

Five Wildcats named to all-state girls soccer team

Louisburg's Bailey Belcher was one of five Wildcats to be named to the Kansas Soccer Coaches Association all-state team Thursday. Belcher earned first team honors for the second consecutive year.

It may have taken a little longer for the all-state girls soccer team honors to be released, but for Louisburg, it was well worth the wait.

The Kansas Soccer Coaches Association unveiled their all-state team Thursday and the Wildcats were well-represented. Louisburg earned five spots on the Class 4-1A squad, including three on the first team.

Bailey Belcher, Mackenzie Scholtz and goalie Shay Whiting were each named to the first team, while Madisen Simpson and Camdyn Clark were selected to the second team.

The Wildcats are coming off a special 2017 campaign as they reached the Class 4-1A state tournament and finished fourth overall in just their second year as a program.

"These young ladies had terrific season and it is a fantastic honor to receive this acknowledgment from coaches around the state," Louisburg coach Kyle Conley said. "This is just another reason that solidifies how special our program is. The

girls that are members of the soccer team are doing big things here in Louisburg and I couldn't be more proud of these young ladies.

"Also, none of these individual awards could not be possible without their teammates pushing them and then supporting each other throughout the season. Well done ladies and next year can't get here fast enough."

Mackenzie Scholtz, first team, forward

Shay Whiting, first team, goalie

Camdyn Clark, second team, defense

Madisen Simpson, second
team, midfield

Belcher was selected as a first-team midfielder as she finished the season with 29 goals and 12 assists on the season as a junior. As for Scholtz, she finished her freshman season with 27 goals and a team-high 18 assists to earn a first-team spot as a forward.

In goal, Whiting also had a big year for the Wildcats as she finished the season with nine shutouts.

As for Simpson, she earned her second-team midfield honor as she was responsible for marking some of the opposition's best players and also had a goal and six assists.

Clark was also one of the Wildcats' top defenders as an outside back and made it tough on the opposition.

It is the second straight season that Belcher, Whiting and Clark earned all-state honors.

CLASS 4-1A

First team

Forward–Kayla Crowder, sr., Maranatha Academy; Gaby Crowell, jr., Maize South; Aislinn Hughes, jr., McPherson; **Mackenzie Scholtz, fr., Louisburg**; Berkley Sharp, sr., Basehor-Linwood; Sophia Stram, fr., Bishop Miege; Kayla Vitztum, jr., Thomas More Prep.

Midfielder–Evelyn Alejandre-Olivas, so., Bishop Miege; **Bailey Belcher, jr., Louisburg**; Hayden Burnett, sr., Maize South; Ally Henderson, sr., Trinity Academy; Paige Ledesma, sr.,

Maize South; Lanie Mannebach, jr., Bishop Miego; Alayna Wallace, sr., McPherson.

Defender—Avery Green, sr., Maize South; Laiken Hein, jr., McPherson; Avery Higginson, so., Bishop Miego; Megan Homoly, jr., Bishop Miego; Mariah Moore, sr., Maize South; Fallon Russell, so., Bishop Miego.

Goalkeeper—Deonna Wellbrock, sr., Thomas More Prep; **Shay Whiting, jr., Louisburg.**

Offensive Player of the Year—Sophia Stram, fr., Bishop Miego.

Defensive Player of the Year—Megan Homoly, jr., Bishop Miego.

Goalkeeper of the Year—Deonna Wellbrock, sr., Thomas More Prep.

Coach of the Year—Nate Huppe, Bishop Miego.

Second team

Forward—Brooklyn Barclay, sr., Trinity Academy; Anna Burnett, fr., Baldwin; Kaylen Dawson, sr., Spring Hill; Claire Hedlund, fr., McPherson; Ashley Ostrander, jr., Thomas More Prep; Patrica Thomas, jr., KC Piper; Anna Watson, jr., Spring Hill.

Midfielder—Mallory Borgan, jr., Maranatha Academy; Caitlin Countryman, so., Baldwin; Aubrey Koenigsman, jr., Thomas More Prep; Megan Koenigsman, sr., Thomas More Prep; Gabrielle Rodriguez, jr., KC Piper; **Madisen Simpson, sr., Louisburg;** Mallory Smith, so., Spring Hill; Ana Waren, sr., Maize South; Emily Wilson, jr., KC Piper.

Defender—Josie Boyle, fr., Baldwin; **Camdyn Clark, so., Louisburg;** Heidi Myers, sr., McPherson; Lauren Snodgrass, sr., Trinity Academy; Kassidy Wackerly, sr., Andover Central; Sara Watson, jr., Spring Hill.

Goalkeeper—Anita Eckhardt, fr., Maranatha Academy.

Opinion: Time to look back and enjoy successes

The Louisburg High School football team was one of many bright spots for LHS athletics this past school year.

We live in a world where, especially in sports, we often don't take time to reflect on our accomplishments – and instead we are in a rush to move on to the next set of obstacles.

