

# Wildcats lose heartbreaker to Frontenac

Louisburg's Weston Guetterman drives to the basket during a game earlier this season. The Wildcats lost a close game to Frontenac on Saturday, 59-57.

With less than eight minutes left in the game, the Louisburg boys basketball team was well on its way to a third straight victory – that was until Frontenac decided to make one final run of its own.

Frontenac scored 11 straight points to take the lead, and after Louisburg's Ben Guetterman tied it up on a 3-pointer with 10 seconds left, the Raiders' Hayden Pile scored the game-winner with two seconds remaining and the Wildcats fell in a 59-57 heartbreaker Saturday in Louisburg.

It was a back-and-forth affair as the two teams each made runs at each other, but the Raiders were able to deliver the final blow.

"Frontenac is a good team," Louisburg coach Ty Pfannenstiel said. "They are long at every position, so we knew it would be tough inside. Offensively we were good for 3 quarters, but we were really bad for the first 6 mins of the 4th which ended up

being the difference in the game.

“I thought we executed really well the last two minutes and made some big plays to give us a chance. Ben’s 3-point shot to tie it up was the biggest shot of the year for us so far. It’s too bad we couldn’t get a stop and play it out in overtime.”

Frontenac struck first as the Raiders took a 16-11 lead after the first quarter, but the Wildcats were able to find a groove offensively in the second and third quarters.

Louisburg (3-4) scored 21 points in the second quarter and used a 13-4 run to end the first half to take a 32-29 halftime advantage. Michael Waldron and Ben Guetterman hit back-to-back 3-pointers, and a Weston Guetterman layup cut the Frontenac lead to two.

Ben Guetterman hit his second of four 3-pointers on the night, while Julian Margrave knocked down a basket to give the Wildcats the halftime advantage. Waldron and Ben Guetterman knocked down two more 3-pointers in the third quarter to give the Wildcats a six-point lead late.

Louisburg held a 48-40 lead early in the fourth quarter, but Frontenac went on an 11-0 run to go up 51-48. Louisburg cut the deficit to 57-54 after a pair of Weston Guetterman free throws with 26 seconds left.

After Frontenac missed two free throws, the Wildcats had a chance to tie the game and Ben Guetterman came through as he knocked down a 3-pointer with 10 seconds remaining.

Frontenac called timeout, and then drove the ball down the floor where the Raiders found Pile under the basket for game-winner with two seconds left.

“I thought we played well,” Pfannenstiel said. “It really was a back and forth game all night. We built a little lead there in the third and early fourth, but couldn’t hang on. We’ve got to find ways to stay out of droughts. That hurt us against Bonner and hurt us again.

“It was tough on our kids, but we have to learn from it and move on. We always stress how important every possession is, no matter if it’s in the first, second, third, or fourth quarter. They all add up to the end total and we were one short time time.”

Margrave led all scorers with a game-high 17 points and led Louisburg with eight rebounds. Ben Guetterman added 14 points in the loss, while Weston Guetterman added 10 to go along with six rebounds. Waldron added eight points and a team-high four steals.

The Wildcats shot 39 percent for the game, including seven 3-pointers. They were also 10-for-10 from the free-throw line.

Louisburg will try and get back on track today when it travels to the Baldwin Invitational Tournament and will face off with Bishop Ward in the first round. Tipoff is set for 4 p.m.

## Wildcats hold on for win over Bonner Springs with late free throws

**Louisburg senior Michael Waldron drives to the basket against the Bonner Springs defense Tuesday at Louisburg High School.**

For more than half of the game, the Louisburg boys basketball team found itself in the driver's seat Tuesday against Bonner Springs.

The Wildcats had a comfortable lead and were well on their way to back-to-back wins to start 2020. In the end, it became a little more interesting than they would have liked.

Bonner Springs cut a 16-point Louisburg lead to just one point with under a minute left, but senior Garrett Rolofson knocked down two free throws with nine seconds left help secure a 46-43 win for the Wildcats at Louisburg High School.

“It is never going to be easy,” Louisburg coach Ty Pfannenstiel said. “At times we looked really, really good and we were really focused – playing free and playing our style of basketball. Whatever it was in the second half, we just went into an offensive funk, started turning the ball over and just got real sloppy. We made it to where we were in a game again.

“Defensively, I thought we were good all night and I thought it was one of our best games on defense, especially in the first half. We stress that our defense has to be a constant every night. When shots aren’t falling, and your defense is good, then you have a chance. If we can consistently play defense then I think we are going to be alright.”

