

Fall sports season kicks off with first day of practice

Louisburg senior Kris Light goes through a drill during the first day of soccer practice Monday. All four Wildcat teams got their season started with workouts on Monday as the fall sports season kicks off.

Summer time and vacations are coming to an end just in time for fall sports to heat up as four Louisburg High School teams had their first day of practice Monday.

The Wildcat cross country, football, soccer and volleyball teams got the 2017 season kicked off right with either two-a-days or tryouts. Each program also had strong numbers out as they either increased or stayed the same from the year before.

All four Louisburg teams experienced success last season and they hope it carries over into this year.

Louisburg soccer made program history as the Wildcats advanced to the state semifinals for the first time. Cross country also had a big season as it qualified three for the state meet.

Football is coming off a regional championship, while the volleyball team was one victory away from reaching the state tournament.

Louisburg had a lot of positives going its way in 2016, but all four coaches realize it is time to start anew.

The Wildcat football team opened practice with approximately 60 players out as they start two-a-days for the rest of this week under first-year coach Robert Ebenstein. The players will practice in helmets and shoulder pads through Thursday and full pads Friday. They will conclude the week with a scrimmage Saturday morning.

Louisburg junior Austin Moore and the rest of the Wildcat football team begin two-a-day practices this week.

Louisburg, which finished with eight wins last season, is hoping build on that success.

“I thought practice went well,” Ebenstein said. “The guys and coaches were excited to get going and the guys brought a ton of enthusiasm and had a great first day of practice.”

The Wildcat soccer team saw a big jump in numbers as they had 45 players sign up to play this season and the team will be

going through tryouts through Wednesday.

Practice opened at the track as the players ran the mile at 7 a.m. Monday, watched a concussion video in the afternoon and hit the practice field for the first time shortly after. The Wildcats are hard at work under second-year coach Kyle Conley, making sure they use the momentum they created after their fourth place finish at state last season.

“I know for the boys and coaches it is fantastic to get back to the field,” Conley said. “We are very excited and anxious to prove last year was not a fluke. We will have to work even harder than we did last year, because we will not be able to fly under the radar. The boys are ready for that challenge and I think they are going to give it their all to see how this journey transpires. The boys are focused and determined. I am really excited to also see what this group can achieve as a team.”

Sophomore Trinity Moore is one of three returning state qualifiers for the Louisburg cross country team.

The cross country team also has high expectations for itself as the Wildcats return three state qualifiers in seniors Wyatt Reece, Tim Smith and sophomore Trinity Moore. Moore garnered a state medal after finishing 19th as a freshman at the Class 4A meet and became the first female runner in Louisburg history to earn a state honor.

Runners hit the streets around town on Monday for a 30-minute workout to begin to build their base for the season and will progress as the season goes along. Head coach John Reece has 35 runners out this season, which is close to last year's number, as the Wildcats prepare for what they hope is a special season.

"My summer crew of runners are excited to get going, some even started altering their summer runs on their own to start preparing for the season," coach Reece said. "We are working on duration runs vs. miles. Instead of going for a 5-mile run, I will have them run for a minimum of say 45 minutes and allow some to extend up to 60 minutes of training, which some runners could reach close to eight miles within the hour. Our non-duration days will be focused on speed and lots of repeats with active recovery. There will be no walking for us."

The Lady Cat volleyball team felt out of place at the end of last season. Louisburg's year ended sooner than it would have liked after losing in the substate championship game and didn't qualify for state for the first time in five years.

Louisburg senior Sophie McMullen goes through a drill during the first day of tryouts Monday at Louisburg High School.

Louisburg is hard at work in hopes of earning a state tournament bid. Head coach Jessica Compliment has 35 players out this season, and after two more days of tryouts, will get practice in full swing.

The Lady Cats open their season at home on Aug. 26 when they host the Frontier League preseason tournament and the junior varsity will compete in Paola. All three teams will play again at home on Aug. 29 against Blue Valley Southwest.

“The coaching staff is excited to get the season started and begin preparing for the preseason league tournament for varsity and junior varsity,” Compliment said. “We are looking forward to a lot of home matches this season and the athletes were ready to start tryouts and get the season kicked off.”

Holloway excited for new role as LHS activities director

Louisburg High School activities director Jeremy Holloway is looking forward to his new position as he starts his 17th year in the USD 416 school district.

Growing up, Jeremy Holloway wasn't one to stay in a place for too long.

Holloway spent most of his childhood and young adult life moving from place to place. He wasn't the type of person who envisioned himself putting down roots.

“I was a constant migrant,” Holloway said.

That was until he moved to Louisburg with his wife Megan. Now instead of a migrant, Holloway is deep-rooted in a town he loves.

It made his decision, almost two months ago, an easy one.

Back in June, Holloway was hired as the new Louisburg High School activities director and assistant principal, following the resignation of former activities director Darin Gagnebin. Holloway, who has spent the last 16 years as a teacher at Louisburg Middle School, is ready for the new challenge.

“I am really looking forward to it,” Holloway said. “I have been here in Louisburg for 17 years. I never lived anywhere for more than four years in my life until I came to Louisburg. I never knew what it was like to be a part of a community and when I got here I just fell in love with the town. I was excited to become a part of it and Louisburg became important to me. The teaching was great and getting to know all the kids and see them grow up all the way through college was fun. Now I see some of my former students teaching in the building here and it is an amazing feeling. It just felt like home to me.”

Fate seemed to step in at the right time for Holloway. He entered the summer still planning to teach history at the middle school, but the dominoes quickly started to fall into place.

Holloway was well on his way to getting his administration degree this past school year as he was planning on holding on to it until something in Louisburg came open. He didn't have to wait long.

“I had to get recertified, so I talked with my wife and I said why get an education masters if it is just going to move me on the pay scale,” he said. “Why not get an administration degree to have options? There are other places near here that are looking for people, but that isn't what I want. The only move I would make is to stay in Louisburg. I happened to be down in Eureka Springs on vacation and I got a text in middle of night that Gagnebin had resigned. I had just got my diploma the day before we left. I applied and it turned out well and hopefully

it was a good thing.”

Louisburg USD 416 superintendent Dr. Brian Biermann had to sift through more than 20 different applicants for the job, but he believes Holloway is going to do great things in the position.

