Bonner Springs rallies to beat Louisburg in final minute

Junior Alyse Moore puts up a runner in the lane Friday during the Lady Cats' game with Bonner Springs at Bonner Springs High School.

BONNER SPRINGS — The Louisburg

girls basketball team was within minutes of picking up a road win and snapping

a mini losing streak.

Bonner Springs, however, had different ideas.

The Braves closed the game with 10

straight points and handed the Lady Cats a 43-39 loss Friday at Bonner Springs

High School. It was the third straight loss for the Lady Cats as they head into

the final week of the regular season.

"It

was a tough loss for sure," coach Leanna Willer said. "We were ahead the whole

game, but just couldn't finish it out as a team in those final minutes. We were

all disappointed, especially because we knew that was a winnable game for us.

However, we'll give credit to Bonner Springs — they fought back hard to come out on top in the end."

Louisburg

(7-11) held the lead from early in the second quarter until late in the fourth.

The Lady Cats built an eight-point lead on a couple different occasions,

including early in the fourth quarter, but the Braves made one final push.

After Louisburg senior Haley Cain scored on an offensive rebound to put the Lady Cats up 38-31, Bonner Springs finished the game on a 12-1 run. The Braves tied the game with 58 seconds remaining and then took the lead a few moments later on a basket from Kim Whetstone.

Ιt

was Whetstone that caused the Lady Cats the most problems. She finished with a

game-high 20 points, many of which came in the Braves' 20-point fourth quarter,

and also added 13 rebounds.

Louisburg

had a couple different opportunities to either tie the game, or take the lead

back, but either the shots wouldn't fall or the Braves forced a turnover. The

Lady Cats also struggled at the free-throw line as they were 3-for-13 for the contest.

The

game was a back-and-forth affair early on as the lead changed hands eight times

through the early part of the second quarter, but Louisburg

junior Madilyn

Melton helped build the Lady Cats' lead. She scored 14 points from the second

quarter to the early part of the fourth that helped give Louisburg a nine-point lead at the time.

Freshman Adyson Ross pulls up for a jumper Friday against Bonner Springs.

Melton

finished with a team-high 16 points to go along with eight rebounds and three

blocked shots. Junior Alyse Moore was next on the team in scoring with seven

points and six rebounds.

Junior Megan Foote led the Lady Cats with eight assists and had seven rebounds. Another junior, Brooklyn Diederich, had a team-high nine deflections and Foote added six. Sophomore Delaney Wright was second on the team with four assists and had a team-high two steals.

" T

thought we did a much better job offensively being patient and moving the ball

around to get the looks we wanted," Willer said. "I think we also saw a glimpse

of the potential that this team truly has to be great. We are so close to

flipping that switch and being a really great team. At this point, we're our

own worst enemy. If we can figure out how to take care of things on our end and

play as a team, we'll be tough to beat."

Louisburg

will try and bounce back tonight when it hosts Metro Academy in its final home

game. Tipoff is set for 6 p.m.

Aye provides memorable moment in Senior Night loss to Eudora

Louisburg senior Shayla Aye makes her first varsity basket as her teammates look on during Tuesday's game against Eudora. Aye, who serves as the team's manager, suited up for the first time on Senior Night.

If you are a Louisburg fan, the game itself between the Lady Cats and No. 4-ranked Eudora didn't leave a lot to cheer about.

The Cardinals showed why they are one of the best teams in Class 4A as they defeated the Lady Cats, 56-33.

Despite that, the Lady Cats left the floor with a lot of smiles on their faces

and there was one big reason why.

Tuesday was Senior Night for the Lady Cats as they honored senior players Haley Cain and Sydni Keagle, along with manager Shayla Aye.

Aye, who has been in charge of the

team's camera the last few years, had a chance to suit up for the first time.

So late in the fourth quarter, she made her way to the scorer's table to check in.

What came after was something many of the Lady Cat players will never forget.

Aye stole the ball and dribbled

down the court in the game's final seconds, and after a couple missed shots,

scored her first varsity basket as the LHS gymnasium erupted.

