

Dillon wins Paola Invitational, Wildcats take second

Sophomore Calvin Dillon shoots onto the green Monday during the Paola Invitational at Paola Country Club. Dillon won the tournament with a 77 and the Wildcats finished second as a team.

PAOLA – The Louisburg High School golf team had to wait a week to get its season started, but the delay was well worth it.

Sophomore Calvin Dillon won his first meet of the season at the Paola Invitational on Monday at Paola Country Club and he wasn't the only Wildcat to leave with hardware. Senior Parker Perentis finished ninth overall and also earned a medal.

As a team, the Wildcat group of Dillon, Perentis, Justin Sievert, Grant Ryals, Ryan Haight and David Perentis scored a 367, which was good for second in the team standings. Ottawa won the team title with a 333.

Dillon carded a 77 to win the individual crown by four strokes over Ottawa's Isaac Bones, while Perentis shot on an 89 as both scores were vital to helping the Wildcats to that second place spot.

Sievert finished third on the Wildcats squad with a 100, while

Haight carded a 101. Ryals and David Perentis rounded out the Louisburg team with a 107 and 109, respectively.

“Having a score of 77 from Calvin and 89 from Parker really helped the second place finish,” Louisburg coach Brian Burns said. “We need Parker to stay in the 80’s and our other guys to be in the low 90’s to be successful the rest of the season no matter what place we get.”

Louisburg senior Parker Perentis watches his tee shot sail down the fairway Monday in Paola.

Dillon, who is a returning state medalist, shot a 37 on the front nine to get off to a good start and recorded a 40 on the back. He also birdied hole No. 17 as it was one of the several highlights on the day.

“I played with Calvin last week on six holes and his approaches to the green were slightly off,” Burns said.

“However, his short game scrambling for par was great and his one birdie came from being on in regulation on hole 17, a long par three. He shot two over and was not on his best game, but he will be great all season. He is also a good leader for our team.”

The golfers also had to battle windy, cool conditions on the Paola Country Club course, but for the most part, Burns thought they handled it – and the course –well.

“I made sure the guys wore layers so they wouldn’t have to worry about the cold,” Burns said. “Most of the golfers said they were pretty successful for the most part. If they got in the trees some, that was really the only thing that gave them problems.”

Louisburg will be busy next week as the Wildcats will participate in three tournaments.

The Wildcats will compete in the Gardner Invitational on Monday at Prairie Highlands Golf Course in makeup of an earlier cancellation. Louisburg will then travel to Osawatomie on Tuesday and then back to Prairie Highlands on Thursday for the Frontier League Tournament and Spring Hill Invitational.

Dillon back to lead Wildcat golf after earning state medal

Louisburg sophomore Calvin Dillon, who earned a 10th place finish and a medal at the Class 4A state golf tournament last season, returns to lead the Wildcats as he looks to improve on his first-year performance.

Calvin Dillon walked off the Wamego Country Club course last season as one of the top golfers in the state after he earned a medal following the Class 4A state golf tournament.

Dillon's state medal was the first for Louisburg in several years after he shot an 80 during the 4A tournament that put him in 10th place overall.

Not too bad for a freshman.

Now a sophomore, Dillon is looking for even bigger things this season as he leads the Wildcat golf team into their first tournament Monday at the Gardner Invitational.

"Calvin is very consistent," Louisburg coach Brian Burns said. "He should be shooting in the 70s all year and will have a good season for us."

Although Dillon is cemented as the Wildcats' No. 1 golfer, there has been plenty of competition at practice for the final five varsity spots.

It has been hard for Burns to get a good look at his team as they have only been able to take to their home course at Metcalf Ridge for practice seven times. Despite that, Burns has been able to figure out most of his varsity lineup as

seniors Grant Ryals, Justin Sievert and sophomore Ryan Haight will join Dillon.

Louisburg is trying to make up for the loss of Ty Martin, who qualified for state last season, and Burns knows his team has some catching up to do.

“The group is understanding the swing more this year and able to put many parts of it in action,” Burns said. “As a team, we still have tons of work to do on the 50 to 150-yard shots. Our daily routine of pitching and putting competitions will help their short game although they must be able to get a feel for the green other than our course before matches start.”

The Wildcats have several golfers who are still competing for that fifth and sixth spot, including senior Kai Tinich, who saw varsity action last season. Senior Parker Perentis and sophomore Devin Wieland also are vying for the final two slots.

It is a lineup that could change from week-to-week depending on who performs well in practice and during meets.

“There are so many golfers that are pretty equal this year,” Burns said. “I will have to watch closely this year on who is practicing the hardest, has the best attitude and being the most consistent to find my full varsity team. I know my top four spots, but the last two could be taken by four or five different people, so they will have to have playoffs every week.”

Louisburg opens its Monday when it competes in the Gardner Invitational at Gardner Golf Course and will follow that up with the Paola Invitational on April 9.

