

Wildcats pick up first win of season in home opener

Louisburg junior Ben Guetterman dribbles around an Anderson County defender Friday during the Wildcats' home opener.

After a pair of difficult losses to start the season, the Louisburg boys basketball team wanted to try and make amends.

There was no better place to do that than in the Wildcats' home gym.

Louisburg scored 17 of the game's first 21 points and the Wildcat defense took care of the rest as they secured a 53-44 win Friday over Anderson County. It was the Wildcats' first win of the season and they were happy to get it in their home opener.

"It was a great start for us," Louisburg coach Ty Pfannenstiel said. "We let them back in it a little bit and they were able to steal some of that energy, but our defense led to our offense. There are going to be nights where you have good offensive nights, and there are some where you are going to struggle, but your defense always has to be a constant. As a team, I think we have bought into that. We have always had that offensive mindset, but now I think we proved we can play that tough on-ball defense. We have a long ways to go, but we definitely made some improvement."

The Wildcats (1-2) used that full-court pressure into some easy baskets early in the contest. Junior guard Weston Guetterman opened the game with a steal and score, senior Michael Waldron hit a pair of 3-pointers and Guetterman hit 3-pointer near the end of the first quarter to give Louisburg a 15-4 lead after one quarter.

Junior Connor Koesser hit a basket to make it 17-4 early in the second quarter before Anderson County cut into the lead. The Bulldogs went on a 12-0 run to cut the Louisburg lead to one point.

The game started to get physical as both teams played aggressive. Late in the first half, both teams went for loose ball on the floor and things got a little heated.

That play seemed to spark the Wildcats as they went on an 8-0 run to end the second quarter. Sophomore Julian Margrave was fouled on a 3-point attempt and made all three free throws and junior Ben Guetterman followed that up with a 3-pointer of his own.

Senior Michael Waldron lays the ball up for an easy basket late in Friday's game against Anderson County.

Then, just seconds before the end of the quarter, Waldron dove on the floor for a steal and passed the ball up to Weston Guetterman, who found Ben Guetterman under the basket. Ben made the shot and was fouled to put Louisburg up 25-17 at halftime.

Defense was the difference for the Wildcats as they forced 15 turnovers and scored 23 points off those miscues. They also had nine steals in the game.

"We put a big emphasis in practice the last couple of day of

playing aggressive defense and taking the team out of what they want to do," Pfannenstiel said. "We came out with full-court pressure and I think that brought us a lot of energy. It was a good environment and Anderson County was an aggressive team too. I am just proud of how hard we fought. It was a physical game, and the officials were letting some things go on both ends, but I really thought we grew as a team after this win."

Louisburg ballooned its lead to 13 points midway through the third quarter, but Anderson County made another run as it trimmed the Wildcats' lead to 40-35 early in the fourth. The Bulldogs, however, could get no closer as the Wildcats held off the Bulldogs thanks to seven points in the quarter from Margrave.

Margrave led the Wildcats in scoring with 18 points on the night. Weston Guetterman also had a big night from the point guard spot as he finished with 11 points, a team-high seven rebounds, six assists and three steals.

Michael Waldron also had 11 points in the win, including three 3-pointers. Ben Guetterman had nine points and six rebounds.

The Wildcats will try and make it two in a row at home Friday when they host Piper. Tipoff is set for approximately 7:30 p.m., and Louisburg is ready to take another step forward.

"Each game we have been in, we have been right there," Pfannenstiel said. "Instead of calling them losses, we have tried to call them learning opportunities. It is a loss,

but we have learned from those. After the Tongie game, we worked on being more patient offensively, and I think that led to better offense against Burlington. But our defense wasn't that good at Burlington and we didn't take care of the ball.

This game, we really stressed defense, and if we could put both together, I

think we have a shot every night."

Turnovers haunt Wildcats in loss to Burlington

Junior Konnor Vohs steals a pass during Tuesday's road contest in Burlington. The Wildcats fell to Burlington, 72-68.

BURLINGTON – The Louisburg boys basketball team had a good idea what to expect from Burlington when they Wildcats hit the road Tuesday for their second straight away game.

