

Louisburg nearly upsets No. 2 ranked Piper

Louisburg junior Madden Rutherford battles two Piper players for a rebound Friday during the Wildcats' road contest at Piper High School. The Wildcats pushed the No. 2-ranked Pirates, but fell 57-44.

KANSAS CITY, Kan. – The Louisburg boys basketball team found itself in a situation Friday that not a lot of teams in the state will find themselves in.

Louisburg went on the road to Piper High School and the Wildcats held a two-point halftime lead over the No.2-ranked Pirates and were on the verge of one of the biggest upsets of the season.

Although it was a one-point game in the fourth quarter, the Wildcats couldn't hang on in a 57-44 loss to Piper. As good as the Wildcats' effort was, they didn't want to talk about the silver linings when it was all over.

"Our expectations are really high," Louisburg coach Ty Pfannenstiel said. "There is no one in that locker room that is happy about a moral victory. We said that we aren't into moral victories anymore. They were disappointed because they knew if they played well for two halves that we had a chance to beat a really good team.

"I really do think our kids are confident players and they are going to continue to work hard every day. Playing as well as

we did should make us a confident team and know that we can go toe-to-toe with any team that we play."

The Wildcats did that for much of the game, especially in the first half, as they slowed the Pirates down offensively. Louisburg ran a lot of set plays to get good looks at the basket.

On the defensive end, Louisburg forced Piper to knock down shots from the outside and took advantage of the Pirates slow start offensively. The Wildcats (3-2) jumped out to a 7-2 lead on baskets from Kohl Vogel and Madden Rutherford.

Louisburg senior Kohl Vogel puts up a shot in the second half of Friday's game at Piper.

Late in the first quarter, Piper went on a 7-2 run to take the lead back, but senior Noah Hill scored back-to-back baskets to put Louisburg back up 13-10.

The Wildcats went up six after a 3-pointer from Rutherford and held that lead after another 3-pointer from Vogel. Piper knocked down a 3-pointer late in the second quarter to cut

Louisburg's lead to 25-23 at halftime.

"We knew they were a good team," Pfannenstiel said of Piper. "We knew they were a confident team and they have a lot of athleticism. We knew we were going to have to slow them down because they like to get out and run. I feel like we did a really good job of that the entire game. We played very well defensively and our plan the whole time was to try and keep them in front of us, make them shoot from the outside and get every rebound and I thought we executed that really well."

Piper went on a 11-1 run to start the second half to get out to an eight-point lead, but the Wildcats were able to battle back early in the fourth quarter. Baskets from Vogel and Hill were able to trim the Pirate lead to one with six minutes remaining.

However, the Pirates finished the game on an 18-6 run that included several late free throws that were able to seal the win for Piper.

"I told them at the end of the third quarter that we weathered the storm and we eventually got down eight," Pfannenstiel said. "For us to fight back and answer there was really good to see. I think if we just knock down a few more shots then maybe it is a little bit different. The final score really wasn't indicative of how close the game was. It was just kind of slugfest."

"The second half our shots just didn't fall. Piper got a little more aggressive defensively and we turned the ball over a little bit. We did a really good job in the first half with only six turnovers and then we turned it over about 11 times in the second half and that gave them a few more opportunities and gave them some confidence. Plus, we didn't shoot it really well in the second half, either."

Vogel led the Wildcats in scoring with 17 points and Rutherford nearly had a double-double with nine points and 10

rebounds. Hill and senior Dylan DeShazer each finished with six points and Hill added six rebounds.

Louisburg will try and bounce back tonight when it hosts Turner for a 7:30 p.m. tipoff, in what is the Wildcats' final game before the holiday break.

Piper hands Lady Cats second loss of season

Louisburg senior Kennia Hankinson looks to make a pass during the Lady Cats' game with Piper on Friday at Piper High School. Piper handed Louisburg a 66-17 loss.

KANSAS CITY, Kan. – The Louisburg girls basketball team knew it was going to have its hands full when it traveled to Piper

to face off with Class 4A's second-ranked program.

Piper certainly lived up to its ranking as the Pirates caused problems for the Lady Cats and handed them their second loss of the season, 66-17.

