

Despite winless week, Wildcat soccer ready for regionals

It wasn't the ideal way for the Louisburg girls soccer team to end its season.

The Wildcats recorded a 1-1 tie on the road at Ottawa last Tuesday, before falling to Spring Hill, 7-0, at home on Thursday. Louisburg would have loved a win in one of those matches, but finished its regular season with a 9-6-1 record.

Still, despite the struggles, the Wildcats find themselves in good positions as they earned the No. 4 seed in the Class 4-1A regional playoffs and will host their next two games if they keep winning.

The Wildcats will host Bishop Ward (3-13) at 5 p.m. today at Wildcat Stadium. If they advance, they will meet the winner of No. 5 Eudora (9-6-1) and No. 12 Atchison (4-12) on Thursday for the championship.

"Girls did a great job of playing together and working last week," Louisburg coach Kyle Conley said. "We didn't back down, nor did we give up. This group of girls have something to prove this week.

"The playoffs are what we play the season for. We are ready and will play as hard as we can. We like where we are going into the playoffs, but have work to do. We will focus on Bishop Ward in our first playoff game and take it from there."

Against Ottawa, Louisburg had numerous chances to put the game away, but couldn't find the back of the net. For the game, the Wildcats had 17 shots on goal.

Ottawa took a 1-0 lead 15 minutes into the first half, but the Wildcats countered ight before halftime. From 25 yards out, freshman Lola Edwards hit a shot that sailed past Cyclone goalie to tie it up.

A second half and two overtimes later, the game ended there and the Wildcats weren't able to get the road win.

"We truly just didn't finish at all," Conley said. "We had a ridiculous amount of opportunities but couldn't find the back of the net. We absolutely dominated the game but struggled to execute. The girls played hard and were aggressive. It is the same story all year. In our six losses, we outshot the other team in three of those games."

Edwards led the attack with six shots on goals and freshman Lexi Hampton added four. Olivia Barber finished with two and Bree Gassman had the team's lone assist.

The Wildcats had to end their regular season schedule against Frontier League champion Spring Hill on Thursday and the Broncos were tough to hang with.

Louisburg had just two shots on the night as Spring Hill came away with seven goals.

"Spring Hill is a really talented team," Conley said. "Their first 11 players are incredible. We played extremely hard the entire game and didn't let up. Unfortunately, we had some let downs that led to them scoring.

"The girls battled and didn't quit. In a game like that, it is very easy to give up and not try, but the girls just kept playing. We were able to play almost the majority of the girls

to get them experience going forward.”

Wildcats hold on in physical match with Bonner Springs

Freshman Lola Edwards settles a pass during Thursday's home match against Bonner Springs.

With a three goal lead in the second half, and the match seemingly in hand, the Louisburg girls soccer team had to deal with a more exciting ending than what it had anticipated.

Bonner Springs scored two goals to make it a one score game and the Wildcats found themselves in a battle, both physically and mentally.

Tensions got elevated, and in what was a physical match, the Wildcats were able to hold on for a 4-3 victory Thursday over Bonner Springs.

“We just literally went round of round with each other,” Louisburg coach Kyle Conley said. “It felt like a 12-round boxing match out there. Kids were getting taken out late. We made our fair share of fouls too, but when you see that and nothing gets called it is kind of frustrating. You are dealing with injuries, long stoppages in play and it was tough.

"It was tough to keep your composure. You are up 4-1, then they get two and then all of a sudden we are playing not to lose. We struggled a little bit to find feet and keep it simple. I am really proud of the girls for playing hard and keeping their heads and not retaliating. They played really hard. We are banged up, and this game definitely didn't help that. We need to get healed up and get back after it."

Freshman Lexi Hampton opened the game with a goal early in the first half, but Bonner Springs countered with one late to tie it at halftime.

The Wildcats (9-5) seemed like a different team early in the second half as they answered with two goals in the first minute of play. Junior Reese Johnson and Hampton both found the back of the net to put Louisburg up 3-1.

Senior Olivia Barber was a big factor in those goals as she finished with a game-high three assists and was a force in the midfield.

Freshman Lola Edwards made it a 4-1 lead a few minutes later after she scored off a rebound. The game was seemingly in hand.

