

Boys swim team finishes second at home meet

Louisburg's Drake Burdine swims the butterfly during the team's home meet last Wednesday at the OZone in Osawatomie.

OSAWATOMIE – In its first time back in the water in 2021, the Osawatomie-Paula-Louisburg swim team put together a strong showing in its home meet at the OZone in Osawatomie.

The boys finished second out of five teams with 459 points, while Topeka-Hayden was first with 558. Coffeyville, Independence and Fort Scott took third, fourth and fifth, respectively.

“I thought the swimmers did an outstanding job,” coach Ardy Dehdasht said. “I believe everyone of our swimmers had at least one season best record. Much of this is due to their hard work at the practices and I am certainly proud of all of them.”

Paula's Sam Johnson had the most successful day for the team as he earned a state consideration time in the 50-yard freestyle. He finished second in the event with a time of 24.85 seconds. Johnson also finished second in the 100 freestyle with a personal-best time of 55.79.

Louisburg's Drake Baus took home the gold in the 500-yard freestyle as he won with a time of 6 minutes and 28 seconds.

The 200-yard freestyle relay team of Johnson, Cole Brown,

Bridger Baus and Remington Rice also earned first place in 1:44.58.

Sophomore Brayton Brueggen swims the freestyle last Wednesday in Osawatomie. Brueggen won the 100-yard backstroke.

Louisburg sophomore Brayton Brueggen had his best race in the 100-yard backstroke where he recorded a time of 1:06.79, which eclipsed his seeding time by almost four seconds.

Another Louisburg sophomore, Braden Branine, took first in the 100-yard breaststroke in 1:13 and eclipsed his seed time by three seconds.

Osawatomie's Luke Hebert also set multiple personal records on the day.

It was also Senior Night as the boys celebrated their one senior teammate – Bridger Baus – as he was honored with his parents during the meet.

The team is back in the water tonight when it travels to Blue Valley Northwest for a meet. It is scheduled to start at 5 p.m.

Top Louisburg Sports Stories of 2020

There hasn't been a year like 2020, and for most people, they are ready to put it behind them and forget it ever existed.

Still, with all the challenges that 2020 brought, there were still plenty of positives to talk about when it came to Louisburg High School sports. History-making state places and state medals were plentiful on this list, but it wasn't all positive. Louisburg had to say goodbye to a beloved town figure and athletes had to deal with the loss of spring sports.

Below are the top stories from 2020, along with a brief explanation of each. Included in the explanation is the link to the actual story from the event.

When putting the list together, I took a lot of things into account – whether it was team vs. individual, popularity of the sport, historical achievements and the interest it drew on the web site. Thanks to the cancellation of spring sports, I don't have the top 10 like I normally do, but I got close.

This year was a blast to cover, when I had the opportunity, anyway. Still, I am looking forward to what 2021 will bring. Thank you for everyone's support and can't wait for it all to begin again.

8. Ratliff-Becher wins state powerlifting title

After winning a state championship in 2019 Reilly Ratliff-Becher had every intention of backing up her performance during the Class 4A State Powerlifting Championships on March 7 at Piper High School.

In fact, the Louisburg senior wanted to improve it. Last season, Ratliff-Becher took first in everything but squat, which she got runner-up.

This time around, she got the clean sweep.

Ratliff-Becher took first in bench, squat and clean and that led to her second straight state championship in the 180-pound class.

"It means a lot to me that I was able to win the state title again," Ratliff-Becher said. "I set a goal for myself to win first in everything since I had got second in squat last year and I achieved it. Even though it wasn't my best showing with the numbers I got on my lifts.

"The competition was very good this year, as it always is. But, fortunately with all the work I put in to at least maintain my numbers from last year, meant I was able to lift bigger amounts than my competition."

7. Conley named state and midwest coach of the year

After a third place finish to end the year, Louisburg boys soccer coach Kyle Conley was recognized among the state's best.

Conley was named as the Class 4-1A Coach of the Year by the Kansas Soccer Coaches Association in November.

He guided the Wildcats to a 16-2 record on the season and the team's highest finish in program history when Louisburg ousted Rose Hill, 3-0, in the state third-place game.

Just a few weeks later, Conley was honored once again – this time on the girls' side.

Despite the lost season, the United Soccer Coaches wanted to recognize coaches for their past accomplishments and for what this past spring was supposed to hold.

Atop that list was Conley as he was named as the Small School Midwest Coach of the Year.

"I am absolutely honored to receive this award," Conley said.

“There are so many great coaches in the Midwest, but to me this is a program award. None of this is possible without everyone involved; girls coming to work their tails off everyday, parents traveling and supporting us anywhere and everywhere, community helping with supporting the program, the school supporting the girls, etc. Without the support and buy in from the girls, parents and community none of this is possible.”

The Wildcat girls program has had a successful start in its four years. Conley has a 54-22-2 record during that span, that included two state runner-ups and another state final four appearance.

6. Louisburg cheer places third at state

The Louisburg cheer squad had to do its postseason competition a little different this year thanks to the COVID-19 pandemic.

It didn't seem to bother them much as the defending state champions found themselves right in the thick of things again.

Although they didn't repeat as champs, they were still among the state's best as the Wildcats cheerleaders finished third in the state back in November.

Unlike performing in front of judges like they did in 2019, the Wildcats had to video tape their performance and send it in to be judged. It fared well as they tallied 83.35 points to finish in the top 3.

Baldwin earned the state title with 88.85 points and Abilene was second with 85.25.

Members of the Louisburg cheer squad are Bella Feikert, Addison Drake, Brooklyn Harmon, Jayden Trester, Maddy Carpenter-Ross, Sophie Katzer, Sammy McDaniel, Julia Arriola, Andrea Gaza, JoJo Hendrickson, Sydney Dudzik, Abby Bradley, Anna Poe, Sienna Finch, Mable Graham, Audrey Anderson, Zoe Weers, Anna Morrison and Maggie Madison

5. Holtzen, Owens earn state medals for Wildcat wrestling

Ryan Owens and Cade Holtzen both had their own agendas going into the state wrestling tournament.

Owens, qualified for state last year, but left without a win and he vowed to fix that this time around. As for Holtzen, he came up short in his efforts for a second state medal as a sophomore last season and had all the motivation not to come home empty-handed again.

Both wrestlers more than made up for their rough patches a year ago.

Owens and Holtzen left Salina with a state medal during the Class 4A Kansas State Wrestling Championships on Friday and

Saturday at the Tony's Pizza Events Center.

Owens made it to the semifinals and wound up earning a fourth-place medal at 120 pounds, while Holtzen finished fifth at 126 pounds.

It also marked the first time since 2016 that Louisburg finished the season with multiple state medalists, when Nathan Keegan and Mason Koechner each brought home medals.