However, turnovers haunted the Wildcats and it sent them to their second straight loss. Despite a late rally, Louisburg came up a couple baskets short in a 72-68 setback to Burlington.

Louisburg went up against a full-court pressure defense from Burlington, which caused the Wildcats to commit 25 turnovers. Those mistakes made it difficult to come back against a Burlington team that shot almost 47 percent for the game.

“We knew coming in that they were going to be a team that plays hard,” Louisburg coach Ty Pfannenstiel said. “They don’t have a lot of size, but they are going to be physically tough and aggressive. We are going to see teams that like to get up and challenge us. At times, I think we were able to figure it out, but it took us too long to do that.

“In those kind of games, it comes down to one possession one way or the other and there were times where we built a lead and could have put them away with a bucket. We don’t, and then they go the other way and score. Their press was tough and we

have to handle that better.”

It was a close game throughout and neither team had more than a seven-point lead. Burlington held that seven-point lead early in the third quarter, but the Wildcats made a big run to pull back in front.

Louisburg went on an 11-3 run thanks to seven points from senior Garrett Rolofson and a basket from sophomore Julian Margrave. Junior Weston Guetterman then put Louisburg in front, 43-41, with a basket and was fouled.

Rolofson then followed that up with a dunk to give Louisburg a four-point advantage late in the third. In all, Rolofson scored nine of his 11 points in the frame and the Wildcats led 49-45 going into the fourth.

Garrett Rolofson pulls up for a jumper Tuesday against Burlington. Rolofson recorded a double-double with 11 points and 12 rebounds.

Burlington then came alive with a 27-point fourth quarter and took the lead back early in final frame. Junior Ben Guetterman hit a pair of 3-pointers late to try and get the Wildcats back in it, but Burlington was able to knock down its free throws to hold off Louisburg.

“We made some plays that were able to get us back in it, but those possessions are just as important as the ones in the first quarter,” Pfannenstiel said. “We have to understand that. Our point of emphasis was having better shot selection and just being patient, and when they came out with their press we just kind of forgot

about that and started firing up the first open shot and that fed right into their hand. We have to do a better job coaching and we will get better at those things.”

The Wildcats shot better than 50 percent for the game, and when they got good looks, they were able to convert.

Margrave led Louisburg with 19 points on the night to go along with five rebounds and two blocks.

Weston Guetterman had 15 points and a team-high six assists from the point guard spot. Fellow guard Ben Guetterman finished with 13 points. Rolofson finished his night with a double-double as he had 11 points and a team-high 12 rebounds and two blocks.

Louisburg will try and bounce back tonight when it hosts Anderson County in its home opener.

“They have a different look and they might be a different style than what they were last year,” Pfannenstiel said. “We will get back to working hard. There are a lot of things we have to improve on and our focus is on Anderson County for sure.”

Wildcats come up short in season opener at Tonganoxie

Louisburg junior Weston Guetterman gets fouled while going up for a shot Friday during the Wildcats' season opener at Tonganoxie High School.

TONGANOXIE – The Louisburg boys basketball team got off to the start it was looking for as it jumped out to an early lead over Tonganoxie in its season opener.

It all seemed to be going smoothly for the Wildcats, but the second quarter changed all that. Tonganoxie went on a run before halftime and it was the difference in Louisburg's 56-47 loss Friday at Tonganoxie High School.

In the other three frames, the two teams played about even, but the one stretch in the second proved to be too much

for the Wildcats to overcome.

"You never know what you are going to get first time out," Louisburg coach Ty Pfannenstiel said. "We have a lot of guys either first time starting or first time playing on varsity. I was proud of the way we started the game. We looked confident and we were playing with good energy. We really looked like that the whole game, but sometimes the ball goes in the hoop and sometimes it doesn't. When you look at it stat-wise, both teams were fairly comparable."

The Wildcats, which shot 32 percent for the game, didn't show that in the opening quarter as they looked crisp offensively. Weston Guetterman, Julian Margrave, Michael Waldron and Konnor Vohs each hit shots to give the Wildcats a 15-12 lead going into the second quarter.

