

# Wildcats' perfect season comes to close with loss to Miego

Louisburg junior Charlie Koontz gets a block from teammate Josh Casey as he was able to score one of the Wildcats' three second half touchdowns in their 55-21 loss to Bishop Miego on Friday in the Class 4A sectional playoffs.

As the Louisburg football players walked off the field last Friday night following their sectional playoff game with Bishop Miego, the Wildcats felt something they hadn't experienced this year.

A loss.

It came at the hands of the four-time defending state champion Stags, who made things difficult on the Wildcats from the start and didn't let up, as Louisburg fell 55-21 at Wildcat Stadium.

The Wildcats finished their season with a 10-1 record, a Frontier League championship and a regional championship. Still, the fact that their season is over is hard feeling for the Louisburg players to shake.

"Being 10-0 and then having that first loss of the season was very disappointing," Louisburg coach Robert Ebenstein said.

“Losing always sucks, but losing in the playoffs and having to wait until next August is the worst. At the end of the day, Miego is a very good team and we did some good things. We got them to fourth down on multiple drives in the first quarter, we just couldn’t make the plays on those big downs. Then we got behind a little and started pressing.”

On a frigid night that featured a slick and hard Wildcat Stadium field, both teams battled tough field conditions and it affected the Stags early as they mishandled several snaps. Louisburg was able to force Miego into third, and fourth and long situations, but the Stags converted several big plays to get out of it.

Bishop Miego scored 27 first quarter points, with three of those touchdowns coming on passes of more than 30 yards. The Stags added two more scores in the second quarter and jumped out to a 41-0 halftime lead.

**Junior Garrett Harding (left) and senior Noah Larson team up for a block Friday against Bishop Miege.**

“They have big time play makers all over the field, and their offensive line was able to give time in the pocket and they just made those plays,” Ebenstein said.

The Stags had two losses on the season coming into the game, but those were against the No. 1 team in 5A in St. Thomas Aquinas and a perennial power in Missouri, Rockhurst. They also play in a 5A and 6A dominated league throughout the season.

Miege has since feasted on Class 4A opponents when its gets to the playoffs, and the talent discrepancy made it difficult for the Wildcats to overcome.

Despite freezing cold temperatures and a large halftime deficit, the Wildcats didn't give up and played hard in the second half.

In the third quarter, senior Blue Caplinger scooped up a Miege fumble and returned it 67 yards for a touchdown to get Louisburg on the board.

The Wildcats added two more scores in the fourth quarter as junior Charlie Koontz broke free for a 21-yard touchdown run and then senior Brayden Gage returned a kickoff 77 yards for the Wildcats' final touchdown.

“As a coaching staff we challenged the guys to show their true colors and grit and I was very pleased with the fight and character our guys showed,” Ebenstein said. “We came out and won the second half.”

**Seniors Brian Houck (23) and Jonathan DePriest bring down a Miego runner Friday at Wildcat Stadium.**

It was a special season that saw the Wildcats win 10 straight games for the first time since 2010 and they also came away with a pair of championships. Despite all that, it was tough to say goodbye to a year that brought many great memories.

Add in the fact that 18 seniors played their final football game at Wildcat Stadium, it was an emotional ending.

“Overall it was a great year,” Ebenstein said. “I am very proud of our guys and excited for them that they were able to get double digit wins for only the third time since 2000, and there was a lot of really good football played during that time period. It was a lot fun to be a part of.”

## SCORING SUMMARY

### First quarter

B: Deaunte Parker 2 run (kick failed)

B: Hudson Bentley 38 pass from Sam Pedrotti (run good)

B: Phillippe Wesley 31 pass from Brison Cobbins (kick good)

B: Jaylen Scruggs 39 pass from Pedrotti (kick failed)

### Second quarter

B: Cobbins 9 run (run good)

B: Wesley 9 pass from Pedrotti (kick failed)

### Third quarter

L: Blue Caplinger 67 fumble return (Drake Varns kick)

B: Jude Putz 20 pass from Harrison Braudis (kick good)

### Fourth quarter

L: Charlie Koontz 21 run (Varns kick)

B: Jake Ryan 36 pass from Timothy Dorsey (kick good)

L: Brayden Gage 77 kickoff return (Varns kick)

## STATISTICS

RUSHING: Charlie Koontz 9-48; Blue Caplinger 2-8; Brayden Gage 1- -2; Madden Rutherford 4- -5

PASSING: Madden Rutherford 3-13-16

RECEIVING: Josh Casey 1-6, Weston Guetterman 1-6, Michael Waldron 1-4

TACKLES: Charlie Koontz 11, Brayden Gage 8, Jorge Lebron 5, Brian Houck 5, Ben Wiedenmann 4, Kiefer Tucker 5, Brayden White 4, Beckett Rasmussen 3, Blue Caplinger 3, Tanner Belcher 3, Noah Larson 2, James Foote 2, Hunter Day 2, Jonathan DePriest 2, Gabe Rader 1, Dylan Knipp 1, Garrett Harding 1.

## Wildcats to play underdog role against Bishop Miege

Louisburg quarterback Madden Rutherford hands the ball off to senior Blue Caplinger during the Wildcats' win over Piper last week. Louisburg will host defending state champion Bishop Miege tonight in the Class 4A sectional playoffs.

The Louisburg football team enters today's sectional playoff game with Bishop Miege as the No. 1 seed on the east side of the state and currently boasts a 10-0 record on the season.

Despite all that, the Wildcats are a heavy underdog.

Bishop Miege, the No. 1-ranked team in Class 4A, has won the last four state championships and has dominated 4A in the last decade, including a 76-8 win over Labette County and a 49-20 victory over Pittsburg so far in the playoffs. Last season, the Stags outscored their playoff opponents 230-60.

The Stags' only losses this season have come to the No. 1 team in Class 5A, St. Thomas Aquinas, and Missouri power, Rockhurst High School.

Despite all that, the Wildcats are excited for the opportunity to play one of the state's best teams on their home field. Kickoff for tonight's game is set for 7 p.m., in the sectional round of the playoffs. The winner of this game will meet the winner of Paola and Basehor-Linwood for the sub-state title.

"It is going to be awesome and the whole team is super excited," Louisburg senior Blue Caplinger said. "A lot of people have been saying, 'Oh, you are playing Miege, this is going to be your last game of the season.' I think we have some advantages too. Our field is an advantage, the snow and the cold, too, so I think that it will be a good game."