The Wildcats nearly had three medalists as sophomore Brandon Doles finished one win shy of a state medal at 160 pounds with a 2-2 record.

4. Dennis steps down as LHS team doctor

Almost every day of the week, if you were looking for Damon Dennis, he could be found at his office on 11 S. Broadway St., helping treat those pesky aches and pains, taking X-rays, or mending those beaten up athletes after a game.

Doc D – as he is affectionately known – opened Louisburg Chiropractic Office 28 years ago and has served as the Louisburg High School athletic team doctor for almost that same amount of time.

Dennis has seen it all. The walls in his office are lined with

mementos from his years of service to both the community and the high school.

He has taped thousands of ankles, seen even more patients and has touched many lives during his time in Louisburg. That is why this week is one of the more emotional times in his life.

In May, he left Louisburg Chiropractic Office and handed the reins over to Dr. Jake Polzin. Add to that, Dennis also stepped away as LHS' team doctor and left an absence on the sidelines and behind the mic that many in Louisburg have come to know.

"My decision to step down and sell the practice has turned out to be the hardest thing I have ever done," Dennis said. "I have poured everything I have into my job and community. It has become my entire existence. I was taught from a young age to serve others and your community. I feel like the pressures I have put on myself have become unhealthy. I have put about 40 years work in to 28 and feel like there is never going to be a good time to make such a huge life change.

"That being said, I feel like I need to make changes while I am still able to do the things that will be best for my family. Dr. Polzin came along and I think he will carry on the work at the office wonderfully. We are a lot alike in many ways. I could not have found anyone better to replace me."

For many, Dennis has been a big part of people's lives, especially in the athletic arena. He has served as the LHS team doctor since 1992 and has treated many athletes in those 28 years.

3. Girls Cross Country Takes Third at State

For 23 years, the Louisburg cross country program has been chasing a top three finish at the Class 4A meet.

The Wildcats have had several teams qualify, especially in the last few seasons, but have always come up short of their goal. Following Saturday's race in Wamego, the Wildcats can finally stop running after it.

The Louisburg girls put together an historic performance at the Class 4A Kansas State Cross Country Championships at Wamego Country Club. The Lady Cats earned a state plaque with a third place finish as they surpassed Buhler by eight points to record the school's first top three state finish.

Junior Reese Johnson, sophomores Claire Brown, Bree Gassman and Nova Ptacek, along with freshmen Lola Edwards, Maddy Rhamy and Erin Apple, will all go down in school history as they became the first Wildcat team to bring home state hardware.

"It means the world to me to be a part of the first team ever to place at state," Rhamy said. "Coming into the state meet, I was just hoping our team would be in the top half, so you could imagine my excitement when our team placed third. I didn't even know we made school history until our coaches told us."

Rhamy was one of two freshmen who earned top 10 finishes individually, along with Edwards. Rhamy finished eighth overall in 20 minutes and 58 seconds, while Edwards was right behind her in 10th in 21:02.

Junior Reese Johnson also garnered a state medal as she was 15th in 21:28 to help the Lady Cats to an historic performance.

It was a proud moment for many in the Louisburg program, and included in that is John Reece. The longtime Wildcat head coach was all smiles following his team's performance.

"It is 23 years the making," coach Reece said. "You always have the plans and goals to get to state and then you get a group to go to state and do something great. This year was one of those. With the Frontier League as tough as it is, and then getting third there, put it in our heads that maybe we could do this. They all went out and ran their races, and that just shows their grit and determination and who they are."

A week earlier, the Wildcats also made history as it was the first time in school history when they qualified the entire boys team to the state meet as they took third at regionals.

2. Boys Soccer Finishes Runner-Up At State

As the Louisburg players huddled around their state plaque, many of them looked at it in awe and wonder.

“Hey guys, we won this,” a player shouted.

The statement was obvious at the time, but nonetheless, their excitement was more than warranted.

For the first time in program history, the Louisburg boys soccer team brought home a plaque from the state final four as the Wildcats defeated Rose Hill, 3-0, on Saturday in the third place match of the Class 4-1A state tournament at Stryker Sports Complex in Wichita.

It was only the second time in school history that the Wildcats had it made it this far, with the other being in 2016, when they finished fourth.

“There are only six teams in the entire state that get to end their year with a win and we wanted to be one of those teams,” Louisburg coach Kyle Conley said. “We want to be able to hang up a banner on our field and we wanted a plaque so that no one can forget what these kids earned and what they did this season. I am so proud of all of them.”

It was a program defining moment for the Wildcats as they began the weekend searching for a state championship, but lost 2-0 to Bishop Miege on Friday in the semifinals. Still, recording the best finish in school history is nothing for someone to hang their head about, and the Wildcats came out Saturday wanting to make sure they brought some hardware home.

“It’s absolutely crazy to think about what we have accomplished this year, partly because I have only played soccer in high school,” senior captain Logan Faulkner said. “Bringing a state plaque back will just be a reminder of what we did and how we reached our goal.”

1. COVID-19 Cancels Spring Sports

In March, Kansas Gov. Laura Kelly closed all schools for the rest of the 2019-20 school year due to the spread of COVID-19.

When most students hear school has been closed, especially in the winter, cheers erupt. In this case, however, the tone was much more somber – especially among the senior class.

Proms were canceled. Any plans they had for a graduation ceremony were put on hold, and for more than 30 seniors, their last opportunity at playing a sport at Louisburg High School was taken away.

In fact, close to 200 students were planning on participating in an activity in the spring, but with no school, the Kansas State High School Activities Association followed suit and canceled the spring season the day after Gov. Kelly's declaration.

Students, parents and coaches alike have had to come to grips that a season they had been looking forward to all year, was never going to happen. Tears flowed, walls were punched in frustration and some were left speechless.

There would be no game days, no Senior Nights and no postseason runs. Athletes had to figure out how to cope with this fact and it was a challenge for the Louisburg girls soccer, track and field, baseball, softball, golf and swim teams.

Many of those teams had big postseason aspirations after success in 2019 and were left wondering what could have been.

KSHSAA votes to start winter sports on time, will not allow spectators

The 2020-21 winter sports season may have a little different look than in the past, but there is one thing that will remain the same – the student athletes will be out competing.

During the Kansas High School Activities Association Board of Directors meeting Tuesday, the board voted in favor to have winter sports continue as scheduled by a 53-22 decision. The meeting was in response to the Executive Board's proposal last week to delay winter sport till Jan. 15.

Instead, schools around the state will be able to kick off their seasons in early December, and then after a moratorium for Christmas Break, can resume competition on Jan. 8. The basketball, wrestling and swim teams will also be able to have a full schedule of events, barring cancellations due to the spread of COVID-19.

