Wildcats snap losing skid with win over Bishop Ward

Louisburg junior Brayden Gage drives to the basket on Friday during the Wildcats' consolation semifinal game against Harmon at the Baldwin Invitational Tournament. The Wildcats took seventh place Saturday with a 70-42 win over Bishop Ward.

BALDWIN CITY – The Louisburg boys basketball team was staring a ninth straight loss in the face Saturday when it faced off with Bishop Ward.

If the Wildcats wanted to break the streak, they were going to have to do it without senior starter Dalton Ribordy. who had to sit out with an injury. Louisburg held a slim 3-point lead at halftime against Ward in the seventh-place game of the Baldwin Invitational.

Louisburg had a tough time getting in any kind of rhythm offensively. So in the second half, the Wildcats let their defense do the work.

The Wildcats turned over Bishop Ward several times in the final two quarters and turned that into instant offense in their 70-42 win over the Cyclones, and broke their long losing streak in the process.

"Our defense was better in the second half, no doubt," Louisburg coach Ty Pfannenstiel said. "Ward didn't shoot the

ball well in the second half and we were very good on the defensive glass. A lot of that had to do with our triangle-and-2 look we threw at them. We did a good job of getting buckets in transition and then when we got into a half court set, we were patient and worked the ball inside. I was pleased with the way we played in the second half."

With Ribordy out of the lineup, Pfannenstiel was looking for someone else to replace that void and he found it in Ben Minster. The Louisburg senior was all over the floor for the Wildcats as he finished with a game-high 24 points.

Along with his scoring punch, Minster also did it on the glass with a team-high six rebounds and on the defensive end with team-best six steals.

"Dalton is one of our leaders, so not having him out there was a concern," Pfannenstiel said. "He's our best rebounder and low post defender so we had to have some other guys step up for us. Ben played with a lot of energy and provided a spark offensively and defensively. He played with a different energy this week. He was aggressive on both ends and kept attacking. He's an explosive player and needs to continue to play with that mentality from here on out."

Louisburg (2-10) held a 25-22 halftime lead over Bishop Ward, but Pfannenstiel wanted to change things up in order to spark his team. He decided to employ a triangle-and-2 defense in hopes of confusing Ward.

It seemed to work.

The Wildcats forced 28 Bishop Ward turnovers and scored 23 points off those Cyclone mistakes, which gave them the spark they were looking for. Louisburg recorded 18 steals and were able to score 17 points in transition.

Senior Dalton Ribordy goes up for two of his 12 points Friday against Harmon.

They were also able to hold Bishop Ward leading scorer Clarence Johnson in check in the second half. Johnson, who scored a team-high 16 points, scored most of those in the first half.

“Our defense did a good job of executing in the second half,” Pfannenstiel said. “We went some triangle-and-2 to try and get them out of an offensive rhythm. We did a great job of keeping the ball out of the hands of No. 4 (Johnson). He was a really good player and we were able to make him work harder in the second half.”

Senior starter Desmond Doles gave the Wildcats a big boost himself as he scored in double figures with 12 points and four steals on defense. Junior Kohl Vogel scored nine points and

had five rebounds to go along with four steals.

Junior Dylan DeShazer added eight points and five rebounds, while sophomore Madden Rutherford finished with six points and five boards. Senior Parker Perentis added three steals on defense.

“It’s taken us awhile, but I think we are finally playing to our strengths as a team,” Pfannenstiel said. “We have to continue to focus on the things that we do well and capitalize on those moments in games.”

Louisburg returns to action Thursday when it travels to Spring Hill in hopes of getting its second straight win. Tipoff is set for 7:30 p.m.

Louisburg falls to Bonner Springs, Harmon to open tournament

Louisburg had a difficult first-round matchup in the Baldwin Invitational on Wednesday when it faced off with Bonner Springs, the state’s No. 3-ranked team in Class 4A-Division I.

The Wildcats fell to the Braves 75-43, but had a chance to rebound in the consolation semifinals Friday against Harmon. Despite a furious fourth quarter rally, the Wildcats came up short, 64-56.

Against Harmon, the Wildcats trailed by 18 points early in the fourth quarter, but they eventually whittled the lead. Louisburg went on a 17-0 run to cut the lead to one, but couldn’t get over the hump.

Louisburg used full-court pressure to speed up Harmon and those turned into turnovers and easy baskets for the Wildcats.

“We played with a different intensity in the fourth quarter,” Pfannenstiel said. “Our kids have to realize that when we play with that type of intensity and focus, we can be pretty good.”

Ben Minster led Louisburg in scoring with 20 points and Dalton Ribordy added 12 in the loss. Ribordy had to leave the game in the second half with an ankle injury and didn’t return.

Junior guard Brayden Gage finished with nine points and three assists, while Desmond Doles brought down six rebounds. Doles also led Louisburg in scoring with 13 points in the loss to Bonner Springs.

