

Wildcats fall to Paola in substate tourney

Louisburg's Ben Minster dives to the floor to try and get a loose ball away from Paola's Tanner Moala on Friday during the Wildcats' substate tournament game at Louisburg High School. Louisburg saw its season come to an end with a 58-34 loss.

It wasn't the most pleasant finish to the season for the Louisburg boys basketball team and that end came Friday.

During the Class 4A-Division I substate tournament at Louisburg High School, the Wildcats met No. 1 seed Paola in the opening round and gave the Panthers a close game through three quarters. Louisburg couldn't hold on, however, as it fell to the eventual substate champion, 58-34.

The Wildcats (6-15), who won six of their first nine games to start the year, went winless the rest of the way, including several close losses down the stretch. Although the season didn't end on a high note, Louisburg coach Jason Nelson believes his team grew in a lot of different areas.

"There were probably two games we should have won during that stretch without question and it would be a lot different," Nelson said. "This is probably the best 4A league in the state, especially when you look at the upper echelon of teams.

“We had some season goals that we strove to meet. We wanted to keep teams at 60 points or less a game on average and we matched that. We wanted to outrebound teams and I think we were close there, which is a testament to our kids because we are undersized compared to most of the other schools. The turnover number was good, we just had a hard time finding consistency on offense.”

Louisburg senior Jacob Welsh drives past Paola's Blain Ohlmeier during Friday's substate game in Louisburg.

Offense was hard to come by for Louisburg again Friday, but the Wildcats found themselves up against a Paola front line that stands 6-7, 6-7 and 6-5. Louisburg also went up against an aggressive perimeter defense that made it difficult to score from the outside.

Although the offense wasn't clicking, the Wildcat defense slowed Paola down, especially in the second and third quarters to keep the game close.

“You just look at Paola's kids, they are just huge, well-coached and good,” Nelson said. “Our kids battled and did what we asked them to do. We emphasized blocking out just because they are so massive, and we could have done a little better

job early, but to our credit they cleaned it up. We got the looks we wanted, we slowed them down offensively and they took the shots we wanted them to take. I couldn't be prouder of our kids."

Paola opened the game on a 17-3 run to get out to a double-digit lead early. To start the second quarter, Louisburg got two baskets from Korbin Hankinson and another from Ben Minster to cut the Paola lead to 10.

The Panthers then went on a mini 8-0 run to push their lead to 18 points shortly before halftime. Louisburg's Jayce Geiman hit a 3-pointer with a minute left in the first half, but Paola still held a 29-14 lead at half.

T.J. Dover hit a basket to cut the Paola lead to 13 early in the third quarter, but it would be as close as the Wildcats would get.

Dover led the Wildcats in scoring with eight points as eight different players scored for Louisburg. Grant Harding and Hankinson each finished with six points for the Wildcats.

Quick start lifts Paola past Louisburg

Louisburg sophomore Dalton Ribordy puts up a shot against Paola during a game earlier this season in Louisburg. The Wildcats fell to Paola on Friday, 70-31.

PAOLA – The Louisburg High School boys basketball team had a big challenge of trying to stay with No. 3 ranked Paola on Friday at Paola High School.

Paola made it difficult on the Wildcats from the start.

The Panthers took an 18-point lead into the second quarter and the Louisburg offense didn't have an answer as it fell 70-31. The Wildcats ended their regular season with a 6-14 record.

In the process, Paola captured their undefeated Frontier League title in front of its home crowd on senior night. Throw in two hall of fame inductions and it was a difficult environment for the Wildcats to play in.

Paola jumped out to a big lead and never looked back and it took a 26-8 advantage into the second quarter and led 38-14 at halftime.

Junior T.J. Dover helped the Wildcats offensively as he, and fellow junior Grant Harding, were the lone players to score in

double figures. Dover led Louisburg with 12 points and Harding finished with 11, who also had eight rebounds in the loss.

Paola's Mason McDow was one of four Paola players to score in double figures and led the Panthers with 23 points.

The postseason will now begin for the Wildcats as they will host the Class 4A substate basketball tournament, beginning Friday. Louisburg, the No. 4 seed, will face none other than Paola (18-2) again. Paola is the No. 1 seed and the game will tipoff at 7:30 p.m., on Friday

No. 2 Fort Scott (11-9) and No. 3 Spring Hill (10-10) will square off at 6 p.m. on Friday and the winners of the two games will meet in the championship at 7:30 p.m. on Saturday at Louisburg High School.