Regional assignments were also recently released and the Wildcats will compete at the Anderson County regional at the Garnett Country Club. Other teams at the regional will be Baldwin, Burlington, Fort Scott, Anderson County, Iola,

Prairie View, Osawatomie, Ottawa and Paola.

OPINION: 2017 was a banner year for Louisburg

Having the opportunity to cover Louisburg High School athletics, for what has been almost 10 years now, I have seen a lot of different highs and lows.

I have been lucky enough to cover state championship teams and watched several athletes perform at the highest level. However, this last year has to be one for the record books when it comes to success at Louisburg High School.

For Wildcat athletics, 2017 was a banner year for many reasons.

Louisburg qualified for the state tournament in three different sports – volleyball, girls soccer and boys basketball – and the first two each placed in the top four.

The volleyball team was just a point away from winning the school's first state title after the Lady Cats finished second to defending state champion Rose Hill, and tied for the best finish in school history.

The Wildcat girls soccer team qualified for the state

semifinals in just its second year of existence and suffered a heartbreaking 1-0 loss in the semifinals to eventually take fourth overall.

In boys basketball, the Wildcats qualified for the state tournament for the first time in 12 years despite getting knocked out in the first round by defending state champion Bishop Miege.

Most schools would love to have that success with their athletic programs, but for Louisburg, that was just the tip of the iceberg. As special as the seasons were for those three programs, the Wildcats also thrived in a few other sports.

Louisburg's cross country program, which has been around for 19 years, had the best season in its history – by far. Not only did the Wildcats have three state medalists for the first time ever, but it had a year that featured the school's first female league champion in Trinity Moore and the best league finish by a male, Wyatt Reece, who took second.

Tim Smith continued the Wildcat success as he became the school's first regional cross country champion, and Moore, Reece and Smith each went on to win a state medal. Moore and Smith also set school records for the fastest time.

The Wildcats also qualified the girls team for the first time in school history as Moore, Carlee Gassman, Reilly Alexander, Isabelle Holtzen, Kaitlyn Lewer, Payton Shaffer and Emily Williams took third at regionals and eventually 10th at state.

The Wildcat wrestling team tied a program best by qualifying eight for the state tournament and came back with a medal by Ryan Adams, who finished sixth.

Louisburg's track and field team persevered and qualified for state in 10 events and had two regional champions in Quinn Rigney and Chris Williams. Isabelle Holtzen and T.J. Dover each brought home their first state track medals.

The boys soccer team was one goal away from making its second consecutive trip to the state semifinals, but their run was halted by a loss to McPherson in state quarterfinals. Still, the Wildcats won a regional title, which was the seventh in team history.

Freshman Calvin Dillon led the Wildcat golf team this past year and recorded the program's first state medal in more than decade as he took 10th overall.

All these things and more I described in detail when releasing my top 10 stories of the year and what a year it was.

Obviously, I haven't had a chance to look through all the results, but I can't imagine a more successful year for LHS when you are talking about athletics. There may have been years in the 70s, 80s and 90s that I don't know about, but I find it hard to imagine one that tops 2017.

Sure, the 2010-11 school year featured two state championship teams in football and boys track and field and that was a fantastic time to be Wildcat, but as far as calendar years go, 2017 was one to remember.

Even outside the sports world, Louisburg High School put together many great accomplishments as the Wildcat Marching Band was selected to participate in the Tournament of Roses Parade and put on a great show for the nation on New Year's Day.

Then in October, the FFA Food Science team of Hallie Hutsell, Faith Seuferling, Addie Katzer and Hattie Harris won a national championship, while Hutsell and Seuferling placed second and third in the nation, respectively.

I don't get a lot of opportunities to cover programs or groups outside the sports world, but these are fantastic accomplishments and deserved to be recognized.

For me, 2017 was a whirlwind. It seemed around every corner, school history was being made and there aren't many schools around the state that can boast about the successes Louisburg has experienced.

It was an honor for me to cover many of these historic runs in Wildcat history and I hope you all realize how lucky you have it. Louisburg is a school filled with great coaches who care about the student athletes.

Believe me, I know how fortunate I am to be able to be a part of something special and this place is it. If 2018 is half of what 2017 was, it will be a fun ride.

I can't wait for what 2018 has in store and hopefully you all will follow along to see what these Wildcats can accomplish.

Top 10 Stories of 2017

It was a successful, and eventful, 2017 for Louisburg High School athletics and for those who are connected to the Wildcat program. This past year created a lot of school history for LHS and several programs brought back state hardware to Louisburg.

Below are the Top 10 stories from 2017, along with a brief explanation of each. Included in the explanation is the link to the actual story from the event.

This year was a blast to cover and I was blessed to have the opportunity to go along for the ride with many of these. As much fun as it was, I can't wait for 2018 to begin. Looking forward to it!

