

Brewer's goal lifts Louisburg past De Soto in overtime

Louisburg junior goalie Ambrose Stefan comes out of goal to make a diving save early in the match Friday against De Soto in Louisburg. The Wildcats defeated De Soto in overtime 1-0 on a goal from Raistlin Brewer.

For 80 minutes, Louisburg found itself knotted in a scoreless match with Frontier League leader De Soto.

Louisburg needed a win to stay in the race for the league title and wanted revenge for a tough loss earlier in the season.

It took less than a minute in the overtime for all that to come to fruition.

Junior Raistlin Brewer scored 59 seconds into the extra period to give the Wildcats a 1-0 victory Friday at home over De Soto as they stayed alive in the league title race after falling to current league-leader Spring Hill earlier in the week. Spring Hill and De Soto were tied in the league standings heading into the contest.

The win was also the first time the Louisburg senior class had ever notched a positive result over De Soto in their four years. Earlier in the season, the Wildcats fell to De Soto by the same score in what was a weather-shortened game.

“This was kind of redemption for us in how we felt the first game ended,” Louisburg coach Kyle Conley said. “By the boys winning, it gives us an amazing amount of confidence especially after losing to Spring Hill. By beating De Soto it actually gives us an ability to control our own destiny with our four regular season games left.”

Raistlin Brewer heads the ball away Friday during

Louisburg's home match with De Soto.

Louisburg (9-3) had a few opportunities to score on De Soto in regulation, but its best one came in the overtime and Brewer made sure he took advantage. Brewer attacked toward the goal after he received a through ball, played it off toward the middle, the ball got back to Brewer and he took the shot that hit the back of the net.

"Brewer's goal was fantastic," Conley said. "He has been so close so many times, but I couldn't have asked for a better time to get one. The boys all just kept fighting and grinding. They didn't give up and played with such desire."

De Soto, which outshot Louisburg 5-3 for the game, was on the attack early as it took several shots on the Louisburg defense and the Wildcats got a pair of nice saves from goalie Ambrose Stefan early on. Louisburg limited De Soto's chances after the first 20 minutes and was able to keep the game scoreless thanks to the Wildcat defense of Curran Conklin, Kris Light, Jacob Benne, Kolten Ragan, Scott Murphy and Calvin Cassida. Stefan also earned the shutout.

"After about the first 20 minutes, we settled down and pushed a bit more," Conley said. "The majority of the game was played between the 18's. They did take a lot of shots, but the majority of them were 30 yards out or so and didn't pose much of a threat. They did have two really good looks early but Stefan made two quality saves. The defense played with a 'bend but don't break' mentality. I couldn't have been prouder of the way the boys played."

Louisburg is currently tied with De Soto for second-place in the Frontier League standings with four regular season games remaining. Spring Hill is one game up on both teams, but the Wildcats will get another shot at the Broncos later in the season.

The Wildcats returned to action today when it traveled to Baldwin this afternoon, but they return home Thursday for senior night against Eudora. The varsity is set to begin at approximately 6 p.m.

Spring Hill shutouts Louisburg

Louisburg traveled to Spring Hill on Oct. 4 as it began the week tied with Spring Hill and De Soto for first-place in the Frontier League.

The Wildcats had both teams slated on its schedule for the week and they started with the Broncos. Unfortunately, it didn't get off to the best of start for Louisburg as it fell to Spring Hill 3-0.

The Broncos took control in the second half and scored two goals to pull away from the Wildcats. Spring Hill broke open a scoreless game eight minutes into the first half with a goal, and despite chances to score several minutes later, Louisburg couldn't get on the board.

"It was a frustrating game for us," Louisburg coach Kyle Conley said. "We played very even in the first half in fact had several quality opportunities, but the second half we struggled to find feet and didn't play our game. They scored three goals, but I felt two of which were soft by our standards. They are such a quality team, play hard and are a very experienced squad. We will play much better the next time we play them."

Knipp notches hat trick in win over Paola

Senior Herman Knipp (right) celebrates one of his three goals with Noah Juarez during Thursday's league match in Paola. The Wildcats defeated Paola 5-0 to improve their record to 8-2 on the season.

PAOLA – It took Herman Knipp less than three minutes to put Paola on its heels and the rest of the Louisburg High School boys soccer team was able to deliver the knockout blow.

Knipp scored two goals in under three minutes and helped the Wildcats to a 5-0 victory over their rival Thursday in Paola. In turn, Louisburg improved its record to 8-2 on the season and have now won four straight games.

“Rivalry games are tough,” Louisburg coach Kyle Conley said. “Paola is much better than their record (0-10) shows and they play so hard. We preached all day that we can’t get outworked and we have to get all over them. We kept high-pressuring them and we got two really good looks early. That just got us going and then we could relax a little.”

Eric Vazquez heads the ball away during Thursday's game against Paola.