Tonganoxie took control in the second quarter as it outscored Louisburg 18-10 before halftime and the Wildcats found themselves down, 30-25.

Baskets from Ben Guetterman and Margrave kept the Tonganoxie lead at three midway through the third quarter, but the Chieftains ended the frame on a 7-1 run to go up nine points.

It was too much to overcome for the Wildcats. Weston Guetterman made a basket to cut the Tonganoxie lead to four with three minutes left in the contest, but the Wildcats could

get no closer.

“They went on a little run and they knocked down some big shots that got them the momentum and they were able to keep that lead the rest of the time,” Pfannenstiel said of Tongie’s second quarter. “We have to be able to find ways to score and not just rely on outside shots. We need to take the ball to the hoop a little bit more. We have to find a way to scrap for offensive rebounds and get some put-backs too.”

Sophomore Julian Margrave led Louisburg with a double-double as he had a team-high 15 points and 10 rebounds. He also recorded four blocks on the defensive end.

Junior Ben Guetterman lays the ball up for two points early in Friday's game against Tonganoxie.

Weston Guetterman provided a steady hand for the Wildcats at the point guard spot. Guetterman was in double figures in scoring with 14 points to go along with four rebounds and two assists.

In all, the Wildcats were able to take care of the ball as they committed just five turnovers on the night, but they just couldn't get the shots to fall.

"Weston played with confidence out

there,” Pfannenstiel said. “He has the ball in his hand a little bit more this year as last year he was more off an off-guard. This is more of a natural spot for him and he does a good job of controlling the tempo of the game for us.

“I thought we did a great job of taking care of the ball and we didn’t have many turnovers. We only had like (five) turnovers for the game and we normally have that in the first quarter. That has to be a record in my three years here. That was nice to see.”

Louisburg will try and bounce back to get its first win tonight when it travels to face off with Burlington. Tipoff is set for approximately 7:30 p.m.

Young Wildcats excited for opportunity in upcoming season

Senior Michael Waldron is one of two returning starters for the Louisburg boys basketball team this season. The Wildcats open play tomorrow in Tonganoxie.

Whenever you play in one of the state's most difficult leagues, including one that features the defending state champion, the season is always going to be a challenging one.

Louisburg is well-aware of that fact, but it doesn't make it any easier when it has to replace its leading scorer from a season ago. The Wildcats had to say goodbye to four seniors, all who played big roles on last season's team that finished with a 9-11 record.

The Wildcats may be young in age, but head coach Ty Pfannenstiel is excited for what he has coming back as they enter the 2019-20 season.

"I'm very proud of this group of kids for the work that they've put in," Pfannenstiel said. "We had our best off-season yet. Our summer weight room and

basketball workout attendance was outstanding top to bottom. We have guys that look a lot different this year because they have really developed.

“Our expectations are extremely high, not because we are just saying it, but because they’ve invested so much time into what it takes to be successful. Actions speak louder than words. We’ve had a great first two weeks of practice. Our practices have been extremely competitive because we have so much depth this year. There’s just a lot of focus with this group.”

Louisburg returns two starters from a season ago in junior point guard Weston Guetterman, along with senior wing player Michael Waldron. Fellow junior Ben Guetterman will take over the other guard spot after seeing a lot of varsity time a year ago.

Senior Garrett Rolofson will see a lot of time at the center position, while sophomore Julian Margrave will also get the start as he is one of the team’s best shooters and earned varsity playing time halfway through his freshman season.

“We lost a lot of experience with last year’s group, but that’s what almost every program experiences,” Pfannenstiel said. “We return two starters from last year. Weston was a starting guard for us last year and will be our point guard this year. Michael was a starter by the end of the year last year and we will expect big things from him this year. Garrett had a great summer and will be a big factor for us inside and

on the glass.

“Ben gave us some quality minutes last year and we hope the varsity experience he gained will give him confidence this year. Julian saw significant varsity time last year which is uncommon for a freshman. We expect him to take another step forward this year as a sophomore.”