"I'm extremely happy and relieved on how KSHSAA voted regarding winter sports being able to happen," Louisburg senior Megan Foote said. "Sports are extremely important to students as it not only helps with physical health, but also provides a release for mental health. Athletes can depend on sports to be an outlet for the troubling feelings they may have. As someone who struggles with mental health, I can vouch for how important sports are. Sports provide some of the best

memories and times a kid can have and I believe they're essential in today's world."

During the meeting, eight different people – from parents to physicians – spoke on behalf of letting competition resume and two of those were Louisburg parents Craig Holtzen and Jenny Diederich.

Holtzen, whose son Cade is a senior on the Wildcat wrestling team, gave opening remarks in which he tried to convey the importance of extracurricular activities, even during COVID-19 times.

"There is no evidence to suggest that kids are either super-spreaders or very susceptible to this virus to begin with," Holtzen said during the meeting. "I would dare go far enough to say that kids are practicing better virus protocol when they are in school or activities than when they are locked down.

"Fall activities were largely successful because of our ability to be flexible and adaptive to the many changing things that happened over that season."

The vote to let them play was a sigh of relief to many players and coaches around the state, who were already in the process of prepping for their season.

"This is great news for our kids," Louisburg boys basketball coach Ty Pfannenstiel said. "Our students and athletes have been so resilient this year with all the new protocols, so I'm happy for them to get their opportunity because they've been through a lot. There was a lot of concern among our kids, so I'm sure they're relieved now that the uncertainty has been resolved. We are definitely not out of the woods yet when it comes to setbacks, so we have to continue to do our part to stay safe and healthy throughout this season."

Following the decision by the executive board last week to

delay the start of winter sports, Diederich started a Facebook group called "Rally the Troops to Fight for Winter School Sports."

The page attracted more than 4,000 followers and advocated for parents and players to email and call the board of directors to let them know how important the winter season was for all of them. It seemed to work as the measure to allow them to play passed easily.

"Yesterday was a victory," Diederich said. "It was exactly what we were fighting for – a full season with 20 games that starts on time. I am as passionate as they come and would love to be in the stands but my main goal was to get my daughter and her teammates on the court. With all the uncertainty they need something to focus on and to look forward to. It is just as important mentally as it is physically. I was proud to be part of a group of families across the state that fought for all our student athletes and scholars. I think it taught our kids to use their voice."

Although many of the teams were already gearing up for the season, there has always been a cloud hanging over the programs whether the season was going to happen or not. Now, those players and coaches can resume with more confidence.

"I'm very grateful for the chance to get the kids back on the mat," Louisburg wrestling coach Bobby Bovaird said. "All year I've been wondering about the unknowns, whether we'll get a season or not. But we've been practicing for a week and a half, and things are feeling more like normal than they have all year."

"This season, we've got the theme 'Relentless,' and that's the mindset we're trying to implement. Things like the KSHSAA ruling, the potential to get quarantined, and more are the obstacles in the way of our success. We've got to be relentless and work together to find ways around them."

The meeting was bittersweet for most parents as the board of directors voted that the athletic events will be held without spectators on both the high school and middle school levels. The measure passed by a 50-26 vote and spectators will not be allowed from Dec. 1 to Jan. 28.

Following that time, fan attendance will be limited in accordance with local attendance policies.

"I believe we had a solid plan to allow fans to attend our games in a safe manner," USD 416 superintendent Dr. Brian Biermann said. "We had already had indoor sports for middle school girls' basketball and middle school wrestling and it was working well. Now, that fans are not allowed, we will strive to provide our fans a quality livestream option to allow them to cheer on our Wildcats.

"I am glad that the board of directors decided to allow our kids to participate in sports. Our coaches and student-athletes have adhered to every possible safety measure. I know our kids are excited to represent the Wildcats on the mat, court and swimming pool in the upcoming weeks.

From some players' point of view, while getting to play their season was the most important outcome from Tuesday's meeting, the fact of not having their parents there is tough to comprehend.

"Basketball is a momentum sport and fans are a huge part of that," Foote said. "I believe we have one of the best student sections for girls' basketball. When we get into a rough patch, our student section gets louder and helps us out of that. I also have a lot of family that is extremely supportive and loves to watch me play. Not having them there is gut wrenching, especially my dad. Having my parents and family there is huge to me.

"Sadly, this is what it has come to. Right now all we can do is work together as a team and be each other's support system.

We have to depend on each other to be loud and hype each other up. I still hold hope that this unreasonable ruling will be turned around, but I'm incredibly grateful that I can have one last season with my best friends."

Not only players, but coaches having to instruct their players in an empty gymnasium will take some getting used to as well.

"I am so happy for the student athletes who get to play winter sports and I am super excited to see what this season brings," Louisburg girls basketball coach Adrienne Lane said. "Basketball is an extracurricular activity, but it is also a chance for these students to come together and be a team. Playing in an empty gym will be a change, but I think the athletes will mainly be grateful for their opportunity to play."

Even though some parents will have to get used to watching their child on the computer or television, instead of in-person, they are hoping they will be able to back in the gym sooner rather than later.

"I was a little surprised with the no fan policy as I think blanket policies are not good for Kansas," Diederich said. "We have districts of so many sizes and local decision making is best. Districts know what they can and cannot handle. Hopefully we can convince KSHSAA to loosen the policy to allow for 1-2 immediate family members, but for now just be happy with the fact that they are playing at all."

KSHSAA proposes delay for winter sports

The 2020-21 winter sports season in Kansas could be delayed or reduced depending on the vote at the Nov. 24 Kansas State High School Activities Association Board of Directors meeting

During the KSHSAA Executive Board meeting Wednesday the board reviewed data on the impact of COVID-19 on activity programs around the state due to the rising number of positive cases and impact on the health care system.

The board unanimously approved a proposal from the KSHSAA staff to suspend competitions until Jan. 15, 2021 and extend the winter moratorium. That proposal is now in front of the KSHSAA Board of Directors, who will vote on the issue at 1 p.m. on Nov. 24. The board of directors has members from every league across the state.

One of those board of directors, Paola High School principal Jeff Hines, was caught off-guard by the news.

"I consider myself pretty up to date when it comes to issues with KSHSAA, but I had no idea this was happening yesterday," Hines said. "I was in an administrator meeting that started at 10 a.m. and at 10:01 I received an email from KSHSAA with the executive board agenda for a meeting that had already started. This is a pretty important issue and I wanted to speak at the board meeting, but was told I couldn't because the meeting had already started."

“I asked someone at KSHSAA why the agenda was posted sooner, and they said it was posted last week. I have searched the internet and I couldn’t find it. I have no doubt that they did post somewhere, but they need to make it more accessible so there can be more discussion on the issue. I was surprised the issue came up.”