The Pirates made things difficult from the opening tip as they outscored the Lady Cats 20-4 in the first quarter and went into the locker room with a 35-6 lead at halftime.

Piper senior Ryan Cobbins celebrated a milestone during the game as she scored her 1,000th career point late in the first quarter. Cobbins was a difficult matchup the entire night as she scored the game's first seven points and finished with 19 points.

Louisburg senior Kennia Hankinson led the Lady Cats in scoring with six points, while senior Carson Buffington and Haley Cain each finished with three.

The Lady Cats return to action tonight when it hosts Turner in their final game of 2018. Tipoff is set for 6 p.m. at Louisburg High School.

Louisburg boys use big second half to push past Frontenac

Louisburg sophomore Weston Guetterman dribbles past a defender during a game earlier this season. The Wildcats outscored Frontenac 43-20 in the second half Tuesday to record their third win of the season.

FRONTENAC – For the second game in a row, the Louisburg boys basketball team found itself in a tight game.

Well, at least until halftime anyway.

After falling in overtime last week, the Wildcats put it into a different gear Tuesday at Frontenac High School. Louisburg, which trailed by a point at halftime, recorded 43 points in the second half and left with a 69-47 win over Frontenac.

It was a dominant second half that saw the Wildcats outscore the Raiders, 43-20, in the final two quarters to pull away for an easy win.

"I thought we played a complete game," Louisburg coach Ty Pfannenstiel said. "We started off a little slow. It took us awhile to figure out their 1-3-1 zone, but we finally started attacking it instead of trying to just pass it around. We were really good in the second half. We went with a bigger lineup so we tried out a 2-3 zone and it was really effective."

The Wildcats put their three biggest players in Madden Rutherford, Noah Hill and Dylan DeShazer, on the back side of

that 2-3 zone and it caused problems for the Raiders. Their size allowed guards Brayden Gage and Kohl Vogel to harass the ball up top.

Louisburg forced 19 turnovers on the night and scored 27 points off those mistakes as they were able pull away in the second half. Louisburg went on a 13-2 run late in the third quarter to get up on the Raiders.

"Those three (Noah, Dylan, Madden) are really long and can take up space, so it allowed Brayden and Kohl to be more aggressive up top," Pfannenstiel said. "It really frustrated Frontenac and they didn't ever seem to get into a rhythm. We played great team basketball."

Vogel was the team's catalyst offensively for the second straight game as he led Louisburg with 19 points and had three assists and three steals. DeShazer, who missed the last game with an injury, was effective for the Wildcats as he finished with 17 points and led the team with nine rebounds.

Gage also scored in double figures for Louisburg with 13 points and had a team-high four assists and four steals. Hill was close to a double-double with eight points and eight rebounds. As a team, the Wildcats connected on eight 3-pointers.

"Our kids do not care who gets the stats," Pfannenstiel said. "We are rebounding the ball pretty well so far this season. We have confidence that if they miss, we can get the defensive rebound and go. I was very proud of our effort and energy. The kids represented Louisburg well."

Louisburg will face a tough test this Friday when it travels to Piper, which is currently ranked No. 2 in Class 4A.

Tipoff is set for 7:30 p.m.

Lady Cats hold off Frontenac for second straight win

Louisburg junior Erin Lemke drives to the basket during a game earlier this season. The Lady Cats earned its second consecutive win Tuesday when it downed Frontenac, 57-51.

FRONTENAC – It was the second straight road challenge for the Louisburg girls basketball team Tuesday when it made the trek to Frontenac, and just like the one last Friday, the Lady Cats passed another test.

The Lady Cats got out to a strong start in the first quarter and they were able to hold off Frontenac for a 57-51 victory and moved their record to 3-1 on the season.

"I was looking forward to playing Frontenac early in our season because it is a tough environment to play in and their kids are always very physical and tough," Louisburg coach Shawn Lowry said. "This kind of game was going to provide us the opportunity to find out more things about our team.

"The girls embraced the challenge and battled with great toughness and effort. I really like how all the girls are pushing, challenging and competing because of their commitment and their togetherness."

Louisburg controlled the action early as it took an 11-3 lead at the end of the first quarter and eventually led 24-15 at halftime. Frontenac clawed its way back and eventually took a 48-47 lead with 3 minutes left in the game.