“Jeremy has been a loyal and dedicated teacher and coach in our community for 17 years,” Dr. Biermann said. “Jeremy possesses many strong leadership attributes that will allow him to be a strong, instructional leader at Louisburg High School. He is passionate about education, has a strong work ethic and is committed to our community.

“Jeremy is all about building positive relationships with students, staff and the community. For 17 years he has been building these relationships. Now, he will be able to build upon his unique skill set in a leadership position in our district. I am excited to see the great things Mr. Holloway can contribute to our district and community in this new role.”

One of the first things Holloway wanted to do was to get to know his new coaching staff. Several new coaches were hired this past school year and he wanted to see what they were all about.

“I just want them to feel comfortable with me and let them understand that I am approachable,” Holloway said. “That relationship piece is huge. I am getting to know where they are from, how many kids they have and I want them to feel comfortable coming to me. We do lose some great experience, but we have gained some capable coaches and a lot of enthusiasm. I just want to be a positive impact for them.”

Since he started officially on July 24, Holloway has been hard at work in several different areas, but one of the bigger things going on now is the shuffling of the Frontier League.

The league, which will be at seven schools this year, will move up to nine starting for the 2018-19 school year. Bonner Springs, Tonganoxie and Piper will join the league, while De Soto will depart.

Baldwin, an original league member, is concerned the school will move down to Class 3A starting in 2018-19, thanks to changes in the classification system. If it happens, it will create scheduling conflicts for football.

“The biggest conflict right now is Baldwin is right on the edge of becoming 3A and they think it will happen,” Holloway said. “If Baldwin is in our league, which is what we plan on, they are required to play five district games for football, which only leaves them three league games. If only three league teams play Baldwin, then the rest of the league teams have to find another team to play. I have schools from Lansing, Independence, Coffeyville, Chanute and other schools calling me trying to lock up games. There are so many different scenarios so we just have to wait and see. That is one thing that I am really working on right now.”

With the activity season fast approaching, Holloway is excited for everything to get underway. He is also looking forward to getting to know the fan base more.

“I have always been highly impressed of Louisburg and the support of its teams and the turnout we will get, especially for football games,” Holloway said. “I encourage Louisburg to continue the tradition of being a class act. I think that every town has its own culture and a lot of it starts with the coaches. If your coaches are harassing refs, your players are probably going to start to learn that they can do that and that will trickle down to the parents and crowd. Without pointing fingers, there are certain places where that is the climate. I think Louisburg has been great. There are always going to be situations, but I would encourage fans and parents to support our coaches and let them coach.

“I am looking forward to an exciting year. We have great coaches, that are experienced and they are very innovative. They are organized and they all seem truly excited about what is going on. The community can rest assured that the coaches that are in place right now have the best interest of the kids and the programs.”

Opinion: Time to look back and enjoy successes

The Louisburg High School football team was one of many bright spots for LHS athletics this past school year.

We live in a world where, especially in sports, we often don't take time to reflect on our accomplishments – and instead we are in a rush to move on to the next set of obstacles.

In reality, we are in a “what have you done for me lately” society and sometimes don't remember, or enjoy, those special moments where our hard work has paid off.

Yes, I understand you don't want to relish in those accomplishments as that doesn't make you a better athlete, or whatever your specialty may be, but not taking the time to enjoy the ride can be detrimental.

And what a ride it was for Louisburg High School athletics this past season.

The Wildcats had a special year in several sports, and before we focus on the 2017-18 campaign, we should look back at what the 16-17 season brought us. Just take a look at what these Wildcats accomplished.

- There is probably no better place to start than the Louisburg soccer teams. Both the boys and girls teams earned spots in the state semifinals for the first time in program history and both finished fourth. The boys team made it to state for the first time in their 14 years, while the girls advanced to the state tournament in just their second season.

The Louisburg High School girls soccer team finished fourth in the state in just their second season. The Wildcat boys also finished fourth as they advanced to the state semifinals for the first time in program history.

- It was quite the season for the Wildcat boys basketball team as they advanced to the state tournament for the first time since 2005. Louisburg won its sub-state tournament with a 64-52 win over Fort Scott in the championship game.

The Louisburg boys basketball team qualified for state for the first time since 2005.

- The Louisburg football team made quite the run in the 2016 season. The Wildcats won their first playoff game since 2012 and earned a regional title in the process with a win over Independence. Even though their season came to an end in the next round to eventual state champion Bishop Miege, the Wildcats' still finished with an 8-3 record.
- Wrestling had another big season as the Wildcats qualified eight for the Class 4A state tournament in Salina. Although Ryan Adams was the lone state medalist, as he finished sixth overall at 138 pounds, the Wildcats tied a school record for number of state qualifiers that was set back in 1984.

- In cross country, the Wildcats sent three runners to the state meet and had their first state medalist since 2006 when freshman Trinity Moore finished 19th overall, as she, Wyatt Reece and Tim Smith competed at the Wamego meet. Moore was also the school's first female runner to earn a state medal.
- Freshman golfer Calvin Dillon became the Wildcats' first state medalist in several years as he finished 10th at the Class 4A state tournament and was one of two Wildcats, along with Ty Martin, to qualify for state. Dillon could quite possibly be the first freshman golfer in school history to get a medal, but since golf stats aren't quite as well kept, it is hard to tell for sure.
- T.J. Dover and Isabelle Holtzen came through with state medals of their own following the state track meet. Holtzen finished seventh at the Class 4A meet in the pole vault and Dover was eighth in the discus as both medaled for the first time. Holtzen also broke the school record in the pole vault earlier in the season after she cleared 11 feet, 1 inch.
- The girls basketball and softball teams both had big improvements from a season ago as they each reached 10 wins despite falling in the first round of their sub-state and regional tournaments. Softball doubled their win total from 2016, while the girls basketball team improved by seven victories.
- The Louisburg volleyball team advanced to the sub-state championship game against rival Paola and was just a few points away from advancing to its fifth consecutive state tournament. The Lady Cats also finished the season with 23 victories.

Most schools across the state would love to have the kind of success Louisburg experienced this year and to me that doesn't seem like it is talked about enough.

