

REGIONAL CHAMPS: Wildcats knock off Piper to advance to state

The Louisburg girls soccer team celebrated its fourth straight Class 4-3-2-1A regional title Thursday with a 2-0 victory over Piper in Louisburg.

The Louisburg girls soccer team is one of the youngest tenured programs in the state, but at the same time, it is one of the more accomplished.

Louisburg added to its list of accolades Thursday when it hosted Piper for the Class 4A regional championship.

The Wildcats' 2-0 victory over the Pirates, not only avenged a loss from earlier in the season, but gave them their fourth consecutive regional title.

Add to the fact that the Wildcats are currently just in their fourth year of existence, makes each of these regional titles special in their own way.

"The feeling is amazing," junior Mackenzie Scholtz said. "Winning a regional title shows everyone how much work we have put in all season and lets us prove to everyone that

we work hard all
of the time.

“The feeling hasn’t really changed
over these three years. It’s so much fun getting to win in
front of half of the
town and seeing everyone so proud of us. I don’t think it will
ever get old
because it is so exhilarating every time.”

Louisburg finds itself in familiar
territory as the Wildcats (15-3) host Kansas City Christian
(9-6-1) on Tuesday
for the Class 4-3-2-1A state quarterfinals. The Wildcats have
advanced to the
state semifinals the last two seasons, including a state
runner-up finish last
year.

Although the Wildcats have had plenty of success in past
seasons, they realize they should celebrate the journey, and
the win against Piper was no less special than the three
previous regional titles.

Junior captain Erin Lemke puts a shot on goal Thursday against Piper.

“It is absolutely incredible what the young ladies within this program has created in our first four years as a program,” Louisburg coach Kyle Conley said. “I could not be happier with how hard these girls play and how they play for our community. The girls in our program acknowledge how much we owe the community for creating this opportunity for these young ladies. We have been very spoiled here at Louisburg with the success we have had. Four straight regional championships is unbelievable.

“We have our goals as a program and playing for a regional championship is on our list every year. These girls understand the importance of the work it takes to achieve something like this

and to not take it for granted. The girls were ecstatic with our win over a really quality team in Piper. We felt that we had something to prove after losing to them earlier in the year.”

The Wildcats used that loss earlier in the year to the Pirates as motivation and it was evident early in the match that Louisburg wasn't going to let the same result happen this time around.

Louisburg was aggressive on the attack as the Wildcats had several early opportunities on the Pirate defense, but couldn't find the net in the first 20 minutes. From there, things opened up for Louisburg.

Louisburg senior Julianne Finley pushes the ball up the field against Piper.

Junior Morgan Messer got a pass from

midfielder Erin Lemke near the top of the box and Messer took the shot and found the right corner of the net to put the Wildcats up 1-0.

Late in the first half, the Wildcats struck again as Scholtz had a breakaway opportunity down the left side of the field and beat the Piper goalie for an open net and the Wildcats led 2-0 at halftime.

“It was nice to get some goals early, but 2-0 is the worst lead to have because as you get up two, you start to get comfortable and stop playing as hard or as aggressive,” Conley said. “We did a nice job of playing pretty well in the second half, but the last 10 minutes was a little nerve-racking. We made some adjustments but struggled to stay aggressive in the midfield. The girls played hard and did a really nice job with having pressure and cover all over the field.”

Junior Trinity Moore takes a shot in the second half of the Wildcats regional title matchup against Piper.

Piper did put some shots on goal in the second half to try and get back in the match, but the Wildcat defense held firm as goalie Carson

Buffington recorded her seventh shutout in her last eight matches.

The Louisburg defense of Kaitlyn Lewer, Madison Quinn, Skylar Bowman, Avery O'Meara and Hallie Hutsell has been a stabilizing force in recent weeks and that includes senior captain Camdyn Clark, who was recently lost for the season due to an injury.

"Our defense has been fantastic," Conley said. "Those young ladies all have played incredible. The defense has posted 12 shutouts and a .882 goals against average. The girls are playing aggressive and being fundamentally sound. I love how hard they are playing and the intensity they

are playing with. They have been fantastic all year.”

Before the Wildcats’ match against Piper, they were just coming off an upset win over Spring Hill at home and they believed that helped them against the Pirates and will continue to do so moving forward.

“We played a really good first half against Piper and our win over Spring Hill before that gave us momentum,” Lemke said. “Both teams beat us earlier in the year, so to pull off wins so late in the year, and in the postseason, is exciting.

“The win against Piper was huge. We went into that game feeling like we had something to prove. We wanted the regional title, and another shot at state to motivated us through the game.”

The Louisburg girls soccer team poses with the Class 4-1A regional title trophy following its 2-0 win over Piper.

Louisburg will have its shot at the state semifinals Tuesday against Kansas City Christian. The Wildcats, who will host KCC at 5 p.m., defeated the Panthers, 6-0, earlier in the season.

“It is going to be a big game,”
Conley said. “Kansas City Christian is a very dangerous team
and have some
really talented players down the middle of the field. We will
need to play our
game and play well to win. They are very fast up top as well.”

Wildcats down Spring Hill to cap off emotional Senior Night

Louisburg players celebrate a 2-1 victory over Spring Hill last Thursday that ended their season with a 13-3 record and a No. 4 seed in the upcoming regional tournament.

The Louisburg girls soccer team has experienced an immense amount of success in the program's short history.

