

# **Wiedenmann's big plays help Wildcats to first win**

**Louisburg running back Ben Wiedenmann looks for an opening during the Wildcats' 38-12 win over Baldwin on Friday.**

BALDWIN CITY – Louisburg was nowhere near healthy when it entered Friday's road contest at Baldwin.

The Wildcats were missing nine combined starters on both sides of the ball due to injury, they had to shuffle guys in different positions and change things up offensively. It wasn't exactly the perfect recipe for success.

Whatever the Wildcats did, worked like a charm.

Louisburg ran all over Baldwin as it amassed almost 400 yards of rushing on its way to a 38-12 victory over the Bulldogs at Listen Stadium on the campus of Baker University. In the process, the Wildcats picked up their first win of the season, which helped erase the bad taste they had the previous two outings.

“It was a little different for sure,” Louisburg coach Robert Ebenstein said. “The look was

different, what we could do was different and what we thought we would be good at is different than normal. That is just coaching. Every week is different and we want to give the kids the best opportunity each week to have success and put them in position where they can succeed. You could tell they wanted this one and they came out and played really hard. It was a good win."

Ben Wiedenmann provided the lift the Wildcats were looking for as he recorded three touchdowns of 30-yards or more in the first half and finished the game with 231 yards on the ground on 26 carries.

He got it thanks to the blocking up front as Brayden White, Ian McGuire, Garrett Harding, along with two new starters in Andrew Krause and Sam Kratochvil, shined on the offensive line.

Tight end Michael Waldron, along with blocking backs Brandon Doles and Kolby Kattau, also broke Wiedenmann free on several plays.

"Anyone that knows me, knows that I want to run the ball," Ebenstein said. "Situations in our last two games kind of took that away from us early and forced us to throw a little bit more and this one was different. In the first quarter, we established what we wanted and Ben ran hard and we blocked well. Then with our two running backs out, I thought Brandon and Kolby came in and blocked really well."

Wiedenmann wasn't the only Wildcat to eclipse the century mark in rushing as quarterback Andy

Hupp also added 106 yards on the ground, threw for a touchdown and ran in three 2-point conversions. Hupp replaced starting quarterback Madden Rutherford, who was one of the Wildcat starters out with injury.

**Quarterback Andy Hupp drags a Baldwin defender for a few extra yards Friday. Hupp threw for a touchdown and rushed for more than 100 yards.**

“Andy is a monster,” Ebenstein said. “He runs hard, he blocks hard, he tackles well and he was just all over the place for us. I was really pleased with him as well.”

The Wildcats (1-2) got things going on their first possession as Wiedenmann broke free for a

35-yard touchdown run, and after a Hupp 2-point conversion, went up 8-0.

On Louisburg's next drive, it was Wiedenmann again as he found the endzone on a 36-yard scamper and went up 16-0 after another Hupp 2-point run.

Baldwin went on to score to begin the second quarter, but the Wildcats returned the favor as Wiedenmann scored on a 31-yard run. Louisburg drove down the field before halftime and Hupp found Waldron on a 1-yard touchdown in the back of the endzone and the Wildcats went up 32-6 at the break.

Justin Collins provided the only score in the second half for the Wildcats on a 41-yard run to seal the win.

**Senior Michael Waldron brings down a Baldwin runner Friday in Baldwin City.**

Other than one big play, the Wildcat defense was sound all evening as Baldwin recorded just 89 total yards of offense, including minus 22 yards rushing.

“Defensively I was really pleased with what we were able to do considering some guys were in different spots,” Ebenstein said. “We gave up the one big pass play, but other than that I thought we did some good things out there.”

Hupp led the Wildcats with eight tackles on the night, while Harding finished with seven and Eli Johnson added

six. Konnor Vohs also recorded an interception.

Louisburg returns home Friday as it will try to get its second consecutive win against Piper. Kickoff is set for 7 p.m. During halftime of the contest, Louisburg will also recognize its newest hall of fame inductees – Dennis Stiles, Krystal Bowes (Grojean), Jason Burk and John Lohse.

## **SCORING SUMMARY**

### **FIRST QUARTER**

L: Ben Wiedenmann 35 run (Andy Hupp run)

L: Wiedenmann 36 run (Hupp run)

### **SECOND QUARTER**

B: Gavin Lang 26 pass from Connor Quick (run failed)

L: Wiedenmann 31 run (Hupp run)

L: Michael Waldron 1 pass from Hupp (Wiedenmann run)

### **THIRD QUARTER**

B: Trysten Heck 80 fumble return (run failed)

### **FOURTH QUARTER**

L: Justin Collins 41 run (kick

failed)

## STATISTICS

RUSHING – Ben Wiedenmann 26-231;  
Andy Hupp 23-106; Justin Collins 1-41

PASSING – Hupp 2-6-minus 2

RECEIVING – Michael Waldron 1-1

TACKLES – Andy Hupp 8, Garrett  
Harding 7, Eli Johnson 6, Brandon Doles 5, Michael Waldron 5,  
Brayden White 5, A.J.  
Reed 5, Kolby Kattau 3, Tom Koontz 3, Terrance Foster 2,  
Konnor Vohs 1, Ben  
Guetterman 1, Justin Collins 1, Andrew Krause 1.

**KSHSAA** **releases**  
**classifications** **for** **2019-20**  
**school year**

The Kansas State High School Activities Association released its classifications for the 2019-20 school year, along with the football classifications for the 2020-21 and 2021-22 seasons.

There were a few changes in both areas, but more so on the football side.

Football classifications are determined based on enrollment figures in ninth, 10th and 11th grade. Louisburg is still in 4A with 432 students and is toward the lower half of the classification.