Sometimes we get caught up in losses or not meeting

expectations, when in fact, compared to a lot of schools, Louisburg exceeds expectations – at least it does mine.

Could these programs be better? Sure they could and the coaches would be the first to tell you. At the same time, we all need to take a step back, look at the big picture and enjoy the success we have.

To me, Louisburg athletics is as healthy as it has been in a long time.

A lot has been made about all the coaches that have left recently. Louisburg will have four new head coaches this upcoming school year and several new assistants.

Some people have considered this a mass exodus due problems at the school. It couldn't be further from the truth. A lot of it is just coincidence. For some it was retirement, others wanted to spend more time with family and a few more just wanted a change.

Former activities director Darin Gagenbin left to be closer to his family and work in the town where he lives. I know all about how great of an opportunity that is and it is the same thing I did almost 10 years ago when I moved here with my family. Working in the town you live in is something you can't put a value on.

Louisburg found a great replacement in Jeremy Holloway, who has been with the district for 17 years and is invested in the community. The school has also brought in a lot of new, young coaches that have come in with excitement and new ideas.

It is bittersweet for me as a lot of those coaches I had a chance to get to know really well are now gone. Although I am mainly a solo operation, I consider a lot of them my co-workers and it stinks to see them move on, but I also know they are doing the best for themselves and their families.

The same could be said for the class of 2017. The group of seniors I worked with this past year were great to get to know, just like all the senior classes before them.

I appreciated all their support and what I do could not be done without those kids. It is great to see them grow up and watch them become successful outside the classroom. I am not a teacher or coach, but still appreciate all they accomplish.

With 2016-17 in the rear view mirror, it will soon be time to focus on the upcoming season and I couldn't be more excited to see what accomplishments this group of Wildcats have in store. It has all the makings of a fun and special year.

Gagnebin steps down as LHS activities director

Louisburg High School activities director Darin Gagnebin presents the Wildcat girls soccer team with their regional championship trophy last month. Gagnebin resigned his post earlier this month to take a similar position in Paola.

Darin Gagnebin has a fondness for Louisburg High School, his

coaches and students.

That made it all the more hard to say goodbye.

Gagnebin resigned his post as LHS assistant principal and activities director earlier this month to tentatively take the same position at Paola High School. His last day in Louisburg was last week.

Gagnebin spent a total of 17 years in the Louisburg school district, with the last six spent as activities director. He was also a teacher and coach for 11 years.

Family was the biggest reason he decided to make the move. Gagnebin and his family currently reside in Paola and his two children attend schools in Paola.

“People have come and gone, but it is still family here,” Gagnebin said. “I am comfortable here and Louisburg has done a lot for me. I just can’t pass up an opportunity to be where my kids are at. I know I could have brought my kids here, but my wife and I made that decision a long time ago of where we were going to live because of where she taught and I taught. I never thought back when we first moved to Paola and when we had kids, that we would be in this position.”

It was a difficult decision for Gagnebin as he leaves behind a group of coaches, several of whom he recently hired. The Louisburg district had a number of new coaches come on board for the upcoming school year.

“We have gone through some trials in the last couple of years and that is with any school,” Gagnebin said. “I told my wife, that if this was going to happen the way it did and I could pick the time, I wish the timing would have happened two years down the road. I would have loved to see what this young group of teachers and coaches are going to do coming in.

“I told my wife that I was really excited about coming back

next year and I felt we made some good hires. We have a passionate coaching staff coming on and they are great people with new ideas. It just happened out of the blue.”

The opening came when former Paola High School principal Phil Bressler took the new principal job at Pittsburg High School. Paola assistant principal and activities director Jeff Hines was elevated to the Paola principal position, which left the Panthers needing an activities director.

It can be traced back even further when the Pittsburg High School journalism class wrote an investigative piece that ousted its newly hired principal, which forced the school to reopen the position and eventually hired Bressler.

“Had Pittsburg’s journalism class not done their job, we wouldn’t be sitting here talking right now,” Gagnebin said.

The Paola position was an opportunity Gagnebin just couldn’t pass up as he will have an opportunity to watch more of his children’s events and work closer to home.

“I have missed a lot of my own kids’ stuff,” he said. “But the people here have been really great, (Principal) Tammy (Thomasson) now and Dave (Tappan) before her, to let me try to get to as much stuff as I can. I still miss things. These opportunities don’t come around very often and I just figured this would be a great fit for me and my family.

“But I couldn’t ask for a better group of coaches here in Louisburg. They are good and passionate about what they do. I really have developed some good bonds over the years. I know some have left and some have stayed on, but the coaches and staff I have had has been great.”

Changes to classification system will impact Louisburg

Member schools in the Kansas State High School Activities Association sent ripples across the state last week when they passed two proposals that will affect high school athletics beginning in the 2018-19 season.

For football, the two 4A divisions and Class 2-1A have been eliminated. They have been replaced with 32 team classifications in 4A, 5A and 6A, while 3A and 2A will have 48-team classifications. The remaining schools will play in 1A.

The second proposal was for all other sports. Other than football, classes 4A, 5A and 6A will have 36 teams in each division. Classes 3A and 2A will have 64 schools each, while the remaining schools will be in 1A.

The football proposal passed with a vote of 215-73 and the all-sports proposal passed with a 207-145 majority. All of the classes, except 6A and 1A, were in favor.

With those new proposals comes a different playoff system for many of the sports.

Louisburg High School, which is a Class 4A school, will see changes in five sports programs – football, basketball, baseball, softball and volleyball.

In football, Louisburg will no longer have district play as

the playoffs will begin in week nine. Class 4A will play an eight-game regular season and then each side of the state will be seeded in a bracket from 1 through 16, based on their record.

Given the fact the Frontier League currently has nine teams after recently adding three schools in Tonganoxie, Bonner Springs and Piper, the Wildcats will no longer have to play a non-league opponent. De Soto recently chose to leave the Frontier League following the 2017-18 season to join a new league made up of 5A schools.

“Normally we go out in October to Salina, we would redistrict for 2018 and 2019,” Louisburg activities director Darin Gagnebin said. “I don’t even know that we will have to go cause our league has nine teams, so we would play eight league games and the ninth game gets assigned to you for the playoffs. As of right now in football, we will no longer have any out of conference opponents as long as we maintain nine in the league.”