The Wildcats have put together a dominant season of its own as they have outscored their two playoff opponents, Ottawa and Piper, 104-8 the last two games.

"Our kids and coaches get excited for every game, but I would be lying if I said the focus this week wasn't a little bit different than some others we have had," Louisburg coach Robert Ebenstein said. "Our kids are excited for the opportunity to play Miege and give them our best shot on our home field."

The Wildcats will have to account for a lot of weapons with the Bishop Miege offense and come up with their best performance of the season defensively.

Stag quarterback Sam Pedrotti leads the way with more than 1,700 yards passing and 19 touchdowns. Receivers Phillippe Wesley and Hudson Bentley each have more than 600 yards receiving and seven and five touchdowns, respectively.

Running back Brison Cobbins is another weapon for the Stags with nearly 1,000 yards on the ground and 16 touchdowns. The Stags also have a big offensive line that the Wildcat defensive front is going to have to deal with.

Defensively, Miege linebacker Dylan Downing is one of the best players in the state with 100 tackles on the season, including 10 for a loss. Defensive lineman Jalen Williams is also a big factor with 17 tackles for a loss and a team-high 11 sacks.

Louisburg realizes Miege will be the toughest team it has faced all season and it will be playing at a disadvantage at times.

“When you watch them on film, they are just solid all around,” Ebenstein said. “They have good schemes and amazing athletes all over the field. Every one of their players only play one side of the football and they never look tired. When a starter does go out, the person who replaces them never seems to be a downgrade.

“They also have about 18 coaches on the sidelines, and with players only playing one side of the ball, they make adjustments very well and have plenty of coaches on the sideline who can coach it up by position, which is tough for us. For example, when our quarterback comes off the field our QB coach (Jeff Lohse) is calling the defense so he never really has that chance to talk to him from a position coach perspective. It is just one of the many differences schools like Miege have that public schools are not granted.”

The Wildcats will also be without their leading rusher and tackler, Austin Moore, who was injured last week with a broken collarbone. Sophomore Ben Wiedenmann will fill in at running back and linebacker for Moore.

Still, the Wildcats have plenty of depth at the running back position with seniors Blue Caplinger and Brayden Gage, who have been big contributors all season.

Quarterback Madden Rutherford has been a steady presence for Louisburg as he has thrown for almost 1,100 yards and 14 touchdowns. He also has four more scores on the ground.

However for the Wildcats to be effective, it all starts up front with a veteran offensive line of Kiefer Tucker, Brayden White, Noah Larson, Garrett Harding and Jonathan DePriest.

“The play on the line is going to be huge,” White said. “We need to be able to have a run game and we need to be able to mix it up a little with the pass too. But the run game is going to be big for us, especially in the wet, soggy grass.

“It is going to be hard to replace someone like Austin. He is a big part of our team and he has probably given the most out of anyone here. I think Ben is going to do really good and I think he is going to surprise people and Austin has been supporting him the whole way.”

The Wildcats are hoping for a big crowd tonight at Wildcat Stadium, similar to the one they saw in Paola when they captured the Frontier League crown less than a month ago.

“Our community has been so supportive this season and their support at every home game is very much appreciated,” Ebenstein said. “Looking up and seeing those bleachers packed every home game is just a reminder of how amazing this community is and how much this school and team is supported.

“The Paola game also is another example that place was crazy

that type of atmosphere could be a huge advantage against a team like Miego as they like to call and check almost every play at the line of scrimmage. As for being the underdog, we will take it. Nobody thought we would be league champions but we are. Nobody thought we were going to beat Paola, but we did, and now nobody thinks we will beat Miego.”

It is that underdog mentality that the Wildcats hope to use in their favor tonight against the highly-favored Stags.

“Honestly I think every coach and every player on our team believes we will win this game,” Ebenstein said. “Miego is an amazing team, and their track record proves they are, and have been one of the best teams in the state of Kansas over the past five years. The good news is we don’t have to beat them every week, we only have to beat them this week.

“I think we have a good plan to get that done, and a team full of kids working their butt off to carry out that plan. Those nerves are always there for me personally, but once kickoff comes, everything just settles in and we play the game.”

---

## **OPINION: Moore’s injury hurts, inspires Louisburg football**

Louisburg senior, and team captain, Austin Moore accepts the regional championship trophy from coach Robert Ebenstein following the Wildcats' 48-0 win over Piper last Friday at Wildcat Stadium. Moore broke his collarbone in the first half of the game and has sidelined him for the rest of the season.

Following Louisburg's 48-0 win over Piper on Friday that gave the Wildcats a regional championship, one would think the mood would be filled with excitement.

The Wildcats had just advanced in the playoffs and picked up their 10<sup>th</sup> consecutive victory to stay perfect on the season. It was a time to bask in what was a dominant performance.

It was anything but celebratory.

In fact, the setting was more like a funeral.

During the game, senior Austin Moore – a team captain and leader on both sides of the ball – suffered a broken collarbone in the first half. Although the Wildcats will get to play another week of football, Austin's time as a Louisburg football player was up.

To put some perspective on what Moore was to his teammates, he might as well have worn an 'S' on his jersey and donned a red cape. He was Superman to a lot of those players.

He was supposed to be invincible to this type of stuff. There was nothing that could bring down Austin Moore. Just ask his previous nine opponents.

At running back, Moore finished his season with more than 1,400 yards rushing to go along with 21 touchdowns in less than 10 games. On defense, he was the team's leading tackler from his middle linebacker spot.

The shock across the Wildcat sideline could be seen as he came

out of the locker room at halftime. Instead of a jersey and shoulder pads, he replaced it with a purple jacket and a sling. His season was over.

“After the game was a bitter sweet feeling for us all,” senior lineman Kiefer Tucker said. “Yes we were happy that we had won, but we also all felt terrible because of what happened to Austin. Austin is the hardest working kid I’ve ever met and he’s tough as nails too, so to see him injured was a surreal feeling.”

In the second quarter against Piper, Moore caught a swing pass for a short gain, but was brought down by three Piper players and landed hard. The impact would break his collarbone, but it didn’t keep him from staying on the field.

Moore shook off the injury – if one could do that with a broken bone – and carried the ball three more times, including a 6-yard touchdown run that saw him shed tacklers and drag defenders into the endzone to give Louisburg an early lead.