Louisburg (3-3) went on an 11-4 run in the second quarter to build a 31-15 lead over Bonner Springs and was up 12 points at halftime. The Wildcats maintained that advantage going into the fourth quarter, but the Braves chipped away at the Louisburg lead while the Wildcats went cold offensively.

The Wildcats had several shots rim out, while Bonner Springs used a 10-2 run to eventually cut the Louisburg lead to 44-43 with 46 seconds left. After both teams missed front ends of a one-in-one opportunity, Rolofson was fouled with nine seconds left and had an

opportunity to give Louisburg a little cushion.

**Sophomore Maverick Rockers makes a pass Tuesday against Bonner Springs.**

The Louisburg senior calmly made both opportunities and the Braves couldn't find the bottom of the net in their final trip down the floor.

"Nothing was really going in for us," Pfannenstiel said. "I think we had a layup and three free throws in the fourth quarter and two of those were Rolo's there at the end. We went in a huge drought, and when you don't see the ball go through the hoop, it can get kind of nerve-racking."

“Rolo is a kid that has worked really hard and he has earned his opportunity to take those shots. I couldn’t think of anyone that I would rather have shooting those shots. I have supreme confidence in what he has done and that was big for him to step up and knock those down.”

Weston Guetterman led the Wildcats with a team-high 13 points and three steals as he played all 32 minutes. Ben Guetterman also scored in double figures with 12, while Julian Margrave had seven points and a team-high nine rebounds.

The Wildcats did a lot of their scoring from behind the arc as they knocked down seven 3-pointers on the night, despite shooting just 36 percent from the field. Still, Louisburg played well offensively in the first half, which forced Bonner Springs to do some different things on defense.

“We moved the ball well, took care of the ball and got them out of their zone,” Pfannenstiel said. “We were expecting to see some zone going into the game, and it is something we haven’t seen a lot of this year. We were hot enough that we were able to get them out of it and I was very pleased with how we played in the first half. But we have to be able to play well for four quarters if we are going to have a chance the rest of the way. Our goal is to continue to build and that is what we are doing.”

Louisburg will try for its third straight win Saturday when it hosts Frontenac in a make-up

game from earlier in the season. Tipoff is set for 6 p.m.

## Big fourth quarter propels Wildcats in road win over Turner

Louisburg senior Garrett Rolofson goes up for a basket during the Wildcats' 64-52 win Tuesday over Turner. Rolofson finished with 14 points and nine rebounds.

KANSAS CITY, Kan. – Louisburg

opened Tuesday's road contest against Turner with 10 straight points, only to see the Golden Bears respond with a big run of their own and put the Wildcats in hole.

The Wildcats ended the game just like they started – only bigger.

Louisburg dominated the fourth quarter and rallied from an eight-point deficit to get a 64-52 victory over Turner and win in convincing fashion. The Wildcats outscored the Golden Bears 21-5 in the final frame thanks to a different level of intensity.

"It was a great win for our guys," Louisburg coach Ty Pfannenstiel said. "We got into a funk there for a while after we had such a hot start. With it being the first game after break, you just never know what you are going to get on our end. It has been awhile since we have played, but for us to battle back was great to see and the energy in the fourth quarter was really, really good."

A lot of that energy came from junior Ben Guetterman and senior Garrett Rolofson, who both helped the Wildcats dominate the glass in the fourth quarter, which led to a lot of second chance points.

Guetterman, one of the team's starting guards, finished with a game-high 21 points and also added 16 rebounds to help spark the Wildcats. Rolofson nearly had a double-double himself as he

added 14 points and nine boards. Both players had seven offensive rebounds on the night and kept a lot of plays alive.

“Ben played really well and Rolo played really tough inside,” Pfannenstiel said. “If those guys can continue that, and then we can piece it together with the other guys, then we should be alright.

“Ben is going to realize that he can really score when he hits the offensive glass and he doesn’t just have to hit from the outside. He has the ability to attack on the offensive rebounds and get a lot of garbage points. Rolo did a really good job with that too. Our energy was really good in the fourth quarter, and if we can do that for four quarters, then we can do this any night out.”

Louisburg (2-3) was without one of its leading scorers in Julian Margrave, who was out with an illness. Other players had to fill in and the Wildcats were able to get good production from their bench.

