

Adams, Moore win Frontier League titles; Wildcats place second

Louisburg junior Austin Moore puts a Baldwin opponent on his back Saturday during the Frontier League Tournament at Baldwin High School. Moore won the 195-pound title with a 6-0 record.

BALDWIN CITY – The Louisburg High School wrestling team had hopes of bringing home a third straight Frontier League title Saturday.

Those hopes were quickly dashed as the Wildcats fell to No. 1 seed Paola in its opening dual of the day, but all was certainly not lost.

Louisburg finished second in the two-day league dual tournament at Baldwin High School with a 5-1 record and finished with a pair of league champions. The Wildcats returned to Louisburg with a lot more hardware as 11 of the team's 14 wrestlers found their way to the medal stand as each of them finished in the top four in the league.

Senior Ryan Adams (145 pounds) and junior Austin Moore (195) led the way as each of them finished as a league champion with a 6-0 record.

Adams won his first Frontier League championship as six of his

wins came by pin and the others by a technical fall and a forfeit. Moore was just as dominant as he finished with five pins and both wrestlers are heading into the regional tournament this weekend with a lot of momentum.

“Ryan is absolutely in the right place mentally,” Louisburg coach Bobby Bovaird said. “He’s always been there with his skills, but these past three or four weeks, I’ve seen him getting focused like never before. I’m pretty excited to see him pursue his goals at regionals and state. He’s stepping up as a leader, he’s pushing himself at practice, and he’s getting into a competitive mindset for his matches.

“Austin is just plain dominant. There are very few 195-pounders that we’ve seen that are more physical than he is. Austin will have some tough matches at regionals – the Prairie View kid and the Columbus kid are going to be tight matches – but he’s been pushing himself at practice to get ready for the end of the season.”

The Wildcats had hoped to bring home their third straight Frontier League title and were well on their way to doing that after a good day on Friday. Louisburg opened with a 51-20 win over Eudora and beat De Soto 66-15, which set up a close dual with Spring Hill.

The dual was tied going into the heavyweight match, but Louisburg junior Hunter Day put the Wildcats over the top with a pin and gave them a 40-34 victory.

“The Spring Hill dual was probably the best part of the weekend,” Bovaird said. “That was an exciting dual – a fun one for both teams. We’ve always had a rivalry with them, and these past few years we’ve been able to compete with them and come out on top.”

If Louisburg was going to win another title, it was going to have to overtake rival Paola in the first dual of the day Saturday. Unfortunately, the Wildcats got out to a bad start

and couldn't recover in a 51-29 loss.

Louisburg lost its first four matches before the Wildcats got victories from Gabe Bonham (132), Tucker Batten (138) and Adams to keep them in it, but Paola won five of the next seven to pull away. Paola would eventually beat Spring Hill in its final dual to secure the league title for itself.

"There's no shame in finishing behind Paola, especially with the group they've got this year," Bovaird said. "There are some outstanding wrestlers, big and small, veteran and rookie. You could tell how much they wanted the league title. It was a total team effort on their part, and you've got to give them credit. Coach (Russ)Hermreck has a quality team.

"I know our guys wanted to come out on top. We just didn't match up well with them this year. Our strong weights went up against their strong weights, and in the end, they came out on top. The first four weight classes were key, and those losses really set the tone for the dual. It especially hurt that we gave up pins in three of those weights. Gabe got us going again at 132, and Tucker and Ryan had clutch pins at 138 and 145, but it wasn't enough to get our momentum going."

Louisburg senior Ryan Adams works for a pin Saturday against Paola. Adams won the league title at 145 pounds.

The Wildcats had six wrestlers that were one win away from winning a league title for themselves. Senior Thad Hendrix (106), sophomore Cade Holtzen (113), junior Hunter Bindi (120), Batten, and junior Blue Caplinger (160) each finished second overall in their weight class.

In Holtzen's and Caplinger's case, they fell to state-ranked wrestlers ahead of them. Holtzen, who is No. 6 at 113 pounds, was pinned by defending state champion, and No. 1 ranked, Preston Martin of Paola. Caplinger, who is No. 5 at 160, lost a 10-5 decision to Eudora's Elijah Kennedy, who is ranked No. 3.

Both Wildcat wrestlers finished the day with a 5-1 record and all five of Holtzen's wins came by pin. Caplinger also recorded three pins and a major decision.

Batten had a big day at 138 pounds with three pins to go along with his 5-1 record. Hendrix and Bindi also had 5-1 marks with a pair of pins and Bindi added a major decision.

"We had some great efforts from a lot of guys," Bovaird said. "Thad, Cade, Hunter, Tucker and Blue came close with their wrestling this weekend. Thad was tied with his Paola opponent before getting pinned late in the match. Cade hit a couple nice attacks on the defending state champ from Paola.

"Hunter has been out of competition until this weekend and he figured out a lot about where he's at with his recovery. Even though he lost to the Paola kid, he can still use his mat time this week to get in better condition and strengthen his ankle. Tucker got caught with little gas in his tank against his Spring Hill opponent, but we'll see that kid again at regionals. Blue battled it out with his Eudora opponent, but just couldn't get in there offensively to score those crucial takedown points."

Day also found his way to the medal stand as he finished third in the league in the heavyweight division, while senior Kyle Allen (126), Bonham and senior Garrett Caldwell (182) each earned a fourth place medal and provided the Wildcats with some big wins over the two-day tournament.

Junior Blue Caplinger gets some back points during his 160-pound match against Ottawa. Caplinger finished second in his weight class.

The season will come to an end for some Louisburg wrestlers this weekend when the Wildcats travel to Burlington for the Class 4A regional tournament. The top four in each weight class will qualify for the state tournament the following weekend in Salina.

Tournament action will kick off on Friday and continue into Saturday. Bovaird knows it will be a difficult tournament for some of his wrestlers, but he is looking forward to seeing what is in store for his team.

“We’ll have some tough weights, that’s for sure,” he said. “I’m excited for our team though. It’s been a fun season, full of ups and downs, but these guys have been growing so much from November to now. They’ve kept their focus and rebounded

from some of the snags that kept us from achieving some wins earlier in the year.”

Wildcats down Lawrence on Senior Night

The Louisburg High School wrestling team honored eight seniors Thursday during its Senior Night dual with Lawrence High. The Louisburg seniors are (from left): manager Megan Anderson, Kyle Allen, Dylan Thompson, Garrett Caldwell, Ryan Adams, Thad Hendrix, Tucker Battten and manager Ashley Chitwood.