Sophomore Adyson Ross pushes the ball up the field Thursday against Bonner Springs.

"I had a nice little discussion with the girls at halftime," Conley said. "Then we came out and played exactly how we were asking them to do the whole time. It was frustrating that we didn't start that way. We had a lot of chances throughout and we just didn't finish them. We were able to let (Bonner) stick around a little bit."

Bonner Springs answered with a goal midway through the second half, but it came at a cost for Louisburg.

Wildcat goalie Sierra Hahn suffered an injury while going in for a save and had to leave the contest. Her departure took away some of the momentum they developed.

"Any time anyone comes off the field and they are in a lot of pain, your thought goes to your teammate," Conley said. "It is

hard to stay focused because you are so worried about your teammate. We came out really flat after that and struggled because there are bigger things than soccer.”

Senior Kennady Wilkerson sends the ball away from the Bonner Springs attack in the Wildcats' 4-3 win.

Goalie Macy Lemke came on to replace Hahn, and despite a goal after her departure, Lemke made a couple saves and the Wildcat defense was able to hold on to preserve the win.

Louisburg will try and make it two wins in a row today when it travels to Ottawa.

Wildcats lose close match to Basehor-Linwood

On May 3, the Wildcats traveled to Basehor-Linwood and played the tough Class 5A program close, but left with a 2-1 loss.

Louisburg was down 1-0 at halftime, but freshman Lexi Hampton

tied it up on an assist from Reese Johnson.

Basehor-Linwood would answer midway through the second half on what would be the game-deciding goal.

“We played great at Basehor,” Conley said. “We played high energy. We had three breakaways in the first half, but we just couldn’t get one to go. They have one really good player, and Hailey Sword basically just took her out of the game. She played unbelievable and played all 80 minutes for us.

“The defense played great as well and the defensive mids played great. They all just played really hard and played simple. It was a back and forth game and we were able to take away a lot of their intermediate chances. Sierra played really well and we just couldn’t get one there at the end.”

Goalie Sierra Hahn led the Louisburg defense with 21 saves. Lola Edwards and Olivia Barber each had two shots on goal, while Tehya Harvey, Adyson Ross, Hampton and Johnson each had one.

Wildcats bounce back with road victory over Lansing

Louisburg defender Sammy McDaniel clears a ball out of the back during a match earlier this season. The Wildcats went on

the road and came away with a 3-0 win Friday at Lansing.

Sometimes the best thing to happen after a loss is the opportunity to get right back on the field, and Friday it certainly helped the Louisburg girls soccer team.

Following a 2-0 loss to Eudora on Thursday, the Wildcats traveled to Lansing the very next day in hopes of putting that loss behind them. It did the trick as Louisburg blanked the Lions in a 3-0 victory and the Wildcats are now 8-4 on the season.

“Playing back-to-back is difficult, and having limited players, we had a big challenge ahead of us,” Louisburg coach Kyle Conley said. “We came out and dominated the game, and had a lot of shots. We pressed a little bit and were trying to do too much. We finally settled down and played our game.

“We played well, but just could not find the back of the net. We had a ridiculous amount of opportunities, but they packed it in and made it difficult to get any shots through to the goal. Credit to them, but they had a lot of blocked shots. We grinded it out and then we really played well. I liked how our girls found a way and played so hard.”

Goals were hard to come by early on in the contest as the match was scoreless at halftime, despite the Wildcats having opportunities on goal.

It all changed in the second half.

Freshman Hailey Sword got the ball just inside the box and sent a shot past the Lansing goalie for the team’s first score about 15 minutes into the second half.

Several minutes later, Louisburg struck again. Senior Emma Christy took the ball down the left side and put a shot on goal. The shot was knocked away, but freshman Lola Edwards was there to get the rebound and tap it in for the goal.

Sophomore Tehya Harvey found herself in a scrum in front of the goal just moments later and sealed the win with a score of her own to put the Wildcats up three.

The Louisburg defense didn't allow a shot on goal for the entire game, while junior goalie Sierra Hahn earned the clean sheet for the Wildcats

The schedule doesn't let up any for Louisburg as it will play its fourth game in seven days today when the Wildcats travel to Basehor-Linwood. Game time is set for 6 p.m.