The proposal which will be put up for a vote is as follows:

- Delay competitions for all winter activities until Friday, January 15.
- Allow virtual competition only in Debate and Scholars Bowl.
- Winter activity practice may continue where appropriate to do so through December 22. All KSHSAA risk mitigation protocols strictly enforced.
- Extend Winter Moratorium. Dec. 23 – Jan. 3; practices to resume Jan. 4; restrictions eliminate contact between coach/athlete/school and no school facility use.
- Tentative resumption of competition on January 15.
- No fans for competition, January 15-28.
- Limited fans Jan. 29 through remainder of winter competitions.
- Mandatory universal masking with exception to athletes in competition and officials during live action.
- No invitational tournaments.

High School Competition Limits:

- Basketball maximum 13 games per team.
- Bowling maximum 8 days per team/individual.
- Swimming and Diving maximum 6 competitions per athlete.

- Wrestling maximum 12 events, 20 competition point max.

Middle School Restrictions:

- No competition in December, practice only.
- No competition Jan. 1 – Jan. 14
- No events with more than three schools participating.
- Strongly encourage skill development.
- Strongly encourage intramural play only.
- Limit two fans per player starting Jan. 15.

As far as how the board of directors will vote on the issue, Hines isn't quite sure how it will go, but he doesn't believe the executive board was trying to sneak the issue past anyone.

"You can have two thoughts on the issue," Hines said. "One, all of the executive board members think delaying winter sports is a great idea. That is an option, I guess. Or two, all of the members thought this issue was too big for them to decide on and wanted to make sure to get input from all its members and allowing them to make that decision. I tend to think that is what they are doing here."

"Will there be some people that vote yes to delay sports? Yeah I think there will be, just because of the situation their districts are in, but I tend to think a majority of them will vote no. Just as far as how I will be voting, I will vote no because I think that each school board should be able to decide whether or not to have winter sports. They know their district better than anyone. That is what we did for the fall and I believe the same thing should happen here."

Louisburg wrestling coach Bobby Bovaird understands the concern with the rising number of COVID-19 cases across the state, but he knows there will also be an impact on the

student athletes if these activities are delayed.

"I totally understand why KSHSAA is considering taking action, but it worries me because a delay in starting competition could put us on the path to canceling the winter season altogether," Bovaird said. "There have been wrestling tournaments happening across the nation since mid-July, and there have been very few cases traced back to the tournaments themselves. Coaches, wrestlers, officials, and tournament directors are taking precautions, and I hope that we're able to continue doing what they've been doing.

"I'm afraid that a reduction in the number of competitions allowed would only further harm the kids in the sport. I get it, though. Covid-19 is real and we're constantly reacting to it and rethinking how we can best protect our kids' health. While we may be protecting kids and their families from the potential of infection, we would also be taking away opportunities where kids can learn invaluable lessons and come together as a team to bond in ways that you can't get through the classroom, and we would be doing some considerable harm to their mental health."

KSHSAA's decision to potentially delay winter sports came on the same day Gov. Laura Kelly issued a new executive order on face masks after Kansas reported more than 5,800 new cases of COVID-19 on Monday.

Since the news broke, Hines has been hearing from people all over the area, who are voicing their concerns.

"There are a lot of people who are worried that their kids' season might not happen, and I get that, but I would say that people need to temper their venom at the state association," Hines said. "I think it's is great that people are contacting their board of directors and letting people know their feelings, and we want to hear from those who are concerned. At the end of the day, I believe they will do the right thing for

these kids.”

As for Louisburg High School itself, administrators will be ready to implement any rules necessary as they hope the students get to play a full season.

“My reaction was to the kids and coaches it would affect who look forward to sports and saw their peers and themselves play in the fall with accommodations, only to be potentially denied their opportunity for a full season,” Louisburg activities director Michael Pickman said. “I understand the reasoning of the KSHSAA board, but I also understand the views of those who don’t want to see any changes. Luckily it is in the discussion phase and perhaps they will find a way for the kids to play while implementing some guidelines for keeping it safe, such as no fans.

“Whether Dec. 4 or Jan. 15 as proposed for starting competitions, we are still going to work to make it a safe environment for all and to limit risk. I am not in the medical field, so I won’t pretend to know if the delay will help lower the numbers. If it passes, then I hope that it does. Still, we won’t have a cure and will have the same need to implement safety protocol Jan. 15 as we would Dec. 4.”

“I want our students to have the opportunity to play and play safely, so my main concern right now is that the policies the district and athletic department have put in place are well thought out and followed,” Pickman added. “I think if we commit to following safety practices, we can still slow the spread regardless of the results of next week’s discussion and decisions by the KSHSAA board.”

Wildcat athletes report back for summer conditioning

Almost 80 high school girls attended the first day of summer conditioning on Monday at Louisburg High School.

For the first time in almost three months, Louisburg High School and Louisburg Middle School athletes found themselves back on the field starting Monday at Wildcat Stadium.

It didn't include any balls, equipment, weights and wasn't indoors, but more than 300 athletes participated in the mandatory conditioning drills that were set by the Kansas State High School Activities Association.

"The turnout was exceptional, and considering the limit on group sizes, distance restrictions, and getting creative in using multiple spaces to accommodate the large numbers in appropriately sized groups allowed in phase three, these coordinators did a great job setting a standard," Louisburg activities director Michael Pickman said.

This was all following the cancellation of the spring season to the spread of COVID-19 and KSHSAA allowed school districts to begin conditioning exercises on June 1. The Louisburg school district started this past Monday and each athlete must participate in 10 sessions before being able to attend in any team activities or camps.

Several coaches were in attendance running athletes through drills in three separate stations that would allow some space

between everyone. Football coaches Robert Ebenstein, Ty Pfannenstiel, Joel McGhee and Drew Harding were on hand to lead drills, along with other staff from within the USD 416 school district.

“There are many coaches who are volunteering and just want to be there to support their athletes,” Pickman said. “It’s what makes the LHS coaching staff stand out from others. However, I have encouraged coaches not directly coordinating weights to stay home as much as they can with numbers restrictions, but so far we haven’t had that be an issue.”

High school boys begin each morning at 6 a.m., for the hour-long workout and high school girls follow and then it all finishes up with middle school. To start there were 121 high school boys in attendance, 79 girls and 126 middle school students.

More than 120 Louisburg High School boys attended the first day of summer conditioning at Wildcat Stadium.

To start the day, each athlete is screened before the start of conditioning with a temperature check and then they are divided into three groups. Each of them will participate in

three stations that focuses on different workouts. There are no more than 45 athletes in a group and the coaches design workouts to promote the six feet of distance.

“There were temperatures that needed to be taken and protocol for sanitizing hands and checking in that went efficiently and smoothly overall,” Pickman said. “A lot of planning went into this with the coaches to make sure it went well. And Mr. Holloway (LHS principal) volunteered his time to help take temps at the various sessions.”