Another change will be in basketball. For the postseason, there will no longer be substates, instead the 18 teams on each side of the state will be bracketed out by record beginning with two play-in games.

From there, the bracket will be sized down to four-team pods, with the higher seed hosting the game. Teams will have to win two games to reach the state tournaments. Pods will be 1-16-8-9 seeds, 4-13-5-12, 2-15-7-10 and 3-14-6-11. The eight pod winners will advance to the state tournament.

“Depending on where we fall, it could increase travel depending on where we are seeded,” Gagnebin said. “We could have to drive down to Coffeyville or drive up to Atchison, you just don’t know until the end of the year.”

Basketball schedules will also be different with the addition of the new league teams in 2018-19. There will no longer be

double round-robin schedules. There will be eight league games, six tournament games and athletic directors will have to find a way to fill the other six.

“We will start in August about building the new league schedule and it will be tough,” Gagnebin said. “One thing you will see is we won’t have double round-robin’s anymore because we can’t play everyone twice. I think there will be traditional rivalries that are held to where we would play those twice due to proximity. Quite frankly, it wouldn’t be smart for Louisburg not to play Paola, Ottawa or Spring Hill twice due to higher attendance numbers and proximity. It will probably increase travel costs because you are playing more non-conference opponents.”

Baseball and softball will be similar as there will no longer be regionals. Like basketball, there will be two play-in games with the same pod structure. The top four overall seeds will each host all games in their pod on the same day.

In volleyball, there will be four substates across the state, broken into eight brackets. There will also be nine teams in each substate, which will require a play-in game. Teams will need to win two games to qualify for state.

Postseasons for wrestling, track, soccer, cross country and golf will remain the same.

However, even with the new changes, the proposals don’t address the competitive balance issue between public and private schools that many members have been talking about for the last several years.

Although he likes the new playoff system, the fact these changes don’t address the problem is one of the reasons Gagnebin voted no on the new proposals.

“It was a shock because I didn’t think it was going to pass,” Gagnebin said. “Other than the playoff system, in my opinion,

it doesn't do anything for Class 4A. All the work that went into splitting 4A into two divisions is now gone. I feel bad for those schools because they put in a ton of work. It doesn't really affect us because we are locked into 4A and we are right in the middle of the pack.

"I didn't see how it benefited Louisburg or 4A, other than the playoffs system where it should ensure you have more competitive teams at state. Since you are seeding them out now, you shouldn't have a substate of teams with losing records. They could have done that without this."

Although private schools like Bishop Miege, which have won several state titles in the last few years, could find itself moving up a classification with the new measures, it isn't a permanent solution according to Gagnebin.

"Enrollment could bump some private schools up a class, but that doesn't fix the problem," Gagnebin said. "Private schools can control enrollment. According to (Miege) they are losing enrollment and could be back in 4A. It doesn't impact the private issue at all and that is why I didn't vote for it. It is not fixing what the 80 percent of athletic directors polled in Kansas asking what the biggest problems in classifications are. It doesn't address the real problem."

Three schools to join Frontier League

Three schools have accepted invitations, or will soon, to join the Frontier League for the 2018-19 season and beyond.

Piper, Bonner Springs and Tonganoxie will be leaving their current home – the Kaw Valley League – to join the Frontier after all three were offered spots during a meeting in early April.

Their addition will now bring the Frontier League to 10 members, along with Louisburg, Paola, Ottawa, Spring Hill, De Soto, Baldwin and Eudora. The trio of schools made presentations to the current Frontier League members for admittance due to the fact the Kaw Valley is in the process of breaking up. Current member Bishop Ward is leaving the league next school year, which leaves them at six.

Piper quickly accepted the invitation following a vote of its board of education and is looking forward to joining the Frontier.

“We are extremely excited to get into a league with like-size schools and competition levels,” Piper High School activities director Doug Key said. “We believe Piper High School is good fit for the league due to the competition level in all activities and will match up well. We have played all current schools in various activities and felt like this would be a positive move for the future.

“Being in a league with various size schools and us being the smallest wasn’t going to be optimal. We are still are competitive in many areas, but we needed to secure a more balanced future. We feel like being in the middle, size-wise,

will keep us competitive for years to come.”

According to this year’s classification numbers, Piper has a current enrollment of 601 students. Turner is the Kaw Valley’s biggest school with 1,114 students, followed by Lansing (910), Bonner Springs (758), Basehor-Linwood (710) and Tonganoxie (618).

Bonner Springs, Piper and Tonganoxie compare to other Frontier League programs. De Soto is the biggest school in the league with 854 students, followed by Ottawa (709), Spring Hill (699), Paola (612), Louisburg (563), Eudora (471) and Baldwin (410).

Bonner Springs’ board of education also approved the move to the Frontier League and Bonner Springs High School principal Rick Moulin echoed Key’s statement.

“We have competed against teams in the Frontier League the past several years,” Moulin said. “The schools in the Frontier League are a lot like Bonner Springs – we are competitive and value sportsmanship. The teams in the Frontier League are similar in size to Bonner Springs, which will be a great gauge for us as we try to compete at the highest level possible in 4A. Bonner Springs is a small town community, with great community support, much like the schools in the Frontier League.

“We are excited to be joining with Piper and Tonganoxie. We hope to continue to be able to compete against Basehor-Linwood, Lansing and Turner. I have a lot of respect for their schools and their programs. Ultimately, the Frontier League was a better fit for our students and our community.”

Tonganoxie hasn’t officially accepted the invitation, but it is just waiting for its board of education to approve the move during its May 8 meeting. At that point, according to Tonganoxie High School principal Mark Farrar, it will immediately send letter accepting the invite.

"We are very excited to join the Frontier League," Farrar said. "This new partnership will be very good for our students as well as our community. Joining the Frontier League will provide some great opportunities for our students from an athletic and activities standpoint. Tonganoxie mirrors many of the activities that most or all Frontier League schools offer. We see it as a league that will be a good fit for many years to come.

"One of the things that I think gets overlooked is the idea that a strong league doesn't just offer opportunities on a playing field, but it also offers a chance for kids to network and make lifelong connections with students from all across the league. The Frontier League is a strong and stable league and we believe that it can advance the overall mission of what we want to do at Tonganoxie."