Entering Class 4A beginning in the 2020 school year will be St. James Academy, Lansing and Great Bend, who have all moved down from Class 5A. Wamego also made the jump back in from Class 3A.

Kansas State High School Activities Association  
**Football Classifications and Enrollments-Descending Order**  
**2020 & 2021**

*Enrollment figures are based on ninth, tenth and eleventh grades only.*

*Enrollment figures are as of September 20, 2019.*

Printing Department

Goddard, Pittsburg and Spring Hill all saw their enrollment grow and will be moving up from 4A to 5A next year. Baldwin

saw their enrollment decline and will move down to Class 3A in football the next two years.

In the rest of the sports, not much changed with regards to Class 4A for this year.

Enrollment figures for all grades in Louisburg this year is 573, which puts the school in the upper half of Class 4A. The biggest school is Buhler with 661 and Bishop Miege is the second biggest at 656 and Ottawa is third at 653.

Three schools will make the move up to Class 4A this year. Clay Center, Girard and Holton all saw their enrollment increase and will come back to 4A, while Osawatomie, Anderson County and Wichita-Trinity Academy will move out of 4A to 3A this year.

---

## **Tonganoxie ruins Wildcats' home opener**

**Louisburg's (from left) Eli Johnson, Konnor Vohs and Garrett Harding team up to stop a Tonganoxie player at the goal line and force a fumble Friday at Wildcat Stadium.**

It wasn't the way the Louisburg football wanted to kick off its home schedule Friday against Tonganoxie.

Tonganoxie took advantage of some Wildcat mistakes and racked up nearly 500 yards of total offense as it handed Louisburg a 42-6 loss at Wildcat Stadium.

The Chieftains were the more physical team as they won the battle up front and put together several hard hits on the Wildcat players.

“Tonganoxie is very good,” Louisburg coach Robert Ebenstein said. “My hats off to them. They played a complete, physical four-quarter game. They are best public school that I have seen in a long time. They are legit.”

Louisburg (0-2) had to face obstacles throughout the game, including losing players to injury, and it challenged their depth. Running backs Charlie Koontz and Jay Scollin had to leave the game with injuries, as did quarterback Madden Rutherford.

The Chieftains’ defense held Louisburg to just 175 total yards of offense and forced two turnovers. Even with all that, the Wildcats trailed just 21-6 at halftime.

“They really didn’t let us do a whole lot,” Ebenstein said of Tonganoxie. “Then on top of it we lose two starting running backs and our quarterback to injury, and at that point, we were just going to take what we could get. I am really proud of our kids. They fought hard and they never tucked their tails. They didn’t quit and they fought their butts off and I am proud of them for that.”

Tonganoxie (2-0) opened the game with a 79-yard drive that ended in a 2-yard touchdown, and after the Wildcats were forced to punt on their opening possession, the Chieftains drove down the field once again. Except this time, the Wildcat defense forced Tonganoxie to turn the ball over on downs in the red zone.

**Jay Scollin (33) and Justin Collins break up a Tonganoxie pass in the endzone Friday.**

As it turned out, it was only a minor victory for Louisburg as Tonganoxie put together another possession that ended on a 5-yard score from Elijah Tyner and went up 14-0 late in the first quarter.

Louisburg had an answer as the Wildcats put together a drive of their own that ended with an 8-yard touchdown pass to Ben Wiedenmann from Rutherford. Wiedenmann also had a big game on the ground for Louisburg as he carried the ball 13 times for 103 yards.

The Chieftains stopped any kind of momentum the Wildcats put together as they scored on their next possession to go up 21-6. Tonganoxie looked to increase its lead even more before halftime, but the Wildcat defense had other answers.

The Wildcats forced two turnovers as Weston Guetterman recovered a fumble near the goal line. Then shortly before halftime, Michael Waldron intercepted a pass to keep the deficit at 15 points.

**Louisburg's Brandon Doles (8) and A.J. Reed team up for a tackle Friday against Tonganoxie.**

Andy Hupp was all over the field for the Wildcat defense as the junior linebacker recorded a team-high 16 tackles, including six solo stops. Hupp then came in the game at quarterback in the second half for Rutherford.

"Andy has taken minimal reps at quarterback, but he is just a football player and he will do anything we ask of him," Ebenstein said. "Andy is just a stud and he played well

for us."

Justin Collins and Brandon Doles were next on the team with seven tackles each, while Guetterman, Garrett Harding and Wiedenmann each added six.

Louisburg will try for its first win of the season Friday when they travel to Baldwin. Kickoff is set for 7 p.m. on the campus of Baker University.

"We have a winning culture here, so anytime you lose it is tough on the guys," Ebenstein said. "At the end of the day, these guys are doing what we ask of them. They are lining up every play and getting to where they need to be. We talk to them about life skills and we tell them that sometimes in life you don't get lucky breaks all the time and it is all about how you respond. Our kids responded and kept fighting. We are going to go to practice and get better and get ready for Baldwin."

# Frontier League sends proposal to KSHSAA to separate private schools

A big change to the Kansas High School Activities Association (KSHSAA) postseason could be coming sooner rather than later if a proposal, submitted by the Frontier League, passes the KSHSAA Board of Directors and its member schools.

Last month the Frontier League, led by Paola High School principal Jeff Hines and Louisburg superintendent Dr. Brian Biermann, petitioned KSHSAA to separate public and private schools into their own postseason competitions.

In order for it pass, the petition must be signed by 20 percent of the 355 member schools according to KSHSAA bi-laws. The Frontier League got the 71 needed petitions and have now submitted this to appear in front of the KSHSAA Board of Directors for vote in their Sept. 18 meeting.

The board of directors would then have to pass it by simple majority of those in attendance to

bring the proposal  
to a vote from all the member schools.