However, the one team that has been a thorn in the side of the Wildcats has been Spring Hill. Louisburg has beaten Spring Hill just one time in its four years of existence and the Broncos have caused the Wildcats fits.

On Thursday, the Wildcats got rid of the thorn.

Louisburg ended its schedule on a high note as the Wildcats upset Spring Hill, 2-1, and gave their seniors a send-off to remember. The Wildcats honored their six seniors during a Senior Night ceremony after the game and it was a fitting way to wrap up the regular season with a 13-3 record.

“Everyone stepped up and did their job and played as hard as they could,” Louisburg coach Kyle Conley said. “When a team believes and plays for each other, this is what could happen. Spring Hill is the best team on our schedule, and for us to get a win on Senior Night, just doesn’t happen very often.”

Seniors Camdyn Clark, Kaitlyn Lewer, Carson Buffington, Julianne Finley, Hallie Hutsell and Leia Shaffer played in their final regular season home game for the Wildcats, and for most of them, they were the first group of players to play all four years with the program.

“Our seniors have done a great amount to put our program where it is today,” Conley said “This group of young ladies are exactly what our program looks create. They are all responsible, dependable, dedicated young ladies. They are fantastic young ladies not just on the soccer field, but in the classroom as well. I could not be prouder of this group.”

It was also special night for Clark, one of the team's best defenders, as her season was cut short due to an injury she suffered earlier in the year and will be unable to play in the postseason. That didn't stop her from suiting up for a few minutes and was taken out of the game one final time early in the first half.

"It was really nice to see Camdyn out there again," Conley said. "She had a fantastic career for us and played her heart out each and every time she got on the field. She is a great young lady and leader."

The Lady Cats' defense was certainly tested all night as the Spring Hill attack kept pressure on the Louisburg back line, but they all passed the test – including goalie Carson Buffington.

Buffington turned away several Spring Hill opportunities as the Broncos had nearly 10 shots on goal and Buffington saved all but one opportunity. The Louisburg senior had a couple tip saves in the first half that kept the game scoreless at the time.

Louisburg goalie Carson Buffington dives in for a save last Thursday against Spring Hill.

Late in the second half, when the Wildcats had the lead, Buffington did much of the same and she also got some help from her defense.

Avery O'Meara moved to the sweeper position due to an injury and cleared the ball away that was near the line and Kaitlyn Lewer also cleared away several Bronco attempts.

Seniors Hallie Hutsell and Julianne Finley, along with junior Skylar Bowman and sophomore Madison Quinn, provided a lot of help for the Wildcat defense.

"Our defense played amazing," Buffington said. "They didn't back down and they were so confident and played so well. I was very confident in that game and I really wanted to win and get revenge on Spring Hill. My teammates just made my job easier."

Junior Mackenzie Scholtz broke open a scoreless game for the Wildcats midway through the first half as she took the ball down the left side, beat the Spring Hill goalie and put it in the open net for a 1-0 lead and it stayed that way at halftime.

Spring Hill tied it up early in the second half, but a few minutes later, the Wildcats struck again and this time it was thanks to the feet of Erin Lemke. The Louisburg junior had a breakaway opportunity and took advantage as she sailed it over the goalie's head for what turned out to be the game-winning goal.

Louisburg's Emma Christy heads the ball away Thursday against Spring Hill.

"It was a hustle goal, just like Mack's was to start the game," Conley said. "We talk a lot about pressing up top and I think Spring Hill was struggling a little to adjust

to the ball
moving around in the mud. I told them to challenge everything
in the middle. It
was good to see the kids play so hard and it was a big goal
for sure.”

Following the score, the Broncos
increased the pressure even more as they had a few
opportunities to tie it up,
but the Wildcat defense and Buffington held on.

“We got up a goal and then we changed formations a little due
to injuries and shore some things up in the middle,” Conley
said. “We were a little helter skelter there in the second
half, but about halfway through we got comfortable in that and
you could see that the girls start to figure it out. Then we
got a little tired toward the end and we had to just hold on.

“Spring Hill had plenty of good
chances, but Carson made massive save after save. Avery saved
one off the line
and everyone was just all hands on deck. Carson did really
well and was on her
game. They tried to get her four or five times up top and
Carson did a good job
of covering it up and tipping it away. Normally those are
goals for most people
and she didn’t allow it. She was phenomenal.”

Following the game, it was a bittersweet feeling
for the Wildcat seniors as they realized the end of their
careers is near as
postseason play begins later this week.

Louisburg seniors (from left) Hallie Hutsell, Camdyn Clark, Kaitlyn Lewer, Carson Buffington, Julianne Finley and Leia Shaffer were all honored on Senior Night last Thursday.

“Senior Night was very emotional and really sad,” Buffington said. “Knowing that this is my last Senior Night really got to me. I love my team so much and I don’t want the season to end.”

Louisburg earned the No. 4 seed in the regional tournament and earned a first-round bye. That sets up a match with Piper in the regional championship game at 5 p.m. on Thursday in Louisburg.

Piper defeated Louisburg, 2-0, earlier in the season and the Wildcats are hoping for some revenge, although they realize it won’t be easy. Piper, the No. 5 seed, defeated Tonganoxie, 6-0, on Tuesday.

“The regular season only matters for your seed and this is when the season actually starts,” Conley said. “Piper is a

team that has already beat us, so we will have our hands full. We will prepare and play like we have something to prove.”