**Austin Moore breaks a tackle as he tries to get into the endzone after he suffered a broken collarbone.**

He then went back on the field for defense, despite his coaches telling him to take a break.

“After we scored, Blue (Caplinger) and (Brayden) Gage both said you need to check on Austin,” Louisburg coach Robert Ebenstein said. “So I found him on the sideline and said ‘You alright?’ and he responded with ‘Yeah I’m fine,’ and went right back out on defense. So we watched him that defensive possession and he was favoring that arm just a little bit.

“When we forced the punt, we put in Ben (Wiedenmann) for a drive to get him a break. He comes to the sideline and says ‘I’m fine, put me back in.’ I told him to just take a breather, we end up scoring and he goes back in to play linebacker. Next offensive possession I took him out again and he comes over and asks me why. I said we are up three scores,

take a breather. His only response was I am fine.”

In his mind though, Moore knew something wasn't right.

Reluctant to take x-rays at halftime, Moore finally conceded. It didn't take the team's trainer, Dr. Damon Dennis, long to figure out exactly what was wrong.

“Doc got his pads off and pressed around and said he needed to get an x-ray and Austin refused to go,” Ebenstein said. “Austin is a very tough kid. I have seen college athletes in tears over that same injury.”

The Wildcats carried on his absence and went on to outscore Piper 34-0 the rest of the way to ensure themselves a regional championship.

After the game was over, Ebenstein had Austin come out to midfield where he handed him the regional championship trophy and Austin presented it to the team. Celebration ensued, even if it was for just a brief moment.

In the locker room, instead of feeling sorry for himself, Austin was there to congratulate his teammates on what was an impressive victory.

“The atmosphere definitely wasn't as if we had just won the regional championship, 48-0,” quarterback Madden Rutherford said. “The mood was a bit solemn because we all know how much this team means to Austin Moore. The coaches and Austin himself did an outstanding job of saying, ‘Yes, this sucks, but we must move on.’”

That is exactly what the Wildcats are doing as they face a daunting task of playing defending state champion, Bishop Miege. There aren't many who would give the Wildcats, even with Moore, a chance of knocking off a team that has dominated Class 4A and won the last four state titles.

To put it in perspective, a media outlet in Kansas City

released a poll on Twitter asking its followers to pick the Class 4A winner on the east side of the state – the only four choices were Bishop Miege.

There hasn't been team in Class 4A that has come close to knocking off the Stags in more than a decade.

That is what the Wildcats are up against this Friday in the sectional round of the playoffs.

"Miege is a good team, you can't deny that, but they are all human and they too make mistakes just as much as we do," Tucker said. "The whole team, and myself, are very excited to

be able to play against them because challenging games like this bring out the best in us. I fully believe that we have the heart and players to go out there and prove to everyone just who we are on our home field in front of the best community out there.”

Louisburg has put together probably its best season in eight years, since the Wildcats won the school’s first state championship. It has been quite a ride and one that will have to continue without No. 21 on the field.

However, Moore hasn’t left them. He will be more vocal than ever on the sidelines and the Wildcats are ready to make the best out of a bad situation.

“After the game I know a lot of us went up to him and told him how much respect and love we have for him and we told him that we weren’t done yet and that this next one was for him,” Tucker said. “We all know that we must step up now in the absence of him on the field, but he will be right on the sideline coaching us up and making sure that we are in the right mindset.”

Even without Moore, this Wildcat team ranks among one of the better teams in school history. They have a lot of depth at running back in Blue Caplinger, Brayden Gage and now Ben Wiedenmann, and Rutherford has had a big year at quarterback.

The lines on both sides of the ball have played well all season and is considered one of the team’s strength.

As good as that is, this team still needs your help. They need Wildcat fans to pack the stadium, just like you did against Paola and create an atmosphere these players will not forget.

They need you be loud and supportive. They need to know you have their back.

**Austin Moore presents the regional trophy to the rest of the team last Friday.**

This is postseason football. The stands should be full. No matter the outcome, celebrate what these Wildcats have already accomplished and what they have the potential to become.

“This is what we prepare all summer for, this is what we practice long hours for, this is why we study film for countless hours,” Rutherford said. “Playing Bishop Miege is something not many teams in the state want to do. They’d like to avoid them as long as possible.

“We are all stoked as a team to have them come down to our stadium and push us to our limits, and vice versa. All week long, the high school football gurus, and even classmates, will speculate that ‘We have to play Miege.’ But the reality is, Miege has to play us.”

Louisburg will do so with their leader and captain on the sidelines, cheering them on louder than if he were on the

field. It is Moore's injury that has given his team a new perspective.

"It's always a blow to lose any player, but a kid who leads like Austin will be a big loss," Ebenstein said. "We love Austin and will miss him Friday night on the field for sure, but we are a solid team and it is next man up preparing for the next game. I know our team will rally around the loss of Austin this week. The genuine love of a teammate could be seen in the faces of our kids in the locker room after the game.

"We always preach to play every play like it is your last, and this is just another example of why. Austin will recover fine and I expect him to have one heck of a college football career, but you never know when this game can be taken from you."

---

## **Wildcats plunder Pirates to win regional championship**

Senior Austin Moore (center) hands his Louisburg teammates the regional championship trophy Friday following the Wildcats' 48-0 win over Piper at Wildcat Stadium. Moore was injured in the first half of the game with a broken collarbone and is out for the rest of the season.

It had been almost two months since Louisburg and Piper squared off on the football field in what was one of the more entertaining games on the Wildcats' schedule.

Back in early September, Louisburg left Piper High School with a seven-point win – a victory that would help propel them to a Frontier League championship and a perfect regular season.

On Friday, the two teams squared off again and the stakes were a bit higher. The game, at least for Louisburg anyway, was even more exciting.

The Wildcats dominated action from the opening kickoff and never looked back in a 48-0 win over the Pirates. In the process, Louisburg won the school's first regional championship since 2016 and are off to a 10-0 start for the first time since 2010.

"We have preached all year that we need to continue to get better in practice every week," Louisburg coach Robert Ebenstein said. "We played them to a seven-point game early in the season, and then to come here in week 10 and put 48 up and get the shutout, is a true testament to these kids. It is a testament that they have sold out and how hard they are willing to work."

The Wildcats showed their improvement throughout much of the game as they put up four touchdowns in each half and cruised to a win after winning a nail-biter earlier in the year.