“Kansas needs to catch up with  
the rest of the country and get this competitive imbalance  
under control in our  
state,” Hines said. “The longer we wait then more students  
will be negatively  
impacted. We have a responsibility as educators to create the  
best  
opportunities possible for our students. No one can honestly  
say we have  
the best system possible right now. It can definitely be  
improved.”

The proposal submitted by the Frontier League is the same one  
the state of Texas uses that keeps the schools in their same  
classification, but only separates the schools come  
postseason.

Other options were discussed  
before submitting the proposal, such as implementing a  
multiplier on all  
private schools like Missouri currently does. In fact, it is  
the most popular  
proposal among the schools that were surveyed by Hines last  
January.

They also talked about the “Oklahoma  
model” where schools are bumped up a classification based on  
success for  
competitive balance.

Seventy-four percent of the  
schools said they would support a population multiplier, 64  
percent would  
support competitive balance factors and 51 percent would  
support separate

divisions.

However, KSHSAA would not be able to make this change with a multiplier due to state statute K.S.A. 72-130 that states a high school association "must establish a system of classification of member high schools according to student attendance."

KSHSAA would not be able to pass a new bi-law that goes against state statute, and therefore, the Kansas State Legislature would have to reword the statute to allow the association to make those changes.

The Frontier League believes the Texas model, or separate postseason divisions, does not deal with classifications. Also, this model had more support from 5A and 6A schools as neither classification would likely vote for a multiplier.

"We don't view that as a classification decision as we are not affecting classification, but KSHSAA and their lawyers view that it is," Biermann said. "5A and 6A schools that we talked to really wanted us to push for the Texas model because they don't want to play them (private schools) either. The biggest thing for me is if 5 and 6A schools don't want to play them, then why do we? As a superintendent, I am supposed to create opportunities for kids. We had four teams last year in both soccer teams, football and volleyball that all saw their season end to Bishop Miege. It is not right that we have kids and coaches that work their tails off and they don't have the opportunity to win."

"Am I all about state championships? Absolutely not. But we also know the reality of it in the current system. Winning state championships is important for

communities and is always a goal. I am not ever going to give up on this idea and neither will the Frontier League."

The public versus private school debate has been going on for the last several years and Hines has been leading the charge since 2015 when he put together a study that displayed the disparity of state championships won by private schools.

In 2018-19, private schools won 32 percent of the state championships in Classes 5A through 1A. There are currently no private schools in 6A. Twenty-one of those 24 state titles were won by private schools in Class 4A and 5A.

That is a high number considering that out of the 355 member schools, only 27 of them are private.

The Frontier League wanted to see change, so Hines surveyed the 355 member schools late last year and presented his findings to KSHSAA in January. More than 88 percent of the schools responded, that included 22 private institutions, and 87 percent said they want the current system changed.

Although most schools said they would support the multiplier model more, Hines and the rest of the league schools, believe it is the best way to proceed at this time.

“Our survey indicated that separate divisions was the least popular option among member schools, however as a league we feel like it is the most appropriate option,” Hines said. “A multiplier will pass through and will be our next option if this does not go through. A multiplier will impact many private schools that are not quasi sports academies that are not very successful in athletics. The separate divisions avoids this situation.”

If the proposal does pass the board of directors, KSHSAA will then put it to a vote with all 355 member schools and it must pass by a simple majority and by four of the six classes.

From there, KSHSAA executive director Bill Faflick would take it to the Kansas Legislature before change could be implemented.

“We know it won’t happen overnight,” Biermann said. “Even if this passes, nothing will change this year and probably not the following year. It could be three years out with the way football schedules take shape. We are honestly ok with that if we knew that there was light at the end of the tunnel. If this would not pass, we would turn right around and do the multiplier one.”

Despite what happens at the

upcoming board of directors meeting, Hines believes changes to the system will happen sooner rather than later.

"I am now confident something will get done," Hines said. "I think it will ultimately take a multiplier to get something done. If the separate divisions fails then we will propose a multiplier for the spring board of directors meeting."

A lot of obstacles are still in the way for change to happen, whether it has to deal with state statutes or member votes, but none of the schools in the nine-member Frontier League are going to stop until they see a more even playing field.

"I am very proud of the Frontier League, and even though we compete against each other, we are very unified on this," Biermann said. "It is about fairness and equality and I am tired of having my kids at Louisburg High School not having the same opportunity as some others. The throttle is down and it is going to stay down."

---

## **Late comeback falls short in Wildcats' loss to Spring Hill**

**Louisburg junior Ben Wiedenmann breaks through the line for a**

**long run during the Wildcats' season opener Friday in Spring Hill.**

SPRING HILL – Four yards.

That is how far away the Louisburg football team was from completing what was already an impeccable comeback in its season opener Friday against Spring Hill.

Down three points with 50 seconds left, the Wildcats had a first and goal from the 4-yard line and were ready to steal the road win. Fate had other ideas, however.

Two penalties and two incompletions later, the Wildcats were forced to try a game-tying field goal. The kick fell short and Spring Hill survived a 27-24 contest that could have easily gone different way after Louisburg scored 18 unanswered points to tie it.

“Losing sucks, that is for sure,” Louisburg coach Robert Ebenstein said. “We had every chance to win it. The game really wasn’t lost at the end, the game was lost in the first half and I was glad to see us battle back like we did. I was very pleased with how they fought.

“We had chances to make plays. Sometimes you make them and sometimes you don’t. There was a big learning curve for us, and unfortunately some of the plays we learned on were scores for them.”

Spring Hill jumped out quickly as the Broncos scored the game’s first 10 points before the Wildcats battled back early in the second quarter.