Junior Weston Guetterman returns to lead the Wildcats at the point guard spot this season.

Even with that, the Wildcats still have a lot depth on their bench.

Junior Konnor Vohs and sophomore Maverick Rockers will see time at

the guard spot,
while juniors Connor Koesser and Charlie Peters will compete
for time in the
post. Juniors Andy Hupp and Dawson Barnes could also see at
both the guard and
forward spots.

Junior

Trevin Lohse, along with sophomores Michael Seuferling, Carson
Kern and Isaac
Guetterman, will also compete for varsity time this season.

“Our junior class is really deep,”

Pfannenstiel said. “I think they all have an opportunity to
see time this
year. It really is going to come down to who is making an
impact in
practice and playing well in the JV games.”

Louisburg

begins its season Friday when it travels to Tonganoxie in
Frontier League play –
a league that features a returning state champion in Piper and
another state
qualifier in Bonner Springs. The Wildcats know their schedule
will be a
challenge all season, but they are looking forward to the task
ahead.

“I

think the Frontier League is always going to be tough,”
Pfannenstiel said. “Every
night is going to demand your best. We finished in the middle
of the pack
last year in the league. We obviously want to be in the top
tier of the
Frontier League this year. If you finish in the top tier in
this league,

you've had a heck of a season. We are going to take it one game at a time.

There will be no looking ahead on the schedule. Right now, we are focused on Tonganoxie."

No matter what transpires, Pfannenstiel is proud of the work his team has put in to get to this point. Whether it was workouts in the summer, or through the first three weeks of practice, he has seen them grow since the end of last season.

"This team is extremely coachable," he said. "They pick up on things really quick. We are so much farther ahead than we've ever been in my three years. I think we have a chance to be effective offensively. We should be able to score from all five positions on the court. Our off-season shooting workouts have developed our kids into scorers. We want our kids to be confident shooting the ball and the only way to gain that confidence is to see the ball go through the hoop. Now the question is, can our shooting development carry over when the lights are on and somebody in an opposing jersey is guarding us?"

"I think we have to make the biggest strides defensively. We lost some tough, physical kids from last year's team, so we are going to have to develop an

attitude on the defensive side of the ball and on the boards. The main thing that I like about this group is, not only are they good ball players, but they are even better kids. I am so proud for these kids to represent this school and this community."

KSHSAA releases classifications for 2019-20 school year

The Kansas State High School Activities Association released its classifications for the 2019-20 school year, along with the football classifications for the 2020-21 and 2021-22 seasons.

There were a few changes in both areas, but more so on the football side.

Football classifications are determined based on enrollment figures in ninth, 10th and 11th grade. Louisburg is still in 4A with 432 students and is toward the lower half of the classification.

Entering Class 4A beginning in the 2020 school year will be

St. James Academy, Lansing and Great Bend, who have all moved down from Class 5A. Wamego also made the jump back in from Class 3A.

Goddard, Pittsburg and Spring Hill all saw their enrollment grow and will be moving up from 4A to 5A next year. Baldwin

saw their enrollment decline and will move down to Class 3A in football the next two years.

In the rest of the sports, not much changed with regards to Class 4A for this year.

Harding excited for opportunity with Pitt State basketball

Grant Harding drives to the basket during his senior season with Louisburg in 2017. Harding committed to play basketball at Pittsburg State after two years with the Hesston College program.

When Grant Harding signed with Hesston College to play basketball more than two years ago, he hoped to use it as a stepping stone to something bigger.

Harding certainly made the most of his opportunity in his two years with the Larks and it paid off in a big way.

The 2017 Louisburg graduate was offered a spot on the Pittsburg State University basketball team and Harding jumped at the

opportunity when he committed to the team in May.

"I am very excited to have the opportunity to play Division II basketball," Harding said. "The competition at this level is incredible and being able to compete with some great athletes is something that I really look forward to."

"The decision to go to Pitt State was an easy one once I visited and got the chance to meet coach (Kim) Anderson and experience what an athlete at Pitt is all about."