Two minutes into the match, Knipp put Louisburg on the board with a goal and then seconds later added another score on an assist from Scott Murphy. The scored stayed 2-0 at halftime, but the Wildcats were far from done scoring.

Senior Noah Juarez found the back of the net early in the second half to put the Wildcats up three goals and Knipp then finished off what was his best game of the season. Knipp recorded his first hat trick as he tallied his third goal with 13 minutes left in the match.

"It felt absolutely amazing," Knipp said. "After getting the two in the first couple of minutes, I was pushing the whole game to get my third and possibly a fourth. It feels great.

"I think we played as a team a lot better than we did the first time against Paola. We really worked more as a unit than we did individually. We passed the ball and made everything work together like it should."

Junior Raistlin Brewer capped the scoring with a goal in the final minutes to seal the win for the Wildcats. Freshman Landon Johnson, senior Curran Conklin and Juarez also had assists in the victory.

The score could have been even more lopsided as the Wildcats peppered the Paola defense with several shots on goal. Sophomore Jonathan Ventre, senior Ty Martin, junior Grant Ryals and Juarez also had shots that were saved, or sailed just wide of the net.

Although it wasn't tested much, the Wildcat defense of Kris Light, Jacob Benne, Conklin and Kolten Ragan and Calvin Cassida limited Paola's chances, while goalies Ambrose Stefan and Ignacio Huesa combined for the shutout. The Louisburg defense hasn't given up a goal in four straight matches.

"The back line is talking a lot and working well," Conley said. "We have a lot of kids playing a lot of minutes, which I like because I want them to gel a little bit because some of them are playing positions they haven't played before. We are playing really good right now."

The Wildcats have found a lot of success on the pitch as they have already eclipsed last year's seven win total with five games remaining left in the regular season.

Sophomore Jonathan Ventre has his eyes on the goal for a breakaway Thursday in Paola.

“I think the boys have had chips on their shoulder this season because they thought they let games get away last year that they should have won,” Conley said. “We are just focused and the guys are fired up right now. We just keeping pushing them and they keep responding. We are getting some great results and playing good soccer right now.”

The games will get more important quickly for the Wildcats. Louisburg, Spring Hill and De Soto are all tied atop the Frontier League standings with one loss each.

Louisburg will travel to Spring Hill on Tuesday and then will host De Soto on Friday in a week that could help determine the league champion.

"Spring Hill is going to be the biggest game of the year for us," Conley said. "You could say that it could be for the league title. Spring Hill, us and De Soto each have just one loss so it is wide open. We just have to take care of business and see what happens and hope things fall our way."

Louisburg downs Tonganoxie in overtime

In regulation, neither team wanted to give in. The match between Louisburg and Tonganoxie was a scoreless one after 80 minutes on Sept. 27 at Tonganoxie High School.

However, less than a minute into the overtime, Louisburg senior Noah Juarez decided he had enough.

The Wildcat midfielder got the ball on the 18, beat two defenders and flicked the ball past the Tonganoxie goalkeeper for the game-winning goal. It left many on the Wildcat sideline stunned.

"The kids didn't know how to react in an overtime game and I told them just to run out there," Louisburg coach Kyle Conley said. "They all went and dogpiled him and it was cool to see."

Louisburg went up against a Tonganoxie team that featured a big, strong midfield, but the Wildcats were able to outshoot the Chieftains 8-2 on shots on goal in regulation. However, it took just one to win the game in overtime and defeat a Tonganoxie team that won eight of its first nine games.

"Tonganoxie is a physical, strong and fast team," Conley said. "Their midfield is probably one of the best midfields we have seen all year. The first 20 minutes we were on our heels a little bit, but then we just took over and we had good chance after good chance."

JV wins pair of games

The Louisburg High School junior varsity soccer team earned a pair of shutouts last week as it defeated Paola 2-0 on Thursday and also downed Tonganoxie 6-0 on Sept. 27.

Against Paola, Chris Williams broke open a scoreless game with a goal in the second half and Jarod Rose followed with another to get the win for the Wildcats. Eli Minster had an assist, while Ignacio Huesa and Thomas Arnett combined for the shutout.

Minster had a big game against Tonganoxie as he had two goals and two assists in the win. Jacob Anderson, Jon Paul Totta and Rose also scored for the Wildcats. Huesa and Arnett once again combined for the shutout.

Wildcats shutout Bonner Springs to end busy week

Louisburg senior Herman Knipp puts a shot on goal Thursday against Bonner Springs in Louisburg. The Wildcats shutout Bonner Springs 4-0 to finish a span of three games in four days.

Three games in four days might make some teams a little weary, but for the Louisburg High School soccer team, it had plenty of gas left in the tank.

The Wildcats hosted Bonner Springs on Thursday and used a big second half to pull away for a 4-0 victory to get their second win on the week. Louisburg finished the long week with a 2-1 record and bounced back strong after a tough loss to Piper on Sept. 19 that started the stretch of games.

