

Young Wildcats excited for opportunity in upcoming season

Senior Michael Waldron is one of two returning starters for the Louisburg boys basketball team this season. The Wildcats open play tomorrow in Tonganoxie.

Whenever you play in one of the state's most difficult leagues, including one that features the defending state champion, the season is always going to be a challenging one.

Louisburg is well-aware of that fact, but it doesn't make it any easier when it has to replace its leading scorer from a season ago. The Wildcats had to say goodbye to four seniors, all who played big roles on last season's team that finished with a 9-11 record.

The Wildcats may be young in age, but head coach Ty Pfannenstiel is excited for what he has coming back as they enter the 2019-20 season.

"I'm very proud of this group of kids for the work that they've put in," Pfannenstiel said. "We had our best off-season yet. Our summer weight room and

basketball workout attendance was outstanding top to bottom. We have guys that look a lot different this year because they have really developed.

“Our expectations are extremely high, not because we are just saying it, but because they’ve invested so much time into what it takes to be successful.

Actions speak louder than words. We’ve had a great first two weeks of practice.

Our practices have been extremely competitive because we have so much depth this year. There’s just a lot of focus with this group.”

Louisburg returns two starters from a season ago in junior point guard Weston Guetterman, along with senior wing player Michael Waldron. Fellow junior Ben Guetterman will take over the other guard spot after seeing a lot of varsity time a year ago.

Senior Garrett Rolofson will see a lot of time at the center position, while sophomore Julian Margrave will also get the start as he is one of the team’s best shooters and earned varsity playing time halfway through his freshman season.

“We lost a lot of experience with last year’s group, but that’s what almost every program experiences,” Pfannenstiel said. “We return two starters from last year. Weston was a starting guard for us last year and will be our point guard this year. Michael was a starter by the end of the year last year and we will expect big things from him this year. Garrett had a great summer and will be a big factor for us inside and

on the glass.

“Ben gave us some quality minutes last year and we hope the varsity experience he gained will give him confidence this year. Julian saw significant varsity time last year which is uncommon for a freshman. We expect him to take another step forward this year as a sophomore.”

Junior Weston Guetterman returns to lead the Wildcats at the point guard spot this season.

Even

with that, the Wildcats still have a lot depth on their bench.

Junior

Konnor Vohs and sophomore Maverick Rockers will see time at

the guard spot, while juniors Connor Koesser and Charlie Peters will compete for time in the post. Juniors Andy Hupp and Dawson Barnes could also see at both the guard and forward spots.

Junior

Trevin Lohse, along with sophomores Michael Seuferling, Carson Kern and Isaac Guetterman, will also compete for varsity time this season.

“Our junior class is really deep,” Pfannenstiel said. “I think they all have an opportunity to see time this year. It really is going to come down to who is making an impact in practice and playing well in the JV games.”

Louisburg

begins its season Friday when it travels to Tonganoxie in Frontier League play – a league that features a returning state champion in Piper and another state qualifier in Bonner Springs. The Wildcats know their schedule will be a challenge all season, but they are looking forward to the task ahead.

“I think the Frontier League is always going to be tough,” Pfannenstiel said. “Every night is going to demand your best. We finished in the middle of the pack last year in the league. We obviously want to be in the top tier of the Frontier League this year. If you finish in the top tier in this league,

you've had a heck of a season. We are going to take it one game at a time.

There will be no looking ahead on the schedule. Right now, we are focused on Tonganoxie."

No

matter what transpires, Pfannenstiel is proud of the work his team has put in

to get to this point. Whether it was workouts in the summer, or through the

first three weeks of practice, he has seen them grow since the end of last

season.

"This

team is extremely coachable," he said. "They pick up on things really quick. We

are so much farther ahead than we've ever been in my three years. I think

we have a chance to be effective offensively. We should be able to score

from all five positions on the court. Our off-season shooting workouts have developed our kids into scorers. We want our kids to be

confident shooting the ball and the only way to gain that confidence is to see

the ball go through the hoop. Now the question is, can our shooting

development carry over when the lights are on and somebody in an opposing

jersey is guarding us?

"I

think we have to make the biggest strides defensively. We lost some tough,

physical kids from last year's team, so we are going to have to develop an

attitude on the defensive side of the ball and on the boards. The main thing that I like about this group is, not only are they good ball players, but they are even better kids. I am so proud for these kids to represent this school and this community."

Lady Cats bring back experience as they gear up for new season

All-Frontier League player Madilyn Melton will look to lead the Lady Cats this season after she had a team-high 14 points a game a year ago. Louisburg opens its season Friday in Tonganoxie.