"Shayla

has to be one of the most positive people on the planet," coach Leanna Willer

said. "She smiles constantly and brings such a positive energy and light into

any room. We have absolutely loved having Shayla be part of our program over

the years, and she earned her right to put on that uniform for senior night.

"At

the end of the game, we were going to do whatever we could to get Shayla the

ball and the opportunity to score. It was truly an incredible moment, and $\mbox{\sc I}{}^{\prime}\mbox{\sc m}$

so glad we got to share it together. Shout out to the Eudora coaching staff and

players — they were true class acts and cheered for her just as much as we did."

It was also a chance to recognize Cain and Keagle for their efforts with the program and both players were honored following the game along with their parents. Both players started the game for the Lady Cats and Aye was named as an

honorable starter.

Louisburg senior Sydni Keagle (left) battles for the opening tip Tuesday against Eudora.

"It's

difficult to even put into words what Haley and Sydni have meant to this

program," Willer said. "They have been awesome leaders, and are incredible

young women. Although roles have changed for each of them over the years, they

are completely unselfish and have been willing to do whatever

is best for the

team. These two are true team players and their teammates trust them

wholeheartedly as they lead by example.

"There

is no hiding the fact that they are not leading the team in points, rebounds,

or even minutes, but they make the biggest impact when it comes to the

intangibles. We can always count on them to give their all and hold teammates

accountable while being the glue holding our team together. Personally, I do

not know what I would have done without these two this year. They will be

greatly missed next year."

As

for the game itself, Eudora took control of the game early as it scored the

game's first 15 points and took a 31-11 halftime lead.

It was a closer game in the second

half and Louisburg (7-10) found a little more of a rhythm offensively, but the

Cardinals scored 17 points in the third quarter to all but seal the win.

Junior Madilyn Melton led

Louisburg in scoring with 14 points, while sophomore Delaney Wright and junior

Alyse Moore each finished with seven. Moore also had a teamhigh seven rebounds

and three steals. Cain also had six rebounds to help lead the Lady Cats and

Keagle had four.

Louisburg will try and bounce back tonight when it travels to Bonner Springs for a league game. Tipoff is set for 6 p.m.

Wildcats catch fire to beat Eudora on Senior Night

Sophomore Julian Margrave gets to the basket for two of his 20 points Tuesday against Eudora. The Wildcats knocked down 13 3-pointers in their win over the Cardinals.

The Louisburg boys basketball team picked a good time to have its best shooting night of the

season Tuesday against Eudora.

The Wildcats, who lost to Eudora earlier in the year, returned the favor in a 64-50 victory over the Cardinals. As impressive as the win was, it was how the Wildcats did it that made all that more memorable.

Louisburg knocked down 13

3-pointers on the night - a season high - and in comparison made just eight

two-pointers. The Wildcats shot nearly 50 percent from the floor and was able

to hold off a late Eudora comeback in the second half to get their second

straight victory.

"We played with a lot more

confidence early on and we were playing free," Louisburg coach Ty Pfannenstiel

said. "The ball was going through the hoop and we were feeling pretty good

about things. That is the type of offensive team that I think we can be. We have

kind of struggled offensively lately in getting into a rhythm, so for us to put

up 40 in the first half was big.

"In the second half, we wanted to

be patient with the lead, but we still wanted to have that mentality where we

are looking to score. Even though we didn't score as well, we were still

patient with the ball. My biggest concern was our defense in the second half.

We have to be better defensively. Eudora was able to come back and make it

tight, but for our kids to respond and extend the lead was

good."

Sophomore Julian Margrave was big in the first half for Louisburg as he scored 16 of his 20 points in the first two quarters to help give the Wildcats a 40-21 lead at halftime. Junior Ben Guetterman also shined as he had 11 of his 16 points in the first half as well.

The Wildcats (8-9) did much of their damage from behind-thearc early as 10 of their 13 3-pointers came in the first and second quarters.

"Sometimes you get hot and I think we are a group that can do that," Pfannenstiel said. "Hopefully we are getting hot at the right time and we can continue that. The best thing is that they were all good shots and were in rhythm. Julian got hot there in the first half and was definitely wanting the ball. He was really good in the first half as was Ben and (Michael) Waldron. Weston shot the ball really well too."