"Friday's game was a real blast to just go out there and show to everyone how much we have improved since we played them earlier in the season," senior lineman Kiefer Tucker said. "I thought all around we were really clicking and then to be able to hold up the regional plaque at the end of the game was a great feeling as well."

As exciting as the win was for the Wildcats, the mood after the game was less than celebratory.

During the game, many of the players and coaches found out that team captain Austin Moore was lost for the rest of the season with a broken collarbone.

Moore, the team's leading rusher on offense and leading tackler on defense, has played big roles on both sides of the ball for the Wildcats this season and Louisburg is going to have to move forward in the playoffs without him on the field.

Moore sustained the injury in the second quarter when he caught a swing pass and was dragged down by three Piper defenders. He landed hard on the ground, but stayed in the game for the rest of the drive – a drive that included a 6-yard touchdown run by Moore that saw him shed tacklers and drag defenders into the endzone with that broken collarbone.

**Austin Moore fends off a Piper defender for a long run during the first half of Friday's game with Piper.**

He later went back out on defense to play for a series and told the coaches he didn't want to come out of the game. The coaching staff quickly realized something wasn't right.

"I didn't even realize Austin was injured in the moment," Ebenstein said. "He caught a little swing pass and the way he landed with three guys on top of him broke his collarbone. He didn't say anything and stayed in the game and actually carried the ball three more times and scored the touchdown on the same drive. After we scored Blue (Caplinger) and (Brayden) Gage both said you need to check on Austin. So I found him on the sideline and said 'You alright?' and he responded with 'Yeah I'm fine,' and went right back out on defense. So we watched him that defensive possession and he was favoring that arm just a little bit.

"It's always a blow to lose any player, but a kid who leads like Austin will be a big loss. We love Austin and will miss him Friday night on the field for sure, but we are a solid team and it is next man up preparing for the next game."

Even after losing Moore in the second quarter, the Wildcats continued to shine on both sides of the ball as they outscored the Pirates, 34-0, the rest of the way.

Quarterback Madden Rutherford came through for the Wildcats with three touchdowns on the ground, and another through the air, to lead the Louisburg offense.

Rutherford opened the game with a 1-yard touchdown run, and then after Moore's touchdown in the second quarter, scored again on another quarterback sneak to put Louisburg up 21-0 late in the second quarter.

**Senior Kiefer Tucker (50) pulls on the jersey to bring down a Piper player Friday in the regional championship game.**

On that drive, senior Blue Caplinger stepped up in Moore's absence as he made a leaping catch on third down for 29 yards, and then had a fourth down run to the 1-yard line to give Louisburg a first down – and then an eventual touchdown.

Kicker Drake Varns then helped give Louisburg the ball right back as he skipped the kickoff along the ground and allowed the Wildcats to recover the onside kick on the Piper 37-yard line with 2 minutes and 28 seconds left in the half.

Louisburg took advantage and scored its fourth touchdown of the half on a Brayden Gage 10-yard run and the Wildcats held a 28-0 lead at halftime.

The Wildcat defense made a big impact on the game as well as

it forced four turnovers, including an interception by Caplinger to start the second half. Senior safety Tanner Belcher also had a big night with an interception, a fumble recovery and two deflected passes.

Louisburg's defensive line also made a difference as seniors Kiefer Tucker and Noah Larson each forced a fumble and junior Garrett Harding recovered the other fumble. Larson also recorded the game's only sack and junior linebacker Charlie Koontz led the Wildcats with seven tackles.

"Looking back, there probably could have been three or four more games to where we could have gotten shutouts, but we finally got to the point where we locked in to where every single person knew what their job was and we weren't giving up those huge plays," Ebenstein said. "I am super proud of those defensive kids, coach (Jeff) Lohse and all the position coaches for coaching it up all season."

**Safety Tanner Belcher (36) had a big night or Louisburg with an interception and a fumble recovery.**

The Wildcat offensive line also provided a lot of push up front as Larson, Tucker, Brayden White, Harding and Jonathan DePriest, along with tight end Michael Waldron, helped tally 388 yards of total offense.

Big plays dominated the second half for Louisburg as Caplinger broke free for a 20-yard touchdown in the third quarter and Rutherford followed that up with a 50-yard run up the middle for another score. Louisburg sealed the win late in the game when Rutherford found Brandon Cooper on an 80-yard touchdown pass.

“It is good to see all those guys start to mesh together,” Ebenstein said. ‘We are continuing to add plays, do new things and give new wrinkles and that is because they are focused. It is something that these kids work their butt off for and it is all for them.”

**Senior Brayden Gage looks for some running room as he gets a block from teammate Blue Caplinger.**

The road to the state championship gets significantly harder this Friday when Louisburg hosts defending state champion Bishop Miege at 7 p.m. at Wildcat Stadium. The Stags have won four straight state titles and have had their way in Class 4A the last several years, including this season with a 76-8 win over Labette County to start the playoffs and a 49-20 victory over Pittsburg last week.

“We tell the kids every single day over summer weights that we train to beat the best and Miege has the track record that says they are pretty good,” Ebenstein said. “This is what we work for and we are going to come out and give em hell.”

PASSING: Rutherford 5-11-165-1

RECEIVING: Brandon Cooper 1-80; Blue Caplinger 2-47; Austin Moore 2-39

## **Wrigley reaches end of successful football career**

Lincoln University senior, and Louisburg High School graduate, Brenton Wrigley will play his final collegiate football game next Saturday after spending the last two years with the Blue Tigers as the team's long snapper.

In a little more than a week, Brenton Wrigley will put on the pads one final time.

Football has served Wrigley well the last four years as he has

spent time at two colleges and worked his way onto a Division II program as a long snapper. It hasn't always been easy for Wrigley, but then again, life as a college football player isn't supposed to be.

Wrigley, who is a 2015 Louisburg High School graduate, will be honored next Saturday when his Lincoln Blue Tigers host McKendree on Senior Day. It figures to be an emotional day for Wrigley and his family as he says his goodbyes to the Jefferson City, Mo., program.

"It will be a little bittersweet, and I don't think it will hit me that football is over until after the season," Wrigley said. "My mind set is to be the best that I can be and help this team with anything they need. I'm definitely going to miss the workouts with my teammates and waking up at 5 a.m. to grind with them."