Wildcats have won 7 straight after victories against Tonganoxie, Ottawa

Louisburg junior Erin Lemke sneaks a shot past the Tonganoxie goalie Monday in Tonganoxie. Lemke scored two goals in the Wildcats' 6-0 win.

The Louisburg girls soccer team didn't let a little wet weather get to them earlier this week – in fact – the rain did little to cool off a Wildcat team that has been on a hot streak.

Louisburg picked up a pair of road wins Monday and Tuesday and now have seven consecutive victories as the Wildcats have just one game left on the regular season.

The Wildcats scored 14 goals in two games as they defeated Tonganoxie, 6-0, on Monday and then turnaround to play Ottawa on Tuesday and came away with an 8-0 victory.

Bad weather forced the Wildcats to move their game with the Cyclones from Ottawa High School to Ottawa University and they were able to play on turf. That move certainly didn't slow the Wildcats down as they jumped out to a 3-0 halftime lead and scored five more times in the second half to complete the shutout.

"The girls came out playing very aggressive and dominated the game start to finish," Louisburg coach Kyle Conley said. "The defense played very well for the most part only allowing one shot. Offensively, we struggled to get a shot on net the first half, missing on four extremely good opportunities.

"The second half, our movement was much better and we were able to play our game. I was very excited with how hard we played and how well we possessed. The girls played hard and did a nice job.

Junior forward Mackenzie Scholtz continued her torrid scoring streak as she added a hat trick to her line to lead the Lady Cats. Fellow junior Erin Lemke added two goals, including the match's first score.

Midfielder Trinity Moore put the Wildcats up 2-0 with a goal that was assisted by Leia Shaffer. Scholtz then added a goal shortly before halftime to make it 3-0.

Junior Haley Cain heads the ball away from an Ottawa player Tuesday in the Wildcats' 8-0 win.

Scholtz found the back of the net to open the second half thanks to an assist from Olivia Barber and then scored again after an assist from Lemke made it 5-0. Lemke made it a six-goal match less than two minutes later.

Sophomore Emma Christy scored her first varsity goal as she converted a penalty kick late in the second half and then

Louisburg got its final score on an own goal from Ottawa that was knocked in

after a corner kick from Lily McDaniel.

Against Tonganoxie, the Wildcats got out to a slow start but picked it up in the second half after a goal from Scholtz

and another from freshman Reese Johnson. Scholtz, Lemke, Moore and Morgan

Messer each added scores to put the game away.

Goalie Carson Buffington recorded shutouts in both matches, while the defense of Kaitlyn Lewer, Julianne Finley, Avery O'Meara, Hallie Hutsell and Madison Quinn helped limit the opportunities.

"Tonganoxie played a very packed-in style," Conley said. "We absolutely dominated start to finish, but struggled to put the final pass together. We made some adjustments at halftime and made much better passes and possession.

"I was very happy with our execution in the second half and our level of play. They girls played much quicker and executed much more efficiently. We possessed and moved the ball very quickly and were able to break down their 6 girls on their back line. I was very proud of their second half performance."

Louisburg will try and make it eight wins in a row Thursday when it hosts Spring Hill for Senior Night. The match is set for 4:30 p.m.

"The girls will come out and be ready to play a really, really good Spring Hill team to honor their senior teammates," Conley said. "Our games with Spring Hill are always action-packed and quality games. They are extremely well coached and will come ready to play."

Buffington's first goal seals rout of Bonner Springs

Louisburg senior Carson Buffington finds the back of the net Thursday on this shot to record her first varsity goal. Buffington also earned the shutout as the Wildcats' goalie in the 10-0 win over Bonner Springs.

Carson Buffington knew this could be her last shot.

The Louisburg goalie had a chance to play in the field earlier this season against Ottawa in hopes of scoring her first-ever goal. Buffington came up short in her one opportunity and Wildcat head coach Kyle Conley was going to give her one final chance.

"Carson doesn't have a lot of soccer experience, but she mentioned to me that she wanted to try and score a goal," Conley said "We tried against Ottawa and couldn't get it to work. I told her she would get one more chance, but I didn't know when it would be."

That chance come on Thursday and Buffington took full advantage.

With the Wildcats up nine goals on Bonner Springs at halftime in Louisburg, Buffington battled through the Bonner Springs defense as she forced her way into the box and put a shot in the back of the net early in the second half to give Louisburg a 10-0 win.

“She was like a bull in a china shop,” Conley said. “Carson was just running through kids and bulldozing her way in there. She is a kid who just started playing her sophomore year and was scared to death of it at first. We got her some reps last year and has taken full advantage of being the starting goalkeeper this year.

“Obviously this game got to the point where we could give her a shot at it. It is a really cool moment for her and the girls got all excited for her. It is always good to see the kids play for something that is bigger than themselves and playing for their teammates. That is the stuff that our program is all about.”

It was an offensive explosion for Louisburg as it started with Mackenzie Scholtz. The Louisburg junior had a hat trick 20 minutes into the contest and finished with a game-high five goals as she ripped through the Bonner Springs defense.

Junior Morgan Messer also had her best game on the varsity level as she recorded a hat trick and the two players accounted eight of the team’s 10 goals.

“The kids have been busting their butt,” Conley said. “We talk all the time if you are the bench that you are paying attention to what is going on and what to do, so when you get your opportunity, you take advantage of it. Morgan took full advantage of what they gave her. It is good to get her going again and it is a pretty

good time to do
it.”

Junior Morgan Messer celebrates with her teammates Thursday after the first of her three goals against Bonner Springs.