In reality, we are in a “what have you done for me lately” society and sometimes don't remember, or enjoy, those special moments where our hard work has paid off.

Yes, I understand you don't want to relish in those accomplishments as that doesn't make you a better athlete, or whatever your specialty may be, but not taking the time to enjoy the ride can be detrimental.

And what a ride it was for Louisburg High School athletics this past season.

The Wildcats had a special year in several sports, and before we focus on the 2017-18 campaign, we should look back at what the 16-17 season brought us. Just take a look at what these Wildcats accomplished.

- There is probably no better place to start than the Louisburg soccer teams. Both the boys and girls teams earned spots in the state semifinals for the first time in program history and both finished fourth. The boys team made it to state for the first time in their 14 years, while the girls advanced to the state tournament in just their second season.

The Louisburg High School girls soccer team finished fourth in the state in just their second season. The Wildcat boys also finished fourth as they advanced to the state semifinals for the first time in program history.

- It was quite the season for the Wildcat boys basketball team as they advanced to the state tournament for the first time since 2005. Louisburg won its sub-state tournament with a 64-52 win over Fort Scott in the championship game.

The Louisburg boys basketball team qualified for state for the first time since 2005.

- The Louisburg football team made quite the run in the 2016 season. The Wildcats won their first playoff game since 2012 and earned a regional title in the process with a win over Independence. Even though their season came to an end in the next round to eventual state champion Bishop Miege, the Wildcats' still finished with an 8-3 record.
- Wrestling had another big season as the Wildcats qualified eight for the Class 4A state tournament in Salina. Although Ryan Adams was the lone state medalist, as he finished sixth overall at 138 pounds, the Wildcats tied a school record for number of state qualifiers that was set back in 1984.
- In cross country, the Wildcats sent three runners to the state meet and had their first state medalist since 2006 when freshman Trinity Moore finished 19th overall, as she, Wyatt Reece and Tim Smith competed at the Wamego meet. Moore was also the school's first female runner to earn a state medal.

- Freshman golfer Calvin Dillon became the Wildcats' first state medalist in several years as he finished 10th at the Class 4A state tournament and was one of two Wildcats, along with Ty Martin, to qualify for state. Dillon could quite possibly be the first freshman golfer in school history to get a medal, but since golf stats aren't quite as well kept, it is hard to tell for sure.
- T.J. Dover and Isabelle Holtzen came through with state medals of their own following the state track meet. Holtzen finished seventh at the Class 4A meet in the pole vault and Dover was eighth in the discus as both medaled for the first time. Holtzen also broke the school record in the pole vault earlier in the season after she cleared 11 feet, 1 inch.
- The girls basketball and softball teams both had big improvements from a season ago as they each reached 10 wins despite falling in the first round of their sub-state and regional tournaments. Softball doubled their win total from 2016, while the girls basketball team improved by seven victories.
- The Louisburg volleyball team advanced to the sub-state championship game against rival Paola and was just a few points away from advancing to its fifth consecutive state tournament. The Lady Cats also finished the season with 23 victories.

Most schools across the state would love to have the kind of success Louisburg experienced this year and to me that doesn't seem like it is talked about enough.

Sometimes we get caught up in losses or not meeting expectations, when in fact, compared to a lot of schools, Louisburg exceeds expectations – at least it does mine.

Could these programs be better? Sure they could and the coaches would be the first to tell you. At the same time, we all need to take a step back, look at the big picture and enjoy the success we have.

To me, Louisburg athletics is as healthy as it has been in a long time.

A lot has been made about all the coaches that have left recently. Louisburg will have four new head coaches this upcoming school year and several new assistants.

Some people have considered this a mass exodus due problems at the school. It couldn't be further from the truth. A lot of it is just coincidence. For some it was retirement, others wanted to spend more time with family and a few more just wanted a change.

Former activities director Darin Gagenbin left to be closer to his family and work in the town where he lives. I know all about how great of an opportunity that is and it is the same thing I did almost 10 years ago when I moved here with my family. Working in the town you live in is something you can't put a value on.

Louisburg found a great replacement in Jeremy Holloway, who has been with the district for 17 years and is invested in the community. The school has also brought in a lot of new, young coaches that have come in with excitement and new ideas.

It is bittersweet for me as a lot of those coaches I had a chance to get to know really well are now gone. Although I am mainly a solo operation, I consider a lot of them my co-workers and it stinks to see them move on, but I also know they are doing the best for themselves and their families.

The same could be said for the class of 2017. The group of seniors I worked with this past year were great to get to know, just like all the senior classes before them.

I appreciated all their support and what I do could not be done without those kids. It is great to see them grow up and watch them become successful outside the classroom. I am not a teacher or coach, but still appreciate all they accomplish.