Coming off a 10-win season and a win shy of the sub-state championship game, the Louisburg girls basketball team is hoping to take a step forward in 2019-20 and there will be several returning faces to help make that happen.

The Lady Cats return six players, who either started, or played significant minutes from a

season ago and it begins with junior Madilyn Melton. The Louisburg forward was an all-league honorable mention selection last season after she led Louisburg in scoring with 14 points a game to go along with six rebounds.

“Madilyn had a strong season last year and has put herself in a position to have a great season this year,” Louisburg coach Shawn Lowry said. “As good a player that Madilyn has the potential to be, she is all about her team and teammates, which was evidenced by being voted one of the team captains.”

Melton will be joined in the starting lineup by senior Haley Cain, who has given the Lady Cats several big minutes in the post the last two years. Cain has played four years on the varsity level and her playing time has increased each season.

Junior Alyse Moore is another returning starter for Louisburg and will provide some big minutes on the wing and defensively. Another junior, Brooklyn Diederich, saw her minutes grow as the season went on a year ago as she gave the Lady Cats an outside scoring threat and a defensive presence.

To start the year, the Lady Cats will be looking to a pair of freshmen to earn that fifth spot as both Adyson Ross and Brianne Kuhlman are competing to crack the starting lineup.

Senior Sydni Keagle, along with juniors Megan Foote, Madi Quinn, and sophomores Delaney Wright and Jordan Mynsted will all see playing time off the bench.

"With these first couple weeks of practice, I'm encouraged that our defense can be one of our strengths this season along with the fact that we return several players with game experience from last year," Lowry said. "We also have some really good competition amongst players which provides us depth at most positions and the ability to have different lineups."

Senior Haley Cain is one of two returning seniors to the Louisburg squad. Cain is in her fourth season as a member of the varsity team.

One familiar face that is missing is Carson Buffington. The Louisburg graduate played four years on the varsity level, was considered one the

best rebounders
in the Frontier League and did a little bit of everything for
the Lady Cats.

So,
when the first day of practice arrived, it was obviously a
little different
than what was considered normal.

“Carson’s
leadership and toughness was so important for our team these
last four years
and it was definitely an adjustment for me not having her
every day in practice,”
Lowry said. “With that said, we have several players that are
now sophomores,
juniors and seniors that are really developing into strong
leaders and have
carried on that work ethic and toughness.”

Louisburg
will get to showcase its new squad Friday when it travels to
Tonganoxie for its
season opener and Lowry knows every game in and out of the
Frontier League is
going to be a challenge.

“The
Frontier League will again have some of the very best teams in
the state.”
Lowry said. “In addition to a very strong league, we will have
the opportunity
to play some very good teams in our non-conference and
tournament schedule.
With this said, I trust in our players to compete with great
effort, toughness
and pride every time we take the floor.”

Since the first day of practice started in mid-November, and even before that with preseason conditioning, the Lady Cats have been working to make themselves better and Lowry believes that is a great start to what he hopes is a successful season.

“Our expectations are first and foremost to be great representatives of the Lady Cats Basketball program, Louisburg High School and the Louisburg community,” Lowry said. “We expect to compete with character, respect and sportsmanship and because of the commitment and hard work the girls have given we expect to compete with great energy, toughness and success.

“The girls are working very hard in preparing for the upcoming season. Our returning players and team captains have been great at fostering an environment that is very competitive and positive with their work and attitudes.”

KSHSAA releases classifications for 2019-20 school year

The Kansas State High School Activities Association released its classifications for the 2019-20 school year, along with the football classifications for the 2020-21 and 2021-22 seasons.

There were a few changes in both areas, but more so on the football side.

Football classifications are determined based on enrollment figures in ninth, 10th and 11th grade. Louisburg is still in 4A with 432 students and is toward the lower half of the classification.

Entering Class 4A beginning in the 2020 school year will be St. James Academy, Lansing and Great Bend, who have all moved down from Class 5A. Wamego also made the jump back in from Class 3A.

Three schools will make the move up to Class 4A this year. Clay Center, Girard and Holton all saw their enrollment increase and will come back to 4A, while Osawatomie, Anderson County and Wichita-Trinity Academy will move out of 4A to 3A this year.

Frontier League sends proposal to KSHSAA to separate private schools

A big change to the Kansas High School Activities Association (KSHSAA) postseason could be coming sooner rather than later if a proposal, submitted by the Frontier League, passes the KSHSAA Board of Directors and its member schools.