Bonner Springs opened the game by playing a high line and tried to frustrate the Wildcat attack by forcing them offsidess. It worked for the first few minutes of the contest, but the Wildcats quickly figured it out.

Scholtz scored the first three goals of the match on assists from Erin Lemke and Skylar Bowman. Messer then answered with a goal thanks to an assist from Olivia Barber, and Trinity Moore won a 50-50 ball in the box for a score that led to a 5-0 advantage.

Messer answered with two more goals late in the first half on assists from Emma Christy and Moore, Scholtz added two more to make it a 9-0 halftime advantage.

“Bonner had kind of a jail break on their high line that they played,” Conley said. “They would run everyone up and it took a little while for the girls to read it and understand it. They just needed to give four of five more yards, so when they come running up, then we just run right back at them. We have enough speed on top where we probably left five or six on the board in the first half. The girls played hard and I was pleased with the adjustments they made.”

Buffington’s goal early in the second half ended the match with the mercy rule and gave the Wildcat keeper another shutout. Louisburg’s defense didn’t give up many opportunities as Kaitlyn Lewer, Julianne Finley, Madison Quinn, Avery O’Meara and Hallie Hutsell all played strong in the back.

The Wildcats (10-3) have one final week of regular season play remaining and it is a big one as they are scheduled to play three times this week. Louisburg will begin that gauntlet at 3:30 today when it travels to Tonganoxie.

“It is a big week and there is a lot of spots to gain or lose, Conley said. “Looking at the seedings, we are probably going to be a top four seed regardless of what happens but we could slide into the two spot or just stay at a three or four and just go from there. Hopefully we can play well.”

LOUISBURG ROUTS BASEHOR-LINWOOD FOR

PROGRAM'S 50th WIN

The duo of Erin Lemke and Mackenzie Scholtz proved to be too much for Basehor-Linwood last Monday in Louisburg.

Lemke had a career night as she finished with four goals, and Scholtz added a hat trick for herself as the Louisburg girls soccer team rolled Basehor-Linwood, 7-0, in Louisburg.

It was also an historic showing from the Wildcats as they recorded the program's 50th win in just their fourth year of existence.

Junior Erin Lemke puts a shot on goal last Monday against Basehor-Linwood.

“The girls came out and played pretty well,” Louisburg coach Kyle Conley said. “We worked on

our inside runs a lot because the week before was just brutal. We just spent a lot of time in practice on where to be and where to cut and it just really paid off. It was really a big night and the girls played hard.

“Between Mackenzie, Erin and the two outside midfielders, we just pressed all the time. We caught defenders on their heels and we were able to play balls through. It is funny because when you get two steps on your defender, they just aren’t going to catch you. We worked on that timing and worked on when to get to that run instead of standing with that last defender. It gave us a head start.”

The Wildcats didn’t need much of a head start with the speed they have up top as Scholtz and Lemke each scored two goals to put Louisburg up 4-0 at halftime. The Wildcats didn’t slow down much as Lemke opened the second half with a pair of scores to all but seal the win.

Wildcats get pair of shutouts to continue winning streak

Louisburg defender Madison Quinn tries to dribble past an Ottawa player Tuesday in Louisburg. The Wildcats picked up a pair shutout victories last week, including a 1-0 win Thursday in Eudora.

The Louisburg girls soccer team had to deal with two different opponents Thursday when the Wildcats traveled to Eudora.

Not only did the Wildcats have to contend with the Cardinals, but they also had to go against a blustery wind that didn't give them many chances in one half of Thursday's match. Despite that, Louisburg found a way to get a big road win.

The Wildcats used a second-half goal from Erin Lemke to leave Eudora with a 1-0 victory and they have now won three consecutive matches.

"It was a game of two halves against Eudora," Louisburg coach Kyle Conley said. "The wind was blowing 25 miles-per-hour in our face and we did a nice job of handling their pressure. We were able to have 3 or 4 fantastic opportunities but struggled to capitalize in the first half.

"The second half the wind died down compared to the first half, but we controlled the game and had tons of chances, but just couldn't find the back of the net. I think the girls did a nice job of limiting their offensive chances, but we struggled at times with our execution."

Early in the second half, Louisburg (8-3) was awarded a corner kick and Lemke was in the right place at the right time as

she put the attempt away and found the back of the net.

The Wildcats had plenty of other opportunities throughout the match, but the Cardinals (4-7) packed their defense in and didn't allow many good looks at the goal.

Still, Louisburg was able to leave with Eudora with a victory as it put together a solid defensive effort, including a second consecutive shutout from goalie Carson Buffington.

"I like how hard we played and the amount of energy we played with," Conley said. "I think it was a wake-up call to our girls not to take anything for granted. We didn't play our best game, but we were able to survive. Sometimes you need to win ugly games and we did just that."

Louisburg has a busy week ahead of itself as it hosts Basehor-Linwood at 4:30 p.m. today and then will travel to Tonganoxie tomorrow for a match. The Wildcats will conclude their week with another home game Thursday when they will host Bonner Springs.

"It is a big week for us," Conley said. "We have three games with teams that play really hard, with a lot of energy. I think this week will show us where we are at and what we are made of. It is going to be a challenging week, and I think that it will help us for a playoff run."

Wildcats blank Ottawa

It truly was a team effort Tuesday when Louisburg hosted Ottawa at Wildcat Sports Complex.