The Lady Cats built a 3-point lead with under two minutes remaining and were able to hold Frontenac off to preserve the win.

Sophomore Madilyn Melton provided a bulk of the scoring for Louisburg as she led the way with a team-high 21 points. Fellow sophomore Brooklyn Diederich finished with 13 points, including a pair of 3-pointers.

Alyse Moore, another sophomore, was a force on both ends of the floor for Louisburg as she recorded a double-double with 11 points and 12 rebounds to go along with four assists. Senior Carson Buffington had eight points and a team-high with 13 rebounds and also had seven assists.

"It was very proud that all three levels of our program competed the way they did and all three came away with wins," Lowry said.

Louisburg will hit the road again Friday when it travels to Piper for its third consecutive away game. The Lady Cats will face the No. 2-ranked Pirates in a 6 p.m. tipoff at Piper High School.

Wildcats suffer overtime loss to Anderson County

Louisburg senior Kohl Vogel rises up for a shot around four Anderson County defenders Friday in Garnett. Vogel scored a game-high 27 points in the Wildcats' loss to Anderson County

GARNETT – Friday's game between Louisburg and Anderson County featured more twists and turns than your traditional soap opera.

Both teams went on big runs and went back and forth at each other on the scoreboard. Neither team could pull away, and one knocked down a shot in the final seconds in regulation to force overtime.

It was a contest where both teams had an opportunity to put the game away in their favor, but unfortunately for Louisburg, the Wildcats just ran out of time.

Anderson County went on a big run to start overtime and knocked off Louisburg, 80-74, and the Wildcats suffered their first loss of the season.

"The locker room is dead in there," Louisburg coach Ty Pfannenstiel said. "They are hurting for sure. If you want to try and spin it as a positive, it is good to know that they care. As coaches, we know that they do because of the time that they put into this and the summer that they had. To be able to play well in this type of game is good to see."

"We are going to see these types of games in the Frontier League all season. We are going to continue to get better and use this as a momentum builder and not a step back. Our program took a step forward with how we played."

The Wildcats (2-1) got big performances from several players throughout the game. Senior Kohl Vogel had his best game offensively as a Wildcat as he scored a game-high 27 points and pulled down nine rebounds.

Fellow senior Brayden Gage hit several big shots as he finished with 18 points and junior Madden Rutherford was big on the glass with a career-best 23 rebounds. Senior Noah Hill was also close to a double-double with seven points and nine rebounds.

However, the biggest moment came thanks to a sophomore.

With the Wildcats down by three points, and less than five seconds left, sophomore guard Weston Guetterman knocked down a 3-pointer to keep the Wildcats in it and sent the game to overtime.

"It was huge shot and it takes a lot of confidence for a kid

to step up and shoot that shot," Pfannenstiel said. "That is kind of kid that Weston is. Playing freshman basketball last year, he hit a half-court shot to win the game, so he is that big shot guy. It was a great job by our kids to get the ball to him and to execute that."

Weston Guetterman (3) puts three fingers up and the Wildcat bench celebrates after Guetterman made a game-tying 3-pointer to end regulation Friday at Anderson County.

After the opening tip, it appeared the Wildcats were going to run away with their third straight win. Louisburg jumped out to a 14-0 lead to start the game after big baskets from Vogel and Gage.

The lead didn't last long, however, as Anderson County went on a 20-9 run the rest of the first quarter to cut the Louisburg lead to three.

"We started the game about as well as we have started a game since I have been here," Pfannenstiel said. "We came out

confident and were making plays. Hats off to Anderson County for responding and they made a little run themselves and got it to a back and forth basketball game. I am proud of our guys with how we competed in this type of environment. We were never in this type of game last year and for our kids to play that well in that big of an environment was good to see."

The Wildcats encountered some foul trouble in the second quarter as Guetterman and Vogel both had to sit with three fouls. Louisburg was already without senior Dylan DeShazer, who was out with an injury, so its bench had to respond and it did.

Brayden Gage lays the ball up for two points Friday against Anderson County.

