

# Wildcat athletes report back for summer conditioning

**Almost 80 high school girls attended the first day of summer conditioning on Monday at Louisburg High School.**

For the first time in almost three months, Louisburg High School and Louisburg Middle School athletes found themselves back on the field starting Monday at Wildcat Stadium.

It didn't include any balls, equipment, weights and wasn't indoors, but more than 300 athletes participated in the mandatory conditioning drills that were set by the Kansas State High School Activities Association.

"The turnout was exceptional, and considering the limit on group sizes, distance restrictions, and getting creative in using multiple spaces to accommodate the large numbers in appropriately sized groups allowed in phase three, these coordinators did a great job setting a standard," Louisburg activities director Michael Pickman said.

This was all following the cancellation of the spring season to the spread of COVID-19 and KSHSAA allowed school districts to begin conditioning exercises on June 1. The Louisburg school district started this past Monday and each athlete must participate in 10 sessions before being able to attend in any team activities or camps.

Several coaches were in attendance running athletes through drills in three separate stations that would allow some space

between everyone. Football coaches Robert Ebenstein, Ty Pfannenstiel, Joel McGhee and Drew Harding were on hand to lead drills, along with other staff from within the USD 416 school district.

“There are many coaches who are volunteering and just want to be there to support their athletes,” Pickman said. “It’s what makes the LHS coaching staff stand out from others. However, I have encouraged coaches not directly coordinating weights to stay home as much as they can with numbers restrictions, but so far we haven’t had that be an issue.”

High school boys begin each morning at 6 a.m., for the hour-long workout and high school girls follow and then it all finishes up with middle school. To start there were 121 high school boys in attendance, 79 girls and 126 middle school students.

**More than 120 Louisburg High School boys attended the first day of summer conditioning at Wildcat Stadium.**

To start the day, each athlete is screened before the start of conditioning with a temperature check and then they are divided into three groups. Each of them will participate in

three stations that focuses on different workouts. There are no more than 45 athletes in a group and the coaches design workouts to promote the six feet of distance.

“There were temperatures that needed to be taken and protocol for sanitizing hands and checking in that went efficiently and smoothly overall,” Pickman said. “A lot of planning went into this with the coaches to make sure it went well. And Mr. Holloway (LHS principal) volunteered his time to help take temps at the various sessions.”

As far as cross country goes, interested runners instead attend running sessions held by coach John Reece that will take place throughout the summer and they do not have to attend conditioning.

Whenever the athletes have completed their 10 sessions, they are allowed to participate in team activities the rest of the summer. As of right now, everything is on track to allow athletes to begin attending camps after June 29.

“Everything is progressing so far to according to schedule,” Pickman said. “Assuming the governor’s phase out stage begins when it is supposed to, we will be ready to begin using the weight room, gyms, and sports equipment. Coaches will be able to have practices and then middle school and high school age camps after June 29. The younger kids who do not have to have the 10 days of acclimatization are able to run the week of June 22. With the schedule the way it is, kids should have no problem getting their 10 days of acclimatization needed to participate in camps.”

# Pickman named as new LHS activities director

Michael Pickman (left) was hired as Louisburg High School's new activities director and assistant principal last week following the USD Board of Education meeting. Current Louisburg AD, Scott Hinkle (right), will move to the middle school to serve in the same capacity starting next school year.

Louisburg High School will have a little different look to its activities department for the 2020-21 school year.

Following the USD 416 Board of Education meeting on April 13, Michael Pickman was hired to serve as the school's new assistant principal and activities director. Pickman will replace Scott Hinkle, who has been in that position for the last two years.

Hinkle will remain in the district and will move over to the middle school to serve in the same capacity.

"I had known for a while that I wanted to continue my education by getting a second master's degree, but I didn't really know which area," Pickman said. "I talked with current administration and was both inspired and encouraged to explore administrative leadership. This is the job I wanted because it meant staying in Louisburg and continuing to work with the staff and coaches who I know have, can and will achieve great things when it comes to our students and student athletes.

“We are a Louisburg family and I want my daughter in the Louisburg community and school system, so I wouldn’t have done this anywhere else. The atmosphere from district leadership to the building leadership is top notch and I am ready to grow as an educator and work alongside (principal) Jeremy (Holloway) and the administrative staff at the high school and the amazing coaches and support them.”

Pickman has taught English at the high school for the last seven years and has also worked in the Prairie View, West Franklin and Maur Hill Prep school districts.

He has also spent a lot of time in the athletic arena as he has served as the Wildcat boys and girls soccer assistant coach, alongside head coach Kyle Conley, for the last five-plus years.

“It will be tough to give up all aspects of it, but the magic of these soccer programs will be especially difficult,” Pickman said. “Kyle has been an amazing person to coach with and his passion is contagious. Getting to start the girls program with him and the immediate success has been amazing. State finals and big wins and the atmosphere – some don’t ever get to experience that – and lastly the players, both boys and girls who have graduated and those who remain to carry on the greatness are why I said yes to coaching. They make the whole experience amazing and fun.

“So it will be hard, but I would also not have gone anywhere else to do a different job and so I will still be able to support the soccer players and every other student and athlete through my new opportunity and to do so the Wildcat Way.”

As for Hinkle, he spent the last two years as the LHS activities director after coming from Liberal High School. He is excited that his new position at the middle school will allow him to spend more time with family.