Louisburg's Calvin Dillon earns his first state golf medal as a freshman as he took 10th at the state meet.

10. Dillon medals at state golf

Louisburg freshman Calvin Dillon certainly didn't play like a first-year varsity player as he led the Wildcat golf team all season. Dillon finished 10th at the Class 4A state tournament in Wamego and became the first Wildcat golfer to earn a state medal in several years.

Dillon made the state tournament alongside senior Ty Martin, who finished in 28th place overall after he earned his second straight state appearance.

Isabelle Holtzen earned her first state medal in the pole vault as she took seventh back in May.

9. Holtzen, Dover earn first state track medals

T.J. Dover finished eighth

**in the discus at the Class
4A Kansas State Track and
Field Championships in
Wichita.**

Junior Isabelle Holtzen and senior T.J. Dover both ended their track and field seasons on a good note as they earned state medals in late May at the Class 4A state meet in Wichita.

Holtzen had a big season in the pole vault as she ended seventh in the state after she cleared 10 feet. Earlier in the year, Holtzen broke a 15-year old school record in the pole vault as she topped 11-1.

Dover made his second consecutive trip to the state meet and finished strong in his final high school performance. He took eighth with a throw of 143-4.

The Wildcats qualified for the state meet in 10 events and had two regional champions in junior Quinn Rigney (100-meter dash) and sophomore Chris Williams (400 dash).

8. Frontier League adds three schools, says goodbye to another

For the Frontier League, 2017 brought a lot of changes to a league that has featured seven schools for the last several years.

Starting in the 2018-19 season, the Frontier League will add three new schools. Piper, Tonganoxie and Bonner Springs each accepted invitations to join the league last April to create a 10-team league.

It is didn't stay 10 teams for long as De Soto will make the move to a different league during the same season. The current league will be made up of nine schools: Louisburg, Paola, Ottawa, Spring Hill, Baldwin, Eudora, Piper, Tonganoxie and Bonner Springs.

7. Louisburg boys soccer wins regional crown

The Louisburg High School boys soccer team was trying to make its second consecutive trip to the state tournament this past season and the Wildcats almost got there.

Although the Wildcats fell to McPherson in the state quarterfinal game in late October, Louisburg put together another successful season that included a 1-0 victory over Independence in the regional championship game.

The Wildcats finished the season with a 13-6 record and earned the school's first Frontier League championship since 2010.

Junior Ryan Adams celebrates after he earned a state medal at 138 pounds.

6. Wildcat wrestling qualifies eight for state, Adams picks up medal

The Louisburg High School wrestling team had an historic season as it qualified eight for the Class 4A state wrestling tournament, which tied for the most in school history, during the regional tournament in February at Frontenac High School

Thad Hendrix (106 pounds), Nathan Keegan (120), Kyle Allen (126), Ryan Adams (138), Dylan Meyer (145), Austin Moore (170), Austin Raetzel (195) and Mason Koechner (285) all competed at the state tournament in Salina.

Adams earned the school's lone state medal on the season as he finished sixth overall at 138 pounds.

Louisburg head football and boys track and field coach Gary Griffin retired from the district after 32 years. It was one of many changes for the LHS athletic department.

5. LHS goes through staff/coaching changes

The 2017-18 school year looked a lot of different than in previous years for Louisburg High School athletics.

LHS saw a lot of changes in its coaching staff and in the administration as well. Activities director Darin Gagnebin stepped down and was replaced by current director Jeremy Holloway.

In the coaching department, former head and assistant football Gary Griffin retired from the district after 32 years with the high school and Louisburg promoted assistant Robert Ebenstein

as the new Wildcat head football coach.

Jason Nelson resigned his post as the Wildcat head boys basketball coach and he was replaced with Ty Pfannenstiel. Griffin and Greg Darrington also resigned as the boys and girls track and field coaches, and were replaced by Andy Wright (boys) and John Reece (girls).

Louisburg cross country runners (from left) Tim Smith, Trinity Moore and Wyatt Reece each ended the season with a state medal.

4. LHS cross country earns three state medals, qualifies girls team

The Louisburg High School cross country team might have had

its best season in its 19-year history in 2017.

The Wildcats thrived against some of the state's best competition as seniors Wyatt Reece, Tim Smith and sophomore Trinity Moore all earned state medals at the Class 4A meet in Wamego.

Moore recorded the highest finish for a female runner in school history as she finished fifth in the state and broke her own school record in the process with a time of 19 minutes and 47 seconds.

In the boys race, Reece picked up his first state medal with a time of 17 minutes and finished 11th overall. Smith, who won a regional title the week before, came in 15th with a time of 17:05. Smith was the first Wildcat to win a regional title in school history.

Louisburg also made history as the Wildcat girls team qualified for the state meet for the first time after they finished third at their regional in Burlington. Moore joined Isabelle Holtzen, Reilly Alexander, Carlee Gassman, Kaitlyn Lewer, Payton Shaffer and Emily Williams to make up the seven-member squad that finished 10th in the team standings at state.