Last month the Frontier League, led by Paola High School principal Jeff Hines and Louisburg superintendent Dr. Brian Biermann, petitioned KSHSAA to separate public and private schools into their own postseason competitions.

In order for it pass, the petition must be signed by 20 percent of the 355 member schools

according to KSHSAA bi-laws. The Frontier League got the 71 needed petitions and have now submitted this to appear in front of the KSHSAA Board of Directors for vote in their Sept. 18 meeting.

The board of directors would then have to pass it by simple majority of those in attendance to bring the proposal to a vote from all the member schools.

“Kansas needs to catch up with the rest of the country and get this competitive imbalance under control in our state,” Hines said. “The longer we wait then more students will be negatively impacted. We have a responsibility as educators to create the best opportunities possible for our students. No one can honestly say we have the best system possible right now. It can definitely be improved.”

The proposal submitted by the Frontier League is the same one the state of Texas uses that keeps the schools in their same classification, but only separates the schools come postseason.

Other options were discussed before submitting the proposal, such as implementing a multiplier on all private schools like Missouri currently does. In fact, it is the most popular proposal among the schools that were surveyed by Hines last January.

They also talked about the “Oklahoma

model" where schools are bumped up a classification based on success for competitive balance.

Seventy-four percent of the schools said they would support a population multiplier, 64 percent would support competitive balance factors and 51 percent would support separate divisions.

However, KSHSAA would not be able to make this change with a multiplier due to state statute K.S.A. 72-130 that states a high school association "must establish a system of classification of member high schools according to student attendance."

KSHSAA would not be able to pass a new bi-law that goes against state statute, and therefore, the Kansas State Legislature would have to reword the statute to allow the association to make those changes.

The Frontier League believes the Texas model, or separate postseason divisions, does not deal with classifications. Also, this model had more support from 5A and 6A schools as neither classification would likely vote for a multiplier.

"We don't view that as a classification decision as we are not affecting classification, but KSHSAA and their lawyers view that it is," Biermann said. "5A and 6A schools that we talked to really wanted us to push for the Texas model because they don't want to play them (private schools) either. The biggest thing for me is if 5 and 6A schools don't want to play them, then why do we? As a superintendent, I am supposed to create opportunities for kids. We had four teams last year in both

soccer teams, football and volleyball that all saw their season end to Bishop Miege. It is not right that we have kids and coaches that work their tails off and they don't have the opportunity to win.

"Am I all about state championships? Absolutely not. But we also know the reality of it in the current system. Winning state championships is important for communities and is always a goal. I am not ever going to give up on this idea and neither will the Frontier League."

The public versus private school debate has been going on for the last several years and Hines has been leading the charge since 2015 when he put together a study that displayed the disparity of state championships won by private schools.

In 2018-19, private schools won 32 percent of the state championships in Classes 5A through 1A. There are currently no private schools in 6A. Twenty-one of those 24 state titles were won by private schools in Class 4A and 5A.

That is a high number considering that out of the 355 member schools, only 27 of them are private.

The Frontier League wanted to see change, so Hines surveyed the 355 member schools late last year and presented his findings to KSHSAA in January. More than 88 percent of the schools responded, that included 22 private institutions, and 87 percent said they want the current system changed.

Although most schools said they would support the multiplier model more, Hines and the rest of the league schools, believe it is the best way to proceed at this time.

“Our survey indicated that separate divisions was the least popular option among member schools, however as a league we feel like it is the most appropriate option,” Hines said. “A multiplier will pass through and will be our next option if this does not go through. A multiplier will impact many private schools that are not quasi sports academies that are not very successful in athletics. The separate divisions avoids this situation.”

If the proposal does pass the board of directors, KSHSAA will then put it to a vote with all 355 member schools and it must pass by a simple majority and by four of the six classes.

From there, KSHSAA executive director Bill Faflick would take it to the Kansas Legislature before change could be implemented.

“We know it won’t happen overnight,” Biermann said. “Even if this passes, nothing will change this year and probably not the following year. It could be three years out with the way football schedules take shape. We are honestly ok with that if we knew that there was light at the end of the tunnel. If this would not pass, we would turn right around and do the multiplier one.”

Despite what happens at the

upcoming board of directors meeting, Hines believes changes to the system will happen sooner rather than later.

"I am now confident something will get done," Hines said. "I think it will ultimately take a multiplier to get something done. If the separate divisions fails then we will propose a multiplier for the spring board of directors meeting."