“I really enjoyed my time at the high school, even though it

was only two years,” Hinkle said. “I am leaving behind a great workplace with a great culture and an unbelievable staff. It was not an easy decision.

“I made the move to the middle school to get back some evenings and weekends. I have been an athletic director for 11 years at the high school level in my career, and I was ready to free up some time. I know I am joining another great staff at LMS, and look forward to the new challenge ahead of me.”

## 2020 Senior Spotlight: Shayla Aye

*Louisburg Sports Zone will be running senior spotlights through April and May everyday (Monday through Friday) in an effort to honor seniors who had their seasons taken away due to the spread of COVID-19.*

Shayla Aye was all set to make history for Louisburg High School this spring.

Louisburg began its first-ever swim season for the girls program after the Wildcats entered into a co-op with Paola and Osawatomie. In all, the team had three seniors, but Aye was the lone senior from Louisburg.

After a successful boys season in the winter, the girls were

already a couple weeks of practice in before Spring Break and Aye was looking forward to what was in store.

“I was getting excited that swim team was available for the school, especially since I swim for the Louisburg Barracudas in the summer time,” Aye said. “It is something I really enjoy.”

Obviously, Aye’s chance at history went away as the spread of COVID-19 cancelled the rest of her senior year, along with spring sports across the state. That meant no first meet and no more practices with a team she was beginning to enjoy.

“It has been really hard since I was looking forward to swimming in the meets and now I can’t do that anymore for the school,” Aye said.

Even her head coach was disappointed that she won’t get a chance to see what Aye could do in the pool.

“Even though we were only two weeks into the season, I could already tell that Shayla was an awesome athlete and person,” Louisburg coach Maddie Carrigan said. “She was such a fun athlete to coach and had already made so much improvement. She was so coachable, always smiling and listening. I am so sad that Shayla’s one and only season of swimming was cut short. I can’t imagine how much her times would have dropped.”

Swim has been a nice getaway for Aye throughout her life and she didn’t have to travel very far to do it. She has spent the last several years as a member of the Louisburg Barracuda swim program over the summer and built up a lot of experience.

“I have been swimming for 10 years,” Aye said. “I got into the sport by my mom signing me up and since then, swimming has been a big part of my life. I just really enjoy swimming.”

Other than swimming, Louisburg Sports Zone also had a chance to catch up with Shayla on how she has been coping with an

early end to her senior year and some of her other interests. Here are her responses from the rest of our Q&A.

**LSZ:** What have you been missing the most during this time away from everyone?

# **Players, coaches mourn loss of spring sports season**

**Louisburg softball, along with the rest of the Wildcat spring sports teams, saw their season come to a close with the spread of COVID-19.**

It has been almost a week since Kansas Gov. Laura Kelly closed all schools for the rest of the 2019-20 school year due to the spread of COVID-19.

When most students hear school has been closed, especially in the winter, cheers erupt. In this case, however, the tone was much more somber – especially among the senior class.

Proms were canceled. Any plans they had for a graduation ceremony were put on hold, and for more than 30 seniors, their last opportunity at playing a sport at Louisburg High School was taken away.

In fact, close to 200 students were planning on participating in an activity in the spring, but with no school, the Kansas State High School Activities Association followed suit and canceled the spring season the day after Gov. Kelly's declaration.

Students, parents and coaches alike have had to come to grips that a season they had been looking forward to all year, was never going to happen. Tears flowed, walls were punched in frustration and some were left speechless.

There would be no game days, no Senior Nights and no postseason runs. Athletes had to figure out how to cope with this fact – and in many cases – are still trying to do so.

## **GIRLS SOCCER**

Mackenzie Scholtz didn't spend as much of her Spring Break relaxing with family and friends as she wanted.

Instead, she found herself focused on social media, constantly checking updates on what was going to happen with the rest of her senior year. She was scared that her final soccer season was going to be taken away from her.

Turns out, those fears became a reality.

"When I read it for the first time, I just couldn't believe it," Scholtz said. "I immediately broke down in tears. I think I cried for about four hours non-stop just thinking that I would never get to step on that field with my best friends ever again. I had such high hopes for this season too and had been so excited all year."

Before this all came about, none of the 12 Louisburg seniors had any idea they had already played their last match as a Wildcat.

The senior class of Scholtz, Avery O'Meara, Erin Lemke, Lily McDaniel, Ashley Moore, Trinity Moore, Skylar Bowman, Haley Cain, Hannah

Straub, Olivia Chase,  
Andie Masten and Morgan Messer provided Wildcat coach Kyle  
Conley with a lot of  
good memories, which left the news even harder to stomach.

Louisburg  
was looking for its fourth consecutive state final four  
appearance after  
earning second place finishes the last two seasons.

“The decision absolutely broke my heart,”  
Conley said. “I couldn’t in a million years fathom something  
like this could  
happen. I honestly felt the cancellation was harsh this early,  
but would have  
rather like to have seen a postponement and then reevaluate at  
a later date.

This group of 12 seniors was going to be very special. If they  
would have  
returned to the state final four this season, they would have  
been one of only  
two 4A-1A teams to do this improbable feat. This group was  
44-18-1 in their  
three years. I would be willing to bet this is the most  
successful program over  
those three years in regards to win percentage. Obviously,  
winning state  
championships would trump that, but we were extremely  
successful.”