Sophomore Ben Guetterman came off the bench to score 10 points, all of which came in the second quarter, to help give

Louisburg a 43-37 lead at halftime.

However, turnovers were a problem for Louisburg most of the evening, including the second half. The Wildcats committed 30 turnovers on the night, including ones in the fourth quarter and overtime that allowed Anderson County to come back and take the lead.

“Anderson County wants to speed you up and they want you to play fast, and to be honest that is how we like to play, but there are times where we would have had an advantage in the halfcourt,” Pfannenstiel said. “At the same time, it is hard for our kids to get out of that attack mode. We were out of control at times and I think we committed like (30) turnovers and you aren’t going to win many games doing that.

“Anderson County just made some plays there in the second half and overtime to get the win. We had opportunities too, but they just rimmed out and that is how the game of basketball goes sometimes.”

Louisburg will try and get back on the winning track tonight when it travels to Frontenac for a 7:30 p.m. tipoff.

Lady Cats overcome struggles to down Anderson County

Louisburg sophomore Brooklyn Diederich drives past an Anderson County player Friday in Garnett. The Lady Cats pulled away for a 53-43 victory over the Bulldogs.

GARNETT – For most of the game's 32 minutes, the defense of the Louisburg girls basketball team made things difficult on Anderson County.

The Lady Cats forced Anderson County into 33 turnovers on the road and it led to a 53-43 victory Friday at Anderson County High School. As nice as those stats were for Louisburg, the game still left plenty for the Lady Cats to work on.

Offensively, Louisburg turned the ball over 19 times and several players were saddled with foul trouble for most of the first half. Still, despite those things, a win away from home trumps everything.

"Any time you can compete and win a game on the road, it is a good win," Louisburg coach Shawn Lowry said. "Anderson County is a program that is getting better and you can see that in the way they were playing. Any time you can go on the road and play that hard, make a lot of mistakes and still come away with a win is great."

It was a rough start for both teams as both scored just seven points in what was a turnover-filled first quarter. The Lady Cats were able to settle down offensively in the second

quarter and put some distance between themselves and the Bulldogs.

Louisburg outscored Anderson County 21-10 in the second quarter and took a 28-17 lead at halftime. The Lady Cats were able to do that despite the fact they had three players with three fouls in the first half.

Sophomore Brooklyn Diederich, junior Sydni Keagle and senior Kennia Hankinson came off the bench to provide crucial minutes for Louisburg. Diederich scored a season-high 11 points and was active defensively.

“Brooklyn came off the bench and I thought she played really hard,” Lowry said. “Offensively she did some good things, but defensively she helped us a lot there. Kennia came off the bench, and since it is her first game back, it is going to take her a little bit to get going, but I think she worked through the nerves and contributed a lot. I was really proud of what Sydni did out there as well. They all gave us big minutes.”

Sophomore Madilyn Melton was a steady force offensively for the Lady Cats as she finished with a game-high 20 points and had five rebounds.

Junior Erin Lemke had a game-high seven rebounds for Louisburg, while sophomore Alyse Moore and junior Haley Cain each had six rebounds. Senior Carson Buffington and Moore both finished with seven points to help the Lady Cats, while Buffington and Diederich led the way defensively with four steals each.

Louisburg junior Haley Cain goes up for a shot Friday against Anderson County.

Louisburg (2-1) continued to put away Anderson County in the third quarter as it tallied 18 points in the frame and forced 12 Bulldog turnovers that helped the Lady Cats build a 49-28 lead early in the fourth quarter.

"We still have a lot of stuff to clean up rotation-wise and we are not flying to the ball like we need to, but with that said, the base stuff we are doing I really like," Lowry said of his defense. "The girls are seeing more all the time and are working hard at it. This is only our third game running it, so we will only get better at it.

"We have to get better at scoring the ball. We are getting opportunities, but we just need to be able to finish. We will work on that and part of it is mentality to be able to finish."

It was the best of both worlds for Lowry on Friday as his team was able to get a win, but also gave him a list of things to work on at practice as the Lady Cats prepared for their game at Frontenac today.

"I am excited to watch film with the girls on this one because there are plethora of teaching moments in this game," he said. "I think it still speaks to how inexperienced we are in some places and some of the things that we are doing. We can fix all that stuff and work on it, but I still like their effort and toughness in making those mistakes. We are going to keep getting better."