Louisburg drove 80 yards and ended

with a 1-yard touchdown run from quarterback Madden Rutherford, and after a missed extra point, the Wildcats trailed by just four.

Unfortunately for the Wildcats, Spring Hill's offense was difficult to get off the field as the Broncos engineered two more scoring drives. Bronco running back Zade Barker scored on pair of 4-yard runs to go up 24-6 with under two minutes left in the first half.

"We had a lot of kids making first starts out there on defense and we really weren't assignment sound," Ebenstein said. "That is something we might have taken for granted the last couple of years because we had kids who knew where to be and what to do. We will learn, coach them up and be better next game."

The Wildcats did take some momentum going into halftime as Rutherford led the Wildcats down the field and completed the drive with a 23-yard touchdown pass to Charlie Koontz with 24 seconds remaining.

After halftime, the Wildcats dominated time of possession.

Louisburg ate up the first nine minutes of the third quarter, which ended in a 36-yard field goal from Drake Varns. The Wildcat defense then forced a three-and-out, and got the ball right back. In all, Spring Hill ran just 15 plays from scrimmage the entire second half.

"Keeping our defense fresh and

their quarterback off the field was big for us," Ebenstein said.

**Junior Weston Guetterman hauls in one of his eight catches on Friday. Guetterman had a career-best 184 yards receiving.**

Late in the third quarter, and with Louisburg facing a third-and-long situation, Rutherford connected with junior Weston Guetterman on a 35-yard pass play to the Spring Hill 21-yard line. Then on the opening play of the fourth quarter, junior Justin Collins found a hole and scored on a 21-yard touchdown run to tie the game.

Spring Hill kicker Bear Gardner put the Broncos in front again with a 27-yard field goal with

5 minutes and 49  
seconds left in the contest.

The Wildcats had their backs  
against wall, yet again, late in the fourth quarter as they  
faced a 4<sup>th</sup>  
down and 22. Rutherford again came through as he found running  
back Ben  
Wiedenmann on a 32-yard pass over the middle for a first down.

All that set up the first-and-goal  
from the 4-yard line, which would be as close as the Wildcats  
would get. An  
illegal procedure penalty, two incompletions and a delay of  
game stymied the  
Louisburg drive.

“We had every intention of coming  
back and winning that game,” Ebenstein said. “We had the ball  
on our fingertips  
twice in the endzone to win it, and then we had a good snap,  
good hold on the  
field goal but the kick just didn’t go through. We will learn  
from this and get  
better.”

**Junior linebacker Andy Hupp brings down a Spring Hill player for a loss Friday.**

Louisburg also had several players who were cramping up throughout the game, which forced players to play in different spots at times and limited the Wildcats on what they could do late in the game.

One of those was Rutherford, who despite the cramping issues, completed 12 of 27 passes for 251 yards and a touchdown. His favorite target was Guetterman, who had his best day in a Wildcat uniform with eight catches for 184 yards. Guetterman made several key catches late in the contest to keep drives alive.

“Both of those guys are talented, and with our running backs cramping up and everyone shuffling through, they were two of the consistent players for us,” Ebenstein said. “They knew their assignments. Madden was really hindered because he couldn’t roll out, and if he tried to, he would cramp up. Still, those two made some big plays for us.

“We have to take better care of our bodies and it seemed like every player was cramping out there. We were shuffling kids in and out that don’t play the right positions. We will take care of our bodies, learn and get better for next week.”

In the backfield, Wiedenmann led the Louisburg rushing attack with 81 yards on 15 carries and the offensive line of Brayden White, Garrett Harding, Ian McGuire, Andy Hupp, Eli Johnson and tight end Michael Waldron helped open holes for some of the big plays.

Defensively, Hupp led the way with a team-high eight tackles from his linebacker spot and sophomore Kolby Kattau finished with seven. Wiedenmann and Waldron both added six tackles, while Wiedenmann recorded a sack and two tackles for a loss.

The Wildcats will try and rebound this Friday when they host Tonganoxie in their home opener. Kickoff is set for 7 p.m. at Wildcat Stadium.

## Wildcat football ready to defend Frontier League title

**Louisburg quarterback Madden Rutherford hands the ball off to junior Ben Wiedenmann during a workout over the summer. The Wildcats open their season Friday at Spring Hill.**

It was one of those special years for Louisburg football that doesn't come along very often.

The Wildcats won their first 10 games in 2018, captured a Frontier League title and finished with a regional

championship, before defending state champion Bishop Miege came calling and ended the Wildcats' season.

Last year may be hard to replicate, especially after losing 18 seniors, but the Wildcats have the pieces to make a lot of noise in the Frontier League once again.

Louisburg has close to 70 players out this season, which is the most since head coach Robert Ebenstein has been involved with the program, and the Wildcats have 10 seniors this year that will be looked to fill the leadership left behind from last year's group.

"So far practices have been going very well," Ebenstein said. "We have some holes to fill from last year's roster, but the guys have been working very hard and are ready to fill those spots.

"We return 13 letterman with 8 individuals who started a game on offense and 6 individuals who started a game on defense. We will be younger with some new faces, but we have many kids who are ready to take that step up and compete at the varsity level."

One constant is third-year quarterback Madden Rutherford, who will once again lead the Wildcat offense. The Louisburg senior threw for more than 1,100 yards last season and had 14 touchdowns.

Rutherford is also a threat to take off and run as he recorded 354 yards on the ground and had four touchdowns a year ago as a second-team All-Frontier League player. He

also earned an all-league first team as a punter.

“Returning a quarterback is always a blessing, but when you can bring back a kid who is starting for his third season, it is a huge advantage,” Ebenstein said. “He is the smartest football player I have ever coached and knows our offensive system inside and out. He knows his job, he knows every route the receivers run and he knows all the blocking assignments the backs have. Honestly, he knows most all of the offensive line responsibilities as well.”