"I was a little concerned about how guys would handle this hectic week, especially playing Piper first because they are probably the best team we have faced so far this year," Louisburg coach Kyle Conley said. "Plus we played the two games previous on turf and that is a big difference. At the same time. I think the boys held up well. I think we do enough fitness during practice to help prepare for this and they took good care of themselves. We actually looked like we were pretty fresh, which was a good thing."

Louisburg (6-2) had plenty of scoring opportunities throughout the contest against Bonner Springs, especially in the first half. The Wildcats had seven shots on goal in the first 40 minutes, but their first goal came thanks to a corner kick.

Junior Grant Ryals sent the corner into the box and fellow junior Scott Murphy headed the ball in the back of the net in the 22nd minute to give Louisburg a 1-0 lead and the score stayed that way at halftime.

Senior Herman Knipp opened the game with the shot on goal after a pass from Raistlin Brewer but was saved by the Bonner Springs goalie. Senior Noah Juarez just missed on a free kick a few minutes later and also had a shot on goal saved.

Senior Ty Martin, sophomore Jonathan Ventre and Knipp also had shots on goal before halftime, but couldn't increase the Wildcat lead.

Eventually those shots started to go in.

Juarez made it 2-0 early in the second half when he converted a penalty kick after Ventre was fouled in the box. Then in the 52nd minute, Juarez made it a three-goal lead when he scored on a breakaway opportunity.

Kris Light (right) celebrates with teammate Grant Ryals following Ryals' goal Thursday in the win over Bonner Springs.

"We had a little trouble finishing early, but then the flood gates opened and we did alright," Conley said. "I told the guys at halftime that it was only 1-0 and that anything could happen. We are one bad ball out of the back and we are tied. We came out and I thought we really controlled the pace of the game and I thought we did a great job in the midfield.

"We may not have finished as well as we would have liked, but we didn't hang our heads and kept grinding away and I am definitely pleased with that."

Ryals sealed the win with a goal in the 61st minute and the Wildcat defense was able to take care of the rest. Bonner Springs had minimal chances on goal and junior goalkeeper Ambrose Stefan earned his second consecutive shutout.

Louisburg returns to action Tuesday when it travels to Tonganoxie and then will get back into Frontier League action Thursday when the Wildcats travel to Paola.

Louisburg blanks Eudora

Coming off a frustrating loss to Piper just a day earlier, the Louisburg players didn't seem to let it get them down when they traveled to Eudora on Sept. 20.

The Wildcats jumped on the Cardinals from the start and never looked back in a 4-0 win as they scored pair of goals in each half.

"I was a little worried about our legs at Eudora with back-to-back games on turf in the heat," Louisburg coach Kyle Conley said. "We had kids banged up all over the place, but they just grinded and did their job. It was awesome."

Freshman Landon Johnson, juniors Grant Ryals and Scott Murphy, along with sophomore Jonathan Ventre all scored goals for the Wildcats. Senior Noah Juarez had a pair of assists and junior Raistlin Brewer also had an assist.

Louisburg took a 2-0 lead at halftime, but Eudora threatened to cut the lead in half right after halftime with a good look at the goal, but goalie Ambrose Stefan turned the shot away.

"That really was a great save by Ambrose and if Eudora makes that, the game might be a little different," Conley said. "After that save, I think that really hurt Eudora's confidence

and we were able to capitalize.”

Wildcats lose in final seconds to Piper

Louisburg made the journey to Piper High School on Sept. 19 and were minutes away from leaving there with a victory.

Instead, Piper scored two goals in the final three minutes to steal a 2-1 victory from Louisburg. The Wildcats held a 1-0 lead through much of the game after a goal from senior Noah Juarez, but a defensive miscue gave Piper an open look at the goal with three minutes left to tie the match.

With 45 seconds remaining in regulation, Piper took a shot on goal, but the Pirate player accidentally struck the ball off his shin guard instead of his foot, which resulted in a floating shot over the outstretched arms on Louisburg goalie Ambrose Stefan.

“In the second half Piper changed their formation and they were super direct and aggressive,” Louisburg coach Kyle Conley said. “The last 15 minutes we were defending for our lives. It was kind of demoralizing because the boys played well enough to win and that is the part that hurt the most. That is probably on me because when you lose like that it is probably a coach’s issue and I should have done something different.

“It was kind of weird last shot that gave them the winning goal. There really wasn’t anything Ambrose could have done on that. It was just unfortunate for us. But I told the guys we weren’t going to let this loss define our season and we didn’t.”

Wildcats pull off big comeback in win over Baldwin

Louisburg junior Grant Ryals passes the ball up the field during Thursday's home contest with Baldwin. The Wildcats scored four unanswered goals to rally for a 4-3 win over the Bulldogs, including a goal from Ryals.