For the six Louisburg senior wrestlers, Thursday's matchup with Lawrence High was more than just your normal dual.

It would be the last time they got a chance to compete in front of their home fans.

Thad Hendrix, Kyle Allen, Tucker Batten, Ryan Adams, Dylan Thompson and Garrett Caldwell were all honored on Senior Night and the Wildcats got a win in the process. Louisburg downed Lawrence 56-15 as the Wildcats improved their dual record to 13-5 on the season in their final home performance.

This senior class was one Louisburg coach Bobby Bovaird got to know a young age and he has enjoyed his journey with this group.

"I first got to know these guys when they were seventh graders," Bovaird said. "With the exception of Dylan, all of them were on the seventh grade team when I started coaching at the middle school. I have gotten to know them quite a bit,

more than just the four years that you typically get to know a kid.

“Each of these kids have gone with us to some kind of camp with us over the years, whether it be in Nebraska, going to Baldwin or our summer camp here. It is a great group of kids and I am definitely going to miss them when this is all over.”

As for the dual itself, the Wildcats encountered some losses that nearly turned into wins. Hendrix lost a back and forth match at 106 pounds to begin the dual and Adams nearly pinned the state’s No. 2 wrestler in Class 6A, Ja’Melle Dye, before he ended up getting pinned himself at 145 pounds.

Despite those setbacks, the Wildcats still experienced plenty of success against the Lions.

Freshman Cade Holtzen got the Wildcats on the board at 113 pounds with a pin, and after both teams were open at 120, Allen and Gabe Bonham won by forfeit at 126 and 132, respectively.

Senior Tucker Batten turns his opponent for some back points during the 138-pound match Thursday.

Batten won by technical fall at 138 pounds and put the Wildcats up by 20 and they led 23-15 following the 152 pound match.

The Wildcats reeled off six victories in a row to end it. Junior Blue Caplinger (160) won by pin, freshman Ben Wiedenmann (170) won by decision, Caldwell (182) won by forfeit, Hayden Hoy (195) won by forfeit, Austin Moore (220) won by pin and Hunter Day (285) won by forfeit to complete the dual.

“There were some tough matches, but we just didn’t have the type of matchups that I was hoping have for our Senior Night,” Bovaird said. “I wanted a chance to showcase our guys and how tough they are. Thad’s match was a close one, and Ryan’s match was an intense match, but they didn’t go the way we wanted

them to go. We have a lot of work between now and league.”

Louisburg will now begin its postseason stretch as it will compete in the Frontier League Dual Tournament beginning on Friday at Baldwin High School in hopes of defending its league title. The Wildcats will begin action against at 5 p.m. against Eudora, followed by matches against De Soto and Spring Hill.

The Wildcats will open with Paola at 10:15 a.m. on Saturday, followed by duals with Baldwin and Ottawa.

“With the competition we have, we have stressed taking one weekend off a month,” Bovaird said. “We have been going four weeks straight and now it is time for them to take a break and enjoy a little time off. I just hope our weight doesn’t balloon up too much. We have four solid practices coming up (this week) and then we start the postseason. It is an exciting time right now.”

Three Wildcats bring home medals from Baldwin

Louisburg senior Ryan Adams works for a pin at the Baldwin Invitational Tournament on Saturday. Adams was second in the 145-pound weight class and was one of three Wildcats to earn medals.

BALDWIN CITY – The Louisburg High School wrestling team saw some of the best competition the state had to offer Saturday at the Baldwin Invitational Tournament.

It was the Wildcats' most difficult tournament to date and provided them with a lot of tough matches. Despite all that, Louisburg was still able to come away with some hardware.

The Wildcats earned three medals on the day, including a pair of wrestlers that found themselves among the top two in their weight classes.

Freshman Cade Holtzen won the 113-pound weight class as he finished his round-robin bracket with a 5-0 record as he continues to have a strong season that includes a No. 5 ranking in Class 4A and a 32-1 record on the season.

“Cade is establishing himself as one of the toughest 113 pounders in the state,” Louisburg coach Bobby Bovaird said. “He hasn't seen some of the tough western Kansas competition, but for the folks around this area, he's proven himself to be a high-caliber wrestler as a freshman. We'll see how things stack up at regionals and state though. He's been wrestling strong and improving his skills each time he gets on the mat.”

Freshman Cade Holtzen won the 113-pound weight class Saturday at the Baldwin Invitational.

Ryan Adams pinned his way to the championship match of the 145-pound bracket, where he met a familiar opponent. Adams, the No. 5 wrestler in the state, went up against No. 4 Patterson Starcher from Tonganoxie.

Adams has seen Starcher in two previous appearances this season, but came up short in both instances. Despite battling an illness, Adams put up a fight against Starcher in a 7-0 loss to finish second overall.

He still had a successful tournament as he picked up big victories along with way, including a pin of Burlington's Cael Johnson in the semifinals, who is the No. 6 ranked wrestler in the state.

"Ryan has been fighting pneumonia the last week, and I

wouldn't have blamed him if he had taken the weekend off to rest up," Bovaird said. "I'm pretty proud of how he stepped up and battled through his weakness. His semifinals win was a great step forward for him. That kid was ranked at state right below him, and he's a tough kid.

"Ryan's finals match had some high spots, but you could tell he wasn't feeling his best. He toughed it out against a guy who'd pinned him twice earlier this season. Next time we see him will be at state. If Ryan is healthy, the way he's been wrestling lately, that match will go much differently."

Junior Blue Caplinger competed in the toughest bracket of the tournament at 160 pounds. It featured five of the top six wrestlers in the state, including Caplinger, who is ranked No. 5.

To open the tournament, Caplinger met Eudora's Elijah Kennedy, the No. 3 ranked wrestler in the state. Caplinger nearly pulled off the upset in a 4-2 decision and he almost tied the match as time expired.

Caplinger responded to win two of his next three matches to finish fourth overall, including a 1-0 decision over Tonganoxie's Caden Searcy in the consolation semifinals.

"Blue had a tough bracket indeed," Bovaird said. "Five of the top-six ranked kids in the state were there on Saturday. His first match was a battle against Kennedy. Blue lost a 4-2 decision on that one, but the final minute of the match, he was getting closer and closer to tying up the match. On the back side of the bracket, he got a 1-0 decision against a kid who'd beaten him 3-4 times two years ago, and that was a nice revenge win. In the 3rd place match, he faced the No. 1 ranked kid in 4A, who'd just gotten beat in the semifinals, and that was a tough loss for Blue."