Senior Michael Waldron puts up a 3-point shot Tuesday against Eudora. The Wildcats hit 13 of those in a win over Eudora.

Weston Guetterman was key for the

Wildcats in the second half as Eudora made a run at the Wildcats. The Cardinals

put the pressure on Louisburg as they eventually cut the lead to five midway

through the fourth quarter.

Weston had the answers for Louisburg as he scored 15 of his game-high 21 points in the second half as Eudora made an effort to take away Margrave and limit his looks. He also had seven points in the final two minutes to help keep the Cardinals at arm's length.

"They were trying to pressure Julian and made it hard for him to get touches," Pfannenstiel said.

"If they are going

to take him away, that just means other guys are going to have to step up and

Weston did that for us in the second half. He really took over when we needed

someone too and hit some shots to stop some of those Eudora runs."

Defense was also a priority for the Wildcats in the first half as they held Eudora to 21 points and scored 20 points off of 13 Eudora turnovers. Ben Guetterman led the Wildcats with four steals and Michael Waldron added three.

Senior Garrett Rolofson puts up a shot over a Eudora defender Tuesday at home.

Ben Guetterman finished with a team-high eight rebounds and Garrett Rolofson added two blocks.

It was also Senior Night for Louisburg and the Wildcats honored seniors Waldron, Rolofson and Noah Bell prior to the contest. The crowd was fired up early as all three seniors started and Bell, who is better known as Roll Tide, scored his first-ever varsity basket to begin the game.

The Wildcats used that momentum to build a big lead over the Cardinals and they never looked back.

"Roll Tide was fired up,"

Pfannenstiel said. "I have never seen a kid take the court with that big of a

smile on his face. It was just ear to ear. He was excited for his opportunity

and he was able to get himself a bucket. It was good for him and it was fun to see.

Senior Noah Bell, a.k.a Roll Tide, makes his first varsity basket to begin Tuesday's game against Eudora.

"Michael has played really well defensively, especially the last two games for sure. We put him on their best players and I think he really loves that role. He has done a good job of keeping of their best scorers frustrated. Rolo has just been solid for us all year and has been our most consistent defender and rebounder. He guards the other team's best big and he is really playing good basketball for us right now."

The Wildcats will try and make it three straight wins tonight as they travel to Bonner Springs for Frontier League matchup. Tipoff is set for 7:30 p.m.

Lady Cats fall to Spring Hill on homecoming

Louisburg senior Haley Cain reaches out to catch a pass near the basket Friday against Spring Hill at Louisburg High School.

The Louisburg girls basketball

team was hoping the third time was the charm Friday against Spring Hill.

The Lady Cats, who have already split a pair of games with the

Broncos earlier this season, had a chance to win that deciding third game at home during homecoming. Unfortunately, Louisburg wasn't able to slow down Spring Hill, especially in the second half, as the Lady Cats fell, 44-31.

"Our

girls competed hard and gave a great effort," Louisburg interim coach Leanna

Willer said. "Unfortunately, we weren't able to convert much of our effort into

points. We were getting the opportunities we wanted, but we are going to have

to continue working on finishing those plays."

Spring

Hill junior Alli Frank gave the Lady Cats problems much of the night as she

accounted for more than half of her team's points. Frank finished with a

game-high 23 points and also pulled down seven rebounds.

Frank

provided a lot of those points in the second half where the Broncos outscored

the Lady Cats, 25-12, after Louisburg trailed by just one point at halftime.

Louisburg

(7-9), which found itself tied 12-all at the end of the first quarter, saw it

offensive production start to dwindle. The Lady Cats had trouble scoring over

the Spring Hill zone defense as they packed it in and they weren't able to score inside.

"Spring

Hill's defense is definitely tough," Willer said. "They pack

into the lane

very well and collapse on any ball that gets inside. We knew this would be the

case and looked to score from the outside to open up some opportunities for our bigs in the lane."

The

Lady Cats knocked down just two 3-pointers on the night, so it made it

difficult for them to get the looks they were wanting inside.

Junior Madilyn Melton goes up for a rebound Friday against

Spring Hill.