Down three goals with less than a half to play, the odds were certainly against the Louisburg High School boys soccer team.

The Wildcats were struggling during their home contest with Baldwin on Thursday and the Bulldogs, which had a below .500 record going in, had taken control of the game with a two goal lead at halftime and added another early in the second half.

Despite all that, Louisburg defied the odds and pulled off an improbable comeback. The Wildcats scored four consecutive goals in the second half to rally for a 4-3 win over Baldwin.

With the game tied late in the contest, junior Noah Juarez had a free kick at the top of the 18-yard mark and put it in the upper left portion of the net for the game winner. Just minutes earlier, Louisburg was fouled in the box and Juarez was awarded the penalty kick and tied the match.

Senior Noah Juarez heads the ball away during the Wildcats' game with Baldwin on Thursday.

"After being down three goals, it could have been very easy to become selfish and give up, but the boys didn't," Louisburg coach Kyle Conley said. "I did love how our kids fought and played with such desired and passion. We showed the will to win and that was great to see.

"We really did not see much adversity yet this season and I was interested to see how we would respond. We just kept attacking and attacking. Sometimes you need to do the intangibles to find success and this was one of those nights."

The Wildcats (4-1) chipped away at the Bulldog lead in the second half as senior Herman Knipp and junior Grant Ryals each had a goal to keep Louisburg in it.

Knipp received a through ball, dribbled past a Baldwin defender and shot it past the Baldwin goalkeeper to give Louisburg its first goal. Moments later, Ryals received a pass from Juarez, got his shoulders over the ball and found the back of the net.

"Herman and I have been working hard on learning the types of runs to make and this was the perfect run with a terrific pass to get us on the board," Conley said. "Grant's goal was a

quality goal. At that point, the boys kept fighting and you could see they believed they had a chance to win and this is when they started to play much better.”

Following Ryals’ goal, the Wildcats controlled more of possession and the Louisburg defense stiffened up. All that set up Juarez’s heroics with the penalty kick and game-winning goal.

As much as the Wildcats were happy with the comeback win, they also realize they made it a little difficult on themselves with a slow start.

“To be quite honest, I feel we didn’t deserve to win that game at all,” Conley said. “Baldwin controlled the game and the pace of play for the majority of the game. As a team, we were flat and did not communicate. We were kind of just going through the motions. To win, let alone, get a positive result, we feel very fortunate.

“This should provide a great example that we can take nothing for granted. I believe they may have been looking at their record and we took something for granted. We had no emotion and were just going through the motions. I believe that this is a great example of what we can accomplish.”

The Wildcats hope to build on that momentum on what will be a busy week. Louisburg travels to Piper tonight to kickoff a stretch of three games in four days. The Wildcats will travel to Eudora on Tuesday and return home this Thursday when they host Bonner Springs.

“This week is going to show what we are made of,” Conley said. “It potentiality could be a great week or a tough week for us. These three games are going to be tough and we are going to have to work for everything. It’s going to be a lot of fun.”

De Soto hands Louisburg first loss

In what was its first loss of the season, the Louisburg boys soccer team never got a chance to mount a comeback thanks to Mother Nature.

Storms delayed the start of the Wildcats' game at De Soto on Sept. 13 and the game was eventually called in the second half due to lightning.

Unfortunately for Louisburg, De Soto's Ethan Rodriguez scored a goal with three minutes left in the first half to give his team 1-0 lead and that is how it finished. Since the two teams completed a full half, the game was considered official and will not be made up.

Wildcats down rival Paola, stay perfect

Louisburg senior defender Kolten Ragan clears the ball away during the Wildcats' home contest with Paola last Tuesday. Louisburg defeated Paola 3-0 and won its third straight game to begin the season.

The Louisburg High School boys soccer team experienced the best of both worlds following last Tuesday's contest with Paola.

Not only did the Wildcats get a chance to knock off their rival in a 3-0 victory at home, but Louisburg's victory over Paola also kept the Wildcats perfect in the standings as they recorded their third straight win to start the season.

It wasn't easy as the Paola defense made the Wildcats work for it, especially early on as several Louisburg shots sailed either just wide of the goal or were saved by the Paola goalie.

The Wildcats eventually broke through with a goal in the first half and two more in the second to preserve the win.

Herman Knipp celebrates with teammate Calvin Cassida (8) after scoring Louisburg's first goal Tuesday against Paola.

"I feel that we did a great job possessing the ball and making some quality connecting passes throughout the midfield," Louisburg coach Kyle Conley said. "I feel we did a very nice job of dictating the pace of play and how the game was

controlled. It is really nice seeing how this team keeps progressing and improving each night out.

"I feel that we did face a little adversity within the final third. I do not think we were aggressive enough or we tried to play that perfect pass. With that being said, the boys work rate was high and we posted a lot of pressure against their back four."

