

# KSHSAA releases 2017-18 classifications

The Kansas High School Activities Association released the classifications for the 2017-18 season on Tuesday morning, and for Louisburg High School, much remains the same.

The Wildcats are currently a Class 4A-Division I program with 532 students, but after this season the classification system will change. Class 4A will get rid of the divisions and 4A will have just 36 schools. Louisburg is still expected to be in 4A for the foreseeable future.

However, several schools across the state made classification changes.

**FOR IMMEDIATE RELEASE**

The 2017-18 KSHSAA senior high membership is 364 schools. Wichita-Headwaters Magnet school is an unclassified member school.

Class classification changes with enrollment ranges are as follows:  
 Lead year is 2016-2017 classification as shown in parentheses.

Class	Number of Schools	Range	Schools Changing Class
6A	32	2454 - 1389	Kansas City-JC Harmon (5A)
5A	32	1592 - 919	Kansas City-Wyandotte (5A) Maize South (4A) Lawrence (5A) Dodge West (4A)
4A	64	741 - 282	Arkansas City (3A) Hesperia (3A) Hesperia (3A) Kansas City-Summer Academy (5A) Marysville (3A)
3A	68	289 - 156	Colby (3A) Goodland (3A) Hays (3A) Manhattan (3A) North Community (3A)
2A	94	192 - 92	Bullington (1A) Goodland (1A) Hays (1A) Johnson-Hodgman County (1A) LeCenter (1A) Maize (2A) Olathe (1A) Olathe-St. John's Military Academy (1A) St. Francis (1A) Syracuse (2A)
1A	87	83 - 23	Atchison-Redwood County (2A) Coltonville-Falls-Chase County (2A) Marie-Marianne Valley (2A) Russell-Prichard (2A) St. John-Hudson (2A) Topeka (2A) Valley Falls (2A) Washington County (2A)

## 2017-2018 Classifications and Enrollments

Enrollment figures as of September 30, 2017 based on state, bench, clewath and twelfth grades.

\* Note: Per classification Rule 5-2-2, enrollment lists are broken by using the previous classification year as a base.

\* Note: Classes 4A and 1A are divided into two divisions in selected activities. Refer to specific activity pages on the website for more information.

Arkansas City and Sumner Academy dropped from Class 5A to 4A for the upcoming season, while Galena, Hugoton and Marysville all moved up to 4A. Maize South jumped from 4A to 5A.

Colby , Goodland, Scott City and Haven all dropped from 4A to 3A schools, while McLouth moved up from 2A to 3A.

Hays is currently the largest 4A school with 791 students, followed by Sumner Academy (782), Andover Central (764), Bonner Springs (762) and Arkansas City (757).

Sub-state and regional assignments for the fall season will be released in the coming days.

---

## **Holloway excited for new role as LHS activities director**

**Louisburg High School activities director Jeremy Holloway is looking forward to his new position as he starts his 17th year in the USD 416 school district.**

Growing up, Jeremy Holloway wasn't one to stay in a place for too long.

Holloway spent most of his childhood and young adult life moving from place to place. He wasn't the type of person who envisioned himself putting down roots.

"I was a constant migrant," Holloway said.

That was until he moved to Louisburg with his wife Megan. Now instead of a migrant, Holloway is deep-rooted in a town he loves.

It made his decision, almost two months ago, an easy one.

Back in June, Holloway was hired as the new Louisburg High School activities director and assistant principal, following the resignation of former activities director Darin Gagnebin. Holloway, who has spent the last 16 years as a teacher at Louisburg Middle School, is ready for the new challenge.

"I am really looking forward to it," Holloway said. "I have been here in Louisburg for 17 years. I never lived anywhere for more than four years in my life until I came to Louisburg. I never knew what it was like to be a part of a community and when I got here I just fell in love with the town. I was excited to become a part of it and Louisburg became important

to me. The teaching was great and getting to know all the kids and see them grow up all the way through college was fun. Now I see some of my former students teaching in the building here and it is an amazing feeling. It just felt like home to me.”

Fate seemed to step in at the right time for Holloway. He entered the summer still planning to teach history at the middle school, but the dominoes quickly started to fall into place.

Holloway was well on his way to getting his administration degree this past school year as he was planning on holding on to it until something in Louisburg came open. He didn't have to wait long.