Junior

Madilyn Melton tried to create on the inside for Louisburg and scored a

team-high 13 points to go along with nine rebounds, four steals and three

blocks. Junior Alyse Moore pulled down a team-high 10 rebounds and also tied

Melton with four steals.

Spring

Hill held just one a point lead going into halftime, but the Broncos pulled

away and eventually built a 15-point lead in the fourth quarter to pull away.

Louisburg

will face another tough opponent tonight as it hosts No. 4 Eudora on Senior

Night as the Lady Cats honor senior players Haley Cain and Sydni Keagle. Tipoff is set for 6 p.m.

"We

are focusing on one possession at a time, within one game at a time, starting

with Eudora tonight," Willer said. "Each day at practice is a clean slate and

brand new opportunity to put in the work to get better. We all know that we

have had our ups and downs this season, but none of that really matters when we

step out onto the floor. The score will always start at 0-0 and we will have to

earn everything we get. We are looking to finish this regular season on a high

note headed into sub-state."

Wildcats get revenge win over Spring Hill

Louisburg senior Garrett Rolofson puts up a shot over a couple Spring Hill defenders Friday during the Wildcats' homecoming win over the Broncos.

It had been a rough stretch for

the Louisburg boys basketball team as of late as the Wildcats had lost four of

their last five games heading into Friday's game against Spring Hill.

One of those four losses were to

the Broncos and the Wildcats, at the time, didn't look like themselves.

All that changed last Friday as

Louisburg got a 44-34 revenge win over Spring Hill on homecoming to help put

the Wildcats back on the right track.

It all started on the defensive

end for the Wildcats as they held Spring Hill to 30 percent from the floor.

They were also able to take away Spring Hill guard Cooper Jones and held one of

the team's top scorers to just two points.

"Our focus was to play with energy

and toughness and I thought our kids played really, really well," Louisburg

coach Ty Pfannenstiel said. "Defensively, we wanted to harass them, especially

(Cooper Jones and Alex Johnson) because they run a lot of their stuff through

them. Our goal was to frustrate those guys and to hold Jones to two points is

an accomplishment for our kids. That was our plan going in and I thought our kids $\,$

executed that really well."

It certainly wasn't easy for the Wildcats (7-9) as they found themselves down for much of the first half, but did have a one-point lead going into halftime.

Sophomore Maverick Rockers hit a

3-pointer late in the first quarter to give the Wildcats a one-point lead. In

the second quarter, Michael Waldron knocked down a 3-pointer and Julian

Margrave hit a bucket late to help Louisburg to a 23-22

halftime advantage.

Margrave and Ben Guetterman came

up with big baskets at the right time for Louisburg in the second half as the

two players provided much of the offense in the final two quarters. Margrave

scored a game-high 21 points and pulled down six rebounds, while Guetterman

also scored in double figures with 10.

"We had good possessions at the

right time," Pfannenstiel said. "The kids are progressing offensively and I

want us to be patient. When we were in the halfcourt, we had good shot

selection, but we needed to be aggressive when it comes to driving the ball.

That was definitely big for us and Julian and Ben really hit some big shots for us down the stretch."

Ben Guetterman gets fouled by a Spring Hill player Friday. Guetterman finished in double figures with 10 points.

The Wildcats also had to deal with

a little bit of foul trouble in the first half as starting point guard Weston

Guetterman had two fouls in the first quarter, but the Wildcat bench was able

to provide crucial minutes to help keep their team in the game.

That led to a big second half on

both sides of the floor for Louisburg, especially on the defensive end, as it

held Spring Hill to just 12 points in the final two quarters.

"We had some kids step up for us and it was a good team effort, even with some guys getting in foul trouble,"

Pfannenstiel said. "Michael Seuferling played very good defense, as did Konnor

Vohs and Maverick Rockers. All those guys really helped with Weston being out

with two fouls. The main thing was that our defense was really good. We always

preach that our defense has to be good every night. It was a slow it down and grind it out win."

Louisburg will try to make it

back-to-back wins tonight when it hosts Eudora for Senior Night. Tipoff is set for 7:30 p.m.