De Soto’s fast start helps down Louisburg boys

Louisburg junior Dylan DeShazer stretches out for a rebound Friday at De Soto High School. De Soto connected on seven first half 3-pointers on its way to a 65-48 win over the Wildcats.

DE SOTO – It became apparent early on that there wasn’t much that Louisburg could do to stop De Soto offensively.

De Soto connected on seven 3-pointers in the first half alone, and Louisburg couldn’t keep up in a 65-48 loss Friday at De Soto High School. It marked another loss on the Wildcats’

resume, but it was the best offensive performance Louisburg has gone against in its first nine games.

“They can really shoot it,” Louisburg coach Ty Pfannenstiel said of De Soto. “Their guards are really good and we knew that coming in. This time they were hot and that is a good basketball team we just played. They move without the basketball very well, they are very unselfish and very patient. It is all good qualities you want to see in a team and we can learn from that. I am trying to gain some of those characteristics that they have. They had a very good shooting night though.”

On the night, De Soto finished with nine 3-pointers and shot 43 percent from the field, compared to just 33 percent for Louisburg. The Wildcats struggled to get much going offensively, but were able to slow down De Soto for a few minute stretch in the second half.

The two teams were basically even on the scoreboard in the second half, but Louisburg couldn’t overcome De Soto’s 35-19 lead at halftime.

“We went a little zone, and that slowed them down at least a little bit for a few possessions, and then they figured it out,” Pfannenstiel said. “The problems with zones, especially with a team like us that doesn’t play it very much, is you can kind of get lethargic. A team that can shoot the ball like that, it doesn’t really matter if you go man or zone.”

Louisburg had a pair of players score in double figures as senior Ben Minster led the way with 11 points and fellow senior Justin Sievert added 10 points and a team-high seven rebounds.

Sophomore Madden Rutherford drives around a De Soto player toward the basket Friday in De Soto.

Senior Desmond Doles finished with nine points in the loss, while junior Brayden Gage and senior Dalton Ribordy each scored six. Ribordy also pulled down six rebounds.

“We were better offensively in the second half and started working the ball inside more, but we have to find a way to get the ball into the basket,” Pfannenstiel said. “I think a lot of that is sharing the ball more. I think sometimes we try to do a little too much 1-on-1 stuff and we could get easier looks at the basket if we do a better job of cutting and moving without the basketball.”

Although Louisburg was never within striking distance of a win, Pfannenstiel was still able to learn some things about his team.

“It was a good environment,” he said. “A couple of our guys got knocked around a little bit and that kind of sparked our guys. But it shouldn’t take us getting run over to spark that warrior mentality that it takes to compete every possession. I did see that we do have that side of us, which is good, but we have to do that every single possession. That is what it is going to take in this league because everyone in this league is good.”

The Wildcats will try and get on the winning track this week when they take part in the Baldwin Invitational Tournament beginning on Tuesday. Louisburg, which is the No. 7 seed, will face No. 2 Bonner Springs at 7 p.m., Tuesday.

The Wildcats will play again Friday and Saturday with times to be announced.

Wildcats can’t keep up with

Frontenac in road loss

Louisburg junior Kohl Vogel puts up a 3-pointer late in the game Tuesday at Frontenac High School. The Wildcats came up short in a 60-47 loss to the Raiders.

FRONTENAC – Like most outings this season, the Louisburg boys basketball team got off to a great start offensively during Tuesday's road contest in Frontenac.

And just like those other outings, the Wildcats had a tough time sustaining its momentum. Louisburg couldn't stay with Frontenac thanks to a four-point third quarter in a 60-47 loss to the Raiders.

"Our guys are playing hard, but we have to place more of an emphasis on playing hard each and every possession," Louisburg coach Ty Pfannenstiel said. "There were key times in the game where we got out hustled. Every possession is important, and that's something we are learning and trying to build on."

Louisburg (1-7) got out to a great start offensively in the first quarter as it took a 19-15 lead following a 3-pointer Justin Sievert. In the final 10 seconds of the frame, Frontenac scored four straight points to tie the game and used that momentum to build a 39-30 lead at halftime.

Frontenac shot 50 percent from the field for the game and knocked down seven 3-pointers on the night. The Raiders also forced 21 Louisburg turnovers and turned those into 24 points.

Senior Justin Sievert puts up a shot in the lane Tuesday at Frontenac.

Despite outscoring Frontenac in the fourth quarter, it wasn't enough for the Wildcats as they managed just four points in the third quarter and trailed by as many as 17 points at one time.

Sievert and junior Dylan DeShazer led Louisburg in scoring with nine points each and DeShazer pulled down five rebounds.

Senior Ben Minster finished with eight points and had a team-high four steals, while junior Brayden Gage and senior Dalton Ribordy each tallied seven. Ribordy led Louisburg with seven rebounds on the night.