Earlier in the year, Moore became the school's first Frontier League champion, while Reece recorded the highest league finish in boys history as he took second at the league meet.

3. Louisburg boys basketball earns first state tournament berth in 12 years

The season may not have started out the way the Louisburg boys basketball team would have liked, but it certainly finished on a positive note.

Louisburg knocked off rival Paola in the sub-state semifinals and then defeated Fort Scott in the championship game in early March to earn its first sub-state championship since 2005.

The Wildcats earned the No. 6 seed and squared off with eventual champion Bishop Miege at the Class 4A state tournament in Salina. The Stags ended the Wildcats' season with an 81-47 loss.

2. LHS girls soccer finishes fourth at state tournament

Louisburg's girls soccer program has only been around for two years, but the Wildcats have set high expectations from the beginning and that continued in 2017.

The Wildcats advanced to the Class 4-1A state semifinals for the first time in school history as they defeated Piper with a 2-1 victory in overtime. This victory came off their second consecutive regional title as they knocked off Bonner Springs.

At the state tournament, Louisburg faced off with Thomas More Prep and suffered a heart-breaking 1-0 loss in the semifinals. The Wildcats moved on to the third-place game against Maize South and eventually finished fourth overall.

1. Lady Cat volleyball ends season as state runner-up

The Louisburg High School volleyball team was just one point away from not only becoming the school's first state volleyball champion – but also the first female team to win a state title in Louisburg history.

As close as the Lady Cats got, they came up just short against defending state champion Rose Hill in late October at the Class 4A-Division I state championship. Louisburg fell 23-25, 25-10 and 29-27 in heartbreaking fashion to finish as the state runner-up.

Still, it was an impressive season for Louisburg volleyball as it finished with a 34-10 record. The Lady Cats reeled off wins over Basehor-Linwood, Bishop Miege and Rose Hill in pool play and then downed Wellington in the state semifinals.

The Lady Cats received several accolades as junior Anna Dixon

and senior Sophie McMullen earned first team all-state and all-league honors. Dixon was also named as the Co-Player of the Year in Class 4A-Division I.

Junior Carson Buffington was also named to the all-state tournament team with Dixon and McMullen.

KSHSAA releases 2017-18 classifications

The Kansas High School Activities Association released the classifications for the 2017-18 season on Tuesday morning, and for Louisburg High School, much remains the same.

The Wildcats are currently a Class 4A-Division I program with 532 students, but after this season the classification system will change. Class 4A will get rid of the divisions and 4A will have just 36 schools. Louisburg is still expected to be in 4A for the foreseeable future.

However, several schools across the state made classification changes.

September 28, 2017

FOR IMMEDIATE RELEASE

The 2017-18 KSHSAA senior high membership is 354 schools. Wichita-Haskell Magnet school is an unclassified member school.

School classification changes with enrollment ranges are as follows:
 1. Each year's 2016-2017 classification is shown in parentheses.

Class	Number of Schools	Range	Schools Changing Class
5A	32	2424 - 1389	Kansas City-Oldham (5A)
5A	32	1363 - 919	Kansas City-Wyandotte (5A) Maize South (4A) Olathe West (4A)
4A	64	791 - 282	Arkansas City (5A) Garden City (5A) Kansas City-Summer Academy (5A) Marysville (5A)
3A	64	280 - 136	Colby (4A) Goodland (4A) Haven (5A) Hugoton (5A) Maysville (4A) North Community (4A)
2A	64	136 - 92	Bullington (1A) Beverly (1A) Jefferson-Hopkins County (1A) Lawrence (1A) Marian (2A) St. Francis (1A) St. Joseph's Military Academy (1A) Tyrone (3A)
1A	67	92 - 23	Abilene-Revere County (2A) Cottonwood Falls-Chase County (2A) Harris-Memorial Valley (2A) Kawitka-Ford (2A) St. John's (2A) Troy (2A) Valley Falls (2A) Washington County (2A)

Hays is currently the largest 4A school with 791 students, followed by Sumner Academy (782), Andover Central (764), Bonner Springs (762) and Arkansas City (757).

Sub-state and regional assignments for the fall season will be released in the coming days.

Holloway excited for new role as LHS activities director

Louisburg High School activities director Jeremy Holloway is looking forward to his new position as he starts his 17th year in the USD 416 school district.

Growing up, Jeremy Holloway wasn't one to stay in a place for too long.

Holloway spent most of his childhood and young adult life moving from place to place. He wasn't the type of person who envisioned himself putting down roots.

"I was a constant migrant," Holloway said.

That was until he moved to Louisburg with his wife Megan. Now instead of a migrant, Holloway is deep-rooted in a town he loves.

It made his decision, almost two months ago, an easy one.