The Wildcats scored six times and never looked back in what was a 6-0 victory over the Cyclones. Although the Wildcats were dealing with some injuries, Louisburg head coach Kyle Conley was able to get all 22 players into the game at one point and a lot of them saw significant minutes.

“We played pretty well and moved the ball very nicely for a majority of the first half,” Conley said. “We worked on some things and put some players in positions we do not usually play, but the girls played hard. I felt we got a little complacent at the start of the second half, but the girls played pretty well for from about the first five minutes of the second half and on.

“We were able to get all 22 kids into the game and let them continue to get varsity experience. The defense did a great job limiting them to just one shot, while the offense had 47 shots.”

Junior Trinity Moore tries to beat the Ottawa goalie to the ball Tuesday in Louisburg.

Juniors Mackenzie Scholtz and Trinity Moore were a problem for the Cyclones all night as the two combined for five of the six Louisburg goals.

Moore scored the game's first and final goals, while Scholtz had three straight scores as she had a hat trick in the first half. Sophomore Olivia Barber also had a nice goal for the Wildcats late in the first half to give them a 5-0 lead at halftime.

Goalies Carson Buffington and Sierra Hahn combined for the shutout and Buffington nearly got her first career goal late in the match. Buffington had three shots on goal, including a penalty kick opportunity, but was turned away by the Ottawa goalie.

Wildcats snap losing skid with win over Heritage Christian

Louisburg junior Erin Lemke (right) battles a Baldwin defender during the Wildcats' April 15 home match. The Wildcats bounced back with a win over Heritage Christian on April 16.

The Louisburg girls soccer team was in the midst of a frustrating two-game losing skid in which it saw one missed opportunity after another.

So when the Wildcats traveled to Heritage Christian on April 16, they took full advantage of all their chances and they had plenty of them. Louisburg scored the first three goals and didn't look back in a 4-3 victory that provided the Wildcats with the positive momentum they were looking for.

That didn't mean it wasn't without some drama.

Heritage Christian scored two late goals in the match to cut the Louisburg lead to one after the Wildcats had to change their lineup due to injuries.

"I thought for 60 or 65 minutes we played really, really

well,”

Louisburg coach Kyle Conley said. “We passed and moved the ball pretty well. We were aggressive and played very hard.

“We had several kids hurt/ sick and had to make adjustments. We had to move kids around in the last 20 minutes or so and put kids in positions that they usually don’t play to sort of plug holes. They scored two goals rather quickly and we were just holding on. I think Heritage is a quality side and it was a good win for us. It was a stressful ending, but a positive result nonetheless.”

The Wildcats (6-3) got out to big lead early and junior Leia Shaffer got the scoring started for Louisburg. Shaffer scored her first goal of the season on an assist from Emma Christy to put the Wildcats up 1-0.

Junior Avery O'Meara passes the ball up to teammate Leia Shaffer at home against Baldwin on April 15.

Junior Trinity Moore maneuvered past the Heritage defense later in the first half and she found the back of the net to give Louisburg a 2-0 advantage and it stayed that way until halftime.

Moore added another goal early in the second half to put Louisburg up 3-0, but Heritage Christian didn't back down. The Chargers followed with their first goal, before Louisburg junior Mackenzie Scholtz found the back of the net on an assist from Moore to give Louisburg a 4-1 lead.

Heritage answered with two quick scores late in the first half, but the Wildcats were able to hold on and snap their losing skid.

Louisburg returns to action tonight when it hosts Ottawa in a

varsity-only matchup. The match is set to begin at 5 p.m.

Wildcats fall to Baldwin, Piper

On April 15, the Louisburg girls soccer team had a chance to hand Baldwin its first loss of the season when it hosted the Bulldogs on their home field.

In what was an up and down match, it was Baldwin that was able to take advantage of its chances as it gave Louisburg a 5-2 loss. Baldwin took a two-goal lead into halftime, and despite a couple quick scores from Louisburg in the second half, the Bulldogs kept adding onto its lead.

Baldwin scored four minutes into the contest to jump out on top and later scored again before halftime to take the 2-0 lead.

Senior Camdyn Clark clears the ball away against Baldwin last week.

Louisburg responded with an early second half goal from Trinity Moore to try and give the Wildcats some momentum. Baldwin didn't waste any time as it scored another goal a minute later.

The Wildcats didn't back down as Lily McDaniel scored her first varsity goal to make it a 3-2 match, but Baldwin was able counter on several different occasions and that led to two more Bulldog goals and Louisburg couldn't come back.

"We had the possession, we had more chances, but they just counter attacked every time and just got us," Louisburg coach Kyle Conley said. "The girls played hard and played well. We did a good job of doing what we needed to do. We just missed our chances. We hit the post three times, had a breakaway and their keeper barely gets to it and just nicked it away. It could have easily went the other way, but it just didn't this time. I think they had like six shots on goal and they got five to go in."

It was the same type of match against Piper on April 11 as the Wildcats also fell on the road in a 2-0 defeat.

"We had two games like this back-to-back with Piper too," Conley said. "We had the better of play, better chances, had four or five breakaways and just couldn't get one to go. We go through these, and it stinks to go through them right now, but it is a

learning lesson and we will get better.”

Wildcats bounce back with shutout of Eudora

Louisburg junior Morgan Messer pulls back on the ball to beat a Eudora defender Tuesday during the Wildcats’ 7-0 victory over the Cardinals.