Louisburg will try and snap its five-game losing streak Friday when it travels to De Soto. Tipoff is set for approximately 7:30 p.m.

Despite fast start, Wildcats fall to Baldwin

Louisburg senior Desmond Doles drives to the basket Thursday during the Wildcats' 54-52 home loss to Baldwin. Doles finished the game with eight points and three steals.

The Louisburg boys basketball team couldn't have asked for a better start in its first game back from the holidays.

The Wildcats were looking to snap a 3-game losing streak Thursday when they hosted Baldwin. They were well on their way to doing that as they scored 23 points in the first quarter and built a double-digit lead.

Everything was going as planned – that is until the second quarter.

Louisburg's offense cooled off in the final three periods and Baldwin took advantage to pull out a 54-52 win over the Wildcats.

"It is tough because it is a home game and it would have been good for our guys to get a win just to show that we have made progress," Louisburg coach Ty Pfannenstiel said. "I do feel that we are getting better and our guys could have used a win, but you don't just get wins, you have to earn them. Baldwin just made more plays than us. I think we can build from this.

"I feel a lot more positive about this than maybe I have in some of our other games and I thought we fought hard for four quarters. We did some good things, especially coming off of break."

Louisburg (1-6) used a 10-0 run to get going in the first quarter, thanks to baskets from five different players in Desmond Doles, Justin Sievert, Dylan DeShazer, Ben Minster and Brayden Gage. Ben Minster and Dalton Ribordy added a pair of baskets later and Louisburg had a 17-6 advantage.

Senior Ben Minster drives in for a layup Thursday against Baldwin.

The Wildcats were up by 10 to start the second quarter, but the Bulldogs whittled away at the Louisburg lead. Louisburg took a 31-26 advantage into halftime, but Baldwin jumped out to a 9-2 run to start the second half and eventually grabbed the lead midway through the third quarter.

Baldwin never relinquished it, but the Wildcats did make it interesting. Down by three with just over two minutes left in the contest, Minster stole a Baldwin pass and scored to cut the Bulldog lead to one.

Fouls became a problem for Louisburg in the fourth quarter, but in a different way. The Wildcats didn’t commit a team foul until under two minutes left in the game, which meant they had to foul Baldwin several times to get up to seven team fouls to put Baldwin on the free-throw line.

Louisburg got the ball back on a few different occasions to either tie the game or take the lead, but its shots couldn’t find the bottom of the net. Baldwin led by five with under three seconds left, when Sievert hit the Wildcats’ lone 3-pointer of the game to cut it to two, but Louisburg couldn’t get another opportunity.

“The second quarter was kind of tough because we gave them some life by not scoring for a while,” Pfannenstiel said. “We scored 23 in the first quarter and I said something about that to the guys in the huddle and I probably shouldn’t have because I think that jinxed us. Right after that, we struggled to score and gave them some momentum.

“(Baldwin) knocked down some shots and made a few more plays. We stress how important every possession is, offensively and defensively, because you never know. We lost by two points and if we just make a couple more plays that could have made a difference.”

Ribordy led Louisburg with 12 points to go along with three blocks, while Minster also scored in double figures with 10. Doles finished with eight points and a team-high three steals. DeShazer added a team-high six rebounds.

Louisburg will try and bounce back Tuesday when it travels to Frontenac. The Wildcats will hit the road again Friday when it goes to De Soto.

OPINION: 2017 was a banner year for Louisburg

Having the opportunity to cover Louisburg High School athletics, for what has been almost 10 years now, I have seen a lot of different highs and lows.

I have been lucky enough to cover state championship teams and watched several athletes perform at the highest level. However, this last year has to be one for the record books when it comes to success at Louisburg High School.

For Wildcat athletics, 2017 was a banner year for many reasons.

Louisburg qualified for the state tournament in three different sports – volleyball, girls soccer and boys basketball – and the first two each placed in the top four.

The volleyball team was just a point away from winning the school's first state title after the Lady Cats finished second to defending state champion Rose Hill, and tied for the best finish in school history.

The Wildcat girls soccer team qualified for the state semifinals in just its second year of existence and suffered a heartbreaking 1-0 loss in the semifinals to eventually take fourth overall.

In boys basketball, the Wildcats qualified for the state tournament for the first time in 12 years despite getting knocked out in the first round by defending state champion Bishop Miege.

Most schools would love to have that success with their athletic programs, but for Louisburg, that was just the tip of the iceberg. As special as the seasons were for those three programs, the Wildcats also thrived in a few other sports.

Louisburg's cross country program, which has been around for 19 years, had the best season in its history – by far. Not only did the Wildcats have three state medalists for the first time ever, but it had a year that featured the school's first female league champion in Trinity Moore and the best league finish by a male, Wyatt Reece, who took second.

