

Wildcats pick up easy homecoming win over Ottawa

Louisburg's (from left) Jay Scollin, Konnor Vohs (11) and Aiden Barker (54) celebrate JR Rooney's touchdown in the third quarter of Friday's 35-7 win over Ottawa.

From the start, it was obvious it was going to be Louisburg's night.

Louisburg, which celebrated fall homecoming Friday against Ottawa, had everything go its way in its final regular season home contest. Whether it was a score on their opening possession, a touchdown by two different linemen, or an impressive defensive performance, the Wildcats made for a memorable homecoming night.

The Wildcats scored 35 unanswered points to start the game and never looked back in a 35-7 victory at Wildcat Stadium. The win improved Louisburg's record to 4-3 on the season as it gets ready for its final regular season contest.

"It was a good win for sure, especially with it being homecoming week, not having school Monday and coming off a loss," Louisburg coach Robert Ebenstein said. "We put a week's worth of practice together and we came out and did what we anticipated and hoped we could do. It was good to see them execute."

Louisburg had it going from their opening drive as quarterback Weston Guetterman broke free for a 27-yard run to put the

Wildcats up 6-0 in the opening quarter.

In the second quarter, the Wildcats all but put the game away as they scored three touchdowns. Justin Collins and Ben Wiedenmann recorded back-to-back 25-yard runs to begin the quarter and then Wiedenmann ended the drive with an 8-yard touchdown run. Guetterman ran in the 2-point conversion to put Louisburg up 14-0.

On the Wildcats' next possession, Wiedenmann answered the bell again as he broke free for a 59-yard touchdown. For the game, Wiedenmann carried the ball just seven times, but had 112 yards to go with his two touchdowns.

It was the defense's turn to find the endzone as junior lineman Aiden Barker picked off an Ottawa pass and ran it back for a 20-yard touchdown to put Louisburg up 28-0 after a Layne Ryals extra point.

The lineman touchdowns continued in the second half. Louisburg had the ball on the 2-yard line, but Guetterman fumbled the snap that went into the endzone and center JR Rooney jumped on the ball for the touchdown and a 35-0 Louisburg advantage.

"I wanted to yell at JR because I thought the snap was his fault that we fumbled it, but Weston took the blame for it, so he gets to be happy with his touchdown," Ebenstein said.

Sophomore Jase Hovey picks off an Ottawa pass last Friday during the Wildcats' 35-7 win.

Louisburg's defense caused Ottawa problems most of the night as the Wildcats held the Cyclones to just 69 yards of total offense, most of which came in the fourth quarter.

Sophomore safety Jase Hovey had a big game as he recorded one of three Louisburg interceptions on the night, along with a sack, a forced fumble and two tackles for a loss.

Barker and Wiedenmann accounted for the other two interceptions, while Barker also added a sack to his stat line.

"They were playing with a lot of energy and were really flying around out there and hitting people," Ebenstein said. "The air was brisk out there, it is mid-October and it is time to fly

around and it was good to see them have fun out there."

Louisburg will wind down its regular season this Friday when it travels to Paola for their annual rivalry showdown. It will be a difficult test for the Wildcats as Paola is currently ranked in the top two in many of the Class 4A rankings.

"Paola and Louisburg is old school," Ebenstein said. "It really doesn't matter what the records are. Both schools have had good teams over the years and it seems like we have gone back and forth as far as wins go the last few times. It will be a lot of fun and I am excited for the kids to get that game."

PASSING – Riley Van Eaton 1-2-6

RECEIVING – Mason Dobbins 1-6

TACKLES – Ben Wiedenmann 3, Andy Hupp 3, Nathan Vincent 3, Carson Wade 2, Jase Hovey 2, Layne Ryals 2, Aiden Barker 2, Alec Younggren 2, JR Rooney 2, Isaiah Whitley 1, Konnor Vohs 1, Kaven Bartlett 1, Tom Koontz 1, Dominic Owens 1, Jay Scollin 1.

LHS to crown fall homecoming king and queen Friday

The 2020 Louisburg High School fall homecoming candidates are (front row, from left) Jadyn Amren, Megan Foote, Madi Quinn, Alyse Moore; (back row) Weston Guetterman, Konnor Vohs, Ben Wiedenmann and Jay Scollin.

Homecoming week at Louisburg High School kicked off Monday and events are in full swing. With something going on every day this week, it will be a busy time for students. All of it is, of course, centered around the crowning of the 2020 fall king and queen. Eight students were selected as nominees and here

are their names and profiles.

The crowning will take place on Friday before the Wildcats' home football game with Ottawa. Kickoff for that game is set for 7 p.m., with the crowning to take place at 6:30. Good luck to all the participants and make sure to come out on Friday to support the Wildcat football team if you have the opportunity.

Jadyn Amren and Weston Guetterman

Jadyn Amren

Jadyn is the daughter of Mark and Carmen Amren. She has been involved with choir for four years. Jadyn has participated in cheerleading, FFA, FBLA and National Honor Society for two years. She also was a member of FCCLA for one year. Following graduation, Jadyn plans to attend Missouri State and major in nursing.

