

Wildcats' rally falls short in season opener

Junior Julian Margrave goes up for a dunk Friday during the Wildcats' season opener against Tonganoxie.

There was no easy game out of the gate for the Louisburg boys basketball team as the Wildcats squared off with No. 5 Tonganoxie in their season opener.

The challenge was a difficult one and the Chieftains lived up to their preseason ranking.

Tonganoxie racked up nearly 40 points in the first half, and despite a late rally from Louisburg, handed the Wildcats their first loss of the season, 63-56.

"You never really know what you are going to get in these first games," Louisburg coach Ty Pfannenstiel said. "Sometimes you get some real ugly ones or get some really up-tempo games, and Tonganoxie came out pretty hot. Our guys battled back, and even though there were a couple times there were a deer in the headlights look, they hung in there. They battled back possession by possession and we were a different team in the fourth quarter. Tonganoxie played really well, and we weren't bad by any means, they were just better this time."

Louisburg found itself down 51-38 heading into the fourth quarter, but used its defense to get back in the game. The Wildcats ramped up their full-court pressure and it helped lead to an 11-2 run that cut the Tonganoxie lead to 53-52.

Weston Guetterman opened the quarter with seven straight points, including a 3-pointer, a steal and a layup and a drive to the basket in which he was fouled. Ben Guetterman ended the run with a 3-pointer to give the Wildcats all the momentum.

Seniors Andy Hupp (23) and Weston Guetterman converge to force a Tonganoxie turnover Friday.

Unfortunately, the Chieftains were able to hold off Louisville as they went on a mini 7-2 run of their own and hit their free throws down the stretch to seal the win.

“That is how we started off the game,” Pfannenstiel said of the press. “We were running the same things, we were just

better at it in the fourth quarter. We were a little more desperate and so our energy was better. The issue in the first half is we weren't as aggressive. Tongie's guards were comfortable throwing the ball ahead. The way we looked in the fourth quarter is how we want to look all the time out of our press. I'm glad we were able to see it be successful because we know now that if we play like that we can do some good things."

Turnovers hurt the Wildcats as the Chieftains forced 16 Louisburg turnovers and turned those into 17 points.

It was a back and forth game to begin the night as the two teams traded baskets and Tonganoxie held 20-17 lead after the first quarter. It was the second quarter where the Chieftains did their damage as they outscored Louisburg 19-11 in the frame and took an 11-point halftime lead.

"We played pretty well defensively, but we gave up almost 40 in the first half," Pfannenstiel said. "Offensively, I think we just got sped up a little bit and there are some footwork issues that can be fixed. Had a lot of mental errors, but we will get better."

Only four players scored on the night for Louisburg. Weston Guetterman led the Wildcats offensively with 20 points to go along with a team-high four assists and four steals.

Junior Julian Margrave also had a big night as he recorded a double-double with 17 points and 10 rebounds. Ben Guetterman also scored in double figures with 13 and junior Michael Seufferling added six points, five rebounds and three assists.

Louisburg will try and bounce back tonight as it hosts Harrisonville (Mo.) at 7:30 p.m. The Wildcats were supposed to host Burlington, but it was recently forced to quarantine.