Tim Smith continued the Wildcat success as he became the school's first regional cross country champion, and Moore, Reece and Smith each went on to win a state medal. Moore and Smith also set school records for the fastest time.

The Wildcats also qualified the girls team for the first time in school history as Moore, Carlee Gassman, Reilly Alexander, Isabelle Holtzen, Kaitlyn Lewer, Payton Shaffer and Emily Williams took third at regionals and eventually 10th at state.

The Wildcat wrestling team tied a program best by qualifying eight for the state tournament and came back with a medal by Ryan Adams, who finished sixth.

Louisburg's track and field team persevered and qualified for state in 10 events and had two regional champions in Quinn Rigney and Chris Williams. Isabelle Holtzen and T.J. Dover

each brought home their first state track medals.

The boys soccer team was one goal away from making its second consecutive trip to the state semifinals, but their run was halted by a loss to McPherson in state quarterfinals. Still, the Wildcats won a regional title, which was the seventh in team history.

Freshman Calvin Dillon led the Wildcat golf team this past year and recorded the program's first state medal in more than decade as he took 10th overall.

All these things and more I described in detail when releasing my top 10 stories of the year and what a year it was.

Obviously, I haven't had a chance to look through all the results, but I can't imagine a more successful year for LHS when you are talking about athletics. There may have been years in the 70s, 80s and 90s that I don't know about, but I find it hard to imagine one that tops 2017.

Sure, the 2010-11 school year featured two state championship teams in football and boys track and field and that was a fantastic time to be Wildcat, but as far as calendar years go, 2017 was one to remember.

Even outside the sports world, Louisburg High School put together many great accomplishments as the Wildcat Marching Band was selected to participate in the Tournament of Roses Parade and put on a great show for the nation on New Year's Day.

Then in October, the FFA Food Science team of Hallie Hutsell, Faith Seuferling, Addie Katzer and Hattie Harris won a national championship, while Hutsell and Seuferling placed second and third in the nation, respectively.

I don't get a lot of opportunities to cover programs or groups outside the sports world, but these are fantastic

accomplishments and deserved to be recognized.

For me, 2017 was a whirlwind. It seemed around every corner, school history was being made and there aren't many schools around the state that can boast about the successes Louisburg has experienced.

It was an honor for me to cover many of these historic runs in Wildcat history and I hope you all realize how lucky you have it. Louisburg is a school filled with great coaches who care about the student athletes.

Believe me, I know how fortunate I am to be able to be a part of something special and this place is it. If 2018 is half of what 2017 was, it will be a fun ride.

I can't wait for what 2018 has in store and hopefully you all will follow along to see what these Wildcats can accomplish.

Top 10 Stories of 2017

It was a successful, and eventful, 2017 for Louisburg High School athletics and for those who are connected to the Wildcat program. This past year created a lot of school history for LHS and several programs brought back state hardware to Louisburg.

Below are the Top 10 stories from 2017, along with a brief

explanation of each. Included in the explanation is the link to the actual story from the event.

This year was a blast to cover and I was blessed to have the opportunity to go along for the ride with many of these. As much fun as it was, I can't wait for 2018 to begin. Looking forward to it!

Louisburg's Calvin Dillon earns his first state golf medal as a freshman as he took 10th at the state meet.

10. Dillon medals at state golf

Louisburg freshman Calvin Dillon certainly didn't play like a first-year varsity player as he led the Wildcat golf team all season. Dillon finished 10th at the Class 4A state tournament in Wamego and became the first Wildcat golfer to earn a state medal in several years.

Dillon made the state tournament alongside senior Ty Martin,

who finished in 28th place overall after he earned his second straight state appearance.

Isabelle Holtzen earned her first state medal in the pole vault as she took seventh back in May.

9. Holtzen, Dover earn first state track medals

T.J. Dover finished eighth in the discus at the Class 4A Kansas State Track and Field Championships in Wichita.

Junior Isabelle Holtzen and senior T.J. Dover both ended their track and field seasons on a good note as they earned state medals in late May at the Class 4A state meet in Wichita.

Holtzen had a big season in the pole vault as she ended seventh in the state after she cleared 10 feet. Earlier in the year, Holtzen broke a 15-year old school record in the pole vault as she topped 11-1.

Dover made his second consecutive trip to the state meet and finished strong in his final high school performance. He took eighth with a throw of 143-4.

The Wildcats qualified for the state meet in 10 events and had two regional champions in junior Quinn Rigney (100-meter dash) and sophomore Chris Williams (400 dash).

8. Frontier League adds three schools, says goodbye to another

For the Frontier League, 2017 brought a lot of changes to a league that has featured seven schools for the last several years.

Starting in the 2018-19 season, the Frontier League will add three new schools. Piper, Tonganoxie and Bonner Springs each accepted invitations to join the league last April to create a 10-team league.