With 2016-17 in the rear view mirror, it will soon be time to focus on the upcoming season and I couldn't be more excited to see what accomplishments this group of Wildcats have in store. It has all the makings of a fun and special year.

Gagnebin steps down as LHS activities director

Louisburg High School activities director Darin Gagnebin presents the Wildcat girls soccer team with their regional championship trophy last month. Gagnebin resigned his post earlier this month to take a similar position in Paola.

Darin Gagnebin has a fondness for Louisburg High School, his coaches and students.

That made it all the more hard to say goodbye.

Gagnebin resigned his post as LHS assistant principal and activities director earlier this month to tentatively take the same position at Paola High School. His last day in Louisburg was last week.

Gagnebin spent a total of 17 years in the Louisburg school

district, with the last six spent as activities director. He was also a teacher and coach for 11 years.

Family was the biggest reason he decided to make the move. Gagnebin and his family currently reside in Paola and his two children attend schools in Paola.

"People have come and gone, but it is still family here," Gagnebin said. "I am comfortable here and Louisburg has done a lot for me. I just can't pass up an opportunity to be where my kids are at. I know I could have brought my kids here, but my wife and I made that decision a long time ago of where we were going to live because of where she taught and I taught. I never thought back when we first moved to Paola and when we had kids, that we would be in this position."

It was a difficult decision for Gagnebin as he leaves behind a group of coaches, several of whom he recently hired. The Louisburg district had a number of new coaches come on board for the upcoming school year.

"We have gone through some trials in the last couple of years and that is with any school," Gagnebin said. "I told my wife, that if this was going to happen the way it did and I could pick the time, I wish the timing would have happened two years down the road. I would have loved to see what this young group of teachers and coaches are going to do coming in."

"I told my wife that I was really excited about coming back next year and I felt we made some good hires. We have a passionate coaching staff coming on and they are great people with new ideas. It just happened out of the blue."

The opening came when former Paola High School principal Phil Bressler took the new principal job at Pittsburg High School. Paola assistant principal and activities director Jeff Hines was elevated to the Paola principal position, which left the Panthers needing an activities director.

It can be traced back even further when the Pittsburg High School journalism class wrote an investigative piece that ousted its newly hired principal, which forced the school to reopen the position and eventually hired Bressler.

“Had Pittsburg’s journalism class not done their job, we wouldn’t be sitting here talking right now,” Gagnebin said.

The Paola position was an opportunity Gagnebin just couldn’t pass up as he will have an opportunity to watch more of his children’s events and work closer to home.

“I have missed a lot of my own kids’ stuff,” he said. “But the people here have been really great, (Principal) Tammy (Thomasson) now and Dave (Tappan) before her, to let me try to get to as much stuff as I can. I still miss things. These opportunities don’t come around very often and I just figured this would be a great fit for me and my family.

“But I couldn’t ask for a better group of coaches here in Louisburg. They are good and passionate about what they do. I really have developed some good bonds over the years. I know some have left and some have stayed on, but the coaches and staff I have had has been great.”

Wildcat girls soccer back to work after state finish

Louisburg's Leia Shaffer works on a passing drill during the Wildcats' team camp on June 15. Approximately 20 kids attended the team camp and the Wildcats have been working hard this month in hopes of improving off their fourth place finish at state.

Sure, the Louisburg High School girls soccer team may have just had its best finish in program history less than a month ago, but the Wildcats were quickly back to work in preparation for next season.

A fourth-place finish at the Class 4-1A state tournament didn't buy the Wildcats much time off as they started their summer conditioning less than two weeks following their final state game and they ramped it up even more when took part in their week-long team camp that began on June 12.

"Camp went well for us," Louisburg coach Kyle Conley said. "We worked on a lot of technique that week. We focused on trying to clean up technique and speed of play. I was pleased with how hard the girls worked and how focused they were. We had anywhere from 18-22 kids there all week."

The Wildcats would have had more, but they had several players out due to injury that they either suffered during the season or shortly after.

All-league defender Camdyn Clark was out with a bad knee injury she sustained in the third-place game at state at the end of May. The team's leading scorer, Bailey Belcher, was also dealing with an injury.

Louisburg coach Kyle Conley goes over a drill during the Wildcats team's camp on June 15.

In all, Louisburg has about five or six players that missed time due to ailments, which left the numbers a little down than Conley would want for the other summer workouts.

"Our numbers have been all over the place," he said. "For camp, we had great numbers, but practices we have had 12 to 20-plus. It creates some creative coaching situations, but the kids do not complain and just work on getting better. The attitude has been extremely productive regardless how many kids we have had come out."

Throughout the month of June, the Wildcats hit the weight room three times a week and had practices two to three times a week. It is also a good opportunity for Conley to get to know his incoming freshman and vice versa.

“Summer also helps a lot of the newer players and/or freshmen to learn what we do and what our expectations are,” Conley said. “These practices also help our team chemistry come together and develop a bond that will help carry us moving forward.