**Sophomore Michael Seuferling tries to trap a Turner player Tuesday in Kansas City.**

Sophomore Michael Seuferling saw his first varsity action of the season and provided the Wildcats with some key minutes as he finished with seven points. Junior Konnor Vohs also added six in the win, including a big 3-pointer in the fourth quarter to help jump start the Wildcats' run.

Point guard Weston Guetterman added six points, but also finished with a team-high seven assists and also had six rebounds.

"We had a couple guys come off the bench and really gave us some good minutes there in crunch

time," Pfannenstiel said. "I thought Michael came in and played really well. We had to have some guys step up with Julian out, so we needed to have some guys score for us. Vohs, Seuferling and those guys came in and brought good energy and that is what we needed."

The Wildcats opened the game on a 10-0 run, but Turner responded quickly as it went on a 17-2 spurt of its own to take a five-point lead going into the second quarter.

Turner extended its lead to 10 points midway through the second quarter and later had an eight-point lead in the third, before the Wildcats started to chip away.

Seuferling hit a jumper to cut the Turner lead to one early in the fourth quarter and then the Wildcat defense forced three straight turnovers. Louisburg took advantage as Ben Guetterman and Rolofson both scored on offensive rebounds to give the Wildcats the lead and then Vohs answered with a 3-pointer to put Louisburg up six.

Louisburg didn't let up as it pulled away from the Bears the rest of the way and recorded its second win on the season.

"We switched to zone for a little bit and I think that messed with them for a while," Pfannenstiel said. "They missed some shots and we were able to rebound out of it. I think we figured out pretty quick that we need to get going. We played with some great energy in the fourth."

The Wildcats will try for

back-to-back wins Friday when they travel to Eudora in Frontier League action.

Tipoff is set for 7:30 p.m.

“Eudora is always very well coached,” Pfannenstiel said. “They are a great program and have disciplined players. It is good to go into league play with a win and we have a lot of games coming up here. It will be a grind and we have a lot to do. Hopefully we can continue to build some momentum.”

## **Wildcats put a scare into No.**

# 1 Piper in home loss

**Louisburg senior Michael Waldron stretches out for a rebound Friday during the Wildcats' home contest against Piper.**

For two-and-a-half quarters Friday, the Louisburg boys basketball team had the upper-hand on the defending state champion and No. 1 team in Class 4A.

The Wildcats had Piper where they wanted them, but foul trouble and a few turnovers derailed their upset hopes as the Wildcats fell to the Pirates, 68-61, in the final game of 2019.

Despite the loss, the fact that Louisburg was able to hang with the state's No. 1 team for much of the game was something the Wildcats hope to use as a momentum builder over the holiday break.

"It gives our kids confidence," Louisburg coach Ty Pfannenstiel said. "We played with the defending state champs and the No. 1 team in the state that has played some good teams already. Our kids have to be very confident that we can play with, and beat anybody. That is type of team we will have to play in sub-state and there are some very talented teams at the top. We are going to have to execute a game plan like we did against Piper."

That game plan was to force the Pirates to pull up for jumpers and keep them out of transition. Louisburg was able to do that for the most part as Piper was out of rhythm offensively and the Wildcats were able to take a halftime lead.

The Wildcats (1-3) extended that lead to seven points midway through the third quarter and all the momentum was in their favor.

“We played tough,” Pfannenstiel said. “Our kids played with such good energy, we created a good environment and our students were really good. We basically went punch for punch with them, and defensively, this was our best game of the year by far against a really dynamic offensive team. They can really handle the ball and they have shooters everywhere.”

“That is a good team that we played. To make them settle for pull-up jumpers, which was kind of our game plan, and I thought our kids did a really good job of making them play good help-side defense, packing the lane and making good close outs. It was a lot of fun out there.”

The Wildcats got a bulk of their scoring from three different players as junior point guard Weston Guetterman finished with a team-high 20 points. Sophomore Julian Margrave finished with a double-double as he had 16 points and 10 rebounds, while

junior Ben Guetterman  
added 17 points and seven rebounds.

**Junior Weston Guetterman drives to the basket Friday against Piper.**

Louisburg had to play with some adversity early in the third quarter as Weston Guetterman had to sit with four fouls, which is around the same time Piper went on a big run to take the lead back.

Piper went on a 16-4 run to end the third quarter as the Pirates were able to get out in transition and knock down a couple three-pointers.