Being a long snapper isn't a position that has a lot of glory – in fact – most people don't even notice them out there at times. However, it has been one that Wrigley has embraced in the last decade and one that has helped find playing time at two different schools.

**Brenton Wrigley**

Following graduation from Louisburg, Wrigley made his way to Fort Scott Community College for two years and then eventually moved onto to Lincoln, where he has helped the Blue Tiger special teams.

“I’ve always been a long snapper and my dad (Ryan Wrigley) taught me when I was at a young age,” he said. “I’m still getting it down and it is a work in progress. A bunch of technique is required and I’m always learning from either watching the pros or watching film on YouTube.”

Wrigley honed in on his craft at Fort Scott and he enjoyed his time with the junior college program, which he believed prepared him for the Division II level.

“The best memories for me came from juco because we were all grinding to make it out of Fort Scott,” Wrigley said. “I made some incredible friends there like Chris Flowers, Andrew Carter, Austin Wolfe, Logan Edwards and Dakota Crichton. These people are my family and making it out of the struggle with them is something that I’ll never forget.”

As seamless as Wrigley made the transition seem from Fort Scott to Lincoln seem, it wasn’t always that easy.

“When I first got here, Lincoln was kind of challenging because I was the like the new kid on the block and I didn’t know anyone on campus,” he said. “But now that I have been here for a while, I’ve gained more friends on and off the football team. College football has its ups and downs, but it is fun playing with a bunch of individuals that have the same common goal as you.”

The normal grind of school and football is hard for many student athletes, but when you have to worry about your health on top it, its adds another level of stress.

Wrigley is diabetic and he has had to deal with the disease for a little more than a decade. It is something that presents

its fair share of challenges, but nothing he hasn't been able to overcome.

"In almost 11 years of having diabetes, it was struggle early dealing with it because I was new to it all," Wrigley said. "It's still hard because my blood sugar fluctuates depending on the amount of activity I do. I've learned to check my blood sugar before games, during halftime and when I get back to the locker room after the game. I always carry fruit snacks, or something like that around all the time to make sure I am ready to go."

Working hard on the football field isn't the only thing Wrigley has shined at during his two years at Lincoln. Before the start of the season, Wrigley was awarded the Division II Academic Achievement Award by the Athletic Directors Association.

To be eligible for the award, student-athletes must have a cumulative grade-point average of 3.5 or higher and have completed at least four semesters at their institution.

It is an honor that Wrigley, who also earned academic awards while at Fort Scott, takes pride in as it is challenging to find a balance between athletics and academics.

**Brenton Wrigley has long snapped the last four years, including two at Fort Scott Community College and two at Lincoln.**

“It is difficult because my whole day is taken up with football and meetings from 5 in the morning to around 5 or 6 at night with classes in-between,” he said. “I try to spend the hours I’m not doing anything football related in the library doing homework or studying for a test.

“I take my classes very seriously because at the end of the day football won’t always be there, but that degree will. I’m very proud of those honors that I’ve received. I strive to perform well on and off the field.”

Wrigley knows the opportunity he has received at Lincoln wouldn’t have been possible with the support of his parents, Ryan Wrigley and Krista Stramel, previous football coaches and Lincoln head coach Steven Smith.

“I’ve made many more friends here at Lincoln and the coaches will always be here for me no matter what the situation is,” Wrigley said. “Coach Smith is the one that got me to Lincoln

University. He believed in me and I can't thank him enough for the opportunity that he has given me."

---

## **Louisburg rolls Ottawa to begin state playoff run**

Louisburg senior Josh Casey hauls in a touchdown pass in the second half of Louisburg's first-round playoff game Friday against Ottawa at Wildcat Stadium. The Wildcats defeated the Cyclones, 56-8.

Coming off an emotionally-charged game with rival Paola the week before in which it claimed the Frontier League title, Louisburg coach Robert Ebenstein was mildly concerned how his team would respond.

The No. 1 seed Wildcats hosted winless No. 16 Ottawa in the first-round of the Class 4A state playoffs Friday. Louisburg shutout Ottawa earlier in the year and he didn't want his team to overlook the Cyclones.

As it turned out, there was absolutely nothing to be worried about.

Louisburg dominated from the opening kickoff and never looked

back in a 56-8 victory over Ottawa. The Wildcats advanced to the regional round of the playoffs and will host No. 9 seed Piper this Friday at Wildcat Stadium.

“It was good,” Ebenstein said of the win. “Trying to keep our kids composed coming off a big win like we had last week, and coming back here and staying grounded, I think they did a great job with that. We were able to get some guys in the game in the second half and they knew what we wanted them to do. That is what we hope for nine weeks into the season and I am pretty happy with them.”

Senior Brandon Cooper got the Wildcats off and running when he returned the opening kickoff 83 yards for a touchdown, and after Drake Varns extra point, the Wildcats took a 7-0 lead.

**Austin Moore (21) brings down an Ottawa runner while Brayden Gage (10) comes in to finish him off Friday.**

After the Wildcat defense forced an Ottawa punt on its first possession, Louisburg went down and scored again as Blue Caplinger found the endzone on a 27-yard touchdown run.

Louisburg's defense struck again as senior Beckett Rasmussen intercepted an Ottawa pass early in the second quarter and the Wildcats quickly turned that into points. Two plays later, senior running back Austin Moore broke free for a 57-yard touchdown run.

Moore found the endzone again, this time on a 3-yard run, to put Louisburg up 26-0 with 2 minutes and 28 seconds left in the first half. The Wildcats still weren't done as their defense forced another Ottawa punt and the offense drove right back down the field.

With a few seconds remaining in the second quarter, Varns converted a 34-yard field goal to give Louisburg a 29-0 lead at halftime.

The Wildcats, which defeated Ottawa 25-0 earlier in the year, continued to pour it on. Defensively, Moore intercepted a pass and returned it 23 yards for a touchdown to open the third quarter.

**Louisburg kicker Drake Varns (30) celebrates with his teammates after making a field goal to close out the first half Friday against Ottawa.**

Quarterback Madden Rutherford got involved a little later when he connected with Josh Casey in the endzone on a 12-yard touchdown pass with 4:22 left in the third quarter.

Louisburg gradually put its second-string players in after that and those Wildcats found success as well. Brian Houck had a pair of strong runs down the sideline that set up a 1-yard touchdown, his first score of the season, to put Louisburg up 49-0.