Simpson returns to court after season-ending injury

Madisen Simpson, a Louisburg High School graduate, is currently averaging nine points a game for the Hannibal-LaGrange women's basketball team this season.

Madisen Simpson's first year of collegiate basketball was a memorable one – that was until it was cut short due to injury.

Simpson, a 2017 Louisburg High School graduate, tore her ACL last season while planning for Hannibal-LaGrange. The road to recovery was a difficult one for Simpson, but now she is starting to see the fruits of her labor.

Now in her second season with the NAIA program out of Hannibal, Mo., Simpson is fully healthy and among one of the top players on the Trojan squad.

"The injury was difficult for me," Simpson said. "I think it was something that I never thought would happen to me and I couldn't imagine being off the court for 6 to 8 months. Coming back took some time, and it wasn't the easiest. But I knew I was ready to be back, and all I had to do was push myself. Luckily, I have some amazing teammates who were by my side and my parents did everything they could for me."

Simpson is averaging nearly nine points a contest for the Trojans and is one of the top outside shooters in the NAIA. She is currently 13th in the nation with 26 3-point field goals made and 25th in 3-pointers made per game.

Although the Trojans are just 2-8 to start their season, Simpson is excited to be back playing the sport she loves and watching her team grow throughout the season.

"Being back on the court is an amazing feeling," she said. "I was counting down the days after surgery, but I think I came back a little timid, so it took some time getting used to it all again. I definitely had some things, and still do, that I need to work on. But I am glad to be back with my team again on the court."

Simpson, who plays most of her games hours away from her hometown, will get a home game of sorts Saturday. Hannibal-LaGrange will travel to Park University on Saturday, which is only about 45 minutes away from Louisburg, and she hopes to see some familiar faces for the 1 p.m. tipoff.

"I love coming to Park and play," Simpson said. "Being close to home is always a good feeling and I loved seeing the support from the community when I played there last year. Louisburg is so supportive and I couldn't have asked for a better community to grow up in."

Burlington hands Lady Cats their first loss of season

Louisburg junior Haley Cain gets on the floor for a loose ball Tuesday during the Lady Cats' home game against Burlington. The Lady Cats lost their first game of the season, 48-32.

The Louisburg girls basketball team encountered its first major test of the season Tuesday when it hosted the No. 3-ranked team in Class 3A, Burlington.

Burlington pressed the Lady Cats through much of the first half, and knocked down several open looks off turnovers, as it handed the Lady Cats their first loss of the season, 48-32.

"Our heads weren't right before the game started and that falls on me," Louisburg coach Shawn Lowry said. "We have to do a better job of preparing them mentally to be ready to go into a game like that against a really good team. We can't be psyched out before the tipoff. We knew what they were going to do and it is a program that has run that stuff for many years. I thought we were ready to go, but obviously we weren't."

Burlington jumped on the Lady Cats early as it took a 20-4 lead at the end of the first quarter, with many of those points coming off Louisburg turnovers. Louisburg wasn't able to dig out of the hole as Burlington outscored the Lady Cats 14-6 and took a 34-10 lead at halftime. Burlington also knocked down seven 3-pointers in the game.

The Lady Cats had a difficult time getting their offense going against a Burlington team that pressured the ball and weren't able to score much in transition. Only three players scored for Louisburg and bulk of the points came thanks to Carson Buffington and Madilyn Melton.

Buffington nearly finished with a double-double as she scored 14 points, pulled down eight rebounds and also added four steals. Melton also recorded double figures with 13 points, and was second on the team with five rebounds, along with junior Haley Cain.

Sophomore Megan Foote came off the bench to score five points in the second half in which the Wildcats were able to chip into Burlington's lead. Louisburg won the second half 22-14, but the Lady Cats weren't able to overcome the big deficit.

"We didn't play defense very well compared to last Friday," Lowry said. "We have to do a much better job with stances and rotations and flying to the ball. At the same time, Burlington has a great senior class with some really nice players.