“This past season was extremely special. It is one for the history books, but we need to always try to keep getting better. Some people question why we have summer practice, but a majority of my kids do not play club soccer and literally play only March 1 to May 27. They do not play other than that. So it is essential that we keep up with everyone else in the state and work on some things. Summer for us is a lot of technique and speed of play. We use this time to clean up some things and improve. We cannot get better sitting on the couch.”

Bria Jensen was one of approximately 20 kids who attended

the Wildcats team camp.

Conley hopes the hard work over the summer pays off for what the Wildcats believe could be another special season next spring. Louisburg returns most of its team that finished with a 13-7-1 record, including five of its six players that earned all-Frontier League honors.

They hope to turn that fourth-place state medal into something a little bigger next May.

“I am extremely excited when looking ahead to the girls season,” Conley said. “I personally feel we did not play our best soccer the last three games of the year. I feel that we had a great opportunity, but we did not execute as well as we should have. I feel that the girls were a little nervous, but I think it started a fire underneath them and next year could be just as special as this year.

“After all of the adversities and injuries we dealt with this past season, it gave a lot of kids an opportunity to get experience at the varsity level. I expect this season to be extremely competitive and intense.”

Changes to classification system will impact Louisburg

Member schools in the Kansas State High School Activities Association sent ripples across the state last week when they passed two proposals that will affect high school athletics beginning in the 2018-19 season.

For football, the two 4A divisions and Class 2-1A have been eliminated. They have been replaced with 32 team classifications in 4A, 5A and 6A, while 3A and 2A will have 48-team classifications. The remaining schools will play in 1A.

The second proposal was for all other sports. Other than football, classes 4A, 5A and 6A will have 36 teams in each division. Classes 3A and 2A will have 64 schools each, while the remaining schools will be in 1A.

The football proposal passed with a vote of 215-73 and the all-sports proposal passed with a 207-145 majority. All of the classes, except 6A and 1A, were in favor.

With those new proposals comes a different playoff system for many of the sports.

Louisburg High School, which is a Class 4A school, will see changes in five sports programs – football, basketball, baseball, softball and volleyball.

In football, Louisburg will no longer have district play as the playoffs will begin in week nine. Class 4A will play an eight-game regular season and then each side of the state will be seeded in a bracket from 1 through 16, based on their record.

Given the fact the Frontier League currently has nine teams after recently adding three schools in Tonganoxie, Bonner Springs and Piper, the Wildcats will no longer have to play a non-league opponent. De Soto recently chose to leave the Frontier League following the 2017-18 season to join a new league made up of 5A schools.

"Normally we go out in October to Salina, we would redistrict for 2018 and 2019," Louisburg activities director Darin Gagnebin said. "I don't even know that we will have to go cause our league has nine teams, so we would play eight league games and the ninth game gets assigned to you for the playoffs. As of right now in football, we will no longer have any out of conference opponents as long as we maintain nine in the league."

Another change will be in basketball. For the postseason, there will no longer be substates, instead the 18 teams on each side of the state will be bracketed out by record beginning with two play-in games.

From there, the bracket will be sized down to four-team pods, with the higher seed hosting the game. Teams will have to win two games to reach the state tournaments. Pods will be 1-16-8-9 seeds, 4-13-5-12, 2-15-7-10 and 3-14-6-11. The eight pod winners will advance to the state tournament.

"Depending on where we fall, it could increase travel depending on where we are seeded," Gagnebin said. "We could have to drive down to Coffeyville or drive up to Atchison, you just don't know until the end of the year."

Basketball schedules will also be different with the addition of the new league teams in 2018-19. There will no longer be double round-robin schedules. There will be eight league games, six tournament games and athletic directors will have to find a way to fill the other six.

"We will start in August about building the new league schedule and it will be tough," Gagnebin said. "One thing you will see is we won't have double round-robin's anymore because we can't play everyone twice. I think there will be traditional rivalries that are held to where we would play those twice due to proximity. Quite frankly, it wouldn't be smart for Louisburg not to play Paola, Ottawa or Spring Hill

twice due to higher attendance numbers and proximity. It will probably increase travel costs because you are playing more non-conference opponents.”

Baseball and softball will be similar as there will no longer be regionals. Like basketball, there will be two play-in games with the same pod structure. The top four overall seeds will each host all games in their pod on the same day.

In volleyball, there will be four substates across the state, broken into eight brackets. There will also be nine teams in each substate, which will require a play-in game. Teams will need to win two games to qualify for state.

Postseasons for wrestling, track, soccer, cross country and golf will remain the same.

However, even with the new changes, the proposals don’t address the competitive balance issue between public and private schools that many members have been talking about for the last several years.

Although he likes the new playoff system, the fact these changes don’t address the problem is one of the reasons Gagnebin voted no on the new proposals.