Weston Guettermann

Weston is the son of Mike and Jodi Guettermann. Weston has been involved for football, basketball and FFA for four years. He was also a member of the baseball team for two years and track for one year. After graduation, Weston plans to attend college and major in Ag Business.

Megan Foote and Konnor Vohs

Megan Foote

Megan is the daughter of Jim and Dana Foote. Megan has participated in basketball for four years, FBLA for three years, National Honor Society, choir and cross country for two years. She has also been a member of the Louisburg Interact Club and softball team for one year. After graduation, Megan plans to go to college and major in psychology or nurse anesthesia.

Konnor Vohs

Konnor is the son of Kevin and Cassi Vohs. Konnor has participated in football, basketball and FFA for four years. He has also been a member of National Honor Society and the baseball team for two years. Following graduation, Konnor plans to attend college and major in business and will shoot competitive shotguns.

Madi Quinn and Ben Wiedenmann

Madi Quinn

Madi is the daughter of Danny and Mary Quinn. Madi has participated in volleyball, basketball, softball, student council and band for four years. She has been a member of choir/select choir for three years, along with a member of FBLA, forensics and National Honor Society for two years. Madi is has also been in the Interact Club and debate for one year. Following graduation, Madi will attend Kansas University and major in exercise science.

Ben Wiedenmann

Ben is the son of Bill and Vickie Wiedenmann. Ben has been a member of the football, wrestling and track teams for four years. He has also been a part of student council for four

years. After graduation, Ben plans to attend college and is undecided on his choice.

Alyse Moore and Jay Scollin

Alyse Moore

Alyse is the daughter of Tommy and Alison Moore. Alyse has been a member of the volleyball and basketball teams for four years and has also participated in choir, the musical and student council for four years. She has been a part of the track team for three years and softball for two years. She has also been a member of National Honor Society for two years and band and FFA for one year. Following graduation, Alyse plans to attend college to continue her athletic and academic career.

Jay Scollin

Jay is the son of Jason and Kashena Scollin. Jay has been a member of the football, track and chess club for four years. He has participated in FBLA and boys volleyball for three years, along with National Honor Society and yearbook for two years. He was a member of student council, the basketball team and debate and forensics for one year. Following graduation, Jay plans to attend the University of Central Missouri and major in safety management.

Wildcats lose to Smithville

in rare battle with Missouri school

Louisburg senior Alec Younggren fights through the Smithville offensive line to get to the quarterback last Friday in Smithville.

SMITHVILLE, Mo. – For the first time in several decades, the Louisburg football team traveled across the state line to face off against a Missouri high school.

The Wildcats were scheduled to host Bonner Springs in a Frontier League matchup last Friday, but the Braves team was forced to quarantine and the Louisburg coaches had to scramble to find an opponent.

They found one in Smithville High School and the Missouri Class 5 program hosted Louisburg in a last minute contest. As unique as the matchup was, the Wildcats left Smithville with a bad taste in their mouths.

Smithville scored 35 unanswered points in the final three quarters and handed the Wildcats a 35-7 loss. It was a difficult challenge for the smaller Louisburg program, but the Wildcats (3-3) tried to make the best of a bad situation.

“I think they were up for the challenge and I am proud of the way that they accepted it for what it was,” Louisburg coach Robert Ebenstein said. “You lose a home game against a league team that we wanted to play and one that we have never played before. I would have liked a week to prepare for Smithville,

but it is what it is. I am proud of the boys for playing hard."

After a scoreless first quarter, Smithville scored on two big pass plays in the second that gave the Warriors some momentum going into halftime. The combo of quarterback Andrew Hedgecorth and Keltin Nitsche connected on a pair of touchdowns on almost the same play.

Nitsche caught a 23 and 22-yard touchdown pass on a fade to the endzone on both occasions and the Warriors took a 14-0 halftime lead.

Louisburg's offense had a tough time getting much going until late in the game, by then the Wildcats found themselves down 35 points.

Smithville (5-2) opened the second half with a touchdown that was aided by three Louisburg penalties and Wildcats were down three scores and was difficult to come back from. The Warriors ran a spread offense, which was tough to prepare for in a short amount of time.

"We gave up 45 yards of penalties in that drive, so that was kind of tough," Ebenstein said. "That was a killer for sure. But right before halftime, we had a chance to get at least 3 on the board and we threw an interception and that kind of hurt us a little.

"It was a weird week for sure. It was one of those things where we got the exact opposite for what we were preparing for and what we planned on. It is what it is though. We came over here and Smithville has a good team. It was a short week to prepare and it was kind of tough as the scoreboard kind of reflected that."

Louisburg senior Konnor Vohs brings down a one-handed grab in the fourth quarter of Friday's game with Smithville.