“I had to get recertified, so I talked with my wife and I said why get an education masters if it is just going to move me on the pay scale,” he said. “Why not get an administration degree to have options? There are other places near here that are looking for people, but that isn't what I want. The only move I would make is to stay in Louisburg. I happened to be down in Eureka Springs on vacation and I got a text in middle of night that Gagnebin had resigned. I had just got my diploma the day before we left. I applied and it turned out well and hopefully it was a good thing.”

Louisburg USD 416 superintendent Dr. Brian Biermann had to sift through more than 20 different applicants for the job, but he believes Holloway is going to do great things in the position.

“Jeremy has been a loyal and dedicated teacher and coach in our community for 17 years,” Dr. Biermann said. “Jeremy possesses many strong leadership attributes that will allow him to be a strong, instructional leader at Louisburg High School. He is passionate about education, has a strong work ethic and is committed to our community.

“Jeremy is all about building positive relationships with

students, staff and the community. For 17 years he has been building these relationships. Now, he will be able to build upon his unique skill set in a leadership position in our district. I am excited to see the great things Mr. Holloway can contribute to our district and community in this new role.”

One of the first things Holloway wanted to do was to get to know his new coaching staff. Several new coaches were hired this past school year and he wanted to see what they were all about.

“I just want them to feel comfortable with me and let them understand that I am approachable,” Holloway said. “That relationship piece is huge. I am getting to know where they are from, how many kids they have and I want them to feel comfortable coming to me. We do lose some great experience, but we have gained some capable coaches and a lot of enthusiasm. I just want to be a positive impact for them.”

Since he started officially on July 24, Holloway has been hard at work in several different areas, but one of the bigger things going on now is the shuffling of the Frontier League.

The league, which will be at seven schools this year, will move up to nine starting for the 2018-19 school year. Bonner Springs, Tonganoxie and Piper will join the league, while De Soto will depart.

Baldwin, an original league member, is concerned the school will move down to Class 3A starting in 2018-19, thanks to changes in the classification system. If it happens, it will create scheduling conflicts for football.

“The biggest conflict right now is Baldwin is right on the edge of becoming 3A and they think it will happen,” Holloway said. “If Baldwin is in our league, which is what we plan on, they are required to play five district games for football, which only leaves them three league games. If only three

league teams play Baldwin, then the rest of the league teams have to find another team to play. I have schools from Lansing, Independence, Coffeyville, Chanute and other schools calling me trying to lock up games. There are so many different scenarios so we just have to wait and see. That is one thing that I am really working on right now.”

With the activity season fast approaching, Holloway is excited for everything to get underway. He is also looking forward to getting to know the fan base more.

“I have always been highly impressed of Louisburg and the support of its teams and the turnout we will get, especially for football games,” Holloway said. “I encourage Louisburg to continue the tradition of being a class act. I think that every town has its own culture and a lot of it starts with the coaches. If your coaches are harassing refs, your players are probably going to start to learn that they can do that and that will trickle down to the parents and crowd. Without pointing fingers, there are certain places where that is the climate. I think Louisburg has been great. There are always going to be situations, but I would encourage fans and parents to support our coaches and let them coach.

“I am looking forward to an exciting year. We have great coaches, that are experienced and they are very innovative. They are organized and they all seem truly excited about what is going on. The community can rest assured that the coaches that are in place right now have the best interest of the kids and the programs.”

---

# Gagnebin steps down as LHS activities director

Louisburg High School activities director Darin Gagnebin presents the Wildcat girls soccer team with their regional championship trophy last month. Gagnebin resigned his post earlier this month to take a similar position in Paola.

Darin Gagnebin has a fondness for Louisburg High School, his coaches and students.

That made it all the more hard to say goodbye.

Gagnebin resigned his post as LHS assistant principal and activities director earlier this month to tentatively take the same position at Paola High School. His last day in Louisburg was last week.

Gagnebin spent a total of 17 years in the Louisburg school district, with the last six spent as activities director. He was also a teacher and coach for 11 years.

Family was the biggest reason he decided to make the move. Gagnebin and his family currently reside in Paola and his two children attend schools in Paola.

“People have come and gone, but it is still family here,” Gagnebin said. “I am comfortable here and Louisburg has done a

lot for me. I just can't pass up an opportunity to be where my kids are at. I know I could have brought my kids here, but my wife and I made that decision a long time ago of where we were going to live because of where she taught and I taught. I never thought back when we first moved to Paola and when we had kids, that we would be in this position."

It was a difficult decision for Gagnebin as he leaves behind a group of coaches, several of whom he recently hired. The Louisburg district had a number of new coaches come on board for the upcoming school year.