“It was a shock because I didn’t think it was going to pass,” Gagnebin said. “Other than the playoff system, in my opinion, it doesn’t do anything for Class 4A. All the work that went into splitting 4A into two divisions is now gone. I feel bad for those schools because they put in a ton of work. It doesn’t really affect us because we are locked into 4A and we are right in the middle of the pack.

“I didn’t see how it benefited Louisburg or 4A, other than the playoffs system where it should ensure you have more competitive teams at state. Since you are seeding them out now, you shouldn’t have a substate of teams with losing records. They could have done that without this.”

Although private schools like Bishop Miege, which have won several state titles in the last few years, could find itself moving up a classification with the new measures, it isn't a permanent solution according to Gagnebin.

"Enrollment could bump some private schools up a class, but that doesn't fix the problem," Gagnebin said. "Private schools can control enrollment. According to (Miege) they are losing enrollment and could be back in 4A. It doesn't impact the private issue at all and that is why I didn't vote for it. It is not fixing what the 80 percent of athletic directors polled in Kansas asking what the biggest problems in classifications are. It doesn't address the real problem."

Wildcat girls soccer earns six all-league spots

Louisburg's Madisen Simpson (left), Bailey Belcher (center) and Mackenzie Scholtz were each selected to the all-Frontier League first team. The Wildcats earned six selections overall.

In just its second season, the Louisburg High School girls soccer team took it to the next level as it earned a spot in the Class 4-1A state tournament and finished fourth overall.

So it didn't come as a surprise to anyone that the Wildcats were well-represented when the all-Frontier League teams were released.

Louisburg earned six spots on the all-league team, including three first-team selections as it finished the season with a 13-7-1 record, including a 5-3 mark in the league.

"I think we got a fair representation overall on the all-league team, but as a coach you always want more and feel more kids deserve to be recognized," Louisburg coach Kyle Conley said. "I feel that the kids that received this honor deserved this and earned it. It is nice to have that many kids recognized and to have other coaches tell me how much they like this player or that player. These meetings have been a lot of fun, but the girls' success on the field is a result of that."

Senior Madisen Simpson, junior Bailey Belcher and freshman Mackenzie Scholtz were each named to the first team. Sophomore Camdyn Clark and junior Savannah Reinhart earned second team honors, while junior goalie Shay Whiting was an honorable mention.

For the second year in a row, Belcher found a spot on the first team and for good reason. Belcher led the Wildcats with 29 goals on the season and also had 12 assists from the midfield spot.

"Bailey had a slow start to the year, but she really caught fire in the middle two-thirds of the year," Conley said. "She was hampered by a leg injury throughout the later part of the season. She did a very nice job with her pace and vision. She had a little bit of a tough time down the stretch because she was the part of the opposing team's game plan to try to take her away."

As a freshman, Scholtz made a big impact on the Louisburg attack opposite of Belcher. Scholtz was just behind Belcher

with 27 goals on the year and also had a team-high 18 assists.

“Mackenzie really came on strong and she really worked well with the midfielders with give and go’s,” Conley said. “She struggled to learn the expectation of the position at first, but after about the first five games or so she really dominated. She took full advantage of the space teams gave her.

“I honestly do not think teams towards the end of year respected her ability to make plays. She really came on strong and absolutely dominated teams.”

Simpson was a team captain along with Belcher and showed why with her play in the midfield. Simpson was all over the place with her position as a holding midfielder and often marked up against some of the opposition’s best players. She also had a goal to go along with six assists on the year.

“Madisen was our team leader,” Conley said. “She was an absolute workhorse in the middle of the field and at times was everywhere. She did a fantastic job of leading by example and playing at a very high level the entire season. She is an unbelievable young lady that is going to do great things in life because of her work ethic.”

Camdyn Clark (left) and Savannah Reinhart (middle) were named to the all-league second team and goalie Shay

Whiting was an honorable mention.

Clark was the highest honored defender on the Louisburg team. The Wildcat outside back made things difficult on the opposition and earned second team honors for the second consecutive season.

Reinhart made her way to the all-league squad for the first time in her career as she contributed nine goals and 10 assists from the midfield spot.

"Camdyn is a lock down outside back," Conley said. "She has only been responsible for three goals all season. She has a great motor and work rate. She has quality skill to be able to connect with our midfielders. She has definitely excelled in this role. Camdyn is an individual who never takes a day off, she is extremely coachable and truly loves the game."

"Savannah had some ups and downs this season, but she really turned the corner after we lost to Basehor. She responded and became an offensive threat and her execution was fantastic. She is undersized, but compensates by working hard and doing the best she could to hold her ground."

Whiting was a big part of the Louisburg defense as she finished with nine shutouts on the season in goal, which was good enough to garner honorable mention honors.

"Shay is a hard-nosed kid that never gives in," Conley said. "She is undersized at 5-2, but she did record nine clean sheets."