As far as cross country goes, interested runners instead attend running sessions held by coach John Reece that will take place throughout the summer and they do not have to attend conditioning.

Whenever the athletes have completed their 10 sessions, they are allowed to participate in team activities the rest of the summer. As of right now, everything is on track to allow athletes to begin attending camps after June 29.

“Everything is progressing so far to according to schedule,” Pickman said. “Assuming the governor’s phase out stage begins when it is supposed to, we will be ready to begin using the weight room, gyms, and sports equipment. Coaches will be able to have practices and then middle school and high school age camps after June 29. The younger kids who do not have to have the 10 days of acclimatization are able to run the week of June 22. With the schedule the way it is, kids should have no problem getting their 10 days of acclimatization needed to participate in camps.”

Pickman named as new LHS activities director

Michael Pickman (left) was hired as Louisburg High School's new activities director and assistant principal last week following the USD Board of Education meeting. Current Louisburg AD, Scott Hinkle (right), will move to the middle school to serve in the same capacity starting next school year.

Louisburg High School will have a little different look to its activities department for the 2020-21 school year.

Following the USD 416 Board of Education meeting on April 13, Michael Pickman was hired to serve as the school's new assistant principal and activities director. Pickman will replace Scott Hinkle, who has been in that position for the last two years.

Hinkle will remain in the district and will move over to the middle school to serve in the same capacity.

"I had known for a while that I wanted to continue my education by getting a second master's degree, but I didn't really know which area," Pickman said. "I talked with current administration and was both inspired and encouraged to explore administrative leadership. This is the job I wanted because it meant staying in Louisburg and continuing to work with the staff and coaches who I know have, can and will achieve great things when it comes to our students and student athletes."

"We are a Louisburg family and I want my daughter in the Louisburg community and school system, so I wouldn't have done this anywhere else. The atmosphere from district leadership to the building leadership is top notch and I am ready to grow as an educator and work alongside (principal) Jeremy (Holloway) and the administrative staff at the high school and the amazing coaches and support them."

Pickman has taught English at the high school for the last seven years and has also worked in the Prairie View, West Franklin and Maur Hill Prep school districts.

He has also spent a lot of time in the athletic arena as he has served as the Wildcat boys and girls soccer assistant coach, alongside head coach Kyle Conley, for the last five-plus years.

"It will be tough to give up all aspects of it, but the magic of these soccer programs will be especially difficult," Pickman said. "Kyle has been an amazing person to coach with and his passion is contagious. Getting to start the girls program with him and the immediate success has been amazing. State finals and big wins and the atmosphere – some don't ever get to experience that – and lastly the players, both boys and girls who have graduated and those who remain to carry on the greatness are why I said yes to coaching. They make the whole experience amazing and fun.

"So it will be hard, but I would also not have gone anywhere else to do a different job and so I will still be able to support the soccer players and every other student and athlete through my new opportunity and to do so the Wildcat Way."

As for Hinkle, he spent the last two years as the LHS activities director after coming from Liberal High School. He is excited that his new position at the middle school will allow him to spend more time with family.

"I really enjoyed my time at the high school, even though it

was only two years,” Hinkle said. “I am leaving behind a great workplace with a great culture and an unbelievable staff. It was not an easy decision.

“I made the move to the middle school to get back some evenings and weekends. I have been an athletic director for 11 years at the high school level in my career, and I was ready to free up some time. I know I am joining another great staff at LMS, and look forward to the new challenge ahead of me.”

2020 Senior Spotlight: Shayla Aye

Louisburg Sports Zone will be running senior spotlights through April and May everyday (Monday through Friday) in an effort to honor seniors who had their seasons taken away due to the spread of COVID-19.

Shayla Aye was all set to make history for Louisburg High School this spring.

Louisburg began its first-ever swim season for the girls program after the Wildcats entered into a co-op with Paola and Osawatomie. In all, the team had three seniors, but Aye was the lone senior from Louisburg.

After a successful boys season in the winter, the girls were

already a couple weeks of practice in before Spring Break and Aye was looking forward to what was in store.

"I was getting excited that swim team was available for the school, especially since I swim for the Louisburg Barracudas in the summer time," Aye said. "It is something I really enjoy."

Obviously, Aye's chance at history went away as the spread of COVID-19 cancelled the rest of her senior year, along with spring sports across the state. That meant no first meet and no more practices with a team she was beginning to enjoy.

"It has been really hard since I was looking forward to swimming in the meets and now I can't do that anymore for the school," Aye said.

Even her head coach was disappointed that she won't get a chance to see what Aye could do in the pool.

"Even though we were only two weeks into the season, I could already tell that Shayla was an awesome athlete and person," Louisburg coach Maddie Carrigan said. "She was such a fun athlete to coach and had already made so much improvement. She was so coachable, always smiling and listening. I am so sad that Shayla's one and only season of swimming was cut short. I can't imagine how much her times would have dropped."

Swim has been a nice getaway for Aye throughout her life and she didn't have to travel very far to do it. She has spent the last several years as a member of the Louisburg Barracuda swim program over the summer and built up a lot of experience.

"I have been swimming for 10 years," Aye said. "I got into the sport by my mom signing me up and since then, swimming has been a big part of my life. I just really enjoy swimming."

Other than swimming, Louisburg Sports Zone also had a chance to catch up with Shayla on how she has been coping with an

early end to her senior year and some of her other interests. Here are her responses from the rest of our Q&A.

LSZ: What have you been missing the most during this time away from everyone?

SA: My friends and having fun together as a team.

LSZ: What is your most memorable moment as an athlete or in school, and why?

SA: My favorite memory is getting to play basketball on Senior Night and just spending time with the team.

LSZ: What is your favorite activity/hobby outside of sports and why?

SA: My favorite activity is coloring because I really enjoy it and also it helps calm me down when I'm upset. I also enjoy hanging out with my boyfriend since he is my joy.

LSZ: What are your plans after graduation?

SA: Work in a day care.

LSZ: What accomplishments that don't involve athletics are you most proud of and why?

SA: Getting on the Principal's Honor Roll and getting good grades.

LSZ: What do you think would be something that a lot of people don't know about you?

SA: That I'm adopted.

Players, coaches mourn loss of spring sports season

Louisburg softball, along with the rest of the Wildcat spring sports teams, saw their season come to a close with the spread of COVID-19.

It has been almost a week since Kansas Gov. Laura Kelly closed all schools for the rest of the 2019-20 school year due to the spread of COVID-19.

When most students hear school has been closed, especially in the winter, cheers erupt. In this case, however, the tone was much more somber – especially among the senior class.

Proms were canceled. Any plans they had for a graduation ceremony were put on hold, and for more than 30 seniors, their last opportunity at playing a sport at Louisburg High School was taken away.