Rough second half sinks

Wildcats against No. 6 Ottawa

Louisburg senior Garrett Rolofson battles for a rebound last Friday during the Wildcats' game against Ottawa at Ottawa High School.

OTTAWA — The Louisburg boys

basketball team knew it had a difficult challenge on its hands Friday when it

had to travel to face off with No. 6 Ottawa.

The Cyclones are considered one of

the top teams in Class 4A, but after the first half was over, the Wildcats were

within just one point of the Cyclones when the third quarter began.

It was then the Cyclones took off.

Ottawa scored 39 second half

points and the Wildcats couldn't keep pace as they fell 60-38 at Ottawa High

School. It was the second straight loss for Louisburg.

"Ottawa got off to a good start in

the second half," Louisburg coach Ty Pfannenstiel said. "They were able to get

to the lane a lot easier and we weren't as good on help-side defense and they

have some kids who can really play. They were able to drive and kick it out and

they hit more shots in the second half, obviously.

"We have to start better than we

did. We got down seven and then I think that led to some unforced turnovers

where we tried to do too much. Defensively we struggled in the second half and

we aren't going to be able to win many games giving up 40 points in a half."

It was a back-and-forth first half as the two teams traded leads on a couple different occasions. Late in the

first quarter, Louisburg took an 11-10 lead on a 3-pointer from Julian Margrave

and a putback from Garrett Rolofson.

Sophomore Michael Seuferling puts up a shot Friday against Ottawa.

The Wildcats also took a 20-19

advantage late in the first half on a drive from Weston Guetterman, but trailed

21-20 at halftime. Louisburg was also able to slow down Ottawa big man Kobe

Johnson to help keep the game close.

"Defensively we were really good

in the first half," Louisburg coach Ty Pfannenstiel said. "Our help-side

defense was good and we knew we were going to need that against Johnson as he

is a tough player to guard. He has a lot of varsity experience and he is as

physical of kid as we are going to play against this year. We did a good job on

him, but overall our intensity was good.

"We weren't great by any means

offensively in the first half, but we were able to hang in there. We were

efficient, but we have to be able to put two halves together."

Ottawa opened the second half on

an 11-0 run and scored 24 points in the third quarter to distance itself from Louisburg.

Margrave led the Wildcats in

scoring with 16 points, including a dunk, and had six rebounds, while Weston

Guetterman finished with nine points on the night. Rolofson recorded a

team-high 10 rebounds.

Louisburg will try and bounce back

this Friday when it hosts Spring Hill for homecoming. Tipoff is set for 7:30

Lady Cats snap losing skid with road win over Ottawa

Sophomore Delaney Wright drives past an Ottawa defender Friday during the Lady Cats' win over the Cyclones.

OTTAWA - It had been awhile since

the Louisburg girls basketball team had tasted victory and the Lady Cats were

becoming more and more frustrated.

They decided to take all that frustration out on Friday.

Louisburg held Ottawa to just

seven first half points and the Lady Cats ran away with it from the opening tip

as they snapped their six-game losing streak with a 41-24 win over the Cyclones

at Ottawa High School.

"It was so much fun to see the girls smiling and having fun out on the court together, and it was even better to come out on top," interim

coach Leanna Willer said. "We all just had a great time as a team. Even when

mistakes were made, no one got down on themselves and we were able to maintain

a high energy throughout the entire game."

The Lady Cats (7-8) were able to pull away thanks to their defense as they held Ottawa to just 18 percent from the field and forced 23

turnovers in the process.

Freshman Adyson Ross, who started in place of Megan Foote and was out with an illness, led the team with three steals. Junior Alyse Moore and

senior Haley Cain both added two steals each. Those Cyclone mistakes led to 18 points off turnovers.

"Our defense definitely set the tone for us coming out," Willer

said. "It's always nice to have some defensive plays that turn into offensive

or transition points, and we were able to get our hands on a lot of balls and

keep them out of a rhythm on offense.

"We did a much better job of moving on the flight of the ball instead of reacting, and I think we realized how much that helps us stay active

and engaged. Our rebounding also improved from earlier in the week, which was

nice to see as we emphasized it during practice."

Louisburg freshman Adyson Ross pulls down a rebound Friday against Ottawa.