Coming off its first loss of the season, the Louisburg girls soccer team made sure it didn’t turn into two Tuesday when the Wildcats hosted Eudora.

Louisburg had four different players score and the Wildcats took care of business in a 7-0 win over the Cardinals. Despite being up just one goal at halftime, Louisburg dominated the second half as it scored six times and recorded its fifth shutout in six games.

“I though the girls played well,” Louisburg coach Kyle Conley said. “The first half was a little rough because we weren’t executing or getting things done. The second half they

started
executing and doing what we asked them to do. They played the
ball, had some
give-and-go's and played off each other.

"They were struggling a little early
because we had nine kids gone the last few days and it was a
little tough to
get things done at practice. The second half, they executed
and figured out
what I was asking them to do and they looked pretty good."

Junior Mackenzie Scholtz got
things started for the Wildcats with a goal midway through the
first half and
the Wildcats took a 1-0 lead into halftime. In the second
half, the flood gates
opened for Louisburg as it dominated possession.

Scholtz, who finished the match
with a hat trick, scored shortly after halftime and then
assisted on the Wildcats'
next goal when junior Erin Lemke found the back of the net.

The combination of Scholtz and
Lemke struck again. Midway through the second half, Scholtz
took a shot on
goal, which was knocked out by the Eudora goalie, but Lemke
was there for the
rebound near the net and put it away for a 4-0 advantage.

Junior Haley Cain goes up for a header Tuesday during the Wildcats' home match with Eudora.

A few minutes later, Scholtz completed her hat trick thanks to an assist from junior Morgan Messer. Junior Trinity Moore followed with a goal of her own late in the second half.

With under a minute left, the Wildcats sealed the win as senior Hallie Hutsell scored her first goal of the season and the celebration was on.

"For Hallie, we just played the ball down the middle and she was able to just beat the girl and it worked out pretty well," Conley said. "Hallie hasn't had one for a while, so that was a

good to see her get one there.”

Eudora didn't have many chances of its own as the Louisburg defense turned away whatever runs the Cardinals tried to make. It was also the fifth shutout for Wildcat goalie Carson Buffington on the season.

The large second half lead allowed Conley to move players around to different positions and give his bench players more varsity time – something he has been able to do in several matches this year.

It is something that he hopes pays off in the long run on both levels of the team.

“I think we were able to get 20 kids into the game and that is great,” Conley said. “We are able to get kids in and getting them used to being out there and what to expect. I think it also helps them on the junior varsity level because the game is faster up here. I hope it pays dividends because you never know what injuries we might have later in the year. We are just trying to put kids into different spots and see what they can do.”

Louisburg (5-1) will face a tough road test today when the Wildcats travel to Piper for a 6 p.m. match. The Pirates are 7-1 on the season and Conley knows his team is going to have to be ready to play.

“They have a new coach so it is going to be vastly different from last year,” Conley said. “They are very talented up top and on the outside and we are going to have to

deal with that.

I think it is going to be a really good game. They have a really talented

centerback and a solid goalkeeper, so it will be another dogfight. It should be

another great game and hopefully we will be ready to go.”

Wildcats suffer first loss with setback at Spring Hill

Louisburg goalie Carson Buffington comes out for save Wednesday during the Wildcats' road contest at Spring Hill. The Wildcats fell to Spring Hill 4-2, which is their first loss of the season.

SPRING HILL – The Louisburg girls soccer team had been unstoppable going into Wednesday's road match with Spring Hill.

Louisburg won its first four matches to start the season and did so by outscoring its opponents by 19 goals.

The Wildcats were on cruise control, but came up against a talented Spring Hill squad that tested them in every facet of the game.

Although the Wildcats took an

early lead, and were in a tie match late in the contest, the Broncos used two late goals to give Louisburg its first defeat of the season in a 4-2 loss at Spring Hill High School.

“I thought our girls played their tails off,” Louisburg coach Kyle Conley said. “We played with a massive amount of energy and played really hard. Spring Hill is a quality team. In fact, they one of the best teams we will face all year. Not only were they very skilled, but they had speed a lot of positions. The game gave us a lot to work on and things for us to improve on. I am proud of how we competed.”

The Wildcats (4-1) got on the board first when junior Mackenzie Scholtz received a through ball from teammate Trinity Moore. Scholtz then beat the Bronco defense and placed the shot in the back of the net to give Louisburg a 1-0 lead midway through the first half.

Spring Hill tied it up with three minutes remaining before halftime and then carried that momentum into the second half when it scored two minutes in off a corner kick to take a 2-1 advantage.

With 25 minutes left in the match, the Wildcats evened the score when junior Erin Lemke beat the Spring Hill goalie to the ball near the top of the box and then put away an empty-netter.

Louisburg junior Erin Lemke beats the Spring Hill goalie to the ball and scored the tying goal in the second half.

The Broncos, however, put the game away in the final minutes. Spring Hill took the lead on a goal with six minutes remaining and then added another four minutes later to all but seal the win.

Spring Hill controlled the possession at times, but the Wildcat defense was able to turn away several Bronco scoring attempts and goalie Carson Buffington had some big saves. It was a match that was closer than the score indicated and Conley was pleased with the effort his team showed.

“This team has a massive amount of team chemistry,” he said. “They are extremely competitive and play for each other. The girls play hard from start to finish. I was so excited with our fight and not backing down. We talked about the quote, ‘Bend, don’t break.’ Regardless if something negative or positive happens, we need to stay level headed and keep competing. The girls did just that. We made a few mistakes that Spring Hill capitalized on. We will work to clean those

up and get better at practice.”