Louisburg High School activities director Darin Gagnebin now believes the league is healthier than ever.

"By adding teams to our league, it solidifies our league numbers for years to come ensuring that we, as a league, will remain strong and competitive whether schools decide to leave or stay," Gagnebin said. "We could have been in a situation in which the Frontier League could have dwindled to four or five schools, but instead we will be stronger at 10 teams, if all teams decided to stay.

That situation came about in March when it was reported by the Tonganoxie Mirror that Kaw Valley League member Lansing wanted to create a larger league that would have contained all or some combinations of Lansing, Blue Valley Southwest, De Soto, Leavenworth, Bonner Springs, Basehor-Linwood, Tonganoxie, Ottawa, Piper, Spring Hill, Turner and Topeka schools Seaman, Shawnee Heights and Topeka West.

A meeting was held between all the schools to look at possibilities of building a stronger league that would rebuild

the current Kaw Valley that has Lansing, Turner, Piper, Bonner Springs, Tonganoxie and Basehor-Linwood.

The Frontier League responded with meetings of its own shortly after to discuss each member's happiness in the league after De Soto, Spring Hill and Ottawa attended the March meeting with Lansing.

De Soto mentioned needing more competition at the sub-varsity level since it has a growing enrollment and looked at the possibility of playing in a league with bigger schools since it has made the jump to Class 5A.

Spring Hill's enrollment also looks to make that jump in three to four years, while Ottawa's enrollment usually hovers around the line between 4A and 5A. Still, all three schools stated during league meetings they were happy in their current position, with De Soto and Spring Hill stating they might need to make a move due to increasing enrollment numbers.

Faced with the possibility of losing at least two members, the Frontier invited Kaw Valley members to make presentations to join the league in order to fill those spots. Piper, Tonganoxie and Bonner Springs all made presentations and the Frontier League principals all offered invitations shortly after.

At this point, it appears the league is going to move forward with 10 members as no school has stated their desire to leave the Frontier – however, it doesn't mean it can't happen in the near future.

"I cannot speak for other schools in the Frontier League about their desire to stay or to leave," Gagnebin said. "I know some are considering their options and will do what they believe is in the best interest of their school, and I would support them in whatever they decide. I do believe though whatever they decide, with the addition of these new schools to our league, the Frontier League will remain solid in numbers and will

continue to be one of the most competitive leagues in Class 4A.

“I believe the three schools that chose to petition our league for membership will be a great fit for the Frontier League. They offer all sports and activities that are currently offered by the league at all levels. Their enrollments, though larger than Louisburg, will put them in the middle to upper middle in size within the league.”

The league schedule will also look different beginning with the 2018-19 season, as there will no longer be a double round-robin schedule in certain sports and not every school will play each other in football.

“The biggest challenge will be league scheduling,” Gagnebin said. “Although it will change how we schedule things as a league, most league schools already have some or all of these schools on some of their athletic schedules already. It could increase the amount of non-league games we have to go out and find in some sports, since with 10 teams you can no longer play a double-round-robin schedule as we have currently, due to the amount of games allowed by KSHSAA.

“This is both good and bad, meaning, it could increase travel and some expense, but it allows us greater flexibility in the schedule to play other teams outside the league as well. One negative will be in football. With 10 teams, we will not be able to play every team in the league as we do now. As stated before though, solidifying the league as far as numbers go and increasing the competitiveness of the league are also positives.”

Frontier League shakeup could happen soon

In a few months – or even weeks – the Frontier League as it currently stands could have a different look.

Since March, meetings have gone on within member schools of the Frontier League and Kaw Valley League to discuss possible realignment of both leagues.

The Frontier League currently has seven members – Louisburg, Paola, Spring Hill, De Soto, Ottawa, Baldwin and Eudora – and a meeting between the schools took place on March 28 to discuss where each school stood as far as their happiness in the league.

Brian Biermann, superintendent of USD 416, and Louisburg High School athletic director Darin Gagnebin attended the meeting on Louisburg's behalf and both relayed the fact that every school stated they were happy with the way the league is currently set up, but a couple schools came to the realization the Frontier League might not be able to offer what they are looking for.

De Soto and Spring Hill currently have growing enrollment numbers are interested in playing Class 5A competition. De Soto moved up to 5A this school year and Spring Hill will look to make the jump in the coming years with its larger enrollment. The rest of the schools all compete in Class 4A.

Both schools stated they would like more competition at the

sub-varsity level that schools like Louisburg, Baldwin and Eudora cannot provide. Competing in a mainly 5A league would relieve some of those problems.

“De Soto said they will probably open next year with 950 kids and they would grow by 100 the year after that,” Biermann said. “They are happy in the Frontier, but they feel like they need 5A competition and they feel like it could hurt them in football with seedings and tie-breakers. They could potentially get penalized by competing in a mainly 4A league.

“Spring Hill wants to be proactive. Their growth is coming. Their classes in the middle school are pretty good size. They won’t grow a lot next year, but they will in the next few years.”

What started the meetings is due to the fact that the Kaw Valley League is looking to rework their situation or create a brand new look altogether. The Kaw Valley currently has seven schools in Lansing, Turner, Bonner Springs, Tonganoxie, Piper, Bishop Ward and Basehor-Linwood, but one member – Bishop Ward – is leaving for a new league beginning next school year.

According to report in March from the *Tonganoxie Mirror*, Lansing wants to create a larger league that would contain all or some combinations of Lansing, Blue Valley Southwest, De Soto, Leavenworth, Bonner Springs, Basehor-Linwood, Tonganoxie, Ottawa, Piper, Spring Hill, Turner and Topeka schools Seaman, Shawnee Heights and Topeka West.

Many of those schools are either in Class 5A already or are close based on enrollment numbers. The idea of competing against bigger competition is intriguing to De Soto, Spring Hill – and possibly Ottawa – the three largest schools in the Frontier League.

An idea was thrown around of creating a league of two divisions between the Kaw Valley and Frontier. One division would be 5A schools and the other would be 4A.