Louisburg sophomore Delaney Wright got the Lady Cats started strong with five straight points to start the game and junior Brooklyn

Diederich ended the first quarter with five points of her own to give them a

12-3 lead.

The Lady Cats did much of the same in the second quarter as they

outscored the Cyclones 13-4 and led 25-7 at halftime.

Diederich led Louisburg in scoring with 10 points and also had a

team-high six deflections. Junior Madilyn Melton also had nine points in the

win to go along with three blocks.

Moore finished with a team-high seven rebounds, while Wright had

seven points and a team-best three assists.

Louisburg will try for back-to-back wins Friday when it hosts Spring Hill for homecoming. Willer believes this game can give the team

confidence going into the final stretch of the season.

"This game was a huge step for us in terms of confidence and team chemistry," Willer said. "We are really looking forward to practices

focused on ourselves and doing the little things right for the remainder of the

season. Our main goal is to focus on one game at a time, not worrying about the

rest. We want to take care of business by playing our best game."

Lady Cats lose in final seconds to Paola

Senior Brooklyn Diederich releases a shot between two Paola defenders Tuesday at Louisburg High School.

It wasn't the best start to the

week for the Louisburg girls basketball team that began with the resignation of

their coach and was followed up with a road loss to Eudora on the same day.

Despite all that, the Lady Cats

found themselves up on rival Paola with just seconds to play on their home

floor Tuesday. Instead, the Panthers made their week just a little bit worse.

Paola's Brayden Hanf knocked down

a go-ahead 3-pointer with just 1.2 seconds left to hand Louisburg a 39-38 loss.

Despite all the struggles, the Lady Cats are keeping a positive frame of mind.

"Of course this was a tough loss for the girls, no one likes losing a rivalry game," Louisburg interim coach Leanna Willer said. "After how

hard they battled, losing on a shot in the final seconds felt like getting

punched in the gut. That being said, I think the girls are already looking

forward to playing them again in a couple of weeks on Paola's home floor. They

came to practice Wednesday morning ready to put in work and get better together."

On Monday, the Lady Cats were informed their head coach,

Shawn Lowry, turned in his resignation and Willer will lead the varsity squad

for the rest of the season. It was a shock to a lot of the players.

Although it has still not worn off for some of them, they are all trying to move forward and finish the season on a positive note.

"This is not a natural or easy transition for anyone, and we all

know that we have a tough road ahead," Willer said. "It's tough to lose such an

amazing coach in Coach Lowry. Over the last couple of years I have learned so

much, not only about basketball, but leading and coaching in general as he took

it upon himself to take both me and coach (Nick) Chapman under his wing. He

cares so deeply for each of the girls in the program (past, present, and

future), and that is what makes it so difficult to see him go.

"We have a wide range of emotions about the situation on our team right now, but I have been impressed with how much they want to move

forward, play for each other, and finish out the season strong. As a team, we

are excited to be able to have the chance to practice together and figure some

things out about ourselves. We will all make mistakes, but we

will make them giving 100 percent effort and dedication."

Louisburg (6-8) got out to a good start as the Lady Cats took a

17-9 lead at the end of the first quarter, and although Paola whittled away at

it, they were still on top 22-19 at halftime.

It was a close game the rest of the way and Paola took a 36-33 lead early in the fourth quarter. The Lady Cats came right back as Delaney

Wright knocked down a jumper to cut it to one, then Alyse Moore hit a 3-pointer

with 3 minutes and 45 seconds left to give Louisburg a 38-36 lead.

Senior Haley Cain puts up a shot during the Lady Cats' game with Paola on Tuesday.

The score stayed that way till the end when the Panthers found Hanf in the right corner on an inbound pass and her 3-pointer rolled in to give

Paola a one-point lead with 1.2 seconds left.

Louisburg had one final opportunity as Moore heaved the ball down the floor and found an open Brooklyn Diederich behind the 3-point line.