## Wildcats pick up first win of season in home opener

Louisburg junior Ben Guetterman dribbles around an Anderson County defender Friday during the Wildcats' home opener.

After a pair of difficult losses to start the season, the Louisburg boys basketball team wanted to try and make amends.

There was no better place to do that than in the Wildcats' home gym.

Louisburg scored 17 of the game's first 21 points and the Wildcat defense took care of the rest as they secured a

53-44 win Friday over Anderson County. It was the Wildcats' first win of the season and they were happy to get it in their home opener.

"It was a great start for us," Louisburg coach Ty Pfannenstiel said. "We let them back in it a little bit and they were able to steal some of that energy, but our defense led to our offense. There are going to be nights where you have good offensive nights, and there are some where you are going to struggle, but your defense always has to be a constant. As a team, I think we have bought into that. We have always had that offensive mindset, but now I think we proved we can play that tough on-ball defense. We have a long ways to go, but we definitely made some improvement."

The Wildcats (1-2) used that full-court pressure into some easy baskets early in the contest. Junior guard Weston Guetterman opened the game with a steal and score, senior Michael Waldron hit a pair of 3-pointers and Guetterman hit 3-pointer near the end of the first quarter to give Louisburg a 15-4 lead after one quarter.

Junior Connor Koesser hit a basket to make it 17-4 early in the second quarter before Anderson County cut into the lead. The Bulldogs went on a 12-0 run to cut the Louisburg lead to one point.

The game started to get physical as both teams played aggressive. Late in the first half, both teams went for loose ball on the floor and things got a little heated.

That play seemed to spark the Wildcats as they went on an 8-0 run to end the second quarter. Sophomore Julian Margrave was fouled on a 3-point attempt and made all three free throws and junior Ben Guetterman followed that up with a 3-pointer of his

own.

**Senior Michael Waldron lays the ball up for an easy basket late in Friday's game against Anderson County.**

Then, just seconds before the end of the quarter, Waldron dove on the floor for a steal and passed the ball up to Weston Guetterman, who found Ben Guetterman under the basket. Ben made the shot and was fouled to put Louisburg up 25-17 at halftime.

Defense was the difference for the Wildcats as they forced 15 turnovers and scored 23 points off those miscues. They also had nine steals in the game.

“We put a big emphasis in practice the last couple of day of playing aggressive defense and taking the team out of what they want to do,” Pfannenstiel said. “We came out with full-court pressure and I think that brought us a lot of energy. It was a good environment and Anderson County was an aggressive team too. I am just proud of how hard we fought. It was a physical game, and the officials were letting some things go on both ends, but I really thought we grew as a team after this win.”

Louisburg ballooned its lead to 13 points midway through the third quarter, but Anderson County made another run as it trimmed the Wildcats’ lead to 40-35 early in the fourth. The Bulldogs, however, could get no closer as the Wildcats held off the Bulldogs thanks to seven points in the quarter from Margrave.

Margrave led the Wildcats in scoring with 18 points on the night. Weston Guetterman also had a big night from the point guard spot as he finished with 11 points, a team-high seven rebounds, six assists and three steals.

Michael Waldron also had 11 points in the win, including three 3-pointers. Ben Guetterman had nine points and six rebounds.

The Wildcats will try and make it two in a row at home Friday when they host Piper. Tipoff is set for approximately 7:30 p.m., and Louisburg is ready to take another step forward.

“Each game we have been in, we have been right there,” Pfannenstiel said. “Instead of calling them losses, we

have tried to call them learning opportunities. It is a loss, but we have learned from those. After the Tongie game, we worked on being more patient offensively, and I think that led to better offense against Burlington. But our defense wasn't that good at Burlington and we didn't take care of the ball. This game, we really stressed defense, and if we could put both together, I think we have a shot every night."

## **Turnovers haunt Wildcats in loss to Burlington**

**Junior Konnor Vohs steals a pass during Tuesday's road contest in Burlington. The Wildcats fell to Burlington, 72-68.**

BURLINGTON – The Louisburg boys basketball team had a good idea what to expect from Burlington when they Wildcats hit the road Tuesday for their second straight away game.

However, turnovers haunted the Wildcats and it sent them to their second straight loss. Despite a late rally, Louisburg came up a couple baskets short in a 72-68 setback to Burlington.

Louisburg went up against a full-court pressure defense from Burlington, which caused the Wildcats to commit 25 turnovers. Those mistakes made it difficult to come back against a Burlington team that shot almost 47 percent for the game.