Harding, who will enter Pitt State as a junior both athletically and academically, will have the opportunity to play for an experienced head coach. Anderson was previously the head coach at the University of Missouri and he also won a Division II national championship at the University of Central Missouri before that.

Anderson is currently in his second year with the Gorilla program and Harding is excited to be a part of what Anderson is trying to build down at Pitt.

"Coach Anderson has plans for me to further develop my game in these next two years," Harding said. "I am expected to come in and compete for playing time and impact the team any way I can. He likes how I am a versatile player and views me as a mismatch at different positions."

"I just have a ton of respect for Coach Anderson and all he has accomplished during his coach career. I believe

there is something special happening with Pitt State basketball under his leadership. Pitt State has great facilities for all their athletes and they have a really unique teaching program and coaching experience opportunities.”

Harding had good final season at Hesston as the Larks competed in the Kansas Jayhawk Community College Conference. In 28 games, Harding averaged 14 points a contest to go along with seven rebounds a game as a guard/forward.

He believes his time with the Hesston program was pivotal in his career and he is thankful for what he learned in the last two years.

“I had a great experience at Hesston,” Harding said. “Off the court, I grew tremendously and met some lifelong friends. On the court, I got a lot of experience at the college level and played against some tough competition. Coach (Dustin) Galyon really prepares his players for the next step both on and off the court.”

Harding, who was an all-league player for the Wildcats and helped Louisburg to its last state appearance in 2017, is ready to see how his basketball journey ends at Pitt State.

“My goals for next year are to continue on a good path towards graduation in on time with good grades, and to

just be the best teammate I can be. I just want to be someone who competes and works hard every day and see where that takes my final years of playing basketball.”

Stiles, Lohse, Burk and Bowes to be inducted into LHS Hall of Fame

Dennis Stiles (top left), John Lohse (top right), Jason Burk (bottom left) and Krystal (Bowes) Grojean will be inducted into the Louisburg High School Athletic Hall of Fame this fall.

It has been 11 years since Louisburg High School had inducted a class into its athletic hall of fame, but the wait for a new class is finally over.

The USD 416 Endowment Association, which oversees the LHS Athletic Hall of Fame, has announced a new 4-member class. Dennis Stiles (Class of 1969), John Lohse (1995), Jason Burk (1999) and Krystal (Bowes) Grojean (2001) were the top four vote getters in this year's hall of fame voting and will be honored in an induction ceremony sometime this fall.

“Louisburg has a history of great athletes,” said Damon Dennis, a USD 416 Endowment Association board member. “We had a good cross-section of both young and older voters this year that really took their job seriously. The four athletes chosen represent several generations of former Wildcats and each one were dominant in their particular era and sports. The Endowment Association is excited to get the Hall of Fame going again and plan on some big things in the future.”

More than two dozen voters, that includes current members of the hall of fame, long-time Louisburg residents, teachers and coaches, voted on the class in June. Each voter was asked to submit their top four choices for the hall and votes were then tabulated.

To be eligible for the hall of fame, the inductee must wait at least 10 years following graduation to be nominated.

The last class that was inducted was in 2008 and Dennis, and the rest of the Endowment Association, is committed to making this a yearly occurrence moving forward.

Here
are the accomplishments of each of the newest hall of fame inductees. Look for
more information on an induction ceremony in the coming weeks.

DeShazer excited for opportunity with Avila basketball

Louisburg senior Dylan DeShazer will continue his basketball career next season at Avila University as he signed a letter of intent with the Eagles on April 3.

Dylan DeShazer has been playing basketball for most of his young life, and with college in his near-future, he wasn't ready to leave it behind just yet.

In fact, playing collegiate basketball has always been a goal of DeShazer's and he found the perfect opportunity for him. On April 3, DeShazer made his decision known in front of family and friends during a signing ceremony at Louisburg High School.

DeShazer signed his letter of intent to play basketball at Avila University and he is excited to take the next step in his journey with the Eagle program.

"It is definitely a big step," DeShazer said. "It is a little scary, but it is exciting too

because I get a chance to go to a different place, meet new people and do what I love, which is playing basketball.