Diederich squared up for the shot, but Paola's Macaela Garrett quickly got over

to her to knock the ball away as time expired.

am so proud of how the girls responded after the Eudora game on Monday," Willer

said. "It would have been easy to hang their heads and let Paola come get an

easy win, but our team showed up ready to fight. I think that was pretty

apparent with our energy in that first quarter. The girls played a great game

and fought for each opportunity they got. Our shots weren't always falling, but

we were getting good looks just like we wanted. We even gave ourselves a chance

in that last 1.2 seconds on an incredible throw from Alyse, which is all we

could have hoped for in that situation.

"Naturally,

we would like to clean up a few things as well. We need to take better care of

the basketball and rebound, but we played from the heart and took pride in the

fact that we are Louisburg."

Madilyn

Melton led Louisburg in scoring with 12 points to go along with five rebounds.

Moore also scored in double figures with 10 points and pulled down nine rebounds.

Wright

led the Lady Cats defensively as she recorded a team-high six steals and also

had five rebounds.

The

Lady Cats will try and bounce back tonight when they travel to

Ottawa for another Frontier League matchup. Tipoff is set for 6 p.m.

Lady Cats fall to No. 6 Eudora

It wasn't going to be easy when Louisburg traveled to Eudora — a team that is currently ranked No. 6 in Class 4A.

The Cardinals certainly didn't make it easy on them as they defeated Louisburg, 47-17, on Monday at Eudora High School.

Madilyn Melton had eight points and eight rebounds to lead Louisburg.

Eudora took a 19-5 lead at the end of the first quarter and led 29-9 to halftime to pull away from the Lady Cats.

Wildcats fall to rival Paola on home floor

Louisburg junior Konnor Vohs drives into the lane Tuesday during the Wildcats' game with Paola. The Wildcats fell 64-52 and are 6-8 on the year.

There are nights where everything seems to be going right, but there are others, like what Louisburg had on Friday, where things just never fall into place.

Foul trouble and tough shooting

cost the Wildcats in their home contest against rival Paola and they weren't

able to recover in a 64-52 loss. It was a night where a lot went right for

Paola as it shot 54 percent from the floor and took advantage of its

opportunities.

"That is as good as I've seen Paola play," Louisburg coach Ty Pfannenstiel said. "They were confident, and

when the ball goes through the hoop, you tend to get a little more energy and

they played well. We probably had a lot to do with that as we weren't great

defensively. Offensively we were even worse.

"I thought we were getting good

looks, but we shot too many from the outside and I think we were settling for

shots too much. Our kids are good shooters and they are confident, but we are

struggling right now and are in a little bit of a funk. We have to find ways to

generate offense when shots aren't falling from the outside. Hats off to Paola,

so they played really well."

The Wildcats (6-8) weren't able to

get in a rhythm offensively as junior point guard Weston Guetterman picked up

two quick fouls in the first quarter, then picked up his third early in the

second quarter and had to sit the rest of the half.

Louisburg managed just 20 points

in the first half, but the Wildcats trailed only 24-20 at halftime and were still in it.

"Weston's first two fouls weren't

smart ones to pick up, and when he gets into foul trouble, it kind of changes

his game and it can take away his aggressiveness and that is what he is good

at," Pfannenstiel said. "That definitely hurt us, but we have to find other

ways to keep things going when our guys get into foul

trouble."

Sophomore Julian Margrave puts up a shot from the corner Tuesday against Paola.

In the second half, Paola was able

to catch fire offensively as it scored 22 points in the third quarter and built

a 12-point lead when Bo Robison had a put-back dunk off a missed shot with 1

second left to give the Panthers even more momentum.

Paola eventually pushed its lead to 15 points late in the contest and the Wildcats were unable to recover. Louisburg shot 34 percent for the game, but Paola was able to take advantage at the free-throw line as it converted 20 of 26 chances to just 6-for-8 for Louisburg.

Sophomore Julian Margrave led the Wildcats in scoring with 17

points, while Weston Guetterman had 12 points to go along with seven rebounds. Ben Guetterman also scored in double figures with 11 points and six rebounds.

Paola's Trey Moala led all scorers with a game-high 21 points.

Louisburg will try and bounce back

Friday when it travels to Ottawa. The Cyclones are currently ranked No. 6 in Class 4A.