Louisburg's offense got going in the fourth quarter when quarterback Weston Guetterman found Konnor Vohs on a pair of long passes, including one where Vohs made a one-handed grab.

Guetterman then ended the shutout with a 45-yard touchdown run and the Layne Ryals extra point made it 35-7.

Along with his two catches, Vohs also had a big game on defense as he led the Wildcats with 11 tackles on the night. Sophomore Jase Hovey and seniors Ben Wiedenmann and Jay Scollin each finished with six stops and Wiedenmann also had a sack.

Louisburg will try and get back on the winning side of things this Friday when it hosts Ottawa for homecoming in a Frontier League matchup. Kickoff is set for 7 p.m. and the crowning

will take place at 6:30.

Wildcats beat Eudora in defensive battle

Louisburg running back Ben Wiedenmann breaks a tackle during a game earlier this season. Wiedenmann rushed for 171 yards in the Wildcats' win over Eudora last Friday.

EUDORA – Just like the previous week, the Louisburg football team was forced to prepare for its upcoming game short-handed.

The Wildcats didn't have a scout team to work with during practice in an effort to prepare for their game with Eudora, as much of the team was still under quarantine. The big difference was most of those players were able to play Friday against Cardinals.

It turned out to a big help for the Wildcats as they pulled out a 14-8 win over Eudora on Friday at Eudora High School. Louisburg converted the game-winning score midway through the fourth quarter and the Wildcat defense turned Eudora over on downs on its final possession.

"I am very proud of these kids," Louisburg coach Robert Ebenstein said. "They bought in to our identity, they strap it up and play tough football for four quarters. Any Frontier League game is tough, especially on the road."

It was a defensive battle, and a fast-moving game, from the

start as both teams tried looked to run the ball early and often.

The game was scoreless until the second quarter when Eudora quarterback Zeke Reazin threw for a 22-yard touchdown pass on fourth down. The Cardinals converted the 2-point conversion and took an 8-0 lead.

Louisburg (3-2) was able to bounce back on its next possession. Quarterback Weston Guetterman found the endzone on a 10-yard run and then ran in the 2-point conversion to tie the game at halftime.

Both defenses made things difficult as the Wildcats held Eudora to just 151 yards of total offense, while Louisburg was unable to get anything going through the air. The game came down to the final two possessions.

Midway through the fourth quarter, the Wildcats put together a 12-play drive that ended on a 1-yard run from Ben Wiedenmann. It was Wiedenmann that carried the load for Louisburg as he ran the ball 11 of the 12 plays.

Wiedenmann finished with 171 yards on 32 carries, while Guetterman carried the ball 13 times for 89 yards.

The offensive line of Alec Younggren, Dominic Owens, JR Rooney, Nathan Vincent and Jay Scollin, along with tight end Aiden Barker, helped pave the way. Running backs Andy Hupp and Kolby Kattau also found themselves in the front of a lot of those runs as well.

"We have been searching for our identity up front all year, and we found something that gave us success all night on the ground," Ebenstein said. "Our running backs, Hupp and Kattau, did a great job blocking all night long as well and Weston and Ben were running hard. All those things combined gave us a 7 yard average per play on the ground."

Eudora had one final opportunity to tie or take the lead late in the game, but the Wildcat defense came through and forced a turnover on downs with two minutes left. Louisburg was able to run out the clock from there.

"Defensively we played tough and smart all night," Ebenstein said. "We again had to prepare most all of the week without a scout team, so the speed they were running their flexbone hit us quick on that first drive, then on fourth down they threw a simple slant and we missed a couple tackles and gave them their only score. Still, our defensive backs shut them down in the air pretty much all game."

Guetterman led the Wildcat defense with six tackles on the night, including two stops for a loss. Sophomore Jase Hovey, Kattau and Barker each finished the night with five stops, while Hupp, Wiedenmann and Scollin tallied four tackles.

Louisburg was scheduled to play Bonner Springs this Friday at home, but Bonner Springs is currently under quarantine and the school is in the process of trying to find a replacement for the game. Louisburg Sports Zone will keep you up to date with any changes to the schedule.

Short-handed Wildcats fall short against Piper

Running back Justin Collins looks for some running room Friday against Piper at Wildcat Stadium.

The thought of preparing a football game with just 15 players had never crossed Robert Ebenstein's mind.

The same could be said for the rest of his coaching staff.

But early last week, that is where Ebenstein found himself. All but 15 members of the Louisburg football team were forced to quarantine due to a positive COVID-19 result, and therefore, left the Wildcats a little short-handed for their game with Piper on Friday.

Despite all that, the Wildcats found themselves in a tie-game at halftime with the Pirates at Wildcat Stadium as they tried to defy the odds. In what was a defensive battle for most of the night, the Pirates used one big play to come out on top and handed Louisburg a 21-14 loss.

The thought of a moral victory wasn't on the Wildcats' minds when it was all said and done, but Ebenstein was pleased with his players and coaching staff.