It is didn’t stay 10 teams for long as De Soto will make the move to a different league during the same season. The current league will be made up of nine schools: Louisburg, Paola, Ottawa, Spring Hill, Baldwin, Eudora, Piper, Tonganoxie and Bonner Springs.

7. Louisburg boys soccer wins regional crown

The Louisburg High School boys soccer team was trying to make its second consecutive trip to the state tournament this past season and the Wildcats almost got there.

Although the Wildcats fell to McPherson in the state quarterfinal game in late October, Louisburg put together another successful season that included a 1-0 victory over Independence in the regional championship game.

The Wildcats finished the season with a 13-6 record and earned the school’s first Frontier League championship since 2010.

Junior Ryan Adams celebrates after he earned a state medal at 138 pounds.

6. Wildcat wrestling qualifies eight for state, Adams picks up medal

The Louisburg High School wrestling team had an historic season as it qualified eight for the Class 4A state wrestling tournament, which tied for the most in school history, during the regional tournament in February at Frontenac High School

Thad Hendrix (106 pounds), Nathan Keegan (120), Kyle Allen (126), Ryan Adams (138), Dylan Meyer (145), Austin Moore (170), Austin Raetzel (195) and Mason Koechner (285) all competed at the state tournament in Salina.

Adams earned the school's lone state medal on the season as he finished sixth overall at 138 pounds.

Louisburg head football and boys track and field coach Gary Griffin retired from the district after 32 years. It was one of many changes for the LHS athletic department.

5. LHS goes through staff/coaching changes

The 2017-18 school year looked a lot of different than in previous years for Louisburg High School athletics.

LHS saw a lot of changes in its coaching staff and in the administration as well. Activities director Darin Gagnebin stepped down and was replaced by current director Jeremy Holloway.

In the coaching department, former head and assistant football Gary Griffin retired from the district after 32 years with the high school and Louisburg promoted assistant Robert Ebenstein

as the new Wildcat head football coach.

Jason Nelson resigned his post as the Wildcat head boys basketball coach and he was replaced with Ty Pfannenstiel. Griffin and Greg Darrington also resigned as the boys and girls track and field coaches, and were replaced by Andy Wright (boys) and John Reece (girls).

Louisburg cross country runners (from left) Tim Smith, Trinity Moore and Wyatt Reece each ended the season with a state medal.

4. LHS cross country earns three state medals, qualifies girls team

The Louisburg High School cross country team might have had

its best season in its 19-year history in 2017.

The Wildcats thrived against some of the state's best competition as seniors Wyatt Reece, Tim Smith and sophomore Trinity Moore all earned state medals at the Class 4A meet in Wamego.

Moore recorded the highest finish for a female runner in school history as she finished fifth in the state and broke her own school record in the process with a time of 19 minutes and 47 seconds.

In the boys race, Reece picked up his first state medal with a time of 17 minutes and finished 11th overall. Smith, who won a regional title the week before, came in 15th with a time of 17:05. Smith was the first Wildcat to win a regional title in school history.

Louisburg also made history as the Wildcat girls team qualified for the state meet for the first time after they finished third at their regional in Burlington. Moore joined Isabelle Holtzen, Reilly Alexander, Carlee Gassman, Kaitlyn Lewer, Payton Shaffer and Emily Williams to make up the seven-member squad that finished 10th in the team standings at state.

Earlier in the year, Moore became the school's first Frontier League champion, while Reece recorded the highest league finish in boys history as he took second at the league meet.

3. Louisburg boys basketball earns first state tournament berth in 12 years

The season may not have started out the way the Louisburg boys basketball team would have liked, but it certainly finished on a positive note.

Louisburg knocked off rival Paola in the sub-state semfinals and then defeated Fort Scott in the championship game in early March to earn its first sub-state championship since 2005.

The Wildcats earned the No. 6 seed and squared off with eventual champion Bishop Miege at the Class 4A state tournament in Salina. The Stags ended the Wildcats’ season with an 81-47 loss.

2. LHS girls soccer finishes fourth at state tournament

Louisburg’s girls soccer program has only been around for two years, but the Wildcats have set high expectations from the beginning and that continued in 2017.

The Wildcats advanced to the Class 4-1A state semifinals for the first time in school history as they defeated Piper with a 2-1 victory in overtime. This victory came off their second consecutive regional title as they knocked off Bonner Springs.

At the state tournament, Louisburg faced off with Thomas More Prep and suffered a heart-breaking 1-0 loss in the semifinals. The Wildcats moved on to the third-place game against Maize South and eventually finished fourth overall.

1. Lady Cat volleyball ends season as state runner-up

The Louisburg High School volleyball team was just one point away from not only becoming the school's first state volleyball champion – but also the first female team to win a state title in Louisburg history.