"We have gone through some trials in the last couple of years and that is with any school," Gagnebin said. "I told my wife, that if this was going to happen the way it did and I could pick the time, I wish the timing would have happened two years down the road. I would have loved to see what this young group of teachers and coaches are going to do coming in.

"I told my wife that I was really excited about coming back next year and I felt we made some good hires. We have a passionate coaching staff coming on and they are great people with new ideas. It just happened out of the blue."

The opening came when former Paola High School principal Phil Bressler took the new principal job at Pittsburg High School. Paola assistant principal and activities director Jeff Hines was elevated to the Paola principal position, which left the Panthers needing an activities director.

It can be traced back even further when the Pittsburg High School journalism class wrote an investigative piece that ousted its newly hired principal, which forced the school to reopen the position and eventually hired Bressler.

"Had Pittsburg's journalism class not done their job, we wouldn't be sitting here talking right now," Gagnebin said.

The Paola position was an opportunity Gagnebin just couldn't

pass up as he will have an opportunity to watch more of his children's events and work closer to home.

"I have missed a lot of my own kids' stuff," he said. "But the people here have been really great, (Principal) Tammy (Thomasson) now and Dave (Tappan) before her, to let me try to get to as much stuff as I can. I still miss things. These opportunities don't come around very often and I just figured this would be a great fit for me and my family.

"But I couldn't ask for a better group of coaches here in Louisburg. They are good and passionate about what they do. I really have developed some good bonds over the years. I know some have left and some have stayed on, but the coaches and staff I have had has been great."

---

## **Changes to classification system will impact Louisburg**

Member schools in the Kansas State High School Activities Association sent ripples across the state last week when they passed two proposals that will affect high school athletics beginning in the 2018-19 season.

For football, the two 4A divisions and Class 2-1A have been eliminated. They have been replaced with 32 team classifications in 4A, 5A and 6A, while 3A and 2A will have

48-team classifications. The remaining schools will play in 1A.

The second proposal was for all other sports. Other than football, classes 4A, 5A and 6A will have 36 teams in each division. Classes 3A and 2A will have 64 schools each, while the remaining schools will be in 1A.

The football proposal passed with a vote of 215-73 and the all-sports proposal passed with a 207-145 majority. All of the classes, except 6A and 1A, were in favor.

With those new proposals comes a different playoff system for many of the sports.

Louisburg High School, which is a Class 4A school, will see changes in five sports programs – football, basketball, baseball, softball and volleyball.

In football, Louisburg will no longer have district play as the playoffs will begin in week nine. Class 4A will play an eight-game regular season and then each side of the state will be seeded in a bracket from 1 through 16, based on their record.

Given the fact the Frontier League currently has nine teams after recently adding three schools in Tonganoxie, Bonner Springs and Piper, the Wildcats will no longer have to play a non-league opponent. De Soto recently chose to leave the Frontier League following the 2017-18 season to join a new league made up of 5A schools.

“Normally we go out in October to Salina, we would redistrict for 2018 and 2019,” Louisburg activities director Darin Gagnebin said. “I don’t even know that we will have to go cause our league has nine teams, so we would play eight league games and the ninth game gets assigned to you for the playoffs. As of right now in football, we will no longer have any out of conference opponents as long as we maintain nine in

the league.”

Another change will be in basketball. For the postseason, there will no longer be substates, instead the 18 teams on each side of the state will be bracketed out by record beginning with two play-in games.

From there, the bracket will be sized down to four-team pods, with the higher seed hosting the game. Teams will have to win two games to reach the state tournaments. Pods will be 1-16-8-9 seeds, 4-13-5-12, 2-15-7-10 and 3-14-6-11. The eight pod winners will advance to the state tournament.

“Depending on where we fall, it could increase travel depending on where we are seeded,” Gagnebin said. “We could have to drive down to Coffeyville or drive up to Atchison, you just don’t know until the end of the year.”

Basketball schedules will also be different with the addition of the new league teams in 2018-19. There will no longer be double round-robin schedules. There will be eight league games, six tournament games and athletic directors will have to find a way to fill the other six.

“We will start in August about building the new league schedule and it will be tough,” Gagnebin said. “One thing you will see is we won’t have double round-robin’s anymore because we can’t play everyone twice. I think there will be traditional rivalries that are held to where we would play those twice due to proximity. Quite frankly, it wouldn’t be smart for Louisburg not to play Paola, Ottawa or Spring Hill twice due to higher attendance numbers and proximity. It will probably increase travel costs because you are playing more non-conference opponents.”