A lot of obstacles are still in the way for change to happen, whether it has to deal with state statutes or member votes, but none of the schools in the nine-member Frontier League are going to stop until they see a more even playing field.

"I am very proud of the Frontier League, and even though we compete against each other, we are very unified on this," Biermann said. "It is about fairness and equality and I am tired of having my kids at Louisburg High School not having the same opportunity as some others. The throttle is down and it is going to stay down."

Harding excited for opportunity with Pitt State basketball

Grant Harding drives to the basket during his senior season with Louisburg in 2017. Harding committed to play basketball at Pittsburg State after two years with the Hesston College program.

When Grant Harding signed with Hesston College to play basketball more than two years ago, he hoped to use it as a stepping stone to something bigger.

Harding certainly made the most of his opportunity in his two years with the Larks and it paid off in a big way.

The 2017 Louisburg graduate was offered a spot on the Pittsburg State University basketball team and Harding jumped at the opportunity when he committed to the team in May.

“I am very excited to have the opportunity to play Division II basketball,” Harding said. “The competition at this level is incredible and being able to compete with some great athletes is something that I really look forward to.

“The decision to go to Pitt State was an easy one once I visited and got the chance to meet coach (Kim) Anderson and experience what an athlete at Pitt is all about.”

Harding, who will enter Pitt State as a junior both

athletically and academically, will have the opportunity to play for an experienced head coach. Anderson was previously the head coach at the University of Missouri and he also won a Division II national championship at the University of Central Missouri before that.

Anderson is currently in his second year with the Gorilla program and Harding is excited to be a part of what Anderson is trying to build down at Pitt.

“Coach Anderson has plans for me to further develop my game in these next two years,” Harding said. “I am expected to come in and compete for playing time and impact the team any way I can. He likes how I am a versatile player and views me as a mismatch at different positions.

“I just have a ton of respect for Coach Anderson and all he has accomplished during his coach career. I believe there is something special happening with Pitt State basketball under his leadership. Pitt State has great facilities for all their athletes and they have a really unique teaching program and coaching experience opportunities.”

Harding had good final season at Hesston as the Larks competed in the Kansas Jayhawk Community College Conference. In 28 games, Harding averaged 14 points a contest to go along with seven rebounds a game as a guard/forward.

He believes his time with the

Hesston program was pivotal in his career and he is thankful for what he learned in the last two years.

“I had a great experience at Hesston,” Harding said. “Off the court, I grew tremendously and met some lifelong friends. On the court, I got a lot of experience at the college level and played against some tough competition. Coach (Dustin) Galyon really prepares his players for the next step both on and off the court.”

Harding, who was an all-league player for the Wildcats and helped Louisburg to its last state appearance in 2017, is ready to see how his basketball journey ends at Pitt State.

“My goals for next year are to continue on a good path towards graduation in on time with good grades, and to just be the best teammate I can be. I just want to be someone who competes and works hard every day and see where that takes my final years of playing basketball.”

Stiles, Lohse, Burk and Bowes

to be inducted into LHS Hall of Fame

Dennis Stiles (top left), John Lohse (top right), Jason Burk (bottom left) and Krystal (Bowes) Grojean will be inducted into the Louisburg High School Athletic Hall of Fame this fall.

It has been 11 years since Louisburg High School had inducted a class into its athletic hall of fame, but the wait for a new class is finally over.

The USD 416 Endowment Association, which oversees the LHS Athletic Hall of Fame, has announced a new 4-member class. Dennis Stiles (Class of 1969), John Lohse (1995), Jason Burk (1999) and Krystal (Bowes) Grojean (2001) were the top four vote getters in this year's hall of fame voting and will be honored in an induction ceremony sometime this fall.

"Louisburg has a history of great athletes," said Damon Dennis, a USD 416 Endowment Association board member. "We had a good cross-section of both young and older voters this year that really took their job seriously. The four athletes chosen represent several generations of former Wildcats and each one were dominant in their particular era and sports. The Endowment Association is excited to get the Hall of Fame going again and plan on some big things in the future."

More than two dozen voters, that includes current members of the hall of fame, long-time Louisburg residents, teachers and

coaches, voted on the class in June. Each voter was asked to submit their top four choices for the hall and votes were then tabulated.

To be eligible for the hall of fame, the inductee must wait at least 10 years following graduation to be nominated.

The last class that was inducted was in 2008 and Dennis, and the rest of the Endowment Association, is committed to making this a yearly occurrence moving forward.