"For the most part our effort was there, the part we struggled with was staying checked in to our assignments mentally in all three phases for the entire game," Ebenstein said. "Typically we have people who play special teams, and that is a mental play off for the two-way guys, but we just didn't have that."

"As for preparing with 15 players left, we did the best we could. We were right there. We were prepped for assignments, but Piper's speed and size was something that a bunch of old coaches would not imitate. It took us a bit to catch up to their speed and our tackling looked like something we didn't focus on all week."

Defensively, the Wildcats stood tall at times as they held the Pirates under 300 yards of total offense and forced a turnover that Louisburg turned into a touchdown.

The game was tied at 14-all at halftime, and in the third quarter Piper quarterback Cory Macon broke free for a 53-yard touchdown run that turned out to be the difference in the game.

Senior linebacker Jay Scollin led the Wildcats with 13 tackles on the night and senior Andy Hupp had eight tackles to go along with a sack and a forced fumble.

Alec Younggren, a senior transfer from Olathe South who has been out with an injury, played his first game as a Wildcat and finished with 10 stops.

"The unfortunate thing about football is you can do so many things well, but that one bad play, or the one mental mistake can lead to a score," Ebenstein said. "Their long run was a mixture of good execution by them, and us having a couple players with a mental lapse. That's how it works, and their first drive they had some success because it took us a few plays to catch up to their speed. A bunch of old coaches can't recreate that. Other than that, we really played good defense outside of three drives. We will keep getting better."

"As for Alec I was really excited to see him get to play. He wants to be out there so bad. I am happy he is getting his opportunity to play this game. He is a good kid and is going to do great things."

Piper opened the game with a touchdown on its opening drive to go up 6-0, but the Wildcats bounced back with two straight scores to take the lead in the second quarter.

The Wildcats (2-2) put together a 14-play drive that ended on a 1-yard touchdown run from senior Ben Wiedenmann, who carried the ball six times on the drive.

It was Wiedenmann who would come up big again just minutes later.

On Piper's ensuing possession, Hupp stripped the Pirate ball carrier to force a fumble and Wiedenmann was there to scoop it up and return it 30 yards for a touchdown. Wiedenmann ran in the 2-point conversion and the Wildcats were up 14-6.

Piper answered just before halftime with a touchdown of its own to tie it at 14-all.

Offensively, it was tough for the Wildcats to move the ball on the Pirates as they totaled 182 yards of offense – all of which came on the ground.

"Piper's defense was solid, but we honestly moved the ball and

then we were killing ourselves with penalties," Ebenstein said. "But they do have very skilled kids in the secondary, so throwing against them is always tough."

Louisburg will try and bounce back this Friday when the Wildcats travel to Eudora. Kickoff is set for 7 p.m.

Wildcats defeat Baldwin, lose Doles to injury

Louisburg quarterback Weston Guetterman sheds a tackler during Friday's game with Baldwin.

As happy as Louisburg was following its 32-6 win over Baldwin on Friday, there was still a level of concern over one of their teammates.

Junior Brandon Doles, the team's starting tight end and linebacker, had to be taken off the field by an ambulance in the first quarter due to a leg injury. Doles sustained the injury following a 40-yard pass play.

Further tests revealed that Doles suffered a broken fibula and a dislocated ankle. He will be out for the season.

"Brandon going down is a huge loss for us," Louisburg coach Robert Ebenstein said. "He is a great kid and always has a fun, upbeat presence, and a good leader on and off the field. As for football, he started both sides of the ball as well as he was our long snapper. Those are some big shoes to fill."

Other than Doles' injury, it was a successful night for the Wildcats as they were able to bounce back after suffering their first loss of the season to Tonganoxie. Louisburg scored three second quarter touchdowns and held the Bulldogs to just

a single score late in the game.

Junior Brandon Doles races away from the defense moments before suffering a season-ending injury in the first quarter against Baldwin.

Louisburg's defense came up big throughout the game as it forced two turnovers, one of which was a touchdown. The Wildcats held Baldwin to 171 yards of total offense, many of those coming late in the contest.

"Coach (Drew) Harding is doing a great job organizing a game plan and teaching it to our kids," Ebenstein said. "The kids had a great week of practice and film study and did a solid assignment job all game long."

The Wildcats put together a strong opening drive that ended on a 2-yard run from Andy Hupp and quarterback Weston Guetterman ran in the 2-point conversion. It was all set up on the 40-yard pass from Doles before his injury.

Louisburg (2-1) put the game out of reach in the second

quarter as it found the endzone on three different occasions.

Senior Konnor Vohs set up the first score as he hauled in a 47 yard pass from Guetterman to give the Wildcats a first-and-goal from the 3. Junior Kolby Kattau took it from there for the touchdown.

Normally a team that likes to run the ball, the Wildcats were able to take advantage of some things through the air as Guetterman threw for 148 yards. Vohs was his main target as he had three catches for 86 yards.

"We do want to run the ball and control the tempo of the game," Ebenstein said. "We honestly want to take what people will give us, and if teams want to challenge us one on one on the outside, we take those chances."