Junior Austin Moore, who is ranked No. 5 at 195 pounds, had a difficult bracket as well. Moore squared off with No. 3 Connor

Searcy from Tonganoxie for the third time, and like the other two times, came up short in a 4-2 decision in the semifinals. He also fell to Prairie View's Chanz Gerleman on the back side of the bracket before rebounding to win his fifth place match.

"Austin had a chance to wrestle the Tonganoxie kid for the third time this season," Bovaird said. "He's a strong wrestler, and Austin just couldn't get that takedown this time. On the back side of the bracket, he got caught and pinned by a Prairie View kid who he might have just overlooked. It was a tough day, but I think Austin knows what to do to correct that problem for next time."

Seniors Thad Hendrix (106 pounds), Kyle Allen (126) and Tucker Batten (138) finished their day on a good note as they each won their fifth place matches.

Senior Thad Hendrix finished fifth overall at 106 pounds for the Wildcats

Overall, the Wildcats finished ninth out of 16 teams with 108.5 points. Holton won the tournament with 190 points and Tonganoxie was second with 161.

“As always, Baldwin proves to be a great test for us,” Bovaird said. “We have a chance to see several schools that we don’t typically see until state – Clay Center, Rock Creek, Buhler and Wamego to name a few. It gives us an indication of where we’re at in the season. The seeding meeting is always difficult because we haven’t seen a lot of the teams, so we get to hear a lot of common opponents. Plus, we get to see how we stack up head-to-head when we get on the mats.

“We struggled in a few spots, and we dropped some matches I don’t think we should have let get away. One point of emphasis we’ve been working on is overtime matches. We lost two of them this weekend, and it just shows up how much harder we need to be working.

Louisburg returns to the mat tonight in its final home match of the season as it hosts Lawrence High for dual on Senior Night. Matches are set to begin at 6 p.m.

LHS wrestling downs Ottawa in front of former Wildcats

Louisburg senior Tucker Batten works for a pin Thursday during the Wildcats' home dual against Ottawa. The night also marked the return of several former wrestlers as they took part in the 3rd Annual Wildcat Wrestling Reunion.

Past, present and even future Louisburg High School wrestlers gathered together Thursday for the program's 3rd Annual Wildcat Wrestling Reunion.

As former wrestlers came together to relive their favorite memories on the mat, the current Wildcat team provided the entertainment. Louisburg hosted Ottawa in a Frontier League dual and the Wildcats brought down the Cyclones, 51-27, as nine different Wildcats picked up victories.

"It's always a great feeling to get a win in front of the home crowd," Louisburg coach Bobby Bovaird said. "With so many alumni in attendance, it felt even better. I love that our guys have the ability and the chance to show the previous generations where our program is heading. All those guys had a big part in building the foundation that we have."

Several former Wildcats had a chance to be recognized halfway

through the dual, including former head coach Don Meek, who was the program's first head coach in 1969.

Former LHS wrestling head coach Don Meek waves to the crowd as he was recognized with other LHS wrestling alumni Thursday.

Others that attended the reunion included: coach Brent Lane; Tom York, 1973; Fletch Kelly, 1975; Jack Smith, 1976; Jeff Shaffer, 1978; Chris Kelly, 1979; Marilyn Meek Mueller, 1981; Craig Crossley, 1987; Karl Stuteville, 1989; Bruce Caldwell, 1990; Bryan Stahl, 1990; Matt Golladay, 1993; Logan York, 1997; Shawn Crossley, 1998; Chad Hardesty, 1998; Clint Carter, 1998; Trevor Finch, 1998; James Auth, 1999; Andrew Shaffer, 2000; Jill Schaumburg Tibbetts, 2003; Reed Kreiser, 2004; Tim Gregar, 2005; Bradley Trageser, 2016; Jimmy Dolan, 2016; Zach Jones, 2016; Paige Shaffer, 2016; Alyssa Ellifrits, 2016; Dylan Meyer, 2017.

“Keeping the alumni a part of the program is a huge advantage,” Bovaird said. “Our younger guys see that this is a sport that builds life-long friendships. These guys who wrestled for the program weren’t just high schoolers who decided to wrestle in the winter to stay busy or to stay in shape; they were a part of a family. I want the squad to see how the alumni come together to share stories and laugh about old memories.

“We had all five decades of our program represented, from the very first LHS wrestling squads up through guys from last year’s graduating class. An event like this helps the alumni remember that they’re a part of the program, that people remember the things they did to help us get to where we’re at right now. It’s a tradition I plan to keep going as long as I’m here. Louisburg wrestling has always been something special, and thanks to the investments of all those who came before us, it always will be something special for our community.”

The current Wildcats put on a show as they jumped out to a big lead over the Cyclones through the first half of the dual.

After senior Thad Hendrix lost a close decision at 106 pounds, freshman Cade Holtzen won by pin at 113 pounds and junior Hunter Bindi was open at 120. Senior Kyle Allen won by technical fall at 126 pounds to stake Louisburg to a 17-3 lead.

Louisburg continued its run as freshman Anthony Welborn won by forfeit at 132 pounds and senior Tucker Batten won by pin at 138 pounds. Senior Ryan Adams won by forfeit at 145 and the Wildcats took a 35-3 advantage.

Senior Kyle Allen works to turn his opponent Thursday during the Wildcats' home dual with Ottawa.

Freshman Jacob Briley lost by pin at 152, but junior Blue Caplinger won by major decision at 160 to get Louisburg back on track. Seniors Dylan Thompson (170) and Garrett Caldwell (182) lost by pin before Austin Moore (195) won by pin in his match.

James Nelson, who moved up a weight class from junior varsity, filled in at 220 and lost by pin. Junior heavyweight Hunter Day won the final match by forfeit.

"We were pretty competitive in most of the night's matches," Bovaird said. "I'm also really glad that some of our non-varsity guys had a chance to perform on the mats of our home gym. Dylan Thompson is a senior who just started wrestling last year, and he was excited to fill our 170 spot for the night. Several freshmen are also showing a lot of guts by

filling in at varsity whenever asked.”

Wildcats win at Parsons for second straight title

The Louisburg High School wrestling team captured their second consecutive title Friday when it won the Parsons Invitational with 170 points and five Wildcats won individual titles.

PARSONS – The Louisburg wrestling team could get used to these type of moments it has had the last two weeks.

For the second week in a row, Louisburg won a tournament title and its latest conquest came Friday at the Parsons Invitational. The Wildcats captured the 11-team tournament with 170 points, winning by more than 35 points.