Baseball and softball will be similar as there will no longer be regionals. Like basketball, there will be two play-in games with the same pod structure. The top four overall seeds will each host all games in their pod on the same day.

In volleyball, there will be four substates across the state, broken into eight brackets. There will also be nine teams in each substate, which will require a play-in game. Teams will need to win two games to qualify for state.

Postseasons for wrestling, track, soccer, cross country and golf will remain the same.

However, even with the new changes, the proposals don't address the competitive balance issue between public and private schools that many members have been talking about for the last several years.

Although he likes the new playoff system, the fact these changes don't address the problem is one of the reasons Gagnebin voted no on the new proposals.

"It was a shock because I didn't think it was going to pass," Gagnebin said. "Other than the playoff system, in my opinion, it doesn't do anything for Class 4A. All the work that went into splitting 4A into two divisions is now gone. I feel bad for those schools because they put in a ton of work. It doesn't really affect us because we are locked into 4A and we are right in the middle of the pack.

"I didn't see how it benefited Louisburg or 4A, other than the playoffs system where it should ensure you have more competitive teams at state. Since you are seeding them out now, you shouldn't have a substate of teams with losing records. They could have done that without this."

Although private schools like Bishop Miego, which have won several state titles in the last few years, could find itself moving up a classification with the new measures, it isn't a permanent solution according to Gagnebin.

"Enrollment could bump some private schools up a class, but that doesn't fix the problem," Gagnebin said. "Private schools can control enrollment. According to (Miego) they are losing

enrollment and could be back in 4A. It doesn't impact the private issue at all and that is why I didn't vote for it. It is not fixing what the 80 percent of athletic directors polled in Kansas asking what the biggest problems in classifications are. It doesn't address the real problem."

---

## **Four Louisburg baseball players awarded all-league**

Louisburg junior Garrett Caldwell was one of the Wildcats' best hitters last season and for that he earned second team all-Frontier League honors recently. Caldwell was one of four Louisburg players selected to the team.

It may have not had the season it had hoped for, but the Louisburg High School baseball team still had several players that ended the 2017 season strong.

The Wildcats, who finished with a 7-14 record on the season, earned four selections to the all-Frontier League baseball team, including a spot on the second team.

Junior Garrett Caldwell was named to the utility spot on the second team and three other Wildcats earned honorable mention honors. Seniors Dalton Stone, Grant Harding and Korbin

Hankinson were each recognized by the Frontier League coaches for their season.

Caldwell led Louisburg with a .396 batting average as he served as one of the team's catchers. Caldwell also had a team-high two home runs to go along with three doubles, a triple and 14 RBIs.

**(From left) Louisburg seniors Grant Harding, Dalton Stone and Korbin Hankinson were named to the all-league honorable mention team.**

Hankinson was an a honorable mention selection in the outfield as he was the team's starting centerfielder all season. He committed just one error in the 21 games.

At the plate, Hankinson had a good year from the leadoff spot as he batted .366 with a team-high 26 hits, including eight doubles and 12 RBIs.

Harding and Stone were both named to the honorable mention team as infielders.

Stone finished the season with a .318 average to go along with 14 hits, including three doubles and a home run. Harding batted .283 with 17 hits, three doubles and a triple.

In the field, both players committed just five errors on the season, while Harding and Stone were the Wildcats' top two pitchers. Harding led the Wildcats with 27 strikeouts and Stone had 24.

## FIRST TEAM

**Pitcher:** Jordan Johnson, Paola, junior; Sarah Brown, Spring Hill, senior

**Catcher:** Sierra Sanderson, Spring Hill, senior

**Infield:** Allison Daggett, Paola, senior; Jordan Flakus, Eudora, senior; Kamryn Shaffer, Ottawa, junior; Matti Morgan, Paola, senior

**Outfield:** Audrey Flowers, Baldwin, sophomore; Sieana Hall, Baldwin, sophomore; McKinley Markley, Baldwin, sophomore

**DH/Utility:** Regan Smith, Spring Hill, junior

## SECOND TEAM

**Pitcher:** Kayla Etter, Eudora, sophomore; **Allyssa Griggs, Louisburg, senior**

**Catcher:** Amayah LaTessa, Baldwin, senior

**Infield:** **Madison Svoboda, Louisburg, sophomore;** Rian Geere, Baldwin, freshman; Mackenzie Smith, De Soto, senior; Betsy Parmeley, Baldwin, senior