League champion De Soto led the way with 10 selections overall, including five first team honors. Baldwin tied Louisburg with the second-most selections with six.

ALL-FRONTIER LEAGUE GIRLS SOCCER

FIRST TEAM

Pitcher: Kayla Etter, Eudora, sophomore; **Allyssa Griggs, Louisburg, senior**

Catcher: Amayah LaTessa, Baldwin, senior

Infield: **Madison Svoboda, Louisburg, sophomore;** Rian Geere, Baldwin, freshman; Mackenzie Smith, De Soto, senior; Betsy Parmeley, Baldwin, senior

Outfield: Elizabeth Hays, Spring Hill, junior; Devon Purcell, Eudora, junior; Jordan Diehl, De Soto, sophomore; Jasmine

Thevarajoo, Eudora, senior

DH/Utility: Payton Faddis, De Soto, sophomore

HONORABLE MENTION

Pitcher: Kinley Burton, Baldwin, senior; Mary Kate Hale, Spring Hill, senior

Catcher: Sydney Igert, Paola, junior; **Emalee Overbay, Louisburg, senior**

Infield: Jenna DeVore, Ottawa, junior; Kelsey Kroutch, Spring Hill, senior; **Molly Rison, Louisburg, sophomore;** Kellee Wiggins, Baldwin, sophomore; Lydia Brown, Eudora, freshman

Utility/DH: **Karson Griggs, Louisburg, sophomore;** Peyton Weatherbie, Paola, senior

Wildcats take fourth at Class 4-1A state tournament

Louisburg sophomore Kaitlyn Lower heads the ball away from a Maize South player Saturday during the Class 4-1A third-place game at Friends University in Wichita. The Wildcats fell 8-0 and finished fourth in the state.

WICHITA – One by one, the Louisburg High School girls soccer players received their state medals and cemented the best finish in school history.

Despite all that, the Wildcats had hoped for more.

In its first Class 4-1A state tournament appearance, Louisburg ended its season with a pair of losses, including an 8-0 defeat to Maize South in the third-place game Saturday at Friends University in Wichita.

It was hard for the Wildcats to think of the positives in what was a rough, couple days. Still, there were plenty there for the second-year program.

“A second-year program getting fourth in the state is incredible,” Louisburg coach Kyle Conley said. “You can’t fathom that. Getting 13 and 14 wins in consecutive seasons is unbelievable and that almost matches the top teams in the state, no matter what class you are.

“I hope we can use this experience to move forward and hopefully we will be good enough to make another run in the next couple of years so we can remember this and know what it is like and build on it.”

The Wildcats (13-7-1) opened the tournament with a 1-0 loss to Thomas More Prep on Friday before facing a Maize South team that fell to Bishop Miege in overtime. Miege went on to beat TMP 1-0 to win the Class 4-1A state championship.

Senior Bryn O'Meara races to beat a Maize South to a 50-50 ball Saturday in Wichita.

Maize South seem inspired from the get-go as it scored six goals in the first eight minutes to jump on the Wildcats. Louisburg junior Bailey Belcher and senior Bryn O'Meara each had a shot on goal, but Louisburg couldn't get much going against a strong Maize South defense.

Louisburg trailed 6-0 at halftime, but it made things a little more difficult in the second half for Maize South as it managed just two goals.

"The girls kept fighting," Conley said. "They got on us early and we kind of put our heads down and they put four in really quick. The girls recovered and got mentally strong. I think they held their own in the second half and it was good to hear

the opposing coach yelling to tell his players to work. I just wish we could have started that way, but it is what it is. That is the best team in the state in my opinion.”

The loss also meant the Wildcats had to say goodbye to seniors Lily Cook, Bryn O’Meara, Quincy Rice and Madisen Simpson, who played their final game with the program.

“Bryn, Madisen, Quincy and Lily – those four kids did a heck of a job,” Conley said. “Whether it was their leading by example attitude, or their demeanor and how they carried themselves and set a great example for what we want this program to be looked upon. If you look at our crowd, we had more fans than anyone else, and that includes road games. That truly is a tribute to the girls on how hard they work and how much they mean to this town. The girls truly love it.”

After coming up one loss short of the state tournament last season, the Wildcats took another step forward this year by making the state semifinals and getting that fourth-place finish.

It was a finish many in the program didn’t expect with such a young group, especially early in the season on a team that started seven freshmen and sophomores.

Members of the Louisburg girls soccer team are (front row, from left) Bailey Belcher, Savannah Reinhart, Quincy Rice, Bryn O'Meara, Madisen Simpson, Skylar Bowman, Morgan Messer, Shay Whiting, Hallie Hutsell, Avery O'Meara, (back row) assistant coach Michael Pickman, Camdyn Clark, Leia Shaffer, Bria Jensen, Hayli Detherage, Trinity Moore, Mackenzie Scholtz, Kailtyn Lewer, Hannah Straub, Lily Cook, Erin Lemke and head coach Kyle Conley.