Back in June, Holloway was hired as the new Louisburg High School activities director and assistant principal, following the resignation of former activities director Darin Gagnebin. Holloway, who has spent the last 16 years as a teacher at Louisburg Middle School, is ready for the new challenge.

"I am really looking forward to it," Holloway said. "I have been here in Louisburg for 17 years. I never lived anywhere for more than four years in my life until I came to Louisburg. I never knew what it was like to be a part of a community and when I got here I just fell in love with the town. I was excited to become a part of it and Louisburg became important to me. The teaching was great and getting to know all the kids and see them grow up all the way through college was fun. Now I see some of my former students teaching in the building here and it is an amazing feeling. It just felt like home to me."

Fate seemed to step in at the right time for Holloway. He entered the summer still planning to teach history at the middle school, but the dominoes quickly started to fall into place.

Holloway was well on his way to getting his administration degree this past school year as he was planning on holding on to it until something in Louisburg came open. He didn't have to wait long.

"I had to get recertified, so I talked with my wife and I said why get an education masters if it is just going to move me on the pay scale," he said. "Why not get an administration degree to have options? There are other places near here that are looking for people, but that isn't what I want. The only move I would make is to stay in Louisburg. I happened to be down in Eureka Springs on vacation and I got a text in middle of night that Gagnebin had resigned. I had just got my diploma the day before we left. I applied and it turned out well and hopefully it was a good thing."

Louisburg USD 416 superintendent Dr. Brian Biermann had to sift through more than 20 different applicants for the job, but he believes Holloway is going to do great things in the position.

"Jeremy has been a loyal and dedicated teacher and coach in

our community for 17 years,” Dr. Biermann said. “Jeremy possesses many strong leadership attributes that will allow him to be a strong, instructional leader at Louisburg High School. He is passionate about education, has a strong work ethic and is committed to our community.

“Jeremy is all about building positive relationships with students, staff and the community. For 17 years he has been building these relationships. Now, he will be able to build upon his unique skill set in a leadership position in our district. I am excited to see the great things Mr. Holloway can contribute to our district and community in this new role.”

One of the first things Holloway wanted to do was to get to know his new coaching staff. Several new coaches were hired this past school year and he wanted to see what they were all about.

“I just want them to feel comfortable with me and let them understand that I am approachable,” Holloway said. “That relationship piece is huge. I am getting to know where they are from, how many kids they have and I want them to feel comfortable coming to me. We do lose some great experience, but we have gained some capable coaches and a lot of enthusiasm. I just want to be a positive impact for them.”

Since he started officially on July 24, Holloway has been hard at work in several different areas, but one of the bigger things going on now is the shuffling of the Frontier League.

The league, which will be at seven schools this year, will move up to nine starting for the 2018-19 school year. Bonner Springs, Tonganoxie and Piper will join the league, while De Soto will depart.

Baldwin, an original league member, is concerned the school will move down to Class 3A starting in 2018-19, thanks to changes in the classification system. If it happens, it will

create scheduling conflicts for football.

“The biggest conflict right now is Baldwin is right on the edge of becoming 3A and they think it will happen,” Holloway said. “If Baldwin is in our league, which is what we plan on, they are required to play five district games for football, which only leaves them three league games. If only three league teams play Baldwin, then the rest of the league teams have to find another team to play. I have schools from Lansing, Independence, Coffeyville, Chanute and other schools calling me trying to lock up games. There are so many different scenarios so we just have to wait and see. That is one thing that I am really working on right now.”

With the activity season fast approaching, Holloway is excited for everything to get underway. He is also looking forward to getting to know the fan base more.

“I have always been highly impressed of Louisburg and the support of its teams and the turnout we will get, especially for football games,” Holloway said. “I encourage Louisburg to continue the tradition of being a class act. I think that every town has its own culture and a lot of it starts with the coaches. If your coaches are harassing refs, your players are probably going to start to learn that they can do that and that will trickle down to the parents and crowd. Without pointing fingers, there are certain places where that is the climate. I think Louisburg has been great. There are always going to be situations, but I would encourage fans and parents to support our coaches and let them coach.

“I am looking forward to an exciting year. We have great coaches, that are experienced and they are very innovative. They are organized and they all seem truly excited about what is going on. The community can rest assured that the coaches that are in place right now have the best interest of the kids and the programs.”

Opinion: Time to look back and enjoy successes

The Louisburg High School football team was one of many bright spots for LHS athletics this past school year.

We live in a world where, especially in sports, we often don't take time to reflect on our accomplishments – and instead we are in a rush to move on to the next set of obstacles.

In reality, we are in a “what have you done for me lately” society and sometimes don't remember, or enjoy, those special moments where our hard work has paid off.

Yes, I understand you don't want to relish in those accomplishments as that doesn't make you a better athlete, or whatever your specialty may be, but not taking the time to enjoy the ride can be detrimental.