In fact, close to 200 students were planning on participating in an activity in the spring, but with no school, the Kansas State High School Activities Association followed suit and canceled the spring season the day after Gov. Kelly's declaration.

Students, parents and coaches alike have had to come to grips that a season they had been looking forward to all year, was never going to happen. Tears flowed, walls were punched in frustration and some were left speechless.

There would be no game days, no Senior Nights and no postseason runs. Athletes had to figure out how to cope with this fact – and in many cases – are still trying to do so.

GIRLS SOCCER

Mackenzie Scholtz didn't spend as much of her Spring Break relaxing with family and friends as she wanted.

Instead,
she found herself focused on social media, constantly checking updates on what
was going to happen with the rest of her senior year. She was scared that her
final soccer season was going to be taken away from her.

Turns
out, those fears became a reality.

"When
I read it for the first time, I just couldn't believe it," Scholtz said. "I
immediately broke down in tears. I think I cried for about four hours non-stop
just thinking that I would never get to step on that field with my best friends
ever again. I had such high hopes for this season too and had been so excited
all year."

Before
this all came about, none of the 12 Louisburg seniors had any idea they had
already played their last match as a Wildcat.

The
senior class of Scholtz, Avery O'Meara, Erin Lemke, Lily McDaniel, Ashley
Moore, Trinity Moore, Skylar Bowman, Haley Cain, Hannah

Straub, Olivia Chase,
Andie Masten and Morgan Messer provided Wildcat coach Kyle
Conley with a lot of
good memories, which left the news even harder to stomach.

Louisburg
was looking for its fourth consecutive state final four
appearance after
earning second place finishes the last two seasons.

"The decision absolutely broke my heart,"
Conley said. "I couldn't in a million years fathom something
like this could
happen. I honestly felt the cancellation was harsh this early,
but would have
rather like to have seen a postponement and then reevaluate at
a later date.
This group of 12 seniors was going to be very special. If they
would have
returned to the state final four this season, they would have
been one of only
two 4A-1A teams to do this improbable feat. This group was
44-18-1 in their
three years. I would be willing to bet this is the most
successful program over
those three years in regards to win percentage. Obviously,
winning state
championships would trump that, but we were extremely
successful."

The one thing that has helped players get
past this disappointment is that there are so many seniors to
lean on and they
have done a lot of that this past week.

"The amount of support from this team has
helped me so much," Scholtz said. "As soon as we found out
that we would no

longer play, all of us seniors were sending nothing but love to one another as well as to the whole team. Individually, there were many messages sent showing how much we love each other and that this would get better. Coach Conley and the younger girls also shared a lot of great messages as well. Hearing positive words is really helping me get through this whole thing.”

The 2020 Louisburg High School girls soccer team

Many of the 12 seniors and their parents were a part of the group that helped raise money to start the Louisburg program nearly five years ago. They had always dreamed of winning a state title, but the wondering what could have happened is the worst part for a lot of them.

“This group had three goals: they wanted to win a league title, to win a regional championship and finally win a state championship,” Conley said. “This would have been our program’s fifth year

and everything was built for this season. I believed in this group and I felt we were going to compete for that league title and we were going to go back to the state final four. We wanted three banners: league title, regional championship, and a state championship. It's so sad that we will never get the opportunity to show the state what this team is capable of accomplishing."

BASEBALL

Kade Larson was all set to begin his first season as the head baseball coach at Louisburg High School.

Larson, who was hired late last spring, was looking forward to leading his alma mater and had high expectations for a group that was young, but returned experience from the year before.

Then came the news from KSHSAA to cancel spring activities, which left Larson, and the rest of the Wildcat program, speechless – including seniors Madden Rutherford, Andrew Krause and Kaden Oehlert.

"To say I am disappointed is an understatement," Larson said. "I was very excited for this upcoming year. Being my first year as head coach I was more than ready to get the season underway and see what kind of team we had. I thought we could do some great things this year with the group that we were working with. For the short time we were able to practice, they had a great chemistry and worked super hard.

"I feel terrible for all the players having to lose a season like this, especially the seniors. Madden Rutherford and Andrew Krause were showing great leadership skills and I hate that they had their final season taken away. They are unprecedented times that I never thought would happen."

Rutherford, who is a two-time All-Frontier League player himself, was ready to make one final run with the Wildcats. Even though he has signed to play baseball for Washington University in St. Louis, he regrets not being able to have one final run in high school.

"Personally I was just ready to just play ball again," Rutherford said. "My football season ended with an injury, and two surgeries later I was just starting to get back into the swing of things. I was excited for the baseball team this season; we had a different looking coaching staff and a different mentality which was evident at practice. I'll always be left wondering what could have happened."

Senior Madden Rutherford, along with fellow seniors Andrew Krause and Kaden Oehlert, all saw their high school careers come to a close with the spread of COVID-19.

As

difficult as it was for the seniors, the junior class will also have some

obstacles to overcome – especially for those who are wanting to play at the college level.

“To go with the seniors, this is also horrible for the juniors,” Larson said. “Junior year is a big recruiting time and a lot of these guys are missing that. So all around

this just is a bad time for an athlete, but I know they will work through it

and come back next year ready to go.”

Even
with all the hardships athletes are facing, including the loss
of a season,
several are trying to find the silver lining in it all.

“The
whole COVID-19 situation has made me appreciate what I have,”
Rutherford said. “It’s
hard to truly recognize how nice you have things until they’re
taken away. I
just hope and pray that things don’t escalate further.”

TRACK AND FIELD

Carlee
Gassman and Sydni Keagle were ready for the seasons of their
lives on the track
this season.

Gassman,
who is a returning a state medalist in the hurdles, was
considered one of the
best returning 300-meter hurdlers in Class 4A. As for Keagle,
she finished one
spot away from a state medal last year in the 100 hurdles.

Both
Louisburg seniors had high hopes, as did the rest of the Lady
Cat track team
that was ranked high in Class 4A in the preseason. That made
the news of
canceling spring sports all the more crushing.

“I honestly couldn’t believe it,” Keagle said. “At first I
was in shock and then I was just incredibly sad at this loss
of opportunity and
it’s taken a while to come to terms with the fact that I won’t
be able to
compete in my favorite sport one last time.”

Gassman felt much the same way as she earned three state medals as season ago. Along with sophomore Delaney Wright, who garnered four state medals, the two athletes figured to score a lot of points for the Lady Cats this season.

“When I heard the last quarter of my senior year was cancelled and knowing track would be over as well, I found myself crying about not having school,” Gassman said. “I never thought I’d find myself crying over school. I am just trying to keep my head high – there are better things to come.”

Girls coach John Reece said there were 34 out for track before the team departed for Spring Break, which was one of the bigger groups the Lady Cats have had in several years.