Here

are the accomplishments of each of the newest hall of fame inductees. Look for more information on an induction ceremony in the coming weeks.

Buffington named 2019 Louisburg Sports Zone Female Athlete of the Year

Not many athletes had the opportunity to experience the success Carson Buffington did during the 2018-19 school year.

Buffington found herself in two state championship matches and was a team captain in all three seasons. The 2019 Louisburg High School graduate played at a high level in all

the sports she competed in and did so with the respect of her teammates or coaches.

Those are just a few of the reasons why Buffington was chosen as the 2019 Louisburg Sports Zone Female Athlete of the Year.

The award, which is in its second year, is to recognize an outstanding LHS student athlete. Louisburg Sports Zone asked the head coaches at LHS to submit nominations and those nominations were then organized and submitted back to the coaches for a vote.

The coaches then submitted their top three choices and the number of votes were added up, which decided the winner.

Buffington began her memorable senior year on the volleyball court as she helped the Lady Cats to a state runner-up finish for the second consecutive season. She was an outside hitter on the 2018 squad, which was a position she had to learn on the fly.

She spent the last two seasons as the team's starting setter and Buffington made the move to the front line – which gave her team the best chance to win.

Along with her state runner-up finish, Buffington also earned second team All-Frontier League honors and was named to the Greater Kansas City Volleyball Coaches Association Senior All-Star match.

"Carson was a great leader again this

past season and played a vital role on the team," Louisburg coach Jessica Compliment said. "She handled transitioning to a new position with a lot of grace and was bound and determined to learn the ins/outs of being a hitter, than a setter. She previously ran our offense as the setter for two years. But as with each new season, new players are added to the mix and the possibility of changing positions/rosters arises.

(From left) Louisburg girls assistant soccer coach Michael Pickman, Louisburg head volleyball coach Jessica Compliment, Carson Buffington, Louisburg head girls basketball coach Shawn Lowry and Louisburg head girls soccer coach Kyle Conley

"I was very proud of how she 'handed' over the reins of the offense to two freshmen and how she encouraged and pushed them every day in practice. She was a great role model. Carson added a lot of emotional energy when we needed it and made huge plays at important times throughout matches."

Buffington was also a big part of the Lady Cat basketball team this past season, despite finishing short of a state tournament. She earned all-league and all-state honorable mention honors after she averaged eight points, seven rebounds and three steals per game.

She currently holds a school record with 864 career rebounds and was an all-league player for her entire four year stint with the Louisburg basketball team.

"Carson is one of the hardest working players that I have worked with coaching basketball, boys or girls," Louisburg girls basketball coach Shawn Lowry said. "She never took a day off and always led by example. Carson was relentless as a player and was always the first one on the floor for a loose ball. As good an athlete, she is an even better young woman with great character, integrity, unselfishness and passion."

Buffington might have had her most successful season, both team-wise and individually, in the spring as the Wildcats' starting goalkeeper on the Louisburg girls' soccer team.

For the second year in a row, the Wildcats were the Class 4-1A state runner-up and Buffington was a big reason why. She started all 20 games and set school records in shutouts (13), saves in a season (115), goals against average (.952) and wins (17).

With all that success, Buffington was named the Class 4-1A Goalkeeper of the Year by the Kansas Soccer Coaches

Association.

"Carson in her first year as the starting goalkeeper was unbelievable," Louisburg girls soccer coach Kyle Conley said. "She kept us in a lot of games and even won us a few. Carson is in her third year ever playing soccer as well. She started her sophomore year and has grown so much. She is a gifted three sport athlete and it shows in her ability to play goalkeeper. She has a fantastic attitude and work ethic."

2019 Louisburg Sports Zone Athlete of the Year nominees

For the past three years, Louisburg Sports Zone has given out Athlete of the Week awards during each of the three sports seasons. I do it to recognize special athletic achievements and to highlight the athletes.

For the second straight year, Louisburg Sports Zone will be handing out an Athlete of the Year honor to a male and female athlete at Louisburg High School. I wanted the opportunity to recognize those who exemplify what it means to be an "athlete."

Although I am giving out the award, I wanted the process to be subjective, so I asked the head coaches at LHS to help me out. I asked each coach to send me nominations of who they thought exemplified the Athlete of the Year honor. They will then vote for their top 3 male and female athletes and then I will tabulate the results and determine the winner. In the next week, I will announce this year's recipients.

Below are the nominees for this year's award in alphabetical order by last name. Congrats to all those who were nominated and best of luck!