The one thing that has helped players get  
past this disappointment is that there are so many seniors to  
lean on and they  
have done a lot of that this past week.

“The amount of support from this team has  
helped me so much,” Scholtz said. “As soon as we found out  
that we would no

longer play, all of us seniors were sending nothing but love to one another as well as to the whole team. Individually, there were many messages sent showing how much we love each other and that this would get better. Coach Conley and the younger girls also shared a lot of great messages as well. Hearing positive words is really helping me get through this whole thing.”

### **The 2020 Louisburg High School girls soccer team**

Many of the 12 seniors and their parents were a part of the group that helped raise money to start the Louisburg program nearly five years ago. They had always dreamed of winning a state title, but the wondering what could have happened is the worst part for a lot of them.

“This group had three goals: they wanted to win a league title, to win a regional championship and finally win a state championship,” Conley said. “This would have been our program’s fifth year

and everything was built for this season. I believed in this group and I felt we were going to compete for that league title and we were going to go back to the state final four. We wanted three banners: league title, regional championship, and a state championship. It's so sad that we will never get the opportunity to show the state what this team is capable of accomplishing."

## **BASEBALL**

Kade Larson was all set to begin his first season as the head baseball coach at Louisburg High School.

Larson, who was hired late last spring, was looking forward to leading his alma mater and had high expectations for a group that was young, but returned experience from the year before.

Then came the news from KSHSAA to cancel spring activities, which left Larson, and the rest of the Wildcat program, speechless – including seniors Madden Rutherford, Andrew Krause and Kaden Oehlert.

"To say I am disappointed is an understatement," Larson said. "I was very excited for this upcoming year. Being my first year as head coach I was more than ready to get the season underway and see what kind of team we had. I thought we could do some great things this year with the group that we were working with. For the short time we were able to practice, they had a great chemistry and worked super hard.

“I feel terrible for all the players having to lose a season like this, especially the seniors. Madden Rutherford and Andrew Krause were showing great leadership skills and I hate that they had their final season taken away. They are unprecedented times that I never thought would happen.”

Rutherford, who is a two-time All-Frontier League player himself, was ready to make one final run with the Wildcats. Even though he has signed to play baseball for Washington University in St. Louis, he regrets not being able to have one final run in high school.

“Personally I was just ready to just play ball again,” Rutherford said. “My football season ended with an injury, and two surgeries later I was just starting to get back into the swing of things. I was excited for the baseball team this season; we had a different looking coaching staff and a different mentality which was evident at practice. I’ll always be left wondering what could have happened.”

**Senior Madden Rutherford, along with fellow seniors Andrew Krause and Kaden Oehlert, all saw their high school careers come to a close with the spread of COVID-19.**

As

difficult as it was for the seniors, the junior class will also have some

obstacles to overcome – especially for those who are wanting to play at the college level.

“To go with the seniors, this is also horrible for the juniors,” Larson said. “Junior year is a big recruiting time and a lot of these guys are missing that. So all around this just is a bad time for an athlete, but I know they will work through it and come back next year ready to go.”

Even with all the hardships athletes are facing, including the loss of a season, several are trying to find the silver lining in it all.

“The whole COVID-19 situation has made me appreciate what I have,” Rutherford said. “It’s hard to truly recognize how nice you have things until they’re taken away. I just hope and pray that things don’t escalate further.”

## **TRACK AND FIELD**

Carlee Gassman and Sydni Keagle were ready for the seasons of their lives on the track this season.

Gassman, who is a returning a state medalist in the hurdles, was considered one of the best returning 300-meter hurdlers in Class 4A. As for Keagle, she finished one spot away from a state medal last year in the 100 hurdles.

Both Louisburg seniors had high hopes, as did the rest of the Lady Cat track team that was ranked high in Class 4A in the preseason. That made the news of canceling spring sports all the more crushing.

“I honestly couldn’t believe it,” Keagle said. “At first I was in shock and then I was just incredibly sad at this loss of opportunity and it’s taken a while to come to terms with the fact that I won’t be able to compete in my favorite sport one last time.”

Gassman felt much the same way as she earned three state medals as season ago. Along with sophomore Delaney Wright, who garnered four state medals, the two athletes figured to score a lot of points for the Lady Cats this season.

“When I heard the last quarter of my senior year was cancelled and knowing track would be over as well, I found myself crying about not having school,” Gassman said. “I never thought I’d find myself crying over school. I am just trying to keep my head high – there are better things to come.”

Girls coach John Reece said there were 34 out for track before the team departed for Spring Break, which was one of the bigger groups the Lady Cats have had in several years.

The Louisburg 4×400 relay of (from left) Carlee Gassman, Rain

**Pugh, Sydni Keagle and Delaney Wright were some of several returning Lady Cats trying for a big state performance.**

“It is a huge bummer that everything got nixed,” Reece said. “We had a chance to do some great things this track season on the girls side. We could have been a top three team at state with a handful of very talented girls. My heart goes out to the girls and the missed opportunity for them.”

The same could be said for the boys as the Wildcats featured a big roster of 74 athletes and Louisburg would have been competitive in most events throughout the season.

“I am just extremely disappointed,” boys coach Andy Wright said. “We had 74 boys out, which is the biggest number we have had in several years. We had multiple state qualifiers returning as well as some newcomers that could have helped contribute to a successful year.”