The Louisville 4×400 relay of (from left) Carlee Gassman, Rain

Pugh, Sydni Keagle and Delaney Wright were some of several returning Lady Cats trying for a big state performance.

"It is a huge bummer that everything got nixed," Reece said. "We had a chance to do some great things this track season on the girls side. We could have been a top three team at state with a handful of very talented girls. My heart goes out to the girls and the missed opportunity for them."

The same could be said for the boys as the Wildcats featured a big roster of 74 athletes and Louisburg would have been competitive in most events throughout the season.

"I am just extremely disappointed," boys coach Andy Wright said. "We had 74 boys out, which is the biggest number we have had in several years. We had multiple state qualifiers returning as well as some newcomers that could have helped contribute to a successful year."

One of those qualifiers was javelin thrower Michael Waldron. The Louisburg senior finished just a few feet away from earning a state medal a season ago, and now his attempt at getting there has been dashed.

"It's really hard to describe the disappointment I had when I heard that I wouldn't be able to throw javelin this year," Waldron said. "It was tough and very hard to wrap my mind around, it's tough

knowing that I had about a week of practice under my belt and a lot of preparation for the first meet of the year. Just finding out I wouldn't be competing at all was crushing."

The season was an important one, not only to Waldron, but to the rest of the track seniors as well. Anthony Davis (distance), Trent Martin (pole vault), Charlie Koontz (sprints, relays), Carter Anglin (discus), Garrett Harding (shot put) and Indy Strumillo (jumps) were all in their final year and were excited with what lied ahead. A few of them had already made plans to work out together over Spring Break to get some extra work in.

"I texted Carter Anglin and Garrett Harding about the fact that our season was over, since we all threw together," Waldron said. "It was tough for Carter because I knew he was thinking about a possible state appearance this year. For Garrett, it was his first year but he had some good success in the first few weeks with throwing shot put, so I know he was excited. It's just a bummer and we have texted each other, and comforted one another. We are just still in shock – it was like a slap in the face."

GOLF

Calvin Dillon has already had the best career in Louisburg High School golf history, and he accomplished that after his junior season.

Still, he wanted a lot more.

Dillon, who is a three-time state medalist, was looking for that elusive state championship this year and was considered one of the favorites going into the season. With the cancellation of spring sports it left Dillon, like many others, wondering 'What if?'

"It was definitely hard to hear that the regular season, as well as postseason were canceled," Dillon said. "It seemed like it happened all of a sudden. When you hear of professional and collegiate seasons being cancelled, you feel some remorse and disappointment for them, but when your own season gets cancelled, it becomes real."

The remorse for his own season wasn't what Dillon was feeling. It was the fact that he had hoped to lead a team – full of seniors – to its second consecutive state tournament appearance.

Seniors Drake Varns, Garrett Rolofson, Ryan Haight and Colin Cook all returned from that team, while other seniors like David Perentis, Deven Wieland and Luke Wickersham were also trying to vie for the final spots.

Five of the six golfers from Louisburg's state team returned in 2020 to try and make another trip to the state tournament. (From left) Colin Cook, Drake Varns, Calvin Dillon, Ryan Haight and Garrett Rolofson.

"We definitely had high expectations for this season," Dillon said. "With the heavy amount of seniors on the team, as well as our regional and state experience last year, we were really excited. I think the most disappointing thing for all of us is going to be the lack of closure. We were all looking forward to one last go-around, and to have our season disappear in a matter of days is devastating."

Like with every other conflict in life, the Wildcats are trying to make sense of it all and find a positive side to what has been a forgetful week.

“One positive that comes from this situation is the gratitude we will now have for our everyday lives,” Dillon said. “You never know when something catastrophic like this can happen, and we need to be thankful for the life we do have. Although this situation is disappointing for us, it was ultimately God’s plan. He is the one that is in control, and if we seek him in this time of discomfort, we will find the closure and satisfaction that we lost along with our senior season.”

GIRLS SWIMMING

It was an historic season before it even started as Louisburg would join the Osawatomie-Paola girls swim team for the first time this year.

Unfortunately, thanks to the pandemic spreading across the country, history will have to take a back seat for another year.

Head coach Maddie Carrigan was in her first year with the program after assisting with the boys team last winter, so finding out the news with everyone else was a little tough to take.

“It was really upset when I heard the news,” Carrigan said. “Obviously, I understand the reason for the cancellation of school and

sports season, so I completely back the decision. It was still a huge bummer for me because this was my first time having a high school head coaching role. It was a pretty big honor since I'm only 23 and I was super excited to try some fun new things I came up with for the girls. The first two weeks were already so much fun and the girls improved so much, so I can't imagine how great the whole season would have been."

Osawatomie-Paola-Louisburg had three seniors swimmers this season, including Shayla Aye from Louisburg and Brayden Hanf and Grace Shore from Paola.

In all, Louisburg had eight swimmers on the team including Aye, Claire Brown, Bailey Hallas, Sydney Keaton, Dana Mattison, Anna Morrison, Dagen Page and Reese Reitz.

"Everyone is really bummed, especially the seniors," Carrigan said. "We had a lot of first time swimmers, as well, so I hope this doesn't deter them from joining the team again next year."

SOFTBALL

Last year was a special season for the Louisburg softball team as the Lady Cats made a run to a regional championship and a state tournament appearance.

It was a great last part of the season for several of the Lady Cats.

Unfortunately, with the news of COVID-19, this year's version of Louisburg softball team will never get another chance at a magical season.

"When I found out my season was canceled, I was devastated," senior Reilly Ratliff-Becher said. "It would be the last time I ever played softball and it's just taken away from me."

The seven Lady Cat seniors were excited to begin this season, as was their coach, Nick Chapman. Chapman was in his first year as head coach with the program after spending last season at the junior varsity level.

After a couple weeks of practices, Chapman had barely gotten a chance to get to know his new team. Then he had to deliver the news that no one wanted to hear.

"This was not easy news to get," Chapman said. "It was even harder to have to tell the girls and even worse that I had to do it over the phone. It's still not real. Next week, we were going to get back to work and prepare for a special season. The girls had bought into what we were trying to accomplish. Just in two weeks, the culture was changing and girls were understanding what it meant to play team softball and do what is best for the team. The end of last week we had our first team bonding night."

The seniors set their team expectations and goals for the year. I listened to each of them say how excited they were for this specific year and to make one last run at it.

“I was crushed to have to tell them they weren’t going to get that chance. All seven of them helped mold this team into something special and set the tone for what Louisburg softball should be. I was excited for the product we were going to put on the field game one. I thought this year was going to be a season full of success.”

The seven seniors consisted of Ratliff-Becher, Allie Boles, Lauren Cutshaw, Kayla Willey, Kat Coolidge, Gabby Duggar and August Daniels. Some of those seniors were a big part of the Lady Cats’ state run a year ago, while others were looking to make an impact on the varsity level this year.