FEMALE ATHLETE OF THE YEAR NOMINEES

CARSON BUFFINGTON – SENIOR – BASKETBALL, SOCCER, VOLLEYBALL

Carson was a 3-time letter winner in her senior season and was named as a team captain in volleyball, basketball and soccer.

In volleyball, Buffington earned second team All-Frontier League honors as she helped lead the Lady Cats to a Class 4A state runner-up performance. She also moved from her starting setter position to the outside hitter spot and had a lot of success for the Lady Cats as she tallied 130 kills in her new position. With all that success, Buffington was also selected to the Greater Kansas City Volleyball Coaches Association Senior All-Star Match.

Buffington also wrapped up a strong career for the Louisburg basketball team as she averaged eight points and seven rebounds to go along with three steals a contest. She was named as a Frontier League honorable mention this past season, and she also was selected as an all-state honorable mention.

In girls soccer, Buffington was the starting goalie for Louisburg in all 20 games. She posted 13 shutouts, which is a school record and had a .952 goals against average, which is also a school record. Buffington had 90 saves on the season that ended as a Class 4-1A state runner up for the second consecutive year. For her efforts, she was also selected second team All-Frontier League. Buffington was also named first team all-state goalie and was named Goalkeeper of the Year.

ANNA DIXON – SENIOR – VOLLEYBALL

Anna wrapped up her fourth volleyball season as a varsity starter for the Lady Cats and guided Louisburg to its second consecutive Class 4A-state runner-up finish.

Dixon, who is currently with the Kansas State volleyball team, ended her senior season with 584 kills and had a hitting percentage of .260. She also added 325 digs, 50 aces and 42 blocks as she played all six rotations. With those lofty numbers, Dixon earned several big time honors in her final season.

She was selected as an All-Frontier League first team player and was also named to the 4A State All-Tournament Team. Those honors continued as she was named the Kansas Volleyball Coaches Association Class 4A Player of the Year and earned a spot on KVA All-State First Team.

Following the season, Dixon was also named as an Under-Armour All-American also earned MaxPreps/American Volleyball Coaches Association Player of the Week honors.

ALYSE MOORE – SOPHOMORE – BASKETBALL, SOFTBALL, TRACK AND FIELD

Alyse is a 3-sport varsity letter-winner this past year as she earned letters for the basketball, softball and track and field teams. This past spring season, Moore went to state in two different sports and became the first Wildcat athlete in recent memory to do so.

In her first season in track and field, Moore threw the javelin for the Lady Cats and went on to become regional champion as she

eclipsed her personal best throw by almost 25 feet in just her third competition of the season. The following week, she medaled fourth at the Class 4A state tournament with a personal best throw of 131 feet and 9 inches.

Moore was also the starting shortstop for the Lady Cats as she helped Louisburg to its first regional championship since 2014.

During the basketball season, Moore was a starter for the Lady Cats and averaged six points, five rebounds and three steals a game.

TRINITY MOORE – JUNIOR – CROSS COUNTRY, SOCCER

Trinity is 2-sport letter-winner for Louisburg this past year as she had state performances in both cross country and soccer.

During the fall, Moore was the top runner on the Louisburg

girls cross country team as she helped the Lady Cats to a regional runner-up finish and qualified for state as a team for the first time in school history. Moore medaled fourth at the Class 4A state meet in Wamego and currently holds the school record for the fastest time in program history. She also earned first-team All-Frontier League honors for her third place finish at the league meet.

In soccer, Moore was a starter on the Wildcat team that recently finished as the Class 4-1A state runner-up for the second consecutive year. At the midfield spot, she finished the season with 12 goals and six assists and was also named to the All-Frontier League first team.

DELANEY WRIGHT – FRESHMAN – BASKETBALL, CROSS

COUNTRY, TRACK AND FIELD

Delaney is a 3-sport letter-winner as she took part in cross country, basketball and track and field and competed at the state level in two of those.

Wright found most of her success in track and field as she earned four medals at the Class 4A Kansas State Track and Field Championships in Wichita this past month. She medaled in the long jump, 400-meter-dash, 200-meter dash and as a member of the 4x400-relay.

During the regional meet, Wright broke two school records (long jump, 400 dash) and earned a regional and Frontier League title in the long jump. She also earned a medal in the long jump at the Kansas Relays earlier in the season.

In cross country, Wright was a member of the Louisburg team that finished as a Class 4A regional runner-up and qualified for the state meet as a team for the first time in school history. In basketball, Wright saw playing time at the varsity level as a freshman at different points throughout the season.