**Outfield:** Elizabeth Hays, Spring Hill, junior; Devon Purcell, Eudora, junior; Jordan Diehl, De Soto, sophomore; Jasmine Thevarajoo, Eudora, senior

**DH/Utility:** Payton Faddis, De Soto, sophomore

## HONORABLE MENTION

**Pitcher:** Kinley Burton, Baldwin, senior; Mary Kate Hale,

Spring Hill, senior

**Catcher:** Sydney Igert, Paola, junior; **Emalee Overbay, Louisburg, senior**

**Infield:** Jenna DeVore, Ottawa, junior; Kelsey Kroutch, Spring Hill, senior; **Molly Rison, Louisburg, sophomore;** Kellee Wiggins, Baldwin, sophomore; Lydia Brown, Eudora, freshman

**Utility/DH:** **Karson Griggs, Louisburg, sophomore;** Peyton Weatherbie, Paola, senior

---

## **Spring Hill takes two from Wildcat baseball**

Louisburg senior Korbin Hankinson puts a ball in play during a game earlier this season. The Wildcats played their final regular season games on May 8 in Spring Hill and came up short in a 12-2 and 13-8 loss.

It was a rough six days for the Louisburg baseball team.

After getting swept by Ottawa on Senior Night, the Wildcats found themselves on the wrong side of the sweep again on May 8 at Spring Hill. Louisburg fell 12-2 in the opener to the Broncos and then came short in the nightcap in high-scoring

affair, 13-8.

The two games ended the Wildcats' regular season with a 7-13 record as they head into the postseason.

Spring Hill jumped on the Wildcats' pitching early in the first game as it scored 11 runs in the first four innings to take a big lead it wouldn't relinquish. Louisburg scored a pair of runs in the fifth when junior Garrett Caldwell tripled home Blake Ruder and Christian Tosterud.

Caldwell led the Wildcat offense with two hits and had a big day at the plate in the doubleheader. He had five hits and 5 RBIs in the two games, including a 2-run home run in the nightcap to give the Wildcats a 2-0 lead early.

The Broncos responded to Caldwell's home run with four runs in the first inning and then six more in the fourth inning to take a 10-2 lead.

Louisburg battled back with six runs of its own in the top of the fifth inning to cut the Spring Hill advantage to two, but the Broncos scored three in the sixth to pull away.

Senior Grant Harding recorded a pair of hits, including a triple and an RBI, to help the Wildcat bats. Tosterud and junior Nate Swenson also finished with two hits, a double and a run batted in each. Beckett Rasmussen also tallied a pair of singles for Louisburg.

Although the Wildcats have lost four in a row, they have a chance to start fresh today when it competes in the Class 4A-Division I regional tournament in Ottawa. Louisburg, the No. 4 seed, will play No. 1 Ottawa at 4 p.m. today.

If the Wildcats advance, they will play the winner of No. 2 Paola and No. 3 Fort Scott later in the evening.

---

# Ottawa dampens Louisburg senior night with sweep

Louisburg senior Blake Ruder runs down a fly ball in right field Tuesday during the Wildcats' game with Ottawa at Lewis-Young Park. The Wildcats lost both games to the Cyclones on Senior Night, 15-1 and 7-2.

It wasn't the night the seven Louisburg baseball seniors hoped for when they stepped onto the Lewis-Young field for the final time.

Louisburg celebrated Senior Night on Tuesday, but Ottawa decided to dampen those plans. The Cyclones, who are ranked No. 5 in Class 4A-Division I, downed Louisburg 15-1 in the opener and 7-2 in the nightcap.

Despite the loss, it was a special night for seniors Korbin Hankinson, Dalton Stone, Grant Harding, Ben LaJoie, Sam Guetterman, Blake Ruder and Kylan Harper as they were each honored in-between the doubleheader games.

"This senior class brings a lot of experience with them," Louisburg coach Joel McGhee said. "They are a hard working group that strive for the best in everything they do. These seniors are a talented group and are passionate about the

games they play. These young men will be successful in their pursuits because of the traits that they bring with them.”

In the opener, the Wildcats (7-11) took a 1-0 lead into the second inning before the Cyclones scored two in the second and third innings, and then five runs in the fourth and fifth to pull away.