Wildcats let another close

game get away

Louisburg junior Sam Guetterman passes off to a teammate during Tuesday's senior night contest against De Soto at Louisburg High School. The Wildcats nearly stopped their losing streak, but lost in overtime, 66-62.

For the second time in three games, the Louisburg High School boys basketball team had the ball in its hands in the final seconds with the chance to win.

And for the second time in three games, the Wildcats came up empty.

Louisburg had the opportunity to knock off De Soto at home Tuesday, but came up short in a 66-62 overtime loss in a contest in which the Wildcats rallied from seven points down in the fourth quarter to tie the game.

On a night that could have had a lot of celebration with the honoring of Alex Dunn, Jacob Welsh and Ben Brummel on senior night, or Grant Harding's 33-point effort, instead ended in disappointment.

"It really stuck to the script as what a lot of the other games have been," Louisburg coach Jason Nelson said. "We outrebounded them, we broke the press fine and all these little things that we are focusing on in practice, we are

doing it. When we attacked the rim and run what we do, good things happened. It is what it is. It doesn't matter who is on the court, all five guys want to be the best they can be, we just aren't putting it altogether."

Harding had his best night of the season offensively as the De Soto defenders couldn't keep him out of the lane. He made eight field goals in the game, but Harding hurt De Soto at the free-throw line where was 15-for-19.

Despite all that, the Wildcats needed one more of Harding's shots to go down at the end of regulation. With the game tied, and seconds remaining on the clock, Harding drove the lane but his shot bounced off the rim and the game then went into overtime.

Junior Grant Harding scores two of his 33 points on a dunk Tuesday against De Soto.

"Grant was superb," Nelson said. "He shot great from the free-throw line and really everyone is doing what we need them to do. But when we have breakdowns, they come at the worst time. We have been in a lot of close games, but we just can't seem

to get those.”

Louisburg jumped out to 16-11 lead at the end of the first quarter when junior Jayce Geiman connected on a 3-pointer at the buzzer.

De Soto started to battle back and took one-point lead with under three minutes left in the first half. But the Wildcats got big baskets from Harding, Korbin Hankinson and a free throw from Dalton Ribordy to give them a 25-21 halftime lead.

Everything seemed to be going Louisburg’s way in the third quarter as it took an eight point lead with three minutes left in the period. Then things started to unravel.

The Wildcats (6-13) started missing shots and De Soto took advantage as it went on a 12-1 run to end the quarter with a 38-35 lead as it got forward Isaac Albert involved. Albert scored a team-high 26 points and was tough for the Wildcats to stop inside.

Louisburg nearly tied it up at the buzzer as Welsh heaved a three-quarter court shot that hit off the back of the rim and went out to end the third.

“It is ultimately on us, but we had some advantageous foul calls that took us out of our rhythm a little bit,” Nelson said. “But if we played inside-out like we are supposed to do, those things probably don’t matter.”

De Soto eventually built a seven point lead, but the Wildcats had another charge in them. Harding scored eight straight points in about a minute span get Louisburg back in it.

Harding converted a basket and was fouled for the traditional three-point play, hit two more free throws and then knocked down a 3-pointer to give the Wildcats the lead.

De Soto took the lead back, but a basket from Sam Guetterman, along with free throws from Harding and Welsh gave Louisburg a

53-52 lead with under a minute left. De Soto hit a free throw to tie the game with 21 seconds left, which gave the Wildcats one lost opportunity before overtime, but Harding's drive to the basket rolled off.

That missed opportunity by Louisburg seemed to fuel De Soto as it opened the extra period on a 9-3 run to give it a 62-56 lead with 45 seconds left.

Welsh converted a traditional three-point play of his own to cut the lead to three, and after a De Soto basket, Harding answered with a 3-pointer with 13 seconds remaining. After the made basket, the Wildcats stole the ball from De Soto in backcourt with a chance to at least tie the game, but turned the ball over themselves.

De Soto sank two free throws with eight seconds left to seal the win.

Louisburg seniors (from left) Alex Dunn, Ben Brummel and Jacob Welsh were honored before the game during a senior night ceremony.