Louisburg also left Parsons with five individual champions and had four more place in the top four in their respective brackets. The Wildcats did all this after winning the Topeka Invitational six days earlier.

“I felt like the guys wrestled pretty well,” Louisburg coach Bobby Bovaird said. “I tend to think that we wrestle better as the day goes on, especially when we’re doing an evening

tournament like this one. We had a couple hiccups in some matches, but I'm really pleased with the determination the guys showed throughout the evening."

Senior Thad Hendrix (106 pounds), freshman Cade Holtzen (113), junior Gabe Bonham (132), senior Ryan Adams (145) and junior Austin Moore (195) each won their weight class.

Bonham won his first tournament of the season at 132 pounds and did so in exciting fashion. He won his first two matches, which set up a bout against Santa Fe Trail's Carter Greenfield in the championship, and Bonham won by a 9-4 decision in overtime.

"Gabe made a great run through the tournament, and I was pretty happy with what I saw from him on the mat," Bovaird said. "In the finals, he had a returning state qualifier who had been ranked at one point this season. I didn't see that affecting the way Gabe wrestled though. He was consistent, solid, and made his offense pay off in that match.

"He got the first takedown, which is always huge, and then when the match went into overtime, he kept up his offense. In the second overtime, he not only got a reversal to put him ahead, he was relentless and got some back points to secure the win."

Hendrix and Holtzen breezed through their brackets on their way to a title. Hendrix defeated Wichita West's Nasir Johnson by a 19-10 major decision to go 3-0 on the day. Holtzen, who is currently ranked No. 5 at 113 pounds in Class 4A, won by major decision to start the day and then pinned Anderson County's Ashton Miller in the second period of the championship match.

Adams responded with another victory at 145 pounds. The Louisburg senior, who is currently ranked No. 5 in the state, won his opening match by technical fall, then recorded a pin before pinning Cherryvale's Dalton Hestland-Vail in the first

period.

Moore brought his No. 5 state ranking into the Parsons tournament and it was never in jeopardy. Moore pinned his first two opponents before winning a 9-0 major decision over Wichita West's Seandale DeShazer.

"Thad had a wild back-and-forth match with a strong kid from Wichita West, but his intensity won him the match," Bovaird said. "He wore the kid down to the point that you could see him hanging his head while Thad was constantly looking to score. Ryan, Cade, and Austin also had some challenges in their finals matches, but they were all able to overcome them to win some gold medals."

The Wildcats also had three wrestlers finish 3-1 on the day to come in third. Seniors Kyle Allen (126), Tucker Batten (138) and junior Blue Caplinger (160, No. 5 in 4A) each ended their day with a win in the third place match, while junior Hunter Day (285) earned a fourth-place medal.

"All three of them were 3-1 with three pins," Bovaird said. "Kyle and Tucker ran into a couple of tough kids from Mill Valley. Tucker's opponent was a state placer last year, and Tuck only lost 5-0. Blue got caught by a tough Wichita West kid and fought off a mean headlock for about a minute before the referee called a questionable pin that was out-of-bounds. He then bounced back for the third place match to beat a kid who'd beaten him earlier this year and who has been ranked ahead of him at state."

The Parsons Invitational, which had been a dual tournament in the past, changed to a bracket format for this year and Bovaird was happy with what he saw from his group.

"I was happy that our guys got a chance to win some individual hardware," Bovaird said. "I wish we'd gotten some more matches at some weights, but in the end, the guys all ran into some quality opponents. Anderson County has been building these

last few years, and we went head-to-head with them quite a bit. Santa Fe Trail was also there, and they've always put strong kids on the mat."

Louisburg has a busy week ahead of it as the Wildcats host Ottawa for a dual meet Thursday before venturing to the Baldwin Invitational on Saturday for an all-day tournament.

Thursday's dual will also coincide with the 3rd Annual LHS Wrestling Alumni Reunion, which will begin at 5 p.m.

"I'm really excited about the alumni reunion," Bovaird said. "We're going to start at 5 pm with a little reception on the mezzanine. We'll have some refreshments and memorabilia, photos, and newspaper clippings sitting out. I've heard from several guys from the 1970s, 80s, and 90s who plan on getting there. Shawn Crossley (Wildcat Wrestling Club coach and class of 1998) and Bruce Caldwell (class of 1990) have been great about networking and reaching out to the alumni. It should be a great night for the program, bringing the veterans back to watch the squad do their thing on the mat."

Wildcat wrestlers win Topeka Invitational

Louisburg wrestlers (from left) Kyle Allen, Ben Wiedenmann, Ryan Owens, Blue Caplinger, Thad Hendrix, Garrett Caldwell, Cade Holtzen, Gabe Bonham, Austin Moore, Anthony Welborn, Ryan Adams, Tucker Batten, Hunter Day and Sam Kratochvil pose for a team picture following their win in the Topeka Invitational.

TOPEKA – It isn't considered one of its toughest tournaments of the season, but the Topeka High Invitational still presented a few challenges for the Louisburg High School wrestling team.

Despite those obstacles, the Wildcats were still able to leave Topeka on Saturday as champions.

Louisburg won the tournament for the second straight time with 202 points and edged out Council Grove, which had 199.5 points, for the team title. In the process, the Wildcats also had four individual champions on a day that they had all 13 wrestlers place in the top six.

"I like the Topeka tournament because it gives a chance to do some practical application of the moves we've been working on to start off the month of January," Louisburg coach Bobby Bovaird said. "The guys just had a little time off for Christmas break, we have a pretty tough tournament of our own, and then we go to Topeka for their invitational. It's been getting more and more competitive each year we've been, and I like to see how we fare against some different competition.

"This year they added Shawnee Mission West, Burlingame and Bishop Miege, all of whom were pretty competitive in the

tournament. Plus, there's Council Grove, which is always a tough team. We had some guys really step up and win some great matches. We faced a lot of new teams – teams that aren't 4A – and it's nice to have a mix-up like that. We saw some new styles and some new techniques that were able to test us.”

Freshman Cade Holtzen (113 pounds), Blue Caplinger (160) and Austin Moore (195) were the tournament's No. 1 seeds and all three wrestled like it, as all three wrestlers earned first place honors.

Holtzen, who is currently ranked No. 5 in Class 4A, recorded five consecutive pins to the win the title at 113 pounds. That success also improved his record to 25-1 on the season.