After the Wildcats threw an interception on their next drive, it was Vohs who picked off a Baldwin pass to give Louisburg the ball back. Vohs also ignited the offense once again as he broke free for a 35-yard run and the drive ended on a 6-yard touchdown run from Guetterman.

The Louisburg defense came through again for the Wildcats as Hupp scooped up a fumble caused by senior Jay Scollin and returned it 25 yards for a touchdown to give Louisburg a 26-0 halftime lead.

Senior Justin Collins added a 21-yard run in the fourth quarter to take 32-point advantage to all but seal the win for Louisburg.

A few days after the game, the team was informed that all but 15 players will have to quarantine due to a positive case of COVID-19. With Doles being out with an injury and another player out with an illness, the Wildcats will have 13 rostered players for Friday's game with Piper.

Many of those are varsity players and Louisburg will have a

challenge ahead of itself at home against the Pirates.

"As for Piper they are big, strong, athletic and fast," Ebenstein said. "My biggest concern right now is that we only have 13 players. As for difficulties for this week, one injury we are in trouble, two injuries and we are out of subs, three injuries and we are playing with 10. Not having a scout team all week is not ideal."

Member of LHS football team has confirmed case of COVID-19

Louisburg High School has confirmed a positive case of COVID-19 on the Wildcat football team that will force nearly 50 players to quarantine.

The quarantine does not include 15 athletes, many of whom are on varsity. However, due to a player suffering a season-ending surgery and another out with a separate illness, the Wildcats will be down to just 13 active players for Friday's contest with Piper.

“There was a JV roster of kids, with nine players who were ‘swing players,’ who would practice with the varsity and the JV,” Louisburg coach Robert Ebenstein said. “We also have a freshman group that practiced separately. So basically we

tried to prevent one positive case from bringing down all programs.

"Well, the freshman game was cancelled last Thursday so we had our freshman team scrimmaging our JV team in the first practice. So the one positive case brought down basically everyone from that practice with the county/s interpretation of the close contact rules – which was all the JV players and the nine players who were playing both JV and varsity. "

Almost two weeks ago, the entire Louisburg boys soccer team was forced to quarantine due to an infected player participating in a practice. The Wildcats were able to come back from their quarantine last Thursday.

According to the Miami County Health Department, any player in active participation when the infected player was on the field had to be quarantined unless they wore a mask and goggles.

"It is as broad and simple as that," Ebenstein said in an email to the football parents. "I have gone through to remove as many players as possible with certainty they were not active participants during those specific plays on last Wednesday. Even if a kid were to be an active participant with a mask on they would not have been safe from close contact quarantine. A mask and a face shield would not make them safe as it does not "seal around the eyes". Masks and goggles would, but you are not allowed to wear goggles under your facemask as they are not NFHS certified."

More than a week ago, a member of the Tonganoxie football team tested positive prior to Louisburg's game with the Chieftains in week two, and only that infected player was forced to quarantined due to different conditions stated by the Leavenworth County Health Department.

"I want all of our kids to be safe in the classroom, but for some reason wearing a mask inside keeps a kid safe, but wearing a mask outside during sports does not," Ebenstein

said. "I don't understand any of it.

"As for difficulties for this week...one injury we are in trouble, two injuries and we are out of subs, three injuries and we are playing with 10. Not having a scout team all week is not ideal."

According to the school, they are hoping the students will be able to return to in-person classes next Thursday, but the official date has yet to be confirmed.

Louisburg falls to defending league champ, Tonganoxie

Louisburg senior Andy Hupp brings down Tonganoxie's Tyler Bowden with help of some teammates Friday at Tonganoxie High School. The Wildcats fell, 24-14.

TONGANOXIE – The Louisburg football team faced one of its more difficult challenges of the season Friday when it traveled to defending Frontier League champion, Tonganoxie.

In the first half, the Wildcats found themselves in the game and were down just 10 points at halftime. Unfortunately, two Tonganoxie touchdowns in the fourth quarter proved too much to overcome in a 24-14 loss.

Louisburg (1-1) found itself down 24-0 in the fourth quarter, before the Wildcats scored two late touchdowns to make the game a little closer.

"They worked too hard to lay down and take a shutout," Louisburg football coach Robert Ebenstein said of his players. "The frustrating thing is we were hoping we could learn some things before the fourth quarter and try to figure things out. They fought hard and they worked hard. We are young and we were kind of exposed there for a little bit. Tongie is a heck of a team, but honestly we just kept beating ourselves. We just have to keep getting better."

After a scoreless first quarter, Tonganoxie struck first on a 25-yard field goal from Jackson McWilliams, but the Wildcat defense came up big late in the second quarter. Junior Brandon Doles recovered a Tonganoxie fumble on the Chieftain 35-yard line and gave the Wildcats a short field to try and take the lead.