"We visited with our board of education and we are not in favor of a mega-league," Biermann said. "That has been talked about – having a league of 5A and 4A schools. We don't want to invite new 5A schools. We are ok with Spring Hill and De Soto staying in the league, even though they are growing, but we don't want to invite other 5A schools or have a mega league so they can have better competition.

"Our stance is if De Soto and Spring Hill feel like they need 5A competition and leave, then they can work towards that and we can work on filling those spots with 4A schools."

Both Biermann and Gagnebin feel like the Frontier League needs to be proactive as changes could be made sooner rather than later.

"We aren't panicking as a league as much as the Kaw Valley schools are because they know they are headed for a break up," Gagnebin said. "We could easily stay with the seven schools we have. Pretty soon, De Soto will have close to 1,000 kids. It is more on them if they want to be in our league, and if they are happy, by all means stay. We are not saying they have to leave, but they have to do best what is for their school, and if this league isn't the best option for you, then you have to look elsewhere."

Due to the fact De Soto and Spring Hill could be moving on, the Frontier is being proactive and inviting some members of the Kaw Valley League to come make presentations at a meeting Wednesday to see if they would be a fit in the Frontier.

According to Biermann, Tonganoxie, Piper, Bonner Springs and Basehor-Linwood High Schools will all make presentations at the meeting and then schools from both the Kaw Valley and the Frontier will meet to discuss options at a later date.

"I led the (March 28) meeting and I wanted to make sure everyone was as honest and open as possible," Biermann said. "There were no hurt feelings. Collectively we don't want a

mega-league, no additional 5A schools and that is firm from us, Paola, Baldwin and Eudora. Spring Hill and De Soto left the meeting, I think, that they need to start looking for potential 5A competition.

“The easy fix would be for De Soto and Spring Hill to join the bigger league and we take someone like Tonganoxie and Piper to replace them. Every school said they loved the Frontier League and competition, but it is time there has to be some conversations. The biggest thing is we don't have three baseball, softball or soccer teams to schedule, but De Soto and Spring Hill want that. We can't field C teams in some cases.”

The leagues are on a sort of a time crunch. With football reclassifications and scheduling beginning this October for the next two years, it would be the best case scenario to get the reshuffling done before then so they can schedule for the 2018-19 season and beyond according to Gagnebin.

The Louisburg activities director also believes keeping the right number of teams is also imperative for a healthy league.

“We want to maintain the integrity of our league, whether that is with seven or even eight schools,” Gagnebin said. “We want to maintain that number. Nine is a scheduling nightmare, and if you only have six teams, you are opening up a can of worms where if you leave an open spot, then the state could come in and assign certain schools to us that aren't a good fit.

“I don't necessarily want them to leave the league, but we need to be told if they are. I am more afraid of them leaving our league than them staying in our league. I am not afraid of the competition we face with them. We can compete with them in all the sports, but I am more afraid of us dropping from a seven to a five-team league.”

However, one hiccup remains. The Frontier League bylaws state that a member school must give two years notice before leaving

the league.

“If the dominoes start falling fast, the league could pass a bylaw amendment to allow for movement for De Soto or whoever, which is something I think they will have to do,” Gagnebin said. “Not much is happening now, but when it does it is going to happen quick. You better be ready to move with it and have a plan in place or you could be stuck on the outside.”

Top 10 stories of 2016

Here are the Louisburg Sports Zone Top 10 Stories of the Year. In each brief explanation of the story, there will be a link to the full story of when the event actually happened. Thanks again for a successful 2016 and I am already looking forward to 2017.

10. LHS golf qualifies three for the state tournament

Hogan Welch (left), Ty Martin (middle) and T.J. Svoboda all earned a spot in the Class 4A state golf tournament in May.

Three Louisburg High School golfers put together a strong performance in less-than-ideal weather conditions during the Class 4A regional tournament in May.

Hogan Welch, T.J. Svoboda and Ty Martin all three earned qualifying scores to earn a spot in the Class 4A state tournament in the rain at Dub's Dread Golf Course. At the state tournament, Welch led the way as he shot an 84 to finish 34th overall in his second consecutive state tournament.

9. Tappan, Conklin win state debate crown

Carson Tappan (left) and Curran Conklin (right) pose for a picture with their state championship debate trophy with coach Brian Weilert.

After 11 rounds and 17 hours of debate over two days, Carson Tappan and Curran Conklin didn't have a lot more left to give.

But all that hard work paid off for the Louisburg High School duo.

During the Class 4A 2-speaker state debate tournament at Independence High School, Tappan and Conklin were awarded their first state championship after finishing with an 11-0 record.

They weren't the only Louisburg team to come home with some hardware.

Sophomores Isabelle Holtzen and Grayson Anderson found

themselves among the final four teams as well. Despite a close split-decision loss in the semifinals, Holtzen and Anderson finished third to win their first state trophy.

8. Three Wildcats win regional track titles, qualify 11 events for state

Chloe Renner (left), T.J. Dover (middle) and Isabelle Holtzen won regional titles in their respective events in May at the regional meet in Chanute.

Louisburg High School students Isabelle Holtzen, Chloe Renner and T.J. Dover were among several members of the Wildcat track teams to have big performances at the Class 4A regional meet in May at Chanute High School.

Holtzen won a regional crown in the pole vault, while Renner won the triple jump to lead the Lady Cats as they qualified for six events total. Louisburg sent all three relay teams that consisted of Kaitlyn Gaza, Mikayla Quinn, Megan Lemke, Reilly Alexander, Jordon Leach, Hanna Becker, Lauren Becker, Shaylor Whitham, Liz Hildreth and Holtzen. Sophie McMullen also earned a spot in the discus.

Dover captured a regional crown in the discus as he recorded a personal best throw of more than 150 feet. He was one of five

events to go to the state meet. Teammate Jarod Woodward also qualified in the shot put, while Chris Williams did the same in the 400 dash.

Brandon Cooper, Quinn Rigney, Ben Minster, along with Williams, helped the 4×100 relay team earn a spot, while Wyatt Reece, Ben Hupp, Tanner Belcher and Michael Minster also qualified in the 4×800 relay.

7. FFA wins three state titles, shines at national competition

Members of the LHS FFA chapter won three state titles in May and later traveled to nationals in October and brought home several honors.