The Wildcats scored one more time when backup quarterback Noah Bell, a.k.a. 'Roll Tide,' came in the game. In his second play from scrimmage, he handed the ball off to sophomore Ben Wiedenmann, who ran 66 yards for a touchdown and sealed the win for Louisburg.

It was a much different game for Louisburg the second time around as it didn't have to deal with a cold and muddy Wildcat Stadium field.

"Our cleats worked this time," Ebenstein joked. "The last game we ran iso like 27 times and stretch like 20 times. We just didn't want to turn the ball over. This time we wanted to open it up a little bit and run our stuff and we did that in the first half. The second half was a lot of fun to be able to get some of the backups in and have this experience as well."

**Louisburg backup quarterback Noah Bell (aka Roll Tide) hands the ball off to Ben Wiedenmann for a touchdown late in the game Friday.**

Moore led the Wildcats in rushing with 115 yards on just 11 carries, while Rutherford had 92 yards through the air. Casey and Brayden Gage led Louisburg in receiving with 34 and 29

yards, respectively.

Ottawa just wasn't able to move the ball on the Wildcat defense as it held the Cyclones to just 214 yards of total offense and forced two turnovers.

Now the Wildcats will need to get ready for a Piper team that they defeated earlier in the season, 28-21. It was one of the closest games of the year for Louisburg and the Wildcats realize it will be another difficult challenge this time around.

"We are going to come back prepared and get ready for another week of football," Ebenstein said. "I know the guys will be ready to go and we are going to come back here and hopefully we will do this again."

# LEAGUE CHAMPS: Louisburg knocks off Paola for No. 1 seed

Louisburg's Blue Caplinger (right) celebrates with teammate Jonathan DePriest following Caplinger's touchdown to open the game Friday at Paola High School. The Wildcats captured the Frontier League title with a 25-7 win over the Panthers.

PAOLA – Louisburg quarterback Madden Rutherford tried to avoid the internet prior to his team's game with Paola.

At the same time, Rutherford just couldn't help himself. He wanted to know what kind of chances people gave the Wildcats in Friday's battle of unbeaten.

Rutherford didn't like what he saw.

"Coming in there was a lot of hype from the Panther side of things and a lot of people were doubting us," Rutherford said. "I tried not to look at all the predictions online, but a lot of them had Paola either winning or winning big. That just fueled our fire."

Louisburg certainly had a lot of fire as the Wildcats put

together their best game of the season at the perfect time. The Wildcats handed Paola its first loss of the season with a 25-7 victory at Panther Stadium, and at the same time earned the Frontier League title and the No. 1 seed in the state playoffs. It was the Wildcats' first league title since 2010.

"It is just another win to be honest, but being able to come over to Paola with both teams being undefeated and a league championship on the line, it is true testament to these coaches and these players," Louisburg coach Robert Ebenstein said. "They bought in and they worked their butts off and they earned this. This is all for them."

The two rivals created a festive atmosphere in Paola as the towns filled the stands on both sides, while Louisburg fans were two to three rows deep behind the fence next to the stands cheering on the Wildcats.

The Wildcat players appreciated the support and let the fans know how much by holding Paola to seven points and forcing four turnovers on defense. Offensively, the Wildcats converted several big plays that led to four touchdowns.

"That is huge," Ebenstein said. "I have never seen Louisburg travel as well as this and I have been here a few years. We have played some playoffs games in Independence and Chanute, but it just seemed like the whole town was here and it was jammed pack with fans.

"I just want to thank everyone for coming out and supporting us and being able to come home for the rest of the season is going to be a good feeling for sure."

**Louisburg senior Noah Larson (54) celebrates a big stop for the Wildcat defense Friday in Paola.**

Rutherford certainly did his part as he was involved in all four scores for the Wildcats and made a little history in the process. He became the first Wildcat in school history to pass for, rush for and a catch a touchdown in the same game according to Ebenstein.

The junior quarterback certainly got some help as it was a game full of great catches from receivers Brayden Gage and Blue Caplinger that led to touchdown scores.

Louisburg opened up the passing game on the Panthers as it knew Paola would be focusing on senior running Austin Moore, who entered the game with more than 1,000 yards on the ground and 18 touchdowns.

“That was the plan,” Ebenstein said. “Everyone in the world knows about Austin, and he is a stud, but the greatest thing about Austin is that I don’t think he cared one bit that we

didn't call his number 27 times. We were going to take what they gave us, we executed and those other guys played great."

**Louisburg quarterback Madden Rutherford escapes the pocket to make pass Friday in Paola.**

Rutherford, who finished the game with 172 yards through the air, led the Wildcats to a touchdown on their first possession of the game. He found Caplinger for a 25-yard touchdown pass that completed a nine-play drive, and after a missed extra point, Louisburg led 6-0.

On Paola's first play from scrimmage, the Wildcats forced a fumble and recovered to keep the Panthers off the board. In fact, they kept them scoreless for most of the first half.

Early in the second quarter, Louisburg got its passing game going again when Rutherford completed a 40 yard pass down the sideline to Gage. The Louisburg senior receiver went up in the

air for a jump ball and pulled it out of the Paola defenders' hands for the completion.

Two plays later, Rutherford found Gage again, this time for a 38-yard touchdown to give Louisburg a 12-0 lead.

On Louisburg's next drive, it was Caplinger's turn again as he made a 26-yard diving catch at the Paola 10-yard line to set up the Wildcats' next score. On a third down on the 9-yard line, Caplinger took the pitch from Rutherford, set his feet and threw it across the field to Rutherford who scored on the halfback pass to go up 19-0.

**Louisburg's Garrett Harding (58), Austin Moore (21) and Charlie Koontz combine for a tackle late in the game Friday against Paola.**

"It is amazing," Caplinger said of the win. "This is everything we have been working for. We just wanted to come

out and get them down quick because we knew they would be up for it, being a rivalry game.

“Madden was putting the throws on the spot and we were catching them. It was awesome to see and everything was falling our way.”

Louisburg got its offense going thanks to the offensive line of Noah Larson, Kiefer Tucker, Brayden White, Garrett Harding, Jonathan DePriest and tight end Michael Waldron.

Paola, which had given up 25 points all season, gave up 25 points to the Wildcats in three quarters and had never trailed all season coming into the game.