MALE ATHLETE OF THE YEAR NOMINEES

BLUE CAPLINGER – SENIOR – BASEBALL, FOOTBALL, TRACK AND FIELD, WRESTLING

Blue is a 4-sport letter-winner in football, wrestling, baseball and track and field and competed at the state level in two of the sports.

In football, Caplinger was an All-Frontier League player on both sides of the ball as he was named to the first team defense as a defensive back and second team offense as a multi-purpose player. On defense, Caplinger, who helped Louisburg to a 10-1 record and a regional championship, had 31 tackles from the safety spot and also had two tackles for a loss, two fumble

recoveries and an interception. Offensively, he had 544 total yards and six touchdowns.

On the wrestling mat, Caplinger was a regional champion at 170 pounds and finished his season with a 33-5 record. The Louisburg senior fell one match short of state medal with a 2-2 record at the Class 4A state tournament. He currently holds the school record for most career reversals (72) and most career escapes (86). Following the season, he was also named to the KWCA Academic All-State first team.

Caplinger split time between baseball and track and field in the spring. Although he spent time as a reserve and pinch-runner on the baseball team, Caplinger found a lot of success on the track.

He qualified for state as a member of two relays. Caplinger was a member of the 4x400 relay team that won the Class 4A state championship in 3 minutes and 25 seconds. Caplinger also helped the 4x100 relay to a fifth place finish and went on to garner two state medals.

Caplinger will join the Benedictine football team this fall.

AUSTIN MOORE – SENIOR – FOOTBALL, TRACK AND FIELD, WRESTLING

Austin is a 3-sport letter winner in football, wrestling and track and field and was among the state's best in two of the sports.

Moore thrived on the football field for the Wildcats as he helped Louisburg to a 10-1 record and a regional championship. Moore was a first team All-Frontier League player on both sides of the ball and was the league's leading vote-getter. He went on to rack up all-state awards as the Louisburg senior earned Class 4A first team all-state honors as a running back from the Topeka Capital-Journal and the Kansas Football Coaches Association. Moore was also named as a Class 4A first team all-state linebacker from the Wichita Eagle.

When the season was all said and done, Moore tallied 1,554 total yards from the running back spot, including 1,428 yards on the ground, and had 21 touchdowns before he broke his collarbone during the regional championship game.

With those numbers, he was named the Kansas Small Class Player of the Year by 810 Varsity and was All-Purpose Player of the Year by Kpreps.com. Earlier this year, Moore was also named to the Kansas Shrine Bowl roster.

On the wrestling mat, Moore missed more than half of the season with his broken collarbone, but came back in a big way. Moore won his first 14 matches when coming back at 220 pounds, which included a regional championship. He went on to earn his first state medal as he finished fourth at the Class 4A state tournament with a 3-2 record. He was also named to the KWCA Academic All-State first team.

During the spring, he was a member of the Louisburg track and field team and threw the javelin for the Wildcats. He was also on the throwers relay that ranked Top 5 nationally at one point in the season.

Moore will join the Kansas State football team this fall.

KIEFER TUCKER – SENIOR – FOOTBALL, TRACK AND FIELD, WEIGHTLIFTING

Kiefer is a 2-sport letter winner in football and track and field and also went to state competition in two activities.

Tucker was a presence on the line of scrimmage for the Louisburg football team as he was a first team All-Frontier League player on both sides of the ball and helped the Wildcats to a 10-1 record and a regional championship.

The Louisburg senior was among on the leaders on the offensive line as he helped pave the way for more than 3,500 yards of total offense. On defense, Tucker recorded 55 tackles from the defensive end spot, including three tackles for a loss, three forced fumbles, a fumble recovery and a sack. Those numbers helped earn him honorable mention all-

state honors and was also named to the all-state team by the Kansas Football Coaches Association.

The honors kept coming for Tucker as he was recently selected to participate in the Kansas Shrine Bowl.

During the winter, Tucker was a member of the Louisburg powerlifting team and certainly made his mark there as well. Tucker won the Class 4A state championship in the 220-pound class and broke a 24-year-old record in the bench press with a lift of 375 pounds.

In track and field, Tucker qualified for state for the first time in the discus. He finished as a regional runner-up and went on to take ninth at the Class 4A state meet in Wichita, just one spot away from earning a state medal.

Tucker will join the Emporia State football team this fall.

DeShazer excited for opportunity with Avila basketball

Louisburg senior Dylan DeShazer will continue his basketball

career next season at Avila University as he signed a letter of intent with the Eagles on April 3.