The Wildcats weren't able to take advantage of the opportunity as the Chieftains picked off a Louisburg pass with under three minutes left in the first half. That gave Tonganoxie an opportunity and it took advantage as it scored on a 20-yard run from Sam Kleidosty with 58 seconds left and took a 10-0 lead into halftime.

"We get that turnover and then the first thing we do is jump offsides and then it is first and 15," Ebenstein said. "Honestly, first and 15 is bad for us. We are not that kind of team. We just need to make sure we are focused in. It was a turning point in that game, but I thought Coach (Drew) Harding had a heck of a game plan, but that is a tough, physical team we are playing. We got a little gassed, but a lot of our kids are on the field the whole game and they played hard."

Tonganoxie running back Tyler Bowden found success in the second half. Bowden, an all-state transfer from Lawrence Free

State, scored twice in the fourth quarter – including a 51-yard touchdown – to help the Chieftains all but seal the win.

“(Bowden’s) last run, we were just completely misaligned,” Ebenstein said. “It was one of those things where if we were lined up right then we make that tackle. He is tough, their system is good and they have a lot good seniors. Tongie is a good team.”

Louisburg didn’t give up, however, as the Wildcats put two drives together to score a pair of touchdowns in the final five minutes.

Senior running back Ben Wiedenmann drags some Tonganoxie defenders for a big gain Friday.

Quarterback Weston Guetterman found Konnor Vohs on a 23-yard pass, and that set up a 9-yard touchdown run from senior Ben Wiedenmann. Sophomore Layne Ryals added the extra point to

make it 24-7.

Ryals came through for the Wildcats in just his second varsity game as he put down a good onside kick, that was recovered by Louisburg and the Wildcats had another opportunity.

Running back Kolby Kattau found Vohs on a 25-yard halfback pass on a drive that ended up on a 12-yard touchdown run from Wiedenmann, who finished the game with 91 yards on the ground.

Defensively, senior Andy Hupp was all over the field for the Wildcats as the defensive lineman recorded a team-high nine tackles, while junior Aiden Barker and sophomore JR Rooney each added a sack.

Kattau and Wiedenmann both had six tackles from the linebacker spot. Guetterman, Justin Collins, Vohs and Barker each finished with five.

Louisburg will try and bounce back Friday when it host Baldwin. Kickoff is set for 7 p.m.

"We have to focus on us," Ebenstein said. "We just have to get better and work on what we do. Our kids' heart is the positive. It is easy for any team to lay down when you are losing 24-0, but we were able to put up 14 points in those five minutes to finish strong. These kids are going to keep learning and build off this. We are going to get better."

Guettermann sparks Wildcat comeback over Spring Hill

Louisburg quarterback Weston Guetterman (3) celebrates with his teammates following the Wildcats' go-ahead touchdown in their 22-14 win over Spring Hill on Friday in their season opener at Wildcat Stadium.

Louisburg found itself trailing Spring Hill on two different occasions during Friday's season opener, and both times Weston Guetterman found a way to help bring his team back.

The Wildcat senior quarterback took center stage on Senior Night as he rushed for more than 100 yards and scored three touchdowns, including a late fourth quarter score to give Louisburg a 22-14 victory at Wildcat Stadium.

It was the ideal start for Louisburg and its 2020 season.

"It is just truly special," Guetterman said. "We worked all summer, we had online Zoom workouts back in March and during quarantine. Then we were able to get back on the field and had weights outside. Even thought it was all abnormal, it is really gratifying to finally get out here and play again. It is really nice to get a win on Senior Night too. Hopefully we can get many more."

Before the game, Louisburg honored its eight seniors as Guetterman, Jay Scollin, Justin Collins, Andy Hupp, Konnor Vohs, Will Patterson, Ben Wiedenmann and Alec Younggren with their parents for their time with the program.

Louisburg controlled the pace from the opening kickoff as the Wildcats put together a 20-play drive that lasted more than 10 minutes, before turning the ball over on downs near the endzone. Spring Hill took the lead first on a 54-yard touchdown pass in the second quarter, but other than that play, the Louisburg defense held strong.

The Wildcats held Spring Hill to just 10 yards of offense outside of the Broncos' scoring play – and thanks to that effort – Louisburg was able to take the lead at halftime.

Junior running back Kolby Kattau finds some running room during the first quarter of Friday's game with Spring Hill at Wildcat Stadium.

Guetterman engineered a late scoring drive in the second quarter as he finished it off with a 5-yard touchdown run. He created some more magic when he rolled out to throw for the 2-point conversion, and while being tackled, managed to find an open Brandon Doles to go up 8-6.

"Weston is so quiet and so humble and he just works hard," Louisburg coach Robert Ebenstein said. "Then he comes out here and puts on beast mode and makes Patrick Mahomes plays in the endzone. I am super happy for him and he deserved every bit of this and he earned it. I think those kids gravitate toward him and I was excited to see that."

Spring Hill wasted no time getting going in the second half as the Broncos drove down the field and scoring on an 18-yard

touchdown pass from quarterback Fletcher Pankey to Zach Knowlton. After a successful 2-point conversion, the Broncos held a 14-8 lead that went into the fourth quarter.