**Louisburg head coach Robert Ebenstein is in his third season leading the Wildcats.**

That offensive line will have a little different look from a year ago. Returning are all-league players Brayden White and Garrett Harding, and the Wildcats seniors will anchor that front along with fellow senior tight end Michael Waldron.

White,  
who was a first-team All-Frontier League selection a year ago,  
will lead the  
way at tackle and Harding will be a fixture at guard. Seniors  
Ian McGuire, Sam  
Kratochvil, along with juniors Andy Hupp, Eli Johnson and  
sophomore Dominic  
Owens are new faces who could help the Wildcats up front this  
season.

Louisburg  
lost three off that line from last season, including Kiefer  
Tucker, who was an  
All-Frontier League first team player on both sides of ball.  
Still, Ebenstein  
likes what he has coming back to help pave the way up front.

“Our offensive line will have some new faces, but should be a  
dominant force,” Ebenstein said. “We have smart football kids  
all over the field and we will have the most athletic  
offensive line we have had in a long time. We might not be as  
big as we have in the past, but our speed up front will be a  
strength.

“Being able to zone our opponents, and double off and be able  
to pick up those quick linebackers, will be a strength of  
ours. Also having Waldron return at tight end is a plus as  
well as his blocking, and knowledge of the system, is  
outstanding.”

**Senior Michael Waldron hauls in a catch during the team's camp over the summer.**

The Wildcats also have a stable of running backs to be able to get through those holes. Gone is All-League first-teamer Austin Moore, who is now with the Kansas State football program, but Ebenstein will have plenty have plenty to choose from to help fill the void.

Senior Charlie Koontz and junior Ben Wiedenmann both saw varsity time last season, and will lead the way in 2019. Juniors Justin Collins, Jay Scollin and sophomore Kolby Kattau will also see time in the backfield.

"This year our running backs will look a lot different," Ebenstein said. "We lost some quality kids, but some tough kids are ready to take those spots. All of those guys will be in the backfield this year and all do certain things very well. You should be hearing many names called out over the speakers this season. This is, by far, is the fastest backfield we have had in Louisburg since I have been here."

Defense was a staple for the Wildcats a year ago, and that

helped them to an undefeated league title. Although they have spots to fill, the Wildcats still figure to be strong in that area as well.

Hupp, Koontz, Kattau and sophomore Brandon Doles will all see a lot of time at the linebacker spot, while Hupp and Koontz are both returning starters at the position. White and Harding will anchor the middle of the defensive line as returning starters.

Wiedenmann will bring some speed off the edge from the defensive end spot, while Johnson, senior Andrew Krause and Owens will see time at defensive end.

In the secondary, Waldron, along with juniors Weston Guetterman, Collins, Konnor Vohs and Ben Guetterman will all see action in the defensive backfield.

Assistant coach Jeff Lohse is also returning as the team's defensive coordinator as he guided the Wildcats to one of Class 4A's top defenses a year ago.

"With Lohse calling the defense, I am always confident in our defense to be in the right spots and make plays," Ebenstein said. "Schematically, it will look similar to the Louisburg defenses over the years, but we will have some new faces for sure.

"Our defensive line should be a strength of ours with Harding and White anchoring the middle and I think Ben Wiedenmann could possibly be one of the fastest defensive ends in the state."

The Wildcats also return both of their kickers on special teams as senior Drake Varns will resume his placekicking

duties, while Rutherford is the team's punter.

The Frontier League will provide a lot of competition for the Wildcats again this season, including rival Paola, which is one of the favorites to win the league crown.

Still, Louisburg hopes to figure into that conversation at the end of the year and make a run in the state playoffs. It all starts Friday when the Wildcats travel to Spring Hill for their season opener.

"Our expectations are always the same," Ebenstein said. "We want to get better every practice, be prepared for every game, and represent this team in the best light we can."

"The Frontier League is tough week in and week out. There are no easy games in this league, but right now I am really only concerned with Spring Hill and leaving that game, 1-0."

---

**Numbers up for all LHS fall programs as athletes battle through heat**

Last fall, each of the four Louisburg High School athletic programs had something to brag about.

Whether it was football's 10-1 season that ended with a regional championship, volleyball's state runner-up finish, cross country's two state medalists and state qualifying girls team or the boys' soccer regional championship appearance – the Wildcats had plenty to cheer about and several athletes took notice.

Numbers are up for all four programs following the first day of practice Monday and the coaches and athletes are excited to get the season started after last year's successes.

The Wildcat football team saw a big jump in numbers as they have 70 students out this season and football coach Robert Ebenstein has liked what he seen through the first couple days of workouts.

"Our numbers are up and based on the numbers at the middle school and youth programs and I expect them to keep growing," Ebenstein said. "I am very excited for practice to get going. When you finish the season off with a loss in the playoffs it sticks with you and the opportunity to go play another game creates that energy and that eager feeling to get going. So far I am very pleased with our kids' focus and effort. We need to continue to get better every day."

Louisburg volleyball has also seen a spike in its numbers as

athletes have attended tryouts. Those tryouts will go through Wednesday and head coach Jessica Compliment believes those high numbers will be beneficial down the road.

"The players are excited, but I think some are nervous as well with tryouts and cuts these first few days," Compliment said. "Forty is the most we've had tryout for quite some time. Generally we have around 35. The higher numbers leads to more competition for uniforms and playing time."

Cross country head coach John Reece is pulling double duty this season as he, and assistant coach Paul Restivo, will also be leading the new Louisburg Middle School program. The Wildcats have a combined 59 runners out between the two programs, including 37 on the high school side.

