

Battle named Louisburg Sports Zone Male Athlete of the Year

Louisburg senior Declan Battle had a special season in his final year at Louisburg as he was voted the Louisburg Sports Zone Male Athlete of the Year.

Declan Battle has become synonymous with winning – more this past year than ever.

Battle was the starting quarterback for the Louisburg football team that won back-to-back Frontier League titles. Then during the baseball season, he helped lead the Wildcats to a league and regional championship.

It was certainly a year to remember for him and those were just some of the reasons Battle was named the 2024 Louisburg Sports Zone Male Athlete of the Year.

“This award means the world to me,” Battle said. “It is such an honor to be named Athlete of the Year. I couldn’t have done this without my amazing teammates, coaches and community pushing me to be my best.”

Battle was one of the best in the state when it came to his performance under the lights on Fridays and on the diamond.

Last fall, Battle was a first team All-Frontier League quarterback and defensive back. He was also an all-state selection from multiple media outlets and was a finalist for the Frank Fontana Award, which is given annually to the best all-around small school player in Class 1-4 on the Kansas and Missouri sides of the metro.

In 10 games for the Wildcats, Battle completed 105 passes for 1,364 yards and had 16 touchdowns to just two interceptions. He also did a lot of damage on the ground with 1,009 yards rushing and 16 more touchdowns. As a defensive back, Battle finished with 36 tackles and also had an interception for a touchdown.

His efforts earned him a spot in the Kansas Shrine Bowl, which will be played Saturday (June 29) at Emporia State University. Battle also signed his letter of intent to join the Washburn University football team.

Declan Battle is pictured with Louisburg head coaches Kade Larson and Drew Harding after receiving the athlete of the year award.

“Declan is certainly deserving of this award,” Louisburg coach Drew Harding said. “He was a standout athlete in both football and baseball. Besides that though he always represented himself and Louisburg in the right way.”

“Declan was fantastic to coach. Obviously anyone who watched him play could see he was a tremendous athlete. However, Declan was also a great leader for us. He always approached things the right way and was dedicated to making himself, and his teams, better.”

Battle and the Wildcats also had a memorable season in baseball.

Louisburg captured its first Frontier League championship since 2002 and later went on to qualify for its first state tournament since 2009.

Battle was a big part of that group as well. He led the team in triples, stolen bases and runs scored that earned him first team all-league and first team all-state outfield.

He was atop the Wildcat lineup all season and set the tone in several games. Battle finished with a .378 average to go along with 34 hits, five doubles, three triples, a home run and had 23 RBIs.

Battle also led the team with 41 runs scored, which is a school record and had a team-high 15 stolen bases. He holds three individual career team records for runs scored (102), triples (8) and stolen bases (47).

“Declan was a great leader for us,” Louisburg baseball coach Kade Larson. “He found a way to get the job done all year long. It didn’t matter if it was hitting, pitching or fielding, Declan always made a big play when we needed it.”

Now that his Wildcat career has come to a close, Battle had some time to reflect on what was a special time at Louisburg High School – one he won’t soon forget.

“Playing at Louisburg was always great, knowing no matter what happened, the community was there supporting us,” Battle said. “Playing sports at Louisburg was a great experience and I wouldn’t change it for anything.”