It was the final regular season home game for Louisburg's three seniors as they were honored before the game during a senior night ceremony. Nelson knows those three brought a lot

to the team this year.

“Welsh and Corbin Wertz (2015 grad) are two of the most intense defenders that I have had the opportunity to coach and Jacob is a hard worker,” Nelson said. “Alex couldn’t play last year with his knee, but he gives us some of the best minutes and he makes things happen. Brummel works hard and has a lot of natural ability and I wish I had him for four years. They are super kids.”

Louisburg will try and stop its 10-game losing skid tonight when the Wildcats travel to Paola for their final game of the regular season. Tipoff is set for 7:30 p.m.

Spring Hill hands Wildcats another loss

Louisburg junior Jake Hill puts up a shot between two Spring Hill defenders Friday at Louisburg High School. The Wildcats fell to Spring Hill 58-32 after the Broncos hit eight 3-pointers on the night.

During its losing streak, the Louisburg boys basketball team hasn't caught many breaks.

Through much of the last nine games, the Wildcats have been trying to put a complete game together. There have been close losses, but some have been lopsided in nature.

Unfortunately, it was the latter for the Wildcats on Friday against Spring Hill at Louisburg High School.

Spring Hill caught fire from the outside as it connected on eight 3-pointers on the night and ran away with a 58-32 victory over Louisburg.

"We rebounded well, we pushed the ball well, but we can't let a couple of small bits of adversity take us out of our game plan," Louisburg coach Jason Nelson said. "We made our first three shots to start the game, we are assertive, going through our offense and then we go through a little bit of adversity and it takes us out of what we practice all the time. I guess I need to do a better job of prepping them."

Senior Alex Dunn dives on the floor for a loose ball with teammate Dalton Ribordy on Friday.

The Wildcats (6-12) had a good idea the Broncos shot well from the outside. Even when Louisburg defenders got hands in the face of the Spring Hill shooters, they still found the bottom of the net.

Spring Hill pulled away in the second quarter as it hit six 3-pointers in the frame and took a 35-15 lead into halftime.

“Those definitely hurt because they were making shots and guys were doing what they were supposed to be doing,” Nelson said. “We were closing out, there were a few instances where our help-side defense wasn’t there, and that was unacceptable, but I thought we did ok. Coming out in the second half, we were assertive and got the looks we want, which is 15 feet and in. They just didn’t fall.”

Louisburg actually jumped out to an early lead as it scored on its first three possessions of the game, including two baskets from junior Sam Guetterman. From there, the Broncos went on a 12-2 run to take a 14-8 lead.

Then came a tough second quarter and the third quarter didn’t get much better as Spring Hill scored 19 more points to all but seal the win.

Junior Jayce Geiman led the Wildcats in scoring with eight points and junior Grant Harding added seven in the loss. Spring Hill's Ivan Hughes led all scorers with game-high 22 points.

The Wildcats will try and snap their nine-game losing streak tonight when they host De Soto. Louisburg defeated De Soto earlier in the season and it hopes to end its regular season home schedule on a good note.

It will also be senior night for Louisburg as it will honor seniors Jacob Welsh, Alex Dunn and Ben Brummel. Tipoff for the game is set for approximately 7:30 p.m.

Last second shot falls short in loss to Baldwin

Louisburg junior Jayce Geiman passes the ball off to teammate Korbin Hankinson during Tuesday's league game against Baldwin. Geiman finished with a game-high 18 points, including six 3-pointers in the 60-59 loss.

With six seconds left and time ticking away, Grant Harding drove the lane, rose up for a shot and let it go.

If it goes in, Louisburg completes a comeback to beat Baldwin and snaps a seven-game losing skid in the process.

"I thought it was going in," Louisburg coach Jason Nelson said. "Whenever any of the guys put up a shot, I always think it is going in."

Instead, Harding's shot bounced off the rim as time expired and the Wildcats suffered a 60-59 loss to Baldwin on Tuesday at Louisburg High School. The loss made it tough for a lot of the players and coaches as they still continue to search for the elusive win to stop the streak.

"The perseverance thing is the key for all of us for when we are going to get out of this tailspin," Nelson said. "We are so close in putting everything together. I would put these kids up against anyone in the world in practice as far as effort. We know what we need to fix, but it is about me getting everyone on the same page and driving it home."