Louisburg returns a majority of its girls team that qualified for state a year ago, including its two state medalists in senior Trinity Moore and sophomore Reese Johnson.

Despite a little hiccup with the heat during the first two days of workouts, coach Reece likes what he sees from both teams.

"It was great to get started, and yes the heat caused us to change our workout a little bit, but we still got in our miles," Reece said. "We had a good turnout during summer running, so as a whole

they are ready to get to the good stuff and go compete.

“There is definitely a huge difference with LMS joining the crew. Two coaches managing 59 kids is a lot, and we might need more help for supervision as we get more personalized with workouts for different levels of runners, but this is a good thing for Louisburg’s cross country program. It is going to be a fun year.”

Soccer also saw a big increase in interest as the Wildcats have 44 athletes trying out this season and they will continue the tryout process through Thursday. It is a good problem to have for head coach Kyle Conley and he has liked what he has seen so far as the Wildcats look to take another step forward this year.

“The kids worked hard, but showed we have a lot of work to do,” Conley said. “We had a really, really good summer, but we got a little rusty with the month off. This year we are getting back to focus on our culture and getting back to playing for each other. The boys have been focused and determined to improve this season.”

However, the first two day of practices weren’t without their challenges as intense heat and humidity caused some of the programs to change their schedules, including soccer, which moved its practice to the evening on Tuesday and spent some time indoors Monday.

“The heat was an interesting factor to go along with the late start due to the

KSHSAA schedule," Conley said. "We started in the AUX gym for the first hour and 15 minutes then transitioned outside for an hour. It was frustrating but the boys handled it very well."

With

the heat advisories, teams had to take precautions with their athletes and everything seemed to go smoothly with the hot weather.

"There is nothing you can do about the heat, and it is not centralized to Louisburg, so everybody has to deal with it," Ebenstein said. "So you just do what you have to do when it comes to moving practice to the evening or whatever. I do not mind these hot early practices as it sets the tone that athletes need to take care of their bodies, and the acclimatization process gets going from the beginning. I would much rather have it this way instead of it being cool and the first hot week comes on a game week."

With the first day of practice starting later than normal, the start of competition will also be pushed back. Team scrimmages will be the Friday before Labor Day and actual competition won't start until Sept. 3.

Soccer will host Fort Scott in its season opener on Sept. 3 and volleyball will travel to Paola for dual on the same day.

Cross country opens its season on Sept. 5 at the Anderson County Invitational and football will travel to Spring Hill on Sept. 6.

# **Stiles, Lohse, Burk and Bowes to be inducted into LHS Hall of Fame**

**Dennis Stiles (top left), John Lohse (top right), Jason Burk (bottom left) and Krystal (Bowes) Grojean will be inducted into the Louisburg High School Athletic Hall of Fame this fall.**

It has been 11 years since Louisburg High School had inducted a class into its athletic hall of fame, but the wait for a new class is finally over.

The USD 416 Endowment Association, which oversees the LHS Athletic Hall of Fame, has announced a new 4-member class. Dennis Stiles (Class of 1969), John Lohse (1995), Jason Burk (1999) and Krystal (Bowes) Grojean (2001) were the top four vote getters in this year's hall of fame voting and will be honored in an induction ceremony sometime this fall.

"Louisburg has a history of great athletes," said Damon Dennis, a USD 416 Endowment Association board member. "We had a good cross-section of both young and older voters this year that really took their job seriously. The four athletes chosen represent several generations of former Wildcats and each one were dominant in their particular era and sports. The Endowment Association is excited to get the Hall of Fame going again and plan on some big things in the future."

More than two dozen voters, that includes current members of the hall of fame, long-time Louisburg residents, teachers and coaches, voted on the class in June. Each voter was asked to submit their top four choices for the hall and votes were then tabulated.

To be eligible for the hall of fame, the inductee must wait at least 10 years following graduation to be nominated.

The last class that was inducted was in 2008 and Dennis, and the rest of the Endowment Association, is committed to making this a yearly occurrence moving forward.

Here

are the accomplishments of each of the newest hall of fame inductees. Look for  
more information on an induction ceremony in the coming weeks.

**Dennis Stiles**

## **Dennis Stiles – Class of 1969 – Football, Basketball, Track**

Stiles

lettered 4 years in football and  
track and 3 years in basketball. His senior year he was named  
all-league and  
all-state in football and was co-captain on the Wildcat team

that finished the year 4-4.

As sophomore, he played on the varsity basketball team which was 12-0 in league play, finished the year 19-3 and were district champions. He earned honorable mention all-state honors his sophomore and junior seasons and was second-team all-state his senior year. Stiles was at one time the school's career scoring leader.

Stiles competed at the state track meet as a junior and senior where he placed fourth in the discus his senior year. He previously held school records in the discus and triple jump. He also received a football scholarship to Kansas State University.

**John Lohse**

## **John Lohse – Class of 1995 – Football, Basketball and Baseball**

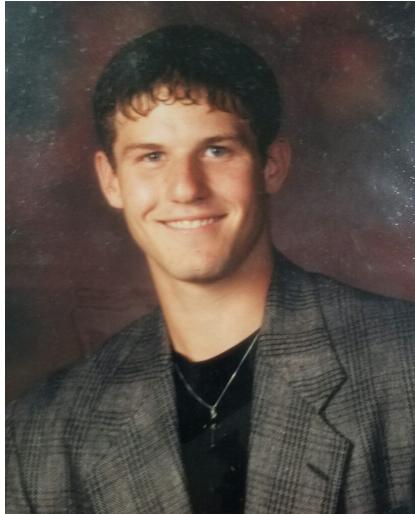

Lohse lettered all four years in baseball and was selected to

represent Kansas in the all-star baseball classic his senior year. He was an all-league pitcher and centerfielder for the Wildcats his sophomore through senior years. He had a .510 average his junior and senior seasons with 10 home runs his junior year and 12 more his senior season.