“We knew coming in that they were going to be a team that plays hard,” Louisburg coach Ty Pfannenstiel said. “They don’t have a lot of size, but they are going to be physically tough and aggressive. We are going to see teams that like to get up and challenge us. At times, I think we were able to figure it out, but it took us too long to do that.”

“In those kind of games, it comes down to one possession one way or the other and there were times where we built a lead and could have put them away with a bucket. We don’t, and then they go the other way and score. Their press was tough and we

have to handle that better.”

It was a close game throughout and neither team had more than a seven-point lead. Burlington held that seven-point lead early in the third quarter, but the Wildcats made a big run to pull back in front.

Louisburg went on an 11-3 run thanks to seven points from senior Garrett Rolofson and a basket from sophomore Julian Margrave. Junior Weston Guetterman then put Louisburg in front, 43-41, with a basket and was fouled.

Rolofson then followed that up with a dunk to give Louisburg a four-point advantage late in the third. In all, Rolofson scored nine of his 11 points in the frame and the Wildcats led 49-45 going into the fourth.

**Garrett Rolofson pulls up for a jumper Tuesday against Burlington. Rolofson recorded a double-double with 11 points and 12 rebounds.**

Burlington then came alive with a 27-point fourth quarter and took the lead back early in final frame. Junior Ben Guetterman hit a pair of 3-pointers late to try and get the Wildcats back in it, but Burlington was able to knock down its free throws to hold off Louisburg.

“We made some plays that were able to get us back in it, but those possessions are just as important as the ones in the first quarter,” Pfannenstiel said. “We have to understand that. Our point of emphasis was having better shot selection and just being patient, and when they came out with their press we just kind of forgot

about that and started firing up the first open shot and that fed right into their hand. We have to do a better job coaching and we will get better at those things.”

The Wildcats shot better than 50 percent for the game, and when they got good looks, they were able to convert.

Margrave led Louisburg with 19 points on the night to go along with five rebounds and two blocks.

Weston Guetterman had 15 points and a team-high six assists from the point guard spot. Fellow guard Ben Guetterman finished with 13 points. Rolofson finished his night with a double-double as he had 11 points and a team-high 12 rebounds and two blocks.

Louisburg will try and bounce back tonight when it hosts Anderson County in its home opener.

“They have a different look and they might be a different style than what they were last year,” Pfannenstiel said. “We will get back to working hard. There are a lot of things we have to improve on and our focus is on Anderson County for sure.”

## **Wildcats come up short in season opener at Tonganoxie**

**Louisburg junior Weston Guetterman gets fouled while going up for a shot Friday during the Wildcats' season opener at Tonganoxie High School.**

TONGANOXIE – The Louisburg boys basketball team got off to the start it was looking for as it jumped out to an early lead over Tonganoxie in its season opener.

It all seemed to be going smoothly for the Wildcats, but the second quarter changed all that. Tonganoxie went on a run before halftime and it was the difference in Louisburg's 56-47 loss Friday at Tonganoxie High School.

In the other three frames, the two teams played about even, but the one stretch in the second proved to be too much

for the Wildcats to overcome.

“You never know what you are going to get first time out,” Louisburg coach Ty Pfannenstiel said. “We have a lot of guys either first time starting or first time playing on varsity. I was proud of the way we started the game. We looked confident and we were playing with good energy. We really looked like that the whole game, but sometimes the ball goes in the hoop and sometimes it doesn’t. When you look at it stat-wise, both teams were fairly comparable.”

The Wildcats, which shot 32 percent for the game, didn’t show that in the opening quarter as they looked crisp offensively. Weston Guetterman, Julian Margrave, Michael Waldron and Konnor Vohs each hit shots to give the Wildcats a 15-12 lead going into the second quarter.

Tonganoxie took control in the second quarter as it outscored Louisburg 18-10 before halftime and the Wildcats found themselves down, 30-25.

Baskets from Ben Guetterman and Margrave kept the Tonganoxie lead at three midway through the third quarter, but the Chieftains ended the frame on a 7-1 run to go up nine points.

It was too much to overcome for the Wildcats. Weston Guetterman made a basket to cut the Tonganoxie lead to four with three minutes left in the contest, but the Wildcats could

get no closer.

“They went on a little run and they knocked down some big shots that got them the momentum and they were able to keep that lead the rest of the time,” Pfannenstiel said of Tongie’s second quarter. “We have to be able to find ways to score and not just rely on outside shots. We need to take the ball to the hoop a little bit more. We have to find a way to scrap for offensive rebounds and get some put-backs too.”