“I had very good expectations for this year,” Ratliff-Becher said. “As much as I feel bad for myself, teammates and my fellow seniors, I feel especially bad for Chapman. He worked so hard once he found out he got this job. I was so ready to learn and make him proud this season.

“I tell myself is that I have to think of other people in this situation. This could all be much worse. We are just containing this virus and protecting the

ones at the most risk, although it's going to be hard on everyone for a while."

Boys swim team wins fourth consecutive league title

The Osawatomie-Paola-Louisburg boys swim team celebrated its fourth straight ILC league title last Thursday in Osawatomie.

OSAWATOMIE – It wasn't a new experience for some of the swimmers Thursday when the Osawatomie-Paola-Louisburg boys captured the ILC title for the fourth consecutive season.

But for the ones for Louisburg, especially since this was their first go-around with the program, it was a welcome addition to what has been an already successful season.

The Miami County team reclaimed the ILC title with 457 points and won the seven-team meet going away at the OZone in Osawatomie. Parsons was the next closest with 349 points and Piper was third with 324.

"This win was a team win," coach Gerri Hart said. "Everyone on the team scored points this year. All the boys practice as a team everyday pushing each other to get better for this meet. Their hard work paid off with this big win.

"Coach Maddie (Carrigan) and I are so proud of the boys hard work and team spirit. My favorite thing about this team and every team that came before this is that we are one community working to improve together as swimmers and people, not three schools."

Justin Bradley and Theo Hebert had a pair of league titles to lead the Miami County squad. Bradley won the 200-yard freestyle in 2 minutes and 2 seconds and was also victorious in the 500 freestyle in 6:00.

Hebert captured the 100 butterfly in 1:00.60 and later won the 100 backstroke in 1:03.44.

Louisburg freshman Braden Branine captured the first individual swimming league title in school history as he won the 100 breaststroke in 1:14.44. He also took fourth in the 200 individual medley.

This is Louisburg's first year with the boys swim program.

Branine, along with Bridger Baus, Remington Rice and Cole Brown, won the school's first league relay title. The four Wildcat swimmers won the 200-medley relay in 1:56.03.

Baus finished runner-up in the 100 butterfly in 1:05.63 and later finished fourth in the 100 backstroke in

1:06.92. Brown also had a big meet as he took second in the 200 individual medley in 2:30 and was fourth in the 100 breaststroke.

Another Louisburg freshman, Brayton Brueggen, finished runner-up in the 500 freestyle in 6:01. Rice had a pair of fourth-place finishes in the 50 freestyle and 100 butterfly. Isaiah Waggerman was third in the 200 freestyle in 2:14.

In the relays, Bradley, Brown, Hebert and Waggerman took second in the 400 freestyle, while Baus, Hebert, Waggerman and Bradley finished third in the 200 freestyle.

Other Louisburg swimmers to compete were Drake Baus, Sam Bradley, Drake Burdine and Cooper Hipp.

Miami County boys swim team takes first on Senior Night

Louisburg's Bridger Baus swims the butterfly during the home meet for the Osawatomie-Paola-Louisburg team in Osawatomie.

OSAWATOMIE – With its first home meet canceled due to weather, it had been a long wait for the Miami County boys

swim team to be able to compete in its home pool.

Last Wednesday, the team comprised of swimmers from Osawatomie, Paola and Louisburg hosted four other schools at the Ozone pool in Osawatomie.

It was well worth the wait as the Miami County team took first place with a score of 585 points and blew the competition out of the water. Topeka-Hayden was second with 422 points.

The Osawatomie-Paola-Louisburg team also made some noise individually as they earned state consideration times in three events.

The 200-yard freestyle relay team of Remington Rice, Isaiah Waggerman, Theo Hebert and Justin Bradley finished second overall in 1 minute and 39.52 seconds to earn their state consideration time.

Hebert did the same in the 100 butterfly as he took first in 1:00.59. Bradley also won the 200 freestyle in 2:05.28 to earn another state consideration time.

It was also Senior Night as the program honored six swimmers for their time with the program, including Louisburg senior Sam Bradley. The other seniors who were recognized were Bailey Barnes, Justin Bradley, Hebert, Waggerman and Gabriel Talledo.

The Osawatomie-Paola-Louisburg seniors are (from left) Bailey Barnes, Justin Bradley, Sam Bradley, Theo Hebert, Isaiah Waggerman and Gabriel Talledo.

"The boys had a great meet," coach Gerri Hart said. "Everyone scored points and everyone improved in a least one event. We won the meet, which the senior boys where very happy about."

The Miami County team placed high in several events, including the 400 freestyle relay of Justin Bradley, Rice, Waggerman and Hebert, who finished first in 3:54. The other 400 team of Cole Brown, Bridger Baus, Brayton Brueggen and Cooper Hipp took third in 4:04.

The 200 medley relay of Baus, Brueggen, Brown and Hipp got the meet started with a third place finish in 2:03, while Drake Baus, Sam Bradley, Drake Burdine and Gabriel Talledo was seventh in 2:16.

In the 200 freestyle, Brueggen was second, while Drake Baus and Aaron Koechner were sixth and

11th,
respectively.

Braden Branine was second in the 200 individual medley in 2:47 and edged out Rice, who finished right behind him in third. Burdine and Hipp were fifth and sixth in the event.

Louisburg freshman Brayton Brueggan swims to a second place finish in the 200 freestyle.

Branine also went on to take second in the 100 breaststroke to lead the Miami County team, while Hipp

(fourth), Sam Bradley (7th) and Wyatt Axmann (11th) also placed.

Hebert placed first in the 100 backstroke. Brueggan placed fourth. Drake Baus was eighth.

Drake Burdine placed ninth.

Justin Bradley placed second in the 500 freestyle. Brown was third. Bridger Baus placed fourth. Talledo was seventh.

Wagberman placed third in the 100 freestyle. Sam Bradley placed ninth. Axel Harrison was 15th. Koechner placed 16th.

Sam Bradley, Drake Baus, Branine and Talledo placed sixth in the 200 freestyle relay.

Wagberman placed fifth in the 50 freestyle. Talledo was eighth. Axmann placed 13th. Harrison was 16th.

Miami County team takes fourth at Blue Valley Southwest

The Miami County boys swim team added more state consideration times to its list Saturday at a meet at Blue Valley Southwest.

Justin Bradley received a state consideration time in the 200- and 50-yard freestyle and earned a consideration time in the 100 freestyle earlier in the year. Theo Hebert earned a state consideration in the 100 backstroke.

The 200 freestyle relay of Bradley, Gabriel Talledo, Hebert and Isaiah Wagberman took fourth and had a state consideration time, as did the 400 freestyle relay of Hebert, Bridger Baus, Wagberman and Bradley.