Louisburg's attack did put pressure on the Paola defense early as the Wildcats had several opportunities in the game's opening minutes. Sophomore Jonathan Ventre, junior Christian Scholtz and senior Curran Conklin had shots on goal, while Noah Juarez hit a header off a corner kick but it was saved by the Paola keeper.

Senior Herman Knipp finally snuck one past the Paola defense with a goal in the 35th minute on an assist from senior Calvin Cassida to give the Wildcats a 1-0 lead and they would take that into halftime.

In the 56th minute, Juarez got in on the scoring as he took a shot from the top of the box and put it in the left corner of the net to give Louisburg a two-goal lead. Knipp then added his second goal in the 73rd minute to all but seal the win.

"Herman did a nice job of playing simple and taking what the other team gave him," Conley said. "We have been working on changing the type of run he has been making and it showed. With our scoring the way it has been, we have been very balanced. I feel it shows how any given night anyone is capable of putting a few in the back of the net."

Defensively, the Wildcats didn't give the Panthers much of an opportunity for good looks at the goal. Paola did have two shots on goal in the second half, but the Louisburg defense held on and goalie Ambrose Stefan recorded his second shutout of the season.

The Wildcats were scheduled to square off with Spring Hill on Thursday but due to the weather, the game was postponed and moved to Oct. 17.

Louisburg will try for its fourth straight win this Tuesday when it travels to defending Frontier League champion De Soto. Junior varsity is scheduled for 4:30 p.m., and varsity will play at 6 p.m.

To view a photo gallery from the game, please [click here](#).

Junior varsity stays perfect with shutout of Paola

The Louisburg High School junior varsity soccer team put on a goal-scoring show last Tuesday against Paola as the Wildcats rolled to a 10-0 victory to run their record to 3-0 on the season.

Eli Minster recorded a hat trick with three goals and teammates Chris Williams and David Holiday each had a pair of scores. Ryan Haight, Will Frank and Brian Arnold also added a goal.

Jacob Andersen recorded two assists, while Ignacio Huesa and Holiday added an assist of their own. Huesa and Thomas Arnett combined for the shutout.

Wildcat soccer perfect to

start season

Louisburg goalie Ambrose Stefan slides in for a save during Thursday's home opener against Ottawa. Stefan and the Wildcats started the season with back to back wins over Ottawa and Fort Scott.

There was a little anxiousness and excitement heading into the home opener for the Louisburg High School boys soccer team.

The Wildcats were about to have their first true test of the season Thursday against a team they haven't been able to beat in the last two years. A little anxiousness is to be expected, but one kick seemed to change all that.

Senior Noah Juarez nailed a penalty kick eight minutes into the contest, and from there, the Wildcats settled down and dominated the Cyclones in the 3-1 victory. After a win against Fort Scott earlier in the week, the Wildcats are now off to a 2-0 start.

"That definitely eased the nerves," Louisburg head coach Kyle Conley said. "The first five minutes we were all over the place. We were a little too amped up and running around like crazy. It looked like little kid soccer there for a while. We calmed down a little bit, had a couple great balls through and Herman (Knipp) had a great run. Noah then knocked home the penalty kick. It was a good result for us definitely."

It was all set up by good through ball to senior Herman Knipp,

who was then fouled in the box and the Wildcats were awarded the penalty kick. That play seemed to give the Wildcats all the momentum as they added another goal two minutes later.

Junior Scott Murphy usually spends most of his time on defense, but Murphy got an opportunity to score as he dribbled through the Ottawa defense in the box and his shot went past the diving Cyclone for the goal on an assist from Knipp. Murphy nearly added another goal later in the half, but his shot was just wide of the net.

Defender Kris Light heads the ball away Thursday against Ottawa.

“He probably won’t get a lot of opportunities on goal, but Scott should have had a second goal too which would have been awesome,” Conley said. “He is just a workhorse and that goal he had was just a work goal. That was a great time to get his first varsity goal.”

The score gave the Wildcats a little cushion to work with as they took a two-goal lead at halftime. The Louisburg defense, on the other hand, made things difficult for the Cyclones as well.

Conley shifted several players in and out of the backfield and Ottawa didn’t many good attempts on goal. When there were

shots, Louisburg goalie Ambrose Stefan turned them away.

Kolten Ragan, Curran Conklin, Jacob Benne, Kris Light, Ty Martin, Calvin Cassida and Murphy all provided crucial minutes on defense.

“Ambrose did a good job in goal and we limited their chances,” Conley said. “We gave them shots from 25 to 30 yards out and he has more than enough time to react and save those. Defensively we were a little shaky at first, but we did OK and there are going to be growing pains. When we played Fort Scott we didn’t get a lot of work, so that was good to see them bend but don’t break.”

Louisburg made it even more difficult for Ottawa as it added another goal early in the second half. Juarez received a pass from teammate Grant Ryals and Juarez took a shot from 18 yards out and put it in the upper right corner of the net to all but seal the win for the Wildcats.