"I have the ultimate confidence in

this group," Pfannenstiel said. "I know that it is a group that wants to win

and that works hard. It is a group that has high expectations. We are going to

own up to it, look in the mirror — starting with me — and collectively get it

figured out. We are going to go about it the right way and we will be fine."

Wildcats get back on track with win over Baldwin

Senior Michael Waldron goes to the basket during the Wildcats' game at Spring Hill last Friday. Louisburg defeated Baldwin on Saturday in a make-up game, 61-44.

The Louisburg boys basketball team was on a mini two-game losing skid going into Saturday's home make-up game against Baldwin and was hoping for a much-needed win.

The Wildcats got what they were looking for.

Louisburg outscored Baldwin by 18

points in the final three quarters thanks its pressure defense and came away

with a 61-44 victory to give the Wildcats their first win in a week.

Baldwin couldn't keep up with

Louisburg on the inside either, as the Wildcats outrebounded the Bulldogs

54-35, including 25 offensive rebounds. Louisburg scored 21 points on those

second chance opportunities.

was proud of how our guys responded," Louisburg coach Ty Pfannenstiel said. "I

thought we played hard and did a better job of executing on offense. We knew we

had a size advantage so we challenged them to hit the offensive boards to give

us some extra opportunities. They responded well."

Baldwin

got out to a hot start, and actually led the Wildcats 17-16 at the end of the

first quarter, but Louisburg turned up the pressure and forced 14 Baldwin

turnovers that turned into 18 points.

The

Wildcats (6-7) outscored Baldwin 20-6 in the second quarter and carried that

momentum into the second half where they eventually built a 23-point lead in

the fourth quarter and never looked back.

"Baldwin

came out playing well," Pfannenstiel said. "They were moving the ball well so it

was tough on our rotations. We pressed them a little more in the full

court in the second quarter, which turned out to be the difference we needed."

Junior Ben Guetterman was all over the floor for the Wildcats as he finished with a double double and led the team in steals. Guetterman scored a game-high 15 points to go along with 12 rebounds and three steals.

"Ben

has his best nights when he attacks the rim," Pfannenstiel said. "He gets

involved on the offensive boards, which helps him play with a little more energy and confidence."

Junior Charlie Peters plays defense on a Spring Hill player last Friday in Spring Hill.

Sophomore

Julian Margrave also had a double-double for the Wildcats as he added 13 points

and a team-high 14 rebounds. Junior Weston Guetterman was the third Wildcat to

score in double figures with 12 points and had seven rebounds to go along with four assists.

Junior

Konnor Vohs came off the bench to add six rebounds, three

steals and two

assists, while senior Michael Waldron also finished with a team-high four assists.

Louisburg

will try for back-to-back wins today when it hosts rival Paola and the Wildcats

will travel to Ottawa on Friday. Tonight's tipoff is set for approximately 7:30

Wildcats struggle on the road in loss to Spring Hill

SPRING HILL - For the first half,

the Louisburg boys basketball team was playing stride-forstride with Spring

Hill on Friday at Spring Hill High School.

The Wildcats went on a run late in

the second quarter to take a halftime lead and it seemed they had all the momentum.

Spring Hill took it all back in the second half as it held the Wildcats to just

12 points in the final two quarters and handed Louisburg a 51-34 loss.

"Spring

Hill got after us defensively," Louisburg coach Ty Pfannenstiel said. "They

made it tough on us to get into any kind of rhythm offensively. We

have to do a better job of matching their intensity and physicality. We

got exposed on that. We've had a couple poor shooting nights back to back, so

hopefully we can find some consistency offensively moving forward."

Louisburg

shot 26 percent from the field and were just 1-for-12 from 3-point range. On

the other hand, the Broncos shots 41 percent and knocked down nine 3-pointers.

Down nine points in the second quarter, the Wildcats went on a 10-0 run that ended on a 3-pointer from Michael Waldron to give Louisburg a 22-21 halftime advantage.

Spring

Hill was able to take control of the second half and never looked back.

Junior

Weston Guetterman led the Wildcats in scoring with 13 points to go along with

five rebounds and three steals. Sophomore Julian Margrave had six points and

seven rebounds, while senior Garrett Rolofson had six points and five rebounds.