After three Louisburg High School FFA teams won state titles in their respective career development events in May at the state competition, those same students performed well at the nationals.

Louisburg sent three teams to the 89th Annual National FFA

Convention in Indianapolis and all three were among the top in their respective Career Development Events (CDE). Each team received a gold emblem, while 11 of the 12 members who attended received individual gold emblems as well.

Paige Buffington, Wyatt Reece, Georgia Wilde, Justin Sievert, Hattie Harris, Hallie Hutsell, Faith Seufferling, Mariah Wrigley, Madelynn Yalowitz, Bryn O'Meara, Morgan Strumillo and Lexie Reece all came away with honors from nationals.

6. Cross country sends three to state, Moore captures medal

Freshman Trinity Moore became the first female runner in Louisburg history to capture a state cross country medal.

Louisburg High School freshman Trinity Moore didn't look like a first-year varsity runner at the Class 4A state cross country meet as she finished 19th overall with a time of 20 minutes and 54 seconds – just 10 seconds off her personal best time. That finish was good enough to earn a state medal and became the first female runner in Louisburg history to do so.

Moore joined juniors Wyatt Reece and Tim Smith as all three runners competed in the state meet in Wamego in October. Reece and Smith finished 48th and 68th, respectively, just a week after finishing in the top five at the regional meet.

5. Koechner, Keegan earn medals as Wildcat wrestling puts five to state

Louisburg's Mason Koechner was one of two medalists for the Wildcats at the Class 4A state wrestling tournament in February. Koechner finished third at 220 pounds and teammate Nathan Keegan was sixth at 120 pounds.

For the first time since 2011, a member of the Louisburg High School wrestling team left the Class 4A state tournament with a medal – in fact – two of them did.

Mason Koechner and Nathan Keegan finished in the top six of their respective weight classes at state meet in Salina. Koechner took third overall at 220 pounds, while Keegan came in sixth at 120 pounds.

Along with the two state medalists, the Wildcats also sent three other wrestlers to state. Anders Vance (285 pounds), Thad Hendrix (113) and Hunter Bindi (106) competed for

Louisburg as it qualified five for state for the second consecutive season.

4. Griffin signs with New Orleans Saints

Photo courtesy of the New Orleans Saints
Louisburg native, and Air Force Academy graduate, Garrett Griffin, was signed to the New Orleans Saints practice squad

in August.

In early June, Garrett Griffin received his diploma from the Air Force Academy and shook hands with the President of the United States.

That event alone is enough to top most people's list of accomplishments. Four days later, Griffin fulfilled a life-long dream.

Following his graduation from the Air Force, Griffin was signed by the New Orleans Saints and his dream of playing professional football became a reality. The Louisburg native competed in the Saints training camp and later earned a spot on the team's practice squad, where he currently resides.

3. Wildcat football rallies around coach, ends playoff drought

The Louisburg High School football team celebrates its

regional championship and its first playoff win in four years.

The season didn't get off to the start members of the Louisburg High School football team were hoping for. The Wildcats dealt with the departure of head coach Kyle Littrell before the season, but instead of letting it define their season, it made them stronger.

Louisburg rallied behind its former coach and the Wildcats won their first playoff game in four years after they defeated Independence in November to win a regional title. The Wildcats lost to eventual state champion Bishop Miege in the sectional round of the playoffs and ended their season with an 8-3 record.

2. Girls soccer team wins regional crown during inaugural season

The Louisburg girls soccer team celebrates its regional championship in the Wildcats' inaugural season.

As the final buzzer sounded, members of the Louisburg girls soccer team rushed to each other in the middle of the field at the Wildcat Sports Complex. It was a sense of euphoria.

The Wildcats had every reason to be excited.

Louisburg – a program that has been in existence for all of two months – won its first regional title in program history in May after it ousted Basehor-Linwood in a 3-1 victory during the regional championship game. The win put the Wildcats in the state quarterfinals, where their season came to an end with 3-1 loss to De Soto and finished up with a 14-4-1 record on season.

1. Boys soccer advances to state final four

The Louisburg High School boys soccer team made history this past season as the Wildcats earned their first state quarterfinal victory and a spot in the Class 4A final four.

The state quarterfinal round had been nothing but heartbreak for the Louisburg High School boys soccer team.

In their previous six appearances, the Wildcats have seen their season come to an end and those players were left only to dream what playing in the state final four would be like.

There was no imagining this time around.

Louisburg got a goal in the 75th minute from senior Herman Knipp to give the Wildcats a 1-0 victory over Trinity Academy

in the state quarterfinals in Louisburg. The Wildcats moved on to the Class 4A state final four in Topeka in November, where they took fourth – the best finish in program history.

The Wildcats (14-6-2) finished their season with losses to eventual state champion Bishop Miege and Andover Central, but doubled their number of wins from the prior year.

Moore makes Louisburg history with state medal

Louisburg freshman Trinity Moore rounds a turn during the Kansas Class 4A State Cross Country Championships on Saturday at the Wamego Country Club. Moore earned a state medal with a 19th place finish.

WAMEGO – A day before the biggest race in her life, Trinity Moore limped her way from practice with a foot injury.

It wasn't anything serious, but it was the last thing Moore needed to deal with on the brink of the Kansas Class 4A State Cross Country Championships. The pain was still there before the race started Saturday at the Wamego Country Club, but she wasn't going to let it stop her.

In fact, it made her push even harder.

The Louisburg High School freshman didn't look like a first-year varsity runner as she finished 19th overall with a time of 20 minutes and 54 seconds – just 10 seconds off her personal best time. That finish was good enough to earn a state medal.

“I just wanted to come down here and try my hardest and see what the competition was like,” Moore said. “I really didn't know what to expect since this is my first year. Being able to medal my first year is really exciting and I hope next year I get a chance to do even better.”

This season was a special one for Moore, who set the school record and led the Lady Cat runners all season as a freshman. She was also the first female runner to medal in Louisburg history and the first runner to medal since Jason Rose took fifth in 2006.

Trinity Moore leads a pack of runners toward the finish line Saturday at the Class 4A state cross country meet.