The Wildcats (6-11) shot well from the field as they hit on 54

percent of their shots, but the problem was Baldwin did as well. The Bulldogs connected on 10 3-pointers and held the lead from a minute left in the first quarter to the 1 minute and 42 second mark of the fourth quarter.

Louisburg was constantly trying to play catch up as it found itself down 10 points going into the fourth quarter and the Wildcats trailed by eight points with just under three minutes left in the game.

Korbin Hankinson goes up for a shot Tuesday against Baldwin at Louisburg High School.

Junior Jayce Geiman kept the game close as he put together one of his best shooting performances of the season. Geiman made six 3-pointers, including one that gave the Wildcats the lead late, and scored a team-high 18 points.

The Wildcats also had some success underneath the basket. Forward T.J. Dover added 14 points in the loss and had a team-high six rebounds. Harding finished with 13 points

“Jayce was fantastic,” Nelson said. “He had a couple good takes in the first half and two of them I thought he got

fouled on. His shots were coming off free and easy. We don't mind good 3's. We talk about bad 3's a lot about being one pass and shoot, or dribble down and just shoot.

"When Jayce got hot, we were going through progressions, T.J. and Dalton (Ribordy) got touches inside and we were working inside-out. That left a lot of open looks for Jayce and Grant. Those two can bury open shots."

Those two players did that late in the fourth quarter to help get the Wildcats back in the game. With 2:47 left, and Louisburg down by eight, Harding hit back-to-back 3-pointers in a span of 20 seconds to cut the Baldwin lead to two.

Geiman put Louisburg in front with a 3-pointer of his own with 1:42 left and gave the Wildcats their first lead in three quarters. Baldwin took the lead back on a basket with 45 seconds left.

Dover hit a jumper to put the Wildcats up one with 17 seconds remaining, but Baldwin drove the ball down the floor and was fouled with 11 seconds left. Baldwin's Austin Ward hit both free throws, which set up one final opportunity for Louisburg with six seconds remaining and Harding with the ball at the top of the key.

"We were coming to set a screen and T.J. was going to slide down from the block and Jayce was going to slide to the corner so that gave us three different options," Nelson said. "There was six seconds left so that was enough time to get something. I always think it is going in with these kids, but it just didn't this time."

Louisburg will get another chance to stop its losing streak Friday when it hosts Spring Hill. Tipoff is set for approximately 7:30 p.m.

Cats can't overcome slow start to Ottawa

Louisburg senior Alex Dunn tries to get a shot up despite the outstretched arms of an Ottawa defender Friday at Ottawa High School. The Wildcats fell to the Cyclones 50-33 to move to 6-10 on the season.

OTTAWA – Throughout its lengthy losing streak, the one thing the Louisburg boys basketball team has done was get off to good starts.

The Wildcats have put together solid first quarters, only to see the other team pull away later in the game. It was the exact opposite Friday in Ottawa.

Louisburg couldn't cool off the Cyclones in the first quarter as Ottawa used a big run to pull away from the Wildcats in a 50-33 win. The loss was the seventh in a row for Louisburg.

"They were definitely on fire," Louisburg coach Jason Nelson said of Ottawa. "We executed after that first three minutes or so. That first couple minutes, we knew was coming, and we dug our feet in to get back in it. We just couldn't get the ball in the hole."

The Cyclones opened the game on a 16-2 run and the Wildcats were not able to recover. Louisburg was able to keep the game within reach as it closed the gap to 10 points at the end of the quarter after a pair of baskets from senior Jacob Welsh.

Senior Ben Brummel goes up for a shot and gets fouled during Friday's game in Ottawa.

Senior Alex Dunn cut the Ottawa lead to eight with a basket to start the second quarter, but the Cyclones went on a mini 7-0

run to push the lead back out and led 28-16 at halftime.

Although the Wildcats were able to settle the game down defensively, they couldn't get the offense to match. Louisburg shot just 32 percent from the field and made only 7 of 24 free throw attempts.

The Wildcats (6-10) had plenty of chances as they were able to pull down 10 offensive rebounds for the contest, but their shots wouldn't fall.