**Louisburg seniors (front row, from left) are Blake Ruder, Ben LaJoie, Kylan Harper, Grant Harding, Dalton Stone, Sam Guetterman and Korbin Hankinson.**

Louisburg junior Christian Tosterud was perfect at the plate for the Wildcats and drove in their only run. Tosterud, who finished the game with three hits, tripled home Hankinson after he led the first inning off with a double. Hankinson added a pair of hits in the loss.

Stone started the game for Louisburg and pitched three innings, before Harper and Nate Swenson came in for relief. However, none of the three Wildcat pitchers could cool off the

Ottawa bats.

“In the first game we started out well, we got on the board first and had some success at the plate,” McGhee said. “Then the struggle to find the strike zone began. Once we started walking batters we couldn’t find our way out of the hole. Ottawa is a solid team and took care of business at the plate and in the field.”

The nightcap started off like the first as Louisburg opened the scoring in the first inning, but this time the Wildcats held their one-run lead into the fifth inning. Ottawa answered with four runs in the fifth and three more in the seventh to earn the sweep.

Harding, Stone and Swenson each had a pair of hits, while Harding added a double to his line. Harding and Mitchell Drew both had RBIs as well for Louisburg.

It was Harding who kept Ottawa scoreless through the first four innings, before Ottawa came through with fourth runs in the fifth. Guetterman came on in relief for the final two frames.

“Ottawa got the hits they needed to get runners on,” McGhee said. “We were unable to get the hits we needed and had several quick innings which helped to build momentum for Ottawa. We responded late in the game, but were unable to overcome the deficit.

“Ottawa is a good team and they take advantage of the little mistakes that are made throughout a game. They executed the plays they were asked to and put us in some spots where a tough play had to be made.”

Louisburg will wind down its regular season today when it travels to Spring Hill for a doubleheader. The Wildcats will then compete in the regional tournament next week at Ottawa.

---

# Wildcats score 29 runs in sweep of Anderson County

Louisburg senior Grant Harding winds up for a pitch during the Wildcats' April 25 doubleheader against De Soto. The Wildcats defeated Anderson County on Thursday, 12-5 and 17-5.

GARNETT – Apparently all the Louisburg baseball team needed was a trip to Garnett.

It certainly fixed what ailed them.

The Wildcats, who had lost four of their last five games, turned it around in a big way as they scored 29 runs during their doubleheader Thursday, en route to a 12-5 and 17-5 victory over Anderson County.

“The sweep was much needed,” Louisburg coach Joel McGhee said. “We’ve had number of close games that took a wrong turn throughout the year and we definitely needed to come out and take both games. We had solid games offensively, and took care of things on defense. When the scores evened out, we put pressure on and added runs as we needed to.”

It was a team effort, especially in the opener, as every player in the Wildcat lineup got a hit and all but one had a

run batted in. Louisburg jumped out to a 5-0 lead after three innings and used a five-run sixth to pull away after Anderson County tied it the inning before.

Korbin Hankinson, Christian Tosterud, Garrett Caldwell, Dalton Stone and Ben LaJoie each had two hits to lead the Wildcats, while Tosterud, Grant Harding, Nate Swenson and Stone all had 2 RBIs. Tosterud and Hankinson both added a double in the win.

“As a team we had great night at the plate,” McGhee said. “Overall we combined for a .435 average. Everyone was seeing the ball well, whether they were getting hits or being selective at the plate and drawing walks. We also did a great job on the base paths. We left quite a few runners on base, but managed to get runners on later in the game to make up for those.”

Freshman Madden Rutherford started the game for the Wildcats (7-9) and went five innings and gave up two earned runs on seven hits. He ran into a little trouble in the fifth inning when Anderson County tied the game with four runs in the frame, but Swenson came on in relief and pitched two innings and allowed no hits.

The Wildcats got going offensively in the sixth to break open the tie game as Caldwell, Stone, Swenson and Hankinson each had RBI singles to give Louisburg the lead back and all but seal the win.

In the nightcap, Louisburg found itself tied with Anderson County after three innings, but the Wildcats used back-to-back seven run innings to get the run-rule victory.

Hankinson did a lot of damage with the bat in the nightcap. He went 4-for-5 with 5 RBIs, including a pair of doubles. Dalton Stone hit a 2-run home run to break open a tie game in the fourth inning.

Harding, Mitchell Drew and Beckett Rasmussen each had a 2-hit

game to lead the Wildcats, while Stone, Drew and Harding each had 2 RBIs. Harding was also busy on the base paths with five stolen bases.