As for Caplinger, he encountered a tough match in the championship round, as he squared off with Bishop Miege's Drew Perez who had a 22-2 record going into the match. Caplinger was able to get the pin on Perez to win his second straight tournament and he is ranked No. 6 in Class 4A.

Moore improved his record to 23-2 on the year with four straight pins and then met Council Grove's Preston Gilbert in the finals, where he won an 8-2 decision. Moore is currently ranked No. 5 in the state.

“I was really happy with their performances,” Bovaird said. “Cade continues to have a dominant freshman season. He came out with five pins on the weekend and he looked strong in each match. Blue just came off a 2-1 decision against the #3 ranked kid in Kansas 6A on Wednesday, and he was in a pretty competitive 160-pound bracket. The finals match was against a pretty tough wrestler from Bishop Miege, and Blue continues to wrestle smart. He keeps solid position, and when he hits a move, he goes 100% and catches good kids. This time, it got him a pin in the finals.

“Austin was 5-0 in his pool at 195. His final match of the day was an 8-2 decision against a strong Council Grove opponent.

Austin was dominant against him, despite struggling to turn him. I think it was a great time to have a match go the full six minutes. It definitely highlighted a couple areas that he can tweak. Other than that, he looked as strong as ever on the mat."

The Wildcats also had another champion in freshman Anthony Welborn, who moved up from junior varsity to fill in at 120 pounds. Welborn wrestled three matches and finished with a 2-1 record, but took first based on a tiebreaker.

"Anthony, who's filling in for Hunter Bindi at 120, was a great surprise," Bovaird said. "Anthony pinned his first two kids to set him up pretty good going into the final match. He lost that match 11-15, but that left a three-way tie for 1st place in his round robin pool. Because he had two pins, that gave him the criteria to be named champion. He's a strong athlete who doesn't stop moving. I noticed that his opponents are never safe when they're on top of him."

Seniors Ryan Adams (145), Tucker Batten (138) and Kyle Allen (126) also found themselves in the championship round, but came up just short of winning a championship.

Adams, who is ranked No. 5 in the state, went up against Highland Park's Angelo Plakio in the championship round and lost a tough 6-4 decision.

Batten won his first two matches before falling by major decision to Topeka West's T.J. Peterson. Allen was also 2-0 going into his final match, before getting pinned by Council Grove's Billy Sales.

Gabe Bonham (132) finished third for the Wildcats. Thad Hendrix (106) and Hunter Day (285) took fourth as they each earned a medal.

Garrett Caldwell (182) came in fifth overall, while Ryan Owens (106) and Ben Wiedenmann (170) each finished sixth.

Louisburg will gear up for another tough tournament Friday when it travels to Parsons as the Wildcats continue to prepare themselves for the postseason.

“It was an exciting day of competition, with Council Grove battling back and forth with us for the team title,” Bovaird said. “They have some very tough kids who are solid wrestlers. Although we ran into a few close matches and made some mistakes that cost us wins on the day, I think it was a great showing to have everyone on the mat placing in the top 6.

“This tournament sets us up pretty good for this upcoming weekend, when we go to Parsons on Friday. That tournament has been changed to a traditionally bracketed tournament instead of a dual tournament. The next weekend we go to Baldwin for their really competitive Baldwin Invitational Tournament, which showcases some of the strongest teams in Kansas 4A.”

Wildcat wrestling picks up big wins despite dual loss

Louisburg senior Kyle Allen works for a pin during this 126-pound match Wednesday during the Wildcats' dual with Gardner-Edgerton in Gardner. Allen won by pin, but the Wildcats fell in the dual 41-30.

GARDNER – It wasn't exactly the result the Louisburg High School wrestling team was looking for Wednesday when the Wildcats traveled to Gardner-Edgerton High School.

Although the Wildcats lost the dual, 41-30, they picked up several big individual wins – including a pair of come-from-behind victories. In all, Louisburg won six of the 14 matches.

“We knew going into the dual that it would be a physical match-up,” Louisburg coach Bobby Bovaird said. “It has been like that the last couple of years since we started dualing Gardner. They have a solid group of wrestlers who hit moves hard and fight to the end. While I'm happy that we didn't shell-up and let their physicality break us mentally, I wish we had been able to capitalize on a couple matches. I'll give

it to our guys, though. They didn't give up, and they didn't back down."

Louisburg got off to a good start as freshman Ryan Owens made the move up from junior varsity at 106 pounds due to an injury to Hunter Bindi. Owens gave the Wildcats an early lead with a pin for his third varsity win on the season.

Senior Thad Hendrix and freshman Cade Holtzen both moved up a weight class to give Louisburg a stronger lineup and the Wildcats nearly came away with two wins. Hendrix lost a close decision, but Holtzen responded with a pin that gave him his 20th victory on the season.

The Wildcats recorded its second straight win when senior Kyle Allen responded with a pin at 126 pounds. It gave Louisburg 18-3 lead at the time, but Gardner got pins over Justin Collins (132) and Gabe Bonham (138) to cut into the Wildcat advantage.

Louisburg freshman Ryan Owens gets a pin at 106 pounds.

Senior Ryan Adams extended Louisburg's lead with an exciting match at 145 pounds. Adams, who is currently ranked No. 3 in the state, had his hands full with Gardner's Taven Ewbank.

Adams was down 4-0 in the third period, but got a reversal for two points late in the match and then got three back points to come away with a 5-4 decision.

"Ryan's match was an exciting one," Bovaird said. "I was getting pretty fired up because I felt like the official wasn't taking control of the match and Ryan was getting his arm wrenched behind his back quite a bit. I love the grit and determination he showed by getting the late reversal and then back points to win the match."

Gardner responded by recording a technical fall on Tucker Batten at 152 pounds and pinned Ben Wiedenmann at 160 to grab

a 27-21 lead.

The Wildcats pulled off an upset at 170 pounds when Blue Caplinger, who is ranked No. 6 in 4A, faced off with Gardner's Jensen McDermott, who is ranked No. 3 in 6A.

Caplinger was down 1-0 in the third before he recorded a late reversal with just seconds left in the match and came away with a 2-1 decision to cut into the Blazer lead.

"Blue's match was great," Bovaird said. "He's been wrestling very well this season. He keeps in good position, he keeps his feet moving, and he's really picked up his scrambling skills. That match was a smart win for him – he kept the first period scoreless and then gave up an escape in the second period. Third period he took bottom position and he was scrambling and moving most of the period.

"By the time the match was drawing to a close, he'd been moving like crazy, the top man had been warned for stalling, and Blue had worn down his stamina. With a late scramble to a reversal, he was able to hold on for a nice win over a state-ranked opponent."