Dylan DeShazer has been playing basketball for most of his young life, and with college in his near-future, he wasn't ready to leave it behind just yet.

In fact, playing collegiate basketball has always been a goal of DeShazer's and he found the perfect opportunity for him. On April 3, DeShazer made his decision known in front of family and friends during a signing ceremony at Louisburg High School.

DeShazer signed his letter of intent to play basketball at Avila University and he is excited to take the next step in his journey with the Eagle program.

"It is definitely a big step," DeShazer said. "It is a little scary, but it is exciting too because I get a chance to go to a different place, meet new people and do what I love, which is playing basketball.

"Playing college basketball has been a big goal for me for a long time. Now that it is actually happening, it is just awesome. It really is an undescribable feeling and am looking forward to getting started.

The Louisburg senior started most of the season for the Wildcat program and averaged eight points and five rebounds in 22 minutes a contest. DeShazer, who stands at 6 feet, 5 inches, played

a lot under the basket for the Wildcats and will have a similar role next season with Avila.

"They see me as a big man that can play in and out, but mostly working inside," DeShazer said. "He said he really wants someone that will work hard and go all out for the team and I think that I am that person."

Dylan DeShazer recently signed his letter of intent to play basketball at Avila University. Sitting next to Dylan are his parents Dennis DeShazer and Amy Goode. Standing (from left) is Louisburg head coach Ty Pfannenstiel and Avila head coach Bill Sloan.

Avila is an NAIA program in Kansas City, Mo., and is currently a member of the Kansas Collegiate Athletic Conference. Although the Eagles struggled last season, DeShazer is excited for the opportunity to fit in with the program, and the school.

“I did like how small and convenient it was,” he said. “They definitely have a good program and I have watched them for a while. They have a friendly environment and something I wanted to be a part of.

“I just want to get comfortable and get to know people. I would like to get a good amount of playing time, but really I want to just go and improve my skills.”

DeShazer had his best game of the season in the Wildcats’ final game of the year in the sub-state tournament as he scored a game-high 16 points and pulled down seven rebounds against Anderson County.

He was a part of a Louisburg senior class that helped turn around a program that had two wins a year ago and helped the Wildcats to a 9-12 record. DeShazer’s four years with the program was a special time for him.

“It really hasn’t sunk in yet,” DeShazer said of his high school career coming to a close.

“I can’t even remember all these experiences the last four years because I have had so many, but the stuff I do remember will stick with me forever. It was a good experience for sure.”

Vogel earns honorable mention all-league honors

Louisburg senior Kohl Vogel was selected to the All-Frontier League team recently after leading the Wildcats in scoring with 14 points per game.

The Frontier League provided a lot of challenges throughout the season and the Louisburg boys basketball team was well aware of its difficulties.

Louisburg had to navigate through some rough waters that included the eventual Class 4A state champion in Piper and another Class 5A state qualifier in Bonner Springs. Still, a few Wildcat players left impressions on the league coaches, including one in particular.

Senior Kohl Vogel, Louisburg's leading scorer, was the lone Wildcat to earn all-league honors as he was selected to the honorable mention team.

Piper and Bonner Springs led the way with six of the league's top 10 players, and Piper led all league schools with five selections overall.

"The Frontier League was loaded with talent this year, so I knew it was going to be very competitive on the all-league voting," Louisburg coach Ty Pfannenstiel said. "When you add three extra teams to the league (Piper, Bonner Springs and Tonganoxie), that narrows down the number of post season honors. Piper and Bonner alone had 6 players on the first and second team, so that goes to show you how tough it was going to be to land on that list. Kohl missed out on second team by one vote."

Vogel was a big part of the Wildcats' offense as he led the team with nearly 14 points per game. The Louisburg senior also played well defensively as he finished with a team-high 2.2 steals a game to go along with four rebounds.

"I really thought Kohl had a good enough season to receive a second team honor, but it just didn't quite work out," Pfannenstiel said. "He should be very proud of his honorable mention honor. Kohl had a great year for us. He started off the year very hot, having some big time scoring games.

"Kohl was a big spark for us both offensively and defensively. He definitely led us offensively, but was great for us defensively as well. His aggressiveness at the top of our press and zone really gave teams trouble. I was very proud of Kohl's effort this year. He's got a motor on the basketball court that doesn't stop."

Bonner Springs led the way with two first team selections in seniors Keyon Thomas and A.J. Watson. Spring Hill senior Brennen Feeback, Ottawa junior Koby Johnson and Piper sophomore Tamar Bates rounded out the first team.