The Louisburg offense once again took control of the game as it put together a 13-play drive that ended with a 14-yard touchdown run from Guetterman to tie the game midway through the quarter after a failed 2-point conversion.

The offensive line of Dominic Owens, Nathan Vincent, JR Rooney, Jay Scollin, Aiden Barker and tight end Brandon Doles provided a lot of blocking up front as did running backs Ben Wiedenmann, Kolby Kattau and Hupp.

Linemen Nathan Vincent (51) and Aiden Barker (54) get off the line of scrimmage to open holes for the Louisburg running attack Friday against Spring Hill.

"It was a good game," Guetterman said. "We just fought hard

and our line did really good and nailed the assignments. The running backs blocked really well and just gave me an opportunity to score. That is all I can ask for. It really wasn't me doing anything. All I had to do was just run it in."

Wiedenmann also had a big game on the ground for the Wildcats as he carried the ball 20 times for 144 yards, including a 46-yard scamper that help set up the game-winning score. With 437 left in the game, Guetterman broke free for a 31-yard touchdown and then ran in the 2-point conversion to put Louisburg up 22-14.

Spring Hill had one final opportunity to tie the game, but senior Konnor Vohs picked off a Bronco pass in the redzone to all but seal the win for the Wildcats.

"Konnor is such a quiet, hard-working kid and he is always in the right spot and doing the right thing," Ebenstein said. "That is the type of play that you see on film and he just made a heck of a play."

In all, the Wildcat defense was strong as they held Spring Hill to just 204 yards of total offense – 72 of which came on two scoring plays through the air.

Louisburg senior Konnor Vohs (11) celebrates with teammates JR Rooney (62) and Jase Hovey after Vohs recorded the game-sealing interception late in the fourth quarter.

Senior Andy Hupp had a big day on the Wildcat defensive line as he finished with a team-high seven tackles, including three for a loss and a sack. Wiedenmann finished with six stops, while Rooney added five tackles. Doles also came up with four stops, two of which were for a loss.

“They played really well and I thought we were able to settle in,” Ebenstein said of his defense. “I think Spring Hill got better as the game went on. They made some good adjustments. In the first half we held them to 64 yards and 50 of them were on one play. We dominated that first half on both sides, and I need to do a better job of getting us in the endzone.”

Following the game, the Wildcat players made their way over to the sideline – not to slap hands with fans as has been

tradition in previous years – but they all took off their helmets, raised them in the air and screamed “Thank you” to those in the stands.

In all that is going on with COVID-19, the players were just happy to be under the Friday Night Lights and wanted to show appreciation for all the support.

“That is what it is all about,” Ebenstein said. “I am glad our kids got to play and I am glad that our kids got to apply all the things they did this spring and summer. Just to come out here and see the people, hear the band and see the lights – this is just what we play for and what it is all about.

“I am super proud of our kids and how focused they were. I think we went for it on fourth down and I think we executed on every single one of them. I told them that I have every confidence in the world in you and let’s go out and execute and that is what they did. They deserved this and they earned it. Hats off to Spring Hill as well because they played their butt off and faced the same adversity we did. The game could have easily went their way, but it feels good to come out on top.”

Louisburg will try to make it two in a row Friday as the Wildcats will travel to Tonganoxie to square off with the state-ranked Chieftains. Tonganoxie defeated Basehor-Linwood in its season opener, 62-28.

“Tonganoxie is going to be solid,” Ebenstein said. “Last year they put it on us pretty good and they had a heck of a team. I know they are going to be ready, but we just have to focus on us. We need to focus on who we are and what we need to do and see how much we can grow from week one to week two.”

Different look Wildcats excited for start of season

Ben Wiedenman breaks free for a long run thanks to a block from teammate Kolby Kattau (26) during a game last season. Both are returning starters on both sides of the ball.

In what has been a crazy summer for the Louisburg football team, that has featured them wearing masks, social distancing as much as possible and having to lift weights outdoors – the day they have been working for has finally arrived.

Louisburg opens its season tonight when it hosts Spring Hill at Wildcat Stadium. Just like the summer, this Friday Night Lights matchup will be a little different.

There won't be quite as many fans in the stands due to limited tickets, the players have new uniforms and the Wildcats will also be celebrating Senior Night – an event that is usually scheduled for the end of the year.

Most of that can be attributed to the spread of COVID-19 and the lingering aspects of that will be hanging over the 2020 season.

Still, the Wildcats are looking forward to the opportunity, to not only take the field again, but also heal wounds from some of the tough times the town has experienced the last few months.

"I am super excited," Louisburg coach Robert Ebenstein said.

"I think these kids have done everything we have asked of them. They have worn the masks, they've worn the glasses, they've separated themselves and have stayed away from certain social events. I think they deserve it.