As close as the Lady Cats got, they came up just short against defending state champion Rose Hill in late October at the Class 4A-Division I state championship. Louisburg fell 23-25, 25-10 and 29-27 in heartbreaking fashion to finish as the state runner-up.

Still, it was an impressive season for Louisburg volleyball as it finished with a 34-10 record. The Lady Cats reeled off wins over Basehor-Linwood, Bishop Miege and Rose Hill in pool play and then downed Wellington in the state semifinals.

The Lady Cats received several accolades as junior Anna Dixon

and senior Sophie McMullen earned first team all-state and all-league honors. Dixon was also named as the Co-Player of the Year in Class 4A-Division I.

Junior Carson Buffington was also named to the all-state tournament team with Dixon and McMullen.

Wildcats can’t keep up with No. 4 Cyclones

Louisburg senior Ben Minster goes up for two of his 12 points during the Wildcats’ contest with Ottawa on Tuesday at Louisburg High School. The Wildcats fell to the No. 4-ranked Cyclones, 55-39.

Down by just two points at halftime to the No. 4-ranked team in the state, the Louisburg High School boys basketball team couldn’t have asked to be in a better position.

The Wildcats had an opportunity to pull off one of the bigger upsets of the early season against Ottawa and give themselves some momentum going into the holiday break.

Unfortunately for the Wildcats, the second half didn’t go as well as the first.

Ottawa held the Louisburg offense to just five points in the third quarter and the Wildcats couldn’t keep up with the Cyclones in a 55-39 loss.

“I thought the first half we were playing well, defensively and offensively,” Louisburg coach Ty Pfannenstiel said. “I thought we had a lot of energy, which I think is so important for us. The second half, for some reason, we didn’t have that energy. Ottawa came out fired up and got some buckets to go in. We got six possessions without a basket and we just looked deflated. That is the difference. We have to find ways to fight through that, and that is two games in a row where we have been flat in the second half.”

In the first quarter, Louisburg and Ottawa traded the lead five times before the Cyclones went up 14-11 going into the second quarter.

Louisburg junior Dylan DeShazer gave the Wildcats a lead early in the second on a 3-pointer, before the Cyclones took it back until late in the first half. Junior guard Brayden Gage hit a runner in the lane to put Louisburg up one with just more than a minute left before halftime.

Ottawa ended the second quarter with a 3-pointer to give the Cyclones a 24-22 advantage going into the locker room. Still, the Wildcats had the momentum on their side.

The second half turned out to be a different story. The Wildcats (1-5) watched as Ottawa opened the second half on an 11-2 run and Louisburg struggled to find success on the offensive end.

Senior Parker Perentis drives past an Ottawa defender Tuesday in Louisburg.

“We were patient on offense, especially in the first half,” Pfannenstiel said. “Then when we had a few possessions where we didn’t score in the second half, then we started going back to doing stuff on our own and standing around and watching other guys. I was disappointed in our body language when things weren’t going right for us.

“We just have to keep fighting no matter what the score is, we just have to keep fighting. We are not very good when we are not playing with energy, and we lost that in the second half.”

Ottawa started the fourth quarter on another big 11-3 run to put the game out of reach for the Wildcats and hand them their third straight loss.

Senior Ben Minster led the Wildcats in scoring with 12 points,

while senior Dalton Ribordy and Gage each finished with seven points.

Louisburg will try for a fresh start following the holiday break when it hosts Baldwin on Jan. 4. The Wildcats defeated Baldwin earlier in the season.

“Ottawa is a good team,” PfannenstieI said. “I think we proved we can play with those teams, but you can’t say you played with a team for a half – you have to play that kind of basketball for four quarters. We have to keep that fight and try and build that momentum. We have lots of work to do, but I don’t think we are that far away.”

Louisburg comeback falls short against Eudora

Louisburg senior Dalton Ribordy puts a up a shot in-between two Eudora defenders Tuesday at Eudora High School. Ribordy led the Wildcats with 13 points to go along with seven rebounds and six steals.

EUDORA – Things looked bleak for the Louisburg High School boys basketball team early in its Frontier League opener against Eudora.

Eudora jumped out to a 15-point lead in the first quarter before the Wildcats even had a chance to make a field goal. It had all makings of a game that was getting ready to get out of hand.

Instead, the Wildcats put together a big run of their own and eventually took a short lead late in the first half. However, Louisburg found itself in another big hole in the second half, and this time it couldn’t climb out of it in a 59-49 loss Tuesday in Eudora.

Despite the sebackt, Louisburg head coach Ty Pfannenstiel found a few positives to build on, including that big first half rally.

“I was really proud of them to be able to battle back from that,” Pfannenstiel said. “That was as slow of a start that we can have and we struggled to score. I told them that we were going to have to come back possession by possession and that we couldn’t get it all back at once. It starts on the defense end, and I thought that was really good to see.”