“I was impressed by our passing game,” Tucker said. “We made some amazing catches out there and Madden was throwing it good. The line was giving him great time to throw it and everyone was just clicking.

“Scoring first was huge for us. They hadn’t trailed all year and I don’t think they knew what to do. They were getting frustrated at each other and you could see it on the field. We just kept our composure and we played like it was 0-0 the entire time.”

Paola tried to get some momentum going into halftime as quarterback Seth Richmond connected with Corbin Gant on a 79-yard touchdown pass down the sideline.

Then to start the second half, the Panthers got the ball again and drove into the redzone. The Wildcat defense came up big as they forced Paola to turn the ball over downs and frustrate the Panthers even more.

After all the passing the Wildcats did in the first half, they got their running game going in the third quarter as Moore reversed field position for a 48-yard run. Rutherford then found Waldron on a 28-yard pass that set up another score.

Rutherford ran the ball down to the 1-yard line on the next play and followed it up with a quarterback sneak for a touchdown and a 25-7 Louisburg lead.

“Coach E was giving me some good play calls,” Rutherford said. “They could see a lot of things from the sideline and the booth and that made things pretty easy for me. The receivers ran crisp routes and Blue and Brayden just went up and got the ball. Michael (Waldron) also had a nice catch on third down as well, which was huge for us. I couldn’t be prouder of my guys.

**Senior cornerback Beckett Rasmussen races down the field after an interception in the fourth quarter.**

Defensively, Louisburg forced four turnovers on the night. The Wildcats got two interceptions from Beckett Rasmussen, including one with three minutes left in the game to help seal the win for the Wildcats. Moore and fellow linebacker Charlie

Koontz both recovered fumbles after Tucker and White forced them out.

Moore also led the Wildcats with 11 tackles, while Koontz and Larson each added eight in the win. Gage and Harding finished with six tackles and the Wildcat defense came up with the big plays when they needed them.

“I can’t say enough good things about (defensive coordinator) Jeff (Lohse),” Ebenstein said. “He knows his stuff and he teaches it better than anybody. The kids pick it up and they just fire around and play for each other. The defense was just flying tonight. They played great.”

The win gives the Wildcats the No. 1 seed in the playoffs and they will host every game at Wildcat Stadium. Louisburg (8-0) will face No. 16 Ottawa (0-8) at 7 p.m. on Friday in a rematch of the mud bowl two weeks ago that left the field unrecognizable.

**Louisburg head coach Robert Ebenstein (front) and assistant Ty Pfannenstiel celebrate a big play in the first half.**

“Our field is all messed up with the mud bowl we had earlier, but that is ok because I like our field,” Gage said. “It can be an advantage for us going into the playoffs. This just feels amazing. This is what we have been working for all season.”

As big as the win over Paola was, the Wildcats realize the true season is just now getting started.

“We worked all year for this and all the hard work has definitely paid off with all those extra reps and running after practice,” Tucker said. “It has all paid off, and the best thing about it is that it isn’t even over yet. We are just getting started. We haven’t put four quarters together yet but we are getting closer.”

## **PHOTO GALLERY: Wildcats capture league crown**

**Members of the Louisburg football team celebrate for the television camera following Friday's 25-7 win over Paola at Paola High School.**

And then there was one.

The Louisburg High School football team remained unbeaten Friday with a 25-7 victory over previously unbeaten Paola at Paola High School. In the process, the Wildcats secured their first Frontier League title since 2010 and are the No. 1 seed on the East side of the state playoffs.

Louisburg is currently the lone unbeaten left on this side of

the state and will host No. 16 seed Ottawa on Friday at Wildcat Stadium.

The Wildcats scored on their opening drive against Paola and never looked back as they took a 19-7 lead at halftime and the defense took care of the rest. Louisburg forced four Paola turnovers and also turned the Panthers over on downs a couple other occasions.

It was great atmosphere for high school football as both sides were standing room only and Louisburg fans showed in full force.

Here is a photo gallery from Friday's league championship game. Congrats again to all the players and coaches on a great game.

## Louisburg-Paola rivalry to be on full display tonight

Senior Brayden Gage goes up for a catch against Paola last season. Gage and the Wildcats will square off the Panthers

**tonight in Paola with the Frontier League title and No. 1 seed in the playoffs on the line.**

A league championship. The top seed in the state playoffs.

For most high school football players, this would be enough to get them fired up for a game. Don't get Louisburg wrong, they want both of those things when its squares off with rival Paola tonight, and the Wildcats are plenty juiced.

However, those things aren't at the root of why the Wildcats are looking forward to this matchup. You have to look a bit a deeper.

Last year, Louisburg's season came to an end thanks to Paola as the Panthers downed the Wildcats, 34-12, in Louisburg. It has been a feeling many of the players haven't been able to shake.

"We are all pumped for this game," Louisburg senior lineman Kiefer Tucker said. "We have all been looking forward to this game since last year when Paola ended our season. Everyone took that hard and it was the last time we have played with some of the guys.

"I remember when they ended our season in basketball, they chanted 'Just like football' and I know that really got me going through a lot of hard workouts just thinking about that."

There will probably be no love lost tonight when the two undefeated teams meet at 7 p.m. tonight at Paola High School. A rivalry, which brings plenty of interest no matter the record, will have a lot on the line.

The winner will be crowned Frontier League champion, will receive the No. 1 seed on the East side of the state playoffs – oh, and bragging rights for a year.

"I'm not going to lie, I was excited for this game last week," Louisburg coach Robert Ebenstein said. "I am really looking forward to going out there, and playing in a high stakes game like this prior to the playoffs will be a great experience.

"Honestly, just beating Paola is enough. It is always our goal to win the game that is in front of us, and this one just so happens to have plenty on the line with it."

It will no doubt be the biggest challenge for Louisburg to date as Paola has dominated each of its previous seven opponents. The Panthers have racked up 295 points on the season, which is the second most points in Class 4A, and have had six different players rush for more than 100 yards in a game.

Quarterback Seth Richmond leads Paola on the season with 10 touchdowns, while running backs Connor Hasz and Garrett Williams each have six touchdowns a piece.

Paola is also strong defensively as it has allowed just 25 points and has five shutouts. The Panthers feature a lot of speed in the secondary and at linebacker, and have four interceptions for touchdowns on the season.

"Paola plays fast and hard, they fire out low on the line, and when they have the opportunity they take advantage of other team's mistakes," Ebenstein said. "They look to have some hard-nosed football players."