Sophomore Julian Margrave led Louisburg with a double-double as he had a team-high 15 points and 10 rebounds. He also recorded four blocks on the defensive end.

**Junior Ben Guetterman lays the ball up for two points early in Friday's game against Tonganoxie.**

Weston Guetterman provided a steady hand for the Wildcats at the point guard spot. Guetterman was in double figures in scoring with 14 points to go along with four rebounds and two assists.

In all, the Wildcats were able to take care of the ball as they committed just five turnovers on the night, but they just couldn't get the shots to fall.

"Weston played with confidence out

there," Pfannenstiel said. "He has the ball in his hand a little bit more this year as last year he was more off an off-guard. This is more of a natural spot for him and he does a good job of controlling the tempo of the game for us.

"I thought we did a great job of taking care of the ball and we didn't have many turnovers. We only had like (five) turnovers for the game and we normally have that in the first quarter. That has to be a record in my three years here. That was nice to see."

Louisburg will try and bounce back to get its first win tonight when it travels to face off with Burlington.

Tipoff is set for approximately 7:30 p.m.

# Young Wildcats excited for opportunity in upcoming season

Senior Michael Waldron is one of two returning starters for the Louisburg boys basketball team this season. The Wildcats open play tomorrow in Tonganoxie.

Whenever you play in one of the state's most difficult leagues, including one that features the defending state champion, the season is always going to be a challenging one.

Louisburg is well-aware of that fact, but it doesn't make it any easier when it has to replace its leading scorer from a season ago. The Wildcats had to say goodbye to four seniors, all who played big roles on last season's team that finished with a 9-11 record.

The Wildcats may be young in age, but head coach Ty Pfannenstiel is excited for what he has coming back as they enter the 2019-20 season.

"I'm very proud of this group of kids for the work that they've put in," Pfannenstiel said. "We had our best off-season yet. Our summer weight room and

basketball workout attendance was outstanding top to bottom. We have guys that look a lot different this year because they have really developed.

“Our expectations are extremely high, not because we are just saying it, but because they’ve invested so much time into what it takes to be successful. Actions speak louder than words. We’ve had a great first two weeks of practice. Our practices have been extremely competitive because we have so much depth this year. There’s just a lot of focus with this group.”

Louisburg returns two starters from a season ago in junior point guard Weston Guetterman, along with senior wing player Michael Waldron. Fellow junior Ben Guetterman will take over the other guard spot after seeing a lot of varsity time a year ago.

Senior Garrett Rolofson will see a lot of time at the center position, while sophomore Julian Margrave will also get the start as he is one of the team’s best shooters and earned varsity playing time halfway through his freshman season.

“We lost a lot of experience with last year’s group, but that’s what almost every program experiences,” Pfannenstiel said. “We return two starters from last year. Weston was a starting guard for us last year and will be our point guard this year. Michael was a starter by the end of the year last year and we will expect big things from him this year. Garrett had a great summer and will be a big factor for us inside and

on the glass.

“Ben gave us some quality minutes last year and we hope the varsity experience he gained will give him confidence this year. Julian saw significant varsity time last year which is uncommon for a freshman. We expect him to take another step forward this year as a sophomore.”

**Junior Weston Guetterman returns to lead the Wildcats at the point guard spot this season.**

Even with that, the Wildcats still have a lot depth on their bench.

Junior Konnor Vohs and sophomore Maverick Rockers will see time at

the guard spot,  
while juniors Connor Koesser and Charlie Peters will compete  
for time in the  
post. Juniors Andy Hupp and Dawson Barnes could also see at  
both the guard and  
forward spots.

Junior

Trevin Lohse, along with sophomores Michael Seuferling, Carson  
Kern and Isaac  
Guetterman, will also compete for varsity time this season.

“Our junior class is really deep,”

Pfannenstiel said. “I think they all have an opportunity to  
see time this  
year. It really is going to come down to who is making an  
impact in  
practice and playing well in the JV games.”

Louisburg

begins its season Friday when it travels to Tonganoxie in  
Frontier League play –  
a league that features a returning state champion in Piper and  
another state  
qualifier in Bonner Springs. The Wildcats know their schedule  
will be a  
challenge all season, but they are looking forward to the task  
ahead.