Louisburg (1-4) found itself down 17-2 to start the game before junior Kohl Vogel hit a 3-pointer for the Wildcats' first field goal of the game and senior Dalton Ribordy followed it up with another bucket to cut the lead to 10 going into the second quarter.

The Wildcats outscored the Cardinals 17-7 before halftime and actually took a 24-22 advantage with a minute left in the first half on a layup from senior Ben Minster. Eudora tied the game again with 35 seconds left and the two teams were knotted at 24-all going into the locker room.

Although Louisburg had momentum on its side going into the second half, Eudora got out to another quick start as it went on a 13-4 run and the Wildcats trailed by nine going into the final period.

Senior Justin Sievert rises up for a

shot Tuesday at Eudora.

Eudora increased its lead to 13 in the fourth quarter and Louisburg could overcome another big deficit this time around. The Wildcats also had a tough time stopping Eudora forward Rock Jerome, who finished with a game-high 22 points.

“Those guards are pretty good,” Pfannenstiel said. “They can take it off the dribble and they were smooth. It seemed like Eudora came out with a little more energy to start the second half. They were able to get a couple quick buckets and gave them some momentum. Both halves we started off slow, especially in the first half. If we don’t get down 15, then I think the game is a different story.

“We knew going in that Eudora is good defensively. A lot of their games have been low-scoring and we struggled to get into any flow offensively. We just have to find ways to go through those huge scoring droughts.”

Louisburg got a big game from Ribordy as he led the Wildcats in scoring with 13 points to go along with seven rebounds. He also led Louisburg defensively with a team-high six steals.

“I thought Dalton had a really good game and I thought he brought a lot of energy and leadership that we needed,” Pfannenstiel said. “We need start working the ball through him a lot more. That is when we started making our runs is when he was being aggressive and we were making it a point to get him the ball.”

Senior Desmond Doles also finished in double figures for the Wildcats with 10 points and three steals. Junior Brayden Gage added seven points in the loss.

The schedule doesn’t get any easier for the Wildcats as they will host Ottawa on Tuesday for a 7:30 p.m. tipoff in their final game before the holiday break. Ottawa is currently ranked No. 6 in Class 4A-Division I.

“We have a week to prepare and they are traditionally good every year,” Pfannenstiel said of Ottawa. “We just have to keep plugging away and working hard in practice. I think defensively we will stay in games, but we have to do more on the offensive end to be able to hang with these teams and not get in these big holes.”

Wildcats lose back-and-forth game with Anderson County

Louisburg senior Dalton Ribordy pulls down a rebound during the final game of the Wildcat-Bulldog Classic on Friday at Baldwin High School. The Wildcats came up short in a 56-54 loss to Anderson County.

BALDWIN CITY – When Anderson County's John Rundle banked in a 3-pointer with under a minute left to tie the game against Louisburg, Wildcat head Ty Pfannenstiel couldn't help but think it wasn't his team's night.

"Every time I watch basketball, or I am coaching it, every time there is a banked in three I always call it the 'Kiss of Death,'" Pfannenstiel said. "It always seems like something is going right for that team when it happens. It is not like we were done there, but sometimes stuff like that happens. A three is a three, no matter how it goes in, but that was a big shot for them."

After a Louisburg turnover and a pair of Anderson County free throws later, the Wildcats walked off the floor following a 56-54 loss to Anderson County in the final game of the Wildcat-Bulldog Classic on Friday at Baldwin High School.

It was a painful defeat for the Wildcats after they staked themselves a 15-point lead midway through the second quarter, but they couldn't hold on. Louisburg finished the tournament with a 1-2 record, with its lone win earlier in the week against Baldwin.

Louisburg (1-3) trailed 14-11 midway through the first quarter, but the Wildcats' defense took over as it helped them to a big lead. The Wildcats went on a 26-6 run as they forced several Anderson County mistakes thanks to their pressure defense. In all, Louisburg forced 22 turnovers.

The Wildcats built a 35-20 lead midway through the second quarter, but Louisburg turned the ball over on seven of its final nine possessions of the first half as Anderson County went on a 10-0 run to cut the Louisburg lead to 35-30 at half.

"We have continue to keep the foot on the gas," Pfannenstiel said. "Our press had a lot to do with that. In the second

half, they figured it out a little bit so we got out of that. We are going to have to find ways to score when we aren't in transition. We need to get them into some different offensive looks and that falls on me. I have to help them out."

Turnovers and bad shots continued to haunt the Wildcats in the second half as they committed 18 turnovers for the game, but still maintained the lead late in the fourth quarter.

Junior Brayden Gage goes up for two of his team-high 14 points in Friday's loss to Anderson County.

Junior Brayden Gage provided Louisburg with an offensive spark with under two minutes left as he broke open a tie game with a free throw and then scored a basket after teammate Dalton Ribordy grabbed a big offensive rebound.