Wildcats fall to Eudora on road

After defeating Eudora earlier in the season, the Cardinals got their payback on Louisburg as they handed the Wildcats a 2-0 setback Thursday in Eudora.

Louisburg had some opportunities, but Cardinals took advantage of theirs as they converted a penalty kick and scored another in the second half to pull away.

"Eudora came out and played with a massive amount of energy," Conley said. "The game was pretty back and forth, but we struggled to finish our chances. They had limited chances, but capitalized on them. We struggled to find the back of the net. We played hard and had a decent amount of possession but could not get the ball to the back of the net.

"A debatable penalty kick was called and that gave them the lead. Then in the second half their player hit a fantastic shot for them to go up two. I thought we played as well as they did and that the game was not a 2-0 difference. It was a tough game but there were lots of opportunities for us to learn from and to get better."

Junior Reese Johnson had two shots on goal for the Wildcats, while freshmen Lexi Hampton and Lola Edwards also had good looks at the goal.

Wildcats roll Ottawa on Senior Night to stop losing streak

Louisburg seniors (from left) manager Weston Frank, Madi Quinn, Olivia Barber, Emma Christy, Kennady Wilkerson, Liz Guzman, Missy Meigs and manager Reece Jones were honored on Senior Night prior to their 6-0 win over Ottawa on Tuesday.

The Louisburg girls soccer team was in the midst of its first losing streak of the season and the Wildcats needed it to end before it got any further.

As it turned out, Senior Night was the perfect remedy.

Louisburg honored its six senior players and two managers prior to Tuesday's home contest against Ottawa, and what was an already a special night, turned out even better when the game was over.

The Wildcats (7-3) scored six goals, four in the second half, as they rolled to a 6-0 shutout of the Cyclones and ended its two game skid.

"It is good to get back to the things that we like to do and get back to the way we like to play," Louisburg coach Kyle Conley said. "The kids played hard and they are playing the

right way. They are still young and they are learning.

“Our seniors are trying to lead, and they are doing a good job, but there are so many kids in different spots or new spots. We are piecing it together, but it was good to get everyone back on the same page. It is crazy how a win seems to fix everything. It is good to see the girls giggling and laughing again. That stuff just helps us confidence wise.”

Senior Madi Quinn clears a ball out of the back Tuesday against Ottawa.

Prior to the match, seniors Madi Quinn, Olivia Barber, Emma Christy, Kennady Wilkerson, Liz Guzman and Missy Meigs were honored with their parents, as were managers Weston Frank and Reece Jones.

It is a group of kids that Conley has enjoyed and was glad they were able to end their Senior Night with a victory.

"It is a great group of girls," Conley said. "All six of them play their butts off every night and they all do anything that we ask. They never complain. They all pack their lunch, work their tails off and play so hard. They are everything that this program stands for and are always there for each other. That is the best part and you can't ask for any more from a kid.

"Individual achievements are great, but them being there for each other is the best part. Watching them be leaders and always encouraging their teammates, is so much fun to watch. That is the best you can ask for a senior class to be."

It was a pair of freshman that led the Wildcat attack and got the team started offensively.

Freshmen Lexi Hampton finished the day with a team-high two goals, while freshman Lola Edwards had a a goal, including four shots on goal.

Senior Olivia Barber converted a penalty kick to help put Louisburg up 2-0 at halftime and she also had a team-high two assists.

Junior Reese Johnson watches as her sliding shot rolls past the Ottawa keeper for a goal Tuesday.

Hampton and Edwards opened the scoring for Louisburg in the second half. Then junior Reese Johnson had a sliding shot that rolled past the Ottawa keeper for a 5-0 lead.

Sophomore Bree Gassman had a shot that ricocheted off an Ottawa player late in the match for an own goal to compete the scoring. Gassman and Edwards also had assists on the day.

Johnson and Hampton each had five shots on goal to lead the Wildcats and Barber had two. Adyson Ross and Hailey Sword also had shots on target.

"Ottawa played a flat back and we tried to do some give and go's and break it down a little bit," Conley said. "It would open a huge gap when they stepped so we tried to exploit that and Reese did a really good job of that. Lex and Lola and just

killed them up top. We just wanted to keep attacking and it worked out.”

Senior Kennady Wilkerson heads the ball away Tuesday against the Cyclones.