**Louisburg's Austin Moore brings down a Paola runner during last season's game.**

As for Louisburg, the Wildcats will lean on running back Austin Moore, who has had a big season. Moore has rushed for 1,155 yards and has 18 touchdowns on the season.

Moore has found a lot of that success thanks to his offensive line. The Wildcats return four offensive linemen from their matchup a year ago, including seniors Noah Larson, Tucker, along with juniors Brayden White and Garrett Harding. Senior Jonathan DePriest has also made an impact as a first-year starter.

Fellow running back Blue Caplinger and tight end Michael Waldron have also created a lot of running room. Moore will also look to affect the game on defense at middle linebacker as he leads the team in tackles.

“Austin is having a great season with the help of the offensive line and the other backs blocking for him,” Ebenstein said. “When you put all those guys together, it makes for a tough offense to stop. I think Austin will have a huge impact on this game on both sides of the ball.”

Junior quarterback Madden Rutherford is also having a good season for Louisburg as he has thrown for 655 yards in the seven games and has nine touchdowns to just one interception.

Senior Brayden Gage and Caplinger have been his favorite targets as they have 170 and 125 yards receiving, respectively, and both have three touchdowns on the year.

**Quarterback Madden Rutherford, along with linemen Noah Larson (54) and Kiefer Tucker (50) will try and find success against Paola tonight.**

However, like most seasons, stats can be thrown out the window

when it comes to these two teams playing each other. The Louisburg-Paola matchup hasn't had this much riding on it since 2010, when the two teams squared off in the sub-state championship and the Wildcats went on to win their first state title.

"It would mean a lot to win," Moore said. "No one on this team has ever won league and I think the last time Louisburg won league was back in 2010, so it would be pretty cool. I know this is will be the biggest game that I have ever been a part of in my life and I know it is going to be exciting."

The atmosphere at Panther Stadium tonight should speak for itself.

"One of the goals that we set during the preseason was that we didn't want to lose," Tucker said. "This will be a tough test, but I know that we can do it. I know if we go out and execute, and we just play our game, then we can beat them. It would mean a lot.

"It will be fun. I am assuming the stands are going to be crowded with the two towns being so close and it is a rivalry game. I can't wait to feel the energy out there and it will be a good game for sure."

---

## **Wildcats overcome Ottawa, mud to win on Senior Night**

**Louisburg senior running back Austin Moore gets a block from lineman Cole Williams as he was able to get into the endzone Friday against Ottawa at Wildcat Stadium. The Wildcats won their seventh game in a row in a 25-0 victory over Ottawa.**

On a rain soaked and muddy field Friday, the Louisburg High School football team didn't slip up against Ottawa.

In its final regular season home game, the Wildcats left Wildcat Stadium with a perfect record as they shutout the Cyclones, 25-0, and are now 7-0 on the season. Louisburg also celebrated Senior Night as it recognized its 18 seniors and their families.

Beckett Rasmussen, Gabe Rader, Josh Casey, Brayden Gage, Jakob Krause, Austin Moore, Jorge LeBron, Brian Houck, Brandon Cooper, Blue Caplinger, Dylan Knipp, Tanner Belcher, Kiefer Tucker, Noah Larson, James Foote, Cole Williams, Hunter Day and Jonathan DePriest were all honored before the game during a Senior Night ceremony.

The game itself might have been less than perfect, but Louisburg coach Robert Ebenstein couldn't have asked for a better way to send his seniors off in front of their home fans.

"This senior class is full of awesome kids all the way across the board," Ebenstein said. "This class has amazing leaders on the field, in the weight room, and in the classroom. We hope to have a lot of season left to play, but when it ends for these kids they will be greatly missed and have set a great

standard for Louisburg football.”

Field conditions played a big role in what Louisburg wanted to do offensively, but not even the mud and big divots in the field could stop the Wildcats from finding the endzone.

The Wildcats opened the game with a pair of touchdowns and Louisburg never looked back as it jumped out to an 18-0 halftime lead.

**Charlie Koontz brings down an Ottawa player Friday in the Wildcats' win.**

“This is the worst I have a seen in a football field in I don't know how long, just with all the rain we had and everything,” Ebenstein said. “I challenged the kids to not turn the ball over and we didn't have any turnovers. We had one possession in the third quarter where we made a couple penalties and stalled out, but we took care of the ball, they

did what we needed to do and we got the shutout.

“The game was ugly for sure. The field was ugly, the game was ugly, but we won and that is all that matters right now.”

Senior running back Austin Moore once again went over the century mark in rushing. Moore tallied 146 yards on 29 carries to go along with two touchdowns, including a 1-yard score on the Wildcats' opening drive.

Junior Charlie Koontz recovered an Ottawa fumble on its next possession after it was forced out by senior Noah Larson. Koontz was rewarded with an 11-yard touchdown pass from Madden Rutherford a few plays later that put Louisburg up 12-0 late in the first quarter.

Moore scored on an 8-yard touchdown run in the second quarter to give Louisburg an 18-0 lead at halftime and the Wildcats had more than enough points to come away with a win.

However, facing a fourth down in the fourth quarter, the Wildcats came away with one more score. Sophomore Weston Guetterman, with a defender on his back, pulled down a 24-yard pass from Rutherford for a touchdown.

**Louisburg senior Kiefer Tucker wraps up an Ottawa player on Senior Night on Friday in the Wildcats' 25-0 win.**

Defensively, the Wildcats shut down the Cyclones as they held Ottawa to just 87 yards of total offense.

“Minus the first two plays of the game, I was pretty happy with the defense,” Ebenstein said. “Ottawa came out with a couple big gains, but after that we settled down and made some plays ourselves. We will take a shutout any day.”

The win sets up a large contest in the Wildcats' regular season finale when they travel to rival Paola. Louisburg and Paola are both currently undefeated and the winner of this Friday's game will be crowned Frontier League champions and earn the No. 1 seed in the East for the state playoffs.

It could be the biggest Louisburg/Paola game since 2010, when the two teams met in the sub-state playoffs for the right to

go to the state championship. The Wildcats won that game and turned it into their first state title.

“It is going to be fun,” Ebenstein said. “Louisburg/Paola by itself is awesome, but with the No. 1 seed in the East side of the state and Frontier League title on the line, it really doesn’t get any better than that.”