Their four-game winning streak may have gone away, but the Wildcats accomplished a lot during that stretch and it started with their defense.

Louisburg shut out each of its four opponents thanks to the back five of Kaitlyn Lewer, Camdyn Clark, Madison Quinn, Avery O’Meara and Hallie Hutsell, along with the efforts of Buffington.

“The defense was absolutely lights out so far to start our season,” Conley said. “Even against Spring Hill, I think we defended well and gave them shots from distance. We did a nice job of executing our game plan. The first four games we were extremely impressive. The defense and goalkeepers had 356 minutes and 4 seconds of shutout soccer. That’s incredible. I am extremely happy with our defensive core and their improvement each and every day.”

Offensively, the Wildcats also got good production from Scholtz and she was on a goal-scoring tear during that stretch. Scholtz scored 13 goals in her first four matches and currently has 14 for the season.

“Mac has been on fire for us the first five games,” Conley said. “It will be hard to imagine anyone in the state having that many goals so far this season. She is absolutely on fire. To make that

stat even more impressive, she has been limited in minutes because the games were so lopsided. She is off to a terrific start and is going to have a great year.”

The Wildcats will try and get back on the winning track Tuesday when it hosts Eudora. The match is set to begin at 6 p.m. at the Wildcat Sports Complex.

LOUISBURG SHUTS OUT KANSAS CITY CHRISTIAN

The day before Louisburg was supposed to play its toughest match on the road against Spring Hill, the Wildcats hit the road Tuesday to square off with Kansas City Christian.

As it turned out, it was a nice tune-up for the Wildcats as they shut out KCC, 6-0, at Johnson County Community College.

The Wildcat offensive attack was on full display from the get-go as they scored in the first minute on a goal from junior Mackenzie Scholtz and never looked back. In fact, the Wildcats got four goals from Scholtz as she recorded her fourth consecutive hat trick.

Louisburg also had a pair of goals from junior Erin Lemke and assists from junior Trinity Moore, sophomore Olivia Barber and freshman Reese Johnson. It was as an all-around strong performance from the Wildcat offense.

“We came out slow in the previous week against Bonner Springs, so we focused a lot on being ready to

play," Louisburg coach Kyle Conley said. "The moment the girls got off the bus the girls were ready. We come out and had some great combination play and scored in the first 30 seconds of the game. Our girls played extremely hard and aggressive.

"I was really pleased with how well we worked and battled. We played very well and did a fantastic job limiting dangerous opportunities. We got the opportunity to get a lot of people in the game and get some reps. It was nice because those kids work so hard in practice to get their chance to get some varsity time."

The defense was also a strong point for the Wildcats as senior goalie Carson Buffington earned her fourth consecutive shutout and the back line of Kaitlyn Lewer, Camdyn Clark and Madison Quinn helped limit the chances.

Wildcats record third straight shutout in win over Tonganoxie

Louisburg junior Mackenzie Scholtz scored three goals Wednesday in the Wildcats' 5-0 win over Tonganoxie in Louisburg.

It may just be a little more than a week into its season, but the Louisburg girls soccer team couldn't have asked for a better start.

The Wildcats picked up two wins this week, including a 5-0 shutout of Tonganoxie on Wednesday in Louisburg, and have played dominant soccer in its first three games. Louisburg has outscored its opponents, 13-0, to begin the year and the defending state runner-ups have yet to be tested.

Louisburg (3-0) dominated possession against Tonganoxie in what was its second game in as many days. The Wildcats had several chances on goal, and when the Chieftains tried to push up the field, the Louisburg defense was there to turn it away.

It was a balanced effort from the Wildcats as it was a match that saw several players get into the game and get some varsity experience.

"The girls played hard," Louisburg coach Kyle Conley said. "To be quite honest, I think for the first 40 minutes

we were just going through the motions. We just talked to the girls about playing our game, and Tonganoxie played a little different by putting five girls in the back and three kids in the middle to take away how we play.

“We were solid, but we just needed to move the ball a little better and I think we did fine. It was a good night to get everyone in and get good reps for everyone. When we played our game, it was much cleaner so that was good to see.”

Junior Mackenzie Scholtz continued her scoring tear against the Chieftains as she scored the game's first three goals and gave the Wildcats a 3-0 halftime lead. It was the third consecutive hat trick of the season for Scholtz and she currently has nine goals on the year.

Trinity Moore got into the scoring action in the second half. Moore, who was also celebrating a birthday Wednesday, gave herself a couple nice presents.

The Louisburg junior took a shot toward the goal that bounced over the goalie's head and rolled just across the line to put Wildcats up 4-0. About 30 seconds later, Moore struck again with another goal and all but sealed the win for Louisburg.

Senior Leia Shaffer goes for a flip throw Wednesday during the Wildcats' home game against Tonganoxie.

Several Wildcats had good looks at the goal, including junior Erin Lemke, who had a nice through ball to Schultz in the first half that led one of her three goals.

The Wildcats also had to make some adjustments throughout the game as the Chieftains played several players back to try and limit the Louisburg runs. It might have slowed them down a little, but the Wildcats figured it out.

"The best part is the progression that we made," Conley said. "We constantly kept moving and we were problem solving and changing formations a little bit in the midfield. We made some different runs because of what Tonganoxie took away and it was

good to see the girls learning and adapting to how it is being played. We had a bunch of good looks at the end and we got to play a bunch of kids. The girls just played hard and had great attitudes.”