The Louisburg defense also played strong as it posted its seventh shutout of the season and junior goalie Sierra Hahn recorded the clean sheet. Hahn also had five saves on the night.

“We let them have some looks early on, but the girls were able to clean it up a little bit,” Conley said. “After that I thought the girls played pretty well. We were a lot more aggressive moving forward and it didn’t seem like they were as nervous back there.”

Louisburg will try and make it two wins in a row tonight when it travels to Eudora. The Wildcats will also travel to Lansing

on Friday to finish out the week.

Wildcats get back on winning track with shutout of Eudora

Louisburg sophomore Adyson Ross battles a Eudora player Monday during the Wildcats' home contest against the Cardinals.

After suffering its first loss of the season, Louisburg head coach Kyle Conley wasn't sure what to expect from his young group Monday against Eudora.

It didn't take long for him to figure out that they would be just fine.

The Wildcats scored two second half goals and the Louisburg defense earned the shutout in the 3-0 victory at the Wildcat Sports Complex.

Louisburg controlled possession, and despite a few Cardinal opportunities, the Wildcats improved their record to 6-1 on the season and got back on the winning track.

"When you have a team that is kind of young and inexperienced, you just don't know what that next game was going to be like," Conley said. "We were kind of nervous about it, but the girls responded well. We are a physical, strong and scrappy team,

but Eudora is going to play hard every time.

“To be honest, I think Eudora did a good job taking away some of the things that we wanted to do, but at the same time we did a good job exposing the outer flanks and attacked the outside. Reese (Johnson) just absolutely did a great job in that regard.”

Louisburg junior Reese Johnson fights through a Eudora defender during Monday's 3-0 win over the Cardinals.

The Wildcats got many of their opportunities on that outside and put 18 shots on goal, three of which found the back of the net.

Senior Olivia Barber opened the scoring in the first half with a shot from the right side that found the far corner and the Wildcats took a 1-0 lead into halftime.

Louisburg could have had an even bigger lead, but the Wildcats missed on a few scoring opportunities in both the first and second halves.

"We were just pressing too much and were almost trying to play too perfect," Conley said. "That is not part of the game. We just need to take what they give us and go from there. We probably could have scored two or three more goals in that first half, but I'm proud of the way the girls responded and kept attacking."

Freshman Lola Edwards continued to be on attack mode early in the second half as she put the Wildcats up two with a goal. Fellow freshman Lexi Hampton followed suit late in the game with a shot from the left side that found the right corner of the net.

Hampton, along with sophomore Bree Gassman, recorded assists. Sophomore Adyson Ross and junior Reese Johnson also had shots on goal.

Barber led Louisburg with nine shots on target, while Edwards and Hampton finished eight and seven, respectively.

Defensively, the Louisburg back held strong and goalie Sierra Hahn recorded 12 saves on the night to earn another shutout.

Ross and freshman Hailey Sword also provided the Wildcats with strong play in the middle.

"We stood Eudora up and let them have what they wanted from deep," Conley said. "We tried to take away their through ball and they got us once there toward the end, but we did a good job covering. We could have been a little tighter and more disciplined in the back, but I thought defensively we played

really well.”

Louisburg will try and make it back-to-back wins when it travels to Piper for a 4:30 p.m. matchup.

Wildcats lose first game of season to Spring Hill

Last week, Louisburg got a first hand look at just how good of a team Spring Hill was when the Wildcats went on the road.

Spring Hill scored three first half goals and the Broncos cruised to a 9-0 win over the Wildcats.

“Spring Hill is probably the best team I have seen since I came here in 2016,” Conley said. “They are incredible. At the same time, five of those goals we basically gave them because of mistakes on our part. They are legit and as advertised. They aren’t nine goals better than us, but they are really good. Our girls still kept playing hard in that regard, but we just didn’t execute so well.”

Wildcats off to best start in school history with win over Topeka West

The Louisburg girls soccer team has made a lot of history in recent years, and after Tuesday’s home victory over Topeka

West, the Wildcats made a little more.

Louisburg defeated Topeka West, 5-0, and the Wildcats improved their record to 5-0 on the season – which is the best start in program history. It was also the fifth consecutive shutout.

On a team where a majority of the roster is filled with freshmen and sophomores, the Wildcats continue to set new heights for themselves.