Ottawa added a goal with 23 minutes left in the contest, but could get no closer.

The Wildcats will try to make it three wins in a row today when they host Paola. The varsity match is set for 4 p.m.

“With this league being so good we just have to take it one game at a time,” Conley said. “I don’t think Paola is going to come and lay down for us. It is a rivalry game again and kids have to get hyped up and get after it in practice. It doesn’t get any easier with Spring Hill and De Soto coming up soon and then the gauntlet begins.”

To view a photo gallery from the contest, feel free to click [here](#).

Wildcats rout Fort Scott

Once its season opener got underway against Fort Scott, there was little doubt on who was going to win the contest.

The Louisburg High School boys soccer team opened its season in Fort Scott on Aug. 30 and put together an offensive show. The Wildcats pummeled the Tigers with seven first half goals and Louisburg came away with the 10-0 win.

For the game, the Wildcats had 18 corner kicks and never let the Tigers have much of an opportunity on goal.

"I never saw in 18 corners in a game before, but we had tons and tons of pressure," Louisburg coach Kyle Conley said. "Our finishing was atrocious. I was really worried about it and we were trying to make that perfect hit instead of just slotting it where it needed to go. Fort Scott is rebuilding with a new coach and he is trying to institute new things. I thought the kids played well though."

Four different Wildcats had two goals on the night. Herman Knipp, Landon Johnson, Jonathan Ventre and Noah Juarez each had a pair of scores, while Christian Scholtz and David Holiday each had a goal.

Juarez added three assists in the victory, while Curran Conklin, Knipp, Scholtz and Grant Ryals each finished with an assist as well.

Wildcats ready to defend regional title with new coach

Noah Juarez (right) looks up the field during the team's annual scrimmage Friday. Juarez is one of several returning players returning from last season's regional championship team and was named captain with fellow senior Kolten Ragan (background) and junior Grant Ryals.

The Louisburg High School boys soccer team caught fire at the right time last season.

After recording just four wins during the regular season, the Wildcats reeled off three straight victories to capture the program's sixth regional title and a spot in the state quarterfinals.

That may have been nine months ago, but Louisburg hopes it can use some of the momentum and confidence to get off to a good start in 2016.

"I would think the boys should have some excitement in regards to winning a regional title from last year," Louisburg coach Kyle Conley said. "That should give them some confidence with their abilities and success always promotes a positive attitude."

Conley is excited to get going himself as he is in his first season with the Wildcats after taking over for Ben York, who served as head coach for 13 years. In the spring, Conley led the girls' soccer team to a regional title in the program's first year and hopes the boys can experience similar success.

There has been a transition period, but the players are

getting to used what Conley expects and a different style of play.

“Practice has been going well,” Conley said. “According to the boys what we are doing is vastly different than they are use too, but that is to be expected with a new coach. The boys have great attitudes and work ethic and in that regard I couldn’t ask for anything else from them.

“I appreciate the fact that they do not make excuses and try to play the way we want them too. I am very excited to see how this team does. I wish I had another week of practice, like every other coach, but I am very excited to see this team compete.”

The Wildcats have a strong core returning from last season’s squad and it starts with senior Noah Juarez. The Louisburg midfielder is a three-time all-state and all-Frontier League player and will provide stability in the middle of the field.

Scott Murphy heads the ball away from teammate Chris Williams Friday during the team’s annual scrimmage.

Juarez was named team captain, along with fellow senior Kolten Ragan and junior Grant Ryals. Junior Christian Scholtz and Ryals will join Juarez in the midfield, which is one of the

team's strengths heading to the season.

Juarez returns as the team's leading scorer as he recorded 11 goals a season ago to go along with nine assists.

"Noah is a quality player and even a better young man," Conley said, "He has a great skill set, but I know he can get even better. So we are going to challenge him to take his game to another level this year. I then expect for his teammates to also pick up their individual game up to try to make his intensity better.

"I envision this year being kind of the icing on the cake to close out Noah's senior year. I feel this year will give him the opportunity to open a lot of doors collegiately. My expectation for him is to push himself to better his game, but also make his teammates better around him."

There has been a lot of competition at some of the other spots so far this season as juniors Raistlin Brewer and David Holiday, along with sophomores Jacob Andersen, Eric Vazquez and freshman Landon Johnson are all competing for spots in the midfield.

Senior Herman Knipp and sophomore Jonathan Ventre will see a lot of time at the forward spot.

However, the position on the field with the most questions for the Wildcats is on defense. Louisburg lost almost its entire starting defense from a season ago and Conley is looking for some new players to step up.

Seniors Jacob Benne, Curran Conklin, Ty Martin, Calvin Cassida, Ragan, along with juniors Kris Light and Scott Murphy will all see playing time in the back. Junior Ambrose Stefan will also begin the season as the team's goalie.