One of those qualifiers was javelin thrower Michael Waldron. The Louisburg senior finished just a few feet away from earning a state medal a season ago, and now his attempt at getting there has been dashed.

“It’s really hard to describe the disappointment I had when I heard that I wouldn’t be able to throw javelin this year,” Waldron said. “It was tough and very hard to wrap my mind around, it’s tough

knowing that I had about a week of practice under my belt and a lot of preparation for the first meet of the year. Just finding out I wouldn't be competing at all was crushing."

The season was an important one, not only to Waldron, but to the rest of the track seniors as well. Anthony Davis (distance), Trent Martin (pole vault), Charlie Koontz (sprints, relays), Carter Anglin (discus), Garrett Harding (shot put) and Indy Strumillo (jumps) were all in their final year and were excited with what lied ahead. A few of them had already made plans to work out together over Spring Break to get some extra work in.

"I texted Carter Anglin and Garrett Harding about the fact that our season was over, since we all threw together," Waldron said. "It was tough for Carter because I knew he was thinking about a possible state appearance this year. For Garrett, it was his first year but he had some good success in the first few weeks with throwing shot put, so I know he was excited. It's just a bummer and we have texted each other, and comforted one another. We are just still in shock – it was like a slap in the face."

## **GOLF**

Calvin Dillon has already had the best career in Louisburg High School golf history, and he accomplished that after his junior season.

Still, he wanted a lot more.

Dillon, who is a three-time state medalist, was looking for that elusive state championship this year and was considered one of the favorites going into the season. With the cancellation of spring sports it left Dillon, like many others, wondering 'What if?'

"It was definitely hard to hear that the regular season, as well as postseason were canceled," Dillon said. "It seemed like it happened all of a sudden. When you hear of professional and collegiate seasons being cancelled, you feel some remorse and disappointment for them, but when your own season gets cancelled, it becomes real."

The remorse for his own season wasn't what Dillon was feeling. It was the fact that he had hoped to lead a team – full of seniors – to its second consecutive state tournament appearance.

Seniors Drake Varns, Garrett Rolofson, Ryan Haight and Colin Cook all returned from that team, while other seniors like David Perentis, Deven Wieland and Luke Wickersham were also trying to vie for the final spots.

**Five of the six golfers from Louisburg's state team returned in 2020 to try and make another trip to the state tournament. (From left) Colin Cook, Drake Varns, Calvin Dillon, Ryan Haight and Garrett Rolofson.**

"We definitely had high expectations for this season," Dillon said. "With the heavy amount of seniors on the team, as well as our regional and state experience last year, we were really excited. I think the most disappointing thing for all of us is going to be the lack of closure. We were all looking forward to one last go-around, and to have our season disappear in a matter of days is devastating."

Like with every other conflict in life, the Wildcats are trying to make sense of it all and find a positive side to what has been a forgetful week.

“One positive that comes from this situation is the gratitude we will now have for our everyday lives,” Dillon said. “You never know when something catastrophic like this can happen, and we need to be thankful for the life we do have.

Although this situation is disappointing for us, it was ultimately God’s plan.

He is the one that is in control, and if we seek him in this time of discomfort, we will find the closure and satisfaction that we lost along with our senior season.”

## **GIRLS SWIMMING**

It was an historic season before it even started as Louisburg would join the Osawatomie-Paola girls swim team for the first time this year.

Unfortunately, thanks to the pandemic spreading across the country, history will have to take a back seat for another year.

Head coach Maddie Carrigan was in her first year with the program after assisting with the boys team last winter, so finding out the news with everyone else was a little tough to take.

“It was really upset when I heard the news,” Carrigan said. “Obviously, I understand the reason for the cancellation of school and

sports season, so I completely back the decision. It was still a huge bummer for me because this was my first time having a high school head coaching role. It was a pretty big honor since I'm only 23 and I was super excited to try some fun new things I came up with for the girls. The first two weeks were already so much fun and the girls improved so much, so I can't imagine how great the whole season would have been."

Osawatomie-Paola-Louisburg had three seniors swimmers this season, including Shayla Aye from Louisburg and Brayden Hanf and Grace Shore from Paola.

In all, Louisburg had eight swimmers on the team including Aye, Claire Brown, Bailey Hallas, Sydney Keaton, Dana Mattison, Anna Morrison, Dagen Page and Reese Reitz.

"Everyone is really bummed, especially the seniors," Carrigan said. "We had a lot of first time swimmers, as well, so I hope this doesn't deter them from joining the team again next year."

## **SOFTBALL**

Last year was a special season for the Louisburg softball team as the Lady Cats made a run to a regional championship and a state tournament appearance.

It was a great last part of the season for several of the Lady Cats.

Unfortunately, with the news of COVID-19, this year's version of Louisburg softball team will never get another chance at a magical season.

"When I found out my season was canceled, I was devastated," senior Reilly Ratliff-Becher said. "It would be the last time I ever played softball and it's just taken away from me."

The seven Lady Cat seniors were excited to begin this season, as was their coach, Nick Chapman. Chapman was in his first year as head coach with the program after spending last season at the junior varsity level.

After a couple weeks of practices, Chapman had barely gotten a chance to get to know his new team. Then he had to deliver the news that no one wanted to hear.