In football, Lohse was a 3-year letterwinner. He was an all-league wide receiver his junior and senior seasons. In his senior year, he had 850 yards receiving and 11 touchdowns and was later selected to represent Kansas in the Metro Classic All-Star Game.

Lohse was also a 3-year letterwinner in basketball and was an all-league selection his junior and senior seasons. He averaged a double-double his junior and senior years.

Post-graduation, Lohse attended Pittsburg State on a baseball scholarship and played on the Gorilla team for four years. He was selected to the all-MIAA team his sophomore and junior seasons before injuring his shoulder his senior year. He had a .315 average his junior and senior seasons. In his first collegiate at-bat his freshman year, Lohse hit a game-winning grand slam to give Pitt State its first win over Missouri Southern in five years.

**Jason Burk**

## **Jason Burk – Class of 1999 – Track and Football**

Burk was a 4-year letterwinner for the Louisburg track and field team and qualified for state in all four years in four events. He accumulated 12 state medals, 16 regional track medals and 14 Frontier League medals. Burk was selected to the Kansas City All-Metro track team in 1998 and 1999.

During his senior season, Burk was a state champion in both the triple and long jump. He won the triple jump with a leap 48 feet and the long jump with a mark of 22-5. He also finished fifth in the 100-meter dash and sixth in the high jump. As a junior, Burk won a state championship in the triple jump with mark of 46 feet and won three more state medals. He took second long jump, fourth in the 100 dash and sixth in the 200 dash. As a sophomore, Burk won state medals in the triple jump (second), long jump (fourth)

and 4x100 relay (third). He was a member of the 4x100 team that took second at state as a freshman in 1996.

At one time, Burk held seven school records. He currently holds school records in the triple jump, high jump and long jump. Burk holds the school record for most points in a season with 326.

Burk also played football, where he was a part of bi-district, district and regional championship teams.

**Krystal (Bowes) Grojean**

## **Krystal (Bowes) Grojean – Class of 2001 – Volleyball, Basketball, Track**

Bowes was a 4-year letterwinner in track before she was offered a scholarship on the Wichita State track and field team.

In her senior season at Louisburg, Bowes earned three state medals, including a second-place finish in the javelin with a throw of 145-10. She was also third in the discus with a toss of 126-9 and fifth in the shot put at 37-5. As a sophomore and junior, she finished sixth in the discus at state. In all, Bowes racked up five state medals in her high school career before moving on to Wichita State. She is the current Louisburg record holder in the javelin (146-10) and discus (137-11).

At Wichita State, she earned academic All-American honors and was a team captain all four years. Bowes was a two-time NCAA national qualifier and finished fifth in the javelin and was second in the Missouri Valley Conference in 2006. In 2004, Bowes took first in the MVC in the javelin and fourth in the discus. In 2003, she won the Missouri Valley Conference discus title, was second in the javelin and fourth in the hammer throw. Bowes was also a member of two Shocker teams that won conference titles.

In volleyball and basketball at LHS, Bowes was a 3-year letterwinner in each sport and earned first-team all-Frontier League honors each season.

Current members of the LHS Hall of Fame

**Class of 2005:**

Tom

Stevens – 1934 – Track and Field (High Jump)

1947/48

Undefeated Football Teams

Richard

Meiers – 1949 – Basketball/Football

Don

Meek – 1965-1998 – Coach/Administrator

Larry

Harding – 1976-1994 – Volleyball/Golf Coach

Amy

Dodson Goode – 1986 – Volleyball/Basketball

**Class of 2006:**

Jim

Wells – 1936 – Track and Field (Pole Vault)/Football

Doug

Eaton – 1971 – Wrestling

Sue

Truman Apple – 1974 – Track and Field/Volleyball/Basketball

Mike

Meek – 1985- Football/Wrestling/Track and Field

Jamie

Waite – 1991 – Track and Field (Pole Vault)/Football/Basketball

## **Blue Caplinger selected as 2019 Louisburg Sports Zone Male Athlete of the Year**

Blue Caplinger made history in a few different ways for Louisburg High School during the 2018-19 season.

Caplinger, along with fellow LHS student Alyse Moore, became the first Wildcat athlete in recent memory – if ever – to participate in two sports during the same season. All that led up to what was a spectacular finish to his senior year.

Caplinger helped the 4x400-meter

relay to a state championship in late May, which was the school's first individual track title since 2015. When all was said and done, Caplinger lettered in four sports this past year.

These are just a couple of the reasons why Caplinger was chosen as the 2019 Louisburg Sports Zone Male Athlete of the Year.

The award, which is in its second year, is to recognize an outstanding LHS student athlete. Louisburg Sports Zone asked the head coaches at LHS to submit nominations and those nominations were then organized and submitted back to the coaches for a vote.

The coaches then submitted their top three choices and the number of votes were added up, which decided the winner.

Caplinger was one of the leaders of the Wildcat football team that reeled off 10 straight wins to start the season and captured a regional championship before falling to eventual state champion Bishop Miege.

He was an All-Frontier League player on both sides of the ball as he earned first team defensive honors from the safety spot with 31 tackles, two fumble recoveries and an interception.

**Blue Caplinger poses for picture with his coaches (from left), boys track coach Andy Wright, head football coach Robert Ebenstein and baseball coach Joel McGhee. Not pictured is wrestling coach Bobby Bovaird.**

Caplinger played a couple different positions offensively and earned second team all-league honors as a multi-purpose player. He had 310 yards rushing and four touchdowns to go along 234 yards receiving and two more scores.