"Defense is a very interesting aspect to our team," Conley said. "We have about six to eight guys who could play four to

five spots depending on our formation. These players are also very similar type players. So it is going to come down to (today) for us to determine starters and to be quite honest, it will be something that will/could change each game. We have several guys with some varsity experience so that helps, but graduating almost our entire defense last year is going to be tough to replace. As of now, Ambrose is going to be our starting varsity goalkeeper. He has beat out the other two goalkeepers and has been the most consistent throughout our preseason."

Like most other seasons, the schedule will be a difficult one for Louisburg. The Frontier League provides several challenges, including teams like De Soto and Baldwin, who have made deep runs in the playoffs in the last few seasons.

"As I think everyone already knows, we play in a ridiculously difficult league," Conley said. "My goal is to make sure we are always prepared, focused, ready to compete and never get outworked in a game. I think we have the skill sets to be a driving force in league this year, but it is going to be very difficult. I feel the boys' league record from last year is also some motivation for this season because they know they are better than that."

Louisburg opens its season Tuesday when it travels to Fort Scott. Varsity is scheduled to begin at 4 p.m. The Wildcats' home opener is set for 4 p.m. on Thursday against Ottawa.

Numbers are up for LHS fall

sports

After making the playoffs a season ago, the Louisburg High School football watched its number rise by a small number as they try to improve off of its 7-3 season in 2015. The Wildcats hold a scrimmage at 8 a.m., on Saturday.

A week into the fall sports season, all of the Louisburg High School sports teams have seen their participation numbers rise from last year – albeit by a small number.

It would make sense as all four programs made strides in the 2015-16 campaign. The football team returned to the playoffs after a 3-win season the year before and volleyball placed third at the state tournament.

Boys soccer won its first regional title in five years despite a rough beginning. Meanwhile, cross country qualified a runner for the state meet for the first time in several years and the girls team made program history when it won its first ever meet.

Needless to say, last year's results have left several excited for what is to come in all sports.

Sophie McMullen is one of three returning varsity players from last season's third place finish at state for the LHS volleyball team.

Louisburg's football team won seven games last season, which was four more than the year before despite a first-round exit in the playoffs. The Wildcats saw their numbers rise from 58 to 63 this season and are ready to make an improvement on the field as well.

They are going through 2-a-days now and will finish a grueling week with an 8 a.m. scrimmage Saturday.

"The first couple days have gone real well, however we are a little limited in what we can do and expect without full pads," football coach Kyle Littrell said. "We have a great group of kids who have committed themselves to our grueling summer program and the seniors have really taken the leadership role and ran with it."

Volleyball spent the first three days of practice going through tryouts, but head coach Jessica Compliment saw numbers rise from 28 to 36 this season, which means a few more cuts

than last year, but Louisburg has to replace five varsity players from a year ago.

The Lady Cats might have the shortest amount of time to get ready of all the sports as they open their season with the preseason Frontier League tournament on Aug. 27 in Baldwin.

“The first few days of practice have centered around testing and conditioning,” Compliment said. “We started practice with the team on Thursday. I know the players are ready to get the season going, which is good because we have a quick turnaround with a tournament in a week.”

Louisburg's (from left) Jon Paul Totta, Kyle Allen and Jacob Arnett take part in a drill during a soccer practice Wednesday.

First-year boys soccer coach Kyle Conley inherits a Wildcat program that won the regional tournament and advanced to the state quarterfinals. The numbers for the Wildcats program were up by just two from last year, but Conley has liked what he has seen out of his group thus far.

“The kids are focused and determined,” Conley said. “I am very pleased with their attitudes and work ethic. They seem eager to learn from each session. I love how the kids are believing

in the program and my philosophy.

“It is really good to finally get started and get things going. I am excited to see what this team will become. I do understand that our league is incredibly talented, but our mind set it going to be we have something to prove.”

As for cross country, head coach John Reece has seen a large number return for the season, especially on the girls. The Wildcats have 36 runners out this season – with 24 of those competing on the girls team. Louisburg had 31 total runners out a year ago.

Louisburg cross country runners Kaitlyn Gaza (left) and Lilly Mick finish up a practice run Wednesday.

Junior Wyatt Reece returns to help the boys after qualifying for the state meet as a sophomore.

“Practices have started great, especially since it is not 110 degrees in the shade,” coach Reece said. “Those who ran through the summer are ahead of the game. We hope to do some great things this year with almost all of my varsity girls returning.”

Wildcat boys soccer improves over summer

Louisburg's Jacob Benne passes the ball off in a drill during the Wildcats' boys soccer team camp July 13. The Wildcats ended their week-long camp on July 15 and have been busy working since early June.

The Louisburg High School boys soccer team certainly saved its best play for last a year ago when the Wildcats caught fire at the right time, won a regional title and earned a spot in the state quarterfinals.