"This was not easy news to get," Chapman said. "It was even harder to have to tell the girls and even worse that I had to do it over the phone. It's still not real. Next week, we were going to get back to work and prepare for a special season. The girls had bought into what we were trying to accomplish. Just in two weeks, the culture was changing and girls were understanding what it meant to play team softball and do what is best for the team. The end of last week we had our first team bonding night.

The seniors set their team expectations and goals for the year. I listened to each of them say how excited they were for this specific year and to make one last run at it.

“I was crushed to have to tell them they weren’t going to get that chance. All seven of them helped mold this team into something special and set the tone for what Louisburg softball should be. I was excited for the product we were going to put on the field game one. I thought this year was going to be a season full of success.”

The seven seniors consisted of Ratliff-Becher, Allie Boles, Lauren Cutshaw, Kayla Willey, Kat Coolidge, Gabby Duggar and August Daniels. Some of those seniors were a big part of the Lady Cats’ state run a year ago, while others were looking to make an impact on the varsity level this year.

“I had very good expectations for this year,” Ratliff-Becher said. “As much as I feel bad for myself, teammates and my fellow seniors, I feel especially bad for Chapman. He worked so hard once he found out he got this job. I was so ready to learn and make him proud this season.

“I tell myself is that I have to think of other people in this situation. This could all be much worse. We are just containing this virus and protecting the

ones at the most risk, although it's going to be hard on everyone for a while."

## **Boys swim team wins fourth consecutive league title**

**The Osawatomi-Paola-Louisburg boys swim team celebrated its fourth straight ILC league title last Thursday in Osawatomi.**

OSAWATOMIE – It wasn't a new experience for some of the swimmers Thursday when the Osawatomi-Paola-Louisburg boys captured the ILC title for the fourth consecutive season.

But for the ones for Louisburg, especially since this was their first go-around with the program, it was a welcome addition to what has been an already successful season.

The Miami County team reclaimed the ILC title with 457 points and won the seven-team meet going away at the OZone in Osawatomi. Parsons was the next closest with 349 points and Piper was third with 324.

“This win was a team win,” coach Gerri Hart said. “Everyone on the team scored points this year. All the boys practice as a team everyday pushing each other to get better for this meet. Their hard work paid off with this big win.

“Coach Maddie (Carrigan) and I are so proud of the boys hard work and team spirit. My favorite thing about this team and every team that came before this is that we are one community working to improve together as swimmers and people, not three schools.”

Justin Bradley and Theo Hebert had a pair of league titles to lead the Miami County squad. Bradley won the 200-yard freestyle in 2 minutes and 2 seconds and was also victorious in the 500 freestyle in 6:00.

Hebert captured the 100 butterfly in 1:00.60 and later won the 100 backstroke in 1:03.44.

Louisburg freshman Braden Branine captured the first individual swimming league title in school history as he won the 100 breaststroke in 1:14.44. He also took fourth in the 200 individual medley.

This is Louisburg’s first year with the boys swim program.

Branine, along with Bridger Baus, Remington Rice and Cole Brown, won the school’s first league relay title. The four Wildcat swimmers won the 200-medley relay in 1:56.03.

Baus finished runner-up in the 100 butterfly in 1:05.63 and later finished fourth in the 100 backstroke in

1:06.92. Brown also had a big meet as he took second in the 200 individual medley in 2:30 and was fourth in the 100 breaststroke.

Another Louisburg freshman, Brayton Brueggen, finished runner-up in the 500 freestyle in 6:01. Rice had a pair of fourth-place finishes in the 50 freestyle and 100 butterfly. Isaiah Waggerman was third in the 200 freestyle in 2:14.

In the relays, Bradley, Brown, Hebert and Waggerman took second in the 400 freestyle, while Baus, Hebert, Waggerman and Bradley finished third in the 200 freestyle.

Other Louisburg swimmers to compete were Drake Baus, Sam Bradley, Drake Burdine and Cooper Hipp.

## **Miami County boys swim team takes first on Senior Night**

**Louisburg's Bridger Baus swims the butterfly during the home meet for the Osawatomie-Paola-Louisburg team in Osawatomie.**

OSAWATOMIE – With its first home meet canceled due to weather, it had been a long wait for the Miami County boys

swim team to be able to compete in its home pool.

Last Wednesday, the team comprised of swimmers from Osawatomie, Paola and Louisburg hosted four other schools at the Ozone pool in Osawatomie.

It was well worth the wait as the Miami County team took first place with a score of 585 points and blew the competition out of the water. Topeka-Hayden was second with 422 points.

The Osawatomie-Paola-Louisburg team also made some noise individually as they earned state consideration times in three events.

The 200-yard freestyle relay team of Remington Rice, Isaiah Waggerman, Theo Hebert and Justin Bradley finished second overall in 1 minute and 39.52 seconds to earn their state consideration time.

Hebert did the same in the 100 butterfly as he took first in 1:00.59. Bradley also won the 200 freestyle in 2:05.28 to earn another state consideration time.

It was also Senior Night as the program honored six swimmers for their time with the program, including Louisburg senior Sam Bradley. The other seniors who were recognized were Bailey Barnes, Justin Bradley, Hebert, Waggerman and Gabriel Talledo.

