

KSHSAA announces classifications for the 2024-25 school year

The Kansas High School Activities Association released the classifications for the 2024-25 school year and there was very little movement in the upper classes from a year ago.

There were no changes to Class 6A and 5A, while there was just one change in Class 4A. Topeka-Hayden has made the move back up to 4A, while Scott Community moved down from 4A to 3A.

Louisburg reported an enrollment of 561, which puts the Wildcats in about the middle of the pack in Class 4A. Bishop Miege has the highest 4A enrollment with 692, while Bonner Springs has the lowest 5A enrollment at 738. The lowest enrollment in Class 4A is Hugoton with 317 students.

One other Frontier League school of note is Spring Hill, who reported eighth highest enrollment in Class 5A with 1,127 students. Ottawa (653), Tonganoxie (650), Eudora (581) and Paola (564) also had higher enrollments than Louisburg.