Freshman Ben Wiedenmann blocks a shot from a Gardner opponent Wednesday.

Louisburg nearly took the lead back when senior Garrett Caldwell got the first takedown at 182 pounds and put his opponent on his back, but he couldn't get the pin and ended up getting pinned later in the match.

Senior Austin Moore answered for Louisburg with a quick pin at 195 pounds, but it would be the Wildcats' last victory. Louisburg was open at 220 as Sam Kratochvil was out after he suffered a fractured leg at last week's home tournament. Heavyweight Hunter Day was pinned by Gardner's Jackson Flowers, who is ranked No. 1 in 6A.

Despite the loss, Bovaird saw a lot of positives as the Wildcats head back into tournament competition Saturday at the Topeka High Invitational.

“Austin Moore had another dominant win, and he’s leading our team with the most pins,” Bovaird said. “Our freshmen are stepping up big time. Ryan Owens, Justin Collins and Ben Wiedenmann are all getting in some good mat time. Owens got a pin, Collins scored the first takedown on an experienced wrestler, and Wiedenmann was hanging pretty well with a heavier opponent.

“Cade Holtzen is 20-1 this season at 113 and continues to make an impact at the varsity level. Thad Hendrix and Gabe Bonham both bumped up a weight to help our lineup, but they lost close decisions. Tucker Batten, Garrett Caldwell, and Hunter Day all fought hard against their opponents, who were pretty tough wrestlers.”

Wildcats finish runner-up at home meet

Louisburg junior Blue Caplinger lifts up his opponent for a takedown during his 160-pound match Saturday at the Louisburg Wildcat Classic. Caplinger finished first overall and helped the Wildcats to a second-place team finish.

The Louisburg High School wrestling team didn’t show a lot of rust in its first action back from the holidays.

In fact, the Wildcats looked like they were in midseason form.

Louisburg put on a show in front of its home fans as the Wildcats finished second in the team standings with 209.5 points and put six wrestlers in the championship match.

Three of those won top honors as senior Thad Hendrix (106 pounds), freshman Cade Holtzen (113) and junior Blue Caplinger (160) each took first place. Junior Hunter Bindi (120), senior Ryan Adams (145) and junior Austin Moore (195) also found themselves in the first-place match, but finished second.

Tonganoxie, which is ranked No. 4 in Class 4A, edged the Wildcats for first place with 226.5 points as both teams went up against each several times throughout the day.

“We had a great day,” Louisburg coach Bobby Bovaird said. “Going into the finals, we’d held on to first place, but we just couldn’t hold off Tonganoxie. We lost to them head-to-head in two finals matches, and we dropped two matches I wasn’t expecting to lose. Still, coming out that close to the top was pretty nice.

“We had three varsity kids out – two of them with the flu. Our fill-ins at 132 and 170 were both freshmen bumping up a weight class. We were open at 138, too. Several of our upperclassmen had been sick with the flu earlier in the week, and three of my varsity guys had been with the band trip to Pasadena and only had two practices under their belts.”

Louisburg coach Bobby Bovaird and senior Thad Hendrix were all smiles after Hendrix's win in the 106-pound championship match.

Hendrix had his best tournament of the season for the Wildcats as he knocked off the No. 1 and No. 2 seeds on the way to the title at 106 pounds. The Louisburg senior had a come-from-behind 13-12 win in his third match against Tonganoxie's Caleb Allen, in which he was down several points early.

He followed that up with a pin of Blue Valley West's Joe McElwee in the championship match. Hendrix was behind heading into the third period, but was able to put McElwee on his back to win the title.

Holtzen continued his strong showing during his first varsity season. Holtzen, who is currently ranked No. 5 at 113 pounds in Class 4A, reeled off five straight wins on his way to the

title.

The Louisburg freshman recorded four pins on the day, including a 45 second pin of Anderson County's Ashton Miller in the first-place match.

Caplinger was able to pin his way to the championship match at 160 pounds before he went up against Baldwin's Scott Harmon. Caplinger earned a hard fought 2-0 decision in the title match, in which he was able to hold down Harmon.

"Individually, a lot of guys really stepped up to perform," Bovaird said. "Cade, Blue and Thad really did well, and I was pretty proud of how they wrestled. Thad had a couple come-from-behind wins against the No. 1 and No. 2 seeds. Seeing him win his first championship of the season was pretty exciting.

"Cade is having an exceptional start to his freshman season, and this was his first high school varsity championship. I'm excited to see what he will accomplish this year. Blue had four pins en route to the finals, and then faced a pretty tough Baldwin kid. He wrestled as smart as I've ever seen him."

Freshman Cade Holzen works for a pin against a Piper wrestler Saturday during the Wildcat Classic.

The Wildcats did have some heartbreak in the championship round as they also had three losses and an injury.

Bindi had to leave his championship match at 120 pounds with an ankle injury against Leavenworth's Hartwell Taylor and ended up finishing second. Bindi ended his day with a 4-1 record, which included four pins on the way to the title match.

Both Adams and Moore had revenge on their minds as they squared off with a pair of Tonganoxie opponents, who each handed them their only losses of the year.

Unfortunately they weren't able to avenge them as Adams was pinned by Patterson Starcher in the first period in a match that featured the No. 2 (Starcher) and No. 3 ranked wrestlers

at 145 pounds in Class 4A.

Moore, who is currently ranked No. 5 at 195 pounds in Class 4A, met No. 4 Connor Searcy in the finals and nearly got the upset. Moore fell to Searcy in overtime by a 6-4 decision.

Adams and Moore each cruised to the title match as Adams recorded three pins and a technical fall on the day, while Moore finished with four pins.

“Hunter Bindi an unfortunate accident and tweaked his ankle, but he should be okay in a couple weeks,” Bovaird said. “Ryan and Austin each had rematches against their Tonganoxie opponents. We were hoping for different results, but it didn’t work out that way. Ryan looked strong in the first period, but got caught in a scramble and his opponent took advantage of it and got the pin. Austin wrestled a smart match and kept things close, but had a little lapse that cost him in overtime.”

Junior Hunter Bindi pins his Anderson County opponent at 120 pounds Saturday. Bindi took second overall.

Seniors Kyle Allen (126) and Tucker Batten (152), along with freshman Ryan Owens (106), each took fourth place.

Allen finished the day with a 2-3 record and two pins after falling to Rockhurst's Elijah Todd in a 7-0 decision. Batten, who moved up a weight class, was 1-3 with a pin, but was put on his back by Piper's Brendan Martin in the third-place match.