**The Osawatomie-Paola-Louisburg seniors are (from left) Bailey Barnes, Justin Bradley, Sam Bradley, Theo Hebert, Isaiah Waggerman and Gabriel Talledo.**

“The boys had a great meet,” coach Gerri Hart said. “Everyone scored points and everyone improved in a least one event. We won the meet, which the senior boys where very happy about.”

The Miami County team placed high in several events, including the 400 freestyle relay of Justin Bradley, Rice, Waggerman and Hebert, who finished first in 3:54. The other 400 team of Cole Brown, Bridger Baus, Brayton Brueggen and Cooper Hipp took third in 4:04.

The 200 medley relay of Baus, Brueggen, Brown and Hipp got the meet started with a third place finish in 2:03, while Drake Baus, Sam Bradley, Drake Burdine and Gabriel Talledo was seventh in 2:16.

In the 200 freestyle, Brueggen was second, while Drake Baus and Aaron Koechner were sixth and

11<sup>th</sup>,  
respectively.

Braden Branine was second in the 200 individual medley in 2:47 and edged out Rice, who finished right behind him in third. Burdine and Hipp were fifth and sixth in the event.

**Louisburg freshman Brayton Brueggen swims to a second place finish in the 200 freestyle.**

Branine also went on to take second in the 100 breaststroke to lead the Miami County team, while Hipp

(fourth), Sam Bradley (7<sup>th</sup>) and Wyatt Axmann (11<sup>th</sup>) also placed.

Hebert placed first in the 100 backstroke. Brueggen placed fourth. Drake Baus was eighth.

Drake Burdine placed ninth.

Justin Bradley placed second in the 500 freestyle. Brown was third. Bridger Baus placed fourth. Talledo was seventh.

Waggerman placed third in the 100 freestyle. Sam Bradley placed ninth. Axel Harrison was 15th. Koechner placed 16th.

Sam Bradley, Drake Baus, Branine and Talledo placed sixth in the 200 freestyle relay.

Waggerman placed fifth in the 50 freestyle. Talledo was eighth. Axmann placed 13th. Harrison was 16th.

### **Miami County team takes fourth at Blue Valley Southwest**

The Miami County boys swim team added more state consideration times to its list Saturday at a meet at Blue Valley Southwest.

Justin Bradley received a state consideration time in the 200- and 50-yard freestyle and earned a consideration time in the 100 freestyle earlier in the year. Theo Hebert earned a state consideration in the 100 backstroke.

The 200 freestyle relay of Bradley, Gabriel Talledo, Hebert and Isaiah Waggerman took fourth and had a state consideration time, as did the 400 freestyle relay of Hebert, Bridger Baus, Waggerman and Bradley.

# Osawatomie-Paola-Louisburg boys swim team off to good start

The inaugural boys swim season got underway earlier this month as Louisburg joined the Osawatomie-Paola program this winter and several swimmers are already making an impact.

The Miami County swim team has already competed in two meets and recently finished fifth out of 10 teams at the Topeka-Hayden Invitational on Dec. 10.

Osawatomie-Paola-Louisburg had a pair of relays that led the way. Theo Hebert, Cole Brown, Bridger Baus and Remington Rice took sixth in 1 minute and 58 seconds in the 200-yard medley relay, while Hebert, Isaiah Waggerman, Brown and Justin Bradley were sixth in the 400 freestyle relay in 3:57.

Hebert led the way individually as he took seventh in the 500 freestyle (5:55) and 100 freestyle (1:02). Baus also

had a seventh place finish in the 100 backstroke (1:08).

Brayton Brueggen was eighth in the 500 freestyle (6:13), while Bradley took ninth in the 200 freestyle (2:08). Brown

had a pair of 10<sup>th</sup> place finishes in the 100 breaststroke (1:18) and 200 individual medley (2:29).

On Dec. 7, the swim team opened its season at Lansing at an all relay meet. They finished sixth overall with 89 points and had a good showing in their first time out according to coach Gerri Hart.

“The boys did well in their first meet,” Hart said. “We had a lot of improvement from the times trial we had on the fifth day of practice. This is a great meet because it is all relays so it builds team spirit. The boys showed great sportsmanship by being one of the only teams to stay in the water till all the swimmers in the event were done and cheering on their opponents. I am really proud of these boys.”

Osawatomie-Paola-Louisburg

had a runner-up finish in the 200-yard backstroke relay. Theo Hebert, Remington

Rice, Bridger Baus and Brayton Brueggen were second in 2:00.61 to lead the way.

They also had a pair

of fourth place finishes. Justin Bradley, Hebert, Rice and Isaiah Waggerman

swam a 5:04 in the 500 freestyle to take fourth, while Hebert, Brueggen, Baus

and Cole Brown were fourth in the 200 butterfly in 1:59.

Bradley, Rice, Baus

and Waggerman were fifth in the 200 freestyle (1:43), while Justin Bradley, Sam Bradley, Brueggen and Brown took sixth in the 200 breaststroke (2:32).

Louisburg students that are on the team this season are Wyatt Axmann, Bridger Baus, Drake Baus, Sam Bradley, Braden Branine, Cole Brown, Brayton Brueggen, Drake Burdine, Cooper Hipp and Remington Rice.

The swim team will be back in action on Jan. 22 for their home opener. The team was originally scheduled to have its home opener on Dec. 16, but it was postponed and then eventually cancelled due to weather.