"For me, I want us to feel that feeling the bottom of your stomach that you don't like very much after a loss. This group doesn't like this very much, so I am happy to see that. I think they will come back to practice to work really hard and get ready for Friday's game. Our preparation has to be at a higher level in preparing for every game we are going in to."

Louisburg will try to get back on track this Friday when it travels to Anderson County for its first road contest. Tipoff is set for 6 p.m.

Wildcats come up big in victory over Burlington

Louisburg senior Dylan DeShazer puts up a shot Tuesday during the Wildcats' home contest with Burlington. DeShazer scored eight points and pulled down four key rebounds late in Louisburg's 58-51 win.

The Louisburg boys basketball team needed something big to happen when its game with Burlington was tied with under three minutes remaining Tuesday at Louisburg High School.

Enter the Wildcats' two "biggest" players.

Forwards Noah Hill and Dylan DeShazer rose to the occasion as Hill converted two late baskets and was fouled on both to give the Wildcats the lead. DeShazer did the work on the glass as he pulled down four rebounds in the final two minutes to keep possessions alive and help give Louisburg a 58-51 victory.

"I think Dylan had three or four consecutive offensive rebounds and we know that we have to crash the boards because there are a lot of opportunities to get seconds chances for us," Louisburg coach Ty Pfannenstiel said. "You could say that it was the turning point of the game was that sequence there with those two guys, and for Dylan to come down with those was big. We have some good size kids, and when you play a team that doesn't have a ton of size, you have to take advantage of that."

With the game tied at 43-all with 2 minutes and 47 seconds left, the Wildcats rose to the occasion as they went on an 8-0 run to help put the game away despite a mini-Burlington run at the end to help keep it close.

Hill scored two baskets during that run, while Brayden Gage converted an open lay-up on a drive to the basket. Gage and Weston Guetterman also connected on free throws to give them a 51-43 lead with 1:31 left.

Burlington went on an 8-3 spurt to cut the Wildcat to three with 23 seconds left, but Gage and Madden Rutherford went 4-for-4 from the free-throw line to put the game away.

"It was not a great shooting night by either team," Pfannenstiel said. "They made some plays and hit some shots and put the pressure on us again. I think the kids did a good job taking care of the ball and we made plays when we needed to. Brayden made some big free throws and we were able to find a way to win."

Louisburg sophomore Weston Guetterman goes up for a layup Tuesday against Burlington.

Tuesday's victory was the Wildcats' second straight win to start their season and have already tied last year's win total with two. It is a mark that the Wildcats are happy to put behind them now.

"We've talked about that and we know how important it is to get off to a good start in these six games before Christmas," Pfannenstiel said. "Our kids are excited about that, but now we can put it in the rear view mirror. People are going to say those comments, but now it is a new season, it is a new team and we don't have talk about last season anymore."

Burlington put a lot of pressure on the Wildcat offense from the start, which made it difficult for them to get in a rhythm. Still, the Wildcats were able to hit big shots when they needed them.

Louisburg trailed by three points late in the first quarter, but junior Michael Waldron tied it up on a 3-pointer with 10 seconds left. Burlington took a 22-19 lead early in the second quarter, but the Wildcats went on a 9-1 run to go up 28-22 on a couple baskets from Guetterman and Hill.

Rutherford gave the Wildcats some momentum as he hit a 3-pointer with five seconds left to give Louisburg a 31-27 lead at halftime.

Offense slowed down for Louisburg in the third quarter as they went five minutes without a point, but the Wildcats managed to hang around thanks to two baskets from Kohl Vogel and another from Waldron. Hill put the Wildcats up four as he gathered an offensive rebound and recorded the putback with one second left in the third.

"We went through a little dry spell there in the third quarter, but we were able to stay in it," Pfannenstiel said. "They missed a couple shots that could have easily taken the wind out of our sails and we were able to bounce back and get good possessions. We preach that every possession is

important, whether it is the first one or the last. Every loose ball is important, every free throw and I think our kids are playing hard for four quarters."

Hill led the Wildcats in scoring with 14 points and also finished with 11 rebounds to record his first double-double of the season. Louisburg had balanced scoring throughout as Rutherford added 10, while DeShazer, Guetterman and Vogel each finished with eight. DeShazer also had seven rebounds.