“Playing college basketball has been a big goal for me for a long time. Now that it is actually happening, it is just awesome. It really is an undecribeable feeling and am looking forward to getting started.

The Louisburg senior started most of the season for the Wildcat program and averaged eight points and five rebounds in 22 minutes a contest. DeShazer, who stands at 6 feet, 5 inches, played a lot under the basket for the Wildcats and will have a similar role next season with Avila.

“They see me as a big man that can play in and out, but mostly working inside,” DeShazer said. “He said he really wants someone that will work hard and go all out for the team and I think that I am that person.”

Dylan DeShazer recently signed his letter of intent to play basketball at Avila University. Sitting next to Dylan are his parents Dennis DeShazer and Amy Goode. Standing (from left) is Louisburg head coach Ty Pfannenstiel and Avila head coach Bill Sloan.

Avila is an NAIA program in Kansas City, Mo., and is currently a member of the Kansas Collegiate Athletic Conference. Although the Eagles struggled last season, DeShazer is excited for the opportunity to fit in with the program, and the school.

"I did like how small and convenient it was," he said. "They definitely have a good program and I have watched them for a while. They have a friendly environment and something I wanted to be a part of."

"I just want to get comfortable and get to know people. I would like to get a good amount of

playing time, but really I want to just go and improve my skills.”

DeShazer had his best game of the season in the Wildcats’ final game of the year in the sub-state tournament as he scored a game-high 16 points and pulled down seven rebounds against Anderson County.

He was a part of a Louisburg senior class that helped turn around a program that had two wins a year ago and helped the Wildcats to a 9-12 record. DeShazer’s four years with the program was a special time for him.

“It really hasn’t sunk in yet,” DeShazer said of his high school career coming to a close.

“I can’t even remember all these experiences the last four years because I have had so many, but the stuff I do remember will stick with me forever. It was a good experience for sure.”

Vogel earns honorable mention all-league honors

Louisburg senior Kohl Vogel was selected to the All-Frontier League team recently after leading the Wildcats in scoring with 14 points per game.

The Frontier League provided a lot of challenges throughout the season and the Louisburg boys basketball team was well aware of its difficulties.

Louisburg had to navigate through some rough waters that included the eventual Class 4A state champion in Piper and another Class 5A state qualifier in Bonner Springs. Still, a few Wildcat players left impressions on the league coaches, including one in particular.

Senior Kohl Vogel, Louisburg's leading scorer, was the lone Wildcat to earn all-league honors as he was selected to the honorable mention team.

Piper and Bonner Springs led the way with six of the league's top 10 players, and Piper led all league schools with five selections overall.

"The Frontier League was loaded with talent this year, so I knew it was going to be very competitive on the all-league voting," Louisburg coach Ty Pfannenstiel said. "When you add three extra teams to the league (Piper, Bonner Springs and Tonganoxie), that narrows down the

number of post season honors. Piper and Bonner alone had 6 players on the first and second team, so that goes to show you how tough it was going to be to land on that list. Kohl missed out on second team by one vote."

Vogel was a big part of the Wildcats' offense as he led the team with nearly 14 points per game. The Louisburg senior also played well defensively as he finished with a team-high 2.2 steals a game to go along with four rebounds.

"I really thought Kohl had a good enough season to receive a second team honor, but it just didn't quite work out," Pfannenstiel said. "He should be very proud of his honorable mention honor. Kohl had a great year for us. He started off the year very hot, having some big time scoring games.

"Kohl was a big spark for us both offensively and defensively. He definitely led us offensively, but was great for us defensively as well. His aggressiveness at the top of our press and zone really gave teams trouble. I was very proud of Kohl's effort this year. He's got a motor on the basketball court that doesn't stop."

Bonner Springs led the way with two first team selections in seniors Keyon Thomas and A.J. Watson. Spring Hill senior Brennen Feeback, Ottawa junior Koby Johnson and Piper sophomore Tamar Bates rounded out the first team.

Wildcats' season comes to close with loss to Anderson County

Louisburg senior Dylan DeShazer goes up for a shot Wednesday during the Class 4A sub-state semifinal game at Anderson County High School. DeShazer scored a team-high 16 points in the Wildcats' 57-35 loss to Anderson County.