And what a ride it was for Louisburg High School athletics this past season.

The Wildcats had a special year in several sports, and before we focus on the 2017-18 campaign, we should look back at what the 16-17 season brought us. Just take a look at what these Wildcats accomplished.

- There is probably no better place to start than the Louisburg soccer teams. Both the boys and girls teams earned spots in the state semifinals for the first time in program history and both finished fourth. The boys team made it to state for the first time in their 14 years, while the girls advanced to the state tournament in just their second season.

The Louisburg High School girls soccer team finished fourth in the state in just their second season. The Wildcat boys also finished fourth as they advanced to the state semifinals for the first time in program history.

- It was quite the season for the Wildcat boys basketball team as they advanced to the state tournament for the first time since 2005. Louisburg won its sub-state tournament with a 64-52 win over Fort Scott in the championship game.

The Louisburg boys basketball team qualified for state for the first time since 2005.

- The Louisburg football team made quite the run in the 2016 season. The Wildcats won their first playoff game since 2012 and earned a regional title in the process with a win over Independence. Even though their season came to an end in the next round to eventual state champion Bishop Miege, the Wildcats' still finished with an 8-3 record.
- Wrestling had another big season as the Wildcats qualified eight for the Class 4A state tournament in Salina. Although Ryan Adams was the lone state medalist, as he finished sixth overall at 138 pounds, the Wildcats tied a school record for number of state qualifiers that was set back in 1984.
- In cross country, the Wildcats sent three runners to the state meet and had their first state medalist since 2006 when freshman Trinity Moore finished 19th overall, as she, Wyatt Reece and Tim Smith competed at the Wamego meet. Moore was also the school's first female runner to earn a state medal.

- Freshman golfer Calvin Dillon became the Wildcats' first state medalist in several years as he finished 10th at the Class 4A state tournament and was one of two Wildcats, along with Ty Martin, to qualify for state. Dillon could quite possibly be the first freshman golfer in school history to get a medal, but since golf stats aren't quite as well kept, it is hard to tell for sure.
- T.J. Dover and Isabelle Holtzen came through with state medals of their own following the state track meet. Holtzen finished seventh at the Class 4A meet in the pole vault and Dover was eighth in the discus as both medaled for the first time. Holtzen also broke the school record in the pole vault earlier in the season after she cleared 11 feet, 1 inch.
- The girls basketball and softball teams both had big improvements from a season ago as they each reached 10 wins despite falling in the first round of their sub-state and regional tournaments. Softball doubled their win total from 2016, while the girls basketball team improved by seven victories.
- The Louisburg volleyball team advanced to the sub-state championship game against rival Paola and was just a few points away from advancing to its fifth consecutive state tournament. The Lady Cats also finished the season with 23 victories.

Most schools across the state would love to have the kind of success Louisburg experienced this year and to me that doesn't seem like it is talked about enough.

Sometimes we get caught up in losses or not meeting expectations, when in fact, compared to a lot of schools, Louisburg exceeds expectations – at least it does mine.

Could these programs be better? Sure they could and the coaches would be the first to tell you. At the same time, we all need to take a step back, look at the big picture and enjoy the success we have.

To me, Louisburg athletics is as healthy as it has been in a long time.

A lot has been made about all the coaches that have left recently. Louisburg will have four new head coaches this upcoming school year and several new assistants.

Some people have considered this a mass exodus due problems at the school. It couldn't be further from the truth. A lot of it is just coincidence. For some it was retirement, others wanted to spend more time with family and a few more just wanted a change.

Former activities director Darin Gagenbin left to be closer to his family and work in the town where he lives. I know all about how great of an opportunity that is and it is the same thing I did almost 10 years ago when I moved here with my family. Working in the town you live in is something you can't put a value on.

Louisburg found a great replacement in Jeremy Holloway, who has been with the district for 17 years and is invested in the community. The school has also brought in a lot of new, young coaches that have come in with excitement and new ideas.

It is bittersweet for me as a lot of those coaches I had a chance to get to know really well are now gone. Although I am mainly a solo operation, I consider a lot of them my co-workers and it stinks to see them move on, but I also know they are doing the best for themselves and their families.

The same could be said for the class of 2017. The group of seniors I worked with this past year were great to get to know, just like all the senior classes before them.

I appreciated all their support and what I do could not be done without those kids. It is great to see them grow up and watch them become successful outside the classroom. I am not a teacher or coach, but still appreciate all they accomplish.

With 2016-17 in the rear view mirror, it will soon be time to focus on the upcoming season and I couldn't be more excited to see what accomplishments this group of Wildcats have in store. It has all the makings of a fun and special year.

Gagnebin steps down as LHS activities director

Louisburg High School activities director Darin Gagnebin presents the Wildcat girls soccer team with their regional championship trophy last month. Gagnebin resigned his post earlier this month to take a similar position in Paola.