Owens, a freshman, wrestled unattached for Louisburg and went 2-3 with a technical fall and a major decision.

"Kyle and Tucker had some tough matches throughout the day," Bovaird said. "Kyle's losses were all to some pretty good wrestlers. Tucker is moving up to 152 for a little bit, and he ran into some stronger kids. His last match was a rematch from earlier in the day, and it looked like he was about to get a revenge win, but got caught in the final seconds and was pinned."

Freshman Justin Collins (132) and senior Garrett Caldwell (182) each took sixth place, while freshman Ben Wiedenmann bumped up two weight classes to wrestle at 170 pounds and took seventh. Anthony Davis (160 pounds, 8th place), Hunter Day (285, 8th) and Sam Kratochvil (220, 9th) also wrestled for Louisburg.

The Wildcats return to action tonight when it travels to Gardner-Edgerton High School for a dual and then will compete Saturday in the Topeka High Invitational.

"I think we're moving forward at a good pace," Bovaird said. "I still need to get some things adjusted with our approach to wrestling. We still tend to revert to old habits formed in kids club, but at the high school level, lots of those things

just won't work anymore. The guys are focused, though, and they work hard at practice.

"I think that with continued application of newer techniques, intense and focused drilling, and faith in the program philosophy, we can turn the corner and head into the second part of the season with momentum."

OPINION: 2017 was a banner year for Louisburg

Having the opportunity to cover Louisburg High School athletics, for what has been almost 10 years now, I have seen a lot of different highs and lows.

I have been lucky enough to cover state championship teams and watched several athletes perform at the highest level. However, this last year has to be one for the record books when it comes to success at Louisburg High School.

For Wildcat athletics, 2017 was a banner year for many reasons.

Louisburg qualified for the state tournament in three different sports – volleyball, girls soccer and boys basketball – and the first two each placed in the top four.

The volleyball team was just a point away from winning the school's first state title after the Lady Cats finished second to defending state champion Rose Hill, and tied for the best finish in school history.

The Wildcat girls soccer team qualified for the state semifinals in just its second year of existence and suffered a heartbreaking 1-0 loss in the semifinals to eventually take fourth overall.

In boys basketball, the Wildcats qualified for the state tournament for the first time in 12 years despite getting

knocked out in the first round by defending state champion Bishop Miege.

Most schools would love to have that success with their athletic programs, but for Louisburg, that was just the tip of the iceberg. As special as the seasons were for those three programs, the Wildcats also thrived in a few other sports.

Louisburg's cross country program, which has been around for 19 years, had the best season in its history – by far. Not only did the Wildcats have three state medalists for the first time ever, but it had a year that featured the school's first female league champion in Trinity Moore and the best league finish by a male, Wyatt Reece, who took second.

Tim Smith continued the Wildcat success as he became the school's first regional cross country champion, and Moore, Reece and Smith each went on to win a state medal. Moore and Smith also set school records for the fastest time.

The Wildcats also qualified the girls team for the first time in school history as Moore, Carlee Gassman, Reilly Alexander, Isabelle Holtzen, Kaitlyn Lewer, Payton Shaffer and Emily Williams took third at regionals and eventually 10th at state.

The Wildcat wrestling team tied a program best by qualifying eight for the state tournament and came back with a medal by Ryan Adams, who finished sixth.

Louisburg's track and field team persevered and qualified for state in 10 events and had two regional champions in Quinn Rigney and Chris Williams. Isabelle Holtzen and T.J. Dover each brought home their first state track medals.

The boys soccer team was one goal away from making its second consecutive trip to the state semifinals, but their run was halted by a loss to McPherson in state quarterfinals. Still, the Wildcats won a regional title, which was the seventh in team history.

Freshman Calvin Dillon led the Wildcat golf team this past year and recorded the program's first state medal in more than decade as he took 10th overall.

All these things and more I described in detail when releasing my top 10 stories of the year and what a year it was.

Obviously, I haven't had a chance to look through all the results, but I can't imagine a more successful year for LHS when you are talking about athletics. There may have been years in the 70s, 80s and 90s that I don't know about, but I find it hard to imagine one that tops 2017.

Sure, the 2010-11 school year featured two state championship teams in football and boys track and field and that was a fantastic time to be Wildcat, but as far as calendar years go, 2017 was one to remember.

Even outside the sports world, Louisburg High School put together many great accomplishments as the Wildcat Marching Band was selected to participate in the Tournament of Roses Parade and put on a great show for the nation on New Year's Day.

Then in October, the FFA Food Science team of Hallie Hutsell, Faith Seuferling, Addie Katzer and Hattie Harris won a national championship, while Hutsell and Seuferling placed second and third in the nation, respectively.

I don't get a lot of opportunities to cover programs or groups outside the sports world, but these are fantastic accomplishments and deserved to be recognized.

For me, 2017 was a whirlwind. It seemed around every corner, school history was being made and there aren't many schools around the state that can boast about the successes Louisburg has experienced.

It was an honor for me to cover many of these historic runs in

Wildcat history and I hope you all realize how lucky you have it. Louisburg is a school filled with great coaches who care about the student athletes.

Believe me, I know how fortunate I am to be able to be a part of something special and this place is it. If 2018 is half of what 2017 was, it will be a fun ride.

I can't wait for what 2018 has in store and hopefully you all will follow along to see what these Wildcats can accomplish.

Top 10 Stories of 2017

It was a successful, and eventful, 2017 for Louisburg High School athletics and for those who are connected to the Wildcat program. This past year created a lot of school history for LHS and several programs brought back state hardware to Louisburg.

Below are the Top 10 stories from 2017, along with a brief explanation of each. Included in the explanation is the link to the actual story from the event.

This year was a blast to cover and I was blessed to have the opportunity to go along for the ride with many of these. As much fun as it was, I can't wait for 2018 to begin. Looking forward to it!

Louisburg's Calvin Dillon earns his first state golf medal as a freshman as he took 10th at the state meet.

10. Dillon medals at state golf

Louisburg freshman Calvin Dillon certainly didn't play like a first-year varsity player as he led the Wildcat golf team all season. Dillon finished 10th at the Class 4A state tournament in Wamego and became the first Wildcat golfer to earn a state medal in several years.

Dillon made the state tournament alongside senior Ty Martin, who finished in 28th place overall after he earned his second straight state appearance.

Isabelle Holtzen earned her first state medal in the pole vault as she took seventh back in May.