"When you make the final four, I think that exceeds your expectations. For us, our goal was to play for a regional championship and go from there. I think there were some games in the regular season that we gave away, but the best four teams in the state are here. We have to keep that in mind no matter how upset or frustrated we get. We literally just got fourth in state and that is incredible.

"It stinks to lose twice, and I will probably be pouting about it for a couple weeks, but when you look back at it, how can you ask for any more? This experience is something the kids are going to remember for the rest of their lives and I hope they truly understand how special it was."

Wildcats come up short of state championship game

In the Class 4-1A state semifinals against Thomas More Prep, Louisburg had its eyes set on a spot in the state championship game.

The Wildcats were just one score away from reaching their goal.

After a scoreless first half, TMP dashed the Wildcats' hopes as it got a goal from Kayla Vitztum five minutes into the second half and that was all the Monarchs needed in their 1-0 win Friday over Louisburg.

Louisburg junior Bailey Belcher heads the ball away from a TMP player Friday in the Class 4-1A state semifinal game.

"You could tell the girls were really nervous," Conley said. "They were nervous in the first 15-20 minutes in the semifinal game and then we got on our heels. We were just too anxious and were trying to do too much. We were not in our element and we were playing on turf, but that is not an excuse because we have to show up and play. When you start seven freshmen and

sophomores it is tough sometimes to be mentally strong.”

TMP had the ball on its side of the field most of the game, but when the Wildcats did have possession, the Monarchs made it difficult for them to get many shots on the goal with their defensive alignment as TMP had several players back protecting the goal.

The Wildcats did have one good chance in the finals minutes as Bailey Belcher had a good look at the goal, but her shot was saved by the TMP goalie.

“We struggled to adjust to pressure,” Conley said. “Against TMP, that was the ugliest formation you are ever going to see, but they do it effectively. That is a team that won eight straight games I think and had six shutouts during that time. They don’t give up many shots and they have a good goalkeeper. They just frustrated us tremendously and we couldn’t rebound from it.”

Lemke’s golden goal puts Wildcats in state semifinals

The Louisburg bench runs onto the field to mob Erin Lemke after she scored the game-winning goal in double overtime to

give the Wildcats a 2-1 win over Piper Tuesday in the Class 4-1A state quarterfinal game in Louisburg.

Louisburg freshman Erin Lemke loaded up for the most important shot of her short soccer career.

The Wildcat coaches kept preaching to Lemke, that if she got the opportunity, to strike the ball as hard as she could. So when her opportunity came in the second overtime of the Class 4-1A state quarterfinal game – Lemke did what she was told.

In fact, Lemke hit the ball so hard she ended up face first on the turf.

“I didn’t even know if it went in,” she said.

The crowd’s reaction told her everything that she needed to know.

Lemke’s shot found the back of the net and gave Louisburg a 2-1 victory over Piper in double overtime Tuesday in Louisburg. The goal put the Wildcats in the state tournament for the first time in their brief history as they are currently in just their second year.

“Going to state in only our second year is incredible,” Louisburg coach Kyle Conley said. “This a tribute to the young ladies in this program. All their hard work and dedication has paid off. I could not be more proud of these ladies and how much work they put into achieving such a fantastic feat. As I coach, I feel very fortunate to have such unbelievable kids to work with. I take great pride in being able to coach these young ladies.”

Erin Lemke is all smiles after she realized she scored the game-winning goal Tuesday against Piper.

Following Lemke's goal, the Wildcat bench emptied out onto the pitch to celebrate their historic victory – a hard-fought one at that.

Louisburg, which beat Piper 4-0 earlier in the season, got a much tougher match from the Pirates as both teams had chances to take control of the game.

After a scoreless first half, the Wildcats struck first when freshman Mackenzie Scholtz scored on an assist from junior Bailey Belcher with 32 minutes left in the second half and Louisburg had all the momentum.

About eight minutes later, it all changed.

Louisburg was called for a foul in the box and Piper was awarded a penalty kick. Piper's Emily Wilson snuck the ball

past Wildcat goalie Shay Whiting to tie the match.

Although Whiting missed the penalty kick, the Louisburg junior came up big in several situations for Wildcat defense. Whiting had five saves on the day.

She also got some help from her defense as Bryn O'Meara, Camdyn Clark, Kaitlyn Lewer and Hannah Straub all cleared the ball away at big moments or contested the Piper attack.

"I always have to be ready," Whiting said. "There was a never a moment where they weren't going to shoot because they can shoot from midfield so you have to be ready. The defense did a good job covering them so they didn't get many shots, but when there were, we had it covered."

Louisburg goalie Shay Whiting knocks away a Piper shot on goal Tuesday in the state quarterfinal game.

It appeared Louisburg had taken the lead a few minutes later as junior Savannah Reinhart put a shot into the back of the net off a rebound and the celebration began. It was short-lived though, as the Wildcats were called for off-sides and

the goal was disallowed.