Darin Gagnebin has a fondness for Louisburg High School, his coaches and students.

That made it all the more hard to say goodbye.

Gagnebin resigned his post as LHS assistant principal and activities director earlier this month to tentatively take the same position at Paola High School. His last day in Louisburg was last week.

Gagnebin spent a total of 17 years in the Louisburg school

district, with the last six spent as activities director. He was also a teacher and coach for 11 years.

Family was the biggest reason he decided to make the move. Gagnebin and his family currently reside in Paola and his two children attend schools in Paola.

“People have come and gone, but it is still family here,” Gagnebin said. “I am comfortable here and Louisburg has done a lot for me. I just can’t pass up an opportunity to be where my kids are at. I know I could have brought my kids here, but my wife and I made that decision a long time ago of where we were going to live because of where she taught and I taught. I never thought back when we first moved to Paola and when we had kids, that we would be in this position.”

It was a difficult decision for Gagnebin as he leaves behind a group of coaches, several of whom he recently hired. The Louisburg district had a number of new coaches come on board for the upcoming school year.

“We have gone through some trials in the last couple of years and that is with any school,” Gagnebin said. “I told my wife, that if this was going to happen the way it did and I could pick the time, I wish the timing would have happened two years down the road. I would have loved to see what this young group of teachers and coaches are going to do coming in.

“I told my wife that I was really excited about coming back next year and I felt we made some good hires. We have a passionate coaching staff coming on and they are great people with new ideas. It just happened out of the blue.”

The opening came when former Paola High School principal Phil Bressler took the new principal job at Pittsburg High School. Paola assistant principal and activities director Jeff Hines was elevated to the Paola principal position, which left the Panthers needing an activities director.

It can be traced back even further when the Pittsburg High School journalism class wrote an investigative piece that ousted its newly hired principal, which forced the school to reopen the position and eventually hired Bressler.

“Had Pittsburg’s journalism class not done their job, we wouldn’t be sitting here talking right now,” Gagnebin said.

The Paola position was an opportunity Gagnebin just couldn’t pass up as he will have an opportunity to watch more of his children’s events and work closer to home.

“I have missed a lot of my own kids’ stuff,” he said. “But the people here have been really great, (Principal) Tammy (Thomasson) now and Dave (Tappan) before her, to let me try to get to as much stuff as I can. I still miss things. These opportunities don’t come around very often and I just figured this would be a great fit for me and my family.

“But I couldn’t ask for a better group of coaches here in Louisburg. They are good and passionate about what they do. I really have developed some good bonds over the years. I know some have left and some have stayed on, but the coaches and staff I have had has been great.”

Changes to classification system will impact Louisburg

Member schools in the Kansas State High School Activities Association sent ripples across the state last week when they passed two proposals that will affect high school athletics beginning in the 2018-19 season.

For football, the two 4A divisions and Class 2-1A have been eliminated. They have been replaced with 32 team classifications in 4A, 5A and 6A, while 3A and 2A will have 48-team classifications. The remaining schools will play in 1A.

The second proposal was for all other sports. Other than football, classes 4A, 5A and 6A will have 36 teams in each division. Classes 3A and 2A will have 64 schools each, while the remaining schools will be in 1A.

The football proposal passed with a vote of 215-73 and the all-sports proposal passed with a 207-145 majority. All of the classes, except 6A and 1A, were in favor.

With those new proposals comes a different playoff system for many of the sports.

Louisburg High School, which is a Class 4A school, will see changes in five sports programs – football, basketball, baseball, softball and volleyball.

In football, Louisburg will no longer have district play as the playoffs will begin in week nine. Class 4A will play an eight-game regular season and then each side of the state will be seeded in a bracket from 1 through 16, based on their record.

Given the fact the Frontier League currently has nine teams after recently adding three schools in Tonganoxie, Bonner Springs and Piper, the Wildcats will no longer have to play a non-league opponent. De Soto recently chose to leave the Frontier League following the 2017-18 season to join a new league made up of 5A schools.

“Normally we go out in October to Salina, we would redistrict for 2018 and 2019,” Louisburg activities director Darin Gagnebin said. “I don’t even know that we will have to go cause our league has nine teams, so we would play eight league games and the ninth game gets assigned to you for the playoffs. As of right now in football, we will no longer have any out of conference opponents as long as we maintain nine in the league.”

Another change will be in basketball. For the postseason, there will no longer be substates, instead the 18 teams on each side of the state will be bracketed out by record beginning with two play-in games.

From there, the bracket will be sized down to four-team pods, with the higher seed hosting the game. Teams will have to win two games to reach the state tournaments. Pods will be 1-16-8-9 seeds, 4-13-5-12, 2-15-7-10 and 3-14-6-11. The eight pod winners will advance to the state tournament.