Now the Wildcats will try to make it three in a row Friday when they hit the road for the first time this season. Louisburg will travel to Garnett to face off with Anderson County and Pfannenstiel knows these early games are important for his team.

"It was a huge win for us," he said. "We talk about that this game was kind of a turning point in our season for us last year as early as it was. Our second game of the year, we got out and beat Baldwin and then we lose a close game to Burlington and had a lead against Anderson County and gave it up in the end. Once that happened, we were never able to get that confidence the rest of the season and we never got any momentum going.

"We knew this was going to be an important week for us. We played well and got a win against Burlington and now we have a couple days to prepare and get ready for a very good Anderson County team. It was an important game and I was proud of the effort that our kids gave and executing at the end."

Wildcats down Tonganoxie to win season debut

Louisburg senior Noah Hill gets ready to go up for a basket against two Tonganoxie defenders Friday in the Wildcats' season opener. Hill finished with 12 points in the Wildcats' win.

Winning just two games a season ago, the Louisburg boys basketball team wanted to make sure history didn't repeat itself this year.

After one game this season, the Wildcats are well on their way to not letting that happen and showed they are a much different team from a year ago.

Louisburg used a big second half offensively as the Wildcats came away with a 58-47 win Friday over the Chieftains at Louisburg High School. It was the way the Wildcats' had hoped

to start their season.

"It was a great win," Louisburg coach Ty Pfannenstiel said. "I thought our kids competed hard, played with a lot of emotion and we had fun out there. Obviously, having a little success allows you to play a little more confident. Our goal was to be 1-0 at the end of the night and I thought we played pretty well for our first game out. It was exactly what we wanted."

The Wildcats did have overcome some adversity along the way as they had to deal with foul trouble throughout the game and it forced different players to step up.

Junior Madden Rutherford put the Wildcats on his back in the first half as he scored 14 of his game-high 18 points in the first two quarters. He added 13 rebounds to stat line and finished with a double-double.

Rutherford also scored all eight of Louisburg's points in the second quarter and was active on both ends of the floor.

"He is a competitor and an athlete," Pfannenstiel said. "He played hard and he played to his strengths quite a bit. I thought this time out Madden was exactly what we needed. He played with a lot of energy and really did a great job rebounding the ball for us."

Senior Noah Hill, who also finished in double figures with 12 points and eight rebounds, gave the Wildcats a spark early on as he scored six quick points in the first quarter to help Louisburg get out to a 16-7 lead.

Madden Rutherford (left) celebrates with Ben Guetterman (22) and Weston Guetterman after Ben made basket and was fouled on Friday.

The Wildcats went through a dry spell in the second quarter as they scored one point in the final four minutes of the half, but they still held a 24-21 halftime lead.

Foul problems helped contribute to that as point guard Brayden Gage had it sit most of the game and Pfannenstiel relied on sophomore Weston Guetterman, who was playing in his first varsity contest.

It worked out well as the Wildcats bounced back to open the second half on a 7-2 run. Senior Kohl Vogel widened the lead even more as hit a pair of 3-pointers, and junior Michael Waldron followed with another to put Louisburg up 38-27 late in the third quarter.

Vogel had a big second half as he scored 11 of his 15 points late to help the Wildcats secure a big first victory.

"We went through a little spell in the second quarter where they got some momentum and we were in foul trouble," Pfannenstiel said. "We had some different guys in there, but we were able to weather that storm and come out and play well in the second half. It was good team basketball and it wasn't a one-man show. Everyone did their part and it was very unselfish basketball.

"Brayden never really got into the rhythm of the game because of fouls, but Weston Guetterman, in his first varsity game, did a great job and we couldn't take him off the floor the first three quarters because of that foul trouble. Almost everyone who was out there had some foul trouble and it was a little dicey there for a while. We had some kids step up on the bench and Kohl had a really nice game scoring the ball."

The Wildcats put the game away in the fourth quarter when Hill scored two quick baskets and Vogel knocked down a 3-pointer to put the Wildcats back up by double figures and they never looked back.

Louisburg will try and make it two wins in a row Tuesday when it hosts Burlington. Tipoff is set for 7:30 p.m.