"The girls did a good job of keeping a level head there and not getting down," Conley said. "They did a lot better job than I did, but we had tons of momentum and we didn't give up. I think fitness was a problem for (Piper) because they had a shorter bench than we did and I think eventually it paid dividends."

Piper had a direct kick opportunity just outside the box just before the end of regulation that would have given them the win, but the shot sailed just over the crossbar.

Belcher and Scholtz each had shots on goal in the first overtime that would have given Louisburg the win, but those shots were just wide of the net.

All that led up to Lemke's heroics halfway through the second overtime.

Scholtz played a through ball into the box as Lemke was cutting toward the middle. With a Piper defender on her back, Lemke ripped a shot past the Piper goalie and the rest was history.

The Wildcats made it to the state quarterfinals last season before falling to De Soto, but now they have taken the next step as they prepare to play in the state semifinals.

"It was a tough battle and we knew it would be," Whiting said. "Having that pressure of being better than last year was always there, but we pulled through and we got it and that is what we wanted. It was all about who wanted it more at the end and we pulled through."

Louisburg junior Bailey Belcher heads the ball away Tuesday against Piper.

Louisburg will now travel to Wichita on Friday for the Class 4-1A state soccer championships. The Wildcats (13-5-1) will meet Thomas More Prep (13-4-1) at 7 p.m. at Friends University.

If the Wildcats advance, they will play the winner of Maize South (17-1-1) and Bishop Miege (11-7-1) in the championship game at 2 p.m. on Saturday. If Louisburg loses, it will play in the third-place game at noon Saturday.

"The game is going to be on turf so we are going to see if we can find some turf fields to practice on this week so we can get ready for the speed of the game," Conley said. "It will be a faster game and now we are going to play some really good teams. We just have to get there, play one game at a time and see what happens."

Wildcats hope to make program history tonight

Louisburg senior Bryn O'Meara (left) and the rest of the Wildcats will host Piper at 5 p.m. today in the Northeast quarterfinal game. A win would put Louisburg in the state semifinals for the first time in its history.

The last time the Louisburg girls soccer team faced off with Piper was more than a month ago.

It wasn't much of a match as the Wildcats shutout the Pirates, 4-0, in a game that had to be settled over two days as it was postponed midway through due to the weather.

The Wildcats will welcome Piper back to Louisburg at 5 p.m., today when they host the Pirates in the Class 4-1A Northeast quarterfinals. Everyone on the Wildcat team is fully aware it won't be as easy this time around as they face the Kaw Valley League champion.

"When we played them the first time, they were missing a couple players and when they came back they were all here and was a much tighter game," Louisburg coach Kyle Conley said. "Any given day, anything can happen. If we take an opponent lightly, then it will come back to get you and I think we saw

that with a couple teams at the beginning of the year. Hopefully we are ready to exert a lot of energy."

One more win and Lousiburg will find itself in the state semifinals for the first time in team history. Considering the Wildcats are just in their second year of existence, they are making bigger strides than many in the community thought possible and the players are ready to give back.

"I think it is really important because it shows our community that we have been putting in the effort," senior captain Bryn O'Meara said. "They raised a lot of money for us that we could become a program and now it is our turn to give back to them. We want them to come watch us so they can support us again. We want to win for us and for them."

The Wildcats (12-5-1) will have to contain a Piper team that currently has a 11-6 record and defeated Baldwin, 2-0, in its regional championship game.

"They have three really good kids in the middle," Conley said. "They will take it at you and they are physical. They have some kids that shoot from way outside and send a lofted chip ball in. For us, we have to stand them up and make them take contested shots. We just have to outwork them. They are a scrappy team and will keep working. We have to match that intensity and take it even further. They are the Kaw Valley champions and that is not an easy league to win. We will have our hands full."

On the other side, the Louisburg offensive attack has been playing well as it has scored 19 goals in its two regional games, including a 9-0 victory over Bonner Springs in the regional title game last week.

Freshman Mackenzie Scholtz and junior Bailey Belcher provide the Wildcats with a bulk of the scoring up front, but junior Savannah Reinhart, senior Quincy Rice and freshman Trinity Moore will also look to provide some scoring punch.

Defensively, the Wildcats have posted shutouts in three of their last four matches led by goalie Shay Whiting and defensive back line of O'Meara, Camdyn Clark, Hannah Straub and Kaitlyn Lewer. Midfielders Avery O'Meara, Madisen Simpson and Erin Lemke will also look to provide some protection in the middle.

"It is really exciting because we are a second-year program and we are getting a chance to go to state for a second year in a row," Simpson said. "Like coach said, a lot of teams don't get this chance to go this far or even to make it to the regional championship.

"Making it to state in just our second year would just show a lot of teams that we aren't just small-town Louisburg, but we can succeed in anything that we put our minds to."