"The goals we established to get out of the rut was to outrebound them, like we always work on in practice," Nelson said. "We can't turn the ball over and we did a good job of handling their press and to push the ball offensively. When we did that we did OK. Those shooting numbers aren't going to get it done. A lot of those were pretty solid looks."

Ottawa opened the second half on a 12-2 run to push the lead to 20 and the Wildcats weren't able to catch up.

Junior T.J. Dover led the Wildcats in scoring with nine points and Welsh was second on the team with eight. Guard Sam Guetterman led Louisburg with eight rebounds.

"We took a big step forward mentally," Nelson said. "We always practice well, but we had a good week this week. Offensively we just have to get ours. We are really close, but it was just one of those nights. We have to find the hot hand."

Louisburg will try and break its losing skid tonight when it hosts Baldwin. The Wildcats have defeated the Bulldogs twice this season. Tipoff is set for 7:30 p.m. at Louisburg High School.

Wildcats fall to Eudora on homecoming

Louisburg guard Jacob Welsh passes off to teammate Ben Minster under the basket during Friday's homecoming game against Eudora. The Wildcats fell to Eudora 66-30.

The Louisburg boys basketball team tried to slow down the pace against a high-powered Eudora offense Friday, and early on, it seemed to work.

After the first quarter, however, it didn't quite go as planned.

Louisburg, which trailed by six points at the end of the first quarter, allowed 29 second quarter points to the Cardinals and

the Wildcats ended up with a 66-30 loss on homecoming. It was also the sixth loss in a row for Louisburg.

“Until we start doing things that we are supposed to do, things that we work on every day in practice, it is going to be like this,” Louisburg coach Jason Nelson said. “What we see in practice is different than what we see in games and that mentality has to carry over and it hasn’t for some reason.”

The Wildcats (6-9) made it difficult on the Cardinals early as they forced the ball inside on offense and were able to get to the free-throw line. In fact, Louisburg went to the line 12 times in the first quarter and found themselves in the bonus four minutes into the contest.

Louisburg junior Jayce Geiman goes up for a shot during Friday’s game against Eudora.

Although Louisburg didn’t have a field goal in the first quarter, it trailed only 14-8 going into the second period. However the lack of offense, seven turnovers and confident Eudora team made for a tough way to end the first half for the Wildcats

“They are such a good group of kids and they want to be good, but it is about sticking to the game plan,” Nelson said. “We talk about controlling the tempo and attacking. We did that. They had seven fouls and we were shooting free throws in the first quarter. We were slowing them down and that is what we wanted. For some reason, we deviated from it and it just kind of snowballed.”

Eudora hit four 3-pointers on consecutive possessions at one point during the second quarter, which led to a 13-0 run by the Cardinals that gave them a 43-16 halftime lead. It was a lead the Wildcats couldn't overcome.

Junior Grant Harding led the Wildcats in scoring with eight points and junior Jayce Geiman finished with a team-high five rebounds in the loss.

“We have been focusing on getting the ball inside more and running an inside-out game,” Nelson said. “When we do it, and when we are assertive with it, it works well. When we deviate from that, it kind of spirals out of control. It is not physical because these kids work harder than any group of kids that I have had, but we have to keep doing what we know how to do and not get away from that.”

The Wildcats will try and stop their losing streak Friday when they travel to Ottawa. Tipoff is set for approximately 7:30 p.m.

Bigger Paola squad downs Louisburg

Wildcat junior Grant Harding passes the ball off to an open teammate during Louisburg's home game with Paola on Tuesday at Louisburg High School. Harding finished with 19 points, but the Wildcats lost 65-39 to the No. 3 ranked Panthers.

For the first quarter, the Louisburg boys basketball team had it all going its way against No. 3 ranked Paola on Tuesday at Louisburg High School.

The Wildcats held a three-point lead going into the second quarter and the momentum on its home floor.

All that started to change – and quickly.

Paola went on a 16-2 run to start the second quarter and never looked back in a 65-39 victory over Louisburg. The Wildcats also lost their fifth in a row, but Louisburg coach Jason Nelson saw a lot of positives from his team.

“It was much better at times,” Nelson said. “We just played one of the top teams in the state, and if we would have played that way for the last week-and-a-half, we would be in a lot better spot than we are right now. We knew we couldn’t let them get hot and we did a good job contesting them in the first half, but they are a fantastic team.”