"Honestly, I think the town deserves it as well. They have supported us in getting back to this and I wish everyone in the world could come watch this. Hopefully there will be enough tickets spread around that people that want to come to the game, can come and watch. I am just excited to get back to it and getting back to small town unity. From everything that has gone on from April to August, and issues that arise in this town, I am just ready for something to help unify everyone back together and get behind these kids and support them."

With all the changes that are happening on the field, the Wildcats will also have a different look to it on the field, especially on the offensive side of the ball.

Louisburg is changing up its offense from the past and running something that fits more of their personnel. Gone are the big offensive linemen, so Ebenstein decided to take a different route this season.

The Wildcats will be smaller up front and return only one player who saw varsity action a year ago. JR Rooney, who filled in as a starter last year as a freshman, will return to center for his sophomore season, but will have four new players up there with him.

Senior Jay Scollin and sophomore Nathan Vincent will move from the running back spot to guard, while junior Aiden Barker will move from tight end to tackle. Junior Dominic Owens, who started one game as freshman before missing his sophomore year to injury, will play the other tackle spot.

Senior Weston Guetterman, who was an all-league receiver a year ago, is now the starting quarterback for the Wildcats.

Louisburg also moved its All-Frontier League receiver, Weston Guetterman, inside to take over the quarterback spot, which frees up senior Konnor Vohs and sophomore Mason Dobbins to play wide receiver and junior Brandon Doles will move from running back to tight end.

"We changed our philosophy a little bit, so we are just going to kick it old school," Ebenstein said. "We are trying to put our focus at being fast up front, because we are not very big compared to what we've had in year's past. We don't have the 6-2, 250-pound guys anymore, so we wanted to make a big change to our philosophy and that is all about being quick. I hope teams say we are small, but we can fire out fast, they fire out low and fire out hard. We've been focusing on the littlest things, and when those guys fire out fast, I think we can be

pretty tough."

Even with a lot of players in new spots, the Wildcats will feature the same faces in the backfield.

Seniors Ben Wiedenman, Andy Hupp, Justin Collins and junior Kolby Kattau will return to lead the running back group as both Wiedenmann and Hupp were both second-team all-league players last season. Sophomore Jase Hovey will also see time in the backfield to add to their depth.

"We are going to mix it up a little bit," Ebenstein said. "We are going to keep it simple and focus on execution. One of our strengths is probably going to be our back field. You have Weston there at quarterback, that is where he played in the playoffs for us last year on two days of practice. It is great to have Andy, Ben, Kolby and Justin back after they did some really good things last year, plus we add a sophomore in Jase who will see some time as well. There are a lot of weapons that we have."

Guetterman started at quarterback last season for the Wildcats in their lone playoff game as a last minute replacement due to injuries. Now, since the summer began, he has embraced that starting role and Ebenstein likes what he brings to the huddle.

"Honestly, Weston is a natural leader," he said. "He does all the little things right. He is always in the right position and he is always taking care of his business on and off the field with school. The kids follow his leadership and they see the type of person that he is and the type of player that he is. He will do a great job leading us."

Linebacker Brandon Doles is one of several returning starters on the defense.

Most of the Wildcats' experience can be found on the defensive side of the ball as they return many of their back-seven starters from a year ago. Wiedenmann, Kattau and Doles will lead the linebacker group.

Vohs and Collins will take the starting role at cornerback, while Guetterman and Hovey will play at the safety spot.

Up front, Hupp will lead the defensive line on the outside and will be joined by Barker and Owens on the other side. Rooney, along with a combination of Will Patterson, Vincent and Trace Eslinger will see time on the inside.

"The strength of our defense is going to be the back seven," Ebenstein said. "I say that, but probably one of our best players will be up front. We moved Andy Hupp to defensive end

to kind of shut down that side of the field because he is just a monster. Our back seven probably has the most experience as we return all of our linebackers and most of our secondary from a year ago."

One of the Wildcats' better players will begin the year on the sideline due to injury. Senior Alec Younggren, who transferred from Olathe South, is recovering from an injury, but when healthy he will be able to make an impact on the line of scrimmage.

Younggren was a state medalist on the Olathe South wrestling team at 220 pounds last season and Ebenstein says he has been a great fit with their team.

"When he gets healthy, I really think he can be a force for us on the inside," he said. "Alec moved here in the summer, but we are excited to have him. He is coming off a broken foot that he injured in the summer. He was a starter at Olathe South and was a state medalist in wrestling. He is a smart kid and I think he fits in really well with us."

The Wildcats have spent their entire summer preparing for their season opener against Spring Hill and they are looking forward to what can be a successful season, despite the distractions around them.

"This year is different with everything being so fluid and changing all the time," Ebenstein said. "Our goal is to win, and I know this sounds cliché, but our goal is to win every game. We have one game a week and that is the one we are trying to win. We need to do it the right way and have the right approach to every game and get better. We are taking it one game at a time, and whatever it takes to win that game, and whatever system and personnel that it takes, is what we are going to do. Right now it is Spring Hill."