“Trinity did an awesome job,” Louisburg coach John Reece said. “For a freshman, getting a school record earlier in the year, coming to state and medaling was just icing on the cake. She just had a fantastic season

“She definitely exceeded my expectations. She almost ran her

best of the season here and that is outstanding. She is a competitor. She runs hard, works hard and ran the best race she could. She started off steady, moved through the pack and then when she had to she made moves on all the downhills and put herself in a better and better position.”

Wamego’s course featured several different obstacles for Moore, but maybe the biggest were the numerous hills she had to make her way through.

“It was probably the hardest course in terms of competition and try to pass people up the hills,” Moore said. “Ottawa’s course was pretty hard earlier in the year, but this might have been a little tougher. The toughest part was running up the hill and trying to beat people as I was running up them.”

Louisburg junior Wyatt Reece runs with a large group of runners downhill Saturday in Wamego.

Louisburg juniors Wyatt Reece and Tim Smith also had goals of picking up a medal at state, but both fell victims to what was a very fast start to the Class 4A boys race. Wyatt finished 48th in 18:32 and Smith was 68th in 19:07.

For Wyatt, it was a big improvement from his state meet appearance a year ago. Last season, he finished 71st overall at the Wamego course.

“The boys race was different,” coach Reece said. “It went out very fast and a lot of boys paid for it. Wyatt was in a great position to start with, but as the race played out, his legs just went away from him and it just wasn’t there. He wanted it really bad. He went for it and it just didn’t work out. That is the nature of the beast.

“Tim did a great job with this being his first time here. He moved through the pack a little bit there at the end. I was pleased with those two and how they ran this year. They used each other well and hopefully we can find a few other kids to help them out next year.”

Junior Tim Smith (right) picks up the pace for final leg of the race at the Wamego Country Club.

As for Moore, she is excited for what the future holds as she looks to improve on what was an historic freshman season.

“This is going to give me a lot of motivation going into next year,” Moore said. “I am going to do so much better knowing the competition and the courses so well. I am really looking forward to it.”

Three Wildcats run their way

to state meet

Louisburg junior Wyatt Reece finishes the last part of the course with some encouragement from his coach John Reece on Saturday at the Class 4A regional meet in Burlington. Reece, along with teammates Tim Smith and Trinity Moore, qualified for the Class 4A state meet with top 10 finishes.

BURLINGTON – Wyatt Reece, Tim Smith and Trinity Moore weaved through the winding course Saturday at the Class 4A regional meet.

With every turn on the John Redmond reservoir path, the three Louisburg runners came that much closer to their goal. All they wanted was an opportunity to run one more race.

They got that chance.

Reece, Smith and Moore all qualified for the Class 4A state cross country meet after they finished in the top 10 individually in Saturday's race at Burlington. It is also the second straight season the Wildcats will have a runner represent them at state as Reece went a season ago.

"I am just thrilled right now," Louisburg coach John Reece said. "I was told that we got 200 percent better since we have three going to state this year, so that is definitely a plus. Wyatt and Tim 'raced' today. That is what we talked about is that they have to 'race' to get in and they both went out there and ran a great one. They both ran close to personal

records and it paid off for them.

“Trinity ran well and this is huge for her. She was hurt for two weeks, then came back and ran 11th at league and finished in the top 10 here, which is just outstanding.”

Wyatt ensured his second trip to state as he was able to stay near the front for much of the race and eventually crossed the finish line in fifth-place in 17 minutes and 7 seconds, which was close to a personal record.

“It is always a really big deal to go to state and that is always the goal,” Wyatt said. “It is a big accomplishment and I am lucky to be able to do it two years in a row. It is really nice to have Tim there to run with me because we train together during the season, so it was nice to have someone there to keep training with.”

Junior Tim Smith distances himself from an Iola runner Saturday in Burlington. Smith finished seventh at the regional meet.

Smith also ran close to the front as he was able to finish in seventh with a time of 17:16. He started out the first mile in 13th place, before eventually working his way up into the top 10.

“It feels really good because we have been working all summer for it,” Smith said. “Just the fact that we planned for this, and we actually did it, means a lot. I am so excited to go state. It is all that I have wanted and hope that we can do well out there.”

As for Moore, she competed in a tough girls field that featured one of the top runners in the nation in Girard’s

Callie Logue. That didn't stop Moore from recording one of her best times of the season as she came in eighth in 20:44.

"It is really fun because I was able to work hard enough to be able to do this and I was just happy to run with everyone else," Moore said. "It was fun to be able to run as a team and I am glad that I get to go to state.

"I think I ran a pretty good race today. I think I ran a little too fast at the beginning, but I found myself and I was able to pass a lot of girls so I think I did really well."

Louisburg was hoping to get one of the top three spots in the team standings and qualify the whole team for state, but came up short as it finished fifth with 122 points. Girard won the meet with 61 points, while Fort Scott (62) and Frontenac (74) took second and third, respectively.

Freshman Trinity Moore leads a pack of runners around a curve Saturday in Burlington. Moore finished eighth overall in the girls race.

Logue won the individual crown with a time of 17:51, nearly two minutes ahead of the second-place finisher.

“The girls field was incredible,” coach Reece said. “I knew it would be close to try and get in as a team, but there were so many girls that broke up all the ones in the back. The 12th place finish was the final qualifier and it just showed you how tough of a race it was.”

Junior Isabelle Holtzen ran a personal best time of 22:03 to come in 27th overall, while sophomore Kaitlyn Lewer (22:09) and senior Madelynn Yalowitz (22:16) finished 33rd and 34th,

respectively.

Freshman Emily Williams was 48th in 23:22 and sophomore Alex Miller was right behind her in 49th in 23:29. Junior Reilly Alexander rounded out the Louisburg girls team in 55th in 23:51.

Girard won the boys team title with 57 points, while Fort Scott (71) and Iola (76) took second and third to also qualify for state. Fort Scott's Devin Brooks took first individually in 16:31.

As for what the three Wildcats can expect for Saturday's Class 4A state meet in Wamego, Wyatt will be able to guide both Smith and Moore on what to prepare for.

"Wamego's course has been labeled as one of the toughest in the state," Wyatt said. "I love going out there and running because you are at state, and that is a big deal, but it takes a lot of work to get there and you have to work hard when you get there."