“I think that is something that this young team should celebrate,” Louisburg coach Kyle Conley said. “It was not an easy road and as many players as we have to replace, this really says something to their work ethic and commitment to each other.”

It was another dominating performance from the Wildcats as they have now outscored their opponents 30-0 on the year and got out to a quick start Tuesday.

Sophomore Tehya Harvey battles for a 50-50 ball in front of the goal Tuesday against Topeka West in Louisburg.

Junior Reese Johnson opened the game with a goal and freshman Lexi Hampton followed it up with one of her own to give Louisburg a 2-0 halftime lead.

Louisburg was getting plenty of looks as it tallied 33 shots on goal and had 53 shots for the game. The Wildcats had a couple taken away due to penalties, but Conley was pleased with his team's attack, despite going against a physical Topeka West team.

"Throughout the Topeka West match, I felt our girls took their game to another level," Conley said. "We showed we could handle that style of play, and in fact, I think it motivated us. They girls locked them down in the second half and absolutely dominated. I would have liked our execution to be a little better, but when they put 10 kids behind the ball it

makes it difficult.

“Playing against teams that do that help us quite a bit in the long run because it allows the players to work on their creativity and problem solve a little bit, which is fantastic for our freshmen and sophomores. Upperclassmen did a great job of leading by example and setting the tone for us. They stepped up and played extremely hard. Their leadership has been very valuable to our team.”

Senior Emma Christy fires a shot on goal Tuesday against Topeka West.

The Wildcats continued to put the pressure on in the second half as senior Emma Christy scored her first goal of the season. A few minutes later, Louisburg was awarded a penalty kick and senior Olivia Barber found the back of the net to put Louisburg up 4-0.

Freshman Lola Edwards sealed the win with a goal late in the second half. Edwards, Barber and Hampton also had assists.

Senior Kennady Wilkerson pushes the ball up field Tuesday against Topeka West.

Defensively, the Wildcats never gave Topeka West a good look at the goal as the Chargers had just two shots for the game. Goalie Sierra Hahn was able to earn the clean sheet.

Louisburg will have its toughest test of the season tonight as the Wildcats travel to Spring Hill. The match is set to begin at 6 p.m.

Louisburg girls continue dominance with shutout of Tonganoxie

Louisburg senior Olivia Barber controls the ball and makes a move toward the goal during a match earlier this season. Barber scored a goal and had an assist in Louisburg's 6-0 win over Tonganoxie last Thursday.

Youth doesn't seem to be bothering the Louisburg girls soccer team much these days.

All the Wildcats have done is win four straight matches to start the season, including Thursday's 6-0 victory over Tonganoxie at home. It was the first league match for Louisburg this year.

"The girls came out firing again," Louisburg coach Kyle Conley said. "They played together and really battled. Tonganoxie has a couple really talented girls and they play hard and work really well together. I felt the girls took their game away from them and really did well.

"I was excited to see the girls get that first league win under their belt. We played well and limited their opportunities. We took away what they wanted to run, which allowed us to dictate how the game was going to be played."

Louisburg used the same recipe as it did in its previous victory over Wyandotte – two goals from Lola Edwards, two

goals from Reese Johnson, and a goal each from Olivia Barber and Bree Gassman.

The Wildcats also garnered two assists from freshman Lexi Hampton and one each from Barber, Gassman and junior Ruth Minster.

“Yeah, those girls are playing really well and just keep getting better,” Conley said. “They are doing a really nice job of taking what the other team gives them. Reese and Bree did very well to attack from the outside, Olivia did a good job in the middle and Lola was all over the field. She is developing so well and is becoming a major threat for us. The entire offensive side of the ball is doing really well and I am pleased with our improvement.”

Although, Louisburg hasn’t had to face much adversity on the back side, the Wildcats are still playing strong defense. They haven’t allowed a goal yet in four games and have outscored teams 25-0.

Against Tonganoxie, the Wildcats gave up two shots on goal and have allowed just five shots on goal for the season.

“The defense is growing each and every game,” Conley said. “They are sound and learning each and every day, a little more each time. We will get a stretch this week against Spring Hill, and it will be interesting to see how we respond.