GARNETT – After a close first half during Wednesday's Class 4A sub-state semifinal, the Louisburg boys basketball team was just 16 minutes from a shot at the sub-state championship game.

Louisburg, the No. 13 seed, trailed No. 4 Anderson County by just one point at halftime, but the second half provided a much different story – one that wasn't a happy ending for Louisburg.

The Wildcats scored just 10 second half points and watched as

Anderson County ended their season with a 57-35 loss at Anderson County High School.

Much of the game was decided from behind the 3-point line where the Bulldogs thrived with a 9-for-16 performance and the Wildcats were just 2-for-18 and shot just 30 percent for the game.

“That was the difference in the game,” Louisburg coach Ty Pfannenstiel said. “It was just a cold night for us.

We shot too many 3’s probably in the first half and should have looked to get the ball inside more. It wasn’t that they went on a big, fast run, it was just more methodical and we just couldn’t find a way to score. They just slowly stretched their lead and that is how the game goes sometimes.”

The two teams were involved in a close game back in December when the Wildcats traveled to Garnett and lost an 80-74 game in overtime.

Louisburg did better defensively this time around, but the Wildcats couldn’t get the offense to follow suit. Louisburg trailed 26-25 at halftime, but Anderson County knocked down several shots in the third quarter that led to a 19-6 run.

The Wildcats (9-12) had a tough time containing Anderson County senior Justin Rockers as he knocked down three 3-pointers during that stretch and made six overall. Rockers also scored a game-high 20 points and was one of three Bulldogs to score in double figures.

“Our guys were confident coming into the game and we knew this was a great opportunity for us,” Pfannenstiel said. “We were

excited about coming back to Anderson County because we knew we had a shot. If we said going in that we would hold them to 57 points, I thought we would win because they are a high-flying team that really pushes the ball. We controlled the tempo for a while, but we just couldn't score, especially in the second half.

"I was frustrated the very first possession because our game plan was to know where (Carter Powelson) and (Kass Allnutt) are and also know where (Rockers) is because if he gets his feet set he is going to hit it. We let Rockers get a wide open look on the first possession of the game and he knocked it down. He had a big night and we knew he was capable of that. Despite that, we played good enough defensively but we just couldn't score."

Louisburg senior Kohl Vogel drives to the basket Wednesday against Anderson County.

Louisburg senior Dylan DeShazer didn't have a problem scoring as he put together one of his best efforts of the season. DeShazer finished with a game-high 16 points to go along with seven rebounds and was the lone Wildcat to score in double figures.

Senior Brayden Gage was next on the team in scoring with six points and junior Madden Rutherford led the Wildcats with nine rebounds.

"Dylan was really good," Pfannenstiel said. "He was tough in there and he was really smooth and confident shooting the ball. He had a big game for us and he almost

single-handedly kept us in the game there in the first half. Every time they went on a little run he made some big shots and I was proud of him.”

Although the Wildcats saw their season come to a close, they saw a big improvement from a year ago, including in the win column as they jumped from two last season to nine this year.

It also marked the final game for Wildcat seniors Kohl Vogel, Noah Hill, Gage and DeShazer and Pfannenstiel appreciates what they gave to the program.

“I was very proud of what we have done,” he said. “Our league was just incredible this year. When you add Piper and Bonner Springs, two of the best teams in the state, that just added to our schedule. The Frontier League is just a beast night in and night out. We thought we could get a winning record, which was our goal, but we were close to getting there. Wins and losses aren’t the only deciding factor in moving our program forward.

“I told our kids that it starts during the summer with all the workouts that they did. We did shooting workouts five days a week for the first month-and-a-half of summer because we need to develop as shooters. I knew it would be popular at first, but figured numbers would drop off as the summer went on, but every day I flipped on the lights and there were 20 dudes there waiting on me. That got me excited because I knew they cared about getting better and they had all bought in. The work ethic and leadership that these seniors displayed is going to carry on for a long time, a lot more than the wins

and losses.”