Defensively, the Wildcats also played well in their limited opportunities as Carson Buffington had her third shutout of the season, while seniors Kaitlyn Lewer, Camdyn Clark and sophomore Madison Quinn didn't let much through in the back.

Senior defender Kaitlyn Lewer sends the ball up the field Wednesday against Tonganoxie.

Louisburg will have back-to-back games again next week when it travels to Kansas City Christian on Tuesday and then will go to Frontier League power Spring Hill on Wednesday.

“The girls are doing a good job,” Conley said. “Getting three wins early is a good thing, but we just have to keep progressing. Next week is going to be tough. Kansas City

Christian is really good and Spring Hill is really, really good. We are going to have our work cut out for us and we are going to have to do that playing back-to-back games.

“We just have to be ready to go. KCC plays a tough schedule and Spring Hill has a bunch of studs on their team. We will see what we are made of. The girls have done a good job so far and we have executed the way we are supposed to. I think we can be a pretty tough team to play.”

LOUISBURG SHUTS OUT BONNER SPRINGS

Louisburg hit the road for the first time Tuesday when the Wildcats traveled to Bonner Springs and the time away from home didn't seem to bother them.

The Wildcats got three goals from junior Mackenzie Scholtz as Louisburg pulled away for a 3-0 victory.

“The girls played their butts off,” Louisburg coach Kyle Conley said.

“Bonner came out with a massive amount of energy and played very hard. We struggled for the first 15 minutes or so. We might have been a little sluggish with a week off since our first game. We knew we needed to match their intensity and I think we did a good job of doing so.”

Scholtz didn't have much of a problem finding the back of the

net as she added a hat trick and she also got some help with that as sophomore Olivia Barber assisted on two of those goals.

Defensively, the Wildcats also shined as Bonner Springs had few chances on goal and Louisburg was able to control the possession.

“We changed our formations at halftime that really limited their attack and allowed us to press them more and force more turnovers,” Conley said. “Yeah the girls played their hearts out and all played very hard. I was extremely happy we handled the changes throughout the game. Our back line played very, very well. I’m very pleased with the way this team is progressing so far.”

Wildcats blank Harmon to win season opener

Junior Trinity Moore beats a Harmon player to a 50-50 ball Thursday during the Wildcats’ season opener in Louisburg. The Wildcats defeated Harmon, 5-0.

It may be a new season for the Louisburg girls soccer team, but they looked like the same Wildcats that found

their way to the state title game a year ago.

Even with a few different pieces, Louisburg was able to jump on Harmon from the start during Thursday's season opener and the Wildcats came away with 5-0 shutout on their home pitch.

It was the start of a long journey for Louisburg, but the Wildcats took a step forward – albeit a small one – in starting off their season with a win.

“It was good,” Louisburg coach Kyle Conley said. “We played a lot of kids in a lot of different spots and they came and played hard. I think we dominated the game and Harmon might have had one shot, if that. The kids did what we asked them to do, but we still have plenty to work on this week in practice.”

The Wildcats (1-0) were able to get off to a good start thanks to the feet of junior Mackenzie Scholtz. The Louisburg forward recorded a hat trick in her first time out and those three goals helped ease what nerves there were to begin the match.

Scholtz scored two of those goals in the first 11 minutes of action to help give the Wildcats the momentum they were looking for. With three minutes left in the first half, Scholtz completed the hat trick as she converted a penalty kick to put Louisburg up 3-0 at halftime.

“She did a good job,” Conley said of Scholtz. “She was moving a little bit and we have put her in more of a leadership role to do a little bit more talking and coaching out there. Mackenzie knows, and has been in the program long enough, that

she knows the expectations and she can help relate that to the younger players. I think it was a good first game for her.”

Junior Avery O’Meara sends the ball up the field Thursday against Harmon.

Louisburg continued putting pressure on Harmon in the second half and were awarded another penalty kick when freshman midfielder Reese Johnson was tripped up in the box. Johnson took the kick and found the back of the net for her first varsity goal to put the Wildcats up 4-0.

The Wildcats sealed the win late in the second half when junior Trinity Moore hit a shot from just outside of the box and it curled into the net for the final goal.

As well as the offense played at times, the Wildcat defense also played well in its limited chances. The back line of Camdyn Clark, Kaitlyn Lewer and Madison Quinn didn’t let many

balls get through and goalie Carson Buffington protected the net for the shutout.

Defender Madison Quinn controls the ball Thursday in the Wildcats' win over Harmon.

The Louisburg midfield controlled possession, in what was a physical game between the two teams, and were able to get several good looks at the goal. The big lead also allowed several players to see the field and get some experience on the varsity level.

“The best part is that this game allowed them to figure out what they are supposed to do and where they are supposed to be,” Conley said. “That helped quite a bit. I think we actually played better later in the game, but we just scored goals quick and were able to get out to a lead. We struggled at first to figure out where our runs are

supposed to be, but then we settled down and did what we were supposed to do.

“It was good to get all the kids some minutes and get them some time on the varsity level and get their feet wet. It was a good first game and I think the girls learned some things, but we have a lot of work to do still.”

Louisburg will try to make it two wins in a row Tuesday when it travels to Bonner Springs for its first road match of the season. Varsity is set to begin at 6 p.m. The Wildcats will return home Thursday for a matchup with Tonganoxie.