He was also the lead blocker on a lot of the big runs that teammate Austin Moore – who was a first-team all-league and all-state running back – had during the season.

“Blue was the most all-purpose player we had,” Louisburg football coach Robert Ebenstein said. “He was the ideal teammate who put the team first all the time. He always did anything that was asked of him. He was a tough competitor and a great all-around person.”

During the wrestling season, Caplinger was a state-ranked wrestler at 170 pounds for much of the year. He ended his season with a team-high

33-5 record and was a regional champion.

At the Class 4A state tournament, Caplinger finished one win shy of his first state medal. In all, Caplinger finished with a team high in wins and also holds the school record for most career reversals (72) and most career escapes (86). He ended his Wildcat career with a 111-57 record.

“Anyone who knows Blue understands what a great young man he is,” Louisburg wrestling coach Bobby Bovaird said. “Blue embodies so much about what wrestling is all about. I wanted him to get that state medal so badly, and he came so close not once, but twice. With these sorts of setbacks, Blue has demonstrated that he’s gained the resilience to be a champion in life.”

In the spring, Caplinger became a dual-sport athlete as he participated in both baseball and track and field.

Although his focus was on track, Caplinger helped out the Wildcat baseball team as a pinch-runner as he stole five bases in eight games.

However, Caplinger did a lot of his damage on the track as he was one of the Wildcats’ top sprinters. He joined Justin Collins, Ben Wiedenmann and Chris Williams to win the Class 4A state title in the 4x400-meter relay.

Caplinger, along with Charlie Koontz, Wiedenmann and Collins, also medaled fifth at state in the 4x100 relay. Both relays broke school records this past season in the Frontier League and regional meets.

Caplinger will continue his athletic career this fall as he plans to attend Benedictine College on a football scholarship.

---

# Moore, Tucker excited for Shrine Bowl opportunity

**Louisburg's Austin Moore (left) and Kiefer Tucker will represent the East side of the state Saturday during the Kansas Shrine Bowl in Dodge City. They will be joined by Louisburg head football coach Robert Ebenstein, who is an assistant coach on the team.**

The Kansas Shrine Bowl is one of the premier all-star football games as it pits the best high school seniors from each side of the state.

As it turns out, Louisburg High School is going to have two representatives.

Austin Moore was selected to join the East squad back in December along with Louisburg head coach Robert Ebenstein, but the Shrine Bowl rules state that only one player from each school can be chosen – that is unless an opening comes up shortly before the game.

So when an opening became available, Kiefer Tucker, who was a first team All-Frontier League player on both sides of the

ball for Louisburg, got a text from his high school coach.

Tucker is going to get one more chance to play alongside his former teammate and coach as he was selected as a replacement to play in the Shrine Bowl and practiced with the East team earlier this week in Ottawa.

“Being selected to play in the Shrine Bowl is a great honor and I was smiling pretty big when I got the text from Coach E saying there is a spot open for me,” Tucker said. “I’m excited to be able to go up against great talent.”

Moore, who won first team all-league, all-state and player of the year honors following his senior season last fall, will be one the East’s top players on defense. He will start at linebacker and is looking forward to the challenge of going up against the West.

“The defense we are running is a 3-5 and I will be one of the ‘dog linebackers,’” Moore said. “The dog linebackers are to the outside of the middle backer. I’m just really excited to represent Louisburg again on Saturday and to play another football game.”

Tucker, on the other hand, will see a lot of time on the offensive side of the ball. He is going to play at the guard spot after originally starting on the defensive side and will be coached by Ebenstein, who is working with the offensive line.

Tucker is looking forward to suiting up one final time with his teammate and coach, as they will each go their separate ways after this game.

“Being able to play with Austin one last time is one of my favorite parts about this coming

weekend," Tucker said. "The last time we were on the field together, Austin's season was taken from him early (broken collarbone) and to be able to play with him again means a lot to me. One top of that, to be able to get coached by Coach E one more time is a pretty great thing. To be able to end my high school career with both of them right by me will mean a lot."

Moore feels the same as the three Louisburg representatives have gotten a chance to relive some of the Wildcats' past successes.

"It has been really fun being out on the field with Coach E and Kiefer one more time," Moore said. "We've been talking about all of the fun times we've had over the past four years, and it has definitely made me miss playing for Louisburg even more."

Although the game is what Moore and Tucker have been preparing for, they both also realize this week is more than just a game.

The Kansas Shrine Bowl is an all-star high school senior, East vs. West, football game put on each year in Kansas, by the Kansas Shrine.

It is a 501(c) 3 non-profit charity that produces annual events and related activities, with net proceeds benefiting Shriners Hospitals for Children. The Kansas Shrine Bowl has sent over \$2M to Shriners Hospitals for Children.

Notable alumni of the game include current Oakland Raiders All-Pro Wide Receiver Jordy Nelson, NFL Hall of Famer Barry Sanders, former Kansas State and Kansas City Chiefs Linebacker Gary Spani, former Big 12 Defensive Player of the Year and Super Bowl Champion Linebacker Mark Simoneau and many others.

Both Moore and Tucker traveled from Ottawa to Dodge City yesterday and will spend the rest of this week preparing for the game. They will also get the opportunity to meet some of the patients from the Shriners Hospital.

"I'm just honored to be selected because the Shrine Bowl is more than just a game," Tucker said. "On the day where we meet some of the kids, I hope to be able to spread a few smiles and share some laughs with them."

Kickoff for the game is set for 7 p.m. on Saturday at Memorial Stadium in Dodge City and the game will be streamed at [www.kansasshrinebowl.com](http://www.kansasshrinebowl.com).