“I

think the Frontier League is always going to be tough,”  
Pfannenstiel said. “Every  
night is going to demand your best. We finished in the middle  
of the pack  
last year in the league. We obviously want to be in the top  
tier of the  
Frontier League this year. If you finish in the top tier in  
this league,

you've had a heck of a season. We are going to take it one game at a time.

There will be no looking ahead on the schedule. Right now, we are focused on Tonganoxie."

No matter what transpires, Pfannenstiel is proud of the work his team has put in to get to this point. Whether it was workouts in the summer, or through the first three weeks of practice, he has seen them grow since the end of last season.

"This team is extremely coachable," he said. "They pick up on things really quick. We are so much farther ahead than we've ever been in my three years. I think we have a chance to be effective offensively. We should be able to score from all five positions on the court. Our off-season shooting workouts have developed our kids into scorers. We want our kids to be confident shooting the ball and the only way to gain that confidence is to see the ball go through the hoop. Now the question is, can our shooting development carry over when the lights are on and somebody in an opposing jersey is guarding us?"

"I think we have to make the biggest strides defensively. We lost some tough, physical kids from last year's team, so we are going to have to develop an

attitude on the defensive side of the ball and on the boards. The main thing that I like about this group is, not only are they good ball players, but they are even better kids. I am so proud for these kids to represent this school and this community.”

## **KSHSAA releases classifications for 2019-20 school year**

The Kansas State High School Activities Association released its classifications for the 2019-20 school year, along with the football classifications for the 2020-21 and 2021-22 seasons.

There were a few changes in both areas, but more so on the football side.

Football classifications are determined based on enrollment figures in ninth, 10th and 11th grade. Louisburg is still in 4A with 432 students and is toward the lower half of the classification.

Entering Class 4A beginning in the 2020 school year will be

St. James Academy, Lansing and Great Bend, who have all moved down from Class 5A. Wamego also made the jump back in from Class 3A.

## **Harding excited for opportunity with Pitt State basketball**

Grant Harding drives to the basket during his senior season with Louisburg in 2017. Harding committed to play basketball at Pittsburg State after two years with the Hesston College program.

When Grant Harding signed with Hesston College to play basketball more than two years ago, he hoped to use it as a stepping stone to something bigger.

Harding certainly made the most of his opportunity in his two years with the Larks and it paid off in a big way.

The 2017 Louisburg graduate was offered a spot on the Pittsburg State University basketball team and Harding jumped at the

opportunity when he committed to the team in May.

“I am very excited to have the opportunity to play Division II basketball,” Harding said. “The competition at this level is incredible and being able to compete with some great athletes is something that I really look forward to.

“The decision to go to Pitt State was an easy one once I visited and got the chance to meet coach (Kim) Anderson and experience what an athlete at Pitt is all about.”

Harding, who will enter Pitt State as a junior both athletically and academically, will have the opportunity to play for an experienced head coach. Anderson was previously the head coach at the University of Missouri and he also won a Division II national championship at the University of Central Missouri before that.

Anderson is currently in his second year with the Gorilla program and Harding is excited to be a part of what Anderson is trying to build down at Pitt.

“Coach Anderson has plans for me to further develop my game in these next two years,” Harding said. “I am expected to come in and compete for playing time and impact the team any way I can. He likes how I am a versatile player and views me as a mismatch at different positions.

“I just have a ton of respect for Coach Anderson and all he has accomplished during his coach career. I believe

there is something special happening with Pitt State basketball under his leadership. Pitt State has great facilities for all their athletes and they have a really unique teaching program and coaching experience opportunities.”

Harding had good final season at Hesston as the Larks competed in the Kansas Jayhawk Community College Conference. In 28 games, Harding averaged 14 points a contest to go along with seven rebounds a game as a guard/forward.

He believes his time with the Hesston program was pivotal in his career and he is thankful for what he learned in the last two years.

“I had a great experience at Hesston,” Harding said. “Off the court, I grew tremendously and met some lifelong friends. On the court, I got a lot of experience at the college level and played against some tough competition. Coach (Dustin) Galyon really prepares his players for the next step both on and off the court.”

Harding, who was an all-league player for the Wildcats and helped Louisburg to its last state appearance in 2017, is ready to see how his basketball journey ends at Pitt State.

“My goals for next year are to continue on a good path towards graduation in on time with good grades, and to

just be the best teammate I can be. I just want to be someone who competes and works hard every day and see where that takes my final years of playing basketball.”