## **USD 416 to offer new sports for upcoming year**

The Louisburg High School cross country team will have some company this season as Louisburg Middle School is offering cross country for the first time this year and the younger Wildcats will attend many of the same meets as the high

**school. LHS will also offer boys and girls swimming this year and have discussed girls wrestling for the future.**

There are always changes with every incoming school year, but Louisburg residents will see a couple major ones for the 2019-20 school year on the activities side.

Late last spring, the USD 416 Board of Education approved to add three new activities to the Wildcat sports slate in middle school cross county and boys and girls swimming. All three will give students opportunities to try something different for the upcoming year.

Middle school cross country will coincide with the high school season in the fall and those athletes will attend many of the same meets in 2019. Louisburg will open its season on Sept. 5 at the Anderson County Invitational in Garnett.

The Wildcats will then travel to Wellsville and Prairie View on Sept. 19 and 26, respectively, before wrapping its season on Oct. 10 in Eudora for the Frontier League meet.

There will be separate seventh and eighth-grade divisions for the meets and the middle school runners will run two miles, while the high school will continue to run its usual 5-kilometer course.

Current high school coach John Reece will also serve as the middle school head coach, while Paul Restivo takes over assistant coach duties. It is an exciting time for Reece and the Wildcat program.

“Having a feeder program at the middle school level feeding into the high school level is

invaluable," LHS activities director Scott Hinkle said. "Having a feeder program is what builds and sustains successful programs."

Louisburg will also participate in boys swimming, which takes place during the winter season, along with girls swimming that competes in the spring. USD 416 approved to co-op with the current Osawatomie-Paola team during the season, and if any swimmers should qualify for the state meet, they will compete on their own for Louisburg.

USD 416 superintendent Dr. Brian Biermann met with interested swim parents last year and worked with the Kansas State High School Activities Association (KSHSAA) in getting the approval to join the Osawatomie-Paola team for this school year.

Hinkle conducted interest meetings late in the spring with current high school students and eighth-graders moving up into high school.

"The students that attended the initial organizational meeting were very excited and inquisitive," Hinkle said. "We had approximately 24 at the high school meeting – 12 boys and 12 girls. We probably had 10 or 12 show up for the middle school meeting. Usually when you introduce a new sport a lot of kids are interested in hearing about the new opportunity and what options are available to them."

Due to the possible increased numbers for the Osawatomie, Paola and Louisburg team, there was also a new hire made as Maddie Carrigan, who is in her first year as a para at LHS, will be the assistant coach and will help out current head coach Gerri Hart.

When the addition of swimming was first announced, there was talk of how to get the swimmers to and from practice every day at the Miami County YMCA in Osawatomie. If the numbers worked, the parents were going to be allowed to take a school van and do a rotation schedule to take the athletes to practice.

However, due to what could be bigger numbers than anticipated, the district might have to come up with a different option.

“We have explored many options in regard to transportation,” Hinkle said. “We may have gotten real lucky in hiring an assistant swim coach who could help with the transportation. If numbers dictate more than a van, then the district is committed to transport the swimmers in a district school bus. The logistics of all of those factors will have to be worked out.”

Another activity that the district considered adding was girls wrestling. The sport was approved by KSHSAA as a sanctioned sport last April and it became the 23<sup>rd</sup> championship sport in Kansas.

Although some schools will begin programs right away, Louisburg head wrestling coach Bobby Bovaird knows it might take a little time to get a team put together here.

“I’m pretty excited for girls wrestling to finally become a sanctioned sport in Kansas,” Bovaird said. “I’m on the state board of directors for USA Wrestling – Kansas, and we’ve been seeing huge numbers out for girls wrestling at the youth level. Because of that, we’ve known for a while that it was bound to happen at the high school level. Neighboring schools have been seeing a big interest in girls wrestling, and I hope we’re able to see some of that same interest here.

“Last year, we had five girls join the Wildcat Wrestling Club, and I think it was a great experience for them. As they get older and continue with the sport, I hope to see them bringing their friends to try it out.”

Louisburg won’t be the only district in Kansas where girls wrestling will take time to develop, but Bovaird has a plan in place for current female athletes to begin their journey into wrestling.

“I plan on working with our AD (Hinkle) to set a plan in place to accommodate interest in girls wrestling at the high school,” Bovaird said. “For the next two seasons, if a tournament only offers a boys division, then girls will be allowed to compete against male wrestlers. If there is a girls division, then they will compete against females only. After the 2020-21 season, all competitions will be separated by gender. For the time being, we’re going to operate as a single program – one practice, one coaching staff, one team, regardless of gender. As numbers grow and we get closer

to the 2021-22

season, we'll need to restructure to accommodate the state's requirement for separation.

"We have a history of solid female athletics in Louisburg, and I think the timing is just right for us to expand our wrestling program to include more females. Since I've been here, we've had girls join the team, but never in big numbers. I hope to be able to build a foundation for a solid girls program, especially since I have a 7-year-old daughter whom I'd love to see get the benefits of the sport of wrestling."

## **Barracudas roll to 11th straight league title**

**Members of the Louisburg Barracudas were all smiles after they won their 11th consecutive South Suburban Swim League title Saturday in Raytown, Mo.**

Nothing about what the Louisburg Barracudas have done over the last decade has gotten old.