Senior Kylan Harper started the game for Louisburg and pitched into the fourth inning as he gave up five runs, two earned runs and had three strikeouts. Fellow senior Sam Guetterman came in to record the final two outs to preserve the run-rule victory.

“Madden and Kylan gave us quality starts and put us in the position to win the games,” McGhee said. “Rutherford is very efficient when he pitches, and has given us quality starts in each of his outings. Of the 27 batters he faced, 20 of them saw 3 or fewer pitches. We can rely on Harper to give us a solid start and carry us deeper into a game, which helps with managing our pitchers.

“Sam and Nate both made quick work of the batters they faced and Guetterman got us out of a tough spot in game two with four pitches. Both pitchers come in and fill up the zone and let their defense work behind them.”

Louisburg returns to action today when it hosts Ottawa on senior night. First pitch is set for 4:30 p.m. at Lewis-Young Park.

## **Louisburg drops two games to De Soto**

On April 25, Louisburg hosted De Soto for a doubleheader at Lewis-Young Park and came up short in a 7-3 loss in the opener. The Wildcats forced extra innings in the nightcap, but fell 6-4 in eight innings.

In the second game, the Wildcats were patient at the plate and drew seven walks and turned several of those into runs. Louisburg scored two runs in the sixth to tie the game, but De Soto answered with two in the eighth to get the win.

Although they walked seven times, Louisburg had just five hits, one of which was a double from Mitchell Drew. Freshman Madden Rutherford had a pair of singles and 2 RBIs.

Grant Harding started the nightcap and pitched six innings. He gave up three earned runs and had three strikeouts. Nate Swenson came in for the seventh and got Louisburg out of a jam to help send it to extra innings.

“Nate threw strikes and worked to quickly to get outs,” Louisburg coach Joel McGhee said. “The defense did a solid job behind him and we had an opportunity to take the game into extra innings. We gave ourselves a chance, but came up short.”

In the opener, Louisburg jumped out to a 3-1 lead before De Soto scored three in the fifth, two in the sixth and another in the seventh to secure the victory.

Junior Garrett Caldwell had a big day at the plate. Caldwell went 3-for-3, including a pair of doubles and an RBI. Swenson also recorded a pair of hits and an RBI.

Senior Dalton Stone pitched into the sixth inning and gave up three earned runs and had three strikeouts.

---

## **Three schools to join Frontier League**

Three schools have accepted invitations, or will soon, to join the Frontier League for the 2018-19 season and beyond.

Piper, Bonner Springs and Tonganoxie will be leaving their current home – the Kaw Valley League – to join the Frontier after all three were offered spots during a meeting in early April.

Their addition will now bring the Frontier League to 10 members, along with Louisburg, Paola, Ottawa, Spring Hill, De Soto, Baldwin and Eudora. The trio of schools made presentations to the current Frontier League members for admittance due to the fact the Kaw Valley is in the process of breaking up. Current member Bishop Ward is leaving the league next school year, which leaves them at six.

Piper quickly accepted the invitation following a vote of its board of education and is looking forward to joining the Frontier.

“We are extremely excited to get into a league with like-size schools and competition levels,” Piper High School activities director Doug Key said. “We believe Piper High School is good fit for the league due to the competition level in all activities and will match up well. We have played all current schools in various activities and felt like this would be a positive move for the future.

“Being in a league with various size schools and us being the smallest wasn’t going to be optimal. We are still are competitive in many areas, but we needed to secure a more balanced future. We feel like being in the middle, size-wise,

will keep us competitive for years to come.”

According to this year’s classification numbers, Piper has a current enrollment of 601 students. Turner is the Kaw Valley’s biggest school with 1,114 students, followed by Lansing (910), Bonner Springs (758), Basehor-Linwood (710) and Tonganoxie (618).

Bonner Springs, Piper and Tonganoxie compare to other Frontier League programs. De Soto is the biggest school in the league with 854 students, followed by Ottawa (709), Spring Hill (699), Paola (612), Louisburg (563), Eudora (471) and Baldwin (410).

Bonner Springs’ board of education also approved the move to the Frontier League and Bonner Springs High School principal Rick Moulin echoed Key’s statement.

“We have competed against teams in the Frontier League the past several years,” Moulin said. “The schools in the Frontier League are a lot like Bonner Springs – we are competitive and value sportsmanship. The teams in the Frontier League are similar in size to Bonner Springs, which will be a great gauge for us as we try to compete at the highest level possible in 4A. Bonner Springs is a small town community, with great community support, much like the schools in the Frontier League.

