possible."

The Wildcat girls program has had a successful start in its four years. Conley has a 54-22-2 record during that span, that included two state runner-ups and another state final four appearance.

6. Louisburg cheer places third at state

The Louisburg cheer squad had to do its postseason competition a little different this year thanks to the COVID-19 pandemic.

It didn't seem to bother them much as the defending state champions found themselves right in the thick of things again.

Although they didn't repeat as champs, they were still among the state's best as the Wildcats cheerleaders finished third in the state back in November.

Unlike performing in front of judges like they did in 2019, the Wildcats had to video tape their performance and send it in to be judged. It fared well as they tallied 83.35 points to finish in the top 3.

Baldwin earned the state title with 88.85 points and Abilene was second with 85.25.

Members of the Louisburg cheer squad are Bella Feikert, Addison Drake, Brooklyn Harmon, Jayden Trester, Maddy Carpenter-Ross, Sophie Katzer, Sammy McDaniel, Julia Arriola, Andrea Gaza, JoJo Hendrickson, Sydney Dudzik, Abby Bradley, Anna Poe, Sienna Finch, Mable Graham, Audrey Anderson, Zoe Weers, Anna Morrison and Maggie Madison

5. Holtzen, Owens earn state medals for Wildcat wrestling

Ryan Owens and Cade Holtzen both had their own agendas going into the state wrestling tournament.

Owens, qualified for state last year, but left without a win and he vowed to fix that this time around. As for Holtzen, he came up short in his efforts for a second state medal as a

sophomore last season and had all the motivation not to come home empty-handed again.

Both wrestlers more than made up for their rough patches a year ago.

Owens and Holtzen left Salina with a state medal during the Class 4A Kansas State Wrestling Championships on Friday and Saturday at the Tony's Pizza Events Center.

Owens made it to the semifinals and wound up earning a fourth-place medal at 120 pounds, while Holtzen finished fifth at 126 pounds.

It also marked the first time since 2016 that Louisburg finished the season with multiple state medalists, when Nathan Keegan and Mason Koechner each brought home medals.

The Wildcats nearly had three medalists as sophomore Brandon Doles finished one win shy of a state medal at 160 pounds with a 2-2 record.

4. Dennis steps down as LHS team doctor

Almost every day of the week, if you were looking for Damon Dennis, he could be found at his office on 11 S. Broadway St., helping treat those pesky aches and pains, taking X-rays, or mending those beaten up athletes after a game.

Doc D – as he is affectionately known – opened Louisburg Chiropractic Office 28 years ago and has served as the

Louisburg High School athletic team doctor for almost that same amount of time.

Dennis has seen it all. The walls in his office are lined with mementos from his years of service to both the community and the high school.

He has taped thousands of ankles, seen even more patients and has touched many lives during his time in Louisburg. That is why this week is one of the more emotional times in his life.

In May, he left Louisburg Chiropractic Office and handed the reins over to Dr. Jake Polzin. Add to that, Dennis also stepped away as LHS' team doctor and left an absence on the sidelines and behind the mic that many in Louisburg have come to know.

"My decision to step down and sell the practice has turned out to be the hardest thing I have ever done," Dennis said. "I have poured everything I have into my job and community. It has become my entire existence. I was taught from a young age to serve others and your community. I feel like the pressures I have put on myself have become unhealthy. I have put about 40 years work in to 28 and feel like there is never going to be a good time to make such a huge life change.

"That being said, I feel like I need to make changes while I am still able to do the things that will be best for my family. Dr. Polzin came along and I think he will carry on the work at the office wonderfully. We are a lot alike in many ways. I could not have found anyone better to replace me."

For many, Dennis has been a big part of people's lives, especially in the athletic arena. He has served as the LHS team doctor since 1992 and has treated many athletes in those 28 years.

3. Girls Cross Country Takes Third at State

For 23 years, the Louisburg cross country program has been chasing a top three finish at the Class 4A meet.

The Wildcats have had several teams qualify, especially in the last few seasons, but have always come up short of their goal. Following Saturday's race in Wamego, the Wildcats can finally stop running after it.