Senior Ben Minster extended the Wildcats' lead to 54-51 with a

minute left in the contest, but Randle’s 3-pointer tied the game with 39 seconds left. Anderson County then stole the ball on Louisburg’s next possession and was fouled. Kass Allnutt hit a pair of free throw with 13 seconds remaining in the game to give Anderson County the lead.

Louisburg had one final opportunity to either tie or win the game, but Desmond Doles’ 3-pointer fell short at the buzzer.

“We have to find ways to score the basketball,” Pfannenstiel said. “We will have to sit back and evaluate and see if we need to change up what we are doing or what it is. I just think we need to relax a little bit and I think we put a little too much pressure on ourselves. We just need to play more team basketball. It was a tough way to lose.”

Gage led Louisburg in scoring with 14 points and Doles also finished in double figures with 10 points to go along with five points and five assists. Minster also bad an impact on both sides of the floor with nine points, seven rebounds and a team-high six steals.

Junior Kohl Vogel came off the bench to give the Wildcats good minutes as well and scored seven points.

Louisburg will try and get back on track Tuesday when it travels to Eudora for its Frontier League opener. Tipoff is set for 7:30 p.m.

Defense sparks Wildcats to first victory

Louisburg senior Ben Minster draws a foul in the lane against Baldwin on Tuesday during the Wildcat-Bulldog Classic at Baldwin High School. Minster led the Wildcats with 14 points and 10 rebounds.

BALDWIN CITY – The first two games didn’t unfold the way new Louisburg head coach Ty Pfannenstiel had hoped.

One ended in a double-figure loss to a state-ranked Pittsburg team, and in the other, Louisburg struggled from the field in a close loss to Burlington to open the Wildcat-Bulldog Classic.

Needless to say, the Wildcats helped make up for those losses in a big way Tuesday as they picked up their first win of the season in a 65-51 victory in the second round of the Wildcat-Bulldog Classic at Baldwin High School.

The Wildcats got the victory thanks to their defense as that helped spark a big third quarter run that helped widen their

lead to double digits over the Bulldogs.

“It was a much-needed win for us and our kids played hard,” Louisburg coach Ty Pfannenstiel said. “I thought our defense was good all night, but we took it to a different level in the third quarter. When we get out and guard and get in passing lanes, that’s going to lead to some transition points, which needs to be one of our strengths this season.”

Up by just three points midway through the third quarter, the Louisburg defense came to life and helped spark a 16-6 run to end the frame the give the Wildcats a 49-36 lead going into the fourth quarter.

Seniors Desmond Doles and Justin Sievert had to back-to-back steals that led to easy layups in transition and gave them a 42-32 lead.

Louisburg had a balanced scoring effort as it had three players score in double figures. Senior Ben Minster recorded a double-double led the Wildcats with 14 points and 10 rebounds, while Doles and Sievert each finished with 13 to go along with seven and six rebounds, respectively. Senior Dalton Ribordy finished just missed double figures with eight points.

Desmond Doles goes up for two of his 13 points in a win Tuesday over Baldwin.

Defensively, Minster led the Wildcats with four steals and Sievert added three. As a team, the Wildcats forced 17 Baldwin turnovers.

“We were balanced offensively,” Pfannenstiel said. “Ben, Justin and Dez did a great job of attacking the rim. Again, their defensive pressure led to a lot of those buckets.”

Except for the first few minutes of the first quarter, Louisburg held the lead the entire way starting when Brayden Gage broke open a tie game with a 3-pointer early.

Louisburg built at 25-17 lead in the second quarter, before Baldwin went on a mini 7-2 run to end the frame to cut into the Wildcat lead.

Doles and Ribordy opened the second half with back-to-back baskets and the Wildcat defense took care of the rest as they held Baldwin to just 31 percent from the floor.

Louisburg will try for its second straight win tonight when it travels back to Baldwin for the final game of the Wildcat-Bulldog Classic against Anderson County. Tipoff is set for 5:30 p.m.

Wildcats come up short against Burlington

Louisburg almost picked up its first win of the season Monday when it opened the Wildcat-Bulldog Classic against Burlington, but the Wildcats struggled from the field in a 40-35 loss.

Although the Wildcat defense held Burlington to just 35 percent from the floor and forced 16 turnovers, Louisburg struggled on the other end as it shot just 31 percent despite getting out to a 13-7 lead at the end of the first quarter.

Senior Ben Minster led the Wildcats in scoring with 13 points and fellow senior Desmond Doles finished the game with nine. Doles also had four steals on the defensive end to lead Louisburg.

“I thought we played pretty well defensively, but we have to find ways to score,” Louisburg coach Ty Pfannenstiel said. “We just really struggled to capitalize on scoring opportunities.”

The second quarter wasn’t a friendly one for the Wildcats as Burlington took the lead back as it outscored Louisburg 16-6 before halftime. It turned out to be the difference in the contest.