“We are excited to be joining with Piper and Tonganoxie. We hope to continue to be able to compete against Basehor-Linwood, Lansing and Turner. I have a lot of respect for their schools and their programs. Ultimately, the Frontier League was a better fit for our students and our community.”

Tonganoxie hasn’t officially accepted the invitation, but it is just waiting for its board of education to approve the move during its May 8 meeting. At that point, according to Tonganoxie High School principal Mark Farrar, it will immediately send letter accepting the invite.

"We are very excited to join the Frontier League," Farrar said. "This new partnership will be very good for our students as well as our community. Joining the Frontier League will provide some great opportunities for our students from an athletic and activities standpoint. Tonganoxie mirrors many of the activities that most or all Frontier League schools offer. We see it as a league that will be a good fit for many years to come.

"One of the things that I think gets overlooked is the idea that a strong league doesn't just offer opportunities on a playing field, but it also offers a chance for kids to network and make lifelong connections with students from all across the league. The Frontier League is a strong and stable league and we believe that it can advance the overall mission of what we want to do at Tonganoxie."

Louisburg High School activities director Darin Gagnebin now believes the league is healthier than ever.

"By adding teams to our league, it solidifies our league numbers for years to come ensuring that we, as a league, will remain strong and competitive whether schools decide to leave or stay," Gagnebin said. "We could have been in a situation in which the Frontier League could have dwindled to four or five schools, but instead we will be stronger at 10 teams, if all teams decided to stay.

That situation came about in March when it was reported by the Tonganoxie Mirror that Kaw Valley League member Lansing wanted to create a larger league that would have contained all or some combinations of Lansing, Blue Valley Southwest, De Soto, Leavenworth, Bonner Springs, Basehor-Linwood, Tonganoxie, Ottawa, Piper, Spring Hill, Turner and Topeka schools Seaman, Shawnee Heights and Topeka West.

A meeting was held between all the schools to look at possibilities of building a stronger league that would rebuild

the current Kaw Valley that has Lansing, Turner, Piper, Bonner Springs, Tonganoxie and Basehor-Linwood.

The Frontier League responded with meetings of its own shortly after to discuss each member's happiness in the league after De Soto, Spring Hill and Ottawa attended the March meeting with Lansing.

De Soto mentioned needing more competition at the sub-varsity level since it has a growing enrollment and looked at the possibility of playing in a league with bigger schools since it has made the jump to Class 5A.

Spring Hill's enrollment also looks to make that jump in three to four years, while Ottawa's enrollment usually hovers around the line between 4A and 5A. Still, all three schools stated during league meetings they were happy in their current position, with De Soto and Spring Hill stating they might need to make a move due to increasing enrollment numbers.

Faced with the possibility of losing at least two members, the Frontier invited Kaw Valley members to make presentations to join the league in order to fill those spots. Piper, Tonganoxie and Bonner Springs all made presentations and the Frontier League principals all offered invitations shortly after.

At this point, it appears the league is going to move forward with 10 members as no school has stated their desire to leave the Frontier – however, it doesn't mean it can't happen in the near future.

"I cannot speak for other schools in the Frontier League about their desire to stay or to leave," Gagnebin said. "I know some are considering their options and will do what they believe is in the best interest of their school, and I would support them in whatever they decide. I do believe though whatever they decide, with the addition of these new schools to our league, the Frontier League will remain solid in numbers and will

continue to be one of the most competitive leagues in Class 4A.

“I believe the three schools that chose to petition our league for membership will be a great fit for the Frontier League. They offer all sports and activities that are currently offered by the league at all levels. Their enrollments, though larger than Louisburg, will put them in the middle to upper middle in size within the league.”

The league schedule will also look different beginning with the 2018-19 season, as there will no longer be a double round-robin schedule in certain sports and not every school will play each other in football.

“The biggest challenge will be league scheduling,” Gagnebin said. “Although it will change how we schedule things as a league, most league schools already have some or all of these schools on some of their athletic schedules already. It could increase the amount of non-league games we have to go out and find in some sports, since with 10 teams you can no longer play a double-round-robin schedule as we have currently, due to the amount of games allowed by KSHSAA.

“This is both good and bad, meaning, it could increase travel and some expense, but it allows us greater flexibility in the schedule to play other teams outside the league as well. One negative will be in football. With 10 teams, we will not be able to play every team in the league as we do now. As stated before though, solidifying the league as far as numbers go and increasing the competitiveness of the league are also positives.”