9. Holtzen, Dover earn first state track medals

T.J. Dover finished eighth

4A Kansas State Track and
Field Championships in
Wichita.**

Junior Isabelle Holtzen and senior T.J. Dover both ended their track and field seasons on a good note as they earned state medals in late May at the Class 4A state meet in Wichita.

Holtzen had a big season in the pole vault as she ended seventh in the state after she cleared 10 feet. Earlier in the year, Holtzen broke a 15-year old school record in the pole vault as she topped 11-1.

Dover made his second consecutive trip to the state meet and finished strong in his final high school performance. He took eighth with a throw of 143-4.

The Wildcats qualified for the state meet in 10 events and had two regional champions in junior Quinn Rigney (100-meter dash) and sophomore Chris Williams (400 dash).

8. Frontier League adds three schools, says goodbye to another

For the Frontier League, 2017 brought a lot of changes to a league that has featured seven schools for the last several years.

Starting in the 2018-19 season, the Frontier League will add three new schools. Piper, Tonganoxie and Bonner Springs each accepted invitations to join the league last April to create a 10-team league.

It is didn't stay 10 teams for long as De Soto will make the move to a different league during the same season. The current league will be made up of nine schools: Louisburg, Paola, Ottawa, Spring Hill, Baldwin, Eudora, Piper, Tonganoxie and Bonner Springs.

7. Louisburg boys soccer wins regional crown

The Louisburg High School boys soccer team was trying to make its second consecutive trip to the state tournament this past season and the Wildcats almost got there.

Although the Wildcats fell to McPherson in the state quarterfinal game in late October, Louisburg put together another successful season that included a 1-0 victory over Independence in the regional championship game.

The Wildcats finished the season with a 13-6 record and earned the school's first Frontier League championship since 2010.

Junior Ryan Adams celebrates after he earned a state medal at 138 pounds.

6. Wildcat wrestling qualifies eight for state, Adams picks up medal

The Louisburg High School wrestling team had an historic season as it qualified eight for the Class 4A state wrestling tournament, which tied for the most in school history, during the regional tournament in February at Frontenac High School

Thad Hendrix (106 pounds), Nathan Keegan (120), Kyle Allen (126), Ryan Adams (138), Dylan Meyer (145), Austin Moore (170), Austin Raetzel (195) and Mason Koechner (285) all competed at the state tournament in Salina.

Adams earned the school's lone state medal on the season as he finished sixth overall at 138 pounds.

Louisburg head football and boys track and field coach Gary Griffin retired from the district after 32 years. It was one of many changes for the LHS athletic department.

5. LHS goes through staff/coaching changes

The 2017-18 school year looked a lot of different than in previous years for Louisburg High School athletics.

LHS saw a lot of changes in its coaching staff and in the administration as well. Activities director Darin Gagnebin stepped down and was replaced by current director Jeremy Holloway.

In the coaching department, former head and assistant football Gary Griffin retired from the district after 32 years with the high school and Louisburg promoted assistant Robert Ebenstein

as the new Wildcat head football coach.

Jason Nelson resigned his post as the Wildcat head boys basketball coach and he was replaced with Ty Pfannenstiel. Griffin and Greg Darrington also resigned as the boys and girls track and field coaches, and were replaced by Andy Wright (boys) and John Reece (girls).

Louisburg cross country runners (from left) Tim Smith, Trinity Moore and Wyatt Reece each ended the season with a state medal.

4. LHS cross country earns three state medals, qualifies girls team

The Louisburg High School cross country team might have had

its best season in its 19-year history in 2017.

The Wildcats thrived against some of the state's best competition as seniors Wyatt Reece, Tim Smith and sophomore Trinity Moore all earned state medals at the Class 4A meet in Wamego.

Moore recorded the highest finish for a female runner in school history as she finished fifth in the state and broke her own school record in the process with a time of 19 minutes and 47 seconds.

In the boys race, Reece picked up his first state medal with a time of 17 minutes and finished 11th overall. Smith, who won a regional title the week before, came in 15th with a time of 17:05. Smith was the first Wildcat to win a regional title in school history.

Louisburg also made history as the Wildcat girls team qualified for the state meet for the first time after they finished third at their regional in Burlington. Moore joined Isabelle Holtzen, Reilly Alexander, Carlee Gassman, Kaitlyn Lewer, Payton Shaffer and Emily Williams to make up the seven-member squad that finished 10th in the team standings at state.

Earlier in the year, Moore became the school's first Frontier League champion, while Reece recorded the highest league finish in boys history as he took second at the league meet.

3. Louisburg boys basketball earns first state tournament berth in 12 years

The season may not have started out the way the Louisburg boys basketball team would have liked, but it certainly finished on a positive note.

Louisburg knocked off rival Paola in the sub-state semifinals and then defeated Fort Scott in the championship game in early March to earn its first sub-state championship since 2005.

The Wildcats earned the No. 6 seed and squared off with eventual champion Bishop Miege at the Class 4A state tournament in Salina. The Stags ended the Wildcats' season with an 81-47 loss.

2. LHS girls soccer finishes fourth at state tournament

Louisburg's girls soccer program has only been around for two years, but the Wildcats have set high expectations from the beginning and that continued in 2017.

The Wildcats advanced to the Class 4-1A state semifinals for the first time in school history as they defeated Piper with a 2-1 victory in overtime. This victory came off their second consecutive regional title as they knocked off Bonner Springs.

At the state tournament, Louisburg faced off with Thomas More Prep and suffered a heart-breaking 1-0 loss in the semifinals. The Wildcats moved on to the third-place game against Maize South and eventually finished fourth overall.

1. Lady Cat volleyball ends season as state runner-up

The Louisburg High School volleyball team was just one point away from not only becoming the school's first state volleyball champion – but also the first female team to win a state title in Louisburg history.

As close as the Lady Cats got, they came up just short against defending state champion Rose Hill in late October at the Class 4A-Division I state championship. Louisburg fell 23-25, 25-10 and 29-27 in heartbreaking fashion to finish as the state runner-up.

Still, it was an impressive season for Louisburg volleyball as it finished with a 34-10 record. The Lady Cats reeled off wins over Basehor-Linwood, Bishop Miege and Rose Hill in pool play and then downed Wellington in the state semifinals.

The Lady Cats received several accolades as junior Anna Dixon

and senior Sophie McMullen earned first team all-state and all-league honors. Dixon was also named as the Co-Player of the Year in Class 4A-Division I.

Junior Carson Buffington was also named to the all-state tournament team with Dixon and McMullen.