The Louisburg girls put together an historic performance at the Class 4A Kansas State Cross Country Championships at Wamego Country Club. The Lady Cats earned a state plaque with a third place finish as they surpassed Buhler by eight points to record the school's first top three state finish.

Junior Reese Johnson, sophomores Claire Brown, Bree Gassman and Nova Ptacek, along with freshmen Lola Edwards, Maddy Rhamy and Erin Apple, will all go down in school history as they became the first Wildcat team to bring home state hardware.

“It means the world to me to be a part of the first team ever to place at state,” Rhamy said. “Coming into the state meet, I was just hoping our team would be in the top half, so you could imagine my excitement when our team placed third. I didn’t even know we made school history until our coaches told us.”

Rhamy was one of two freshmen who earned top 10 finishes individually, along with Edwards. Rhamy finished eighth overall in 20 minutes and 58 seconds, while Edwards was right behind her in 10th in 21:02.

Junior Reese Johnson also garnered a state medal as she was 15th in 21:28 to help the Lady Cats to an historic performance.

It was a proud moment for many in the Louisburg program, and included in that is John Reece. The longtime Wildcat head coach was all smiles following his team’s performance.

“It is 23 years the making,” coach Reece said. “You always have the plans and goals to get to state and then you get a group to go to state and do something great. This year was one of those. With the Frontier League as tough as it is, and then getting third there, put it in our heads that maybe we could do this. They all went out and ran their races, and that just shows their grit and determination and who they are.”

A week earlier, the Wildcats also made history as it was the first time in school history when they qualified the entire boys team to the state meet as they took third at regionals.

2. Boys Soccer Finishes Runner-Up At State

As the Louisburg players huddled around their state plaque, many of them looked at it in awe and wonder.

“Hey guys, we won this,” a player shouted.

The statement was obvious at the time, but nonetheless, their excitement was more than warranted.

For the first time in program history, the Louisburg boys soccer team brought home a plaque from the state final four as the Wildcats defeated Rose Hill, 3-0, on Saturday in the third place match of the Class 4-1A state tournament at Stryker Sports Complex in Wichita.

It was only the second time in school history that the Wildcats had it made it this far, with the other being in 2016, when they finished fourth.

“There are only six teams in the entire state that get to end their year with a win and we wanted to be one of those teams,” Louisburg coach Kyle Conley said. “We want to be able to hang up a banner on our field and we wanted a plaque so that no one can forget what these kids earned and what they did this season. I am so proud of all of them.”

It was a program defining moment for the Wildcats as they began the weekend searching for a state championship, but lost 2-0 to Bishop Miege on Friday in the semifinals. Still, recording the best finish in school history is nothing for someone to hang their head about, and the Wildcats came out Saturday wanting to make sure they brought some hardware home.

“It’s absolutely crazy to think about what we have accomplished this year, partly because I have only played soccer in high school,” senior captain Logan Faulkner said. “Bringing a state plaque back will just be a reminder of what we did and how we reached our goal.”

1. COVID-19 Cancels Spring Sports

In March, Kansas Gov. Laura Kelly closed all schools for the rest of the 2019-20 school year due to the spread of COVID-19.

When most students hear school has been closed, especially in the winter, cheers erupt. In this case, however, the tone was much more somber – especially among the senior class.

Proms were canceled. Any plans they had for a graduation ceremony were put on hold, and for more than 30 seniors, their last opportunity at playing a sport at Louisburg High School was taken away.

In fact, close to 200 students were planning on participating in an activity in the spring, but with no school, the Kansas State High School Activities Association followed suit and canceled the spring season the day after Gov. Kelly's declaration.

Students, parents and coaches alike have had to come to grips that a season they had been looking forward to all year, was never going to happen. Tears flowed, walls were punched in frustration and some were left speechless.

There would be no game days, no Senior Nights and no postseason runs. Athletes had to figure out how to cope with this fact and it was a challenge for the Louisburg girls soccer, track and field, baseball, softball, golf and swim teams.

Many of those teams had big postseason aspirations after success in 2019 and were left wondering what could have been.