“We are off to one of the best starts in school history. In 2019. the LHS girls soccer team went 4-0 to start the season with scoring 18 goals and did not concede any. This 2021 group has started 4-0 and scored 25 goals and have not conceded a goal as of yet. They are playing well and doing a really nice job of playing for each other.”

Louisburg will try for that fifth straight win Tuesday when it hosts Topeka West. The match is set to begin a 5:30 p.m.

Wildcats stay perfect with wins over Wyandotte, Atchison

Louisburg freshman Lola Edwards pushes the ball up the field against an Atchison defender last Thursday in Louisburg. Edwards recorded a hat trick in the Wildcats' win over the Lady Red.

KANSAS CITY KAN. – So far so good for the Louisburg girls soccer team.

Despite being a roster that is filled with freshmen and sophomores, the Wildcats continued their winning ways Tuesday when they traveled to Wyandotte High School.

Louisburg scored five first half goals and never looked back in its 6-0 victory over the Bulldogs. It was the third straight victory for the Wildcats to start the season.

“I thought we came out and played with a lot of energy and fight,” Louisburg coach Kyle Conley said. “The girls played very hard from start to finish, but I felt our execution could have been better. We were missing passes that we usually do not miss. With that being said, our vision was really good to see the passing lanes and what they were trying to do to us defensively.

“It was nice to have a lot of different scorers again, as well

as, getting to get every girls in the game for substantial time.”

Junior Reese Johnson scored her first goals of the season after assisting many of the Wildcats’ scores through the first two matches. Johnson had two goals on the night to lead the way for Louisburg.

Freshman Lola Edwards also had a big night with two goals of her own, but she also had two assists. Senior Olivia Barber also had a goal an an assist.

Senior Olivia Barber was all smiles after scoring a goal in last Thursday’s home contest against Atchison.

“Reese has been one of our best players all season,” Conley said. “She is playing extremely confident and really well right now. She is doing a lot of things right for us and being a great example of what we are looking for from our girls.

“Lola did a very nice job of finding her teammates and finding openings in their defense. She is really doing a great job of seeing the field and being coachable. She has done a nice job to start the season and I love how she is always looking to get better.”

Louisburg took a 5-0 lead into halftime, but added one more for good measure in the second half when sophomore Bree Gassman scored her first varsity goal in the process.

So far this season, the Wildcats have recorded three straight shutouts on defense and have outscored their opponents 19-0 to start the year. It is the kind of start Conley will definitely take from his young team.

“The girls have done a nice job of doing what the coaches ask of them,” Conley said. “We are still growing as a team, but I think each and every night out, their confidence is growing. This team is doing a nice job of taking what the other teams are giving us and exploiting that. I am excited to get to play our first league opponent to see where we match up. The girls will be up to the challenge.”

That next challenge will be tonight when Louisburg hosts Tonganoxie at 6 p.m. in its first Frontier League match of the season.

Wildcats roll past Atchison

Louisburg was able to pick up an extra home game on the schedule last Thursday when inclement weather forced the game to be moved from the Atchison grass to the Wildcat Stadium turf field.

The rain didn't seem to slow the Wildcat offense down at all as they scored four first half goals and shut down the Atchison attack for a 7-0 win at home.

The Wildcats peppered the Atchison defense with 23 shots on

goal and seven of them found the back of the net.

Sophomore Nova Ptacek passes the ball up the field during last Thursday's contest against Atchison.

"I appreciate how hard the girls are working and them wanting to improve each and everyday," Conley said. "They are supportive of each other and have been there for each other. We have been pushing them in practice and the girls have been responding."

Freshman Lola Edwards became the second Wildcat in as many games to record a hat trick. Edwards finished the night with three goals and fellow freshman Lexi Hampton added two of her own.

Hampton recorded a hat trick in the season opener and has joined Edwards as one of the team's top options up top.

“Offensively, we are still figuring out how I want them to play, but you can see they are seeing the runs and the passing channels,” Conley said. “We need to execute better but that will come. Hampton and Edwards getting hat tricks in the first two games is impressive. Had five different goal scorers and of that, four of them are new to high school soccer.”

Senior Olivia Barber was strong in the middle of the field for Louisburg as she tallied a goal and an assist, while sophomore Adyson Ross also scored her first varsity goal in the victory.