Now the Wildcats hope to use that momentum to get off to a good start this season. The players have been busy all summer preparing for the start of their season in August and are getting used to their new coach – Kyle Conley.

Louisburg held its week-long team camp that ended on July 15 and have also had numerous workouts over the course of the summer that began in early June.

"I feel camp went really well and we started to build some

chemistry and develop a bit of standards that I want to achieve,” Conley said. “We had 25-27 guys out throughout the week, and the summer, for that matter. I was extremely pleased with their turnout and dedication to get better.”

The camp gave Conley a chance to work with his new team and was also an opportunity for the players to get used to his coaching style and what he expects.

Head coach Kyle Conley looks on as his players go through a drill during the Wildcats' team camp earlier this month.

“We stressed the importance of focus and training at game speed,” Conley said. “It is very easy to go through the motions and at a slow pace. Coach (Michael) Pickman and I stressed playing the game faster and practicing harder. I feel throughout the summer the boys started to buy into my philosophy.

“Also with that philosophy, I needed us to be better passers and value that possession. I felt in the past they made a lot of needless turnovers. We focused on finding feet and keeping the ball. To accomplish that we helped them read the game and anticipate what was going to happen and make the right decision to keep the ball.”

The Wildcats return senior midfielder Noah Juarez, who has been an all-Frontier League, and all-state player the last three seasons. Conley will also look to get some help from juniors Christian Scholtz and Grant Ryals on the offensive side along with several others.

Defensively, Louisburg lost several starters to graduation a year ago and is currently working to find different fits on that side of the ball.

Still, while both sides of the ball are important, Conley wanted to spend the summer and focus on the basics so the team is ready to transition into the first day of practice on Aug. 15.

"I want to play a fast and a possession style game," Conley said. "For that to happen we had to improve our overall fundamentals. I wanted to stress the improving our overall technique and accuracy. To accomplish that, I have a goal that each player will get 300 touches on the ball each practice. By the end of summer they understood what my expectations were and worked hard to achieve that standard. Each training session was a build-up that led to some sort of competition/game play."

Along with the team camp, the Wildcats held team workouts twice a week since the beginning of June and have also held weight sessions as well.

All that is to help the Wildcats persevere through a rugged 2016 schedule and get off to a good start to the season. For that to happen, Conley knows he will need his veterans to step up and lead the younger players.

"I am extremely pleased with the strides we have made this summer," Conley said. "I know we still have a lot of work to do, but I saw improvement and I feel with their work ethic we can improve so much more. I also truly appreciated the leadership that the upperclassmen have demonstrated. That's

going to be essential throughout our season.

“I know that we are not going to completely change overnight, but the best part of this summer we started to improve and they showed themselves that they can. I am excited to go compete and watch these young men compete. We will have our work cut out for us, but I feel these young men want to improve and get better which is half the battle.”

Conley takes over as LHS boys soccer head coach

Kyle Conley was recently named as the head coach for the Louisburg High School boys soccer team and takes over for longtime coach Ben York, who resigned his post last fall.

Kyle Conley has spent the last several months focusing on molding and guiding the Louisburg High School girls soccer team through its first season.

It was a special run for the girls as they won a regional title and finished the year with 14 wins. Now, his focus has shifted a little bit to the school's other soccer squad.

Conley was recently hired to take over Louisburg's boys soccer

program following the resignation of former coach Ben York last fall. This is the first time the program has had a change at the head coaching spot as York was with the program since its inception – 13 years ago. Also like with the girls program, Michael Pickman will serve as the assistant coach.

“Taking over the boys team is going to be a lot of fun,” Conley said. “It is different than the girls team because coach York has established Louisburg boys soccer as a quality program. I am excited to see what they bring to the table and to get us started. We will have a lot of the same principals as the girls.”

The Wildcat boys are coming off a successful run in the postseason as well. Louisburg won the program’s sixth regional title and won three of the last four matches to finish the year with a 7-11-2 record.

The bad news is the Wildcats lost six seniors, including several on the defensive end, which is one of the areas Conley would like to address over the summer along with competing in a tough Frontier League.

“My goal is for us to compete in each and every league game,” Conley said. “They went 1-9-2 last year in league if I am not mistaken. For us to reach the goals I have for this program, we need to have success in the Frontier League. I understand that is easier said than done, but we will put in the work and see were that get us.

“There are some really quality players returning and I am excited to start working with them. I am concerned with the amount of defensive players that graduated, but the junior varsity had a lot of success and it’s time those players step in for us. We need to have the mind set of the next guy up.”

Conley began working with his new team starting last week and they will meet twice a week for summer workouts. He will then conduct a week-long team camp starting July 11 and hopes to

use that time to implement the changes he wants to the program.

“We will focus on technical aspects of the game, but it will be way more intense than the ladies program,” Conley said. “I want the boys to play a possession style game, but much quicker than they have in the past. There are some players with a lot of skill and they need to be the catalyst of our team and how we play.”