In fact, after every one of the Barracudas' last 10 South Suburban Swim League championships, it has a new feeling to it and No. 11 was no different.

The Barracudas captured their 11<sup>th</sup> consecutive swim league title Saturday in Raytown, Mo., as they downed the Woodson Sharks 570-420 in the five-team league race at the SSSL meet. It capped what was a very successful day for the Barracuda team and individually.

In the high-point competition, Louisburg had 11 swimmers finish in the top three of their respective age divisions and four of those were crowned high-point champions.

Colin Brown (9-10 boys), Samuel Johnson (11-12 boys), Emma Prettyman (13-14 girls) and Maddie Prettyman (15-and-over girls) each won high-point titles to lead the way for Louisburg.

Vivian Goode (8-and-under girls), Andrew Jamison (9-10 boys), Ella Dischinger (11-12 girls) and Claire Brown (13-14 girls) took second overall, while Matthew Farrington (8-and-under boys), Ashley Branine (11-12 girls) and Cole Brown (15-and-over boys) finished in third.

Individually, Louisburg won league titles in 24 events. Colin Brown, Maddie Prettyman and Samuel Johnson each won five events (three individual and two relays) to lead the way, while Ella

Dischinger and Andrew Jamison each finished with four league titles.

Prettyman led the 15-and-over girls with an impressive performance as she won the 50-yard butterfly (27.62 seconds), 50 backstroke (29.01) and 200 individual medley (2 minutes and 23 seconds). She also joined Mary McElyea, Emma Johnson and Dagen Page to win the 200 freestyle relay (1:56) and 200 medley relay (2:06).

Brown did the same for the 9-10 boys and he was a league champion in the 50 freestyle (30.82), 50 butterfly (35.72) and 100 individual medley (1:23).

He also helped Andrew Jamison, Brayden Vohs and Lincoln Nielson to victory in the 100 medley relay (1:13) and 100 freestyle relay (1:07). Jamison also won two individual league titles in the 50 breaststroke (42.65) and 50 backstroke (41.67).

Johnson also had a big day with league titles in the 50 freestyle (27.21), 50 butterfly (28.99) and 50 backstroke (34.73). Josiah McCaskill, Connor Aadland and Colton Prettyman also teamed up with Johnson to win the 200 medley relay (2:24) and 200 freestyle relay (2:06).

Dischinger led the Barracuda 11-12 girls as she won league titles in the 50 freestyle (30.61) and 50 breaststroke (41.80). She also teamed up with Hannah Farrington, Ashley Branine and Janie

Harth to win the 200 medley relay (2:36) and 200 freestyle relay (2:16).

The Barracudas also had a few others capture league titles as Dagen Page won the 50 freestyle (27.75) for the 15-and-over girls, Vivian Goode won the 25-yard breaststroke (25.57) in the 8-and-under division and Mary McElyea took the 50 breaststroke title (33.02).

# Barracudas down Woodson to win three straight to start season

**Louisburg's Josiah McCaskill swims the breaststroke during a meet earlier this season at the Louisburg Aquatic Center.**

After winning its 10<sup>th</sup> straight South Suburban Swim League title last season, the Louisburg Barracudas are well on their way to No. 11.

The Barracudas opened their season with three consecutive victories, including a 300-233 victory over the Woodson Sharks in Kansas City, Mo., on Saturday.

Louisburg defeated Golden Valley 316-175 in Clinton, Mo., to open the season and then followed it up with a 389-119 win over Harrisonville in its home opener on June 15.

Claire Brown (13-14 girls) and Samuel Johnson (11-12 boys) each led Louisburg with five first-place ribbons Saturday against Woodson.

Reece Smith (9-10 girls), Clara Bockelman (8-and-under girls) and Maddie Prettyman (15-and-over girls) each had four first-place finishes.

Brown won three individual events as she captured the 50-yard freestyle in 29.08, 50 breaststroke in 37.35 and the 200 individual medley in 2 minutes and 41 seconds. She also teamed with Lola Edwards, Emma Prettyman and Kasi Tune to take first in the 200 medley relay (2:33) and later she joined Edwards, Prettyman and Gabriella Martire to win the 200 freestyle relay (2:20).

Johnson also had a big day on the

boys side as he went on to take the top spot in the 50 freestyle (27.70), 50 butterfly (31.61) and 50 backstroke (35.09). He also joined Josiah McCaskill, Colton Prettyman and Connor Aadland to win the 200 medley relay (2:25) and 200 freestyle relay (2:09).

As for Smith, she led the 9-10 girls as she took first 50 freestyle (39.17) and 50 breaststroke (48.50). Smith also teamed up with Ella Bockelman, Cricket McIntire and Meg Johnson to win the 100 medley relay (1:25) and 100 freestyle relay (1:19).

Clara Bockelman won three individual events to led the 8-and-under girls. She took first in the 25 freestyle (19.43), 25 butterfly (28.78) and 25 breaststroke (26.97). Clara also joined June Hill, Ivy Dischinger and Vivian Goode to win the 100 freestyle relay (1:48).

Maddie Prettyman also had a successful day with three individual victories in the 50 butterfly (27.72), 50 backstroke (29.16) and 200 individual medley (2:24). She also helped Melia Rice, Emma Johnson and Mary McElyea to a win in the 200 freestyle relay (2:04).