Sophomore Nova Ptacek and junior Reese Johnson added an assist each. Seniors Emma Christy and Madi Quinn each had a shot on goal, along with freshman Hailey Sword.

Week 1 Athlete of the Week: Lexi Hampton

Here is the Louisburg Sports Zone Athlete of the Week for week one of the spring sports season, sponsored by Louisburg Family Dental.

Lexi Hampton, Freshman, Girls

Soccer

Louisburg freshman Lexi Hampton made quite the impact for the Wildcat girls soccer team last week. In her first ever varsity competition, Hampton finished with a hat trick in Louisburg's season opening win over Lansing. She then followed it up with a two-goal performance in the Wildcats' win over Atchison last Thursday.

In all, Hampton finished the week with five goals and had 11 shots on goal as she helped the Wildcats to a perfect start to its season. Currently, Louisburg has a 3-0 record to start the year.

The athlete of the week award is announced every Wednesday morning during the spring season and the winner is selected by Louisburg Sports Zone with the help of nominations from coaches.

Hampton's hat trick leads Wildcats past Lansing in opener

Freshman Alexis Hampton splits two Lansing defenders during

Louisburg's season opener Tuesday at Wildcat Stadium. Hampton scored three goals and led the Wildcats to a 6-0 win over the Lions.

Kyle Conley wasn't sure how his Louisburg girls soccer team was going to look in its season opener.

The Wildcats have a roster filled with young, inexperienced players, and for the first five minutes of their match with Lansing on Tuesday, they looked the part.

However, those nerves quickly went away and the Wildcats let their play shine through in a big way.

Louisburg scored five second half goals on its way to a 6-0 victory over Lansing at Wildcat Stadium and it was what the Wildcats were hoping for in their first time out.

"When you look at how we played from the first five minutes to the last five minutes, I think you saw us improve quite a bit," Conley said. "We were definitely having some accidents on the field for the first five minutes until we finally we realized that we were okay.

"The girls are just competitors and they were battling out there. We were able to get a lot of kids out on the field, I think like 20 or 22 of them, so that was good to get everyone out there for the first time. After the first half there was a lot less yelling and everyone seemed a lot more comfortable."

A bulk of those goals came from players who had yet to score a varsity goal, including freshman Alexis Hampton.

The Louisburg forward opened the game with a goal in the first half, and then found the back of the net two more times in the second. Not only were those her first varsity goals, but it was her first hat trick in her inaugural outing as a Wildcat.

The Louisburg team comes together to celebrate Olivia Barber's (10) goal to begin the second half Tuesday at Wildcat Stadium.

Freshman Lola Edwards and sophomore Tehya Harvey also had their first varsity goals in the second half. Senior Olivia Barber accounted for the other when she opened the second half with the score.

"For them those were their first varsity goals ever, so I thought they all did a good job," Conley said. "Lexi really pounded the ball and had some great finishes and I am excited to watch those girls go and improve. It always makes it fun."

Barber also had an assist on the day, as did sophomore Bree Gassman and junior Reese Johnson. It was Johnson who provided the Wildcats with many opportunities on their 10 shots on goal.

"Reese did a great job," Conley said. "As a junior, she is just torching it up and down the line and she just gets it. She knows her responsibility and she did exactly what we

wanted her to do from her outside-mid spot for this game. She executed to the fullest and gave us so many good chances.”

Sophomore Tehya Harvey tries to settle the ball Tuesday against Lansing. Harvey scored her first varsity goal in the second half.

Louisburg had 23 shots against the Lansing defense, with five of those coming from Hampton. Barber, Johnson and sophomore Adyson Ross each had three, while sophomore Nova Ptacek, senior Emma Christy and Harvey each had two.

The Wildcat defense also did its job as they limited Lansing to just two shots and junior goalie Sierra Hahn was able to get the clean sheet.

The Wildcats will try for their second straight win at 5:30 p.m. tonight when they host Atchison at Wildcat Stadium.

“Obviously there are some things that we have to work on, but I thought it was good to see how the girls battled and competed,” Conley said. “It was good to finally play someone other than ourselves. We are still trying figure some stuff out, but this was only the second day that I have actually had my entire roster here, so we are piecing it together as we go. We have one down and hopefully we can keep it going.”