The Panthers won the battle underneath the basket as they had a decided advantage. Paola starters Mason McDow and Alex Wilson each stand at 6 feet, 7 inches, while reserve forward Tanner Moala stands at 6-5.

Louisburg junior Sam Guetterman pulls up for a jumper Tuesday during the Wildcats’s home game with Paola.

Louisburg tried different defenses to give Paola multiple looks, but in the end, the Panthers scored around the basket and got several second-chance opportunities.

“They are huge,” Nelson said. “We are smallish for the most part and I thought we handled it as best as we could. We couldn’t run zone for a prolonged period of time against them because they were going to find the weaknesses and exploit it.

We were just trying to change up the zones and run some man defense mixed in.

“We were blocking out for the most part, and that is something we have been preaching in practice, but every single time that we didn’t – they exploited it.”

The Wildcats (6-8) got out to a fast start thanks to Grant Harding. The Louisburg junior scored 10 of his team-high 19 points in the first quarter and helped the Wildcats to a 13-7 lead.

Louisburg took a 15-12 lead into the second quarter, but Paola went on its 16-2 run to build an 11-point lead with four minutes left in the first half. Wildcat junior Sam Guetterman hit a pair of baskets to keep the deficit at single digits, but the Panthers went on a mini 7-2 run to take a 38-23 halftime lead.

Offensively, the Wildcats didn’t have enough left to rally from that big of a deficit. Louisburg managed just 16 second-half points.

Along with Harding’s 19 points and seven rebounds, junior T.J. Dover added eight points in the loss, while Guetterman added five rebounds.

The Wildcats will try and snap their losing streak tonight when they host Eudora for homecoming. Tipoff is set for 7:30 p.m., with the crowning of the king and queen set before the contest.

Nelson knows his team is going through a tough stretch at the moment, but he saw signs that they are starting to come around.

“Compared to where we have been it is a much better mentality,” Nelson said. “There are lots of things to work on obviously, and it is not going to get any easier with Eudora

looming, but this game tested our moxie and we will see how we respond against Eudora.”

Bad third quarter stings Wildcats

Louisburg senior guard Jacob Welsh drives to the basket during

the Wildcats' game with Spring Hill on Thursday at Spring Hill High School. The Wildcats lost to the Broncos 61-36, which is their four straight setback.

SPRING HILL – For the first half, the Louisburg boys basketball team was right with Spring Hill.

On Thursday, Louisburg matched the Broncos shot-for-shot through much of the first half before Spring Hill went into halftime with a slim six-point lead.

The third quarter was a different story

Spring Hill blew the game open as it outscored the Wildcats by 19 points in third and went on to beat Louisburg 61-36 at Spring Hill High School. It was also the fourth loss in a row for the Wildcats.

“For us, it’s about getting back to the basics that led to our successes early in the year,” Louisburg coach Jason Nelson said. “We’re not running the floor like we were, we’re not aggressive on the boards like we were and our secondary movements in our half court sets haven’t been crisp. All 11 guys on our roster are capable of scoring, and when they’re in the game it’s imperative that they assert themselves in a manner conducive to being a scoring threat.”

Louisburg junior Grant Harding provided a bulk of the Wildcat scoring in the first half as he scored 13 of his team-high 15 points in the first half to keep Louisburg in the contest. Spring Hill held a 19-17 lead at the end of the first quarter and led 29-23 at halftime.

However, after scoring 17 points in the first quarter, Louisburg (6-7) responded with just 19 points in the final three quarters combined and it was the third quarter in which

the Wildcats saw the game slip away.

Spring Hill opened the second half on a big run and outscored the Wildcats 22-3 in the third quarter to put the game away.

The Louisburg defense had a tough time containing the Spring Hill duo of Trey Heinrich and Ivan Hughes. Heinrich and Hughes scored 22 points each. Hughes also connected on three 3-pointers.

Along with Harding's 15 points, junior T.J. Dover narrowly missed double figures as he finished with nine points and four rebounds. Sam Guetterman had a team-high five rebounds from the guard spot.

The Wildcats will try and stop their losing streak tonight, but it won't be easy. Louisburg will host the No. 3 ranked team in Class 4A-Division I, Paola. Tipoff is set for approximately 7:30 p.m.