“Depending on where we fall, it could increase travel depending on where we are seeded,” Gagnebin said. “We could have to drive down to Coffeyville or drive up to Atchison, you just don’t know until the end of the year.”

Basketball schedules will also be different with the addition of the new league teams in 2018-19. There will no longer be double round-robin schedules. There will be eight league games, six tournament games and athletic directors will have to find a way to fill the other six.

“We will start in August about building the new league

schedule and it will be tough," Gagnebin said. "One thing you will see is we won't have double round-robin's anymore because we can't play everyone twice. I think there will be traditional rivalries that are held to where we would play those twice due to proximity. Quite frankly, it wouldn't be smart for Louisburg not to play Paola, Ottawa or Spring Hill twice due to higher attendance numbers and proximity. It will probably increase travel costs because you are playing more non-conference opponents."

Baseball and softball will be similar as there will no longer be regionals. Like basketball, there will be two play-in games with the same pod structure. The top four overall seeds will each host all games in their pod on the same day.

In volleyball, there will be four substates across the state, broken into eight brackets. There will also be nine teams in each substate, which will require a play-in game. Teams will need to win two games to qualify for state.

Postseasons for wrestling, track, soccer, cross country and golf will remain the same.

However, even with the new changes, the proposals don't address the competitive balance issue between public and private schools that many members have been talking about for the last several years.

Although he likes the new playoff system, the fact these changes don't address the problem is one of the reasons Gagnebin voted no on the new proposals.

"It was a shock because I didn't think it was going to pass," Gagnebin said. "Other than the playoff system, in my opinion, it doesn't do anything for Class 4A. All the work that went into splitting 4A into two divisions is now gone. I feel bad for those schools because they put in a ton of work. It doesn't really affect us because we are locked into 4A and we are right in the middle of the pack."

“I didn’t see how it benefited Louisburg or 4A, other than the playoffs system where it should ensure you have more competitive teams at state. Since you are seeding them out now, you shouldn’t have a substate of teams with losing records. They could have done that without this.”

Although private schools like Bishop Miege, which have won several state titles in the last few years, could find itself moving up a classification with the new measures, it isn’t a permanent solution according to Gagnebin.

“Enrollment could bump some private schools up a class, but that doesn’t fix the problem,” Gagnebin said. “Private schools can control enrollment. According to (Miege) they are losing enrollment and could be back in 4A. It doesn’t impact the private issue at all and that is why I didn’t vote for it. It is not fixing what the 80 percent of athletic directors polled in Kansas asking what the biggest problems in classifications are. It doesn’t address the real problem.”

Dillon earns state medal as a freshman

Louisburg’s Calvin Dillon watches his tee shot during the Class 4A regional tournament earlier this month. At the Class 4A state tournament Monday in Wamego, Dillon shot an 80 which

earned him a 10th place medal.

WAMEGO – Calvin Dillon may have been a freshman in the classroom at Louisburg High School, but he certainly didn't play like one on the golf course this season.

Dillon played more like an upperclassmen on the biggest stage the state has to offer.

At the Class 4A Kansas State Golf Tournament, Dillon shot an 80 and earned a state medal as he finished in 10th place overall Monday at Wamego Country Club.

"It definitely means a lot," Dillon said of the state medal. "I worked hard throughout the season and medaling at state was an expectation for me. My goal was to finish in the top 10 at state."

Dillon finished in a three-way tie for 10th place and had to compete in a playoff for position. Dillon teed off on hole No. 5 and his ball made his way into the rough.

He then was able to put the ball on the green on his next shot and was about eight feet from the hole, which set up a birdie opportunity. Dillon went on to par on the hole while the other two players bogeyed.

It was the end of a long day for Dillon, one that featured that lengthy delay in the middle of his round due to inclement weather

"I felt like I shot well, given the conditions and the toughness of the course," Dillon said. "Wamego Country Club has tight fairways and fast greens. I hit a few shots that cost me, but the course was playing tough for everyone."

Dillon was joined by Louisburg senior Ty Martin who also had a

big improvement off his previous state appearance a year ago. Martin shot an 85, which put him in a tie for 28th place, and was 10 strokes better than his state performance last season.

The Wildcats had two top 30 finishes in a tournament that featured 104 golfers from across the state.

“Calvin played a great round,” Louisburg coach Brian Burns said. “He deserved a top 10 medal for all of his hard work this season. Ty played good also. He was in the top 27 percent in the state tournament and that is pretty darn good.”

Dillon also saw a familiar face on the course as he faced off with his cousin Chase Dillon – a junior from Wamego. What was even more unexpected was the two Dillon’s shot the same score and played in the playoff together to determine 10th place.

“Playing with my cousin was fun,” Calvin said. “He is an outstanding golfer and he had a terrific season. It was ironic that we posted the same score and Chase and I were excited to play against each other. It was a neat way to end the state tournament.

“I felt like I had a good freshman year. I met most of the goals that I set at the beginning of the season.”
